2016 ANNUAL MEETING OF SHAREHOLDERS

PROXY STATEMENT

Why am I receiving these materials?

These proxy materials are being sent to the holders of shares of the voting stock of Forward Industries, Inc., a Delaware corporation, which we refer to as “Forward” or the “Company,” in connection with the solicitation of proxies by our Board of Directors, which we refer to as the “Board,” for use at the 2016 Annual Meeting of Shareholders to be held at 10:00 a.m. on January 20, 2016 at our corporate headquarters at the above address in West Palm Beach, Florida. The proxy materials relating to the Annual Meeting are first being mailed to shareholders entitled to vote at the meeting on or about December 7, 2015. A copy of our Form 10-K for the year ended September 30, 2015 is being mailed concurrently with this Proxy Statement.

Who is Entitled to Vote?

Our Board has fixed the close of business on December 7, 2015 as the record date for a determination of shareholders entitled to notice of, and to vote at, this Annual Meeting or any adjournment thereof. On the record date, there were 8,657,975 shares of common stock outstanding. Each share of Forward common stock represents one vote that may be voted on each matter that may come before the Annual Meeting. As of the record date, Forward has issued no preferred stock which is entitled to vote.

What is the difference between holding shares as a record holder and as a beneficial owner?

If your shares are registered in your name with our transfer agent, American Stock Transfer, you are the “record holder” of those shares. If you are a record holder, these proxy materials have been provided directly to you by Forward.

If your shares are held in a stock brokerage account, a bank or other holder of record, you are considered the “beneficial owner” of those shares held in “street name.” If your shares are held in street name, these proxy materials have been forwarded to you by that organization. As the beneficial owner, you have the right to instruct this organization on how to vote your shares.

Who May Attend the Meeting?

Record holders and beneficial owners may attend the Annual Meeting. If your shares are held in street name, you will need to bring a copy of a brokerage statement or other documentation reflecting your stock ownership as of the record date. Please see below for instructions on how to vote at the Annual Meeting if your shares are held in street name.

How Do I Vote?

Record Holder

1. Vote by Internet. The website address for Internet voting is on your proxy card.
2. Vote by phone. Call 1 (800) 690-6903 and follow the instructions on your proxy card.
3. Vote by mail. Mark, date, sign and mail promptly the enclosed proxy card (a postage-paid envelope is provided for mailing in the United States).
4. Vote in person. Attend and vote at the Annual Meeting.

If you vote by Internet or phone, please DO NOT mail your proxy card.

Beneficial Owner (Holding Shares in Street Name)

1. Vote by Internet. The website address for Internet voting is on your vote instruction form.
2. Vote by mail. Mark, date, sign and mail promptly the enclosed vote instruction form (a postage-paid envelope is provided for mailing in the United States).
3. Vote in person. Obtain a valid legal proxy from the organization that holds your shares and attend and vote at the Annual Meeting.

What Constitutes a Quorum?

To carry on the business of the Annual Meeting, we must have a quorum. A quorum is present when a majority of the shares entitled to vote, as of the record date, are present in person or represented by proxy. Shares owned by Forward are not considered outstanding or considered to be present at the Annual Meeting. Broker non-votes (because there are routine matters presented at the Annual Meeting) and abstentions are counted as present for the purpose of determining the existence of a quorum.

What happens if Forward is unable to obtain a Quorum?

If a quorum is not present to transact business at the Annual Meeting or if we do not receive sufficient votes in favor of the proposals by the date of the Annual Meeting, the persons named as proxies may propose one or more adjournments of the Annual Meeting to permit solicitation of proxies.

What is a broker non-vote?

If your shares are held in street name, you must instruct the organization who holds your shares how to vote your shares. If you do not provide voting instructions, your shares will not be voted on any non-routine proposal. This vote is called a "broker non-vote." Broker non-votes do not count as a vote "FOR" or "AGAINST" any of the proposals.

If you are the shareholder of record, and you sign and return a proxy card without giving specific voting instructions, then the proxy holders will vote your shares in the manner recommended by our Board on all matters presented in this

Proxy Statement and as the proxy holders may determine in their discretion with respect to any other matters properly presented for a vote at the meeting. If your shares are held in street name and you do not provide specific voting instructions to the organization that holds your shares, the organization may generally vote at its discretion on routine matters, but not on non-routine matters. If you sign your vote instruction form but do not provide instructions on how your broker should vote, your broker will vote your shares as recommended by our Board on any non-routine matter. See the note below and the following question and answer.

Important Rule Affecting Beneficial Owners Holding Shares In Street Name

Brokers may no longer use discretionary authority to vote shares on the election of directors if they have not received instructions from their clients. Please submit your vote instruction form so your vote is counted.

Which Proposals are Considered “Routine” or “Non-Routine”?

Proposal 1 is non-routine and Proposals 2 is routine.

How are abstentions treated?

Abstentions have no effect on the outcome of any matter being voted on.

How Many Votes are Needed for Each Proposal to Pass, is Broker Discretionary Voting Allowed and what is the effect of an abstention?

Proposals	Vote Required	Broker Discretionary Vote Allowed	Effect of Abstentions on the Proposal
(1) To elect the board of directors	Plurality	No	Not applicable
(2) To ratify the appointment of our independent registered public accounting firm for fiscal 2016	Majority of the shares present in person or represented by proxy	Yes	No effect

What Are the Voting Procedures?

In voting by proxy with regard to the election of directors, you may vote in favor of all nominees, withhold your votes as to all nominees, or withhold your votes as to specific nominees. With regard to the remaining proposals, you may vote in favor of each proposal or against each proposal, or in favor of some proposals and against others, or you may abstain from voting on any of these proposals. You should specify your respective choices on the accompanying proxy card or your vote instruction form.

Is My Proxy Revocable?

You may revoke your proxy and reclaim your right to vote up to and including the day of the Annual Meeting by giving written notice to the Corporate Secretary of Forward , by delivering a proxy card dated after the date of the proxy or by voting in person at the Annual Meeting. All written notices of revocation and other communications with respect to revocations of proxies should be addressed to: Forward Industries, Inc., 477 Rosemary Avenue, Suite 219, West Palm Beach, Florida 33401, Attention: Corporate Secretary.

Who is Paying for the Expenses Involved in Preparing and Mailing this Proxy Statement?

All of the expenses involved in preparing, assembling and mailing these proxy materials and all costs of soliciting proxies will be paid by Forward. In addition to the solicitation by mail, proxies may be solicited by our officers and regular employees by telephone or in person. Such persons will receive no compensation for their services other than their regular salaries. Arrangements will also be made with brokerage houses and other custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of the shares held of record by such persons, and we may reimburse such persons for reasonable out of pocket expenses incurred by them in so doing. We may hire an independent proxy solicitation firm.

What Happens if Additional Matters are Presented at the Annual Meeting?

Other than the items of business described in this Proxy Statement, we are not aware of any other business to be acted upon at the Annual Meeting. If you submit a signed proxy card, the persons named as proxy holders, Messrs. Terence Wise and Michael Matte, will have the discretion to vote your shares on any additional matters properly presented for a vote at the Annual Meeting. If for any reason any of our nominees is not available as a candidate for director, the persons named as proxy holders will vote your proxy for such other candidate or candidates as may be nominated by the Board.

What is “householding” and how does it affect me?

Record holders who have the same address and last name will receive only one copy of their proxy materials, unless we are notified that one or more of these record holders wishes to continue receiving individual copies. This procedure will reduce our printing costs and postage fees. Shareholders who participate in householding will continue to receive separate proxy cards.

If you are eligible for householding, but you and other record holders with whom you share an address, receive multiple copies of these proxy materials, or if you hold Forward stock in more than one account, and in either case you wish to receive only a single copy of each of these documents for your household, please contact our Corporate Secretary at: Forward Industries, Inc., 477 Rosemary Avenue, Suite 219, West Palm Beach, Florida 33401, (561) 565-0030.

If you participate in householding and wish to receive a separate copy of these proxy materials, or if you do not wish to continue to participate in householding and prefer to receive separate copies of these documents in the future, please contact our Corporate Secretary as indicated above. Beneficial owners can request information about householding from their brokers, banks or other holders of record.

Do I Have Dissenters' (Appraisal) Rights?

Appraisal rights are not available to Forward shareholders with any of the proposals brought before the Annual Meeting.

Can a Shareholder Present a Proposal To Be Considered At the 2017 Annual Meeting?

If you wish to submit a proposal to be considered at the 2017 Annual Meeting ("2017 Meeting"), the following is required:

- ◆ For a shareholder proposal to be considered for inclusion in Forward's Proxy Statement and proxy card for the 2017 Meeting pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, which we refer to as the "Exchange Act," our Corporate Secretary must receive the written proposal no later than August 20, 2016, which is 120 calendar days prior to the anniversary date Forward's Proxy Statement was mailed to shareholders in connection with this Annual Meeting. Such proposals also must comply with SEC regulations under Rule 14a-8 regarding the inclusion of shareholder proposals in company sponsored materials.
- ◆ Our Bylaws include advance notice provisions that require shareholders desiring to recommend or nominate individuals to the Board or who wish to present a proposal at the 2017 Meeting must do so in accordance with the terms of the advance notice provisions. For a shareholder proposal or a nomination that is not intended to be included in Forward's Proxy Statement and proxy card under Rule 14a-8, our Corporate Secretary must receive the written proposal no later than 120 calendar days nor more than 150 calendar days prior to the first anniversary of this year's Annual Meeting; Provided, however, that in the event that the 2017 Meeting is changed more than 30 days before or after such anniversary date, the proposal must be received no earlier than the close of business on the 120th day prior to the 2017 Meeting and not later than the 90th date prior to the 2017 Meeting or the 10th day following the day on which public announcement of the date of such meeting is first made by the Company. If a shareholder fails to meet these deadlines and fails to satisfy the requirements of Rule 14a-8 under the Exchange Act, we may exercise discretionary voting authority under proxies we solicit to vote on any such proposal as we determine appropriate. Your notice must contain the specific information set forth in our Bylaws.

- ◆ Additionally, you must be a record holder at the time you deliver your notice to the Corporate Secretary and are entitled to vote at the 2017 Meeting.

A nomination or other proposal will be disregarded if it does not comply with the above procedures. All proposals and nominations should be sent to Forward Industries, Inc., 77 Rosemary Avenue, Suite 219, West Palm Beach, Florida 33401, Attention: Corporate Secretary.

We reserve the right to amend our Bylaws and any change will apply to the 2017 Meeting unless otherwise specified in the amendment.

Corporate Governance

Board Responsibilities

The Board oversees, counsels, and directs management in the long-term interest of Forward and its shareholders. The Board's responsibilities include establishing broad corporate policies and reviewing the overall performance of Forward. The Board is not, however, involved in the operating details on a day-to-day basis.

Board Committees and Charters

The Board and its Committees meet throughout the year and act by written consent from time-to-time as appropriate. The Board delegates various responsibilities and authority to different Board Committees. Committees regularly report on their activities and actions to the Board.

The Board currently has and appoints the members of: the Audit Committee, the Compensation Committee, the Nominating and Corporate Governance Committee. Each of the Committees has a written charter which may be accessed through Forward's website at: <http://www.forwardindustries.com/corporate-governance.html>.

The following table identifies the independent and non-independent Board nominees and committee members:

Name	Independent	Audit	Compensation	Nominating and Corporate Governance
N. Scott Fine	Yes		Chair	ü
Sharon Hrynkow	Yes	ü		
Howard Morgan	Yes	ü		Chair
Sangita Shah	Yes	Chair	ü	
Terence Wise	No			
Number of Meetings		5	6	9

There were 10 board meetings held in fiscal 2015. All of the directors attended over 75% of the applicable Board and Committee meetings held in fiscal 2015. The Company does not have a policy regarding Board members attending the annual meeting.

Director Independence

Our Board has determined that N. Scott Fine, Sharon Hrynkow, Howard Morgan and Sangita Shah are independent in accordance with standards under the Nasdaq Listing Rules. Our Board determined that as a result of being employed as an executive officer, Mr. Wise was not independent under the Nasdaq Listing Rules.

Our Board has also determined that N. Scott Fine, Sharon Hrynkow, Howard Morgan and Sangita Shah are independent under the Nasdaq Listing Rules independence standards for Audit Committee members and Compensation Committee members.

Committees of the Board of Directors

Audit Committee

The Audit Committee reviews our financial reporting process on behalf of the Board and administers our engagement of the independent registered public accounting firm. The Audit Committee meets with the independent registered public accounting firm, with and without management present, to discuss the results of its examinations, the evaluations of our internal controls, and the overall quality of our financial reporting. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls.

Audit Committee Financial Expert

Our Board has determined that Ms. Shah is qualified as an Audit Committee Financial Expert, as that term is defined by the rules of the SEC and in compliance with the Sarbanes-Oxley Act of 2002.

Compensation Committee

The function of the Compensation Committee is to determine the compensation of our executive officers. The Compensation Committee has the power to set performance targets for determining periodic bonuses payable to executive officers and may review and make recommendations with respect to shareholder proposals related to compensation matters. Additionally, the Compensation Committee is responsible for administering the 2011 Long Term Incentive Plan, which we refer to as the “Plan.”

Nominating and Corporate Governance Committee

The responsibilities of the Nominating Committee include the identification of individuals qualified to become Board members, the selection of nominees to stand for election as directors, the oversight of the selection and composition of committees of the Board, establish procedures for the nomination process including procedures, oversight of possible conflicts of interests involving the Board and its members, develop policies and procedures for related party transactions, develop corporate governance principles, and the oversight of the evaluations of the Board and management. The Nominating Committee has not established a policy with regard to the consideration of any candidates recommended by shareholders. If we receive any shareholder recommended nominations, the Nominating Committee will carefully review the recommendation(s) and consider such recommendation(s) in good faith.

Board Diversity

While we do not have a formal policy on diversity, our Board considers diversity to include the skill set, background, reputation, type and length of business experience of our board members as well as a particular nominee’s contribution to that mix. Although there are many other factors, the board seeks individuals with experience in the outsourcing industry and Asian markets, sales, legal and accounting skills and board experience.

Board Leadership Structure

Our Board has determined that its current structure, with combined Chairman and Chief Executive Officer roles and an independent Lead Director (Mr. N. Scott Fine), is in the best interests of Forward and its shareholders at this time. A number of factors support the leadership structure chosen by the Board, including, among others:

- ◆ The Chief Executive Officer is intimately involved in the day-to-day operations of Forward and is best positioned to elevate the most critical business issues for consideration by the

Board.

- ◆ The Board believes that having the Chief Executive Officer serve in both capacities allows him to more effectively execute Forward's strategic initiatives and business plans and confront its challenges.
- ◆ A combined Chairman and Chief Executive Officer structure provides us with decisive and effective leadership with clearer accountability to our shareholders.
- ◆ The combined role is both counterbalanced and enhanced by the effective oversight and independence of our Board and the independent leadership provided by our Lead Director
- ◆ The Board believes that the appointment of a strong independent Lead Director and the use of regular executive sessions of the non-management directors, along with the Board's strong committee system and substantial majority of independent directors being independent except for the Chief Executive Officer, allow it to maintain effective oversight of management.

Role of Board in Risk Oversight

Our risk management function is overseen by our Board. Our management keeps its Board apprised of material risks and provides its directors access to all information necessary for them to understand and evaluate how these risks interrelate, how they affect us, and how management addresses those risks. Terence Wise, as our Chief Executive Officer and Chairman of the Board, and Michael Matte, our Chief Financial Officer, work closely together with the Board and our Lead Director, once material risks are identified on how to best address such risks. If the identified risk poses an actual or potential conflict with management, our independent directors may conduct the assessment. Presently, the primary risks affecting us are our ability to grow our business and obtain more customers.

Business Conduct and Ethics

Our Board has adopted a Business Conduct and Ethics, or the Code of Ethics, that applies to all of our employees, including our Chief Executive Officer and Chief Financial Officer. Although not required, the Code of Ethics also applies to our Board. The Code of Ethics provides written standards that we believe are reasonably designed to deter wrongdoing and promote honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships, full, fair, accurate, timely and understandable disclosure and compliance with laws, rules and regulations, including insider trading, corporate opportunities and whistle-blowing or the prompt reporting of illegal or unethical behavior. A copy of our Code of Ethics may be accessed at <http://forwardindustries.com/corporate-governance.html>

Communication with our Board of Directors

Although we do not have a formal policy regarding communications with the Board, shareholders may communicate with the Board by writing to us at Forward Industries, Inc., 477 Rosemary Avenue, Suite 219, West Palm Beach, Florida 33401, Attention: Corporate Secretary, or by facsimile (561) 465-0074. Shareholders who would like their submission directed to a member of the Board may so specify, and the communication will be forwarded, as appropriate.

These individuals are required by the regulations of the SEC to furnish us with copies of all Section 16(a) forms they file. Based solely on a review of the copies of the forms furnished to us, and written representations from reporting persons that no Forms 5 were required to report delinquent filings, we believe that all filing requirements applicable to our officers, directors and 10% beneficial owners were complied with during fiscal year 2015.

Risk Assessment Regarding Compensation Policies and Practices as they Relate to Risk Management

Our compensation program for employees does not create incentives for excessive risk taking by our employees or involve risks that are reasonably likely to have a material adverse effect on us. Our compensation has the following risk-limiting characteristics:

- ◆ Our base pay programs consist of competitive salary rates that represent a reasonable portion of total compensation and provide a reliable level of income on a regular basis, which decreases incentive on the part of our executives to take unnecessary or imprudent risks;
- ◆ A portion of executive incentive compensation opportunity is tied to long-term incentive compensation that emphasizes sustained performance over time. This reduces any incentive to take risks that might increase short-term compensation at the expense of longer term company results;
- ◆ Awards are not tied to formulas that could focus executives on specific short-term outcomes;
- ◆ Equity awards may be recovered by us should a restatement of earnings occur upon which incentive compensation awards were based, or in the event of other wrongdoing by the recipient; and
- ◆ Equity awards, generally, have multi-year vesting which aligns the long-term interests of our executives with those of our shareholders and, again, discourages the taking of short-term risk at the expense of long-term performance.

PROPOSAL 2.

RATIFICATION OF THE APPOINTMENT OF OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR FISCAL YEAR 2016

Our Board has appointed CohnReznick LLP to serve as our independent registered public accounting firm for the fiscal year ending September 30, 2016. CohnReznick LLP has been Forward's independent registered public accounting firm since 2010. Selection of Forward's independent registered public accounting firm is not required to be submitted to a vote of the shareholders of Forward for ratification. However, Forward is submitting this matter to the shareholders as a matter of good corporate governance. Even if the appointment is ratified, the Board may, in its discretion, appoint a different independent registered public accounting firm at any time during the year if they determine that such a change would be in the best interests of Forward and its shareholders. If the appointment is not ratified, the Board will consider its options.

A representative of CohnReznick LLP is not expected to be present at the Annual Meeting.

The Board recommends a vote "For" this proposal.

The Audit Committee, which currently consists of Sangita Shah, Sharon Hrynkow, and Howard Morgan, reviews Forward's financial reporting process on behalf of the Board and administers our engagement of the independent registered public accounting firm. The Audit Committee meets with the independent registered public accounting firm, with and without management present, to discuss the results of its examinations, the evaluations of our internal controls, and the overall quality of our financial reporting. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls.

The Audit Committee has met and held discussions with management and CohnReznick. Management represented to the Audit Committee that our financial statements were prepared in accordance with generally accepted accounting principles and the Audit Committee has reviewed and discussed the financial statements with management and CohnReznick. The Audit Committee reviewed with CohnReznick its judgments as to the quality, not just the acceptability, of our accounting principles and such other matters as are required to be discussed with the Audit Committee under auditing standards generally accepted in the United States.

Audit Committee Report

The Audit Committee has:

- ◆ reviewed and discussed the audited financial statements with management;

- ◆ received the written disclosures and the letter from the independent registered public accounting firm, as required by the applicable requirements of the PCAOB regarding the independent registered public accounting firm’s communications with the Audit Committee concerning independence, and has discussed with its independent registered public accounting firm its independence from us; and
- ◆ in reliance on the review and discussions referred to above, the Audit Committee recommended to the Board that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended September 30, 2015 filed with the SEC.

This report is submitted by the Audit Committee.

Those are the responsibilities of management and Forward 's independent registered public accounting firm. In giving its recommendation to the Board, the Audit Committee has relied on: (1) management's representations that such financial statements have been prepared with integrity and objectivity and in conformity with GAAP; and (2) the report of Forward independent registered public accounting firm with respect to such financial statements.

Audit Committee's Pre-Approval Policy

The Audit Committee pre-approves all audit and permissible non-audit services on a case-by-case basis. In its review of non-audit services, the Audit Committee considers whether the engagement could compromise the independence of our independent registered public accounting firm, and whether the reasons of efficiency or convenience is in our best interest to engage our independent registered public accounting firm to perform the services.
