PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS
May 24, 2001

GENERAL INFORMATION

Edgar Filing: GUARANTY FINANCIAL CORP /VA/ - Form DEF 14A

This Proxy Statement is furnished to holders of common stock, par value \$1.25 per share ("Common Stock"), of Guaranty Financial Corporation ("Guaranty") in connection with the solicitation of proxies by the Board of Directors of Guaranty to be used at the Annual Meeting of Shareholders to be held on May 24, 2001, at 10:00 a.m., at the Glenmore Country Club, 1750 Piper Way, Keswick, Virginia, and any adjournment thereof (the "Meeting"). At the Meeting, two directors will be elected for terms of three years each.

The principal executive offices of Guaranty are located at 1658 State Farm Boulevard, Charlottesville, Virginia 22911. The approximate date on which this Proxy Statement and the accompanying proxy card are being mailed to Guaranty's shareholders is April 24, 2001.

The Board of Directors has fixed the close of business on April 12, 2001, as the record date (the "Record Date") for the determination of the holders of shares of Common Stock entitled to receive notice of and to vote at the Meeting. At the close of business on the Record Date, there were 1,961,727 shares of Common Stock outstanding held by approximately 1,148 shareholders. Each share of Common Stock is entitled to one vote on all matters to be acted upon at the Meeting. In the election of directors, those receiving the greatest number of votes will be elected even if they do not receive a majority.

As of the Record Date, directors and executive officers of Guaranty and their affiliates, as a group, owned of record and beneficially a total of 453,196 shares of Common Stock, or approximately 22.5% of the shares of Common Stock outstanding on such date. Directors and executive officers of Guaranty have indicated an intention to vote their shares of Common Stock FOR the election of the nominees set forth on the enclosed proxy.

A shareholder may abstain or (only with respect to the election of directors) withhold his vote (collectively, "Abstentions") with respect to each item submitted for shareholder approval. Abstentions will be counted for purposes of determining the existence of a quorum. Abstentions will not be counted as voting in favor of the relevant item.

A broker who holds shares in "street name" has the authority to vote on certain items when it has not received instructions from the beneficial owner. Except for certain items for which brokers are prohibited from exercising their discretion, a broker is entitled to vote on matters put to shareholders without instructions from the beneficial owner. Where brokers do not have or do not exercise such discretion, the inability or failure to vote is referred to as a "broker nonvote." Under the circumstances where the broker is not permitted to, or does not, exercise its discretion, assuming proper disclosure to Guaranty of such inability to vote, broker nonvotes will not be counted for purposes of determining the existence of a quorum, and also will not be counted as not voting in favor of the particular matter.

Shareholders of Guaranty are requested to complete, date and sign the accompanying form of proxy and return it promptly to Guaranty in the enclosed envelope. If a proxy is properly executed and

returned in time for voting, it will be voted as indicated thereon. If no voting instructions are given, proxies received by Guaranty will be voted for approval of the directors nominated for election.

Any shareholder who executes a proxy has the power to revoke it at any time before it is voted by giving written notice of revocation to Guaranty, by executing and delivering a substitute proxy to Guaranty or by attending the Meeting and voting in person. If a shareholder desires to revoke a proxy by written notice, such notice should be mailed or delivered, so that it is

Edgar Filing: GUARANTY FINANCIAL CORP /VA/ - Form DEF 14A

received on or prior to the meeting date, to Esther S. Sheler, Secretary, Guaranty Financial Corporation, 1658 State Farm Boulevard, Charlottesville, Virginia 22911.

The cost of soliciting proxies for the Meeting will be borne by Guaranty.

ELECTION OF DIRECTORS

Two directors are to be elected to serve for terms of three years each. The Board of Directors acts as a Nominating Committee for selecting the nominees for election as directors. The Board of Directors has no reason to believe that any of the nominees will be unavailable.

Under Guaranty's Bylaws, notice of a proposed nomination or a shareholder proposal meeting certain specified requirements must be received by Guaranty not less than 60 nor more than 90 days prior to any meeting of shareholders called for the election of directors, provided in each case that if fewer than 70 days' notice of the meeting is given to shareholders, such written notice shall be received not later than the close of the tenth day following the day on which notice of the meeting was mailed to shareholders. Assuming a date of May 23, 2002 for the 2002 annual meeting of shareholders, Guaranty must receive any notice of nomination or other business no earlier than February 22, 2002 and no later than March 24, 2002.

Guaranty's Bylaws require that the shareholder's notice set forth as to each nominee (i) the name, age, business address and residence address of such nominee, (ii) the principal occupation or employment of such nominee, (iii) the class and number of shares of Guaranty that are beneficially owned by such nominee, and (iv) any other information relating to such nominee that is required under federal securities laws to be disclosed in solicitations of proxies for the election of directors, or is otherwise required (including, without limitation, such nominee's written consent to being named in a proxy statement as nominee and to serving as a director if elected). Guaranty's Bylaws further require that the shareholder's notice set forth as to the shareholder giving the notice (i) the name and address of such shareholder and (ii) the class and amount of such shareholder's beneficial ownership of Guaranty's capital stock. If the information supplied by the shareholder is deficient in any material aspect or if the foregoing procedure is not followed, the chairman of the annual meeting may determine that such shareholder's nomination should not be brought before the annual meeting and that such nominee shall not be eligible for election as a director of Guaranty.

The following information sets forth the names, ages, principal occupations and business experience for all nominees and incumbent directors. The date shown for first election as a director in the information below represents the year in which the nominee or incumbent director was first elected to the Board of Directors of Guaranty or previously to the Board of Directors of Guaranty Bank. Unless otherwise indicated, the business experience and principal occupations shown for each nominee or incumbent director has extended five or more years.

Mr. Caton, who is an ex officio member of all Committees and devotes additional time to Guaranty's affairs as Chairman of the Board of Directors, received a fee of \$32,500 in the fiscal year ended December 31, 2000, in lieu of any fees for attending Board of Directors and Committee meetings.

In 1998, each director of Guaranty was granted options to purchase 4,000 shares of Common Stock. Of this amount, options to purchase 800 shares of Common Stock vest each year and are exercisable for a period of three years. Such options were granted with an exercise price at or above the fair market value of the Common Stock.

Employment Agreements

Guaranty and Donna W. Richards are parties to an employment agreement entered into in February 1999. The employment agreement provides for her to serve in a senior management or executive capacity and provides for a base salary of \$130,000. The agreement is for a period ending February 26, 2004. If she is terminated for reasons other than cause, she will be entitled to receive severance pay equal to her annual base salary in effect at the time. If her employment terminates for any reason within 120 days of a change in control, she will be entitled to severance payments approximately equal to 299% of her average cash compensation for the five years that precede the change in control. If

termination of employment due to a change in control had occurred in the year ended December 31, 2000, Ms. Richards would have been entitled to severance payments amounting to approximately \$408,135.

Transactions with Management

Some of the directors and officers of Guaranty are at present, as in the past, customers of Guaranty, and Guaranty has had, and expects to have in the future, banking transactions in the ordinary course of its business with directors, officers, principal shareholders and their associates, on substantially the same terms, including interest rates and collateral on loans, as those prevailing at the same time for comparable transactions with others. These transactions do not involve more than the normal risk of collectibility or present other unfavorable features.

Edgar Filing: GUARANTY FINANCIAL CORP /VA/ - Form DEF 14A

There are no legal proceedings to which any director, officer or principal shareholder, or any affiliate thereof, is a party that would be material and adverse to Guaranty.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), requires Guaranty's directors and executive officers, and any persons who own more than 10% of Common Stock, to file with the SEC reports of ownership and changes in ownership of Common Stock. Officers and directors are required by SEC regulation to furnish Guaranty with copies of all Section 16(a) forms that they file. Based solely on review of the copies of such reports furnished to Guaranty or written representation that no other reports were required, Guaranty believes that, during fiscal year 2000, all filing requirements applicable to its officers and directors were complied with, except that Thomas F. Crump inadvertently filed late a Form 3, Jason I. Eckford, Jr. inadvertently filed late a Form 4 with respect to four purchases of common stock from February 1999 to November 2000 and John R. Metz inadvertently filed late a Form 4 with respect to four purchases of common stock from February 2000 to August 2000.

INDEPENDENT AUDITORS

BDO Seidman, LLP has been appointed to perform the audit of Guaranty's financial statements for the year ending December 31, 2001. BDO Seidman, LLP has acted as Guaranty's auditors for the past seven years and has reported on financial statements during that period. A representative from BDO Seidman, LLP is expected to be present at the Meeting, will have the opportunity to make a statement if he desires to do so, and is expected to be available to respond to appropriate questions.

AUDIT INFORMATION

The Board of Directors has adopted a written charter for the Audit Committee that is set forth in Exhibit A to this Proxy Statement. The three members of the Audit Committee are independent as that term is defined in the listing standards of the National Association of Securities Dealers.

Edgar Filing: GUARANTY FINANCIAL CORP /VA/ - Form DEF 14A

for the fiscal year ended December 31, 2000.

All Other Fees

The aggregate amount of fees billed to Guaranty by BDO Seidman, LLP for all other non-audit services rendered to Guaranty for the fiscal year ended December 31, 2000 was \$22,000, all of which represent fees for tax and audit-related services. Audit-related services generally include fees for pension and statutory audits, business acquisitions, accounting consultations, internal audits and SEC registration statements.

Audit Committee Report

Management is responsible for Guaranty's internal controls, financial reporting process and compliance with laws and regulations and ethical business standards. The independent auditor is responsible for performing an independent audit of Guaranty's consolidated financial statements in accordance with generally accepted auditing standards and issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes on behalf of the Board of Directors.

In this context, the Audit Committee has reviewed and discussed the audited financial statements with management and the independent auditors. The Audit Committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). In addition, the Audit Committee has received from the independent auditors the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and discussed with them their independence from Guaranty and its management. Moreover, the Audit Committee has considered whether the independent auditor's provision of information technology services and other non-audit services to Guaranty is compatible with maintaining the auditor's independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in Guaranty's Annual Report on Form 10-KSB for the fiscal year ended December 31, 2000, for filing with the Securities and Exchange Commission. By recommending to the Board of Directors that the audited financial statements be so included, the Audit Committee is not opining on the accuracy, completeness or presentation of the information contained in the audited financial statements.

The following shall be the recurring processes of the Audit Committee in carrying out its oversight function. The Audit Committee may supplement these processes as appropriate.

- o The Audit Committee shall review and reassess the Audit Committee's charter at least annually and the charter shall be approved by the Board of Directors. The Company shall include a copy of the charter in its proxy statement at least triennially or the year after any significant amendment to the charter and shall disclose in all proxy statements whether Audit Committee members are independent. Approximately once each year and, with respect to any changes in the composition of the Audit Committee, the Company must provide The Nasdaq Stock Market, Inc.SM written confirmation regarding the Board's determination of Audit Committee members' independence, the financial literacy of Audit Committee members, the determination that at least one member of the Audit Committee has accounting or related financial management expertise, and the annual review and reassessment of the adequacy of the charter.
- o The Audit Committee shall have a clear understanding with management and the independent accountants that the independent accountants are ultimately accountable to the Board and to the Audit Committee, both of which are representatives of the Company's stockholders. The Audit Committee and the Board shall have the ultimate authority and responsibility to engage, evaluate, and, where appropriate, replace the independent accountants. The Audit Committee shall discuss with the accountants their independence from management and from the Company and shall discuss all relationships between the accountants and their related entities and the Company and its related entities that may reasonably be thought to bear on the accountants' independence. The independent

accountants shall confirm that, in their view, they are independent of the Company. In this regard, the Audit Committee shall obtain a formal written statement from the independent accountants delineating all relationships between the accountants and the Company and shall, when necessary,

recommend that the Board take any appropriate action to satisfy itself of the accountants' independence.

- o The Audit Committee shall discuss with the internal auditor and the independent accountants the overall scope and plans for their respective audits. Also, the Audit Committee shall discuss with management, the internal auditor, and the independent accountants the adequacy and effectiveness of the accounting and financial controls and may elicit any recommendations for the improvement of such internal controls or particular areas where new or more detailed controls or procedures are desirable. Further, the Audit Committee shall meet separately with the internal auditor and the independent accountants, with and without management present, to discuss the results of its examinations.
- o The Audit Committee shall review interim financial statements with management and the independent accountants prior to the filing of the Company's Quarterly Report on Form 10-QSB. The Audit Committee shall discuss the results of the quarterly review and any other matters required under generally accepted auditing standards to be communicated to the Audit Committee by the independent accountants. The chairperson of the Audit Committee may represent the entire Audit Committee for the purposes of this review.
- o The Audit Committee shall review with management and the independent accountants the financial statements to be included in the Company's Annual Report on Form 10-KSB (or the annual report to stockholders if distributed prior to the filing of the Form 10-KSB). The independent accountants shall provide their judgment about the quality, not merely the acceptability, of accounting principles, the reasonableness of any significant judgments, and the clarity of disclosures in the financial statements as part of such review. The Audit Committee shall also discuss the results of the annual audit and any other matters required under generally accepted auditing standards to be communicated to the Audit Committee by the independent accountants.
- o In discharging its role, the Audit Committee is free to consider an investigation into any matter brought to its attention and shall have both full access to all books, records, facilities, and personnel of the Company and the power to retain outside counsel or other experts for this purpose if, in its judgment, that is appropriate, without obtaining the prior permission of the Board of Directors.

This charter shall not be construed in a manner that imposes upon the Audit Committee a higher standard of care than that imposed upon committees of boards of directors generally, pursuant to applicable law. It is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements are complete or accurate or are in accordance with generally accepted accounting principles. These are the collective responsibilities of management and the independent accountants. Nor is it the duty of the Audit Committee to resolve disagreements, if any, between management and the independent accountants or to assure compliance with laws or regulations or the Company's audit policies and programs.
