PROXY STATEMENT

Questions and Answers About the Annual Meeting and Voting

Why did I receive this proxy statement? We have sent you this Notice of Annual Meeting and Proxy Statement and proxy or voting instruction card because the Board of Directors (the “Board of Directors” or the “Board”) of Loral Space & Communications Inc. (“Loral” or the “Company”) is soliciting your proxy to vote at our Annual Meeting of Stockholders on May 16, 2019 (the “Annual Meeting”). This Proxy Statement contains information about the items being voted on at the Annual Meeting and information about us.

Who is entitled to vote? You may vote on each matter properly submitted for stockholder action at the Annual Meeting if you were the record holder of our Voting Common Stock, par value \$.01 per share (“Voting Common Stock”), as of the close of business on March 28, 2019. On March 28, 2019, there were 21,427,078 shares of our Voting Common Stock outstanding and entitled to vote at the Annual Meeting.

How many votes do I have? Each share of our Voting Common Stock that you own entitles you to one vote on each matter properly submitted for stockholder action at the Annual Meeting.

What am I voting on? You will be voting on the following:

To elect to the Board of Directors the two nominees named in this Proxy Statement who have been nominated by the Board of Directors to continue to serve as Class I directors and whose current terms will expire at the Annual Meeting;

To ratify the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the year ending December 31, 2019; and

To approve, on a non-binding, advisory basis, compensation of the Company’s named executive officers as described in this Proxy Statement.

How do I vote? You may vote in the following ways:

By Mail: If you are a holder of record, you may vote by marking, dating and signing your proxy card and returning it by mail in the enclosed postage-paid envelope. If you hold your shares in street name, please complete and mail the voting instruction card.

By Telephone or Internet: If you hold your shares in street name, you may be able to provide instructions to vote your shares by telephone or over the Internet. Please follow the instructions on your voting instruction card.

Table of Contents

At the Annual Meeting: If you are planning to attend the Annual Meeting and wish to vote your shares in person, we will give you a ballot at the meeting. If your shares are held in street name, you need to bring an account statement or letter from your broker, bank or other nominee indicating that you were the beneficial owner of the shares on March 28, 2019, the record date for voting. You will also need to obtain a proxy from your bank, broker or other nominee to vote the shares you beneficially own at the meeting. Even if you plan to be present at the meeting, we encourage you to complete and mail the enclosed card to vote your shares by proxy.

What if I return my proxy or voting instruction card but do not mark it to show how I am voting? Your shares will be voted according to the instructions you have indicated on your proxy or voting instruction card. If no direction is indicated, your shares will be voted “FOR” the election of the Class I nominees and “FOR” Proposals 2 and 3.

May I change my vote after I return my proxy or voting instruction card? You may change your vote at any time before your shares are voted at the Annual Meeting in one of three ways:

Notify our Corporate Secretary in writing before the Annual Meeting that you are revoking your proxy;

Submit another proxy by mail, telephone or the Internet (or voting instruction card if you hold your shares in street name) with a later date; or

Vote in person at the Annual Meeting.

What does it mean if I receive more than one proxy or voting instruction card? It means you have multiple accounts at the transfer agent and/or with banks and stockbrokers. Please vote all of your shares.

What constitutes a quorum? Any number of stockholders, together holding at least a majority in voting power of the capital stock of the Company issued and outstanding and generally entitled to vote in the election of directors, present in person or represented by proxy at any meeting duly called, shall constitute a quorum for the transaction of all business. Abstentions and “broker non-votes” are counted as shares “present” at the meeting for purposes of determining whether a quorum exists. A “broker non-vote” occurs when shares held of record by a bank, broker or other holder of record for a beneficial owner are deemed present at the meeting for purposes of a quorum but are not voted on a particular proposal because that record holder does not have discretionary voting power for that particular matter under the applicable rules of the Nasdaq National Market and has not received voting instructions from the beneficial owner.

Table of Contents

What vote is required in order to approve Proposals 1 and 2?	<p>Proposal 1 (Election of Directors): The two nominees named in this Proxy Statement who have been nominated by the Board of Directors to continue to serve as Class I directors will be elected to the Class I directorships by plurality vote. This means that the two nominees with the most votes cast in their favor will be elected to the Class I directorships. Votes withheld from one or more director nominees will have no effect on the election of any director from whom votes are withheld. If you do not want to vote your shares for a nominee, you may indicate that in the space provided on the proxy card or the voting instruction card or withhold authority as prompted during telephone or Internet voting. In the unanticipated event that a director nominee is unable or declines to serve, the proxy will be voted for such other person as shall be designated by the Board of Directors to replace the nominee, or in lieu thereof, the Board may reduce the number of directors.</p>
What is the standard for approving the non-binding, advisory proposal (Proposal 3)?	<p>Proposal 2 (Ratification of Appointment of Deloitte & Touche LLP): This proposal requires the affirmative vote of the holders of a majority of the voting power of our outstanding Voting Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote on Proposal 2. Abstentions will have the effect of votes against the proposal. "Broker non-votes," if any, will not have any effect on the adoption of the proposal.</p> <p>Proposal 3 (Advisory Vote on Compensation Paid to Named Executive Officers): This proposal requires the affirmative vote of the holders of a majority of the voting power of our outstanding Voting Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote on Proposal 3. Abstentions will have the effect of votes against the proposal. "Broker non-votes," if any, will not have any effect on the adoption of the proposal. The results of this vote are not binding on the Board, whether or not it is adopted by the aforementioned voting standard. In evaluating the vote on this advisory resolution, the Board will consider the voting results in their entirety.</p>
May my broker vote my shares?	<p>Brokers may no longer use discretionary authority to vote shares on the election of directors or non-routine matters if they have not received instructions from their clients. It is important, therefore, that you cast your vote if you want it to count in the election of directors (Proposal 1) or in the advisory vote on compensation paid to our named executive officers (Proposal 3). Your broker has the authority to exercise discretion with respect to ratification of appointment of Deloitte & Touche LLP (Proposal 2) if it has not received your instructions for that proposal because that matter is treated as routine under applicable rules.</p>

Table of Contents

How will voting on any other business be conducted?	We do not know of any business or proposals to be considered at the Annual Meeting other than those set forth in this Proxy Statement. If any other business is properly presented at the Annual Meeting, the proxies received from our stockholders give the proxy holders the authority to vote on the matter in their sole discretion. In accordance with our Bylaws, no business (other than the election of the two Class I nominees and Proposals 2 and 3) may be brought before the Annual Meeting, or any adjournment or postponement thereof, unless such business is brought by or at the direction of the Board or a committee of the Board.
Who will count the votes?	Computershare will act as the inspector of election and will tabulate the votes.

Additional Information Concerning the Board of Directors of the Company

During 2018, the Board of Directors held seven meetings and acted once by unanimous written consent. All directors attended at least 75% of the aggregate of the total number of meetings of the Board of Directors and of committees of the Board of which he or she was a member, with the exception of Ms. Yeung who attended five of seven Board meetings. We do not have a policy regarding directors' attendance at annual meetings. Three members of the Board attended the 2018 Annual Meeting of Stockholders in person, and two members attended the meeting by telephone.

Director Independence

The Company is listed on the Nasdaq Stock Market and complies with the Nasdaq listing requirements regarding independent directors. Under Nasdaq's Marketplace Rules, the definition of an "independent director" is a person other than an executive officer or employee of the company or any other individual having a relationship which, in the opinion of the issuer's board of directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Our Board of Directors has reviewed such information as the Board has deemed appropriate for purposes of determining whether any of the directors has a relationship which, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director,

including the beneficial ownership by our directors of Voting Common Stock (see “Ownership of Voting Common Stock – Voting Common Stock Ownership by Directors and Executive Officers”) and transactions

Table of Contents

between the Company on the one hand, and our directors and their affiliates, on the other hand (see “Certain Relationships and Related Party Transactions”). Based on such review, the Board of Directors has determined that all of our current directors, except for Mr. Targoff, were in 2018, and are currently, independent directors; independent directors, therefore, constitute a majority of our Board. Non management directors meet periodically in executive session without members of the Company’s management at the conclusion of regularly scheduled Board meetings. Mr. Targoff is not a member of any of the compensation, nominating or audit committees of the Company.

Indemnification Agreements

We have entered into Officers’ and Directors’ Indemnification Agreements (each, an “Indemnification Agreement”) with our directors and officers (each officer and director with an Indemnification Agreement, an “Indemnitee”). The Indemnification Agreement requires us to indemnify the Indemnitee if the Indemnitee is a party to or threatened to be made a party to or is otherwise involved in any Proceeding (as that term is used in the Indemnification Agreement), except with regard to any Proceeding by or in our right to procure a judgment in our favor, against all Expenses and Losses (as those terms are used in the Indemnification Agreement), including judgments, fines, penalties and amounts paid in settlement, subject to certain conditions, actually and reasonably incurred in connection with such Proceeding, if the Indemnitee acted in good faith for a purpose which he or she reasonably believed to be in or not opposed to our best interests. With regard to Proceedings by or in our right, the Indemnification Agreement provides similar terms of indemnification; no indemnification will be made, however, with respect to any claim, issue or matter as to which the Indemnitee shall have been adjudged to be liable to us, unless a court determines that the Indemnitee is entitled to indemnification for such portion of the Expenses as the court deems proper, all as detailed further in the Indemnification Agreement. The Indemnification Agreement also requires us to indemnify an Indemnitee where the Indemnitee is successful, on the merits or otherwise, in the defense of any claim, issue or matter therein, as well as in other circumstances delineated in the Indemnification Agreement. The indemnification provided for by the Indemnification Agreement is subject to certain exclusions detailed therein. Loral Holdings Corporation guarantees the due and punctual payment of all of our obligations under the Indemnification Agreements.

Directors and Officers Liability Insurance

We have purchased insurance from various insurance companies against obligations we might incur as a result of our indemnification obligations of directors and officers for certain liabilities they might incur and insuring such directors and officers for additional liabilities against which they might not be indemnified by us. We have also procured coverage for our own liabilities in certain circumstances. For the period from February 1, 2019 to January 31, 2020, we purchased a director and officer liability policy and a separate fiduciary liability policy. Our cost for the annual insurance premiums for these policies is \$525,741 in the aggregate.

Board Leadership Structure

Our Bylaws do not require that the positions of Chairman of the Board and Chief Executive Officer be held by the same person or by different individuals, and our Board does not have a formal policy with respect to the separation or combination of these offices. After our corporate office restructuring resulting from the sale (the “SSL Sale”) in 2012 of our former subsidiary, Space Systems/Loral, LLC (formerly known as Space Systems/Loral, Inc.) (“SSL”), including the termination of Mr. Targoff’s employment as Chief Executive Officer and President of the Company, the Board did not believe that going forward it was necessary for the Company to employ a Chief Executive Officer. Thus, the position of Chief Executive Officer during 2018 was, and currently is, vacant.

In addition, the Audit Committee, with input from management, reviews the Company's compensation policies and practices for all employees to determine whether such policies and practices encourage excessive or unnecessary risk-taking that could have a material adverse effect on the Company. Based on such review, the Audit Committee believes that such policies and practices are not likely to have a material adverse effect on the Company.

Nominating Committee

Members:	John D. Harkey, Jr. (Sole Member and Chairman)
Number of Meetings in 2018:	One meeting

The Nominating Committee assists the Board of Directors in (i) identifying individuals qualified to become members of the Board (consistent with criteria approved by the Board) and (ii) selecting, or recommending that the Board select, the director nominees for the next annual meeting of stockholders. The Nominating Committee will consider candidates for nomination as a director recommended by stockholders, directors, officers, third party search firms and other sources. Under its charter, the Nominating Committee seeks director nominees who have demonstrated exceptional ability and judgment. Nominees will be chosen with the primary goal of ensuring that the entire Board collectively serves the interests of the stockholders. Due consideration will be given to assessing the qualifications of potential nominees and any potential conflicts with the Company's interests. The Nominating Committee will also assess the contributions of the Company's incumbent directors in connection with their potential re-nomination. In identifying and recommending director nominees, the Nominating Committee members may take into account such factors as they determine appropriate, including any recommendations made by the chief executive officer and stockholders of the Company. The Nominating Committee will review all candidates in the same manner, regardless of the source of the recommendation. Individuals recommended by stockholders for nomination as a director will be considered in accordance with the procedures described under "Other Matters – Stockholder Proposals for 2020 Annual Meeting."

Neither the Nominating Committee nor the Board has a formal policy with regard to the consideration of diversity in identifying director candidates. As discussed above, however, the primary goal of the Nominating Committee is to identify candidates to ensure that the entire Board collectively serves the interests of the stockholders. Thus, in striving to achieve this goal, the Nominating Committee believes it is appropriate to consider a broad range of factors, including, among others, age, experience, skill, judgment and diversity of ethnic and cultural background of candidates for director.

Deloitte & Touche LLP has advised the Company that it has no direct or indirect financial interest in the Company or any of its subsidiaries and that it has had, during the last three years, no connection with the Company or any of its subsidiaries other than as our independent registered public accounting firm and certain other activities as described below.

In accordance with its charter, the Audit Committee has established pre-approval policies with respect to annual audit, other audit and audit-related services and certain permitted non-audit services to be provided by our independent registered public accounting firm and related fees. The Audit Committee also pre-approves any proposed engagement to provide permitted services not included in the approved list of audit and permitted non-audit services and for fees in excess of amounts previously pre-approved. The Audit Committee chairman or another designated committee member may approve these services and related fees and expenses on behalf of the Audit Committee, and the Company promptly reports such approval to the Audit Committee.

Annual Bonus

We provide a discretionary annual cash bonus incentive for our named executive officers under our Management Incentive Bonus or MIB program to motivate and reward our named executive officers for their efforts towards achieving our annual, short-term corporate goals, as well as our long-term strategic goals. Our Compensation Committee administers the MIB program, sets target bonus opportunities and determines the amounts payable under the MIB program each year, which may be more or less than the target opportunity. The table below sets forth the target bonus opportunity for 2018 for each named executive officer.

Name	Target Bonus Opportunity (as a % of salary)
------	--

Avi Katz	60%
John Capogrossi	50%
Ravinder S. Girgla	50%

In March 2019, the Compensation Committee reviewed, on a subjective basis, the individual performance of the participants in the MIB program during 2018, including the named executive officers, and specifically noted their excellent performance in their areas of responsibility, and approved payment of discretionary bonuses to the named executive officers at the same level as in 2017 (with the only adjustments relating to the ordinary course cost of living increase to base salaries). These 2018 bonus awards resulted in a bonus payment to each of Messrs. Katz, Capogrossi and Girgla at an aggregate of 130% of their target bonus opportunities. These bonus amounts are included in the “Bonus” column of the Summary Compensation Table.

Retirement Benefits

The Company maintains two types of qualified retirement plans covering its executive officers: a defined benefit pension plan and a defined contribution savings plan.

As of December 31, 2018, the qualified defined benefit pension plan covered all of our named executive officers. In 2006, the Company changed this plan, which previously had been administered on a non-contributory basis, to require certain contributions by participants which had the effect of sharing the cost of providing qualified pension benefits with the named executive officers.

As of December 31, 2018, the defined contribution savings plan benefited all named executive officers. Named executive officers who make contributions to this plan receive matching contributions from the Company of up to 6% of a participant's eligible base salary at a rate of 66 %.

As discussed below, named executive officers are also provided with annual SERP Make-Whole Payments, which are included in the "All Other Compensation" column of the Summary Compensation Table.

SERP Make-Whole Payments

Our qualified defined benefit pension plan is subject to the Internal Revenue Code's limits on covered compensation and benefits payable. Prior to 2014, pension benefits were also provided through a "non-qualified" plan. The non-qualified plan, also known as the Supplemental Executive Retirement Plan ("SERP"), was designed to "restore" the benefit levels that IRS regulations limited in qualified plans. Under the SERP, each participant was entitled to receive the difference, if any, between the full amount of retirement income due under the pension plan formula without application of the IRS limitations and the amount of retirement income payable to the participant under the pension plan formula when applicable Internal Revenue Code limitations are applied. Our Board approved termination of the SERP in December 2012, and final lump sum payouts were made to participants in December 2013.

In January 2014, the Board approved annual make-whole payments (the "SERP Make-Whole Payments") to employees, including Loral's named executive officers, who would have earned SERP benefits had the SERP not been terminated. Specifically, with respect to periods after the final lump sum payouts to participants in December 2013, each employee who would have qualified for a SERP accrual for that period receives a cash payment equal to such employee's annual accrued benefit at age 65 that would have been calculated for that period under the SERP (had it not been terminated) multiplied by a present value factor reflecting the employee's life expectancy and current age and the discount rate used by the Company in its financial statements at the beginning of the year. The SERP Make Whole Payment is paid at the end of the year the benefit is earned, early the following year or upon termination of employment if earlier. Messrs. Katz, Capogrossi and Girgla received SERP Make-Whole Payments in January 2019 with respect to the 2018 fiscal year.

Potential Change in Control and other Post Employment Payments

None of our named executive officers has an employment or other agreement with the Company that provides for potential severance or other post-termination payments.

Loral Severance Policy for Corporate Officers

Severance payments for our named executive officers, as of December 31, 2018, were governed by the Loral Space & Communications Inc. Severance Policy for Corporate Officers (amended and restated as of August 4, 2011). This policy provides for potential severance benefits for the named executive officers following the termination of an

eligible officer's employment by the Company without cause, including termination without cause in connection with or in contemplation of a Corporate Event (defined to include, among other things, a change of control of Loral or the closing or cessation or reduction in the scope of operations, in whole or in part, of Loral's corporate headquarters), in each case, subject to the execution of a release of claims in favor of the Company.

Table of Contents

Pursuant to this policy, in the event of termination without cause, Messrs. Katz and Capogrossi will be entitled to cash severance payments aggregating to the sum of (x) twelve months' pay (defined as base salary plus average annual incentive bonus compensation paid over the last two years of employment) and (y) twelve months' base salary. If such termination is in connection with a Corporate Event, the entire payment will be made in a lump sum within twenty days of termination and will not be subject to mitigation for subsequent employment. To the extent that such termination is not in connection with a Corporate Event, payment will be made in installments as follows. The terminated officer will receive an initial lump sum payment within twenty days of termination, not subject to mitigation, equal to the greater of (A) six months' pay and (B) the sum of three months' pay plus two weeks' base salary for every year of service with the Company plus one twelfth of two weeks' base salary for every month of service with the Company in excess of his full years of service with the Company. If the officer is unemployed after six months (or if the officer is employed at a rate of pay that is less than his rate of pay immediately prior to termination), the remainder of his cash severance (the "Remainder") will be paid in biweekly installments over eighteen months beginning on the six-month anniversary of termination, the first thirteen payments, if any, aggregating to the lesser of six months' pay and such Remainder, and the next twenty-six payments, if any, aggregating to the lesser of one year's base salary and the excess of the Remainder over six months' pay. For terminations not in connection with a Corporate Event, the Remainder is subject to reduction by any amount of compensation then being received by the officer from other employment (including self-employment).

Pursuant to this policy, in the event of termination without cause in connection with or in contemplation of a Corporate Event, Mr. Girgla will be entitled to cash severance payments aggregating to the sum of six months' pay plus two weeks' pay for every year of service with the Company plus one twelfth of two weeks' pay for every month of service with the Company in excess of his full years of service with the Company, and the entire payment will be made in a lump sum within twenty days of termination and will not be subject to mitigation for subsequent employment. If such termination is not in connection with a Corporate Event, Mr. Girgla will be entitled to cash severance payments aggregating to the sum of six months' pay plus two weeks' base salary for every year of service with the Company plus one twelfth of two weeks' base salary for every month of service with the Company in excess of his full years of service with the Company, and payment will be made in installments as follows. Mr. Girgla will receive an initial lump sum payment within twenty days of termination, not subject to mitigation, equal to the sum of three months' pay plus two weeks' base salary for every year of service with the Company plus one twelfth of two weeks' base salary for every month of service with the Company in excess of the officer's full years of service with the Company. If he is unemployed after three months (or if he is employed at a rate of pay that is less than his rate of pay immediately prior to termination), the remainder of his cash severance will be paid in biweekly installments over twelve weeks beginning on the three-month anniversary of the termination, subject to reduction by any amount of compensation then being received by him from other employment (including self-employment).

Under this policy, a terminated officer will also be entitled to continued participation in the Company's medical, prescription, dental and vision insurance coverage. The Company offers medical coverage to retirees who are not yet eligible for Medicare, and a terminated officer may, if eligible, elect to participate in the Company's Retiree Medical Plan by electing to receive benefits from the Loral pension plan. Alternatively, the officer may elect COBRA continuation coverage, and, during the "severance period," the Company will pay the officer each month an amount equal to the excess, if any, of the full monthly COBRA premiums for such coverage under the Company's benefit plans under which such medical and dental coverage is provided, as in effect from time to time, over the amount of the portion of such premiums the officer would pay if the officer were an active employee (the "COBRA Reimbursement"). The term "severance period" during which Messrs. Katz and Capogrossi are entitled to the COBRA Reimbursement means the period ending on the earlier of the date that is 24 months following termination and the date such officer becomes eligible for coverage under the plans offered by a subsequent employer. The term "severance period" during which Mr. Girgla is entitled to the COBRA Reimbursement means the period ending on the earlier of the date that is either (x) 14 months following termination without cause not in connection with a Corporate Event or (y) 18 months following termination without cause in connection with a Corporate Event, and the date he becomes eligible for

coverage under the plans offered by a subsequent employer. During the “severance period,” the officer will also be entitled to continued company-provided executive life insurance benefits, to the extent the officer was receiving such benefits prior to his termination.

Other Potential Post-Termination Payments

Our named executive officers are eligible to receive a bonus under our MIB program if they are terminated without cause after six months of service during a bonus year, pro-rated for the period during which they served prior to their termination. In addition, they are entitled to receive any accrued but unpaid SERP Make-Whole Payments with respect to the period during which they served prior to their termination for any reason. The MIB payments and SERP Make-Whole Payments to which Messrs. Katz, Capogrossi and Girgla were entitled as of December 31, 2018 were paid to them in 2019 and are set forth above in the “Bonus” column and in the “All Other Compensation” column, respectively, of the Summary Compensation Table.

No executive officer is entitled to a tax gross-up payment in the event that he becomes subject to any parachute payment excise taxes under Section 4999 of the Internal Revenue Code.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

MHR Fund Management LLC

In connection with the transaction in which Loral acquired its interest in Telesat, on October 31, 2007, Loral and certain of its subsidiaries, Public Sector Pension Investment Board (“PSP”) and one of its subsidiaries, two third-party investors, Telesat and MHR entered into a Shareholders Agreement (the “Shareholders Agreement”). Under the Shareholders Agreement, subject to certain exceptions, in the event that either (i) ownership or control, directly or indirectly, by Dr. Rachesky of Loral’s voting stock falls below certain levels other than in connection with certain specified circumstances, including an acquisition by a Strategic Competitor (as defined in the Shareholders Agreement) or (ii) there is a change in the composition of a majority of the members of the Loral Board over a consecutive two-year period without the approval of the incumbent directors, Loral will lose its veto rights relating to certain extraordinary actions by Telesat. In addition, after either of these events, PSP will have certain rights to enable it to exit from its investment in Telesat, including a right to cause Telesat to conduct an initial public offering in which PSP’s shares would be the first shares offered or, if no such offering has occurred within one year due to a lack of cooperation from Loral or Telesat, to cause the sale of Telesat and to drag along the other shareholders in such sale, subject to Loral’s right to call PSP’s shares at fair market value.

The Shareholders Agreement provides for a board of directors of Telesat consisting of 10 directors, three nominated by Loral, three nominated by PSP and four independent directors to be selected by a nominating committee comprised of one PSP nominee, one nominee of Loral and one of the independent directors then in office. Each party to the Shareholders Agreement is obligated to vote all of its Telesat shares for the election of the directors nominated by the nominating committee. Pursuant to action by the board of directors taken on October 31, 2007, Dr. Rachesky, who is non-executive Chairman of the Board of Loral, was appointed non-executive Chairman of the Board of Directors of Telesat. In addition, Mr. Targoff, Loral’s Vice Chairman, serves on the board of directors of Telesat.

Dr. Rachesky, President of MHR, and Ms. Yeung, a principal and General Counsel of MHR, are directors of Loral and, in that capacity, received compensation from Loral. See “Director Compensation” above.

Consulting Agreement

On December 14, 2012, Loral entered into a consulting agreement with Michael B. Targoff, Vice Chairman of the Company and former Chief Executive Officer and President. Pursuant to this agreement, Mr. Targoff is engaged as a part-time consultant to the Board to assist the Board with respect to the oversight of strategic matters relating to Telesat and XTAR. Under the consulting agreement, Mr. Targoff receives consulting fees of \$120,000 per month before deduction of certain net expenses for which he reimburses the Company. For the year ended December 31, 2018, Mr. Targoff earned \$1,440,000 (before his expense reimbursement to Loral of \$45,000).

OTHER MATTERS

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act requires our executive officers, directors and persons who own more than 10% of our Voting Common Stock to file reports with the SEC. Based solely on a review of the copies of reports furnished to us and written representations that no other reports were required, Loral believes that, during 2018, all filing requirements were met on a timely basis.

Solicitation of Proxies

The Company pays all of the costs of soliciting proxies. We will ask banks, brokers and other nominees and fiduciaries to forward the proxy materials to the beneficial owners of our Voting Common Stock and to obtain the authority of executed proxies. We will reimburse them for their reasonable expenses. We did not retain a proxy solicitor in connection with the 2019 Annual Meeting.

Stockholder Proposals for 2020 Annual Meeting

Any stockholder who intends to present a proposal for inclusion in our proxy materials for our 2020 Annual Meeting of Stockholders pursuant to Rule 14a-8 under the Securities Exchange Act must deliver the proposal to the Corporate Secretary of the Company at our principal executive offices, located at Loral Space & Communications Inc., 600 Fifth Avenue, New York, New York 10020, not later than December 13, 2019. The notice and the proposal must satisfy the requirements specified in Rule 14a-8.

Any stockholder who intends to nominate a candidate for director election at the 2020 Annual Meeting of Stockholders or who intends to submit a proposal pursuant to our Bylaws without including such proposal in our proxy materials pursuant to Rule 14a-8 must deliver timely notice of the nomination or the proposal to the Corporate Secretary of the Company at our principal executive offices, located at Loral Space & Communications Inc., 600 Fifth Avenue, New York, New York 10020, in the form provided in, and by the date required by, our Bylaws. Code of Ethics

Loral has adopted a Code of Conduct for all of its employees, including all of its executive officers. This Code of Conduct is available on the Investor Relations — Corporate Governance section of our web site at www.loral.com. Any amendments or waivers to this Code of Conduct with respect to Loral's principal executive officer, principal financial officer, principal accounting officer or controller (or persons performing similar functions) will be posted on such web site. One may also obtain, without charge, a copy of this Code of Conduct by contacting our Investor Relations Department at (212) 697 1105.

Householding

Under SEC rules, a single set of proxy statements and annual reports may be sent to any household at which two or more stockholders reside if they appear to be members of the same family. Each stockholder continues to receive a separate proxy card. This procedure, referred to as "householding," reduces the volume of duplicate information stockholders receive and reduces mailing and printing expenses. At the present time, we do not "household" for any of our stockholders of record. If a stockholder holds shares in street name, however, such beneficial holder's bank, broker or other nominee may be delivering only one copy of our Proxy Statement and Annual Report on Form 10 K to multiple stockholders of the same household who share the same address, and may continue to do so, unless such stockholder's bank, broker or other nominee has received contrary instructions from one or more of the affected stockholders in the household. We will deliver promptly, upon written or oral request, a separate copy of this Proxy Statement and our Annual Report on Form 10 K to a stockholder at a shared address to which a single copy of the documents was delivered. A beneficial holder who wishes to receive a separate copy of our Proxy Statement and Annual Report on Form 10 K, now or in the future, should submit this request by writing to Loral Space & Communications Inc., 600 Fifth Avenue, New York, New York 10020, Attention: Investor Relations Department, or by calling our Investor Relations Department at (212) 697 1105. Beneficial holders sharing an address who are receiving multiple copies of proxy materials and annual reports and who wish to receive a single copy of such materials in the future should contact their bank, broker or other nominee directly to request that only a single copy of each document be mailed to all stockholders at the shared address in the future. Stockholders of record receiving multiple copies of our Proxy Statement and Annual Report on Form 10 K may request householding by contacting our Investor Relations Department either in writing or by telephone at the above address or phone number.
