Item 2.02. Results of Operations and Financial Condition.

The information in this document includes forward-looking statements that are made pursuant to the Safe Harbor Provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements and the business prospects of Pioneer Natural Resources Company (the "Company") are subject to a number of risks and uncertainties that may cause the Company's actual results in future periods to differ materially from the forward-looking statements. These risks and uncertainties include, among other things, volatility of oil and gas prices, product supply and demand, competition, the ability to obtain environmental and other permits and the timing thereof, other government regulation or action, third party approvals, international operations and associated international political and economic instability, litigation, the costs and results of drilling and operations, availability of drilling equipment, the Company's ability to replace reserves, implement its business plans, or complete its development projects as scheduled, access to and cost of capital, uncertainties about estimates of reserves, the assumptions underlying production forecasts, quality of technical data, environmental and weather risks, acts of war or terrorism. These and other risks are described in the Company's 2005 Annual Report on Form 10-K and Quarterly Reports on Form 10-Q that are available from the Company or the United States Securities and Exchange Commission. The Company undertakes no duty to publicly update these statements except as required by law.

On February 6, 2007, the Company issued the news release, with financial statements and schedules, that is attached hereto as exhibit 99.1. In the news release, the Company announced financial and operating results for the quarter and year ended December 31, 2006, provided an operations update and provided the Company's financial and operational outlook for future periods based on current expectations.

On February 6, 2007, the Company also issued the news release, with supplemental schedule, that is attached hereto as exhibit 99.2. In the news release, the Company announced its proved reserves as of December 31, 2006, and related costs incurred for oil and gas producing activities ("Costs Incurred"). The Company also announced reserve additions, reserve replacement percentages and finding and development costs ("F&D Costs") for the one-, three- and five-year periods ended December 31, 2006. The supplemental schedule attached to the news release provides unaudited supplemental information regarding the
