PROXY STATEMENT

INTRODUCTION

This Proxy Statement and the accompanying Notice of Annual Meeting of Stockholders and form of proxy are being furnished to the holders of common stock of Steven Madden, Ltd., a Delaware corporation (the "Company"), in connection with the solicitation of proxies by the Board of Directors of the Company (the "Board of Directors") for use at the 2005 Annual Meeting of Stockholders of the Company (the "Annual Meeting") to be held at the Company's showroom located at 1370 Avenue of the Americas, 14th Floor, New York, New York on Friday, May 27, 2005 at 10:00 a.m, Eastern Daylight Time, and at any adjournments thereof. These proxy materials are being sent on or about April 27, 2005 to holders of record of common stock, \$.0001 par value (the "Common Stock"), of the Company at the close of business on April 15, 2005 (the "Record Date"). The Company's Annual Report for the fiscal year ended December 31, 2004, including audited financial statements, is being sent to stockholders together with these proxy materials.

The Annual Meeting has been called to consider and take action on the following proposals: (i) to elect nine (9) directors to the Board of Directors of the Company to serve until the next annual meeting of the Company's stockholders or until their successors are duly elected and qualified, (ii) to ratify the appointment of Eisner LLP as the Company's independent auditors for

Edgar Filing: STEVEN MADDEN, LTD. - Form DEF 14A

the fiscal year ending December 31, 2005, (iii) to approve the issuance of an aggregate of 100,000 shares of our Common Stock to certain of our executive officers pursuant to their employment agreements, and (iv) to transact such other business as may properly come before the Annual Meeting or any adjournments thereof. The Board of Directors knows of no other matters to be presented for action at the Annual Meeting. However, if any other matters properly come before the Annual Meeting, the persons named in the proxy will vote on such other matters and/or for other nominees in accordance with their best judgment. The Company's Board of Directors recommends that the stockholders vote in favor of each of the proposals. Only holders of record of the Common Stock of the Company at the close of business on the Record Date will be entitled to vote at the Annual Meeting.

The principal executive offices of the Company are located at 52-16 Barnett Avenue, Long Island City, NY 11104 and its telephone number is (718) 446-1800.

INFORMATION CONCERNING SOLICITATION AND VOTING

As of the Record Date, there were outstanding 13,241,617 shares of Common Stock (excluding treasury shares) held by approximately 72 holders of record and 2,502 beneficial owners. Only holders of shares of Common Stock on the Record Date will be entitled to vote at the Annual Meeting. The holders of Common Stock are entitled to one vote on all matters presented at the meeting for each share held of record. The presence in person or by proxy of holders of record of a majority of the shares outstanding and entitled to vote as of the Record Date shall be required for a quorum to transact business at the Annual Meeting. If a quorum should not be present, the Annual Meeting may be adjourned until a quorum is obtained. Each nominee to be elected as a director named in Proposal 1 must receive a plurality of the votes cast by the holders of Common Stock present in person or represented by proxy at the Annual Meeting with respect to such proposal. The ratification of the appointment of Eisner LLP as the Company's independent auditors for the fiscal year ending December 31, 2005 described in Proposal 2 and the approval of the issuance of an aggregate of 100,000 shares of our Common Stock to certain of our executive officers pursuant to their employment agreements described in Proposal 3 must be approved by the affirmative vote of the holders of a majority of the total votes cast on such proposals in person or by proxy. Abstentions and broker non-votes are counted as present and entitled to vote and are, therefore, included for purposes of determining whether a quorum of shares is present at the meeting. An abstention from a vote with respect to Proposal 1 will have no effect. An abstention from a vote with respect to Proposal 2 or Proposal 3 will have the same practical effect as a vote against such proposal. Broker "non-votes" are not deemed to be "votes cast." As a result, broker "non-votes" are not included in the tabulation of the voting result on the election of directors or issues requiring approval

-1-

of a majority of the votes cast and, therefore, do not have the effect of votes in opposition in such tabulations and as such will have the practical effect of reducing the number of affirmative votes required to achieve a majority vote for a matter by reducing the total number of shares from which a majority is calculated. Brokers who hold shares in street name may vote on behalf of beneficial owners with respect to Proposals 1 and 2. The approval of all other matters to be considered at the Annual Meeting requires the affirmative vote of a majority of the eligible votes cast at the Annual Meeting on such matters.

The expense of preparing, printing and mailing this Proxy Statement, the exhibits hereto and the proxies solicited hereby will be borne by the Company. In addition to the use of the mails, proxies may be solicited by officers and directors and regular employees of the Company, without additional remuneration,

Edgar Filing: STEVEN MADDEN, LTD. - Form DEF 14A

by personal interviews, telephone, telegraph or facsimile transmission. The Company will also request brokerage firms, nominees, custodians and fiduciaries to forward proxy materials to the beneficial owners of shares of Common Stock held of record and will provide reimbursements for the cost of forwarding the material in accordance with customary charges. The Company has entered into an agreement with The Proxy Advisory Group of Strategic Stock Surveillance, LLC to assist in the solicitation of proxies and provide related advice and informational support. The total expense of this engagement, including customary disbursements, is not expected to exceed \$20,000 in the aggregate.

Proxies given by stockholders of record for use at the Annual Meeting may be revoked at any time prior to the exercise of the powers conferred. In addition to revocation in any other manner permitted by law, stockholders of record giving a proxy may revoke the proxy by an instrument in writing, executed by the stockholder or his attorney authorized in writing, or, if the stockholder is a corporation, under its corporate seal, by an officer or attorney thereof duly authorized, and deposited either at the corporate headquarters of the Company at any time up to and including the last business day preceding the day of the Annual Meeting, or any adjournment thereof, at which the proxy is to be used, or with the chairman of such Annual Meeting on the day of the Annual Meeting or adjournment thereof, and upon either of such deposits the proxy shall be revoked.

ALL PROXIES RECEIVED WILL BE VOTED IN ACCORDANCE WITH THE CHOICES SPECIFIED ON SUCH PROXIES. PROXIES WILL BE VOTED IN FAVOR OF A PROPOSAL IF NO CONTRARY SPECIFICATION IS MADE. ALL VALID PROXIES OBTAINED WILL BE VOTED AT THE DISCRETION OF THE PERSONS NAMED IN THE PROXY WITH RESPECT TO ANY OTHER BUSINESS THAT MAY COME BEFORE THE ANNUAL MEETING.

None of the matters to be acted on at the Annual Meeting give rise to any statutory right of a stockholder to dissent and obtain the appraisal of or payment for such stockholder's shares.

During 2004, the Audit Committee met ten times.

The Audit Committee is responsible for reviewing and helping to ensure the integrity of the Company's financial statements. Among other matters, the Audit Committee, with management and independent and internal auditors, reviews the adequacy of the Company's internal accounting controls that could significantly affect the Company's financial statements. The Audit Committee is also directly and solely responsible for the appointment, retention, compensation, oversight and termination of the Company's independent accountants. In addition, the Audit Committee also functions as the Company's Qualified Legal Compliance Committee (the "QLCC"). fiduciary duty by the Company, its officers, directors, employees or agents, and if the QLCC believes appropriate, to recommend courses of action to the Company.

The Audit Committee meets with management periodically to consider the adequacy of the Company's internal controls and the objectivity of its financial reporting. The Audit Committee discusses these matters with the Company's independent public accountants and with appropriate Company financial personnel. Meetings are held with the independent public accountants who have unrestricted access to the Audit Committee. In addition, the Audit Committee reviews the Company's financing plans and reports recommendations to the full Board of Directors for approval and to authorize action. The Board has adopted a written charter setting out the audit related functions the Audit Committee is to

-5-

perform. A copy of the Audit Committee Charter is attached as Annex A to the Company's 2004 Proxy Statement and is available on the Company's website.

Management has primary responsibility for the Company's financial statements and the overall reporting process, including the Company's system of internal controls. The independent public accountants audit the annual financial statements prepared by management, express an opinion as to whether those financial statements present fairly the financial position, results of operations and cash flows of the Company in conformity with accounting principles generally accepted in the United States of America and discuss with the Audit Committee any issues they believe should be raised with the Audit Committee.

The following Audit Committee Report does not constitute soliciting material and shall not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent the Company specifically incorporates this Audit Committee Report by reference therein.

AUDIT COMMITTEE REPORT

The Audit Committee reviewed the Company's audited financial statements for the fiscal year ended December 31, 2004 and met with both management and Eisner LLP, the Company's independent public accountants, to discuss such audited financial statements. Management and the Company's independent public accountants have represented to the Audit Committee that the financial statements were prepared in accordance with accounting principles generally accepted in the United States of America. The Audit Committee has received from and discussed with Eisner LLP the written disclosure and the letter regarding the independence of Eisner LLP as required by Independence Standards Board Standard No. 1. The Audit Committee also discussed with Eisner LLP any matters required to be discussed by Statement on Auditing Standards No. 61. Based on these reviews and discussions, the Audit Committee recommended to the Board that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2004.

In considering Board of Directors candidates, the Nominating/Corporate Governance Committee takes into consideration the Company's Board Candidate Guidelines, attached as Annex C to the Company's 2004 Proxy Statement and available on the Company's website, the Company's policy regarding stockholder recommended director candidates, as set forth above, and all other factors that they deem appropriate, including, but not limited to, the individual's character, education, experience, knowledge and skills. In addition, the Nominating/Corporate Governance Committee develops and recommends corporate governance principles for the Company; makes recommendations to the Board of Directors in support of such principles; takes a leadership role in the shaping of the corporate governance of the Company; and oversees the evaluation of the Board of Directors and management.

Agreement with Steven Madden

In May 2001, the Company entered into an agreement with Steven Madden, the Company's founder, pursuant to which Mr. Madden agreed to serve as the Company's Creative and Design Chief. The agreement amends and restates the prior agreement dated July 29, 1997 (and amended February 28, 2000). The agreement was further amended in connection with a settlement and release of a class action lawsuit against Mr. Madden and the Company, which settlement and release was finalized on May 25, 2004. The term of Mr. Madden's employment under the agreement, as amended is eleven (11) years commencing on July 1, 2001 and ending on June 30, 2012. The Company has agreed to pay Mr. Madden an annual base salary of \$700,000, which the Board may increase, but not decrease, at any time. Mr. Madden is entitled to receive base salary payments during periods that he is not actively engaged in the duties of Creative and Design Chief. For each fiscal year during the term of the agreement, Mr. Madden is entitled to receive a cash bonus in an amount determined by the Board, but not less than 2% of the Company's EBITDA (earnings before interest, tax, depreciation and amortization) for such year; provided however, that the Company is not required to pay such cash bonus for any fiscal year during which Mr. Madden is not actively engaged

-17-

in the duties of Creative and Design Chief for at least six months. Subject to availability of shares under the Company's 1999 Stock Plan or any other plan designated by the Board of Directors and approved by the Company's stockholders, on or about the date of the Company's annual meeting for each year of the term (beginning in 2004), Mr. Madden is eligible to receive, during the term of the agreement, annual options to purchase shares of the Company's common stock in an amount equal to not less than 100% of the largest aggregate amount of options granted to any other continuing full time employee of the Company over the 12 month period up to and including the applicable grant date (the "Base Amount"). Both the approval of the Board of Directors and an opinion of a qualified outside compensation consultant are required for Mr. Madden to receive annual options to purchase between 100%-150% of the Base Amount. Approval by the stockholders of the Corporation is required for Mr. Madden to receive annual options in excess of 150% of the Base Amount. The annual options will vest quarterly over the 1 year period following the date of grant and will be exercisable after vesting for a period of 5 years from the grant date at an exercise price equal to the closing price of the Company's Common Stock on the grant date as quoted on The Nasdaq National Market (or such other market or exchange on which the Company's Common Stock is listed or traded). The Company is not required to grant an annual option if Mr. Madden is not actively engaged

Edgar Filing: STEVEN MADDEN, LTD. - Form DEF 14A

in the duties of Creative and Design Chief for at least six months out of the twelve months immediately preceding the grant date for such annual option. The Company also agreed to provide Mr. Madden with an annual \$200,000 non-accountable expense allowance which amount is payable in equal monthly installments; however, the Company is not required to pay the non-accountable expense allowance for any month during which Mr. Madden is not actively engaged in the duties of Creative and Design Chief.

In addition, in the event of Mr. Madden's total disability or death, the Company is obligated to continue to pay Mr. Madden (or Mr. Madden's estate) Mr. Madden's base salary for the twelve (12) month period immediately subsequent to the date of such total disability or death. In the event Mr. Madden's agreement is terminated for any reason other than "for cause" or due to his death or his total disability, the Company is obligated to pay Mr. Madden the balance of his base salary that would have been paid over the full term of the agreement if the agreement had not been terminated, fifty percent (50%) upon termination and the remaining fifty percent (50%) in equal annual installments until June 30, 2012. In the event there is a "change of control" transaction and Mr. Madden's employment is terminated, all unvested options to purchase shares of the Company's Common Stock held by Mr. Madden will vest on the date of termination and Mr. Madden will be entitled to receive a lump sum cash payment equal to (a) the amount of compensation that is accrued and unpaid through the date of termination and (b) at Mr. Madden's discretion either (i) the total compensation (base salary, cash bonus and non-accountable expense allowance) for the full term remaining hereunder (as though there had been no Change of Control event) in a lump sum payment discounted back to present value at a rate of 5%; or (ii) three (3) times the total compensation received by Mr. Madden (base salary, cash bonus and non-accountable expense allowance) for the preceding 12-month period ending December 31.

To the extent not previously assigned or consented to, except as provided below, (i) Mr. Madden sold, assigned and transferred to the Company the exclusive right and interest to his name and (ii) Mr. Madden consented to the use of his name as trademarks, service marks, corporate names and/or internet domain name addresses of the Company (the "Marks"). Mr. Madden also agreed to never challenge the Company's ownership of his name or the validity of the Company's ownership of the Marks or of any registration or application for registration thereof. Mr. Madden may however use his name for all non-commercial purposes and for use in connection with any business that is not in the design, manufacture, sale, marketing or distribution of (i) branded or designer footwear, apparel, accessories and other products in the categories of products sold by, or under license from, the Company or any of its affiliates, (ii) jewelry and other giftware, (iii) cosmetics, fragrances and other health and beauty care items, (iv) housewares, furniture, home furnishings and related products and (v) other products related to fashion, cosmetics or lifestyle (any of such activities being a "competitive business"). Further, Mr. Madden agreed to not directly or indirectly (i) engage in any competitive business in any relationship or capacity, (ii) solicit any customers of the Company, or (iii) solicit or employ any employee or agent to the Company, until the later of (a) June 30, 2012 or (b) the date which is twelve (12) months after the date on which Mr. Madden is no longer employed by the Company, or until twelve months after the date of termination should Mr. Madden be terminated in connection with a change of control. Mr. Madden's agreement contains other customary provisions.

In May 2001, Mr. Madden entered into a plea agreement with the U.S. Attorney's Office, pursuant to which he pled guilty to four securities fraud and money laundering charges that had been previously filed against him. In 2002, Mr. Madden was sentenced to forty-one (41) months' imprisonment in connection

Edgar Filing: STEVEN MADDEN, LTD. - Form DEF 14A

with the charges. Mr. Madden began serving his sentence in September of 2002. While serving his sentence, Mr. Madden is not actively engaged in the duties of Creative and Design Chief and is therefore only entitled to receive base salary payments under the agreement. Mr. Madden was released on April 14, 2005 and returned to being actively engaged in the duties of Creative and Design Chief.

On April 26, 2004, the SEC sent the Company a letter requesting information and documents relating to, among other things, Steven Madden's employment with the Company. The Company has responded to this request.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee is responsible for reviewing and approving the Company's compensation policies and the compensation paid to its executive officers, including the Chief Executive Officer and the other named executive officers. During 2004, the Compensation Committee was comprised of directors Peter Migliorini (chairman) and Thomas Schwartz. Each member of the Compensation Committee was a non-employee director of the Company during 2004.

The Compensation Committee's goal is to develop executive compensation policies and practices that are consistent with and linked to the Company's long term goal of maximizing stockholder value. The program is designed to facilitate the long-term success and growth of the Company through the attraction, motivation, and retention of outstanding executives.

The objectives of the Company's executive compensation programs are to: (i) attract and retain the highest quality executives, (ii) inspire and motivate executive officers to increase Company performance, (iii) align executive officers' financial interest with those of the Company's long-term investors, and (iv) reward executive officers for exceptional individual contributions to the achievement of the Company's objectives.

Executive compensation consists of three components: base salary, annual incentive bonuses and long-term incentive awards (stock options). Each compensation component is offered to executives in varying combinations, structured in each case, to meet varying business objectives and to provide a level of total compensation comparable to similarly situated public companies.

The total compensation of Jamieson A. Karson, the Company's Chief Executive Officer, is determined pursuant to his employment agreement with the Company. Mr. Karson was appointed Chief Executive Officer effective as of July 1, 2001. In 2004, Mr. Karson's compensation consisted of \$467,500 in base salary payments and no bonus payment. In addition, in 2004 the Company paid Mr. Karson \$116,112 in lieu of granting him the option to purchase 58,056 shares of Common Stock

Edgar Filing: STEVEN MADDEN, LTD. - Form DEF 14A

that he was entitled to under his employment agreement. In February 2004, the Compensation Committee approved an amendment to Mr. Karson's employment agreement which extended the term of the agreement to June 30, 2006. The Compensation Committee believes that Mr. Karson's compensation should be based upon the Company's overall performance. See "Employment Agreements with Certain Executive Officers."

The Company has negotiated employment agreements with respect to base salary, annual incentive awards and stock option awards for each of the Company's named executive officers based upon the Company's performance and the individual performance of such named executives.

-20-

The Internal Revenue Code of 1986 prohibits the Company from taking a tax deduction in any year for compensation paid the persons who would be named executive officers in that year in excess of \$1 million unless such compensation is "performance-based compensation." The Company did not pay in 2004 any officer compensation which will be subject to the \$1 million deduction limitation. The Compensation Committee will take into consideration the \$1 million deduction limitation when structuring future compensation packages for the Company's executive officers and, if appropriate and in the best interests of the Company, will conform such packages to permit the Company to take a deduction for the full amount of all compensation.

PROPOSAL TWO

RATIFICATION OF THE APPOINTMENT OF EISNER LLP AS THE COMPANY'S INDEPENDENT AUDITORS FOR THE FISCAL YEAR ENDING DECEMBER 31, 2005

The Audit Committee has appointed Eisner LLP as the Company's independent auditors to conduct the audit of the Company's books and records for the fiscal year ending December 31, 2005. Eisner LLP also served as the Company's independent auditors for the previous fiscal year. Representatives of Eisner LLP are expected to be present at the Annual Meeting to respond to questions and to make a statement should they so desire.

The affirmative vote of a majority of the shares of Common Stock represented at the meeting and entitled to vote is required for the ratification of the appointment of Eisner LLP as the Company's independent auditors. The Audit Committee is directly responsible for the appointment and retention of the Company's independent auditors. Although ratification by stockholders is not required by our organizational documents or other applicable law, the Audit Committee has determined that requesting ratification by stockholders of its appointment of Eisner LLP as the Company's independent auditors is a matter of good corporate practice. If stockholders do not ratify the selection, the Audit Committee will reconsider whether or not to retain Eisner LLP, but may still retain them. Even if the selection is ratified, the Audit Committee, in its discretion, may change the appointment at any time during the year if it determines that such a change would be in the best interest of the Company and its stockholders.

Recommendation of the Board of Directors

The Board of Directors unanimously recommends a vote FOR the ratification of the appointment of Eisner LLP as the Company's independent auditors for the fiscal year ending December 31, 2005. Unless marked to the contrary, proxies received from stockholders will be voted in favor of the appointment of Eisner LLP as the Company's independent auditors for the fiscal year ending December 31, 2005.
