On September 29, 2004, United Dominion Realty Trust, Inc. (the Company) filed with the Securities and Exchange Commission a Current Report on Form 8-K dated September 28, 2004 (Commission File No. 1-10524), reporting that the Company, through a subsidiary, had during the 2004 fiscal year acquired or proposed to acquire various apartment communities located in Maryland, Tennessee, California and Oregon. The Company filed with the Form 8-K dated September 28, 2004 certain financial information indicated under Rule 3-14 and Article 11 of Regulation S-X relating to certain of these properties.

This Current Report on Form 8-K/A is being filed to report that on December 1, 2004, the Company, through its subsidiaries, United Dominion Realty, L.P., a Delaware limited partnership, UDRT of Delaware 4 LLC, a Delaware limited liability company, and UDR Midlands Acquisition LLC, a Delaware limited liability company, completed a transaction to acquire (a) all of the outstanding partnership interests of two partnerships that owned MacAlpine Place, an apartment community in Dunedin, Florida, and The Reserve and The Park at Riverbridge, an apartment community in Greenacres, Florida, and (b) vacant land adjacent to MacAlpine Place, for a total purchase price of \$121 million. Individually, this transaction was not a significant acquisition at the time of the transaction or at the date of this filing under the rules governing the reporting of transactions on Form 8-K. The Company is therefore filing this Current Report on Form 8-K/A to include certain financial information with respect to the additional properties acquired on December 1, 2004 and to provide updated pro forma financial statements for the year ended December 31, 2003 and the nine months ended September 30, 2004.

Report of Independent Registered Public Accounting Firm

The Board of Directors
United Dominion Realty Trust, Inc.

We have audited the accompanying combined statement of revenue and certain expenses of Riverbridge and MacAlpine Place (the Communities) for the year ended December 31, 2003. This combined statement is the responsibility of the management of the Communities. Our responsibility is to express an opinion on this combined statement based on our audit.

We conducted our audit in accordance with standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the combined statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the combined statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall combined statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The accompanying combined statement was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission for inclusion in a Current Report on Form 8-K of United Dominion Realty Trust, Inc., as described in Note 1, and is not intended to be a complete presentation of the Communities' revenue and expenses.

In our opinion, the combined statement referred to above presents fairly, in all material respects, the revenue and certain expenses of Riverbridge and MacAlpine Place for the year ended December 31, 2003, in conformity with U.S. generally accepted accounting principles.

Notes to Combined Statements of Revenue and Certain Expenses

1. Basis of Presentation

In August 2004, a subsidiary of United Dominion Realty Trust, Inc. signed a letter of intent to acquire Riverbridge and MacAlpine Place (the Communities) from The Ballast Point Group.

The combined statements of revenue and certain expenses relate to the operations of the Communities and were prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission, including Rule 3-14 of Regulation S-X. Accordingly, the accompanying combined statements of revenue and certain expenses have been prepared using the accrual method of accounting, and certain expenses such as depreciation, amortization, income taxes, mortgage interest expense and entity expenses are not reflected in the combined statements of revenue and certain expenses, as required by Rule 3-14 of Regulation S-X of the Securities and Exchange Commission. Consequently, the combined statements of revenue and certain expenses for the periods presented are not representative of the actual operations for the periods presented, as certain revenues and expenses which may not be in the proposed future operations of the Communities have been excluded in accordance with Rule 3-14 of Regulation S-X.

The accompanying unaudited interim combined statement of revenue and certain expenses has been prepared pursuant to the rules and regulations of the Securities and Exchange Commission and was prepared on the same basis as the combined statement of revenue and certain expenses for the year ended December 31, 2003. In the opinion of management of the Communities, all adjustments, consisting only of normal recurring adjustments necessary for a fair presentation of the information for this interim period have been made. The revenue in excess of certain expenses for such interim period is not necessarily indicative of the excess of revenue over certain expenses for the full year.

The Communities consist of the following:

Property Name	Number of Units	Location
Riverbridge	636	West Palm Beach, FL
MacAlpine Place	476	Dunedin, FL

2. Summary of Significant Accounting Policies

Revenue Recognition

The apartment homes are leased under operating leases with terms of generally one year or less. Rental income is recognized as it is earned, which is not materially different than on a straight-line basis.

Repairs and Maintenance

Repairs and maintenance costs are expensed as incurred, while significant improvements, renovations and replacements are capitalized.

Estimates

The preparation of the combined statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

3. Related Party Transactions

Affiliates of the Communities performed the property management function and charged total management fees of 3% of rental and other property income for this service for 2003 and the six-month period ended June 30, 2004. Management fees in the amount of \$362,898 and \$182,319 were charged to the Communities during 2003 and the six-month period ended June 30, 2004, respectively.
