Item 1.01 Entry into a Material Definitive Agreement

On this Form 8-K current report, the registrant, China Recycling Energy Corporation, is hereinafter referred as "we", or "Company", or "CREG".

On August 22, 2007, one of our major shareholders, Guohua Ku ("Selling Shareholder" or "Seller") executed and consummated a share exchange agreement ("Agreement") with a group of individual purchasers ("Purchasers), all of whom are shareholders of Xi'an Yingfeng Science and Technology Co. Ltd ("Yingfeng"). Under the terms of this Agreement, Guohua Ku sold 623,410 shares of CREG's common stocks ("CREG shares") he owned to the Purchasers for a total of 1,870,230 shares of Yingfeng's common stocks ("Yingfeng Shares"), at the exchange rate of one CREG share for three Yingfeng shares.

As the result of this share exchange transaction, the Purchasers acquired in total 623,410 shares of CREG's common stocks. None of the Purchasers acquired more than 1% of the total issued and outstanding common stocks of CREG in this transaction. The Seller, Guohua Ku, owns 8,160,863 shares of CREG's common stocks after the consummation of this transaction.

Since the Seller of the aforementioned CREG shares in this transaction is the Company's shareholder and the transaction doesn't involve any issuance of new stock, the Company does not receive any proceed or consideration for the CREG shares exchanged.

None of the Purchasers is a U.S Person, as such term is defined in Rule 902(k) of Regulation S, or located within the United States. This transaction is between non-U.S. Persons and takes place outside of the United States. Therefore, this transaction is exempt from registration under the Securities Act of 1933 in reliance upon the exemption from registration pursuant to Regulation S of the rules and regulations promulgated by the Securities and Exchange Commission under the Securities Act of 1933.

The CREG shares acquired by the Purchasers pursuant to this Agreement are "restricted shares" which have not been registered with SEC and the resale of which must be made in accordance with Regulation S, Rule 144, registration requirements of the Securities Act of 1933 or an available exemption.

Item 3.02 Unregistered Sales of Equity Securities

As described above in Item 1.01, pursuant to the Share Exchange Agreement, the Purchasers (individual shareholders of Yingfeng) acquired from the Selling Shareholder Guohua Ku 623,410 shares of CREG's common stocks. As the result, the Purchasers become the shareholders of CREG. The Seller Guohua Ku owns 8,160,863 shares of CREG's common stocks after the consummation of this transaction.

Since the Seller of the aforementioned CREG shares in this transaction is the Company's shareholder and the transaction doesn't involve any issuance of new stock, the Company does not receive any proceed or consideration for the CREG shares exchanged.

None of the Purchasers is a U.S Person, as such term is defined in Rule 902(k) of Regulation S, or located within the United States. This transaction is between non-U.S. Persons and takes place outside of the United States. Therefore, this transaction is exempt from registration under the Securities Act

of 1933 in reliance upon the exemption from registration pursuant to Regulation S of the rules and regulations promulgated by the Securities and Exchange Commission under the Securities Act of 1933.

The CREG shares acquired by the Purchasers pursuant to this Agreement are "restricted shares" which have not been registered with SEC and the resale of which must be made in accordance with Regulation S, Rule 144, the registration requirements of the Securities Act of 1933 or an available exemption.
