### Item 14. Indemnification of Directors and Officers

Our certificate of incorporation and bylaws provide that we will indemnify an officer, director, or former officer or director, to the full extent permitted by law. We have been advised that in the opinion of the U.S. Securities and Exchange Commission indemnification for liabilities arising under the Securities Act is against public policy as expressed in the Securities Act, and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities is asserted by one of our directors, officers, or controlling persons in connection with the securities being registered, we will, unless in the opinion of our legal counsel the matter has been settled by controlling precedent, submit the question of whether such indemnification is against public policy to a court of appropriate jurisdiction. We will then be governed by the court's decision.

(1) The Series 1 Preferred Stock has the following conversion rights:

Automatic Conversion into Common Stock. Each Preferred Share shall automatically convert on March 31, 2013 into shares of the Company's Common Stock (the "Common Shares") based on a conversion price of the lower of \$.60 per share or an amount equal to 90% of the average closing sales price for the Company's Common Stock on the OTC Bulletin Board (or Pink Sheets) for the 20 trading days immediately preceding March 31, 2013, with a floor of \$.45 per share. The number of shares of Common Stock issuable pursuant to the automatic conversion ranges from a minimum of 366,666 shares to a maximum of 488,888 shares.

Optional Conversion into Common Stock. Commencing July 1, 2012, each Preferred Share shall at the option of the holder become convertible into Common Shares based on a conversion price of the lower of \$.60 per share or 85% of the average closing sales price for the Company's Common Stock on the OTC Bulletin Board (or Pink Sheets) for the 20 trading days immediately preceding the Conversion Date, with a floor of \$.45 per share.

Conversion Premium. Upon calculation of the number of Common Shares, the Preferred Shareholder is entitled to receive upon conversion of Series 1 Preferred Stock into Common Stock, the investor will receive an additional 8% premium. Accordingly, once the number of Common Shares is determined based upon the automatic conversion or optional conversion formulas set forth above, the investor will have that number of Common Stock multiplied by 1.08 (i.e. 108%) to determine the actual number of Common Shares to be issued upon conversion.

On July 10, 2012, the Company sold 1,347,201 shares of its Common Stock to various investors at \$.45 per share subject to certain anti-dilution rights for a period of twenty four months. The Company received gross proceeds of \$606,240 before offering costs. Each investor received Fixed Price Warrants to purchase 50% of the number of shares of Common Stock purchased in the Offering. The Fixed Price Warrants are exercisable at any time from the date of issuance through July 10, 2017 at an exercise price of \$.55. Each investor also received a Warrant to (2) purchase 20% of the number of shares that were purchased in the Offering (the "Milestone Warrants"). The Milestone Warrants will automatically be exercised without any additional consideration to be paid in the event the Company reports audited gross revenues of less than \$5,000,000 for the period July 1, 2012 through June 30, 2013 unless the volume weighted average price for the Company's Common Stock exceeds \$1.00 per share for a period of at least 30 trading days prior to January 5, 2013. In January, 2013, we issued 673,598 shares pursuant to the anti-dilution rights of said securities.

Series 1 Preferred Stockholders have agreed to exchange 250,000 shares of Series 1 Preferred Stock for 833,334 (3) shares of Common Stock and Warrants to purchase 416,667 shares exercisable at \$.50 per share through December 15, 2017.

In November 2012, immediately prior to this offering, the Company raised \$301,000 from the sale of 1,033,336 shares of Common Stock at \$.30 per share. For every two shares of Common Stock sold in the private offering, the (4) investor received one Warrant to purchase one share of Common Stock at \$.50 per share exercisable through December 15, 2017. Warrants to purchase 501,668 shares of Common Stock were issued in connection with this Offering. No commissions were paid.

In June 2011, the Company hired the Placement Agent to furnish ongoing investor awareness and business advisory services, including, without limitation, assistance with investor presentations, identification and evaluation of financing transactions and introductions to broker/dealers and research analysts. For the period June 2011 through May 2012, the Company paid the Placement Agent \$10,000 per month and 25,000 shares of restricted Common Stock. Effective June 1, 2012, a new one-year agreement was entered into for the Placement Agent to continue to provide the same investor awareness and business awareness services to the Company at a (5) monthly cash cost of \$10,000 and 100,000 restricted shares of Common Stock to be issued on a quarterly basis. On November 8, 2012, the Placement Agent and the Company agreed to terminate the advisory agreement which had an effective date of June 1, 2012, with 200,000 shares to be issued to Legend. On November 12, 2012, a new advisory agreement was entered into pursuant to which Legend received a five-year warrant to purchase 125,000 shares of Common Stock at an exercise price of \$.35 per share. During July 2012, the Company also issued 5 year Warrants to purchase 37,250 shares exercisable at \$.55 per share to a consultant, which are not reflected in the table above.

On March 31, 2013, based upon the current trading price of our outstanding Common Stock, the then outstanding (6) 220,000 shares of Series 1 Preferred Shares automatically converted into 528,000 shares of Common Stock based upon a conversion price of \$.45 per share and an 8% premium.

Between January 1, 2014 and the date of this report, the Company has raised gross proceeds of \$2,160,300 from the sale of its Common Stock (including \$175,000 of the stock subscription receivables) at \$.30 per share. In connection with this private placement offering, the Company has issued 7,201,000 shares of Common Stock and Class BB Warrants to purchase 3,600,500 shares of Common Stock at an exercise price of \$.50 per share through December 15, 2017.

On March 31, 2014, the Company entered into a Common Stock Purchase Agreement (the “Purchase Agreement”) with Aspire Capital Fund, LLC, an Illinois limited liability company (“Aspire Capital”), which provides that, upon the terms and subject to the conditions and limitations set forth therein, Aspire Capital is committed to purchase up to an aggregate of \$15 million of shares of the Company’s common stock (the “Purchase Shares”) over the two-year term of the Purchase Agreement.

Upon execution of the Purchase Agreement, the Company issued 1,000,000 shares of its common stock to Aspire Capital in consideration for entering into the Purchase Agreement (the “Commitment Shares”) and sold 1,000,000 shares to Aspire Capital for an aggregate purchase price of \$500,000 (the “Initial Shares”). The Purchase Shares may be sold by the Company to Aspire Capital on any business day the Company selects in two ways: (1) through a regular purchase of up to 200,000 shares at a known price based on the market price of our common stock prior to the time of each sale, and (2) through a VWAP purchase of a number of shares up to 30% of the volume traded on the purchase date at a price equal to the lesser of the closing sale price or 95% of the volume weighted average price for such purchase date.

The issuance of the Commitment Shares, the Initial Shares and all other shares of common stock that may be issued from time to time to Aspire Capital under the Purchase Agreement is exempt from registration under the Securities Act of 1933, as amended (the “Securities Act”), pursuant to the exemption for transactions by an issuer not involving any public offering under Section 4(2) of the Securities Act.

#### **Item 17. Undertakings**

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

i. To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

ii. To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement.

iii. To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

(5) Each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

**SIGNATURES**

In accordance with the requirements of the Securities Act of 1933, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements of filing on Form S-1 and authorizes this Pre-Effective Amendment No. 1 to the Registration Statement to be signed on its behalf by the undersigned, in Garden City, New York, on April 23, 2014.
