PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD MAY 26, 2005

SOLICITATION AND VOTING OF PROXIES

Community West Bancshares (Company or CWBC) is furnishing this Proxy Statement to its shareholders in connection with the solicitation by the Board of Directors (Board) of proxies to be used at the Annual Meeting (Meeting) of Shareholders, to be held on Thursday, May 26, 2005 at 6:00 P.M. PDT at La Cumbre Country Club, 4015 Via Laguna, Santa Barbara, California 93110, and at any and all adjournments and postponements thereof, and, the designated proxyholders (Proxyholders) are members of the Company's management. Only shareholders of record (shareholders) on March 31, 2005 (Record Date) are entitled to notice of and to vote in person or by proxy at the Meeting or any adjournment or postponement thereof. This Proxy Statement and the enclosed proxy card (Proxy) first will be mailed to shareholders on or about April 15, 2005. The Company's Annual Report to Shareholders, including consolidated financial statements for the year ended December 31, 2004, accompanies this Proxy Statement.

Regardless of the number of shares of Common Stock of the Company (Common Stock) owned, it is important that the holders of a majority of shares be represented by proxy or be present in person at the Meeting. Shareholders are requested to vote by completing the enclosed proxy card and returning it signed and dated in the enclosed postage-paid envelope. Shareholders are to indicate their vote in the spaces provided on the proxy card. PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN ACCORDANCE WITH THE DIRECTIONS GIVEN THEREIN. WHERE NO INSTRUCTIONS ARE INDICATED, SIGNED PROXY CARDS WILL BE VOTED "FOR ALL NOMINEES" FOR THE ELECTION OF THE NOMINEES NAMED IN THIS PROXY STATEMENT. If any other business is properly presented at the Meeting, the Proxy will be voted in accordance with the recommendations of the Board.

Edgar Filing: COMMUNITY WEST BANCSHARES / - Form DEF 14A

Other than the matters set forth on the attached Notice of the Meeting, the Board knows of no additional matters that will be presented for consideration at the Meeting. Execution of a proxy, however, confers to the designated Proxyholders discretionary authority to vote the shares in accordance with the recommendations of the Board on such other business, if any, that may properly come before the Meeting and at any adjournments or postponements thereof, including whether or not to adjourn the Meeting.

You may revoke your Proxy at any time prior to its exercise by filing a written notice of revocation with the Secretary of the Company, by delivering to the Company a duly executed Proxy bearing a later date, or by attending the Meeting and voting in person. However, if you are a shareholder whose shares are not registered in your own name, you will need to provide appropriate documentation from the record holder to vote personally at the Meeting.

The following matters will be considered and voted upon at the Meeting:

1. ELECTION OF DIRECTORS. To elect eight persons to the Board of Directors of the Company to serve until the 2006 Annual Meeting of Shareholders and until their successors are elected and have qualified. The following persons are the Board of Directors' nominees:

Robert H. Bartlein	William R. Peeples
Jean W. Blois	James R. Sims, Jr.
John D. Illgen	Kirk B. Stovesand
Lynda J. Nahra	C. Richard Whiston

1

2. OTHER BUSINESS. Transacting such other business as may properly come before the Meeting and any adjournment or postponements thereof.

This solicitation of proxies is being made by the Board. The expense of solicitation of proxies for the Meeting will be borne by the Company. It is anticipated that proxies will be solicited primarily through the use of the mail. Proxies may also be solicited personally or by telephone by Directors, officers and employees of the Company, and its wholly-owned subsidiary, Community West Bank (CWB), formerly Goleta National Bank, without additional compensation therefor. The Company will also request persons, firms and corporations holding shares in their names, or in the name of their nominees, that are beneficially owned by others, to send proxy materials to and obtain proxies from such beneficial owners and will reimburse such holders for their reasonable expenses in doing so. The total estimated cost of the solicitation is \$5,000.

VOTING SECURITIES

The securities that may be voted at the Meeting consist of shares of Common Stock. The close of business on March 31, 2005 has been fixed by the Board as the Record Date for the determination of shareholders of record entitled to notice of and to vote at the Meeting and at any adjournment or postponements thereof. The total number of shares of Common Stock outstanding on the Record Date was 5,745,014 shares. Each shareholder is entitled to one vote, in person or by proxy, for each share as of the Record Date, except that in the election of Directors, each shareholder has the right to cumulate provided that the candidates' names have been properly placed in nomination prior to commencement of voting and a shareholder has given notice of their intention to cumulate votes prior to commencement of voting. Cumulative voting entitles a shareholder to give one candidate a number of votes equal to the number of Directors to be elected, multiplied by the number of shares of Common Stock held by that Shareholder, or to distribute such votes among as many candidates as the

Edgar Filing: COMMUNITY WEST BANCSHARES / - Form DEF 14A

shareholder deems fit. The Company is soliciting authority to cumulate votes in the election of Directors, and the enclosed Proxy grants discretionary authority for this purpose. The candidates receiving the highest number of votes, up to the number of Directors to be elected, will be elected.

Of the shares of Common Stock outstanding on the Record Date, 1,062,084 shares of Common Stock (18.49%) of the issued and outstanding shares of Common Stock were beneficially owned by Directors and executive officers of the Company. Such persons have informed the Company that they will vote "FOR" the election of the nominees to the Board. Under California law and the Company's Bylaws, a quorum consists of the presence in person or by proxy of a majority of the shares entitled to vote at the Meeting, and a matter (other than the election of Directors) voted on by Shareholders will be approved if it receives the vote of a majority of the shares both present and voting, which shares also constitute a majority of the required quorum, unless the vote of a greater number of shares is required. Abstentions and broker non-votes will be included in the number of shares present at the Meeting and entitled to vote for the purpose of determining the presence of a quorum. Accordingly, in the event the number of shares voted affirmatively does not represent a majority of the required quorum, abstentions and broker non-votes will have the effect of a "no" vote. Abstentions and broker non-votes do not have the effect of votes in opposition to any nominee for election of Director.

If you hold Common Stock in "street name" and you fail to instruct your broker or nominee as to how to vote such Common Stock, your broker or nominee may, in its discretion, vote such Common Stock "FOR" the election of the Board nominees.

The following table sets forth certain information as of the Record Date, concerning the beneficial ownership of the Company's outstanding Common Stock by persons (other than depositories) known to the Company to own more than 5% of the Company's outstanding Common Stock, by the Company's Directors

Additional nominations can only be made by complying with the notice provision set forth in the Bylaws of the Company, an extract of which is included in the Notice of Annual Meeting of Shareholders accompanying this Proxy Statement. AUDIT COMMITTEE REPORT

Edgar Filing: COMMUNITY WEST BANCSHARES / - Form DEF 14A

The Report of the Audit Committee of the Board shall not be deemed filed under the Securities Act of 1933 (Securities Act) or under the Exchange Act.

The Board maintains an Audit Committee comprised of four of the Company's Directors, who each met the independence and experience requirements of NASD Rule 4350 (c) (1). The Audit Committee assists the Board in monitoring the accounting, auditing and financial reporting practices of the Company. The Audit Committee operates under a written charter, which was last amended and ratified on December 16, 2004, and is assessed annually for adequacy by the Audit Committee. The Charter is attached as Appendix A of this Proxy Statement.

Based on the attributes, education and experience requirements required by NASD Rule 4350 (d) (2) (A), the requirements set forth in section 407 of the Sarbanes-Oxley Act of 2002 and associated regulations, the Board has identified William R. Peeples as an "Audit Committee Financial Expert" as defined under Item 401 (h) of Regulation S-K, and has determined him to be independent.

Management is responsible for the preparation of the Company's financial statements and financial reporting process, including its system of internal controls. In fulfilling its oversight responsibilities, the Audit Committee:

- Reviewed and discussed with management the audited financial statements contained in the Company's Annual Report on Form 10-K for fiscal 2004; and
- Obtained from management their representation that the Company's financial statements have been prepared in accordance with accounting principles generally accepted in the United States.

8

The Company's independent auditors, Ernst & Young LLP (Ernst), are responsible for performing an audit of the Company's financial statements in accordance with the auditing standards generally accepted in the United States and expressing an opinion on whether the Company's financial statements present fairly, in all material respects, the Company's financial position and results of operations for the periods presented and conform with accounting principles generally accepted in the United States. In fulfilling its oversight responsibilities, the Audit Committee:

- Discussed with Ernst the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (Communication with Audit Committees), and Section 204 of the Sarbanes-Oxley Act of 2002; and
- Received and discussed with Ernst the written disclosures and the letter from Ernst required by Independent Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and reviewed and discussed with Ernst whether the rendering of the non-audit services provided by them to the Company during fiscal 2004 was compatible with their independence.

In addition, the Company received a letter from Ernst to the effect that Ernst's audit of the Company was subject to its quality control system for the United States accounting and auditing practice to provide reasonable assurance that the engagement was conducted in compliance with professional standards, that there was appropriate continuity of Ernst personnel working on the audit and the availability of national office consultation.

In performing its functions, the Audit Committee acts only in an oversight

capacity. It is not the responsibility of the Audit Committee to determine that the Company's financial statements are complete and accurate, are presented in accordance with accounting principles generally accepted in the United States or present fairly the results of operations of the Company for the periods presented or that the Company maintains appropriate internal controls. Nor is it the duty of the Audit Committee to determine that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards or that the Company's auditors are independent.

Based upon the reviews and discussions described above, and the report of Ernst, the Audit Committee has recommended to the Board, and the Board has approved, that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2004 for filing with the Securities and Exchange Commission.

The NCGC Committee, consisting of three independent Directors, makes recommendations to the Board regarding the Board's composition and structure, nominations for elections of Directors and policies and processes regarding principles of corporate governance to ensure the Board's compliance with its fiduciary duties to the Company and its shareholders. The NCGC Committee reviews the qualifications of, and recommends to the Board, candidates as additions, or to fill Board vacancies, if any were to occur during the year.

9

The NCGC Committee will consider, as part of its nomination process, any director candidate recommended by a shareholder of the Company who follows the procedures in this Proxy Statement shown under the heading "2006 Shareholder Proposals". The NCGC Committee will follow the processes in the Charter when identifying and evaluating overall Board composition and individual nominees to the Board.

PERSONNEL / COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Personnel / Compensation Committee (PC Committee) is composed of three Directors: Mrs. Blois, and Messrs. Illgen and Peeples, none of whom served as an officer of the Company or of its subsidiaries. The Company's executive officers have represented to the Company that none of them served on the Board or PC

Edgar Filing: COMMUNITY WEST BANCSHARES / - Form DEF 14A

Committee, or in an equivalent capacity, of another entity.

PERSONNEL / COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Report of the PC Committee of the Board shall not be deemed to be filed under the Securities Act or under the Exchange Act.

The PC Committee was responsible for reviewing and approving the Company's overall compensation and benefit programs and for administering the compensation of the Company's executive and senior officers.

The PC Committee's functions and objectives are: (i) to determine the competitiveness of current base salary, annual incentives and long-term incentive relative to specific competitive markets for the President; (ii) to develop a performance review mechanism that has written objectives and goals which are used to make salary increase determinations; (iii) to develop an annual incentive plan for senior management; and (iv) to provide guidance to the Board in its role in establishing objectives regarding executive compensation. The PC Committee's overall compensation philosophy is as follows: (i) to attract and retain quality talent which is critical to both short-term and long-term success; (ii) to reinforce strategic performance objectives through the use of incentive compensation programs; (iii) to create a mutuality of interest between executive and senior officers and shareholders through compensation structures that share the rewards and risks of strategic decision-making; and (iv) to encourage executives to achieve substantial levels of ownership of stock in the Company.

The compensation package offered to executive officers consists of a mix of salary, incentive bonus awards and stock option awards, as well as benefits under employee benefit plans. Salary levels recommended by the PC Committee are intended to be consistent and competitive with the practices of comparable financial institutions and each executive's level of responsibility. The PC Committee generally utilizes internal and/or external surveys of compensation paid to executive officers performing similar duties for depository institutions and their holding companies.

In establishing executive compensation for the Chief Executive Officer of CWBC and CWB, the PC Committee considered the overall financial condition of the Company, profitability, asset quality and compliance with rules and regulations. In determining Ms. Nahra's compensation, the PC Committee used both quantitative and qualitative criteria. They included estimated (at the time) earnings of just under \$4 million, which was greater than the budget plan and is indicative of creation of shareholder value; capital strength, as evidenced by the qualification of CWB as "well capitalized"; continued strong asset quality; improvements in customer service and compliance; and, the development of other executive and senior talent in the Company. The PC Committee also considered the amount of time the executive had been with the

10

Company, performance goals and general industry customs. Generally excluded from the PC Committee's consideration of incentive bonuses would be income or expenses resulting from extraordinary or non-recurring events, regulatory changes, merger or acquisition activity or the imposition of changes in generally accepted accounting principles.

The PC Committee believes that the Company's compensation program and compensation levels are effective in attracting, motivating and retaining outstanding executive and senior officers and that they are consistent with the Company's immediate and long-term goals.
