NOTES TO THE FINANCIAL STATEMENTS
April 30, 2016
(Unaudited)

NOTE 1. CONDENSED FINANCIAL STATEMENTS

The accompanying condensed financial statements have been prepared by the Company without audit. In the opinion of management, all adjustments (which include only normal recurring adjustments) necessary to present fairly the financial position, results of operations and cash flows at April 30, 2016 and for all periods presented have been made.

Certain information and footnote disclosures normally included in financial statements prepared in accordance with accounting principles generally accepted in the United States of America have been condensed or omitted. It is suggested that these condensed financial statements be read in conjunction with the financial statements and notes thereto included in the Company's July 31, 2015 audited financial statements. The results of operations for the period ended April 30, 2016 are not necessarily indicative of the operating results for the full year.

NOTE 2. RECENT DEVELOPMENTS

AGREEMENT AND PLAN OF MERGER WITH ALL SCREENS MEDIA, LLC

On May 21, 2015, the Company entered into an Agreement and Plan of Merger (the "Merger Agreement"), with All Screens Media, LLC, and the holders of 100% of the membership interests of ASM (the "ASM Members"). Subject to the terms and conditions of the Merger Agreement, MeeMee shall establish a wholly-owned subsidiary (the "Merger Sub") prior to closing which shall be merged with and into ASM (the "Merger") and ASM shall be the surviving company in the Merger and shall continue its limited liability company existence under the laws of the State of Nevada and shall succeed to and assume all of the rights and obligations of ASM and Merger Sub in accordance with the NRS and shall become, as a result of the Merger, a direct wholly-owned subsidiary of MeeMee.

In connection with the Merger Agreement, the Company and ASM entered into a Secured Promissory Note dated May 19, 2015 (the "Promissory Note"). The Promissory Note provides that the Company will fund ASM a total of up to \$900,000 in increments of no less than \$225,000 on or earlier than each of June 15, 2015, July 15, 2015 and August 15, 2015, and September 15, 2015.

On May 2, 2016 the Secured Promissory Note was amended so that the Principal Amount of the Note became to Six Hundred Seventy Five Thousand Dollars (\$675,000). Section 3.1 of the Note, the Funding Schedule was amended to state that the Holder shall advance to Debtor a total of no less than \$675,000 under the Note on or before May 6, 2016. The full amount of \$675,000 as required under the Funding Schedule was advanced and that condition has been met.

The May 21, 2015 Agreement and Plan of Merger with All Screens Media also provided that upon the closing of the Merger Agreement, the Company shall issue 10,000,000 restricted shares of common stock to the ASM Members, and up to an additional 5,000,000 restricted shares of common stock to the ASM Members subject the achievement of certain 12 and 24 month EBITDA thresholds to be mutually agreed upon prior to the closing.

NOTE 2. RECENT DEVELOPMENTS (continued)

AGREEMENT AND PLAN OF MERGER WITH ALL SCREENS MEDIA, LLC (continued)

The Merger Agreement is subject to several closing conditions, including, without limitation: (i) the Company's completion of the funding in the total amount of \$900,000 Promissory Note; (ii) the Company's issuance of an aggregate of 3,000,000 Stock Options to the ASM Members at the per share price of \$0.12; and (iii) ASM completing an audit and delivering to the Company financial statements prepared in compliance with GAAP. The parties' objective is to close the Merger on a date to be specified by the parties which shall be no later than the second business day after satisfaction or waiver of the closing conditions set forth in the Merger Agreement.

On May 2, 2016, the effect on Capital Stock – Section 2.1(a) was deleted and replaced with a provision for the conversion of all ASM Interests at the time of the Merger into Seventeen Million Five Hundred Thousand (17,500,000) fully paid and non-assessable shares of MeeMee Common Stock. Section 2.1(d) was deleted and replaced with a provision to allocate and additional Seventeen Million Five Hundred Thousand (17,500,000) shares of MeeMee Common Stock as incentive bonus stock to be issued upon achievement of certain criteria. The Amendment amended the Merger Agreement to a Closing Date of August 31, 2016.

EXCLUSIVE LICENSE AGREEMENT WITH ECA WORLD FITNESS ALLIANCE

On July 17, 2015, the Company entered into an Exclusive License Agreement (the "Agreement") with ECA World Fitness Alliance, ("ECA") and the sole owner of ECA granting the Company an exclusive and perpetual right and license to the Marks and Intellectual Property of ECA. In connection with the Agreement, (i) MeeMee issued the sole owner of ECA an initial royalty payment in the form of One Million (1,000,000) shares of restricted common stock of the Company; (ii) MeeMee shall further issue to the sole owner of ECA additional royalties in the amounts of up to 300,000 shares of restricted common stock of the Company per year for the first two years from the effective date in the event certain revenue milestones are achieved; (iii) MeeMee arranged for payment in the outstanding amount of \$89,913.45 owed by ECA to the Marriott Marquis Hotel in New York, New York; and (iv) pursuant to the terms of the Agreement, MeeMee has the right to purchase any and all assets, intellectual property, inventory, products and business of ECA worldwide at a purchase price of \$1.00 pursuant to a mutually agreeable form of purchase agreement.

NOTE 3. GOING CONCERN

These financial statements have been prepared on a going concern basis, which implies the Company will continue to realize its assets and discharge its liabilities in the normal course of business. The Company has never generated revenues since inception and has never paid any dividends and is unlikely to pay dividends or generate earnings in the immediate or foreseeable future.

At April 30, 2016 the Company has limited cash resources and will likely require new financing, either through loans from officers, debt financing, equity offerings or business combinations to continue the development of its business; however, there can be no assurance that management will be successful in raising the funds necessary to maintain

operations, or that a self-supporting level of operations will ever be achieved. The likely outcome of these future events is indeterminable. The continuation of the Company as a going concern is dependent upon the continued financial support from its shareholders, the ability of the Company to obtain necessary equity financing to continue operations and the attainment of profitable operations.

MEEMEE MEDIA INC.
 NOTES TO THE FINANCIAL STATEMENTS
 April 30, 2016
 (Unaudited)

NOTE 3. GOING CONCERN (continued)

As of April 30, 2016, the Company has accumulated losses of (\$4,369,430) since inception. These financial statements do not include any adjustments to the recoverability and classification of recorded asset amounts and classification of liabilities that might be necessary should the Company be unable to continue as a going concern. These factors raise substantial doubt regarding the Company's ability to continue as a going concern.

NOTE 4. RECENT PRONOUNCEMENTS

During the quarter ended October 31, 2014, the Company elected to early adopt Accounting Standards Update No. 2014-10, Development Stage Entities (Topic 915): Elimination of Certain Financial Reporting Requirements. The adoption of this ASU allows the Company to remove the inception to date information and all references to development stage.

In April 2015, the FASB issued its final standard on simplifying the presentation of debt issue costs. This standard, issued as ASU 2015-03, requires that all costs incurred to issue debt be presented in the balance sheet as a direct reduction from the carrying value of the debt, similar to the presentation of debt discounts. This update is effective for financial statement periods beginning after December 15, 2015, and interim periods within those fiscal years, with early adoption permitted. The Company has adopted those standards and does not expect the impact of such changes on the financial statements to be material.

NOTE 5. STOCKHOLDERS' EQUITY

Common Stock

The Company is authorized to issue 150,000,000 common shares with a par value of \$0.001 per share. No preferred shares have been authorized or issued.

Opening Balance, July 31, 2015	36,825,000
Common shares issued during the period	3,250,000
Closing Balance, April 30, 2016	40,075,000

On August 5, 2015, the Company issued 250,000 unregistered common shares to a non-related service provider pursuant to a consulting services agreement. The shares were valued at \$40,000 based on the fair market value of the stock on the date the shares were issued.

On October 26, 2015, the Company issued an aggregate of 3,000,000 common shares pursuant to a private placement of Units at the price of \$0.10 per Unit for gross proceeds of \$300,000. Each Unit consists of one (1) share of common

stock and one half (1/2) stock purchase warrant. One whole warrant is convertible into one share of common stock at an exercise price of US \$0.15 if exercised within two years year from the date of issuance. The fair value of the common share component of the Units at the time of issuance was equal to market price therefore the Company allocated the entire \$300,000 to common shares and nil to warrants.

NOTE 5. STOCKHOLDERS' EQUITY (continued)

Warrants

On February 3, 2014 the Company entered into a Secured Promissory Note, a Security Agreement and a Common Stock Purchase Warrant (the "February 2014 Warrant") with an accredited investor. The February 2014 Warrant provides for the grant of warrants to purchase up to 3,000,000 shares of the Company's common stock to the Holder with a 5 year term at an exercise price of \$0.50 per share. The fair value of the warrants granted was estimated at the date of granting using the Black-Scholes option pricing model with the following assumptions: risk free interest rate of 0.07%, volatility factor of 506.18%, and a weighted average expected life of 5 years. The Company assigned a relative fair market value to the February 2014 Warrants in the amount of \$107,144, which was recorded as a discount and amortized over the life of the Note. On April 6, 2016, the Company and the Holder agreed to reduce the exercise price of the warrants to \$0.06 while the rest of the terms remained the same. The Company recorded the incremental value for the modification of the award and recorded an expense of \$741.

Effective October 9, 2014, the Company amended the Secured Promissory Note and the February 2014 Warrant (the "First Amendment") so that (i) the exercise price under the February 2014 Warrant was reduced from \$0.50 per share to \$0.25 per share, and (ii) the exercise price under the February 2014 Warrant may be further reduced to a reset price as follows: if the average of the closing prices of the Company common stock for the fifteen trading days after October 31, 2014 is less than \$0.25 per share, than the exercise price shall be reset to such less price. On April 6, 2016, the Company and the Holder agreed to reduce the exercise price of the warrants to \$0.06 while the rest of the terms remained the same. The Company recorded the incremental value for the modification of the award and recorded an expense of \$606.

Furthermore on October 9, 2014, in connection with the First Amendment, the Company issued the Holder an additional Common Stock Purchase Warrant dated October 9, 2014 (the "October 2014 Warrant") to purchase up to 5,000,000 shares of Company common stock. The October 2014 Warrant has a term of 5 years and an exercise price of \$0.25 per share, subject to a reduction under the same reset conditions as provided in the February 2014 Warrant. The fair value of the October 2014 Warrants granted was estimated at the date of granting using the Black-Scholes option pricing model with the following assumptions: risk free interest rate of 0.10%, volatility factor of 711.94%, and a weighted average expected life of 5 years. The Company assigned a relative fair market value to the October 2014 Warrants in the amount of \$24,424, which was recorded as a discount and amortized over the life of the Note.

On March 5, 2015, the Company entered into a second amendment (the "Second Amendment") to the Secured Promissory Note of February 3, 2014 (the "Note") and Common Stock Purchase Warrants dated February 3, 2014 and October 9, 2014 (the "Warrants") with an accredited investor (the "Holder"). The Second Amendment amended the Note and the first amendment to the Note of October 9, 2014 (the "First Amendment") to include a section allowing for the conversion of the Note by the Holder. The conversion feature in the Second Amendment grants the Holder the option to convert all or a portion of the outstanding principal and interest due and owing under the Note at any time or times by delivering to the Company a duly executed facsimile copy of a notice of conversion. The conversion price per share of the Common Stock under the Second Amendment is ten cents (\$0.10), subject to a downward adjustment in the event of certain lower price issuances of Common Stock by the Company.

NOTE 5. STOCKHOLDERS' EQUITY (continued)

Warrants (continued)

On April 6, 2016, the Company and the Holder agreed to reduce the exercise price of the warrants to \$0.06 while the rest of the terms remained the same. The Company recorded the incremental value for the modification of the award and recorded an expense of \$242.

The Second Amendment also provides for the amendment and restatement of the February 2014 Warrant and the October 2014 Warrant such that the exercise price of the Warrants is adjusted to ten cents (\$0.10) per common share, subject to a downward adjustment in the event of certain lower price issuances of Common Stock by the Company. The fair value of the amended February and October 2014 Warrants was estimated at the date of the amendment using the Black-Scholes option pricing model with the following assumptions: risk free interest rate of 0.25%, volatility factor of 242.10%, and a weighted average expected life of 5 years. The Company assigned an incremental relative fair market value to the amended February 2014 Warrants in the amount of \$124,854 (for an updated fair market value of \$231,998) and an incremental relative fair market value to the amended October 2014 Warrants of \$313,004 (for an updated fair market value of \$337,428) which was recorded as a discount and amortized over the life of the Note.

Furthermore, the Second Amendment also provided for the issuance to of an additional Common Stock Purchase Warrant dated March 5, 2015 (the "March 2015 Warrant") to purchase up to 2,000,000 shares of the Company's common stock at an exercise price of \$0.10 per share (subject to a downward adjustment in the event of certain lower price issuances of Common Stock by the Company) with a five (5) year term pursuant to a Warrant Agreement. The fair value of the March 2015 Warrants granted was estimated at the date of granting using the Black-Scholes option pricing model with the following assumptions: risk free interest rate of 0.25%, volatility factor of 242.10%, and a weighted average expected life of 5 years. The Company assigned a relative fair market value to the Warrants in the amount of \$166,836, which was recorded as a discount and amortized over the life of the Note.

On April 6, 2016, the Company entered into a third amendment (the "Third Amendment") to the Secured Promissory Note of February 3, 2014 (the "Note") so that the maturity date of the Note was extended from August 3, 2015 to December 31, 2017 and all interest due under the Note as of August 3, 2015 was capitalized.

The Third Amendment amended the Note, the first amendment to the Note dated October 9, 2014 (the "First Amendment") and the second amendment to the Note of March 5, 2015 (the "Second Amendment") to include a section allowing for the adjustment of the conversion price granting the Holder the option to convert all or a portion of the outstanding principal and interest due and owing under the Note at any time or times at a conversion price per share of six cents (\$0.06) per Common Share, subject to adjustment as provided in the Second Amendment. The amount of outstanding principal under the Note continues to bear interest at a rate of one percent (1%) per month and the Company and the Holder agree that all accrued interest shall be added to the principal balance of the secured Note such that the principal amount of the secured Note as of the date of the Third Amendment is US \$1,187,200.

Furthermore, the Third Amendment also provided for the issuance of an additional Common Stock Purchase Warrant dated April 6, 2016 (the "April 2016 Warrant") to purchase up to 2,000,000 shares of the Company's common stock at an exercise price of \$0.06 per share with a five (5) year term pursuant to a Warrant Agreement as well as the issuance of 2,000,000 common shares as an inducement fee for the extension. The fair value of the April 2016 Warrants granted was estimated at the date of granting using the Black-Scholes option pricing model with the following

assumptions: risk free interest rate of 1.22%, volatility factor of 276%, and a weighted average expected life of 5 years. The Company assigned a relative fair market value to the April 2016 Warrants in the amount of \$69,822, which was recorded as a discount and amortized over the remaining life of the Note.

In this Form 10-Q references to "MeeMee", "the Company", "we", "us" and "our" refer to MeeMee Media Inc.

Limited Operating History

There is limited historical financial information about our company upon which to base an evaluation of our future performance. We are a growth stage corporation and have not generated any revenues from operations. We cannot guarantee that we will be successful in our business operations. We are subject to risks inherent in the establishment of a new business enterprise, including limited capital resources and possible delays in the exploitation of business opportunities. We may fail to adopt a business model and strategize effectively or fail to revise our business model and strategy should industry conditions and competition change.

We have limited resources and there is no assurance that future financing will be available to us on acceptable terms. Additional equity financing could result in dilution to existing shareholders.

Overview of Operations

We were incorporated in the State of Nevada on August 23, 2005. We maintain our statutory registered agent's office at 701 S. Carson St. Ste. 200 Carson City, NV 89701 and our business office is located at 6630 West Sunset Boulevard, Los Angeles, CA 90027. Our telephone number is (416) 903-6691.

Our original business was to involve the design and marketing of women's intimate apparel. Emphasis was on utilizing fabric and stitch design, which would not show through regular clothing as undergarments. We were unsuccessful in our efforts to locate a suitable fabric, and as a result we have been seeking other viable business opportunities for the Company.

We are a "shell company" whose sole purpose at this time is to locate and consummate a merger and/or acquisition with an operating entity.

On May 21, 2015, we entered into an Agreement and Plan of Merger (the "Merger Agreement"), with All Screens Media, LLC, and the holders of 100% of the membership interests of ASM (the "ASM Members"). Subject to the terms and conditions of the Merger Agreement, we shall establish a wholly-owned subsidiary (the "Merger Sub") prior to closing which shall be merged with and into ASM (the "Merger") and ASM shall be the

- 12 -

surviving company in the Merger and shall continue its limited liability company existence under the laws of the State of Nevada and shall succeed to and assume all of the rights and obligations of ASM and Merger Sub in accordance with the NRS and shall become, as a result of the Merger, a direct wholly-owned subsidiary of MeeMee.

In connection with the Merger Agreement, the Company and ASM entered into a Secured Promissory Note dated May 19, 2015 (the "Promissory Note"). The Promissory Note provides that we will fund ASM a total of up to \$900,000 in increments of no less than \$225,000 on or earlier than each of June 15, 2015, July 15, 2015 and August 15, 2015, and September 15, 2015. As at April 30, 2016 an aggregate of \$430,000 has been paid.

Upon the closing of the Merger Agreement, we shall issue 10,000,000 restricted shares of common stock to the ASM Members, and up to an additional 5,000,000 restricted shares of common stock to the ASM Members subject the achievement of certain 12 and 24 month EBITDA thresholds to be mutually agreed upon prior to the closing. The Merger Agreement is subject to several closing conditions, including, without limitation: (i) the Company's completion of the funding in the total amount of \$900,000 Promissory Note; (ii) the Company's issuance of an aggregate of 3,000,000 Stock Options to the ASM Members at the per share price of \$0.12; and (iii) ASM completing an audit and delivering to the Company financial statements prepared in compliance with GAAP. For further details concerning the Merger, please refer to the Company's Report on Form 8-K filed with the Sec on Edgar on May 22, 2015. The parties' objective is to close the Merger on a date to be specified by the parties which shall be no later than the second business day after satisfaction or waiver of the closing conditions set forth in the Merger Agreement.

On May 2, 2016, MeeMee Media, Inc. (the "Company") entered into an amendment (the "Amendment") to the Agreement and Plan of Merger (the "Merger Agreement") and the Secured Promissory Note (the "Note") both dated May 19, 2015 with All Screens Media, LLC, a Nevada limited liability company ("ASM") and the holders of 100% of the membership interests of ASM. The Amendment amended certain terms of the Merger Agreement and Note as follows:

Secured Promissory Note - The Principal Amount of the Note was amended to Six Hundred Seventy Five Thousand Dollars (\$675,000). Section 3.1 of the Note, the Funding Schedule was amended to state that the Holder shall advance to Debtor a total of no less than \$675,000 under the Note on or before May 6, 2016. The full amount of \$675,000 as required under the Funding Schedule was advanced and that condition has been met.

Effect on Capital Stock – Section 2.1(a) was deleted and replaced with a provision for the conversion of all ASM Interests at the time of the Merger into Seventeen Million Five Hundred Thousand (17,500,000) fully paid and non-assessable shares of MeeMee Common Stock. Section 2.1(d) was deleted and replaced with a provision to allocate and additional Seventeen Million Five Hundred Thousand (17,500,000) shares of MeeMee Common Stock as incentive bonus stock to be issued upon achievement of certain criteria.

Termination – The Amendment amended the Merger Agreement to a Closing Date of August 31, 2016.

On July 17, 2015, the Company entered into an Exclusive License Agreement (the "Agreement") with ECA World Fitness Alliance, ("ECA") and the sole owner of ECA granting the Company an exclusive and perpetual right and license to the Marks and Intellectual Property of ECA. In connection with the Agreement, (i) MeeMee issued the sole owner of ECA an initial royalty payment in the form of One Million (1,000,000) shares of restricted common stock of the Company; (ii) MeeMee shall further issue to the sole owner of ECA additional royalties in the amounts of up to 300,000 shares of restricted common stock of the Company per year for the first two years from the effective date in the event certain revenue milestones are achieved; (iii) MeeMee arranged for payment in the outstanding amount of \$89,913.45 owed by ECA to the Marriott Marquis Hotel in New York, New York; and (iv) pursuant to the terms of the Agreement, MeeMee has the right to purchase any and all assets, intellectual property, inventory, products and business of ECA worldwide at a purchase price of \$1.00 pursuant to a mutually agreeable form of purchase agreement.

ECA is a 25 year old fitness and lifestyle brand that, among other things, runs the oldest fitness trade show on the East Coast of the United States. The ECA license was acquired for the business purpose of synergizing its reach, its mailing list, its connections with fitness modalities, trainers and fitness consumers around the world with ASM's business model and vice versa. Among other things, ECA will be launching a 365 day per year virtual trade show online. The physical New York trade show business itself was only one element of the ECA acquisition thesis. While ECA suffered a down show year in April 2016, that was more because the Company was concentrating on other elements of the ECA gameplan and not the physical trade show. For next year's event we expect the trade show business to recapture past years' successes, while adding significant revenue from the digital channels we will have put in place once the ASM merger has been completed.

We have no employees and own no property. We currently maintain office space located at 6630 West Sunset Boulevard, Los Angeles, CA 90027. There is no lease arrangement for the office space. We are on a month-by-month, as needed basis.

Liquidity and Capital Resources

At April 30, 2016, we had total current assets of \$531,914 (\$97,539 in cash, \$4,375 in prepaids and \$430,000 in advances paid to ASM pursuant to the Merger) against total current liabilities of \$930,551 compared to total current assets of \$249,277 and total current liabilities of \$1,985,687 at July 31, 2015. As the Convertible Promissory notes and Loans payable now have a maturity date of December 31, 2017, those amounts have been reclassified as long term debt for the ended April 30, 2016. The working capital deficit was (\$398,636) compared to (\$1,736,410) at July 31, 2015, again, due primarily to the reclassification of the notes and loans to long term. We incurred a net loss of (\$582,022) for the nine months ending April 30, 2016 and an aggregate deficit since inception of (\$4,369,430).

Since inception, we have used our common stock to raise money to fund our business operations, for corporate expenses and to repay outstanding indebtedness. During the nine months ended April 30, 2016 we issued an aggregate of 3,000,000 common shares pursuant to a private placement of Units at the price of \$0.10 per Unit for gross proceeds of \$300,000 and 250,000 common shares to a non-related service provider pursuant to a consulting services agreement at a deemed value of \$40,000.

During the next twelve months we expect to continue to incur indebtedness for administrative and professional charges associated with preparing, reviewing, auditing and filing our financial statements and our periodic and other disclosure documents to maintain the Company in good standing. Our management is exploring a variety of options to meet our cash requirements and future capital requirements, including the possibility of equity offerings, debt financing and business combinations.

As at April 30, 2016, an aggregate of \$578,822 is owed to our officers and other related parties for services rendered.

On February 3, 2014, the Company entered into a Secured Promissory Note in the principal amount of \$1,000,000 (the "Note"), a Security Agreement (the "Security Agreement") and Common Stock Purchase Warrant (the "February 2014 Warrant") with an accredited investor (the "Holder"). The Company will repay the note through proceeds generated from private placements upon future rounds of financings.

The amount of outstanding principal under the Note bears interest at a rate of one percent (1%) per month; provided, however, upon the occurrence of an uncured event of default under the Note, the outstanding principal at the time of such uncured event of default shall accrue at the rate of seventeen percent (17%) per annum during the period of time which the event of default is continuing and not cured, and the amount of any and all such default interest shall be

payable on demand by the Holder. The obligations of the Company under this Note are secured

The February 2014 Warrant provides for the grant of warrants to purchase up to 3,000,000 shares of the Company's common stock to the Holder with a 5 year term at an exercise price of \$0.50 per share. The February 2014 Warrant provides that, other than in connection with certain excepted issuances described in the Warrant, the \$0.50 per share exercise price shall be reduced to any lower price issuance by the Company of any common stock or securities convertible into or exercisable directly or indirectly for shares of common stock.

Effective October 9, 2014, the Company amended the Note and the February 2014 Warrant so that (i) the maturity date of the Secured Note was extended from August 3, 2014 to August 3, 2015; (ii) all interest due under the Secured Note as of August 3, 2014 was capitalized; (iii) the exercise price under the February 2014 Warrant was reduced from \$0.50 per share to \$0.25 per share, and the exercise price under the February 2014 Warrant may be reduced to a reset price as follows: (a) if the average of the closing prices of the Company common stock for the fifteen trading days after October 31, 2014 is less than \$0.25 per share, then the exercise price shall be reset to such less price; and (b) if the Company issues shares in an acquisition financing at a price per share less than \$0.75 per share, then the exercise price shall be reduced to a price equal to the price per share in the financing multiplied by 0.333. In connection with the Amendment, the Company also issued the Holder an additional Common Stock Purchase Warrant dated October 9, 2014 (the "October 2014 Warrant") to purchase up to 5,000,000 shares of Company common stock. The October 2014 Warrant has a term of 5 years and an exercise price of \$0.25 per share, subject to a reduction under the same reset conditions a provided in the February 2014 Warrant. On March 5, 2015, the Company entered into a second amendment (the "Second Amendment") to the Secured Promissory Note of February 3, 2014 (the "Note"). The Second Amendment amended the Note and the first amendment to the Note of October 9, 2014 (the "First Amendment") to include a section allowing for the conversion of the Note by the Holder. The conversion feature in the Second Amendment grants the Holder the option to convert all or a portion of the outstanding principal and interest due and owing under the Note at any time or times by delivering to the Company a duly executed facsimile copy of a notice of conversion. The conversion price per share of the Common Stock under the Second Amendment is ten cents (\$0.10), subject to a downward adjustment in the event of certain lower price issuances of Common Stock by the Company. On the maturity date, all interest due under the Note as of August 3, 2015 was capitalized and all terms under the Note continued to remain in effect with the same conditions as contemplated under the Second Amendment.

On April 6, 2016, the Company entered into a third amendment (the "Third Amendment") to the Secured Promissory Note of February 3, 2014 (the "Note") so that the maturity date of the Note was extended from August 3, 2015 to August 4, 2017 and all interest due under the Note as of August 3, 2015 was capitalized.

The Third Amendment amended the Note, the first amendment to the Note dated October 9, 2014 (the "First Amendment") and the second amendment to the Note of March 5, 2015 (the "Second Amendment") to include a section allowing for the adjustment of the conversion price granting the Holder the option to convert all or a portion of the outstanding principal and interest due and owing under the Note at any time or times at a conversion price per share of six cents (\$0.06) per Common Share, subject to adjustment as provided in the Second Amendment. The amount of outstanding principal under the Note continues to bear interest at a rate of one percent (1%) per month and the Company and the Holder agree that all accrued interest shall be added to the principal balance of the secured Note such that the principal amount of the secured Note as of the date of the Third Amendment is US \$1,187,200.

Common Stock by the Company) with a two (2) year term pursuant to a Warrant Agreement as well as the issuance of 1,500,000 common shares as an inducement fee for the extension.

The obligations of the Company under the Second Note are secured pursuant to the terms of the Security Agreement dated February 3, 2014 between the Holder and the Company. The second Note includes a section allowing for the conversion of the Second Note by the Holder granting the Holder the option to convert all or a portion of the outstanding principal and interest due and owing under the Second Note at any time or times by delivering to the Company a duly executed facsimile copy of a notice of conversion. The loan bore an interest amount equal to \$2,000 plus an administration fee of \$1,500, which was due on March 4, 2014. \$100,000 CDN (\$90,000 USD) was repaid. Our ability to meet our financial liabilities and commitments is primarily dependent upon the continued financial support of our management and stockholders, the continued issuance of equity to new stockholders, and our ability to achieve and maintain profitable operations. If financing is not available on satisfactory terms, we may be unable to continue, develop or expand our operations. There can be no assurance that we will be able to raise additional capital, and if we are unable to raise additional capital, we will unlikely be able to continue as a going concern.

Plan of Operation

Currently, we are a growth stage corporation. A growth stage corporation is one engaged in the search of business opportunities, successful negotiation and closing of a business acquisition and furthering its business plan.

As of the date of this report, we have generated minimal revenues and have sustained significant operating losses since our formation and expect to continue to incur substantial losses and negative operating cash flows for the foreseeable future as we attempt to expand our infrastructure and development activities and carry on with the due diligence process of the proposed acquisition. Our ability to continue may prove more expensive than we currently anticipate and we may incur significant additional costs and expenses.

We are subject to risks inherent in the establishment of a new business enterprise. We may fail to adopt a business model and strategize effectively or fail to revise our business model and strategy should industry conditions and competition change. We have limited resources and there is no assurance that future financing will be available to our Company on acceptable terms. These conditions could further impact our business and have an adverse effect on our financial position, results of operations and/or cash flows.

Going Concern Uncertainties

As of the date of this quarterly report, there is substantial doubt regarding our ability to continue as a going concern as we have not generated sufficient cash flow to fund our business operations. The financial statements included in this quarterly report have been prepared on the going concern basis, which assumes that we will be able to realize our assets and discharge our obligations in the normal course of business. If we are not to continue as a going concern, we would likely not be able to realize our assets at values comparable to the carrying value or the fair value estimates reflected in the balances set out in the preparation of the financial statements.

Our future success and viability, therefore, are dependent upon our ability to generate capital financing. The failure to generate sufficient revenues or raise additional capital may have a material and adverse effect upon us and our shareholders.

Off-Balance Sheet Arrangements

At April 30, 2016, we do not have any off-balance sheet arrangements that have or are reasonably likely to have a current or future effect on our financial condition, changes in financial condition, revenues or expenses, results or operations, liquidity, capital expenditures or capital resources that is material to investors.

ITEM 4. CONTROLS AND PROCEDURES

Evaluation of Disclosure Controls and Procedures

In connection with the preparation of this Quarterly Report on Form 10-Q, an evaluation was carried out by our management, with the participation of our principal executive officer and our principal financial officer, of the effectiveness of our disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) of the Securities Exchange Act of 1934, as amended (the "Exchange Act")), as of January 31, 2016.

Based on that evaluation, our principal executive officer and our principal financial officer have concluded that, as of April 30, 2016, our disclosure controls and procedures were not effective to detect the inappropriate application of US GAAP rules. This was due to deficiencies that existed in the design or operation of our internal control over financial reporting that adversely affected our disclosure controls and procedures resulting in material weaknesses.

Such material weaknesses include: (1) lack of a functioning audit committee due to a lack of a majority of independent members and a lack of a majority of outside directors on our board of directors, resulting in ineffective oversight in the establishment and monitoring of required internal controls and procedures; (2) inadequate segregation of duties consistent with control objectives; and (3) ineffective controls over period end financial disclosure and reporting practices.

As of April 30, 2016 the deficiencies have not been remedied due to our lack of sufficient capital resources. We are working to remedy our deficiencies.

Changes in Internal Control Over Financial Reporting

During the period ended April 30, 2016, there have been no changes in internal control over financial reporting (as defined in Rule 13a-15(f) of the Exchange Act) that materially affected, or are reasonably likely to materially affect, our company's internal control over financial reporting.
