Item 8.01. Other Events.

On January 17, 2008, Tyson Foods, Inc. (the Company) entered into a Stipulation and Agreement of Settlement and Release (the Settlement Agreement) with respect to *In re Tyson Foods, Inc. Consolidated Shareholders Litigation*, C.A. No. 1106-CC, a stockholder derivative lawsuit against certain current and former directors of the Company and Tyson Limited Partnership. The lawsuit is pending in the Delaware Court of Chancery. The Settlement Agreement is subject to court approval.

The lawsuit consists of various derivative claims alleging that the defendants breached their fiduciary duties in connection with the approval of certain consulting contracts for Mr. Don Tyson in 2001 and 2004 and Mr. Robert Peterson in 2001; the approval and alleged inadequate disclosure during 2001-2004 of certain executive compensation; the approval of certain stock option grants in 1999, 2001 and 2003 which were allegedly timed to precede favorable announcements; and related-party transactions that were allegedly unfair and allegedly not reviewed or inadequately reviewed by independent directors. The consolidated complaint also asserted, among other things, an additional derivative claim related to defendants' alleged breach of a 1997 settlement agreement in *Herbets v. Tyson, et al.*, a derivative claim for contempt of the court's final order in *Herbets v. Tyson, et al.*, and a derivative claim for unjust enrichment pertaining to the other alleged claims. In addition, the consolidated complaint contained a putative class action claim that the Company's 2004 proxy statement contained misrepresentations regarding certain executive compensation. Additional information with respect to *In re Tyson Foods, Inc. Consolidated Shareholders Litigation* may be found in the Company's definitive proxy statement for its 2008 Annual Meeting of Stockholders filed on December 26, 2007.

Under the Settlement Agreement, all claims against all defendants will be dismissed. In exchange, Don Tyson and Tyson Limited Partnership, the Company's largest stockholder, have agreed to pay the Company \$4.5 million. No other defendant will make any payments. The Company has also agreed to implement or continue certain governance measures, which include the establishment of a nominating committee, appointment of a new independent director, and limitations on new related party transactions between the Company and Tyson Limited Partnership, Don Tyson, members of his family, or executive officers.

The Settlement Agreement was filed with the Delaware Court of Chancery on January 18, 2008. The Court is expected to issue a scheduling order after which time the Company's stockholders will be formally notified and given the opportunity to submit any objections. This will be followed by a settlement hearing, which will likely be held in March or April of 2008.

The foregoing summary of the Settlement Agreement does not purport to be a complete description of such agreement and is subject to and qualified in its entirety by reference to the text of the Settlement Agreement, which is attached hereto as Exhibit 99.1 and is incorporated by reference into this Item 8.01.

On January 18, 2008, the Company issued a press release announcing the settlement of *In re Tyson Foods, Inc. Consolidated Shareholders Litigation*. The press release is furnished herewith as Exhibit 99.2 and incorporated by reference herein.
