**Safe Harbor**

**This discussion will contain forward-looking statements within the meaning of the federal securities laws, including statements about the growth of the display market and our financial performance. The forward-looking statements are subject to risks and uncertainties that could cause the results to differ from those projected.**

**The risks and uncertainties include the actual growth of the display market, the acceptance of our products in that market, our ability to introduce new products on a timely basis, changes in product mix, our ability to integrate acquired technologies, and general economic conditions. Other risk factors are listed in our SEC reports, including but not limited to the Form S-4 registration statement filed by Pixelworks on April 18, 2003, and the most recent annual reports on Form 10-K and quarterly reports on Form 10-Q filed by each of Genesis and Pixelworks.**
