The actions to be taken pursuant to the written consent shall be taken on or about *, 2004, 20 days after the mailing of this information statement.

Peter Amico
Chairman of the Board

2

NOTICE OF ACTION TO BE TAKEN PURSUANT TO THE WRITTEN CONSENT OF MAJORITY STOCKHOLDERS IN LIEU OF A SPECIAL MEETING OF THE STOCKHOLDERS, DATED *, 2004

To Our Stockholders:

NOTICE IS HEREBY GIVEN that the following action will be taken pursuant to a written consent of a majority of stockholders dated November 30, 2004, in lieu of a special meeting of the stockholders. Such action will be taken on or about *, 2004:

1. To Amend the Company's Articles of Incorporation, as amended, to increase the number of authorized shares of common stock, no par value per share (the "Common Stock"), of the Company from 20,000,000 shares to 50,000,000 shares.

OUTSTANDING SHARES AND VOTING RIGHTS

As of the Record Date, the Company's authorized capitalization consisted of 20,000,000 shares of Common Stock, of which 15,054,342 shares were issued and outstanding as of the Record Date. Holders of Common Stock of the Company have no preemptive rights to acquire or subscribe to any of the additional shares of Common Stock.

Each share of Common Stock entitles its holder to one vote on each matter submitted to the stockholders. However, because stockholders holding at least a majority of the voting rights of all outstanding shares of capital stock as of November 30, 2004 will have voted in favor of the foregoing proposals by resolution dated November 30, 2004; and having sufficient voting power to approve such proposals through their ownership of capital stock, no other stockholder consents will be solicited in connection with this Information Statement.

Edgar Filing: AIRTRAX INC - Form PRE 14C

Pursuant to Rule 14c-2 under the Securities Exchange Act of 1934, as amended, the proposals will not be adopted until a date at least 20 days after the date on which this Information Statement has been mailed to the stockholders. The Company anticipates that the actions contemplated herein will be effected on or about the close of business on *, 2004.

The Company has asked brokers and other custodians, nominees and fiduciaries to forward this Information Statement to the beneficial owners of the Common Stock held of record by such persons and will reimburse such persons for out-of-pocket expenses incurred in forwarding such material.

This Information Statement will serve as written notice to stockholders pursuant to the General Corporation Law of the State of New Jersey.

3

AMENDMENT TO THE ARTICLES OF INCORPORATION

On *, 2004, the majority stockholders of the Company will have approved an amendment to the Company's Articles of Incorporation, as amended, to increase the number of authorized shares of Common Stock from 20,000,000 to 50,000,000. The Company currently has authorized capital stock of 20,000,000 shares and approximately 15,054,342 shares of Common Stock are outstanding as of the Record Date. The Board believes that the increase in authorized common shares would provide the Company greater flexibility with respect to the Company's capital structure for such purposes as additional equity financing, and stock based acquisitions.

INCREASE IN AUTHORIZED COMMON STOCK

The terms of the additional shares of Common Stock will be identical to those of the currently outstanding shares of Common Stock. However, because holders of Common Stock have no preemptive rights to purchase or subscribe for any unissued stock of the Company, the issuance of additional shares of Common Stock will reduce the current stockholders' percentage ownership interest in the total outstanding shares of Common Stock. This amendment and the creation of additional shares of authorized common stock will not alter the current number of issued shares. The relative rights and limitations of the shares of Common Stock will remain unchanged under this amendment.

As of the Record Date, a total of 15,054,342 shares of the Company's currently authorized 20,000,000 shares of Common Stock are issued and outstanding. The increase in the number of authorized but unissued shares of Common Stock would enable the Company, without further stockholder approval, to issue shares from time to time as may be required for proper business purposes, such as raising additional capital for ongoing operations, business and asset acquisitions, stock splits and dividends, present and future employee benefit programs and other corporate purposes.

The proposed increase in the authorized number of shares of Common Stock could have a number of effects on the Company's stockholders depending upon the exact nature and circumstances of any actual issuances of authorized but unissued shares. The increase could have an anti-takeover effect, in that additional shares could be issued (within the limits imposed by applicable law) in one or more transactions that could make a change in control or takeover of the Company more difficult. For example, additional shares could be issued by the Company so as to dilute the stock ownership or voting rights of persons seeking to obtain control of the Company. Similarly, the issuance of additional shares to certain persons allied with the Company's management could have the

Edgar Filing: AIRTRAX INC - Form PRE 14C

effect of making it more difficult to remove the Company's current management by diluting the stock ownership or voting rights of persons seeking to cause such removal. The Board of Directors is not aware of any attempt, or contemplated attempt, to acquire control of the Company, and this proposal is not being presented with the intent that it be utilized as a type of anti-takeover device.
