Item 3. Source and Amount of Funds or Other Consideration

Caxton International expended an aggregate amount, excluding commissions, if any, of \$13,089,510 in a series of transactions, since December 19, 2013, to purchase 2,000,000 shares of the Issuer's Common Stock. The purchase price for such acquired Common Stock was paid out of Caxton International's working capital. In addition, as more fully described in Item 4 hereof, Caxton International has entered into the Equity Commitment Agreement and Registration Rights Agreement (as defined below).

Item 4. Purpose of Transaction

The Reporting Parties acquired the 2,000,000 shares of Common Stock in the belief that the shares are an attractive investment and were undervalued. In addition to the Reporting Parties' acquisition of such shares of Common Stock, Caxton International entered into the Equity Commitment Agreement and Registration Rights Agreement with the Issuer, each as described below.

Equity Commitment Agreement

The Issuer entered into an Equity Commitment Agreement, dated as of May 2, 2014, as amended by Amendment Number 1 thereto, dated as of May 20, 2014, and as further amended by Amendment Number 2 thereto, dated as of May 23, 2014 (as so amended, the "Equity Commitment Agreement"), with Caxton International and each of the other respective Commitment Parties named therein (each a "Commitment Party"). The Issuer entered into the Equity Commitment Agreement with each Commitment Party, severally, in connection with its proposed recapitalization, under which the Issuer has announced its intention to distribute to each holder of record of its Common Stock as of June 6, 2014 (the "Record Date"), rights (the "Rights") to purchase shares of its Common Stock to then be known as Class A Common Stock, par value \$.01 per share (the "Class A Common Stock") and/or warrants exercisable for shares of such Class A Common Stock (the "Warrants"). As a result of the Rights offering and the other transactions contemplated by the Equity Commitment Agreement, it is expected that the Issuer will have outstanding shares of Class A Common Stock and Warrants, and a limited number of shares of its class B common stock and warrants exercisable for shares of such class B common stock, collectively aggregating to approximately 528 million.

Under the Equity Commitment Agreement, the Issuer has agreed to issue and sell and each respective Commitment Party, severally and not jointly, has agreed to purchase the number of shares of the Issuer's Class A Common Stock and/or Warrants as set forth in the Equity Commitment Agreement, subject to the conditions set forth therein. Specifically, Caxton International has agreed under the Equity Commitment Agreement that it will exercise the Rights distributed to it in respect of shares of Common Stock it owns of record as of the Record Date (such obligation, the "Rights Commitment"). Pursuant to its Rights Commitment, Caxton International is obligated to purchase 24,000,000 shares of Class A Common Stock and/or Warrants. Further, under the Equity Commitment Agreement, Caxton International is obligated (the "Backstop Commitment") to purchase a portion of the Class A Common Stock and/or Warrants that the non-Commitment Party stockholders fail to purchase by not exercising their

Edgar Filing: OVERSEAS SHIPHOLDING GROUP INC - Form SC 13D

Rights in accordance with the terms of the Issuer's Rights offering. Assuming none of the Rights are exercised by the non-Commitment Party stockholders of record as of the Record Date, Caxton International will be obligated to purchase a further 16,004,196 shares of Class A Common Stock and/or Warrants in respect of its Backstop Commitment. In addition, Caxton International also has agreed under the Equity Commitment Agreement to purchase (the "Holdback Commitment") 11,025,556 shares of Class A Common Stock and/or Warrants, which are referred to in the Equity Commitment Agreement as the "Holdback Securities".

The Issuer has further agreed to issue to each of the Commitment Parties a number of shares of its Class A Common Stock and/or Warrants (the "Premium Securities") as set forth in the Equity Commitment Agreement in consideration for each such party's participation under the Equity Commitment Agreement. The Issuer has agreed to issue 1,230,818 Premium Securities to Caxton International.

Caxton International's purchase obligations in respect of its Rights Commitment, Backstop Commitment and Holdback Commitment, and its acquisition of Premium Securities, are all subject to conditions outside of the control of Caxton International. Accordingly, Caxton International and the other Reporting Persons disclaim any beneficial ownership of the Issuer's Class A Common Stock to be purchased or otherwise acquired pursuant to the Equity Commitment Agreement, or which underlies any such Warrants.

Registration Rights Agreement

The Issuer entered into a Registration Rights Agreement, dated as of May 2, 2014, as amended by Amendment Number 1 thereto, dated as of May 23, 2014 (as so amended, the "Registration Rights Agreement"), with Caxton International and each of the other respective Commitment Parties. Under the Registration Rights Agreement, the Issuer has agreed to file with the U.S. Securities and Exchange Commission a resale shelf registration statement for the resale by each respective Commitment Party of the Issuer's Class A Common Stock and/or Warrants purchased by it pursuant to the Equity Commitment Agreement, including resales in an underwritten offering. Resales pursuant to such registration statement are subject to the requirements and conditions set forth in the Registration Rights Agreement.

On May 2, 2014, the Issuer filed with the Bankruptcy Court a motion to approve the Equity Commitment Agreement, which motion attached a copy of the executed Equity Commitment Agreement (the "Motion"). In turn, a disclosure statement describing the Equity Commitment Agreement (the "Disclosure Statement") attached a copy of the Registration Rights Agreement. On May 20, 2014, the Issuer and each of the Commitment Parties entered into an amendment to the Equity Commitment Agreement. On May 26, 2014, the Issuer and each of the Commitment Parties entered into a second amendment, dated as of May 23, 2014, to the Equity Commitment Agreement and an amendment to the Registration Rights Agreement. On May 27, 2014, the United States Bankruptcy Court for the District of Delaware approved the Disclosure Statement and the Equity Commitment Agreement.

The foregoing summaries of the Equity Commitment Agreement and Registration Rights Agreement do not purport to be complete and are qualified in their entirety by reference to the complete

Edgar Filing: OVERSEAS SHIPHOLDING GROUP INC - Form SC 13D

text of such agreements and amendments thereto, which are available electronically on the internet website of the Issuer's claims agent Kurtzman Carson Consultants, LLC, at <http://www.kccllc.net/osg>. Information set forth on the foregoing web site or filed with the Bankruptcy Court shall not be deemed to be part of or incorporated by reference into this Schedule 13D.

The Reporting Parties from time to time may enter into discussions with directors of the Issuer, one or more of management, other shareholders or investors, or third parties in connection with the Reporting Parties' investment in the Issuer as well as involving the Issuer's business, strategies and other matters related to the Issuer. These discussions may include reviewing options or making proposals for enhancing or maximizing shareholder value through various strategic alternatives, including, among others, changes to the capitalization, ownership structure, operations, or Certificate of Incorporation or Bylaws of the Issuer or any of its affiliates, or any strategic transaction or similar opportunities. The Reporting Parties may also explore increasing their ownership position in the Issuer or any of its affiliates through an acquisition of stock or other investments from other stockholders or otherwise.

The Reporting Parties intend to review their respective investment in the Issuer on a continuing basis and may from time to time and at any time in the future depending on various factors, including, without limitation, the outcome of any discussions referenced above, the Issuer's financial position and strategic direction, actions taken by the board and/or management, price levels of the Issuer's (or that of any of its affiliates) common stock and/or other instruments, other investment opportunities available to the Reporting Persons, conditions in the securities market and general economic and industry conditions, take such actions with respect to the investment in the Issuer as they deem appropriate, including: (i) acquiring additional common stock and/or other equity, debt, notes, other securities, or derivatives or other instruments that are based upon or relate to the value of the common stock of the Issuer and/or any of its affiliates (collectively, "Securities") in the open market or otherwise; (ii) disposing of any or all of their Securities in the open market or otherwise; (iii) engaging in any hedging or similar transactions with respect to the Securities; or (iv) proposing or considering one or more of the actions described in subsections (a) through (j) of Item 4 of Schedule 13D.
