PROXY STATEMENT

GENERAL INFORMATION

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of MDI Entertainment, Inc. (the "Company"), a Delaware corporation, of proxies, in the accompanying form, to be used at the 2001 Annual Meeting of Stockholders to be held at the offices of Mintz, Levin, Cohn, Ferris, Glovsky and Popeo, P.C., 666 Third Avenue, 25th floor, New York, New York 10017 on Friday, June 8, 2001 at 10:30 a.m. Eastern Standard Time, and any adjournments thereof (the "Annual Meeting"). This Proxy Statement and the accompanying proxy are being mailed on or about April 23, 2001 to all Stockholders entitled to notice of and to vote at the Annual Meeting.

Where the stockholder specifies a choice on the proxy as to how his or her shares are to be voted on a particular matter, the shares will be voted accordingly. If no choice is specified, the shares will be voted:

- o FOR the proposal to amend the Company's Certificate of Incorporation to classify the Board of Directors into three classes with staggered terms and to provide procedures for removal of directors and filling vacancies of the Board of Directors,

- o FOR the election of the six nominees for director named herein,

- o FOR the proposal to increase by 800,000 shares the aggregate number of shares of the Company's common stock, par value \$.001 per share (the "Common Stock"), for which stock options and stock awards may be granted under the Company's 1998 Stock Option and Award Plan, and

- o FOR the ratification of the appointment of Arthur Andersen LLP as the independent auditors and accountants for the Company for the fiscal year ending December 31, 2001.

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use by delivering to the Company a written notice of revocation or a duly executed proxy bearing a later date. Any stockholder who has executed a proxy but is present at the Annual Meeting, and who wishes to vote in person, may do so by revoking his or her proxy as described in the preceding sentence. Shares represented by valid proxies in the form enclosed, received in time for use at the Annual Meeting and not revoked at or prior to the Annual Meeting, will be voted at the Annual Meeting. The presence, in person or by proxy, of the holders of a majority of the outstanding shares of the Company's Common Stock and Series B preferred stock, par value \$.001 per share (the "Series B Stock"), is necessary to constitute a quorum at the Annual Meeting. Votes of stockholders of record who are present at the meeting in person or by proxy, abstentions, and broker non-votes (as defined below) are counted as present or represented at the meeting for purposes of determining whether a quorum exists.

Nominees for election as directors at the meeting will be elected by a plurality of the votes of the shares present in person or represented by proxy at the meeting. Withholding authority to vote for a nominee for director will have no effect on the outcome of the vote. For the proposal to increase by 800,000 shares the aggregate number of shares of the Company's Common Stock for which stock options and stock awards may be granted under the Company's 1998

Edgar Filing: MDI ENTERTAINMENT INC - Form DEF 14A

Stock Option and Award Plan, the affirmative vote of a majority of shares of Common Stock and Series B Stock present or represented by proxy and entitled to vote on the matter is necessary for approval. For the proposal to amend the Company's Certificate of Incorporation to provide for a staggered board, the affirmative vote of a majority of the Company's outstanding Common Stock and Series B Preferred Stock is necessary for approval. For the proposal to ratify the appointment of Arthur Andersen LLP as the Company's independent auditors and accountants for the fiscal year ending December 31, 2001, the affirmative vote of the majority of votes cast at the Annual Meeting and entitled to vote is required for approval. Because abstentions are treated as shares present or represented and entitled to vote, abstentions have the same effect as a vote against the proposal to amend the Certificate of Incorporation and the proposal to increase the number of shares under the 1998 Stock Option and Award Plan, but will not have the effect of votes against the proposal to ratify Arthur Andersen LLP as independent accounts for the fiscal year ending December 31, 2001.

If you hold your shares of Common Stock through a broker, bank or other representative, generally the broker or your representative may only vote the Common Stock that it holds for you in accordance with your instructions. However, if it has not timely received your instructions, the broker or your representative may vote on certain matters for which it has discretionary voting authority. If a broker or your representative cannot vote on a particular matter because it does not have discretionary voting authority, this is a "broker non-vote" on that matter. As to the proposal relating to the stock option plan, broker non-votes are not deemed to be present and represented and are not entitled to vote, and therefore will have no effect on the outcome of the vote. As to the proposal relating to the independent auditors, a broker non-vote will have no effect on the outcome of the vote. As to the proposal to amend the Company's Certificate of Incorporation, which requires the affirmative vote of a majority of the Company's outstanding Common Stock, broker non-votes have the same effect as negative votes.

The close of business on April 18, 2001 has been fixed as the record date for determining the stockholders entitled to notice of and to vote at the Annual Meeting. As of the close of business on April 18, 2001, the Company had 11,162,306 shares of Common Stock outstanding and entitled to vote and 444 shares of Series B Stock outstanding and entitled to vote. Each outstanding share of Common Stock is entitled to one vote. Each holder of Series B Stock is entitled to one vote for each share of Common Stock issuable upon conversion of the Series B Stock (1001 shares of Common Stock per 1 shares of Series B Stock) and votes together with the Common Stock as one class on all matters submitted to a vote of the stockholders of the Company.

The cost of soliciting proxies, including expenses in connection with preparing and mailing this Proxy Statement, will be borne by the Company. In addition, the Company will reimburse brokerage firms and other persons representing beneficial owners of Common Stock and Series B Stock of the Company for their expenses in forwarding proxy material to such beneficial owners. Solicitation of proxies by mail may be supplemented by telephone, telegram, telex and personal solicitation by the directors, officers or employees of the Company. No additional compensation will be paid for such solicitation.

A list of stockholders entitled to vote at the Annual Meeting will be available for examination by any stockholder beginning ten days prior to the Annual Meeting, for any purpose germane to the Annual Meeting, during ordinary business hours at the office of the Secretary of the Company at 201 Ann Street, Hartford, Connecticut 06103.

The Transition Report for the seven month period ending December 31,

Edgar Filing: MDI ENTERTAINMENT INC - Form DEF 14A

2000, along with the Annual Report to Stockholders for the fiscal year ended May 31, 2000 is being mailed to the stockholders with this Proxy Statement, but does not constitute a part hereof.

PROPOSAL 1

APPROVAL OF AMENDMENT OF CERTIFICATE OF INCORPORATION TO AUTHORIZE STAGGERED TERMS FOR ELECTION OF DIRECTORS

GENERAL

The Board of Directors has proposed an amendment to the Company's Certificate of Incorporation under which the Board of Directors will be divided into three classes, Class I, Class II and Class III as nearly equal in number as possible, to serve initial terms of one, two and three years, respectively, with each director being assigned to one of the three classes as provided by the Board. Thus, directors elected at the Annual Meeting to Class I will hold office until the 2002 Annual Meeting; those elected to Class II will hold office until the 2003 Annual Meeting; and those elected to Class III will hold office until the 2004 Annual Meeting; or, in each case, the directors will serve until their successors are duly elected and qualified. At each Annual Meeting commencing with the 2002 Annual Meeting, directors elected to succeed those in the class whose terms then expire will be elected to three-year terms, so that the terms of one class of directors will expire each year at the Annual Meeting of stockholders. Thus, after this 2001 Annual Meeting, stockholders will elect only one-third of the directors at each subsequent Annual Meeting. Finally, the staggered board provision will apply to every election of directors, whether or not a change in control of the Company has occurred. A copy of the proposed amendment to the Company's Certificate of Incorporation for the introduction of a classified board ("Classified Board Proposal") is attached hereto as the proposed Article NINTH in Appendix A.

If this proposed Amendment is approved by stockholders, the Company's By-Laws will also be amended by adding or deleting such provisions as may be necessary to make the By-Laws consistent with the Amendment.

REASONS FOR CLASSIFIED BOARD STRUCTURE

A Board of Directors classified as set forth above with staggered terms would facilitate continuity and stability of leadership and policy by assuring that experienced personnel familiar with the Company and its business will be on the Company's Board of Directors at all times. However, there have been no problems with continuity of the Board of Directors in the past. The Board of Directors may also consider expanding the number of positions on the Board as it identifies qualified persons who are willing to serve as directors of the Company. The Company believes that three-year terms for its directors will be more attractive to potential director candidates and thus will make available to the Company more candidates. A classified board with staggered terms would prevent precipitous changes in the composition of the Company's Board of Directors and the manner of its election and, thereby, would make it more difficult to effect changes in the Company's policies, business strategies and operations that management of the Company believes are not in the best interests of the Company and its stockholders. However, a classified board with staggered terms will make it more difficult for stockholders to change the composition of the Company's Board of Directors even if the stockholders believe such a change would be desirable.

Edgar Filing: MDI ENTERTAINMENT INC - Form DEF 14A

POSSIBLE ANTI-TAKEOVER EFFECTS OF CLASSIFIED BOARD PROPOSAL

A classified board is a way to encourage persons seeking to acquire control of the Company to initiate such an acquisition through arm's-length negotiations with the management and Board of Directors of the Company, who would then be in a position to negotiate a transaction that is fair and in the

best interests of all stockholders. A staggered Board of Directors will require at least two Annual Meetings of stockholders, instead of one, for stockholders to effect a change in the majority of the Company's Board of Directors. Under the provisions of the Company's current Certificate of Incorporation and By-Laws, a change in the majority of the Board could be effected at one stockholders' meeting. Although staggered board provisions are not designed to be, and are not, effective against an any-and-all cash tender offer, staggered board provisions have provided boards of directors with additional leverage to negotiate protections for corporate constituencies even after a takeover bidder has acquired a majority of their company's stock. Since the proposed amendment would increase the amount of time required for a takeover bidder to obtain control of the Company without the cooperation of the Company's Board of Directors, even if the takeover bidder were to acquire a majority of the Company's outstanding capital stock, the presence of a staggered board provision might tend to discourage certain types of tender offers, perhaps including some tender offers that stockholders might feel would be in their best interests. As a result, stockholders may be deprived of opportunities to sell some or all of their shares in a tender offer for control, which usually involves a purchase price that is higher than the current market price and often involves a bidding contest between competing takeover bidders.

FILLING BOARD VACANCIES AND REMOVAL OF DIRECTORS

The Classified Board Proposal also provides that any vacancy on the Board of Directors whether by reason of removal, resignation, death or otherwise shall be filled exclusively by a vote of no less than a majority of the remaining directors. Any director appointed by the remaining Board of Directors shall hold office for the remainder of the full term of the class of directors in which the vacancy occurred and until such director's successor is elected and qualified.

Permitting directors rather than stockholders to fill vacancies is consistent with, and supportive of, the purposes of adopting a staggered board since together the two provisions tend to moderate the pace at which the Company's Board of Directors could be changed and is a further deterrent to the strategy of removing existing directors and replacing them with persons chosen by a takeover bidder. In addition, because the Board of Directors fixes the number of directors, it would also prevent those seeking majority representation on the Company's Board from attempting to obtain such representation through expanding the size of the Board and filling the new directorships with their nominees.

Section 141(k) of the Delaware General Corporation law ("Section 141(k)") provides that directors serving on a classified board cannot be removed without cause, unless the certificate of incorporation provides otherwise. The Company's Certificate of Incorporation does not prohibit the application of Section 141(k) to its Board of Directors, and the Classified Board Proposal specifically prohibits removal of directors without cause. Therefore, if the stockholders vote to establish a classified board of directors, the stockholders of the Company could not remove incumbent directors from office without a valid reason for doing so under Delaware law.

STOCKHOLDER VOTE REQUIRED

Edgar Filing: MDI ENTERTAINMENT INC - Form DEF 14A

An affirmative vote of the holders of a majority of the outstanding shares of Common Stock and Series B Stock is required to adopt Proposal 1. Accordingly, abstentions and broker non-votes could have a significant effect on the outcome of this proposal. Proxies solicited by the Board of Directors will be voted in favor of the adoption of Proposal 1 to amend the Certificate of Incorporation to add Article NINTH unless otherwise indicated thereon.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE TO APPROVE THE AMENDMENT TO THE COMPANY'S CERTIFICATE OF INCORPORATION TO ADD ARTICLE NINTH, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR THEREOF UNLESS A STOCKHOLDER HAS INDICATED OTHERWISE ON THE PROXY.

PROPOSAL 2

ELECTION OF DIRECTORS AND MANAGEMENT INFORMATION

The number of directors of the Company is set by a resolution adopted by a majority of the entire Board of Directors. The number of directors is currently fixed at six. The number of directors to be elected at the Annual Meeting to constitute the Board of Directors has also been fixed at six. If the Classified Board Proposal is approved by the stockholders, the Company's Certificate of Incorporation will provide that the Board of Directors shall be divided into three classes that are equal or nearly equal in number to each other and that the three classes initially have terms expiring at the 2002, 2003 and 2004 Annual Meetings of the Company's stockholders. The three classes and the nominees to be elected to each class by the Board are set forth below. At each Annual Meeting subsequent to this Annual Meeting, the successors of the class of directors whose term expires shall be elected to hold office for a term expiring at the Annual Meeting held in the third year following the year of their election. In the event the proposed amendment to the Company's Certificate of Incorporation authorizing a staggered Board of Directors is not approved, then the directors are to be elected to hold office for a period of one year, and in any event until a successor has been elected and qualified. It is intended that the accompanying proxy will be voted in favor of the following persons to serve as directors, unless the stockholder indicates to the contrary on the proxy. Each of the nominees is currently a director of the Company.

The persons named in the accompanying proxy intend to vote for the election as director of the nominees listed herein. Each nominee has consented to serve if elected. The Board of Directors has no reason to believe that any nominee will not serve if elected, but if any of them should become unavailable to serve as a director, and if the Board of Directors designates a substitute nominee or nominees, the persons named as proxies will vote for the substitute nominee or nominees designated by the Board of Directors.

The following table sets forth certain information with respect to each person who is currently a director of the Company and the individuals nominated and recommended to be elected by the Board of Directors of the Company and is based on the records of the Company and information furnished to it by such persons. Reference is made to "Security Ownership of Certain Beneficial Owners and Management" for information pertaining to stock ownership by each director and executive officer of the Company and the nominees.

Prior to joining us, Mr. Kowalczyk was Vice President and Management Supervisor of Yaffe and Company Advertising of Southfield, Michigan from 1995 to 1997. At Yaffe, Mr. Kowalczyk supervised the \$10 million advertising and promotions account and aided the product planning for the Michigan State Lottery. Mr. Kowalczyk also supervised the agency's business development and research functions, and participated in the account planning and management for clients, including health care, financial services and various retail chains. Prior to his time in Michigan, Mr. Kowalczyk managed product planning and marketing, research and the \$32 million advertising and promotional budgets for the Florida Lottery from 1991 to 1995. Under his direction, the lottery reversed a decline in sales growth in the instant ticket product category. Previous to that, Mr. Kowalczyk was the Marketing Director for the Ohio Lottery Commission from 1987 to 1991. He successfully expanded the entire lottery market by introducing instant scratch-off game marketing strategies that have been emulated by virtually every lottery in the years that followed. During his tenure, Ohio Lottery sales increased an average of 16% per year, instant ticket sales increased 58% per year and profitability increased at the rate of 4% per year. Mr. Kowalczyk received his Associate Degree from Lorain County Community College and earned his Executive M.B.A. from the Weatherhead School of Management, Case Western Reserve University, Cleveland, Ohio.

AGGREGATED OPTION EXERCISES IN LAST FISCAL YEAR AND FISCAL YEAR-END OPTION VALUES

The following table provides information regarding the exercises of options by each of the Named Executive Officers during the 2000 fiscal year. In addition, this table includes the number of shares covered by both exercisable and unexercisable stock options as of December 31, 2000 and the values of

Edgar Filing: MDI ENTERTAINMENT INC - Form DEF 14A

"in-the-money" options, which values represent the positive spread between the exercise price of any such option and the fiscal year-end value of the Common Stock.

Name -----	Shares Acquired On Exercise -----	Value Realized (1) ---	Number of Securities Underlying		Value of the Unexe In-The-Money Opti at Fiscal Year-E	
			Unexercised Options at Fiscal Year-End -----	Unexercised Options at Fiscal Year-End -----	Exercisable -----	Unexercisable -----
Kenneth Przysiecki	10,000	\$17,300	10,000	10,000	6,390	\$6,
Robert Kowalczyk	10,000	\$12,300	10,000	10,000	\$6,390	\$6,
Charles W. Kline	6,667	\$11,534	6,667	6,667	\$4,260	\$4,

(1) Amounts shown in this column do not necessarily represent actual value realized from the sale of the shares acquired upon exercise of the option because in many cases the shares are not sold on exercise but continue to be held by the executive officer exercising the option. The amounts shown represent the difference between the option exercise price and the market price on the date of exercise, which is the amount that would have been realized if the shares had been sold immediately upon exercise.

(2) The value of unexercised in-the-money options at fiscal year end assumes a fair market value for the Company's Common Stock of \$0.969, the closing sale price per share of the Company's Common Stock as reported in the Nasdaq Stock Market on December 31, 2000.

DIRECTOR COMPENSATION

Upon election or appointment to the Board of Directors, non-employee directors are granted non-qualified options to purchase 150,000 shares of Common Stock at the fair market value of the Common Stock on the date of grant. In September 1998, Mr. Wussler received stock options outside of the 1998 Stock Option and Award Plan (the "Plan") for 300,000 shares of Common Stock at an exercise price of \$0.37 per share as compensation for his services as one of our outside directors. Messrs. Leavitt and Fineman each received stock options pursuant to the Plan for 150,000 shares of Common Stock at an exercise price of \$0.33 per share as compensation for their services as outside directors. Mr. Malloy received stock options pursuant to the Plan for 132,500 shares of Common Stock at an exercise price of \$1.375 per share and 17,500 stock options outside of the Plan at an exercise price of \$1.375 per share as compensation for his services as an outside director.

401(K) SAVINGS PLAN

In fiscal 1996, we adopted a 401(k) savings plan whereby participants can elect to defer up to a specified maximum of their compensation and we will match their contribution up to 3% of the employee's base salary. In the seven months ended December 31, 2000 and 1999, we contributed \$12,943 and \$10,777 to the plan, respectively. In fiscal years ended May 31, 2000 and 1999, we contributed \$19,631 and \$14,687 to the plan, respectively.

Edgar Filing: MDI ENTERTAINMENT INC - Form DEF 14A

MDIP has entered into an employment agreement with Mr. Saferin, guaranteed by the Company, which expires on the later of August 8, 2002 or three years from the date the Company first files a registration statement with the SEC registering all of the shares of common or preferred stock owned by Mr. Saferin, and the Company's shares are being traded on the New York Stock Exchange, the American Stock Exchange or the NASDAQ Stock Market. Pursuant to his employment agreement, Mr. Saferin receives an annual base salary of \$300,000, which may be increased each year in an amount between 5% and 10% of the salary of the immediately preceding year. In the event that MDIP terminates Mr. Saferin's employment without "good cause" or Mr. Saferin resigns for "good reason," MDIP shall pay an amount equal to the present value sum of the salary fixed at the salary rate on the date of termination or resignation which Mr. Saferin would have received through August 7, 2002 had his employment not been terminated. The agreement does not contain any terms regarding non-competition with the Company after the termination of Mr. Saferin's employment.

Kenneth M. Przysiecki

MDIP, Mr. Saferin and the Company have entered into an employment agreement with Mr. Przysiecki, as amended, on a year to year basis starting from October 1 of each year. However, if employment is terminated by MDIP upon notice, or because of Mr. Przysiecki's death or disability, Mr. Przysiecki is entitled to severance pay equal to one year of his current base salary. The employment agreement provides that Mr. Przysiecki will not compete with MDIP in North America for eighteen months after the termination of his employment. A state court, however, may determine not to enforce such non-compete clause as against public policy.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), requires the Company's directors and executive officers, and persons who beneficially own more than ten percent of a registered class of the Company's equity securities, to file with the Securities and Exchange Commission initial reports of ownership and reports of changes in ownership of Common Stock and the other equity securities of the Company. Officers, directors, and persons who beneficially own more than ten percent of a registered class of the Company's equities are required by the regulations of the Securities and Exchange Commission to furnish the Company with copies of all Section 16(a) forms they file. To the Company's knowledge, based solely on review of the copies of such reports furnished to the Company and written representations that no other reports were required, during the fiscal year ended December 31, 2000, all Section 16(a) filing requirements applicable to its officers, directors, and greater than ten percent beneficial owners were complied with except that an initial report of ownership was filed late by Jonathan Betts; Charles Kline and Kenneth Przysiecki each filed one report covering one transaction late; Robert Kowalczyk filed two reports covering an aggregate of two transactions late; and Venture Partners Capital and International Capital Partners each failed to file a Form 5 by the due date.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Many of the following transactions occurred before, or as a result of, the reverse mergers of MDIP and MDIM with and into us in August 1997.

Since August 1994, our subsidiary, MDIP, has retained 1010 Productions, Inc. ("1010") to consult in the areas of trade show activities, software development, systems design, purchasing and product fulfillment. The president

and sole shareholder of 1010 is Linda Kesterson Saferin, spouse of Steven M. Saferin, and former employee, officer and director of MDIP. 1010 is currently paid \$8,167 per month plus expenses and is retained until December 31, 2000 pursuant to its current consulting agreement with us. This agreement is in the process of being extended.

MDIT, a company of which MDIP previously owned 66.7%, and MDIM, a company of which Mr. Saferin previously owned 91%, have paid MDIP an aggregate management fee of \$10,200 in fiscal 1999 to operate the Texas and Missouri lottery programs. MDIT and MDIM have both been collapsed into MDIP now that the Texas and Missouri lottery contracts have ended.

As a result of the reverse mergers of MDIP and MDIM with and into us in August 1997, we executed a promissory note to Agostino T. Galluzzo in the amount of \$27,000. The note has an annual interest rate of 10% (which started on December 7, 1997) and will be paid in thirty-six equal monthly installments (beginning September 1998). Mr. Galluzzo was a minority stockholder of MDIP and MDIM. In addition, Mr. Galluzzo received 433,876 shares of our Common Stock in

Edgar Filing: MDI ENTERTAINMENT INC - Form DEF 14A

such mergers.

On June 1, 1998, Steven M. Saferin guaranteed our \$500,000 performance bond provided to the Wisconsin lottery.

On September 23, 1998, Steven M. Saferin guaranteed our \$130,000 performance bond provided to the Louisiana lottery.

Fineman & Bach, P.C., a Philadelphia PA law firm that S. David Fineman, one of our directors is associated with, from time to time does legal work for us.

Tulip Media Ltd., a Los Angeles, CA entertainment company that Todd Leavitt, one of our directors, is associated with, from time to time does work in the entertainment field for us.

In October 1999, William G. Malloy was invited to join our Board of Directors. Mr. Malloy is President and Chief Executive Officer of Scientific Games, Inc. which executed a strategic alliance with us. In connection with such alliance, Scientific Games purchased a \$750,000 convertible subordinated debenture from us. In addition, Steven M. Saferin sold 333,333 shares of Common Stock held by him to Scientific Games.

On January 19, 2000, Steven Saferin exchanged a portion of his stock for a note held by a third party and made by us with a remaining principal of \$316,038. The note bears interest at 8% per annum and is payable in monthly installments of \$14,300 with a final payment date of December 1, 2001. The note is secured by liens on substantially all of our assets.

On May 31, 2000 Steven Saferin loaned the President and Chief Executive Officer of The Lottery Channel, Inc. \$108,000 personally for the operational needs of The Lottery Channel. Mr. Saferin received a promissory note bearing interest of 11% per annum.

On September 1, 2000 Steven Saferin loaned the Corporation \$260,000 and received a note payable on demand, bearing interest at a rate of 10% per annum. On September 8, 2000, as part of a loan transaction, the note was replaced with a note secured by substantially all of our assets, payable on January 31, 2001, which bears interest at a rate of 10% per annum. This note has been extended to May 15, 2001.

During the seven months ended December 31, 2000 the Company paid Venture Partners, Ltd. \$90,000 and issued them warrants, which did not become effective until January 1, 2001, to purchase 807,000 shares of the Company's common stock at an exercise price of \$.88 per share. During the same period in 1999 Venture Partners, Ltd. was paid \$25,425 and received warrants to purchase 792,895 shares of common stock at exercise prices ranging from \$1.25 to \$1.31 per share. Jonathan Betts, our Executive Vice President of Finance, is a principal in Venture Partners.

Steven M. Saferin is entitled to a commission equal to 2% of our gross revenue, pursuant to his employment agreement. Mr. Saferin waived the right to approximately \$57,534 and \$67,964 of commissions for the seven months ended December 31 2000 and 1999, respectively.

On March 20, 2001 Steven M. Saferin guaranteed our \$742,800 performance bond provided to the California lottery.

PROPOSAL 3 INCREASE IN THE AGGREGATE NUMBER OF SHARES FOR WHICH STOCK OPTIONS MAY BE GRANTED UNDER THE COMPANY'S 1998 STOCK OPTION AND AWARD PLAN

GENERAL

The Company's Board of Directors approved the 1998 Stock Option and Award Plan (the "Plan") in 1998 and the stockholders approved the Plan in 1999. A total of 800,000 shares of Common Stock were initially reserved for issuance under the Plan. The Plan may be amended by the Board of Directors, provided that any amendment approved by the Board of Directors which is of a scope that requires stockholder approval in order to ensure favorable federal income tax treatment for any incentive stock options under Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"), is subject to obtaining such stockholder approval. The Board of Directors has voted to approve an amendment to the Plan to increase by shares the aggregate number of shares of Common Stock for which stock options and stock awards may be granted under the Plan. This amendment is being submitted for stockholder approval at the Annual Meeting to ensure continued qualification of the Plan under Nasdaq rules and incentive stock option rules. The Board believes that the increase is advisable to give the Company the flexibility needed to attract, retain and motivate employees, directors and consultants. All employees and consultants of the Company and the members of the Board of Directors are eligible to participate in the Plan.

MATERIAL FEATURES OF THE PLAN

The purpose of the Plan is to attract, retain and motivate employees, directors and consultants through the issuance of stock options or stock awards and to encourage ownership of shares of Common Stock by employees, directors and consultants of the Company. The Plan is administered by the Board of Directors or a committee thereof (the "Plan Administrator"). Subject to the provisions of the Plan, the Plan Administrator determines the persons to whom options or awards will be granted, the number of shares to be covered by each option or award and the terms and conditions upon which an option or award may be granted, and has the authority to administer the provisions of the Plan. All employees, directors and consultants of the Company and its affiliates are eligible to participate in the Plan.

Options granted under the Plan may be either (i) options intended to qualify as "incentive stock options" under Section 422 of the Code, or (ii) non-qualified stock options. Incentive stock options may be granted under the Plan to employees of the Company and its affiliates. Non-qualified stock options may be granted to consultants, directors and employees of the Company and its affiliates. Stock awards consist of the sale or transfer by the Company to a plan participant or one or more shares of Common Stock which, unless otherwise determined by the Plan Administrator, are subject to transfer restrictions and the right of the Company to repurchase if certain conditions specified in the award are not satisfied prior to the end of a restriction period. The Plan provides for an automatic grant of non-qualified stock options to purchase 150,000 shares of Common Stock to each non-employee director upon his election or appointment to the Board of Directors at an exercise price equal to the fair market value of the Common Stock on the date of the grant. Such options vest in equal installments over a three-year period. No plan participant may receive more than an aggregate of 250,000 shares of Common Stock by grant of options and/or stock awards during the term of the Plan.

Edgar Filing: MDI ENTERTAINMENT INC - Form DEF 14A

The aggregate fair market value (determined at the time of grant) of

shares issuable pursuant to incentive stock options which become exercisable in any calendar year under any incentive stock option plan of the Company may not exceed \$100,000. Incentive stock options granted under the Plan may not be granted at a price less than the fair market value of the Common Stock on the date of grant, or 110% of fair market value in the case of options granted to an employee holding 10% or more of the voting stock of the Company. Non-qualified stock options are not subject to such limitation. Incentive stock options granted under the Plan expire not more than ten years from the date of grant, or not more than five years from the date of grant in the case of incentive stock options granted to an employee holding 10% or more of the voting stock of the Company. An option granted under the Plan is exercisable, during the optionholder's lifetime, only by the optionholder and is not transferable by him or her except by will or by the laws of descent and distribution. Options granted under the Plan provide for the payment of the exercise price in cash and may be provide for delivery to the Company of shares of Common Stock having a fair market value equal to the exercise price of the options being exercised, or by a combination of such methods. Therefore, an optionholder may be able to tender shares of Common Stock to purchase additional shares of Common Stock and may theoretically exercise all of such optionholder's stock options with no investment.

A stock option granted under the Plan may, at the Plan Administrator's discretion, be exercised after the termination of the optionholder's employment with the Company (other than by reason of death, disability or termination for cause as defined in the Plan) to the extent exercisable on the date of such termination, at any time prior to the earlier of the option's specified expiration date or 90 days after such termination. In the event of the optionholder's death or disability, both incentive stock options and non-qualified stock options generally may be exercised, to the extent exercisable on the date of death or disability (plus a pro rata portion of the option if the option vests periodically), by the optionholder or the optionholder's survivors at any time prior to the earlier of the option's specified expiration date or one year from the date of the optionholder's death or disability. Generally, in the event of the optionholder's termination for cause, all outstanding and unexercised options are forfeited.

If the shares of Common Stock shall be subdivided or combined into a greater or smaller number of shares or if the Company shall issue any shares of Common Stock as a stock dividend on its outstanding Common Stock, the number of shares of Common Stock deliverable upon the exercise of an option granted under the Plan shall be appropriately increased or decreased proportionately, and appropriate adjustments shall be made in the purchase price per share to reflect such subdivision, combination or stock dividend.

Any unexercised options that expire or that terminate upon an employee's ceasing to be employed by the Company become available again for issuance under the Plan.

The Plan may be amended by the Board of Directors, provided that any amendment approved by the Board of Directors which is of a scope that requires Stockholder approval in order to ensure favorable federal income tax treatment for any incentive stock options under Section 422 of the Code, is subject to obtaining such stockholder approval.

As of December 31, 2000, an aggregate of 800,000 shares had been issued upon the exercise of options or are issuable upon the exercise of options outstanding under the Plan. On March 30, 2001, the closing market price per share of the Company's Common Stock was \$2.25, as reported on the Nasdaq Stock

Market.

FEDERAL INCOME TAX CONSIDERATIONS

The following is a description of certain U.S. federal income tax consequences of the issuance and exercise of options under the Plan:

Incentive Stock Options. An incentive stock option does not result in taxable income to the optionee or deduction to the Company at the time it is granted or exercised, provided that no disposition is made by the optionee of the shares acquired pursuant to the option within two years after the date of grant of the option nor within one year after the date of issuance of shares to him (the "ISO holding period"). However, the difference between the fair market value of the shares on the date of exercise and the option price will be an item of tax preference includable in "alternative minimum taxable income." Upon disposition of the shares after the expiration of the ISO holding period, the optionee will generally recognize long term capital gain or loss based on the difference between the disposition proceeds and the option price paid for the shares. Such gain will be eligible for the 20 percent maximum rate introduced by the Taxpayers Relief Act of 1997 if the shares have been held for more than 18 months after option exercise, otherwise such gain will be eligible for the 28% maximum rate. If the shares are disposed of prior to the expiration of the ISO holding period, the optionee generally will recognize taxable compensation, and the Company will have a corresponding deduction, in the year of the disposition, equal to the excess of the fair market value of the shares on the date of exercise of the option over the option price. Any additional gain realized on the disposition will normally constitute capital gain. If the amount realized upon such a disqualifying disposition is less than fair market value of the shares on the date of exercise, the amount of compensation income will be limited to the excess of the amount realized over the optionee's adjusted basis in the shares.

Non-Qualified Stock Options. The grant of a non-qualified option will not result in taxable income to the optionee or deduction to the Company at the time of grant. The optionee will recognize taxable compensation, and the Company will have a corresponding deduction, at the time of exercise in the amount of the excess of the then fair market value of the shares acquired over the option price. Upon disposition of the shares, the optionee will generally realize capital gain or loss, and his basis for determining gain or loss will be the sum of the option price paid for the shares plus the amount of compensation income recognized on exercise of the option.

STOCKHOLDER VOTE REQUIRED

The affirmative vote of a majority of the shares of Common Stock and Series B Stock present in person or represented by proxy at the Annual Meeting and entitled to vote is required for approval to increase the number of shares under the Plan. If such stockholder approval is not obtained, then the increase of shares under the Plan will not be adopted.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ADOPTION OF AN AMENDMENT TO THE COMPANY'S 1998 STOCK OPTION AND AWARD PLAN TO INCREASE BY 800,000 SHARES THE AGGREGATE NUMBER OF SHARES FOR WHICH STOCK OPTIONS MAY BE GRANTED UNDER THE PLAN, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR OF SUCH AMENDMENT UNLESS A STOCKHOLDER HAS INDICATED OTHERWISE ON THE PROXY.

Audit Fees

The Company paid Arthur Andersen LLP a total of \$52,500 for their audit of the Company's annual financial statements for the fiscal year ended December 31, 2000 and for their review of the Company's Quarterly reports on Form 10-QSB filed during the last fiscal year.

All Other Fees

During the Company's fiscal year ended December 31, 2000, the Company paid Arthur Andersen LLP a total of \$1,650 for their provision of other business and financial consulting services.

STOCKHOLDER VOTE REQUIRED

The affirmative vote of a majority of the shares of Common Stock and Series B Stock cast at the Annual Meeting and entitled to vote is required to ratify the appointment of public accountants.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE TO APPROVE THE RATIFICATION OF THE APPOINTMENT OF ARTHUR ANDERSEN LLP AS INDEPENDENT ACCOUNTANTS OF THE COMPANY, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR THEREOF, UNLESS A STOCKHOLDER HAS INDICATED OTHERWISE ON THE PROXY.

meeting of the stockholders of the Corporation at which a quorum is present, the successors of the class of directors whose terms expire at that meeting will be elected by plurality vote of all votes cast at such meeting, to hold office for a term expiring at the annual meeting of stockholders held in the third year following the year of their election. No director or class of directors may be removed from office by a vote of the stockholders at any time except for cause.

2. Any vacancy on the Board of Directors resulting from death, retirement, resignation, disqualification or removal from office or other cause, as well as any vacancy resulting from any increase in the number of directors which occurs between annual meetings of the stockholders at which directors are elected, shall be filled only by a majority vote of the remaining directors then in office, though less than a quorum, except that those vacancies resulting from removal by a vote of the stockholders may be filled by a vote of the stockholders at the same meeting at which such removal occurs. No decrease in the number of directors constituting the Board of Directors shall shorten the term of any incumbent Director.
