PROPOSAL 1

ELECTION OF TRUSTEES

GENERAL

The fund's Board of Trustees consists of ten members. The Board is divided into three staggered term classes; two containing three Trustees each and one containing four Trustees. The term of one class expires each year, and no term continues for more than three years after the applicable election. Each class of Trustees will stand for election at the conclusion of their respective three-year terms. Classifying the Trustees in this manner may prevent replacement of a majority of the Trustees for up to a two-year period.

As of the date of this proxy, each nominee for election currently serves as a Trustee of the fund, except for Mr. Chapman who is an Independent Trustee on other funds within the John Hancock complex. Using the enclosed proxy card, you may authorize the proxies to vote your shares for the nominees or you may withhold from the proxies authority to vote your shares for one or more of the nominees. If no contrary instructions are given, the proxies will vote FOR the nominees. Each of the nominees has consented to his or her nomination and has agreed to serve if elected. If, for any reason, any nominee should not be available for election or able to serve as a Trustee, the proxies will exercise their voting power in favor of a substitute nominee, if any, as the fund's Trustees may designate. The fund has no reason to believe that it will be necessary to designate a substitute nominee.

PROPOSAL 1

Messrs. Carlin, Chapman, Cunningham and Shepherdson and are the current nominees for election.

VOTE REQUIRED FOR PROPOSAL 1

The vote of a plurality of the votes cast by the shares of the fund is sufficient to elect the nominees.

INFORMATION CONCERNING TRUSTEES

The following table sets forth certain information regarding the nominees for election to the Board. The table also shows his or her principal occupation or employment and other directorships during the past five years and the number of John Hancock funds overseen by the Trustees. Edgar Filing: HANCOCK JOHN BANK & THRIFT OPPORTUNITY FUND - Form DEF 14A

 (1) Business address for independent and non-independent Trustees and officers is 101 Huntington

The fund's Board of Trustees currently has four standing Committees: The Audit Committee, the Contracts/Operations Committee and the Investment Performance Committee. Each Committee is comprised of independent Trustees and officers who are not "interested persons."

The current membership of each Committee and the anticipated membership if the nominees are elected are as follows:

	AUDIT	ADMINISTRATION	CONTRACTS/OPERATIONS
2004 MEMBERS	Messrs. Ladner, Moore, Toolan* and Ms. Peterson	All Independent Trustees	Messrs. Pruchansky, and Smith
MEMBERS AS OF MARCH 2, 2005	Messrs. Chapman, Ladner, Moore and Ms. Peterson	All Independent Trustees	Messrs. Carlin, Dion Pruchansky and Smith

 * Mr. Toolan reached the age of mandatory retirement and retired on December 31, 2004.

All members of the fund's Audit Committee are Independent under the New York Stock Exchange's Revised Listing Rules, and each member is financially literate with at least one having accounting or financial management expertise. The Board has adopted a written charter for the Audit Committee, which is attached as Attachment 1. The Audit Committee recommends to the full Board the appointment of outside auditors for the fund, monitors and oversees the audits of the fund, communicates with both independent auditors and internal auditors on a regular basis and provides a forum for the auditors to report and discuss any matters they deem appropriate at any time. Each Audit Committee reports that it has (1) reviewed and discussed the fund's audited financial statements with management; (2) discussed with the independent auditors the matters relating to the quality of the fund's financial reporting as required by SAS 61; (3) received written disclosures and an independence letter from the independent auditors required by Independent Standards Board Standard No. 1, and discussed with the auditors their independence; and (4), based on these discussions, recommended to the Board that the fund's financial statements be included in the fund's annual report for the last fiscal year (see Attachment 2).

All of the Independent Trustees are members of the Administration Committee. The Administration Committee reviews the activities of the other three standing committees and makes the final selection and nomination of candidates to serve as Independent Trustees. All members of the Administration Committee are independent under the New York Stock Exchange's Revised Listing Rules and are Independent Trustees. The Board has adopted a written charter for the Administration Committee, which is attached as Attachment 3 to this proxy. The Administration Committee selects and nominates for elections candidates for Independent Trustees. The Trustees who are not Independent Trustees and the officers of the fund are nominated and selected by the Board.

In reviewing a potential nominee and in evaluating the renomination of current Independent Trustees, the Administration Committee expects to apply the following criteria: (i) the nominee's reputation for integrity, honesty and adherence to high ethical standards, (ii) the nominee's business acumen, experience and ability to exercise sound judgments, (iii) a commitment to understand the fund and the responsibilities of a trustee of an investment company, (iv) a commitment to regularly attend and participate in meetings of

Edgar Filing: HANCOCK JOHN BANK & THRIFT OPPORTUNITY FUND - Form DEF 14A

the Board and its committees, (v) the ability to understand potential conflicts of interest involving management of the fund and to act in the interests of all shareholders, and (vi) the absence of a real or apparent conflict of interest that would impair the nominee's ability to represent the interests of all the shareholders and to fulfill the responsibilities of an Independent Trustee. The Administration Committee does not necessarily place the same emphasis on each criteria and each nominee may not have each of these qualities. The Administration Committee does not discriminate on the basis of race, religion, national origin, sex, sexual orientation, disability or any other basis proscribed by law.

As long as an existing Independent Trustee continues, in the opinion of the Administration Committee, to satisfy these criteria, the fund anticipates that the Committee would favor the renomination of an existing Trustee rather than a new candidate. Consequently, while the Administration Committee will consider nominees recommended by shareholders to serve as trustees, the Administration Committee may only act upon such recommendations if there is a vacancy on the Board or the Administration Committee determines that the selection of a new or additional Independent Trustee is in the best interests of the funds. In the event that a vacancy arises or a change in Board membership is determined to be advisable, the Administration Committee will, in addition to any shareholder recommendations, consider candidates identified by other means, including candidates proposed by members of the Administration Committee. While it has not done so in the past, the Administration Committee may retain a consultant to assist the Committee in a search for a qualified candidate.

Any shareholder recommendation must be submitted in compliance with all of the pertinent provisions of Rule 14a-8 under the Securities Exchange Act of 1934, as amended, to be considered by the Administration Committee. In evaluating a nominee recommended by a shareholder, the Administration Committee, in addition to the criteria discussed above, may consider the objectives of the shareholder in submitting that nomination and whether such objectives are consistent with the interests of all shareholders. If the Board determines to include a shareholder's candidate among the slate of nominees, the candidate's name will be placed on the fund's proxy card. If the Administration Committee or the Board determines not to include such candidate among the Board's designated nominees and the shareholder has satisfied the requirements of Rule 14a-8, the shareholder's candidate will be treated as a nominee of the shareholder who originally nominated the candidate. In that case, the candidate will not be named on the proxy card distributed with the fund's proxy statement. Each of the nominees for election as Trustee was recommended by the Administration Committee, except for Mr. Shepherdson, who was recommended by the Board.

Shareholders may communicate with the members of the Board as a group or individually. Any such communication should be sent to the Board or an individual Trustee in care of the secretary of the fund at the address on the notice of this meeting. The Secretary may determine not to forward any letter to the members of the Board that does not relate to the business of the fund. Mr. Shepherdson typically attends shareholder meetings and other members of the Board may, but generally do not, attend.

The Contracts/Operations Committee oversees the initiation, operation and renewal of the various contracts between the fund and other entities. These contracts include advisory, custodial and transfer agency agreements and arrangements with other service providers.

The Investment Performance Committee monitors and analyzes the performance of the funds generally, consults with the Adviser as necessary if a fund is considered to require special attention, and reviews fund peer groups and other comparative standards as necessary.

Each board of trustees and each committee held four meetings during the

Edgar Filing: HANCOCK JOHN BANK & THRIFT OPPORTUNITY FUND - Form DEF 14A

fund's fiscal year. With respect to the fund, no Trustee attended fewer than 75% of the aggregate of (1) the total number of meetings of the Trustees of the fund; and (2) the total number of meetings held by all committees of the Trustees on which they served. The funds hold joint meetings of the Trustees and all committees.

TRUSTEE OWNERSHIP

The following table provides a dollar range indicating each Trustee's ownership of equity securities of the fund as well as aggregate holdings of equity securities of all John Hancock funds overseen by the Trustee, as of December 31, 2004.

(1) The amounts reflect the aggregate dollar range of equity securities beneficially owned by the fund and in all John Hancock funds overseen by each Trustee. For each Trustee, the amounts represent share equivalents of certain John Hancock funds in which the Trustee is deemed to be invested under the Deferred Compensation Plan for Independent Trustees, as more fully described under "Remuneration and Trustees". The information as to beneficial ownership is based on statements furnished to the Trustees. Each of the Trustees has all voting and investment powers with respect to the shares of the fund beneficially owned individually, and the Trustees and executive officers of the fund did not beneficially own, in excess of one percent of the outstanding shares of any fund.

Mr. Chapman was not a trustee of this Fund in 2004.

COMPLIANCE WITH SECTION 16(a) REPORTING REQUIREMENTS

Section 16(a) of the Securities Exchange Act of 1934 requires the fund's executive officers, Trustees and persons who own more than 10% of the fund's shares ("10% Shareholders") to file reports of ownership and changes in ownership with the Securities and Exchange Commission ("SEC"). Executive officers, Trustees and 10% Shareholders are also required by SEC regulations to furnish the fund with copies of all Section 16(a) forms they file. Based solely on a review of the copies of these reports furnished to the fund and representations that no other reports were required to be filed, the fund believes that during the past fiscal year its executive officers, Trustees and 10% Shareholders complied with all applicable Section 16(a) filing requirements.

(1) The total compensation paid by the John Hancock fund complex to the Independent Trustees for the calendar year ended December 31, 2004. All the Independent Trustees were Trustees of 28 funds in the John Hancock fund complex, except for Ms. McGill Peterson and Mr. Moore, who were Trustees of 31 funds, Mr. Chapman who was trustee of 21 funds and Mr. Ladner who was trustee of 49 funds.

* As of December 31, 2004, the value of the aggregate accrued deferred compensation amount from all funds in the John Hancock fund complex for Mr. Chapman was \$69,035, for Mr. Cunningham was \$627,144, for Mr. Dion was \$242,968, for Mr. Moore was \$273,394, for Mr. Pruchansky was \$194,392, for Mr. Smith was \$331,243 and for Mr. Toolan was \$686,931 under the John Hancock Deferred Compensation Plan for Independent Trustees (the "Plan"). Under the Plan, an Independent Trustee may elect to have his or her deferred fees invested by a fund in shares of one or more funds in the John Hancock fund complex and the amount paid to the Trustees under the Plan will be determined based upon the performance of such investments. Deferral of Trustees' fees does not obligate the fund to retain the services of any Trustee or obligate the fund to pay any particular level of compensation to the Trustee.

Mr. Chapman was not a trustee of this Fund in 2004.

+ Mr. Toolan reached the age for mandatory retirement and retired from the fund on December 31, 2004.

MATERIAL RELATIONSHIPS OF THE INDEPENDENT TRUSTEES

As of December 31, 2004, none of the Independent Trustees, nor any immediate family member, owns shares of John Hancock Advisers, LLC (the "investment adviser") or is a principal underwriter of the fund, nor does any such person own shares of a company controlling, controlled by or under common control with, the investment adviser or a principal underwriter of the fund.

There have been no transactions by the fund since the beginning of the fund's last two fiscal years, nor are there any transactions currently

proposed, in which the amount exceeds \$60,000, and in which any trustee of the fund or any immediate family members has or will have a direct or indirect material interest, nor have any of the foregoing persons been indebted to the fund in an amount in excess of \$60,000 at any time since that date.

No Independent Trustee, nor any immediate family member has had, in the past five years, any direct or indirect interest, the value of which exceeds \$60,000, in the investment adviser, a principal underwriter of the fund or in a person (other than a registered investment company) directly or indirectly controlling, controlled by or under common control with, the investment adviser or principal underwriter of the fund. Moreover, no Independent Trustee or immediate family member has, or has had in the last two fiscal years of the fund, any direct or indirect relationships or material interest in any transaction or in any currently proposed transaction, in which the amount involved exceeds \$60,000, in which the following persons were or are a party: the fund, an officer of the fund, any investment company sharing the same investment adviser or principal underwriter as the fund or any officer of such a company, any investment adviser or principal underwriter of the fund or any officer of such a party, any person directly or indirectly controlling, controlled by or under common control with the investment adviser or principal underwriter of the fund, or any officer of such a person.

Within the last two completed fiscal years of the fund, no officer of any investment adviser or principal underwriter of the fund or of any person directly or indirectly controlling, controlled by or under common control with, the investment adviser or principal underwriter of the fund, has served as a director on a board of a company where any of the Independent Trustees or nominees of the fund, or immediate family members of such persons, has served as an officer.

LEGAL PROCEEDINGS

There are no material pending legal proceedings to which any trustee or affiliated person is a party adverse to the fund or any of its affiliated persons or has a material interest adverse to the fund or any of its affiliated persons. In addition, there have been no legal proceedings that are material to an evaluation of the ability or integrity of any trustee or executive officer of the fund within the past five years.

PROPOSAL 2

RATIFICATION OF SELECTION OF THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Trustees, including a majority of the Independent Trustees, have selected Deloitte & Touche LLP ("Deloitte & Touche") to act as independent registered public accounting firm for the fund's fiscal year ending October 31, 2005.

The table also discloses the aggregate fees paid during the 2003 and 2004 fiscal years to the funds, independent accountants by John Hancock Advisers, LLC and any entity controlling, controlled by or under common control with John Hancock Advisers, LLC to the extent that the engagement relates directly to the operations and financial reporting of registered investment companies (the "Adviser and Adviser Affiliates").

The fund's Audit Committee has adopted procedures to pre-approve audit and non-audit services for the funds and the Adviser and Adviser Affiliates. These procedures identify certain types of audit and non-audit services that are anticipated to be provided by Deloitte & Touche during a calendar year and, provided the services are within the scope and value standards set forth in the procedures, pre-approve those engagements. The scope and value criteria are reviewed annually. These procedures require both audit and non-audit sources to be approved by the Audit Committee prior to Deloitte & Touche being engaged. In recommending Deloitte & Touche as the fund's independent accountants, the Audit Committee has considered the compensation provided to Deloitte & Touche for audit and non-audit services to the Adviser and Adviser Affiliates and has determined that such compensation is not incompatible with maintaining Deloitte & Touche's independence. The aggregate amount of non-audit fees paid by the fund, the Adviser and an Advisor Affiliate that provide services to the fund, which includes amounts described above, were \$168,000 and \$2,250 for the fiscal years ending October 31, 2003 and 2004.

Deloitte & Touche has advised the fund that it has no direct or indirect financial interest in the fund. This selection is subject to the approval by the shareholders of the fund at the meeting. The enclosed proxy card provides space for instructions directing the proxies named on the proxy card to vote for, against, or abstain from, ratifying that selection. A representative of Deloitte & Touche is expected to be present at the meeting, will have the opportunity to make a statement if the representative desires to do so and will be available to respond to appropriate questions relating to the examination of the fund's financial statements.

The board of trustees, including all the Independent Trustees, unanimously recommends that shareholders ratify the selection of Deloitte & Touche as independent public accountants of the fund for the fiscal year ending October 31, 2005.

VOTE REQUIRED TO RATIFY THE SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The approval of a "majority" of the shares of the fund is required to ratify the selection of Deloitte & Touche as such fund's independent registered public accounting firm.

The costs of the meeting, including the solicitation of proxies, will be
paid by the fund. Persons holding shares as nominees will be reimbursed by the
fund, upon request, for their reasonable expenses in sending soliciting
material to the principals of the accounts. In addition to the solicitation of
proxies by mail, Trustees, officers and employees of the fund or of the fund's
adviser may solicit proxies in person or by telephone. John Hancock Advisers,
LLC, 101 Huntington Avenue, Boston, Massachusetts 02199-7603, serves as the
fund's investment adviser and administrator. Mellon Investor Services LLC has
been retained to assist in the solicitation of proxies at a cost of
approximately \$3,000, plus reasonable expenses.

TELEPHONE VOTING

In addition to soliciting proxies by mail, by fax or in person, the fund
may also arrange to have votes recorded by telephone by officers and employees

Edgar Filing: HANCOCK JOHN BANK & THRIFT OPPORTUNITY FUND - Form DEF 14A

of the fund or by the personnel of the adviser or the transfer agent or solicitor. The telephone voting procedure is designed to verify a shareholder's identity, to allow a shareholder to authorize the voting of shares in accordance with the shareholder's instructions and to confirm that the voting instructions have been properly recorded.

- o A shareholder will be called on a recorded line at the telephone number in the fund's account records and will be asked to provide the shareholder's social security number or other identifying information.
- o The shareholder will then be given an opportunity to authorize proxies to vote his or her shares at the meeting in accordance with the shareholder's instructions.

Alternatively, a shareholder may call the Funds' Voice Response Unit to vote;

- o Read the proxy statement and have your proxy card at hand.
- o Call the toll-free-number located on your proxy card.
- o Follow recorded instructions.

With both methods of telephone voting, to ensure that the shareholder's instructions have been recorded correctly, the shareholder will also receive a confirmation of the voting instructions.

If the shareholder decides after voting by telephone to attend the Meeting, the shareholder can revoke the proxy at that time and vote the shares at the Meeting.

INTERNET VOTING

You will also have the opportunity to submit your voting instructions via the Internet by utilizing a program provided through a vendor. Voting via the Internet will not affect your right to vote in person if you decide to attend the meeting. Do not mail the proxy card if you are voting via the Internet. To vote via the Internet, you will need the information on your proxy card. These Internet voting procedures are designed to authenticate shareholder identities, to allow shareholders to give their voting instructions and to confirm that shareholders' instructions have been recorded properly. If you are voting via the Internet you should understand that there may be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies, that must be borne to you.

- o Read the proxy statement and have your card on hand.
- o Go to the website listed on the card.
- o Follow the directions on the website. Please call 1-800-852-0218 if you have any problems.
- o To insure that your instructions have been recorded correctly, you will receive a confirmation of your voting instructions immediately after your submission.

OTHER MATTERS

The management of the fund knows of no business to be brought before the meeting except as mentioned above. If, however, any other matters were properly to come before the meeting, the persons named on the enclosed proxy card intend to vote on those matters in accordance with their best judgment. If any shareholders desire additional information about the matters proposed for action, the management will provide further information.

SHAREHOLDER PROPOSALS

Shareholder proposals intended to be presented at a fund's annual meeting in 2006 must be received by the fund at its offices at 101 Huntington Avenue, Boston, Massachusetts, after September 21, 2005, but no later than October 20, 2005, for inclusion in that fund's proxy statement and form of proxy relating to that meeting (subject to certain exceptions).

JOHN HANCOCK FUNDS
AUDIT COMMITTEE CHARTER

A. Membership. The Audit Committee shall be composed exclusively of Trustees who are:

- o not "interested persons" ("Independent Trustees") as defined in the Investment Company Act of 1940, as amended, of John Hancock Advisers, LLC (the "Adviser");
- o independent as defined by the New York Stock Exchange rules and Rule 10A-3(b)(1) of the Exchange Act (except as otherwise permitted by the applicable rules of the NYSE);
- o financially literate, as such qualification is interpreted by the Board of Trustees in its business judgment, or must become financially literate within a reasonable period of time after his or her appointment to the Audit Committee; and
- o free of any relationship that, in the opinion of the Administration Committee, may interfere or give the appearance of interfering with such member's individual exercise of independent judgment.

The Audit Committee shall be composed of at least three Independent Trustees who are designated for membership from time to time by the Administration Committee, subject to ratification by the Board of Trustees. At least one member of the Audit Committee must have accounting or related financial management expertise, as the Board of Trustees interprets such qualification in its business judgment.

B. Purpose. The Audit Committee's purpose is to:

1. assist the Board of Trustee's oversight of (1) the integrity of the funds' financial statements, (2) the funds' compliance with legal and regulatory requirements (except to the extent such responsibility is delegated to another committee), (3) the independent auditor's qualifications and independence, and (4) the performance of the funds' independent auditors and internal;
2. act as a liaison between the funds' independent auditors and the full Board;
3. to approve prior to appointment the funds' independent auditors and to review and evaluate the qualifications, independence and performance of the funds' independent auditors; and

4. prepare the Audit Committee Report to be included in the funds' annual proxy statement or other filings, as required by the Securities and Exchange Commission (SEC).

The Audit Committee shall discharge its responsibilities, and shall access the information provided by the funds' management and independent auditors, in accordance with its business judgment.

C. Oversight. Oversight is the primary role of the Audit Committee. The Adviser is responsible for maintaining appropriate systems for accounting and internal controls and preparing the funds' financial statements. The independent auditors are responsible for auditing the funds' financial statements. The Audit Committee and the Board of Trustees recognize that the funds' officers, the Adviser and the independent auditors have more experience, expertise, resources and time, and more detailed knowledge and information regarding the funds' accounting, auditing, internal control and financial reporting practices than the Audit Committee does. Accordingly, the Audit Committee's oversight role is not intended to provide any expert or special assurance as to the financial statements and other financial information provided by a fund to its shareholders and others. The authority and responsibilities set forth in this Charter do not reflect or create any duty or obligation of the Audit Committee to plan or conduct any audit, to determine or certify that any fund's financial statements are complete, accurate, fairly presented, or in accordance with generally accepted accounting principles or applicable law, or to guarantee any independent auditor's report.

The independent auditors shall report directly to the Audit Committee, and the Audit Committee shall be directly responsible for oversight of the work of the independent auditors, including resolution of disagreements between any fund's officers, the Adviser and the independent auditors regarding financial reporting.

D. Specific Responsibilities. The Audit Committee shall have the following duties and powers, to be exercised at such times and in such manner as the Committee shall deem necessary or appropriate:

1. To act as a liaison between the funds' independent auditors and the Board of Trustees and to report regularly to the Board of Trustees the Audit Committee's conclusions with respect to the independent auditors and the funds' financial statements and accounting controls.
2. To approve, and recommend to the Board of Trustees for its ratification, the selection, appointment, retention and compensation of an independent auditor for each fund prior to the engagement of that independent auditor.
3. To meet with independent auditors, including private meetings, and, as necessary, the Adviser's internal auditors and the funds' officers to review:
 - o the arrangements for and scope of the annual audit and any special audits;
 - o the funds' financial statements and reports and to discuss any matters of concern relating to the funds' financial statements, including the independent auditor's comments on such financial statements;
 - o the funds' policies with respect to risk assessment and risk management;

- o the resolution of any disagreements between the independent auditors and the Adviser regarding the funds' financial reporting; and
- o the form of opinion the independent auditors propose to render to the Board of Trustees and shareholders.

4. To monitor the independent auditors to attempt to identify:

- o conflicts of interest between the funds and the independent auditors as a result of employment relationships;
- o the provision of prohibited non-audit services to a fund by its independent auditor; violations of audit partner rotation requirements; and
- o prohibited independent auditor compensation arrangements whereby individuals employed by the auditor are compensated based on selling non-audit services to the fund.

The independent auditors should promptly contact the Audit Committee or its Chair about any significant issue or disagreement concerning a fund's accounting practices or financial statements that is not resolved to their satisfaction or if Section 10A(b) of the Exchange Act has been implicated.

5. To ensure that the independent auditors inform the Audit Committee on a periodic basis of all relationships between the independent auditors and the Adviser; to engage in a dialogue with the independent auditors with respect to any disclosed relationships or services that may impact the objectivity and independence of the independent auditors; and to recommend that the Board of Trustees take appropriate action in response to the independent auditors' report.

6. To pre-approve all audit and non-audit services provided to each fund by its independent auditors, directly or by establishing pre-approval policies and procedures pursuant to which such services may be rendered. To pre-approve all non-audit services provided by the funds' independent auditors to the Adviser and any entity controlling, controlled by, or under common control with the Adviser that provides ongoing services to a fund, if the engagement relates directly to the operations and financial reporting of the fund. The Audit Committee is authorized to delegate, to the extent permitted by law, pre-approval responsibilities to one or more members of the Audit Committee who shall report to the Audit Committee regarding approved services at the Audit Committee's next regularly scheduled meeting.

7. With respect to any fund listed on the New York Stock Exchange, to consider whether the Audit Committee will recommend to the Board of Trustees that the audited financial statements be included in the fund's annual report. The Board of Trustees delegates to the Audit Committee the authority to release the funds' financial statements for publication in the annual and semi-annual report, subject to the Board of Trustees' right to review and ratify such financial statements following publication. The Audit Committee shall prepare an annual committee report for inclusion where necessary in the proxy statement of a fund relating to its annual meeting of security holders or in any other filing required by the SEC's rules.

8. To obtain and review, at least annually, a report by the independent auditor describing: its own internal quality-control procedures; any material issues raised by the most recent internal quality-control

review, or peer review, of the firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, regarding any independent audit by the firm, and any steps taken to deal with any such issues; and, to assess the auditor's independence, all relationships between the independent auditor and each fund, including the disclosures required by any applicable Independence Standards Board Standard No. 1.

9. To review with the independent auditor any problems that may be reported to the Audit Committee arising out of a fund's accounting, auditing or financial reporting functions and management's response, and to receive and consider reports on critical accounting policies and practices and alternative treatments discussed with management.
10. To investigate improprieties or suspected improprieties in the operations of a fund and to establish procedures for the confidential, anonymous submission by employees of the Adviser or any other provider of accounting related services of complaints regarding accounting, internal accounting controls, or auditing matters. The procedures currently in effect are attached as Exhibit A.
11. To review with the funds' principal executive officer and/or principal financial officer in connection with required certifications on Form N-CSR any significant deficiencies in the design or operation of internal control over financial reporting or material weaknesses therein and any reported evidence or fraud involving management or other employees who have a significant role in the fund's internal control over financial reporting.

E. Subcommittees. The Audit Committee may, to the extent permitted by applicable law, form and delegate authority to one or more subcommittees (including a subcommittee consisting of a single member), as it deems appropriate from time to time under the circumstances. Any decision of a subcommittee to preapprove audit or non-audit services shall be presented to the full Audit Committee at its next meeting.

F. Additional Responsibilities. The Committee shall serve as the "qualified legal compliance committee" (as such term is defined in 17 CFR Part 205) ("QLCC"), the duties of which are listed on Exhibit B to this charter; and shall also perform other tasks assigned to it from time to time by the Administration Committee or the full Board, and will report findings and recommendations to the Administration Committee or the full Board, as appropriate.

G. Funding. Each fund shall provide for appropriate funding, as determined by the Audit Committee, in its capacity as a committee of the Board of Trustees, for payment of:

- o Compensation to any registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the fund.
- o Compensation to any advisers employed by the Audit Committee under its authority to engage independent counsel and other advisers.
- o Ordinary administrative expenses of the Audit Committee that are necessary or appropriate in carrying out its duties.

H. Governance. One member of the Committee shall be appointed as chair. The chair shall be responsible for leadership of the Committee, including scheduling meetings or reviewing and approving the schedule for them, preparing agendas or reviewing and approving them before meetings, presiding

over meetings, and making reports to the Administration Committee or the full Board, as appropriate.

The designation of a person as an "audit committee financial expert" within the meaning of the rules under Section 407 of the Sarbanes-Oxley Act of 2002, shall not impose any greater responsibility or liability on that person than the responsibility and liability imposed on such person as a member of the Committee, nor shall it decrease the duties and obligations of other Committee members or the Board.

The compensation of Audit Committee members shall be as determined by the Board of Trustees. No member of the Audit Committee may receive, directly or indirectly, any consulting, advisory or other compensatory fee from a fund, other than fees paid in his or her capacity as a member of the Board of Trustees or as a member of a committee of the Board.

I. Evaluation. At least annually, the Audit Committee shall evaluate its own performance, including whether the Audit Committee is meeting frequently enough to discharge its responsibilities appropriately. The Committee shall review this charter at least annually and shall recommend such changes to the Administration Committee or the full Board as it deems appropriate.

EXHIBIT A

POLICY FOR RAISING AND INVESTIGATING COMPLAINTS OR CONCERNS ABOUT ACCOUNTING OR AUDITING MATTERS

As contemplated by the Audit Committee Charter, the Committee has established the following procedures for:

- o the receipt, retention and treatment of complaints received by a fund regarding accounting, internal accounting controls or auditing matters; and
- o the confidential, anonymous submission by employees of the John Hancock Advisers, LLC or its affiliates of concerns regarding questionable accounting or auditing matters.

A. Policy Objectives

The objective of this policy is to provide a mechanism by which complaints and concerns regarding accounting, internal accounting controls or auditing matters may be raised and addressed without the fear or threat of retaliation. The funds desire and expects that the employees and officers of John Hancock Advisers, LLC or any other service provider to the funds will report any complaints or concerns they may have regarding accounting, internal accounting controls or auditing matters.

B. Procedures for Raising Complaints and Concerns

Persons with complaints regarding accounting, internal accounting controls or auditing matters or concerns regarding questionable accounting or auditing matters may submit such complaints or concerns to the attention of the funds' Secretary by sending a letter or other writing to the funds' principal executive offices. Complaints and concerns may be made anonymously to any of the above individuals. In addition any complaints or concerns may also be communicated anonymously, directly to any member of the Audit Committee.

C. Procedures for Investigating and Resolving Complaints and Concerns

All complaints and concerns received will be promptly forwarded to the Audit Committee of the Board of Trustees or the chair of the Audit Committee,

unless they are determined to be without merit by Secretary of the funds. If sent only to the chair, the chair may determine the appropriate response or may refer the issues to the entire Audit Committee. In any event, the funds' Secretary will provide a record of all complaints and concerns received (whether or not determined to have merit) to the Audit Committee each fiscal quarter.

The Audit Committee will evaluate any complaints or concerns received (including those reported to the committee on a quarterly basis and which the funds' Secretary has previously determined to be without merit). If the Audit Committee requires additional information to evaluate any complaint or concern, it may conduct an investigation, including interviews of persons believed to have relevant information. The Audit Committee may, in its discretion, assume responsibility for directing or conducting any investigation or may delegate such responsibility to another person or entity.

After its evaluation of the complaint or concern, the Audit Committee will authorize such follow-up actions, if any, as deemed necessary and appropriate to address the substance of the complaint or concern. The funds reserve the right to take whatever action the Audit Committee believes appropriate, up to and including discharge of any employee deemed to have engaged in improper conduct.

Regardless of whether a complaint or concern is submitted anonymously, the Audit Committee will strive to keep all complaints and concerns and the identity of those who submit them and participate in any investigation as confidential as possible, limiting disclosure to those with a business need to know.

John Hancock Advisers, LLC and its affiliates shall not penalize or retaliate against any person or entity for reporting a complaint or concern, unless it is determined that the complaint or concern was made with knowledge that it was false. The funds will not tolerate retaliation against any person or entity for submitting, or for cooperating in the investigation of, a complaint or concern. Moreover, any such retaliation is unlawful and may result in criminal action. Any retaliation will warrant disciplinary action against the offending party, up to and including termination of employment.

John Hancock Advisers, LLC and its subadvisers shall include this policy in its employee manual and shall distribute, at least annually, the policy to all of its employees.

The funds shall retain records of all complaints and concerns received, and the disposition thereof, for five years.

EXHIBIT B

QUALIFIED LEGAL COMPLIANCE COMMITTEE ("QLCC") DUTIES AND RESPONSIBILITIES

The QLCC shall adopt written procedures for the confidential receipt, retention, and consideration of any report of evidence of a material violation.

The QLCC has the authority and responsibility, once a report of evidence of a material violation by a fund, its officers, directors, employees or agents has been received by the QLCC:

- (i) to inform the CLO and CEO of such report (except in the case where the reporting attorney reasonably believes that it would be futile to report evidence of a material violation to the CLO and CEO, and

has informed the QLCC of such belief); and

(ii) to determine whether an investigation is necessary or appropriate, and, if it determines an investigation is necessary or appropriate, to:

- (A) notify the full board of directors;
- (B) initiate an investigation, which may be conducted either by the CLO or by outside attorneys; and
- (C) retain such additional expert personnel as the QLCC deems necessary;

and, at the conclusion of such investigation, to:

- (A) recommend, by majority vote, that the fund implement an appropriate response to evidence of a material violation; and
- (B) inform the CLO and the CEO and the Board of Trustees of the results of any such investigation and the appropriate remedial measures.

(iii) by majority vote, to take all other appropriate action, including notifying the U.S. Securities and Exchange Commission in the event that the fund fails in any material respect to implement an appropriate response that the QLCC has recommended.

AUDIT COMMITTEE REPORT

The information contained in this report shall not be deemed to be "soliciting material" or "filed" or incorporated by reference in future filings with the SEC, or subject to the liabilities of Section 18 of the Securities Exchange Act of 1934, except to the extent that we specifically incorporate it by reference into a document filed under the Securities Act of 1933 or the Securities Exchange Act of 1934.

The Audit Committee has reviewed and discussed with the Fund's management and Deloitte & Touche LLP the audited financial statements of the Funds contained in the Annual Reports on Form N-CSR for the 2004 fiscal year. The Audit Committee has also discussed with Deloitte & Touche LLP the matters required to be discussed pursuant to SAS No. 61 (Codification of Statements on Auditing Standards, AU Section 380), which includes, amount other items, matters related to the conduct of the audit of the Fund's financial statements.

The Audit Committee has received and reviewed the written disclosures and the letter from Deloitte & Touche LLP required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and has discussed with Deloitte & Touche LLP its independence from the Funds.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Trustees that the audited financial statements be included in each Fund's Annual Report on Form N-CSR for filing with the Securities and Exchange Commission.

JOHN HANCOCK FUNDS
ADMINISTRATION COMMITTEE CHARTER

A. Composition. The Administration Committee shall be composed of all Trustees who are both "independent" as defined in the rules of the New York Stock Exchange and are not "interested persons" as defined in the Investment Company Act of 1940 of John Hancock Adviser LLC or of the Trust (the "Independent Trustees").

B. Overview. The overall charter of the Administration Committee is: (i) to review and comment on complex-wide matters to facilitate uniformity among the funds; (ii) to select and nominate Independent Trustees to be added to the Board; (iii) to oversee liaison between management and the Independent Trustees; (iv) to review the performance of the Independent Trustees as appropriate; (v) to review matters relating to the Independent Trustees, such as compensation, retirement arrangements, Committee assignments and the like; (vi) to consider matters of general corporate governance applicable to the Independent Trustees, and (vii) when appropriate, to oversee the assignment of tasks to other Committees.

C. Nomination of Independent Trustees

1. Selection of Trustee Nominees. Except where the funds are legally required to provide third parties with the ability to nominate trustees, the Administration Committee shall be responsible for (i) identifying individuals qualified to become Independent Trustees and (ii) recommending to the Board of Trustees the persons to be nominated for election as Independent Trustees at any meeting of stockholders and the persons to be elected by the Board to fill any vacancies on the Board by the death, resignation or removal of an Independent Trustee. Persons to serve as Trustees who are not Independent Trustees shall be nominated by the Board.

2. Criteria for Selecting Trustees. The Administration Committee shall use the criteria and the principles set forth on Annex A, as revised from time to time, to guide its trustee selection process. The Committee shall adopt, and periodically review and revise as it deems appropriate, procedures regarding trustee candidates recommended by shareholders. The current policy is attached as Annex A.

D. Other Specific Responsibilities. The Administration Committee shall have the following duties and powers, to be exercised at such times and in such manner as the Committee shall deem necessary or appropriate:

1. To consider the allocation of activities among the various Committees and the full Board, to suggest to the Committees the degree of detail in their reports to the full Board, and to establish membership and rotation policies for Committees.

3. To propose the amount of compensation to be paid by the funds to

Edgar Filing: HANCOCK JOHN BANK & THRIFT OPPORTUNITY FUND - Form DEF 14A

the Independent Trustees and to address compensation-related matters, such as expense reimbursement policies.

4. To evaluate, from time to time, the time, energy, expertise, knowledge, judgment and personal skills which Independent Trustees brings to the Board and to consider retirement policies for the Independent Trustees.

5. To participate in the development of agendas for Board and Committee meetings.

6. To consider, evaluate and make recommendations regarding the type and amount of fidelity bond, and director and officer and/or errors and omission insurance coverage, for the funds, the Board and the Independent Trustees, as applicable.

7. To consider, evaluate and make recommendations and necessary findings regarding independent legal counsel and any other advisers, experts or consultants, that may be engaged from time to time, other than as may be engaged directly by another Committee.

8. To evaluate feedback from shareholders as appropriate. Annex A includes procedures for shareholders to communicate with the members of the Administration Committee.

E. Additional Responsibilities. The Committee will also perform other tasks assigned to it from time to time by full Board, and will report findings and recommendations to the full Board, as appropriate.

F. Governance. One member of the Committee shall be appointed as chair. The chair shall be responsible for leadership of the Committee, including scheduling meetings or reviewing and approving the schedule for them, preparing agendas or reviewing and approving them before meetings, presiding over meetings, and making reports to the full Board, as appropriate.

G. Miscellaneous. The Committee shall meet as often as it deems appropriate, with or without management, as circumstances require. The Committee shall have the resources and authority appropriate to discharge its responsibilities, including the authority to retain special counsel and other advisers, experts or consultants, at the funds' expense, as it determines necessary to carry out its duties. The Committee shall have direct access to such officers of and service providers to the funds as it deems desirable.

H. Review. The Committee shall review this Charter periodically and recommend such changes to the full Board as it deems desirable.

ANNEX A

GENERAL CRITERIA

1. Nominees should have a reputation for integrity, honesty and adherence to high ethical standards.
2. Nominees should have demonstrated business acumen, experience and ability to exercise sound judgments in matters that relate to the current and long-term objectives of the Fund(s) and should be willing and able to contribute positively to the decision-making process of the Fund(s).
3. Nominees should have a commitment to understand the Fund(s), and the responsibilities of a Trustee/Director of an investment company and to

Edgar Filing: HANCOCK JOHN BANK & THRIFT OPPORTUNITY FUND - Form DEF 14A

regularly attend and participate in meetings of the Board and its committees.

4. Nominees should have the ability to understand the sometimes conflicting interests of the various constituencies of the Fund, including shareholders and the management company, and to act in the interests of all shareholders.
5. Nominees should not have, nor appear to have, a conflict of interest that would impair the nominee's ability to represent the interests of all the shareholders and to fulfill the responsibilities of a director/trustee.
6. Nominees shall not be discriminated against on the basis of race, religion, national origin, sex, sexual orientation, disability or any other basis proscribed by law. The value of diversity on the Board should be considered.

APPLICATION OF CRITERIA TO EXISTING

The renomination of existing Trustees should not be viewed as automatic, but should be based on continuing qualification under the criteria set forth above. In addition, the Administrative Committee shall consider the existing trustees' performance on the Board and any committee.

REVIEW OF SHAREHOLDER NOMINATIONS

Any shareholder recommendation must be submitted in compliance with all of the pertinent provisions of Rule 14a-8 under the Securities Exchange Act of 1934 to be considered by the Administration Committee. In evaluating a nominee recommended by a shareholder, the Administration Committee, in addition to the criteria discussed above, may consider the objectives of the shareholder in submitting that nomination and whether such objectives are consistent with the interests of all shareholders. If the Board determines to include a shareholder's candidate among the slate of nominees, the candidate's name will be placed on the Fund's proxy card. If the Administration Committee or the Board determines not to include such candidate among the Board's designated nominees and the shareholder has satisfied the requirements of Rule 14a-8, the shareholder's candidate will be treated as a nominee of the shareholder who originally nominated the candidate. In that case, the candidate will not be named on the proxy card distributed with the Fund's proxy statement.

As long as an existing Independent Trustee continues, in the opinion of the Administration Committee, to satisfy the criteria listed above, the Committee generally would favor the re-nomination of an existing Trustee rather than a new candidate. Consequently, while the Administration Committee will consider nominees recommended by shareholders to serve as trustees, the Administration Committee may only act upon such recommendations if there is a vacancy on the Board or the Administration Committee determines that the selection of a new or additional Independent Trustee is in the best interests of the Fund. In the event that a vacancy arises or a change in Board membership is determined to be advisable, the Administration Committee will, in addition to any shareholder recommendations, consider candidates identified by other means, including candidates proposed by members of the Administration Committee. While it has not done so in the past, the Administration Committee may retain a consultant to assist the Committee in a search for a qualified candidate.

COMMUNICATIONS FROM SHAREHOLDERS

Shareholders may communicate with the members of the Board as a group or individually. Any such communication should be sent to the Board or an individual Trustee c/o the secretary of the Fund at the address on the notice of this meeting. The Secretary may determine not to forward any letter to the members of the Board that does not relate to the business of the Fund.
