THE REGISTRANT HEREBY AMENDS THIS REGISTRATION STATEMENT ON SUCH DATE OR DATES AS MAY BE NECESSARY TO DELAY ITS EFFECTIVE DATE UNTIL THE REGISTRANT SHALL FILE A FURTHER AMENDMENT WHICH SPECIFICALLY STATES THAT THIS REGISTRATION STATEMENT SHALL THEREAFTER BECOME EFFECTIVE IN ACCORDANCE WITH SECTION 8(A) OF THE SECURITIES ACT OF 1933, OR UNTIL THE REGISTRATION STATEMENT SHALL BECOME EFFECTIVE ON SUCH DATE AS THE SECURITIES AND EXCHANGE COMMISSION, ACTING PURSUANT TO SAID SECTION 8(A), MAY DETERMINE.

EXPLANATORY NOTE

On September 29, 2017, AdCare Health Systems, Inc. merged with and into its wholly owned subsidiary, Regional Health Properties, Inc., a Georgia corporation, with Regional Health Properties, Inc. as the surviving corporation in the merger. We refer to AdCare Health Systems, Inc. as the “Predecessor Registrant” and Regional Health Properties, Inc. as the “Registrant.” The merger occurred pursuant to an Agreement and Plan of Merger, dated as of July 7, 2017, which we refer to as the “merger agreement”, and was approved by the requisite vote of shareholders at a special meeting of the shareholders of the Predecessor Registrant held on September 20, 2017. Immediately after the merger, the Registrant succeeded to and continued the business and assumed the obligations of the Predecessor Registrant immediately prior to the merger.

At 5:00 p.m. Eastern Time on September 29, 2017, the effective time of the merger, and pursuant to the merger agreement: (i) each outstanding share of common stock, no par value per share, of the Predecessor Registrant automatically converted into one share of common stock, no par value per share (the “Common Stock”), of the Registrant; and (ii) each outstanding share of 10.875% Series A Cumulative Redeemable Preferred Shares, no par value per share, of the Predecessor Registrant automatically converted into one share of 10.875% Series A Cumulative Redeemable Preferred Shares, no par value per share (the “Series A Preferred Stock”), of the Registrant. The Common Stock is subject to ownership and transfer restrictions described in the prospectus that forms a part of this Post-Effective Amendment No. 1.

The issuance of the Common Stock and Series A Preferred Stock was registered under the Securities Act of 1933, as amended (the “Securities Act”), pursuant to the Registrant’s registration statement on Form S-4 (File No. 333-216041), which was declared effective by the Securities and Exchange Commission on August 1, 2017. The shares of Common Stock and Series A Preferred Stock now trade on the NYSE American LLC under the symbols “RHE” and “RHEpA”, respectively.

This Post-Effective Amendment No. 1 pertains to the adoption by the Registrant of the Predecessor Registrant’s Registration Statement No. 333-216041.

This Post-Effective Amendment No. 1 is being filed by the Registrant pursuant to Rule 414 under the Securities Act, as the successor issuer to the Predecessor Registrant following the merger. In accordance with Rule 414(d), the Registrant, as successor to the Predecessor Registrant, hereby expressly adopts the Registration Statement as its own for all purposes of the Securities Act and the Securities Exchange Act of 1934.

We may not sell these securities until the registration statement filed with the Securities and Exchange Commission is effective. This prospectus is not an offer to sell these securities and it is not soliciting offers to buy these securities in any state where the offer or sale is not permitted.

SPECIAL NOTE REGARDING FORWARD-LOOKING STATEMENTS

This prospectus includes and incorporates by reference forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements provide our current expectations or forecasts of future events. Forward-looking statements include statements about our expectations, beliefs, intentions, plans, objectives, goals, strategies, future events, performance and underlying assumptions and other statements that are not historical facts. Examples of forward-looking statements include all statements regarding our expected future financial position, results of operations, cash flows, liquidity, financing plans, business strategy, projected growth opportunities, potential acquisitions, plans and objectives of management for future operations, and compliance with, and changes in, governmental regulations. You can identify forward-looking statements by their use of forward-looking words, such as “may,” “will,” “anticipate,” “expect,” “believe,” “estimate,” “intend,” “plan,” “should,” “seek” or comparable terms, or the use of those words; however, the absence of these words does not necessarily mean that a statement is not forward-looking.

These forward-looking statements are made based on our current expectations and beliefs concerning future events affecting us and are subject to uncertainties and factors relating to our operations and business environment, all of which are difficult to predict and many of which are beyond our control, that could cause our actual results to differ materially from those matters expressed in or implied by these forward-looking statements.

Important factors that could cause actual results to differ materially from our expectations include those disclosed under “Risk Factors” and elsewhere in this prospectus and in filings made by us with the SEC. These factors include, among others:

- our ability to achieve the benefits that we expected to achieve from our transition to a healthcare property holding and leasing company, including increased cash flow, reduced general and administrative expenses, and a lower cost of capital;

- the impact of liabilities associated with our legacy business of owning and operating healthcare properties, including pending and potential professional and general liability claims;

- our dependence on the operating success of our tenants and their ability to meet their obligations to us;

- the effect of increasing healthcare regulation and enforcement on our tenants, and the dependence of our tenants on reimbursement from governmental and other third-party payors;

- the impact of litigation and rising insurance costs on the business of our tenants;

- the effect of our tenants potentially declaring bankruptcy or becoming insolvent;

- the ability and willingness of our tenants to renew their leases with us upon expiration, and our ability to reposition our properties on the same or better terms in the event of nonrenewal or if we otherwise need to replace an existing tenant;

- the significant amount of our indebtedness, our ability to service our indebtedness, covenants in our debt agreements that may restrict our ability to pay dividends or incur additional indebtedness, and our ability to refinance our indebtedness on favorable terms;

- our ability to raise capital through equity and debt financings, and the cost of such capital;

- the availability of, and our ability to identify, suitable acquisition opportunities, and our ability to complete such acquisitions and lease the respective properties on favorable terms; and

- other risks inherent in the real estate business, including uninsured or underinsured losses affecting our properties and the possibility of environmental compliance costs and liabilities.

There may be additional risks of which we are presently unaware or that we currently deem immaterial. Forward-looking statements are not guarantees of future performance. Except as required by law, we do not undertake any responsibility to release publicly any revisions to these forward-looking statements to take into account events or circumstances that occur after the date of this prospectus or to update you on the occurrence of any unanticipated events which may cause actual results to differ from those expressed or implied by the forward-looking statements contained in this prospectus.

DESCRIPTION OF CAPITAL STOCK

The following description of our common stock, no par value per share (the “common stock”), and our preferred stock, no par value per share (the “preferred stock”), together with the additional information we include in any applicable prospectus supplement, summarizes the material terms and provisions of the common stock and the preferred stock that may be offered from time to time pursuant to this prospectus. While the terms we have summarized below will apply generally to any future common stock or preferred stock that we may offer, we will describe the particular terms of any class or series of these securities in more detail in the applicable prospectus supplement. For the complete terms of the common stock and preferred stock, see our Amended and Restated Articles of Incorporation (the “Articles of Incorporation”) and our Amended and Restated Bylaws (the “Bylaws”), that are incorporated by reference as exhibits to the registration statement of which this prospectus is a part. The terms of these securities may also be affected by the Georgia Business Corporation Code (the “GBCC”). The summary below and that contained in any prospectus supplement are qualified in their entirety by reference to the Articles of Incorporation and the Bylaws.

The authorized capital stock of Regional is 60,000,000 shares consisting of 55,000,000 shares of common stock and 5,000,000 shares of preferred stock with the preferences, limitations and relative rights thereof as may be fixed from time to time by the Board of Directors. As of the date of this prospectus, the Board of Directors has designated 3,000,000 shares of the preferred stock as 10.875% Series A Cumulative Redeemable Preferred Shares (the “Series A Preferred Stock”).

As of October 5, 2017, 19,878,908 shares of common stock and 2,811,535 shares of Series A Preferred Stock were issued and outstanding. The common stock and the Series A Preferred Stock are listed on the NYSE American under the symbols “RHE” and “RHEpA,” respectively. Any common stock or preferred stock offered pursuant to this prospectus and the applicable prospectus supplement, when issued and paid for, will be fully paid and non-assessable.

As used in this “Description of Capital Stock”, unless otherwise expressly stated or the context otherwise requires, the terms “Company”, “Regional”, “we”, “our” and “us” refer to Regional Health Properties, Inc. and not to any of its subsidiaries.

Common Stock

Voting Rights. Holders of the common stock are entitled to one vote for each share of common stock held of record on the applicable record date on all matters submitted to a vote of shareholders. Except for the election of directors, which is determined by a plurality vote of the votes cast by the shares entitled to vote in the election, or as otherwise may be provided by applicable law or the rules of the NYSE American, a corporate action voted on by

shareholders generally is approved, provided a quorum is present, if the votes cast within the voting group favoring the action exceed the votes cast opposing the action. Holders of the common stock are not entitled to cumulate their votes in the election of directors.

Dividend Rights. Holders of the common stock are entitled to receive ratably such dividends, if any, as may be declared from time to time by the Board of Directors out of funds legally available for that purpose, subject to any preferential dividend rights or other preferences granted to the holders of any of the then-outstanding shares of preferred stock.

Rights Upon Liquidation. In the event of our liquidation, dissolution or winding up, whether voluntary or involuntary, the holders of the common stock will share ratably in all remaining assets available for distribution to shareholders after payment of, or provision for, our liabilities, subject to prior distribution rights of shares of the preferred stock, if any, then outstanding.

Preemptive Rights. Holders of the common stock do not have any preemptive rights to purchase, subscribe for or otherwise acquire any unissued or treasury shares or other of our securities.

Ownership and Transfer Restrictions. The common stock is subject to the ownership and transfer restrictions included in Article IX of the Articles of Incorporation. See “—Ownership and Transfer Restrictions.”

Certain Provisions of the Articles of Incorporation and Bylaws. The Articles of Incorporation and Bylaws contain provisions that could make more difficult or discourage any attempt to obtain control of us by means of a proxy contest, tender offer, merger or otherwise, and thereby protect the continuity of management. These provisions are expected to discourage specific types of coercive takeover practices and inadequate takeover bids as well as to encourage persons seeking to acquire control to first negotiate with us. Although these provisions may have the effect of delaying, deferring or preventing a change in control, we believe that the benefits of increased protection through the potential ability to negotiate with the proponent of an unfriendly or unsolicited proposal to acquire or restructure our company outweigh the disadvantages of discouraging these proposals because, among other things, negotiation of such proposals could result in an improvement of their terms. These provisions include the ownership and transfer restrictions related to the common stock (see “—Ownership and Transfer Restrictions”) as well as the following:

Shareholder Action Through Written Consent. The Bylaws only provide for shareholder action by written consent in lieu of a meeting if all shareholders entitled to vote on such action sign such consent.

Special Meetings. The Bylaws provide that special meetings of shareholders may only be called by: (i) the Board of Directors in accordance with the Bylaws; (ii) the Chairman of the Board of Directors; (iii) our Chief Executive Officer; or (iv) the holders of 25% of the votes entitled to be cast on any issue proposed to be considered at such special meeting.

Removal of Directors. The Articles of Incorporation and Bylaws provide that directors may be removed from the Board of Directors only for cause and then only by the affirmative vote of at least a majority of all votes entitled to be cast in the election of such directors. The Articles of Incorporation and Bylaws provide that, for purposes of removing a director, “cause” shall mean only: (i) conviction of a felony; (ii) declaration of unsound mind by an order of a court; (iii) gross dereliction of duty; (iv) commission of an action involving moral turpitude; or (v) commission of an action which constitutes intentional misconduct or a knowing violation of law if such action results in an improper substantial personal benefit and a material injury to us.

Authorized But Unissued Stock. The authorized but unissued shares of common stock and preferred stock are available for future issuance without shareholder approval. These additional shares may be used for a variety of corporate purposes, including future public offerings to raise additional capital, corporate acquisitions and employee benefit plans. The existence of authorized but unissued and unreserved shares of common stock and preferred stock may enable the Board of Directors to issue shares to persons friendly to management, which could render more difficult or discourage any attempt

to obtain control of us by means of a proxy contest, tender offer, merger or otherwise, and thereby protect the continuity of management.

Advance Notice Requirements. Section 2.15 the Bylaws sets forth the specific procedures which a shareholder must follow in order to submit a proposal of business for a shareholder vote, or to nominate a person for election to the Board of Directors, at a meeting of shareholders.

Georgia “Fair Price” Statute. Sections 14-2-1110 through 14-2-1113 of the GBCC, or the fair price statute, generally restrict a company from entering into certain business combinations (as defined in the GBCC) with an interested shareholder unless: (i) the transaction is unanimously approved by the continuing directors who must constitute at least three members of the Board of Directors at the time of such approval; or (ii) the transaction is recommended by at least two-thirds of the continuing directors and approved by a majority of the shareholders excluding the interested shareholder. Regional has elected to be covered by the fair price statute.

Georgia “Business Combination” Statute. Sections 14-2-1131 through 14-2-1133 of the GBCC generally restrict a company from entering into certain business combinations (as defined in the GBCC) with an interested shareholder for a period of five years after the date on which such shareholder became an interested shareholder unless: (i) the transaction is approved by the Board of Directors of the company prior to the date the person became an interested shareholder; (ii) the interested shareholder acquires at least 90% of the company’s voting stock in the same transaction (calculated pursuant to GBCC Section 14-2-1132) in which such person became an interested shareholder; or (iii) subsequent to becoming an interested shareholder, the shareholder acquires at least 90% (calculated pursuant to GBCC Section 14-2-1132) of the company’s voting stock and the business combination is approved by the holders of a majority of the voting stock entitled to vote on the matter (excluding the stock held by the interested shareholder and certain other persons pursuant to GBCC Section 14-2-1132). Regional has elected to be covered by the business combination statute.

Series A Preferred Stock

The Articles of Incorporation authorizes the Board of Directors to issue from time to time up to 5,000,000 shares of preferred stock in one or more classes or series and, subject to the limitations prescribed by the Articles of Incorporation and the GBCC, with the preferences, limitations and relative rights thereof as may be fixed from time to time by the Board of Directors without shareholder action. In addition, the Board of Directors may increase or decrease the number of shares contained in the series, but not below the number of shares then issued, or eliminate the series where no shares have been issued.

Maturity. The Series A Preferred Stock has no stated maturity and is not subject to any sinking fund or mandatory redemption, except following a change of control (as defined below under “—Special Redemption Upon a Change of Control”). Shares of the Series A Preferred Stock will remain outstanding indefinitely unless we decide to redeem them as described under “—Redemption General” or we are required to redeem them following a change of control as described under “—Special Redemption Upon a Change of Control.” We are not required to set aside funds to redeem the Series A Preferred Stock.

Ranking. The Series A Preferred Stock ranks: (i) senior to the common stock and any other shares of stock that we may issue in the future, the terms of which specifically provide that such stock ranks junior to the Series A Preferred Stock, in each case with respect to payment of dividends and amounts upon liquidation, dissolution or winding up, which we refer to as “junior shares”; (ii) equal to any shares of stock that we may issue in the future, the terms of which specifically provide that such stock ranks on parity with such Series A Preferred Stock, in each case with respect to payment of dividends and amounts upon liquidation, dissolution or winding up, which we refer to as “parity shares”; (iii) junior to all other shares of stock issued by us, the terms of which specifically provide that such stock ranks senior to the Series A Preferred Stock, in each case with respect to payment of dividends and amounts upon liquidation, dissolution or winding up (any such creation would require the affirmative vote of the holders of at least two-thirds of

the outstanding shares of Series A Preferred Stock), which we refer to as “senior shares”; and (iv) junior to all our existing and future indebtedness.

Dividends. Holders of the Series A Preferred Stock are entitled to receive, when and as declared by the Board of Directors, out of funds legally available for the payment of dividends, cumulative cash dividends at the rate of 10.875% per annum of the \$25.00 per share liquidation preference, equivalent to \$2.7187 per annum per share. A “dividend period” with respect to the Series A Preferred Stock means the quarterly dividend periods commencing on January 1, April 1, July 1 and October 1 of each year and ending on and including the day preceding the first day of the next succeeding dividend period (other than the initial dividend period which shall be deemed to have commenced on and include October 1, 2017 and which shall end on and include the day preceding the first day of the next succeeding dividend period.)

Dividends are payable quarterly in equal amounts in arrears on the last calendar day of each dividend period (each a “dividend payment date”), provided that if any dividend payment date is not a business day, then the dividend which would have been payable on that dividend payment date will be paid on the next succeeding business day, and no interest, additional dividends or other sums will accrue on the amount so payable for the period from and after that dividend payment date to that next succeeding business day. Dividends on the Series A Preferred Stock accrue and accumulate on each issued and outstanding share of the Series A Preferred Stock on a daily basis from the original date of issuance of such share (or with respect to the initial dividend period, from and including the first day thereof). Dividends payable on the shares of Series A Preferred Stock for any partial dividend period will be computed on the basis of a 360-day year consisting of twelve 30-day months. We will pay dividends to holders of record as they appear in our stock records at the close of business on the applicable dividend record date, which is the tenth day preceding the applicable dividend payment date, or such other date we establish no less than ten days and no more than 30 days preceding the dividend payment date (the “dividend record date”).

We will not declare or pay or set aside for payment any dividend on the shares of Series A Preferred Stock if the terms of any of our agreements or senior shares, including agreements relating to our indebtedness, prohibit us from doing so or provide that doing so would put us in breach of or default under any such agreement, or if the declaration, payment or setting aside of funds is restricted or prohibited by law. Future contractual covenants or arrangements we enter into may restrict or prevent future dividend payments.

Notwithstanding the foregoing, however, dividends on the shares of Series A Preferred Stock accrue regardless of whether: (i) the terms of our senior shares or our agreements, including our existing or future indebtedness, at any time prohibit the current payment of dividends; (ii) we have earnings; (iii) there are funds legally available for the payment of such dividends; or (iv) such dividends are declared by the Board of Directors. Except as otherwise provided, accrued but unpaid distributions on the shares of Series A Preferred Stock will not bear interest, and holders of the shares of Series A Preferred Stock are not entitled to any distributions in excess of full cumulative distributions as described above. All dividends on the shares of Series A Preferred Stock will be credited to the previously accrued dividends on the shares of Series A Preferred Stock. We will credit any dividends paid on the shares of Series A Preferred Stock first to the earliest accrued and unpaid dividend due.

The payment of dividends on the common stock and preferred stock, including the Series A Preferred Stock, is at the discretion of the Board of Directors and depends on, among other things, the earnings and results of operations of our subsidiaries, their ability to pay dividends and other distributions to us under agreements governing their indebtedness, our financial condition and capital requirements, any debt service requirements and any other factors the Board of Directors deems relevant. Our subsidiaries may not pay dividends or other distributions to us under certain agreements governing their indebtedness if they are in default or breach of such agreements. Accordingly, we do not guarantee that we will be able to make cash dividends on the preferred stock, including the Series A Preferred Stock, or what the actual dividends will be for any future period.

Unless full cumulative dividends on the Series A Preferred Stock have been or contemporaneously are declared and paid or declared and a sum sufficient for the payment thereof is set apart for payment for all past dividend periods:

(i) no dividends (other than in shares of the common stock or in shares of any series of the preferred stock that we may issue which are junior shares) shall be declared or paid or set aside for payment upon shares of the common stock, junior shares or parity shares; (ii) no other distribution shall be declared or made upon shares of the common stock, junior shares or parity shares; and (iii) no shares of the common stock, junior shares or parity shares shall be redeemed, purchased or otherwise acquired for any consideration (or any moneys paid to or made available for a sinking fund for the redemption of any such shares) by us (except as mandatorily required by the terms of such equity security or by conversion into or exchange for shares of our other capital stock that we may issue which are junior shares).

When dividends are not paid in full (or a sum sufficient for such full payment is not so set apart) upon the Series A Preferred Stock and parity shares, all dividends declared upon the Series A Preferred Stock and parity shares will be declared pro rata so that the amount of dividends declared per share of Series A Preferred Stock and such other parity shares will in all cases bear to each other the same ratio that accrued dividends per share on the Series A Preferred Stock and such other series of the preferred stock that we may issue (which shall not include any accrual in respect of unpaid dividends for prior dividend periods if such preferred stock does not have a cumulative dividend) bear to each other. No interest, or sum of money in lieu of interest, will be payable in respect of any dividend payment or payments on the Series A Preferred Stock which may be in arrears.

Failure to Make Dividend Payments. If we have committed a “dividend default” by failing to pay the accrued cash dividends on the outstanding Series A Preferred Stock in full for any four consecutive or non-consecutive quarterly periods, then until we have paid all accrued dividends on the shares of the Series A Preferred Stock for all dividend periods up to, and including, the dividend payment date on which the accumulated and unpaid dividends are paid in full: (i) the annual dividend rate on the Series A Preferred Stock will be increased to 12.875% per annum, which we refer to as the “penalty rate,” commencing on the first day after the missed fourth quarterly payment; and (iii) the holders of the Series A Preferred Stock will have the voting rights described under “—Voting Rights.” Once we have paid all accumulated and unpaid dividends in full and have paid cash dividends at the penalty rate in full for an additional two consecutive quarters (or declared such dividends provided that a sum sufficient for the payment thereof is set aside for such payment), the dividend rate will be restored to the stated rate and the foregoing provisions will not be applicable, unless we again fail to pay any quarterly dividend for any future quarter.

Failure to Maintain a Listing on a National Exchange. If a “delisting event” occurs because we fail for 180 or more consecutive days to maintain the listing of the Series A Preferred Stock on a national exchange, then: (i) the annual dividend rate on the Series A Preferred Stock will be increased to the penalty rate commencing on the 181st day; and (ii) the holders of the Series A Preferred Stock will have the voting rights described under “—Voting Rights.” When the Series A Preferred Stock is once again listed on a national exchange, the dividend rate will be restored to the stated rate and the foregoing provisions will not be applicable, unless the Series A Preferred Stock is again no longer listed on a national exchange.

Liquidation Preference. Upon any voluntary or involuntary liquidation, dissolution or winding up of our affairs, then, before any distribution or payment shall be made to the holders of any common stock or any other class or series of junior shares in the distribution of assets upon any liquidation, dissolution or winding up of us, the holders of Series A Preferred Stock are entitled to receive out of our assets legally available for distribution to shareholders, liquidating distributions in the amount of the liquidation preference, or \$25.00 per share, plus an amount equal to all dividends (whether or not earned or declared) accrued and unpaid thereon to, but excluding, the date of payment. After payment of the full amount of the liquidating distributions to which they are entitled, the holders of Series A Preferred Stock will have no right or claim to any of our remaining assets. In the event that, upon any such voluntary or involuntary liquidation, dissolution or winding up, our available assets are insufficient to pay the amount of the liquidating distributions on all outstanding Series A Preferred Stock and the corresponding amounts payable on all senior shares and parity shares, then after payment of the liquidating distribution on all outstanding senior shares, the holders of the Series A Preferred Stock and all other such classes or series of parity shares will share ratably in any such distribution of assets in proportion to the full liquidating distributions to which they would otherwise be respectively entitled. For such purposes, the consolidation or merger of us with or into any other entity, or the sale, lease or conveyance of all or substantially all of our property or business, or a statutory share exchange will not be deemed to constitute a voluntary or involuntary liquidation, dissolution or winding up of us. Under the Articles of Incorporation, we are not required to

set aside funds to protect the liquidation preference of the Series A Preferred Stock.

6

Redemption General. We may not redeem the Series A Preferred Stock prior to December 1, 2017, except that we are required to redeem the Series A Preferred Stock following a change of control. On and after December 1, 2017, we, at our option, upon not less than 30 nor more than 60 days' written notice, may redeem the Series A Preferred Stock, in whole or in part, at any time or from time to time, for cash at a redemption price of \$25.00 per share, plus all accrued and unpaid dividends thereon (whether or not earned or declared) to, but excluding, the date fixed for redemption, without interest. If fewer than all of the outstanding Series A Preferred Stock are to be redeemed, the number of shares to be redeemed will be determined by us and such shares may be redeemed pro rata from the holders of record of such shares in proportion to the number of such shares held by such holders (with adjustments to avoid redemption of fractional shares) or by lot in an equitable manner determined by us.

With respect to a redemption as described above, unless full cumulative dividends on all Series A Preferred Stock and all parity shares shall have been or contemporaneously are declared and paid or declared and a sum sufficient for the payment thereof set apart for payment for all past dividend periods and the then current dividend period: (i) no Series A Preferred Stock or parity shares shall be redeemed unless all outstanding Series A Preferred Stock and parity shares are simultaneously redeemed; provided, however, that the foregoing shall not prevent the purchase or acquisition of Series A Preferred Stock or parity shares pursuant to a purchase or exchange offer made on the same terms to holders of all outstanding Series A Preferred Stock and parity shares; and (ii) we shall not purchase or otherwise acquire directly or indirectly any Series A Preferred Stock or parity shares (except by conversion into or exchange for junior shares and parity shares).

From and after the redemption date (unless we default in payment of the redemption price), all dividends will cease to accumulate on the Series A Preferred Stock, such shares shall no longer be deemed to be outstanding, and all of your rights as a holder of shares of Series A Preferred Stock will terminate with respect to such shares, except the right to receive the redemption price and all accrued and unpaid dividends up to, but excluding, the redemption date.

Special Redemption Upon Change of Control. If a "change of control" of us by a person, entity or group occurs, we (or the acquiring entity) will be required to redeem the Series A Preferred Stock, in whole but not in part, within 120 days after the date on which the change of control has occurred, for cash at a redemption price of \$25.00 per share, plus all accrued and unpaid dividends thereon (whether or not earned or declared) to, but excluding, the redemption date, without interest. A "change of control" is deemed to occur when the following have occurred and are continuing: the acquisition by any person, including any syndicate or group deemed to be a "person" under Section 13(d)(3) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), of beneficial ownership, directly or indirectly, through a purchase, merger or other acquisition transaction or series of purchases, mergers or other acquisition transactions of our stock entitling that person to exercise more than 50% of the total voting power of all our stock entitled to vote generally in the election of our directors (except that such person will be deemed to have beneficial ownership of all securities that such person has the right to acquire, whether such right is currently exercisable or is exercisable only upon the occurrence of a subsequent condition); and following the closing of any acquisition described in the bullet point above, neither we nor the acquiring or surviving entity has a class of common securities (or American depositary receipts representing such securities) listed on a national exchange.

Voting Rights. Holders of the Series A Preferred Stock do not have any voting rights, except as set forth below or as otherwise required by law.

Whenever a dividend default or a delisting event (each, a "penalty event") has occurred, the number of directors constituting the Board of Directors will be automatically increased by two (if not already increased by two by reason of the election of directors by the holders of any other classes or series of stock we may issue upon which similar voting rights have been conferred and are exercisable and with which the Series A Preferred Stock is entitled to vote as a class with respect to the election of those two directors), and the holders of the Series A Preferred Stock (voting together as a class with all other classes or series of stock we may issue upon which similar voting rights have been conferred and are exercisable and which are entitled to vote as a class with the Series A Preferred Stock in the election of those two

directors) will be entitled to vote for the election of those two additional directors at a special meeting called by us at the request of the holders of record of at least 25% of the outstanding shares of Series A Preferred Stock or by the holders of any other classes or series of stock upon which similar voting rights have been conferred and are exercisable and which are entitled to vote as a class with the Series A Preferred Stock in the election of those two directors (unless the request is received less than 90 days before the date fixed for the next annual or special meeting of our shareholders, in which case, such vote will be held at the earlier of the next annual or special meeting of our shareholders), and at each subsequent annual meeting until a “correction event” (as defined below) has occurred with respect to each penalty event then continuing.

On the date a correction event occurs, the right of holders of the Series A Preferred Stock to elect any directors will cease and, unless there are other classes or series of our stock upon which similar voting rights have been conferred and are exercisable, the term of any directors elected by holders of the Series A Preferred Stock shall immediately terminate and the number of directors constituting the Board of Directors shall be reduced accordingly. A “correction event” means: (i) with respect to any delisting event, the listing of the Series A Preferred Stock for trading on a national exchange; and (ii) with respect to a dividend default, the payment of all accumulated and unpaid dividends in full and the payment of cash dividends at the penalty rate in full for an additional two consecutive quarters (or the declaration of such dividends provided that a sum sufficient for the payment thereof is set aside for such payment). In no event shall the holders of Series A Preferred Stock be entitled pursuant to these voting rights to elect a director that would cause us to fail to satisfy a requirement relating to director independence of any national exchange on which any class or series of our stock is listed or quoted.

If a special meeting is not called by us within 75 days after request from the requisite holders of Series A Preferred Stock (or holders of other series or classes of stock we may issue upon which similar voting rights have been conferred and are exercisable) as described above, then the holders of record of at least 25% of the outstanding Series A Preferred Stock may designate a holder to call the meeting at our expense, and such meeting may be called by the holder so designated upon notice similar to that required for annual meetings of our shareholders and shall be held at the place designated by the holder calling such meeting.

If, at any time when the voting rights conferred upon the Series A Preferred Stock are exercisable, any vacancy in the office of a director elected shall occur, then such vacancy may be filled only by the remaining such director or by vote of the holders of record of the outstanding Series A Preferred Stock and any other classes or series of stock upon which similar voting rights have been conferred and are exercisable and which are entitled to vote as a class with the Series A Preferred Stock in the election of directors. Any director elected or appointed may be removed only by the affirmative vote of holders of the outstanding Series A Preferred Stock and any other classes or series of stock upon which similar voting rights have been conferred and are exercisable and which classes or series of stock are entitled to vote as a class with the Series A Preferred Stock in the election of directors, such removal to be effected by the affirmative vote of a majority of the votes entitled to be cast by the holders of the outstanding Series A Preferred Stock and any such other classes or series of stock, and may not be removed by the holders of the common stock. On each matter on which holders of Series A Preferred Stock are entitled to vote, each share of Series A Preferred Stock will be entitled to one vote, except that when shares of any other class or series of our stock have the right to vote with the Series A Preferred Stock as a single class on any matter, the Series A Preferred Stock and the shares of each such other class or series will have one vote for each \$25.00 of liquidation preference (excluding accumulated dividends).

So long as any shares of Series A Preferred Stock remain outstanding, we will not, without the affirmative vote of the holders of at least two-thirds of the shares of the Series A Preferred Stock outstanding at the time, given in person or by proxy, either in writing or at a meeting (voting together as a series and also together as a class with all other classes or series of stock that we may issue upon which similar voting rights have been conferred and are exercisable and which are entitled to vote as a class with the Series A Preferred Stock): (i) authorize or create, or increase the authorized or issued amount of, any class or series of senior shares or reclassify any of our authorized stock into such shares, or create, authorize or issue any obligation or security convertible into or evidencing the right to purchase any such shares; or (ii) amend, alter or repeal the provisions of the Articles of Incorporation, whether by merger, consolidation or otherwise, so as to materially and adversely affect any right, preference, privilege or voting power of the Series A

Preferred Stock (each, an “event”); provided, however, with respect to the occurrence of any event set forth in (ii) above, so long as the Series A Preferred Stock remains outstanding with the terms thereof materially unchanged, taking into account that, upon an occurrence of an event, we may not be the surviving entity (whether or not such event would constitute a change of control), the occurrence of any such event shall not be deemed to materially and adversely affect such rights, preferences, privileges or voting power of holders of the Series A Preferred Stock (although we would be required to redeem the Series A Preferred Stock if such event constitutes a change of control) and, provided further, that any increase in the amount of the authorized common stock or other stock we may issue, including the Series A Preferred Stock, or the creation or issuance of any additional common stock, Series A Preferred Stock or other class or other series of stock that we may issue, or any increase in the amount of authorized shares of such class or series, in each case which are parity shares or junior shares, shall not be deemed to materially and adversely affect such rights, preferences, privileges or voting powers and shall not require any affirmative vote or consent of the holders of the Series A Preferred Stock.

Conversion; Preemptive Rights. The Series A Preferred Stock is not, pursuant to its terms, convertible into or exchangeable for any of our other property or securities. No holders of the Series A Preferred Stock, as holders of Series A Preferred Stock, have any preemptive rights to purchase or subscribe for the common stock or any other security.

Book Entry. The Series A Preferred Stock is issued in global form. The Depository Trust Company (“DTC”) or its nominee is the sole registered holder of the Series A Preferred Stock. Ownership of beneficial interests in the Series A Preferred Stock in global form is limited to persons who have accounts with DTC (“participants”) or persons who hold interests through such participants. Ownership of beneficial interests in the Series A Preferred Stock in global form is shown on, and the transfer of that ownership is effected only through, records maintained by DTC or its nominee (with respect to interests of participants) and the records of participants (with respect to interests of persons other than participants).

So long as DTC, or its nominee, is the registered owner or holder of a global certificate representing the shares of the Series A Preferred Stock, DTC or such nominee, as the case may be, will be considered the sole holder of the shares of the Series A Preferred Stock represented by such global certificate for all purposes. No beneficial owner of an interest in the shares of the Series A Preferred Stock in global form will be able to transfer that interest except in accordance with the applicable procedures of DTC in addition to those provided for under the Articles of Incorporation.

Payments of dividends on the global certificate representing the shares of the Series A Preferred Stock will be made to DTC or its nominee, as the case may be, as the registered holder thereof. None of us, the transfer agent, registrar or dividend disbursing agent will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests in a global certificate representing the shares of the Series A Preferred Stock or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

We expect that DTC or its nominee, upon receipt of any payment of dividends in respect of a global certificate representing the shares of the Series A Preferred Stock, will credit participants’ accounts with payments in amounts proportionate to their respective beneficial ownership interests in the aggregate liquidation preference of such global certificate representing the shares of the Series A Preferred Stock as shown on the records of DTC or its nominee, as the case may be. We also expect that payments by participants to owners of beneficial interests in such global certificate representing the shares of the Series A Preferred Stock held through such participants will be governed by standing instructions and customary practices, as is now the case with securities held for the accounts of customers registered in the names of nominees for such customers. Such payments will be the responsibility of such participants.

Transfers between participants in DTC will be effected in the ordinary way in accordance with DTC rules and will be settled in same-day funds.

We understand that DTC is:

- a limited purpose trust company organized under the laws of the State of New York;
- a “banking organization” within the meaning of New York Banking Law;
- a member of the Federal Reserve System;
- a “clearing corporation” within the meaning of the Uniform Commercial Code; and
- a “Clearing Agency” registered pursuant to the provisions of Section 17A of the Exchange Act.

DTC was created to hold securities for its participants and facilitate the clearance and settlement of securities transactions between participants through electronic book-entry changes in accounts of its participants, thereby eliminating the need for physical movement of certificates.

Although DTC is expected to follow the foregoing procedures in order to facilitate transfers of interests in a global security among its participants, it is under no obligation to perform or continue to perform such procedures, and such procedures may be discontinued at any time. None of us, the transfer agent, registrar or dividend disbursing agent will have any responsibility for the performance by DTC or its participants or indirect participants of their respective obligations under the rules and procedures governing their operations.

The information in this section concerning DTC and its book-entry system has been obtained from sources that we believe to be reliable, but we take no responsibility for the accuracy thereof.

Ownership and Transfer Restrictions

The Articles of Incorporation contains ownership and transfer restrictions relating to the common stock. These ownership and transfer restrictions could have the effect of delaying, deferring or preventing a transaction or change of control of Regional that might involve a premium price for the Regional stock or otherwise be in the best interests of its shareholders. All certificates representing shares of common stock will bear a legend describing or referring to such ownership and transfer restrictions.

Ownership and Transfer Restrictions. The Articles of Incorporation provides that, subject to the exceptions, waivers and the constructive ownership rules described in the Articles of Incorporation, no person may beneficially own, or be deemed to constructively own by virtue of the ownership attribution provisions of the Internal Revenue Code of 1986, as amended (the “Code”), in excess of 9.9% (by value or number of shares, whichever is more restrictive) of an outstanding class or series common stock (the “Common Stock Ownership Limit”).

The Articles of Incorporation further prohibits (along with the common stock Ownership Limit, the “ownership and transfer restrictions”):

- any person from beneficially or constructively owning shares of common stock of any class or series (“Equity Shares”) to the extent that such ownership would cause the Company to fail to qualify as a Real Estate Investment Trust (“REIT”) by reason of being “closely held” under the Code (without regard to whether the ownership interest is held during the last half of a taxable year);
- any person from beneficially or constructively owning Equity Shares that would cause the Company to otherwise fail to qualify as a REIT (including beneficial or constructive ownership that would result in Regional owning (actually or constructively) an interest in a tenant that is described in Section

856(d)(2)(B) of the Code if the income derived by Regional from such tenant would cause Regional to fail to satisfy any of the gross income requirements of Section 856(c) of the Code); any person from beneficially owning Equity Shares to the extent such beneficial ownership of Equity Shares would result in Regional failing to be “domestically controlled” within the meaning of Section 897(h)(4)(B) of the Code; and any person from beneficially owning Equity Shares to the extent such beneficial ownership of Equity Shares would result in Regional being “predominantly held” (within the meaning of Section 856(h)(3)(D)(iii) of the Code) by “qualified trusts” (within the meaning of Section 856(h)(3)(E) of the Code).

Furthermore, any transfer, acquisition or other event or transaction that would result in Equity Shares being beneficially owned by less than 100 persons (determined without reference to any rules of attribution) will be void ab initio, and the intended transferee shall acquire no rights in such Equity Shares.

The Articles of Incorporation defines beneficial ownership as ownership of Equity Shares by a “person” (as defined therein), whether the interest in the Equity Shares is held directly or indirectly (including by a nominee), and includes interests that would be treated as owned through the application of Section 544 of the Code, as modified by Sections 856(h)(1)(B) and 856(h)(3)(A) of the Code. The Articles of Incorporation defines “person” to include a “group,” as defined under Section 13(d)(3) of the Exchange Act.

The applicable constructive ownership rules under the Code are complex and may cause stock owned actually or constructively by a group of related individuals or entities to be treated as owned by one individual or entity. As a result, the acquisition of less than 9.9% (by value or number of shares, whichever is more restrictive) of the outstanding shares of the common stock (including through the acquisition of an interest in an entity that owns, actually or constructively, shares of any class or series of the common stock) by an individual or entity could, through constructive ownership, nevertheless cause a violation of the ownership and transfer restrictions.

The foregoing ownership and transfer restrictions, including the common stock Ownership Limit, will not apply if the Board of Directors determines in its sole and absolute discretion, each of the following: (i) that it is not in the best interests of the Company to attempt to qualify as, or to continue to qualify as, a REIT; and (ii) that compliance with all or any of the restrictions and limitations on beneficial ownership, constructive ownership, acquisitions or transfers of Equity Shares set forth in the Articles of Incorporation is no longer otherwise advisable for the Company.

Notice of Restricted Transfer. Any person who acquires, or attempts to acquire, beneficial or constructive ownership of Equity Shares that will, or may, violate the ownership and transfer restrictions, and any person beneficially owns or constructively owns shares-in-trust as a transferee of Equity Shares resulting in a conversion to share-in-trust (as discussed below), must immediately give written notice to the Company (or, in the event of a proposed or attempted transfer, acquisition or purported change in beneficial or constructive ownership, give at least 15 days’ prior written notice), and promptly provide to the Company such other information as the Company may request.

Waivers by the Board of Directors; Increase in Common Stock Ownership Limit. Upon notice of an acquisition or transfer, or a proposed acquisition or transfer, that results or would result in the intended transferee having beneficial or constructive ownership of Equity Shares in excess of the common stock Ownership Limit, or would otherwise result in a violation of the any of the other ownership and transfer restrictions, the Board of Directors may, prospectively or retroactively, create a different limit on ownership for such transferee (an “excepted holder limit”), or otherwise waive such violation, in each case upon such conditions as the Board of Directors may determine, in its sole and absolute discretion

In addition, the Board of Directors may, from time to time, increase the common stock Ownership Limit for one or more persons, or decrease the common stock Ownership Limit for one or more persons. A decrease in the common stock Ownership Limit will not be effective for any person whose ownership of Equity Shares is in excess of the applicable decreased common stock Ownership Limit until such time as such person’s ownership equals or falls

below the applicable decreased common stock Ownership Limit. Until such time, however, any further acquisition of Equity Shares will violate the common stock Ownership Limit.

Notwithstanding the foregoing, unless and until the Board of Directors determines that it is not in the best interests of the Company to attempt to qualify as, or to continue to qualify as, a REIT (and assuming the Board of Directors has not determined thereafter that it is in the best interests of the Company to attempt to qualify as, or to continue to qualify as, a REIT), the common stock Ownership Limit for a class or series of Equity Shares may not be increased, and no additional excepted holder limits may be created, and no other waivers of ownership and transfer restrictions may be granted, if the Board of Directors determines in its sole and absolute discretion that, after giving effect to such increase, creation or waiver, the Company would be “closely held” within the meaning of the Code or such increase, creation or waiver would otherwise cause the Company to fail to qualify as a REIT.

Shares-in-Trust. The Articles of Incorporation provides that, if there is any purported transfer or acquisition of Equity Shares or other event or transaction that, if effective, would result in any person beneficially or constructively owning Equity Shares in violation of any of the ownership and transfer restrictions, then the number of Equity Shares causing the violation (rounded up to the nearest whole share) will be automatically converted into an equal number of “Shares-In-Trust” and will be deemed to have been transferred to a trust for the exclusive benefit of a designated charitable beneficiary. The automatic conversion will be effective as of the close of business on the business day prior to the date of the purported transfer, acquisition or other event or transaction that requires the conversion to Shares-in-Trust. (The person that would have owned the shares if they had not been converted and transferred to the trust is referred to in this document as “the purported transferee.”) The purported transferee shall have no rights in Shares-in-Trust, except as specifically provided in the Articles of Incorporation. If, for any reason, the conversion into Shares-in-Trust as described in the Articles of Incorporation is not automatically effective to prevent violation of the ownership and transfer restrictions, then such transfer, acquisition or other event or transaction giving rise to the Shares-in-Trust will be void ab initio, and the purported transferee will acquire no rights in such Equity Shares.

Rights of Shares-in-Trust. Notwithstanding any other provisions of the Articles of Incorporation, Shares-in-Trust shall have only such rights as set forth in the Articles of Incorporation. Specifically, Shares-in-Trust are entitled to the same rights and privileges with respect to dividends as all other Equity Shares of the same class or series. The trustee will receive all dividends on the Shares-in-Trust and will hold such dividends in trust for the benefit of the charitable beneficiary. Any dividend with a record date on or after the date that Equity Shares have converted to Shares-in-Trust which is paid on such Equity Shares to the purported transferee must be repaid to the trust, and any dividend declared on such Equity Shares but unpaid must be paid to the trust, in each case for the benefit of the charitable beneficiary. The Company shall take all measures that it determines are reasonably necessary to recover the amount of any dividend paid to the purported transferee, including, if necessary, withholding any portion of future dividends payable on Equity Shares beneficially or constructively owned by the purported transferee and paying such dividends over to the trust for the benefit of the charitable beneficiary.

Shares-in-Trust shall not have any voting rights. Until the Company has received notification that the Equity Shares have been converted into Shares-in-Trust, the Company shall be entitled to rely on its share transfer and other shareholder records for purposes of preparing lists of shareholders entitled to vote at meetings, determining the validity and authority of proxies and otherwise conducting votes of shareholders.

Transferability of Shares-in-Trust. Except as set forth in the Articles of Incorporation, Shares-in-Trust are not transferable.

All Shares-in-Trust are deemed to be offered for sale to the Company, or its designee, at a price per share equal to the lesser of: (i) the price per share in the purported transaction that results in such Shares-in-Trust or, in the case of a gift or devise, the market price (as defined in the Articles of Incorporation) at the time of such gift or devise; and (ii) the market price on the date the Company, or its designee, accepts such offer. The Company has the right to accept such offer for a period of 20 days after the later of the: (i) the date of the purported transaction that results in the Shares-in-Trust, as set forth in a notice received by the Company pursuant to the notice requirements in the Articles of Incorporation; or (ii) if no such notice is received by the Company, the date the Company determines in good faith that a purported transfer, acquisition or other event or transaction occurred which resulted in the Shares-in-Trust. The

Company may reduce the amount payable in connection with the purchase of Shares-in-Trust by the amount of any dividends that have been paid to the purported transferee and are owed by the purported transferee to the trustee. The Company may pay the amount of such reduction to the trustee for the benefit of the charitable beneficiary.

If the Company does not purchase the Shares-in-Trust, then the trustee shall: (i) sell that number of Equity Shares represented by such Shares-in-Trust to a permitted transferee who could acquire and own the shares without such acquisition or ownership resulting in another automatic conversion of such Equity Shares into Shares-in-Trust; (ii) cause to be recorded on the books of the Company that the permitted transferee is the holder of record of such number of Equity Shares; and (iii) cause the Shares-in-Trust to be canceled.

Upon a sale by the trustee of Shares-in-Trust, the purported transferee shall receive from the trustee a price per share equal to the lesser of: (i) the price per share in the purported transaction that created the Shares-in-Trust or, in the case of a gift or devise, the market price per share on the date of such transfer; and (ii) the price per share received by the trustee, provided that such price per share shall be net of any commissions and other expenses of the sale. The proceeds shall be sent to the purported transferee within five business days of the closing of the sale transaction. Any amounts received by the trustee in excess of the amounts paid to the purported transferee must be paid to the charitable beneficiary.

The Trustee. The trustee will be designated by the Company and must be unaffiliated with the Company, any purported transferee and any purported holder of Equity Shares that converted into Shares-in-Trust.

Remedies for Breach. If the Board of Directors determines in good faith that a purported transfer, acquisition or other event or transaction has taken place in violation of the ownership and transfer restrictions, or that a person intends to or has attempted to acquire ownership in violation of such restrictions, then the Board of Directors shall take such action as it deems advisable to refuse to give effect to, or to prevent, such transfer, acquisition or other event or transaction from occurring or otherwise becoming effective, including causing the Company to repurchase Equity Shares, refusing to give effect to the transaction on the Company's books or instituting proceedings to enjoin the transfer.

Disclosure of Ownership by Our Shareholders. Every beneficial or constructive owner of more than 5% (or such lower percentages as determined pursuant to regulations under the Code or as may be requested by the Board of Directors) of the outstanding Equity Shares of any class or series shall annually, and no later than 30 days after the end of each taxable year, give written notice to the Company of certain information as required in the Articles of Incorporation. Limitation of Director Liability

The Bylaws provide that, to the fullest extent permitted by the GBCC, we shall indemnify an individual who is a party to a proceeding because he or she is or was a director or officer of us, provided that this limitation of liability does not apply to any liability:

- for any transaction in which the individual appropriated a business opportunity of ours;
- for any acts or omissions which involve intentional misconduct or a knowing violation of law;
- under Section 14-2-832 of the GBCC (governing unlawful distributions to shareholders); or
- for any transaction from which the individual derived an improper personal benefit.

Furthermore, the GBCC currently provides that we may not indemnify a director:

in connection with a proceeding by or in the right of the corporation, except for reasonable expenses incurred in connection with the proceeding if it is determined that the director has met certain standards of conduct under the GBCC; or

for any transaction from which the director derived an improper personal benefit.

However, in the event the GBCC is amended to authorize corporate action to provide directors greater rights to indemnification, then such rights will be expanded to the fullest extent permitted by the GBCC, as so amended. The Bylaws further provide that we will indemnify each of our directors or officers to the fullest extent authorized by the GBCC and may indemnify other persons as authorized by the GBCC.

General

We may sell the debt securities, including original issue discount securities, at par or at a substantial discount below their stated principal amount. Unless we inform you otherwise in a prospectus supplement, we may issue additional debt securities of a particular series without the consent of the holders of the debt securities of such series or any other series outstanding at the time of issuance. Any such additional debt securities, together with all other outstanding debt securities of that series, will constitute a single series of securities under the indenture.

We will describe in the applicable prospectus supplement any other special considerations for any debt securities we sell which are denominated in a currency or currency unit other than U.S. dollars. In addition, debt securities may be issued where the amount of principal and/or interest payable is determined by reference to one or more currency exchange rates, commodity prices, equity indices or other factors. Holders of such securities may receive a principal amount or a payment of interest that is greater than or less than the amount of principal or interest otherwise payable on such dates, depending upon the value of the applicable currencies, commodities, equity indices or other factors. Information as to the methods for determining the amount of principal or interest, if any, payable on any date, the currencies, commodities, equity indices or other factors to which the amount payable on such date is linked.

U.S. federal income tax consequences and special considerations, if any, applicable to any such series will be described in the applicable prospectus supplement. Unless we inform you otherwise in the applicable prospectus supplement, the debt securities will not be listed on any securities exchange.

We expect most debt securities to be issued in fully registered form without coupons and in denominations of US\$2,000 and any integral multiples in excess thereof. Subject to the limitations provided in the indenture and in the prospectus supplement, debt securities that are issued in registered form may be transferred or exchanged at the designated corporate trust office of the trustee, without the payment of any service charge, other than any tax or other governmental charge payable in connection therewith.

Global Securities

Unless we inform you otherwise in the applicable prospectus supplement, the debt securities of a series may be issued in whole or in part in the form of one or more global securities that will be deposited with, or on behalf of, a depository identified in the applicable prospectus supplement. Global securities will be issued in registered form and in either temporary or definitive form. Unless and until it is exchanged in whole or in part for the individual debt securities, a global security may not be transferred except as a whole by the depository for such global security to a nominee of such depository or by a nominee of such depository to such depository or another nominee of such depository or by such depository or any such nominee to a successor of such depository or a nominee of such successor. The specific terms of the depository arrangement with respect to any debt securities of a series and the rights of and limitations upon owners of beneficial interests in a global security will be described in the applicable prospectus supplement.

Governing Law

The indenture and the debt securities shall be construed in accordance with and governed by the laws of the State of New York.

DESCRIPTION OF WARRANTS

The following description, together with the additional information we include in any applicable prospectus supplement, summarizes the material terms and provisions of warrants that we may offer pursuant to this prospectus. While the terms we have summarized below will generally apply to any warrants we may offer under this prospectus, we will describe the particular terms of any warrants that we may offer in more detail in the applicable prospectus

supplement. The terms of any warrants we offer under a prospectus supplement may differ from the terms we describe below.

We may issue warrants for the purchase of shares of the common stock, shares of the preferred stock or debt securities. We may issue warrants independently of, or together with, shares of the common stock, shares of the preferred stock or debt securities offered by any prospectus supplement, and we may attach the warrants to, or issue them separately from, shares of the common stock, shares of the preferred stock or debt securities. Each series of warrants will be issued under a separate warrant agreement to be entered into between us and a bank or trust company, as warrant agent, all as set forth in the prospectus supplement relating to the particular issue of offered warrants. The warrant agent will act solely as our agent in connection with the warrant certificates relating to the warrants and will not assume any obligation or relationship of agency or trust with any holders of warrant certificates or beneficial owners of warrants.

The following summary of material provisions of the warrant agreements and warrants does not purport to be complete and is subject to, and is qualified in its entirety by reference to, all the provisions of the warrant agreement and the warrant certificates applicable to the particular series of warrants. We urge you to read the applicable prospectus supplements related to the warrants that we sell under this prospectus, as well as the complete warrant agreement and warrant certificates that contain the terms of the warrants.

General

The applicable prospectus supplement will describe the terms of the warrants, including, as applicable:

- the offering price;
- the aggregate number or amount of underlying securities purchasable upon exercise of the warrants and the exercise price;
- the number of warrants being offered;
- the date, if any, after which the warrants and the underlying securities will be transferable separately;
- the date on which the right to exercise the warrants will commence, and the date on which the right will expire (the “Expiration Date”);
- the number of warrants outstanding, if any;
- a discussion of any material or special U.S. federal income tax considerations applicable to the warrants;
- the terms, if any, on which we may accelerate the date by which the warrants must be exercised; and
- any other terms of the warrants, including terms, procedures and limitations relating to the exchange and exercise of the warrants.

Warrants will be offered and exercisable for U.S. dollars only and will be in registered form only.

Holders of warrants will be able to exchange warrant certificates for new warrant certificates of different denominations, present warrants for registration of transfer, and exercise warrants at the corporate trust office of the warrant agent or any other office indicated in the applicable prospectus supplement. Prior to the exercise of any warrants, holders of the warrants to purchase shares of the common stock or the preferred stock will not have any rights of holders of shares of the common stock or the preferred stock, including the right to receive payments of dividends, if any, or to exercise any applicable right to vote.

Exercise of Warrants

Each holder of a warrant will be entitled to purchase that number or amount of underlying securities, at the exercise price, as will in each case be described in the prospectus supplement relating to the offered warrants. After the close of business on the Expiration Date (which may be extended by us), unexercised warrants will become void.

Holders may exercise warrants by delivering to the warrant agent payment as provided in the applicable prospectus supplement of the amount required to purchase the underlying securities purchasable upon exercise, together with the information set forth on the reverse side of the warrant certificate. Warrants will be deemed to have been exercised upon receipt of payment of the exercise price, subject to the receipt within five business days of the warrant certificate evidencing the exercised warrants. Upon receipt of payment and the warrant certificate properly completed and duly executed at the corporate trust office of the warrant agent or any other office indicated in the applicable prospectus supplement, we will, as soon as practicable, issue and deliver the underlying securities purchasable upon such exercise. If fewer than all of the warrants represented by a warrant certificate are exercised, then we will issue a new warrant certificate for the remaining amount of warrants.

Amendments and Supplements to Warrant Agreements

We may amend or supplement the warrant agreement without the consent of the holders of the warrants issued under the agreement to effect changes that are not inconsistent with the provisions of the warrants and that do not adversely affect the interests of the holders.

DESCRIPTION OF RIGHTS

We may issue rights for the purchase of shares of the common stock, shares of the preferred stock or debt securities. Each series of rights will be issued under a separate rights agreement which we will enter into with a bank or trust company, as rights agent, all as set forth in the applicable prospectus supplement. The rights agent will act solely as our agent in connection with the certificates relating to the rights and will not assume any obligation or relationship of agency or trust with any holders of rights certificates or beneficial owners of rights. We will file the rights agreement and the rights certificates relating to each series of rights with the SEC, and incorporate them by reference as an exhibit to the registration statement of which this prospectus is a part on or before the time we issue a series of rights. The applicable prospectus supplement will describe the terms of any rights we issue, including, as applicable:

- the date for determining the persons entitled to participate in the rights distribution;
- the aggregate number or amount of underlying securities purchasable upon exercise of the rights and the exercise price;
- the aggregate number of rights being issued;
- the date, if any, on and after which the rights may be transferable separately;
- the date on which the right to exercise the rights commences and the date on which the right expires;
- the number of rights outstanding, if any;
- a discussion of any material or special U.S. federal income tax considerations applicable to the rights; and
- any other terms of the rights, including the terms, procedures and limitations relating to the distribution, exchange and exercise of the rights.

Rights will be exercisable for U.S. dollars only and will be in registered form only.

DESCRIPTION OF UNITS

We may issue securities in units, each consisting of two or more types of securities. For example, we might issue units consisting of a combination of debt securities and warrants to purchase common stock. If we issue units, the prospectus supplement relating to the units will contain the information described above with regard to each of the securities that is a component of the units. In addition, the prospectus supplement relating to the units will describe the terms of any units we issue, including, as applicable:

- the date, if any, on and after which the units may be transferable separately;
- whether we will apply to have the units traded on a securities exchange or securities quotation system;
- a discussion of any material or special U.S. federal income tax considerations applicable to the units; and
- how, for U.S. federal income tax purposes, the purchase price paid for the units is to be allocated among the component securities.

PLAN OF DISTRIBUTION

General

We may sell the securities under this prospectus in one or more of the following ways (or in any combination) from time to time:

- to or through one or more underwriters or dealers;
- in short or long transactions;
- directly to investors;
- in block trades;
- through agents;
- through a combination of these methods; or
- any other method permitted by applicable law.

If underwriters or dealers are used in the sale, the securities may be acquired by the underwriters or dealers for their own account and may be resold from time to time in one or more transactions.

The securities may be sold by us or the underwriters or dealers:

- in privately negotiated transactions;
- in one or more transactions at a fixed price or prices, which may be changed from time to time;
- in “at-the-market offerings,” within the meaning of Rule 415(a)(4) of the Securities Act of 1933, as amended (the “Securities Act”), to or through a market maker or into an existing trading market, on an exchange or otherwise;

at prices related to those prevailing market prices; or
at negotiated prices.

As applicable, we, the underwriters, dealers or agents, reserve the right to accept or reject all or part of any proposed purchase of the securities. To the extent required, we will set forth in a prospectus supplement the terms and offering of securities by us, including:

- the names of any underwriters, dealers or agents;
- any agency fees or underwriting discounts or commissions and other items constituting agents' or underwriters' compensation;
- any discounts or concessions allowed or reallocated or paid to dealers;
- details regarding over-allotment options under which underwriters may purchase additional securities, if any;
- the purchase price of the securities being offered and the proceeds we will receive from the sale;
- the public offering price; and
- the securities exchanges on which such securities may be listed, if any.

We may enter into derivative transactions with third parties or sell securities not covered by this prospectus to third parties in privately negotiated transactions from time to time. In connection with those derivative transactions, such third parties (or affiliates of such third parties) may sell securities covered by this prospectus (and, to the extent required, the applicable prospectus supplement), including in short sale transactions. If so, such third parties (or affiliates of such third parties) may use securities pledged by us or borrowed from us, or others to settle those sales or to close out any related open borrowings of securities, and may use securities received from us in settlement of those derivative transactions to close out any related open borrowings of securities. The third parties (or affiliates of such third parties) in such sale transactions by us may be underwriters and, to the extent required, will be identified in an applicable prospectus supplement (or a post-effective amendment). We may also sell securities under this prospectus upon the exercise of rights that may be issued to our securityholders.

We may loan or pledge securities to a financial institution or other third party that in turn may sell the securities using this prospectus and, to the extent required, an applicable prospectus supplement. Such financial institution or third party may transfer its economic short position to investors in our securities or in connection with a simultaneous offering of other securities offered by this prospectus.

Any shares covered by this prospectus that qualify for sale pursuant to Rule 144 of the Securities Act may be sold under Rule 144, rather than pursuant to this prospectus.

Underwriters, Agents and Dealers

If underwriters are used in the sale of our securities, the securities will be acquired by the underwriters for their own account and may be resold from time to time in one or more transactions described above. The securities may be offered to the public either through underwriting syndicates represented by managing underwriters or directly by underwriters. Generally, the underwriters' obligations to purchase the securities will be subject to conditions precedent and the underwriters will be obligated to purchase all of the securities if they purchase any of the securities. We may use underwriters with which we have a material relationship and will describe in the prospectus supplement, naming the underwriter, the nature of any such relationship.

We may sell the securities through agents from time to time. When we sell securities through agents, the prospectus supplement will, to the extent required, name any agent involved in the offer or sale of securities and any commissions paid to them. Generally, any agent will be acting on a best efforts basis for the period of its appointment.

We may authorize underwriters, dealers or agents to solicit offers by certain purchasers to purchase our securities from us at the public offering price set forth in the prospectus supplement pursuant to delayed delivery contracts providing for payment and delivery on a specified date in the future. The contracts will be subject to those conditions set forth in the prospectus supplement, and the prospectus supplement will set forth any commissions paid for solicitation of these contracts.

Underwriters, dealers and agents may contract for, or otherwise be entitled to, indemnification by us against certain civil liabilities, including liabilities under the Securities Act, or to contribution with respect to payments made by the underwriters, dealers or agents, under agreements between us and the underwriters, dealers and agents.

We may grant underwriters who participate in the distribution of our securities an option to purchase additional securities to cover over-allotments, if any, in connection with the distribution.

Underwriters, dealers or agents may receive compensation in the form of discounts, concessions or commissions from us or our purchasers, as their agents in connection with the sale of our securities. These underwriters, dealers or agents may be considered to be underwriters under the Securities Act. As a result, discounts, commissions or profits on resale received by the underwriters, dealers or agents may be treated as underwriting discounts and commissions. To the extent required, the prospectus supplement for any securities offered by us will identify any such underwriter, dealer or agent and describe any compensation received by them from us. Any public offering price and any discounts or concessions allowed or re-allowed or paid to dealers may be changed from time to time.

Underwriters, broker-dealers or agents who may become involved in the sale of our securities may engage in transactions with and perform other services for us for which they receive compensation. In compliance with the guidelines of the Financial Industry Regulatory Authority ("FINRA"), the maximum commission or discount to be received by any FINRA member or independent broker-dealer will not exceed 8% of the proceeds from any offering of the shares of common stock pursuant to this prospectus and any applicable prospectus supplement.

Stabilization Activities

In connection with an offering through underwriters, an underwriter may, to the extent permitted by applicable rules and regulations, purchase and sell securities in the open market. These transactions, to the extent permitted by applicable rules and regulations, may include short sales, stabilizing transactions and purchases to cover positions created by short sales. Short sales involve the sale by the underwriters of a greater number of securities than they are required to purchase in the offering. "Covered" short sales are sales made in an amount not greater than the underwriters' option to purchase additional securities from us in the offering, if any. If the underwriters have an over-allotment option to purchase additional securities from us, the underwriters may consider, among other things, the price of securities available for purchase in the open market as compared to the price at which they may purchase securities through the over-allotment option. "Naked" short sales, which may be prohibited or restricted by applicable rules and regulations, are any sales in excess of such option or where the underwriters do not have an over-allotment option. The underwriters must close out any naked short position by purchasing securities in the open market. A naked short position is more likely to be created if the underwriters are concerned that there may be downward pressure on the price of the securities in the open market after pricing that could adversely affect investors who purchase in the offering.

Accordingly, to cover these short sales positions or to otherwise stabilize or maintain the price of the securities, the underwriters may bid for or purchase securities in the open market and may impose penalty bids. If penalty bids are imposed, selling concessions allowed to syndicate members or other broker-dealers participating in the offering are reclaimed if securities previously distributed in the offering are repurchased, whether in connection with stabilization transactions or otherwise. The effect of these transactions may be to stabilize or maintain the market price of the securities at a level above that which might otherwise prevail in the open market. The imposition of a penalty bid may

also affect the price of the securities to the extent that it discourages resale of the securities. The magnitude or effect of any stabilization or other transactions is uncertain.

Direct Sales

We may also sell securities directly to one or more purchasers without using underwriters or agents. In this case, no agents, underwriters or dealers would be involved. We may sell securities upon the exercise of rights that we may issue to our securityholders. We may also sell securities directly to institutional investors or others who may be deemed to be underwriters within the meaning of the Securities Act with respect to any sale of those securities.

At-the-Market Offerings

To the extent that we make sales through one or more underwriters or agents in at-the-market offerings, we may do so pursuant to the terms of a sales agency financing agreement or other at-the-market offering arrangement between us and the underwriters or agents. If we engage in at-the-market sales pursuant to any such agreement, we will issue and sell, or re-sell, as the case may be, our securities through one or more underwriters or agents, which may act on an agency basis or on a principal basis. During the term of any such agreement, we may sell securities on a daily basis in exchange transactions or otherwise as we or they agree with the underwriters or agents. The agreement will provide that any securities sold will be sold at prices related to the then prevailing market prices for our securities. Therefore, exact figures regarding proceeds that will be raised or commissions to be paid cannot be determined at this time.

Pursuant to the terms of the agreement, we may agree to sell, and the relevant underwriters or agents may agree to solicit offers to purchase, blocks of our common stock or other securities. The terms of each such agreement will be set forth in more detail in a prospectus supplement to this prospectus.

Trading Market and Listing of Securities

Any common stock and any Series A Preferred Stock sold or resold pursuant to a prospectus supplement will be listed on the NYSE American. The securities other than common stock and the Series A Preferred Stock may or may not be listed on a national securities exchange. It is possible that one or more underwriters may make a market in a class or series of securities, but the underwriters will not be obligated to do so and may discontinue any market making at any time without notice. We cannot give any assurance as to the liquidity of the trading market for any of the securities.

LEGAL MATTERS

Unless otherwise indicated in the applicable prospectus supplement, certain legal matters in connection with the securities will be passed upon for us by Rogers & Hardin LLP, Atlanta, Georgia.

Subsection (a) of Section 14-2-851 of the GBCC provides that a corporation may indemnify an individual who is party to a proceeding because he or she is or was a director against liability incurred in the proceeding if: (i) such individual conducted himself or herself in good faith; and (ii) such individual reasonably believed (A) in the case of conduct in his or her official capacity, that such conduct was in the best interests of the corporation, (B) in all other cases, that such conduct was at least not opposed to the best interests of the corporation, and (C) in the case of any criminal proceeding, that the individual had no reasonable cause to believe that such conduct was unlawful.

Subsection (d) of Section 14-2-851 of the GBCC provides that a corporation may not indemnify a director in connection with a proceeding by or in the right of the corporation, except for reasonable expenses incurred in connection with the proceeding if it is determined that the director has met the relevant standard of conduct, or in connection with any proceeding with respect to conduct for which he or she was adjudged liable on the basis that personal benefit was improperly received by him or her, whether or not involving action in his or her official capacity. Notwithstanding the foregoing, pursuant to Section 14-2-854 of the GBCC, a court may order a corporation to indemnify a director if such court determines, in view of all the relevant circumstances, that it is fair and reasonable to indemnify or advance expenses to the director, even if the director has not met the relevant standard of conduct set forth in subsections (a) and (b) of Section 14-2-851 of the GBCC, failed to comply with Section 14-2-853 of the GBCC, or was adjudged liable in a proceeding referred to in paragraph (1) or (2) of subsection (d) of Section 14-2-851 of the GBCC but if the director was adjudged so liable, the indemnification shall be limited to reasonable expenses incurred in connection with the proceeding.

Section 14-2-852 of the GBCC provides that a corporation shall indemnify a director who was wholly successful, on the merits or otherwise, in the defense of any proceeding to which he or she was a party because he or she was a director of the corporation against reasonable expenses incurred by the director in connection with the proceeding.

Section 14-2-857 of the GBCC provides that a corporation may indemnify and advance expenses to an officer of the corporation who is a party to a proceeding because he or she is an officer of the corporation to the same extent as a director. If the officer is not a director (or if the officer is a director but the sole basis on which he or she is made a party to the proceeding is an act or omission solely as an officer), the corporation may also indemnify and advance

expenses to such officer to such further extent as may be provided by the articles of incorporation or the bylaws of the corporation, by a resolution of the Board of Directors of the corporation, or by contract, except for liability arising out of conduct that constitutes: (1) the appropriation, in violation of their duties, of any business opportunity of the corporation; (2) acts or omissions which involve intentional misconduct or a knowing violation of law; (3) the types of liability set forth in Section 14-2-832 of the GBCC; or (4) receipt of an improper personal benefit. An officer of a corporation who is not a director is entitled to mandatory indemnification under Section 14-2-852 of the GBCC and may apply to a court under Section 14-2-854 of the GBCC for indemnification or advances, in each case to the same extent to which a director may be entitled to indemnification under those provisions. Finally, a corporation may also indemnify an employee or agent who is not a director to the extent, consistent with public policy, that may be provided by its articles of incorporation or bylaws, by general or specific action by its Board of Directors or by contract.

The Bylaws provide that, to the fullest extent permitted by the GBCC, we shall indemnify an individual who is a party to a proceeding because he or she is or was a director or officer of our, provided that this limitation of liability does not apply to any liability: (i) for any transaction in which the individual appropriated a business opportunity of ours; (ii) for any acts or omissions which involve intentional misconduct or a knowing violation of law; (iii) under Section 14-2-832 of the GBCC (governing unlawful distributions to shareholders); or (iv) for any transaction from which the individual derived an improper personal benefit. Furthermore, the Bylaws provide for mandatory advancement of expenses provided that a director or officer provides: (A) a written affirmation of his good faith belief that his conduct does not constitute the kind of behavior with respect to which the Bylaws do not provide indemnification; and (B) his written undertaking to repay any funds advanced if it is ultimately determined that he is not entitled to indemnification under the Bylaws or the GBCC.

ITEM 17. Undertakings

The undersigned Registrant hereby undertakes:

(a) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in the volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

Provided, however, that paragraphs (a)(i), (a)(ii) and (a)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(b) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(d) That, for the purpose of determining liability under the Securities Act to any purchaser:

(i) Each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement

that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(e) That, for the purpose of determining liability of the Registrant under the Securities Act to any purchaser in the initial distribution of the securities: The undersigned Registrant undertake that in a primary offering of securities of the undersigned Registrants pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrants will each be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;
- (ii) any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;
- (iii) the portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrants or its securities provided by or on behalf of the undersigned Registrants; and
- (iv) any other communication that is an offer in the offering made by the undersigned Registrants to the purchaser.

(f) That, for purposes of determining any liability under the Securities Act, each filing of the Registrants' annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(g) The undersigned Registrant hereby undertakes to supplement the prospectus, after the expiration of the subscription period, to set forth the results of the subscription offer, the transactions by the underwriters during the subscription period, the amount of unsubscribed securities to be purchased by the underwriters, and the terms of any subsequent reoffering thereof. If any public offering by the underwriters is to be made on terms differing from those set forth on the cover page of the prospectus, a post-effective amendment will be filed to set forth the terms of such offering.

(h) The undersigned Registrant hereby undertakes to file an application for the purposes of determining the eligibility of the trustee to act under subsection (a) of Section 310 of the Trust Indenture Act in accordance with the rules and regulations prescribed by the SEC under Section 305(b)(2) of such act.

(i) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrants pursuant to the foregoing provisions, or otherwise, the registrants have been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrants of expenses incurred or paid by a director, officer or controlling person of the registrants in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrants will, unless in the opinion of their counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by them is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
