PROXY STATEMENT
FOR
2016 ANNUAL MEETING OF STOCKHOLDERS
OF
AEROCENTURY CORP.
TO BE HELD ON MAY 5, 2016

This Proxy Statement and the enclosed proxy card are furnished in connection with the solicitation by the Board of Directors (the "Board") of AEROCENTURY CORP. (the "Company") of proxies to be voted at the 2016 Annual Meeting of Stockholders (the "2016 Annual Meeting" or the "Annual Meeting"), which will be held at 12:00 p.m. on May 5, 2016, at the Hiller Aviation Museum, 601 Skyway Road, San Carlos, California, or at any adjournments or postponements thereof, for the purposes set forth in the accompanying Notice of 2016 Annual Meeting of Stockholders. You do not need to attend the meeting to vote your shares. Instead, you may simply complete, date, sign and return the attached proxy card. This Proxy Statement and the proxy card were first mailed to stockholders on or about March 23, 2016.

The Company's 2015 Annual Report was mailed to stockholders concurrently with this Proxy Statement. The 2015 Annual Report is not to be regarded as proxy soliciting material or as a communication by means of which any solicitation of proxies is to be made.

VOTING RIGHTS AND SOLICITATION

Record Date and Required Quorum. The close of business on March 15, 2016, was the record date for stockholders entitled to notice of, and to vote at, the 2016 Annual Meeting. As of that date, the Company had 1,566,699 shares of Common Stock, \$0.001 par value (the "Common Stock"), issued and outstanding, excluding shares held by the Company as treasury stock. The presence at the Annual Meeting of a majority of the issued and outstanding shares of Common Stock, or 783,350 shares, either present in person or represented by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. All of the shares of the Company's Common Stock outstanding on the record date are entitled to vote at the 2016 Annual Meeting, and stockholders of record entitled to vote at the Annual Meeting will have one vote for each share of Common Stock so held with regard to each matter to be voted upon. Your proxy may be revoked at any time prior to the time it is voted.

Voting if you are the Registered Holder of Shares. If your shares are registered directly in your name with the Company's transfer agent, Continental Stock Transfer & Trust Co., you are considered the "stockholder of record" with respect to these shares and the Company is sending these proxy materials directly to you. As the stockholder of record, you have the right to grant your voting proxy directly to the Company by completing the enclosed proxy card or to vote in person at the Annual Meeting. To grant your voting proxy, you should return the enclosed proxy card to the Company.

Voting if you hold shares in a Brokerage or other Nominee Account. If your shares are held by a broker or by a bank or other nominee (each, a "Record Holder") in a brokerage or other account, then you are considered the "beneficial owner" of shares held "in street name." Your Record Holder is considered the stockholder of record with respect to those shares, and has forwarded these proxy materials to you. As the beneficial owner of your shares, you have the right to direct your Record Holder on how to vote. To direct your Record Holder on how to vote your shares, you must follow the procedure explained in the accompanying materials provided by your Record Holder, which procedure generally consists of completing and returning to your Record Holder an instruction card that was sent to you by the Record Holder along with this Proxy Statement. Your Record Holder may also have provided information on how to give voting instructions to the Record Holder by telephone or online through the Internet. Notwithstanding that your Record Holder will be voting your shares on your behalf and as instructed by you, you may still attend the Annual Meeting. If you are going to attend the meeting and want to vote your shares directly there rather than have your Record Holder vote your shares, you must obtain a proxy card issued in your name from the Record Holder with

respect to your shares.

Effect of Returning the Proxy Card to the Company. Shares of the Company's Common Stock represented by proxies in the accompanying form that are properly executed and returned to the Company will be voted at the 2016 Annual Meeting in accordance with the instructions of the stockholder of record contained therein. In the absence of contrary instructions, shares represented by such proxies will be voted FOR the election of the director candidate as described herein under "Proposal 1: Election of Director"; FOR approval, in an advisory (non-binding) vote, of the Company's executive compensation as disclosed in this Proxy Statement as described herein under "Proposal 2: Advisory Vote on Executive Compensation"; and FOR ratification of the selection of BDO USA, LLP as independent registered public accounting firm as described herein under "Proposal 3: Ratification of Selection of Independent Registered Public Accounting Firm."

The Company does not know of any matters to be presented at the Annual Meeting other than those set forth in this Proxy Statement and in the Notice accompanying this Proxy Statement. If other matters should properly come before the Annual Meeting, the proxy holders will vote on such matters in accordance with their best judgment. Proxies will confer upon the proxy holders discretionary authority to vote upon matters that may properly be raised at the Annual Meeting, but are unknown to the Company as of the date hereof. In addition, the proxies confer upon the proxy holders the authority to adjourn or postpone the Annual Meeting in order to assure that all stockholders who wish to vote on the matters will be able to cast their votes and to act upon the matters incident to the conduct of the meeting.

Revocation of a Previously Submitted Proxy. Any stockholder of record has the right to revoke his or her proxy at any time before it is voted at the Annual Meeting by: (1) delivering to the Company (to the attention of Toni M. Perazzo, Secretary, 1440 Chapin Avenue, Suite 310, Burlingame, California 94010) a written notice of revocation; or (2) delivering a duly executed proxy or voting instructions bearing a later date than the proxy being revoked (to the attention of Toni M. Perazzo, Secretary, 1440 Chapin Avenue, Suite 310, Burlingame, California 94010) or (3) attending the Annual Meeting and voting in person.

Effect of Broker Non-Votes. A "broker non-vote" occurs when a Record Holder lacks discretionary voting power to vote on a "non-routine" proposal and the beneficial owner fails to give the Record Holder voting instructions on that matter. Broker non-votes are, in all cases, counted for purposes of determining a quorum for the Annual Meeting. Under the rules of the New York Stock Exchange, however, the effect of a broker non-vote depends upon whether the broker non-vote occurs with respect to "routine" or "non-routine" matters presented at the Annual Meeting, as discussed below.

Non-Routine Matters Presented at the 2016 Stockholders' Meeting The election of directors (Proposal 1) and the advisory vote on executive compensation (Proposal 2) are considered "non-routine" matters. If you are a beneficial owner, failure to provide instructions to your Record Holder in the manner directed by your Record Holder will result in your shares not being voted by the Record Holder in connection with these proposals. Your Record Holder has enclosed or otherwise provided to you a voting instruction card for you to use in directing the Record Holder how to vote your shares. Your Record Holder may also have provided information regarding how to give voting instructions through the Internet or by telephone.

Routine Matters Presented at the 2016 Stockholders' Meeting. The ratification of the selection of BDO USA, LLP as the Company's independent registered public accounting firm for fiscal year 2016 is currently considered a "routine" matter, and your Record Holder has the discretionary voting power to vote your shares on this matter even if you fail to return the voting instruction card to your Record Holder.

Stockholder Vote Required to Approve Proposal 1. The election of a director by stockholders shall be determined by a plurality of the votes cast by the stockholders of record entitled to vote at the election, present in person or represented by proxy. The candidate receiving the greatest number of affirmative votes of the shares present in person, or represented by proxy, and entitled to vote at the Annual Meeting will be elected, provided a quorum is present.

Abstentions and broker non-votes will not be counted toward a candidate's total. Because Record Holders who hold shares for a beneficial owner "in street name" do not have discretionary voting authority over such shares in an election of directors, shares held "in street name" will not be voted in this election for a director unless the beneficial owner specifically instructs the Record Holder on how to vote.

Stockholder Vote Required to Approve Proposal 2. The proposal on approval of executive compensation will be approved in a non-binding advisory vote if the votes cast in favor exceed the votes cast against approval. Abstentions and broker non-votes will not be counted as either a vote "For" or "Against" Proposal 2. Because Record Holders who hold shares "in street name" do not have discretionary voting authority over such shares in such non-routine matters, shares held "in street name" will not be voted on this advisory vote on executive compensation unless the beneficial owner specifically instructs the Record Holder on how to vote.

Stockholder Vote Required to Approve Proposal 3. Ratification of the Company's selection of independent registered public accounting firm will require the affirmative vote of a majority of the shares present in person, or represented by proxy, and entitled to vote at the Annual Meeting, provided a quorum is present. As a result, abstentions and broker non-votes will have the same effect as votes against the proposal. As stated above, a Record Holder that holds shares "in street name" has discretionary voting power to vote on this matter in the absence of instruction from the beneficial owner.

Proxy Solicitation. The entire cost of soliciting proxies will be borne by the Company. Proxies will be solicited principally through the use of the mails, but, if deemed desirable, may be solicited personally or by telephone, facsimile or special letter by officers and Company employees for no additional compensation. Arrangements may be made with brokerage houses and other custodians, nominees and fiduciaries to send proxies and proxy material to the beneficial owners of the Company's Common Stock, and such persons may be reimbursed for their expenses.

HOUSEHOLDING OF ANNUAL MEETING MATERIALS

Some Record Holders may be participating in the practice of "householding" proxy statements and annual reports. This means that only one copy of the proxy statement and annual report may have been sent to multiple stockholders sharing the same household. The Company will promptly deliver a separate copy of either document to any stockholder requesting such copies who contacts the Company's Investor Relations Department at (650) 340-1888 or by mail to 1440 Chapin Avenue, Suite 310, Burlingame, California 94010. If a stockholder is receiving multiple copies of the proxy statement and annual report at the stockholder's household and would like to receive only a single copy of the proxy statement and annual report for a stockholder's household in the future, the stockholder should contact the stockholder's Record Holder, or the Company's Investor Relations Department to request mailing of a single copy of the proxy statement and annual report.

PROPOSAL 1:
ELECTION OF DIRECTOR

One of the Company's five directors will be elected at the 2016 Annual Meeting. The Board of Directors has nominated the nominee set forth below. The proxy holders intend to vote all proxies received by them in the accompanying form FOR the nominee for director listed below, unless instructions to the contrary are marked on the proxy. In the event that the nominee is unable or declines to serve as a director at the time of the 2016 Annual Meeting, the proxies will be voted for any nominee who shall be designated by the present Board of Directors to fill the vacancy. In the event that additional persons are nominated for election as director, the proxy holders intend to vote all proxies received by them for the nominee listed below. As of the date of this Proxy Statement, the Board of Directors is not aware that the nominee is unable or will decline to serve as a director. The term of office of a person elected as a director at the Annual Meeting will continue until the 2019 Annual Meeting of Stockholders or until the director's resignation or removal, or a successor has been elected.

Nominee To Board Of Directors

Mr. Evan M. Wallach, age 61. Mr. Wallach is President and Chief Executive Officer of Global Airfinance Services, Inc., an aviation consulting business he founded in 1998 and returned to in June 2012. Mr. Wallach received a Bachelor's Degree in Political Science from State University of New York at Stony Brook and a Master's Degree in Business Administration from the University of Michigan.

The Board of Directors has concluded that Mr. Wallach should serve as a director of the Company because of his knowledge of the Company's business and history and his expertise in aircraft finance.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE NOMINEE LISTED ABOVE.

**PROPOSAL 2:
ADVISORY VOTE ON EXECUTIVE COMPENSATION**

The Company is requesting your advisory approval of the compensation of the Company's named executive officers as disclosed in the compensation table and the narrative discussion set forth in this Proxy Statement. This non-binding advisory vote is commonly referred to as a "say on pay" vote and is required to be conducted pursuant to Section 14A of the Securities Exchange Act of 1934, as amended. Because the Company receives management services from JetFleet Management Corp. ("JMC"), the Company has no employees and does not pay any compensation to its named executive officers. Instead, the named executive officers of the Company are compensated in their capacities as employees of JMC. You are encouraged to carefully review the information concerning compensation paid by JMC to the Company's named executive officers beneath the caption "Executive Compensation" in the section of this Proxy Statement entitled "Information Regarding the Company's Directors and Officers."

The Company asks you to indicate your support for the compensation of the Company's named executive officers as described in this Proxy Statement. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the named executive officers and the practices described in this Proxy Statement. Accordingly, the Company requests that you vote, on an advisory basis, "FOR" the following resolution at the Annual Meeting:

"RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, is hereby approved."

While the results of this advisory vote are not binding, the Board of Directors will consider the outcome of the vote in deciding whether to take any action as a result of the vote and when making future compensation decisions for named executive officers.

The Company currently anticipates that it will conduct a "say on pay" advisory vote every year and anticipates that the next "say on pay" vote will occur at the 2017 annual meeting. The Company also currently intends to ask stockholders every six years whether the "say on pay" vote should occur every one, two or three years. The Company currently anticipates that the next advisory vote as to frequency of "say on pay" advisory votes will occur at the 2019 annual meeting.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS AS DISCLOSED IN THIS PROXY STATEMENT.

PROPOSAL 3:
RATIFICATION OF SELECTION OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The firm of BDO USA, LLP served as independent registered public accounting firm for the Company for the fiscal year ended December 31, 2015. The Board of Directors desires that the firm continue in this capacity for the 2016 fiscal year. Accordingly, a proposal will be presented at the Annual Meeting to ratify the selection by the Board of Directors of BDO USA, LLP as the independent registered public accounting firm to audit the accounts and records of the Company for the fiscal year ending December 31, 2016, and to perform other appropriate services. In the event that stockholders fail to ratify the selection of BDO USA, LLP, the Board of Directors will reconsider such selection.

A representative of BDO USA, LLP will be present at the Annual Meeting, will have the opportunity to make a statement if he or she so desires and will be available to respond to appropriate questions.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE RATIFICATION OF
THE SELECTION OF BDO USA, LLP AS INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

Orr and Hahn is also an "independent director" within the meaning of Section 803A of the NYSE MKT Company Guide. Mr. Orr is a self-employed accounting consultant and former partner of the accounting firms Bregante + Company LLP and Arthur Young & Co., Certified Public Accountants. Mr. Hahn is a founder of Marbridge Group, LLC, an alternative investment management firm, and prior to that was a tax partner in the accounting firms of Coopers & Lybrand and Arthur Young & Co. In the course of their respective careers, each of Messrs. Orr and Hahn acquired (i) an understanding of generally accepted accounting principles and financial statements, (ii) the ability to assess the general application of such principles in connection

with the accounting for estimates, accruals and reserves, (iii) experience preparing, auditing, analyzing or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Company's financial statements, (iv) an understanding of internal control over financial reporting, and (v) an understanding of audit committee functions.

The Audit Committee held seven meetings during the fiscal year ended December 31, 2015.

The Executive Committee has the authority to acquire, dispose of and finance investments for the Company and execute contracts and agreements, including those related to the borrowing of money by the Company, and generally exercises all other powers of the Board of Directors except for those which require action by all of the directors or the independent directors under the Certificate of Incorporation or the Bylaws of the Company, or under applicable law. The Executive Committee currently consists of only one director, Toni M. Perazzo.

The Company does not have a formal Nominating Committee. The independent directors separately consider and make recommendations to the full Board of Directors regarding any candidate being considered to serve on the Board of Directors. The full Board of Directors reviews potential candidates for the Board of Directors. While the Board of Directors does not have a specific policy for considering nominees recommended by stockholders, this does not mean that a recommendation would not be considered if received from a stockholder. The Board has not yet considered a procedure for considering nominees recommended by stockholders in addition to the procedures already set forth in the Bylaws of the Company. It believes that the current informal consideration process has been adequate in light of the historical absence of stockholder proposals. In any event, there would be no difference between the manner in which the Board of Directors would evaluate a nominee for director whether recommended by a stockholder or recommended by a member of the Board of Directors or one of the Company's executive officers. The Company does not pay any third party to identify or assist in identifying or evaluating potential nominees. Additionally, other than attempting to constitute the Board of Directors with directors who have skills and experience that are relevant and helpful to the Company's industry and operations and who have the desire and capacity to actively serve, the Board of Directors does not have a policy of considering diversity in identifying director nominees.

In reviewing potential candidates for the Board, the Board of Directors considers the individual's experience in the Company's industry, the general business or other experience of the candidate, the needs of the Company for an additional or replacement director, the personality of the candidate, and the candidate's interest in the business of the Company, as well as numerous other subjective criteria. Of greatest importance is the individual's integrity, willingness to actively participate and ability to bring to the Company his or her experience and knowledge in areas that are most beneficial to the Company. The Board intends to continue to evaluate candidates for election to the Board on the basis of the foregoing criteria.

Since the Company receives management services from JMC, the Company has no employees and does not pay any compensation to its officers. As a result, the Company has no compensation committee.

Board Leadership Structure

The Board believes that the Company's Interim President is best situated to serve as Interim Chair of the Board because she is the director most familiar with the Company's business and industry, and most capable of effectively identifying strategic priorities for the Company, leading the Board in discussions regarding the Company's business and industry, and focusing the Board on execution of strategy. Independent directors and management have different perspectives and roles in strategy development. The Company's independent directors bring experience, oversight and expertise from outside the Company and its industry, while the Interim President brings Company-specific and industry-specific experience and expertise. The Board believes that the combined role of Chair and President promotes strategy development and execution, and facilitates information flow between management and the Board, which are essential to effective governance.

Board of Directors' Role in Risk Oversight

The Company is exposed to a number of operational and financial risks. The Board plays an active role in overseeing management of such risks. The Company's Interim President (who is herself a member of the Board) is directly responsible for a number of operational risks, such as the risks inherent in acquiring and owning used aircraft or engines, the risks associated with leasing such aircraft or engines to air carriers, and the risks inherent in disposing of such aircraft or engines. The Board regularly receives reports from the Interim President on these risks and works closely with the Company's management on strategies to manage these risks and to develop contingency plans. The Company's Chief Financial Officer (who is also currently the Interim President) is directly responsible for a number of financial risks, such as the risks associated with the Company's credit and liquidity. The Board regularly receives reports from the Chief Financial Officer on these risks and works closely with the Company's management on strategies to manage these risks and to develop contingency plans. The Board also meets and confers regularly with the Company's management to identify other risks faced by the Company. The Company believes that the inclusion of senior management of the Company on the Board provides the Board with visibility into and access to the details underlying the risks the Company faces, and thereby enhances the quality of the Board's risk oversight. Also, the Audit Committee oversees management of certain specific financial risks, such as variable interest rate risk.

Communication between Stockholders and Directors

The Company's Board of Directors currently does not have a formal process for stockholders to send communications to the Board of Directors and does not believe such procedures are necessary at this time because it believes that informal communications are sufficient to communicate questions, comments and observations that could be useful to the Board.

Director Attendance at Annual Meeting

It is the policy of the Company and Board of Directors that directors attend the Annual Meeting and be available for questions from the stockholders. All directors, including the directors nominated for election, were in attendance at the 2015 Annual Meeting. It is anticipated that the director nominated for election at the 2016 Annual Meeting will also be in attendance at that meeting.

Board Independence

If the nominee to the Board of Directors is elected, a majority of the Board of Directors of the Company, consisting of Messrs. Orr, Hahn, Wallach and Wilson, will be "independent directors," as defined in accordance with Section 803A of the NYSE MKT Company Guide.

Involvement in Legal Proceedings

No director or associate of a director is involved in a material proceeding as a party adverse to the Company or with a material interest adverse to the Company.

Director Compensation

Non-employee board members receive an annual fee of \$25,000, paid in quarterly installments and are also reimbursed for all reasonable out-of-pocket costs incurred in connection with their attendance at such meetings of the Board of Directors. Non-employee members also receive \$1,000 annually for each committee membership, and the audit committee Chair receives an additional \$3,000. Board members who are officers of the Company do not receive any compensation for Board or committee membership. No member of the Company's Board of Directors receives equity compensation in relation to his/her service as a member of the Company's Board of Directors.

The table below provides the compensation of the Company's current directors for the fiscal year ended December 31, 2015.

FISCAL YEAR 2015 DIRECTOR COMPENSATION

(1) Toni M. Perazzo was an officer of the Company and JMC during 2015 and therefore did not receive compensation for her service as a member of the Company's Board of Directors or committee thereof, in accordance with the Company's director compensation policy. Mr. Orr earned \$25,000 as a non-employee member of the Board, an additional \$1,000 for his membership on the Audit Committee and an additional \$3,000 for chairing the Audit Committee. Each of Messrs. Wilson, Wallach and Hahn earned \$25,000 as a non-employee member of the Board. Messrs. Wallach and Hahn each earned an additional \$1,000 for their respective memberships on the Audit Committee during the year, and Mr. Wilson earned an additional \$750 for a partial year of membership on the Audit Committee.

Executive Compensation

Because the Company receives management services from JMC, the Company has no employees and does not pay any compensation to its executive officers. Instead, the executive officers of the Company are compensated in their capacities as employees of JMC. JMC is an at-will employer, and none of the Company's current executive officers has an employment agreement with JMC. The compensation paid by JMC to the Company's executive officers consists solely of base salary plus bonus payments. Ms. Toni M. Perazzo, in her capacity as Interim President of JMC, has sole discretion in determining annual salary and bonus payments for the JMC officers and employees, including her own salary and bonus.

The following table sets forth certain information for the fiscal years ending December 31, 2014 and December 31, 2015, concerning compensation paid by JMC to the Company's executive officers who were serving as such at December 31, 2015:

SUMMARY COMPENSATION TABLE

Name and Position	Year	Salary (\$)	Bonus (\$)	All Other Compensation (\$)	Total (\$)
Neal D. Crispin	2015	1	0	0	1
Former President & Chair of the Board (1)	2014	1	0	0	1
Toni M. Perazzo, Interim President & Chair of the Board; CFO,	2015	310,000	130,000	0	440,000
Treasurer, Senior VP - Finance & Secretary	2014	310,000	170,000	0	480,000

1. Mr. Crispin left the Company on a medical leave effective on December 10, 2015 and passed away on January 26, 2016.

JMC is a wholly-owned subsidiary of JHC. Ms. Perazzo owns or controls approximately 56% of the outstanding shares of stock of JHC, and thus has an indirect ownership interest in JMC of approximately 56%. JHC did not pay any dividends to its stockholders during either 2014 or 2015. The Company paid management fees, acquisition fees and remarketing expense reimbursements to JMC of \$6,028,900 and \$6,453,000 during 2014 and 2015, respectively. As a result of her indirect ownership interest in JMC, Ms. Perazzo had an indirect interest in approximately 56% of these management fees, acquisition fees, and remarketing expense reimbursements, or \$3,376,184 and \$3,613,680 in 2014 and 2015, respectively. Although Ms. Perazzo did not receive any compensation or dividends from JHC in 2014 or 2015, to the extent that the management fees, acquisition fees, and remarketing expense reimbursements paid by the Company to JMC in excess of JMC's expenses in managing the Company's portfolio enhance the value of JMC's equity, and in turn the value of JHC's equity, the payment by the Company of management fees to JMC indirectly enhances the value of Ms. Perazzo's ownership interest in JHC.

JMC Management Fee and Risk Management

Because the Company has no employees, it has no compensation policies or practices that are reasonably likely to have a material adverse effect on the Company. However, the structure of the Company's management fee arrangement with JMC may affect the Company's risk exposure. All decisions regarding acquisitions and disposal of assets from the Company's portfolio are made by JMC. All management fees, acquisition fees and remarketing expense reimbursements paid by the Company to JMC are paid pursuant to the Management Agreement, which was most recently amended and restated on August 17, 2015.

Under the current Management Agreement, the Company pays JMC a monthly management fee in arrears. The monthly management fee is equal to (i) 0.25% of the first \$400 million of the net asset value of the Company's aircraft assets as of the end of the month, plus, (ii) if applicable, 0.20833% of the next \$100 million of net asset value as of the end of the month, plus, (iii) if applicable, 0.16667% of any net asset value in excess of \$500 million as of the end of the month. Upon purchase of an asset or multiple assets in a single transaction, JMC receives an acquisition fee of 3% of the total purchase price paid by the Company, and on a sale of an asset owned by the Company, JMC receives a resale fee of 3% of total purchase price received by the Company. The Management Agreement provides that JMC is responsible for the following expenses, without reimbursement from the Company: all salaries, bonus, cost of employee benefits, and hiring, employment law compliance and attorney expenses for all JMC employees providing services to the Company; all costs of airfare, lodging and reimbursement of JMC employees travelling on Company business; cost of all office space and office equipment utilized in the Company's business; all costs of electronic infrastructure, computer equipment, cell phone services, IT and other office and administrative expenses used or incurred by JMC employees for the Company's business; and all remarketing expenses and fees for third parties engaged by JMC for remarketing, resale or re-lease, except as otherwise approved by the Company for direct compensation by the Company. The Company is, however, responsible to pay directly, or reimburse JMC for, the following expenses: outside corporate and securities compliance counsel fees and expense, local and Federal Aviation Administration and International Registry counsel attorneys fees and expenses incurred in connection with Company aircraft transactions; independent auditor fees and expenses; third party expenses in connection with periodic securities filings and other SEC compliance requirements; director compensation, director and officer liability insurance, hull and liability insurance for the Company's off-lease portfolio, credit facility interest, fees and expenses; lessor payments required under the Company's leases with lessees; income, sales, VAT and all taxes assessed against the Company; and all remarketing expenses and fees for third parties engaged directly by the Company.

Under this management fee structure, a larger volume of acquisitions generates acquisition fees and also increases the periodic management fee by increasing the size of the asset portfolio. This management fee structure may create a situation where a decision by JMC for the Company to forego an asset acquisition transaction deemed to be an unacceptable business risk due to the lessee or the asset type is in conflict with JMC's own pecuniary interest, and conversely a situation where a decision by JMC for the Company to pursue an asset acquisition transaction that presents significant business risk due to the lessee or the asset type furthers JMC's own pecuniary interest. As a result, the management fee structure could act to incent greater risk-taking by JMC in asset acquisition decision-making.

The Company has established objective target guidelines for yields on acquired assets. Further, the Board must approve any acquisition that involves a new asset type, and such approval must include the affirmative vote of a majority of the outside directors. Two further mitigating factors are that JMC is the largest single shareholder of the Company's stock, and that the Company is JMC's sole customer for management service. Therefore, there is a significant concert of interests of both JMC and the Company in decision-making that would promote the optimum financial performance of the Company. While the Company currently believes the foregoing are effective mitigating factors against undue compensation-incented risk-taking by JMC, there is no assurance that such mechanisms can entirely and effectively eliminate such risk.

The current Management Agreement has a term that expires on August 17, 2025. The Management Agreement contains a provision that entitles the Company to unilaterally terminate the Management Agreement prior to its

scheduled expiration. If the Company exercises its right to unilaterally terminate the Management Agreement before its scheduled expiration or JMC terminates the Management Agreement due to a breach of the Management Agreement by the Company, the Company will be required to pay JMC an amount equal to the greater of: (a) \$15,000,000; or (b) the product of: (i) the average of the management fees payable by the Company to JMC during the last twelve calendar months prior to such termination; multiplied by (ii) a number equal to the number of calendar months remaining in the term of the Management Agreement, subject, however, to a minimum of 24 months and a maximum of 36 months.

Because a principal purpose of the Management Agreement is for JMC to manage the Company's aircraft asset portfolio, the Management Agreement is deemed to have been breached and terminated by the Company, resulting in the obligation to pay an amount equal to the early termination fee described above, if the Company sells or disposes of 25% or more of its assets (based upon fair market value) in a transaction not recommended by JMC. The Management Agreement is not affected by a change in control of the Company, such as a merger, acquisition or consolidation of the Company with or by another entity that acquires a majority ownership interest in the Company, and such an event would not cause a termination fee to be payable under the Management Agreement.

The Company recognizes the potential conflicts of interest of Ms. Perazzo's indirect interests in any early termination fee payable by the Company to JMC would present a potential conflict of interest in the context of an early termination of the Management Agreement proposed by the Company. As a result, (i) the independent directors (i.e., the members of the Board of Directors of the Company other than Ms. Perazzo) meet regularly outside of the presence of Ms. Perazzo and other members of the Company's management to provide regular opportunities to discuss these potential conflicts of interest, and (ii) on matters involving the Company's dealings with JMC, such dealings must be approved both by a majority vote of the entire board and by a majority vote of the independent directors.

Compensation Committee Interlocks And Insider Participation

Toni M. Perazzo is an executive officer and director of both the Company and JMC. As described above under "Employee Compensation," the Company receives management services from JMC and has no employees and does not pay any compensation to its executive officers. The Company does not have a compensation committee because it has no employees. None of the Company's executive officers serves on a compensation committee (or any other committee of the board of directors performing similar functions), and there were no interlocks or insider participation between any member of the Board of Directors and any member of the board of directors or any compensation committee of another entity.

RELATED PARTY TRANSACTIONS

Management Agreement. JMC acts as the management company for the Company under the Second Amended and Restated Management Agreement, dated August 17, 2015, between JMC and the Company (the "Management Agreement"). All management fees, acquisition fees and remarketing expense reimbursements paid by the Company to JMC are paid pursuant to the Management Agreement. The officers of the Company are also officers of JMC and the sole member of JMC's Board of Directors is on the Board of Directors of the Company. JMC is a wholly-owned subsidiary of JHC. Ms. Perazzo owns or controls approximately 56% of the outstanding shares of stock of JHC, and thus has an indirect ownership interest in JMC of approximately 56%. As a result of her indirect ownership interest in JMC, Ms. Perazzo has an indirect interest in the management fees, acquisition fees and remarketing expense reimbursements paid by the Company to JMC. Although Ms. Perazzo did not receive any compensation or dividends from JHC in 2015 or 2014, to the extent that the management fees, acquisition fees and remarketing expense reimbursements paid by the Company to JMC, net of expenses incurred by JMC in management of the Company's portfolio, enhance the value of JMC's equity, and in turn the value of JHC's equity, the payment by the Company of management fees to JMC indirectly enhances the value of Ms. Perazzo's ownership interest in JHC.

Office Space. The Company maintains its principal office at the offices of JMC at 1440 Chapin Avenue, Suite 310, Burlingame, California 94010, without reimbursement to JMC.

16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's directors and executive officers and persons who own more than ten percent of a registered class of the Company's equity securities, to file with the Securities and Exchange Commission initial reports of ownership and reports of changes in ownership of Common Stock and other equity securities of the Company. Officers, directors and greater than ten percent stockholders are required by Securities and Exchange Commission regulation to furnish the Company with copies of all Section 16(a) reports they file.

Based solely upon review of the copies of such reports furnished to the Company and written representations that no other reports were required, the Company believes that there was compliance for the fiscal year ended December 31, 2015 with all Section 16(a) filing requirements applicable to the Company's officers, directors and greater than ten percent beneficial owners.
