PRESS RELEASE

Bonso to exhibit at 2013 InterWeighing show in Shanghai, China

HONG KONG, November 6, 2012 (Globe Newswire) -- Bonso Electronics International, Inc. (NASDAQ: BNSO), a designer and manufacturer of sensor based products, announced that the company will take part in the 2013 China International Weighing Instrument Exhibition ("InterWeighing 2013") on April 22 to 24, 2013. InterWeighing is an international weighing industry expo organized by China Weighing Instrument Association once every year. It is the world's largest trade show in the weighing industry.

Bonso's booth will be located at B386-387 in the Shanghai Everbright Convention & Exhibition Center on No.78, CaoBao Road, Shanghai, China. Bonso's participation in this event will enhance Bonso's brand value and exposure to the domestic market in China. All customers and shareholders are welcome to visit our booth. For more information about the exhibition, please visit <http://www.interweighing.com/>.

About Bonso Electronics

Bonso Electronics designs, develops, manufactures, assembles and markets a comprehensive line of electronic scales, weighing instruments, health care products and telecommunications products. Bonso products are manufactured in the People's Republic of China for customers primarily located in North America and Europe. Company services include product design and prototyping, production tooling, procurement of components, total quality management, and just-in-time delivery. Bonso also independently designs and develops electronic products for private label markets. For further information, visit the company's web site at <http://www.bonso.com>.
