RATIO INFORMATION

Edgar Filing: BEAR STEARNS COMPANIES INC - Form S-3

The ratio of earnings to fixed charges was calculated by dividing the sum of the fixed charges into the sum of the earnings before taxes and fixed charges. The ratio of earnings to combined fixed charges and preferred dividends was calculated by dividing the sum of fixed charges and preferred dividends into the sum of earnings before taxes and fixed charges. Fixed charges for purposes of the ratios consist of interest expense and certain other expenses. Preferred dividends represent the pre-tax earnings necessary to cover the dividends on our preferred stock, assuming such earnings are taxed at our consolidated effective tax rate.

The table below presents the ratio of earnings to fixed charges and the ratio of earnings to combined fixed charges and preferred dividends for the fiscal years ended November 30, 2002, 2001 and 2000, the five months ended November 26, 1999 and the fiscal years ended June 30, 1999 and 1998.

DESCRIPTION OF DEBT SECURITIES

This section describes certain general terms and provisions of the debt securities to which any prospectus supplement may relate. The particular terms of any debt securities offered by a prospectus supplement and the extent to which these general terms and provisions will not apply to the particular series of debt securities being offered, will be described in the prospectus supplement relating to that particular series of debt securities.

We will issue the debt securities under the Indenture, dated as of May 31, 1991, as amended (the "Indenture"), between us and JPMorgan Chase Bank (formerly, The Chase Manhattan Bank), as trustee (the "Trustee").

The terms of the debt securities include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended. We have filed a copy of the Indenture as an exhibit to the Registration Statement of which this prospectus forms a part. A copy of the Indenture is available as set forth under the section entitled "Where You Can Find More Information."

This section, along with the description in the applicable prospectus supplement, is a summary of the material provisions of the Indenture and is not complete. It does not restate the Indenture in its entirety. We urge you to read the Indenture because it, and not these descriptions, defines your rights as a holder of debt securities.

General

We may offer debt securities for an aggregate principal amount of up to \$10,327,293,162 under this prospectus. As of the date of this prospectus, we have issued approximately \$79,046,315,588 aggregate principal amount of debt securities under the Indenture, of which \$20,684,337,000 is outstanding. The Indenture permits us to:

issue debt securities at various times in one or more series;

issue an unlimited principal amount of debt securities;

provide for the issuance of other debt securities under the Indenture other than those authorized on the date of this prospectus at various times and without your consent; and

"reopen" a previous issue of a series of debt securities and issue additional debt securities of the series.

Unless we provide otherwise in an applicable prospectus supplement, we will issue debt securities only in registered form without coupons in denominations of \$1,000 and integral multiples of \$1,000, and in bearer form with or without coupons in the denomination of \$5,000. If we issue bearer debt securities of a series, we will describe the federal income tax consequences and other special considerations applicable to those

bearer debt securities in the prospectus supplement relating to that series.

Unless we provide otherwise in the applicable prospectus supplement and subject to any limitations in the Indenture, you may transfer or exchange your registered securities at the corporate trust office or agency of the Trustee in the City and State of New York without paying a service charge, other than applicable tax or governmental charges. Bearer debt securities will be transferable by delivery. We will describe the provisions relating to the exchange of bearer debt securities of any series in the prospectus supplement relating to that series.

If the principal, any premium or interest on the debt securities of any series is payable in a foreign or composite currency, the applicable prospectus supplement will describe any restrictions, elections, federal income tax consequences, specific terms and other information that apply to those debt securities and the currency.

6

We may sell one or more series of debt securities at a substantial discount below the stated principal amount, bearing either no interest or interest at a rate that at the time of issuance is below market rate. One or more series of debt securities may be variable rate debt securities that may be exchanged for fixed rate debt securities. We will describe the federal income tax consequences and other special considerations applicable to a series in the prospectus supplement relating to that series.

Ranking

The debt securities will be unsecured and will rank equally with all of our other unsecured and unsubordinated indebtedness. We extend credit to our subsidiaries at various times. Any credit we may extend to our subsidiaries may be subordinated to the claims of unaffiliated creditors of those subsidiaries.

We are a holding company and depend on the earnings and cash flow of our subsidiaries to meet our obligations under the debt securities. Because the creditors of our subsidiaries generally would have a right to receive payment superior to our right to receive payment from the assets of our subsidiaries, the holders of our debt securities will effectively be subordinated to the creditors of our subsidiaries. If we were to liquidate or reorganize, your right to participate in any distribution of our subsidiaries' assets is necessarily subject to the senior claims of the subsidiaries' creditors. Furthermore, the Exchange Act and the rules of certain exchanges and other regulatory bodies, as well as covenants governing certain indebtedness of our subsidiaries, impose net capital requirements on some of our subsidiaries that limit their ability to pay dividends or make loans and advances to us.

Methods of Receiving Payment on the Debt Securities

Registered Debt Securities. Unless we otherwise provide in the applicable prospectus supplement, if the debt securities are in registered form, then the principal, any premium and interest will be payable at the corporate trust office or agency of the Trustee in the City and State of New York.

Interest payments made before maturity or redemption on registered debt securities may be made:

at our option, by check mailed to the address of the person entitled to payment; or

at your option, if you hold at least \$10 million in principal amount of registered debt securities, by wire transfer to an account you have designated in writing at least 16 days before the date on which the payment is due.

Bearer Debt Securities. Unless we provide otherwise in the applicable prospectus supplement, if the debt securities are in bearer form, then the principal, any premium and interest will be payable at the Trustee's office located outside the United States that is maintained for this purpose. No payment on a bearer debt security will be made by mail to a US address or by wire transfer to an account maintained in the United States, or will otherwise be made inside the United States, unless otherwise provided in the applicable prospectus supplement.

Notices

Registered Debt Securities. Unless otherwise provided in the applicable prospectus supplement, any notice given to a holder of a registered debt security will be mailed to the last address of such holder set forth in the applicable security register.

Bearer Debt Securities. Any notice given to a holder of a bearer debt security will be published in a daily newspaper of general circulation in the city or cities specified in the prospectus supplement relating to such bearer debt security.

Global Securities

The debt securities may be issued in whole or in part in the form of one or more global securities that will be deposited with, or on behalf of, a depositary identified in the prospectus supplement relating to such series. Global securities may be issued in either registered or bearer form and in either temporary or definitive form.

Unless and until a global security is exchanged in whole or in part for the applicable definitive debt securities, a global security may only be transferred as a whole by:

the depositary for the global security to a nominee of the depositary;

a nominee of the depositary to the depositary or another nominee of the depositary; or

the depositary or any nominee of the depositary to a successor of the depositary or a nominee of the successor.

Each prospectus supplement relating to a series will describe the specific terms of the depositary arrangement with respect to the applicable debt securities of that series. We anticipate that the following provisions will apply to all depositary arrangements.

Once a global security is issued, the depositary will credit on its book-entry system the respective principal amounts of the individual debt securities represented by that global security to the accounts of institutions that have accounts with the depositary. These institutions are known as participants. The underwriters for the debt securities will designate the accounts to be credited. However, if we have offered or sold the debt securities either directly or through agents, we or the agents will designate the appropriate accounts to be credited.

Ownership of beneficial interest in a global security will be limited to participants or persons that may hold beneficial interests through participants. Ownership of beneficial interest in a global security will be shown on, and the transfer of that ownership will be effected only through, records maintained by the depositary's participants or persons that hold through participants. The laws of some states require that certain purchasers of securities take physical delivery of securities. Such limits and such laws may limit the market for beneficial interests in a global security.

So long as the depositary for a global security, or its nominee, is the registered owner of a global security, the depositary or nominee, as the case may be, will be considered the sole owner or holder of the debt securities represented by the global security for all purposes under the Indenture. Except as provided below, owners of beneficial interests in a global security:

will not be entitled to have debt securities represented by global securities registered in their names;

will not receive or be entitled to receive physical delivery of debt securities in definitive form; and

will not be considered the owners or holders of these securities under the Indenture.

Subject to the restrictions referred to under the section entitled "Limitations on Issuance of Bearer Debt Securities and Bearer Warrants," payments of principal, any premium and interest on the individual debt securities registered in the name of the depositary or its nominee will be made to the depositary or its nominee, as the case may be, as the holder of such global security. Neither we nor the Trustee will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests of a global security, or for maintaining, supervising or reviewing any records relating to beneficial ownership interests and each of us and the Trustee may act or refrain from acting without liability on any information provided by the depositary.

We expect that the depositary, after receiving any payment of principal, any premium or interest in respect of a global security, will immediately credit the accounts of the participants with payment in

amounts proportionate to their respective holdings in principal amount of beneficial interest in a global security as shown on the records of the depositary. We also expect that payments by participants to owners of beneficial interests in a global security will be governed by standing customer instructions and customary practices, as is now the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such participants.

Receipt by owners of beneficial interests in a temporary global security of payments of principal, any premium or interest relating to their interests will be subject to the restrictions discussed under the section entitled "Limitations on Issuance of Bearer Debt Securities and Bearer Warrants."

If interest is paid on a bearer global security, or if no interest has been paid but the bearer global security remains outstanding beyond a reasonable period of time after the restricted period (as defined in applicable US Treasury regulations) has ended, the depositary must provide us with a certificate to the effect that the owners of the beneficial interests in the bearer global security are non-US persons or US persons that are permitted to hold bearer debt securities under applicable US Treasury regulations.

In general, US persons that are permitted to hold bearer debt securities are US persons who acquire the securities through the foreign branch of certain US financial institutions and certain US financial institutions that hold the bearer debt securities for resale to non-US persons or who hold the bearer debt securities on their own account through a foreign branch. The certificate must be provided within a reasonable period of time after the end of the restricted period, but in no event later than the date when interest is paid. The certificate must be based on statements provided to the depositary by the owners of the beneficial interests.

If the depositary is at any time unwilling or unable or ineligible to continue as depositary and we have not appointed a successor depositary within 90 calendar days, we will issue debt securities in certificated form in exchange for all outstanding global securities.

In addition, we may at any time determine not to have debt securities represented by a global security. In that event, we will issue debt securities in definitive form in exchange for all global securities. An owner of a beneficial interest in the global securities to be exchanged will be entitled to delivery in definitive form of debt securities equal in principal amount to such beneficial interest and to have such debt securities registered in its name. Individual debt securities of the series so issued will be issued as:

- (1) registered debt securities in denominations, unless we specify otherwise, of \$1,000 and integral multiples of \$1,000 if the debt securities of that series are issuable as registered debt securities;
- (2) bearer debt securities in the denomination or denominations we have specified if the debt securities of that series are issuable as bearer debt securities; or
- (3) either registered or bearer debt securities, if the debt securities of that series are issuable in either form.

You should read the section entitled "Limitations on Issuance of Bearer Debt Securities and Bearer Warrants" for a description of certain restrictions on the issuance of individual bearer debt securities in exchange for beneficial interests in a global security.

Limitation on Liens

We may not, and may not permit any of our Restricted Subsidiaries to, issue, incur, assume, guarantee or suffer to exist any indebtedness for borrowed money secured by a pledge of, lien on or security interest in any shares of voting stock of any Restricted Subsidiary without effectively providing that the securities issued under the Indenture, including the debt securities, will be secured equally and ratably with such secured indebtedness.

The term "Restricted Subsidiary" as defined in the Indenture means Bear Stearns, Custodial Trust Company, BSSC and any of our other subsidiaries owning, directly or indirectly, any of the common stock of, or succeeding to a significant portion of the business, property or assets of, a Restricted Subsidiary, or with which a Restricted Subsidiary is merged or consolidated.

Merger and Consolidation

We may consolidate or merge with or into any other corporation, and may sell, lease or convey all or substantially all of our assets to any corporation, organized and existing under the laws of the United States or any US state, if:

- (1) we or any other successor corporation shall not immediately after the merger or consolidation be in default under the Indenture; and
- (2) the continuing corporation (if other than us), or the resulting entity that receives substantially all of our assets, shall expressly assume:
 - (a) payment of the principal of, and premium, if any, and interest on, (and any additional amounts payable in respect of) the debt securities and
 - (b) performance and observance of all of the covenants and conditions of the Indenture to be performed or observed by us.

Unless otherwise provided in the applicable prospectus supplement, the Indenture permits:

- a consolidation, merger, sale of assets or other similar transaction that may adversely affect our creditworthiness or that of a successor or combined entity;
- a change in control; or
- a highly leveraged transaction involving us, whether or not involving a change in control;

and the Indenture, therefore, will not protect holders of the debt securities from the substantial impact that any of the transactions described above may have on the value of the debt securities.

Modification and Waiver

With the consent of the holders of 66²/₃% in principal amount of the outstanding debt securities of each series affected, we and the Trustee may modify or amend the Indenture, without the consent of each holder of the outstanding debt security affected, unless the modification or amendment:

- changes the stated maturity or the date of any installment of principal of, or interest on, any debt security or changes its redemption price or optional redemption price;
- reduces the principal amount of, or the rate of interest on, or the amount of any additional amount payable on, any debt security, or reduces the amount of principal that could be declared due and payable before the stated maturity of that debt security, or changes our obligation to pay any additional amounts (except as permitted under the Indenture), or reduces the amount of principal of a discount security that would be due and payable if accelerated under the Indenture;
- changes the place or currency of any payment of principal, premium, if any, or interest on any debt security;
- impairs the right to institute suit for the enforcement of any payment on or with respect to any debt security;
- reduces the percentage in principal amount of the outstanding debt securities of any series, the consent of whose holders is required to modify or amend the Indenture; or

modifies the foregoing requirements or reduces the percentage of outstanding debt securities necessary to waive any past default to less than a majority.

Edgar Filing: BEAR STEARNS COMPANIES INC - Form S-3

We may make any of these amendments or modifications, however, with the consent of the holder of each outstanding debt security affected.

Except with respect to certain fundamental provisions of which a default would require the consent of the holders of each outstanding security of a series affected to waive, the holders of at least a majority in principal amount of outstanding debt securities of any series may, with respect to that series, waive past defaults under the Indenture and waive compliance with certain provisions of the Indenture, either in a specific instance or generally.

Events of Default

Under the Indenture, an "Event of Default" with respect to any series of debt securities means:

- (1) a failure to pay any interest, or any additional amounts payable, on any debt securities of that series for 30 days after payment is due;
- (2) a failure to pay the principal of, and premium, if any, on any debt security of that series when due;
- (3) a failure to deposit any sinking fund payment when due relating to that series;
- (4) a failure to perform any other covenant contained in the Indenture or relating to that series that has continued for 60 days after written notice was provided;
- (5) a failure lasting 10 days after notice relating to any of our other indebtedness for borrowed money or indebtedness of any Restricted Subsidiary in excess of \$10 million, that results in such indebtedness becoming due and payable before maturity;
- (6) certain events of bankruptcy, insolvency or reorganization; and
- (7) any other Event of Default with respect to debt securities of that series.

Concerning the Trustee

Within 90 days after any default, the Trustee will notify you of the default, unless the default is cured or waived.

The Trustee may withhold notice of a default (except a default relating to the payment of principal, premium or interest, or any additional amounts related to any debt security or the payment of any sinking fund installment), if the Trustee in good faith determines that withholding notice is in your interests.

If a default in the performance or breach of any covenant in the Indenture or relating to that series occurs and continues for 60 days after written notice has been given to us or the Trustee by the holders of at least 25% in principal amount of the outstanding debt securities of a series, the Trustee will not give notice to the holders for at least an additional 30 days after such default.

If an event of default for any series of debt securities occurs and continues, the Trustee or the holders of 25% of the aggregate principal amount (or any lesser amount that the series may provide) of the outstanding debt securities affected by the default may require us to immediately repay the entire principal amount (or any lesser amount that the series may provide) of the outstanding debt securities of such series.

So long as the Trustee has not yet obtained a judgment or decree for payment of money due, and we have paid all amounts due (other than those due solely as a result of acceleration) and have remedied all Events of Default, the holders of a majority in principal amount of the outstanding debt securities of the affected series may rescind any acceleration or may waive any past default. However,

the holders of a majority in principal amount of all outstanding debt securities of the affected series may not waive any Event of Default with respect to any series of debt securities in the following two circumstances:

Edgar Filing: BEAR STEARNS COMPANIES INC - Form S-3

a failure to pay the principal of, and premium, if any, or interest on, or any additional amounts payable in respect of, any debt security of that series for which payment had not been subsequently made; or

a covenant or provision that cannot be modified or amended without the consent of each holder of outstanding debt security of that series.

The holders of a majority in principal amount of the outstanding debt securities of a series may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee with respect to debt securities of that series, provided that this direction is not in conflict with any rule of law or the Indenture. Before proceeding to exercise any right or power under the Indenture at the direction of those holders, the Trustee will be entitled to receive from those holders reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in complying with any such direction.

We are required to deliver to the Trustee an annual statement as to our fulfillment of all of our obligations under the Indenture.

Defeasance

If provided for under the Indenture with respect to debt securities of any series that are registered debt securities denominated and payable only in US dollars (except as otherwise provided under the Indenture), we will:

be discharged from any and all obligations in respect of the debt securities of that series under the Indenture (except for certain obligations to register the transfer or exchange of debt securities of that series, replace stolen, lost or mutilated debt securities of that series, maintain paying agents and hold moneys for payment in trust) on the 91st day after the applicable conditions described in this paragraph have been satisfied; or

not be subject to provisions of the Indenture described above under the subsections entitled " Limitation on Liens" and " Merger and Consolidation" with respect to the debt securities of that series;

in each case if we deposit with the Trustee, in trust, money or US government obligations that, through the payment of interest and principal in accordance with their terms, will provide money in an amount sufficient to pay all the principal (including any mandatory sinking fund payments) of, and premium, if any, and any interest on, the debt securities of that series on the dates such payments are due in accordance with the terms of those debt securities.

To exercise either option, we are required to deliver to the Trustee an opinion of counsel to the effect that:

- (1) the deposit and related defeasance would not cause the holders of the debt securities of the series being defeased to recognize income, gain or loss for US federal income tax purposes; and
- (2) if the debt securities of that series are then listed on the NYSE, the exercise of the option would not result in delisting.

We may specify defeasance provisions with respect to any series of debt securities.

DESCRIPTION OF WARRANTS

This section sets forth certain general terms and provisions of the warrants to which any prospectus supplement may relate. The particular terms of the warrants offered by any prospectus supplement and the extent to which such general terms and provisions will not apply to the warrants so offered will be described in the prospectus supplement relating to those warrants.

We may issue warrants for the purchase of debt securities, warrants to buy or sell debt securities of or guaranteed by the United States or other sovereign states ("Government debt securities"), warrants to buy or sell currencies, currency units or units of a currency index or currency basket, warrants to buy or sell units of a stock index or stock basket and warrants to buy and sell a commodity or units of a commodity index or

basket. Warrants may be offered independently of or together with any series of debt securities and may be attached to or separate from those debt securities. The warrants will be settled either through physical delivery or through payment of a cash settlement value as set forth in this prospectus and in any applicable prospectus supplement.

Each series of warrants will be issued under a separate warrant agreement to be entered into between us and a bank or a trust company, as warrant agent, all as described in the prospectus supplement relating to that series of warrants. The warrant agent will act solely as our agent under the applicable warrant agreement and in connection with the certificates for any warrants of that series, and will not assume any obligation or relationship of agency or trust for or with any holders of those warrant certificates or beneficial owners of those warrants.

This section, along with the description in the applicable prospectus supplement, is a summary of certain provisions of the forms of warrant agreements and warrant certificates and is not complete. We urge you to read the warrant agreements and the warrant certificates, because those documents, and not these descriptions, define your rights as a holder of warrants. We have filed copies of the forms of the warrant agreements and warrant certificates as exhibits to the Registration Statement of which this prospectus is a part. Copies of the forms of warrant agreements and warrant certificates are available as set forth under the section entitled "Where You Can Find More Information."

General

The terms of any particular series of warrants will be described in the prospectus supplement relating to that particular series of warrants, including, where applicable:

- (1) whether the warrant is for debt securities, Government debt securities, currencies, currency units, currency indices or currency baskets, stock indices, stock baskets, commodities, commodity indices or any other index or reference as described in the warrant;
- (2) the offering price;
- (3) the currency, currency unit, currency index or currency basket based on or relating to currencies for which those warrants may be purchased;
- (4) the date on which the right to exercise those warrants will commence and the date on which that right will expire;
- (5) whether those warrants are to be issuable in registered or bearer form;
- (6) whether those warrants are extendible and the period or periods of such extendibility;
- (7) the terms upon which bearer warrants of any series may be exchanged for registered warrants of that series;
- (8) whether those warrants will be issued in book-entry form, as a global warrant certificate, or in certificated form;
- (9) US federal income tax consequences applicable to those warrants; and

13

- (10) any other terms of those warrants not inconsistent with the applicable warrant agreement.

If the offered warrants are to purchase debt securities, the prospectus supplement will also describe:

- (1) the designation, aggregate principal amount, currency, currency unit or currency basket and other terms of the debt securities purchasable upon exercise of those warrants;
- (2) the designation and terms of the debt securities with which those warrants are issued and the number of those warrants issued with each such debt security;
- (3) the date or dates on and after which those warrants and the related debt securities will be separately transferable; and
- (4)

Edgar Filing: BEAR STEARNS COMPANIES INC - Form S-3

the principal amount of debt securities purchasable upon exercise of one offered warrant and the price at which and currency, currency unit or currency basket in which such principal amount of debt securities may be purchased upon such exercise.

Before you exercise your warrants, you will not have any of the rights of holders of the debt securities of the series purchasable upon such exercise, including the right to receive payments of principal, any premium or interest on those debt securities, or to enforce any of the covenants in the Indenture.

If the offered warrants are to buy or sell Government debt securities or a currency, currency unit, currency index or currency basket, the prospectus supplement will describe:

the amount and designation of the Government debt securities or currency, currency unit, currency index or currency basket, as the case may be, subject to each warrant; and

whether those warrants provide for cash settlement or delivery of the Government debt securities or currency, currency unit, currency index or currency basket upon exercise.

If the offered warrants are warrants on a stock index or a stock basket, they will provide for payment of an amount in cash that will be determined by reference to increases or decreases in such stock index or stock basket. The prospectus supplement will describe:

the terms of those warrants;

the stock index or stock basket covered by those warrants; and

the market to which the stock index or stock basket relates.

If the offered warrants are warrants on a commodity or commodity index, those warrants will provide for cash settlement or delivery of the particular commodity or commodity index. The prospectus supplement will describe:

the terms of those warrants;

the commodity or commodity index covered by those warrants; and

any market to which the commodity or commodity index relates.

You may exchange registered warrants of any series for registered warrants of the same series representing in total the number of warrants that you have surrendered for exchange. To the extent permitted, you may exchange warrant certificates and transfer registered warrants at the corporate trust office of the warrant agent for that series of warrants (or any other office indicated in the prospectus supplement relating to that series of warrants).

As the applicable prospectus supplement permits, a single global warrant certificate, registered in the name of the nominee of the depository of the warrants, or definitive certificates that may be

exchanged on a fixed date, or on a date or dates selected by us, for interests in a global warrant certificate may be issued for:

warrants to buy or sell Government debt securities or a currency, currency unit, currency index or currency basket; and

warrants on stock indices or stock baskets or on commodities or commodity indices.

Bearer warrants will be transferable by delivery. The applicable prospectus supplement will describe the terms of exchange applicable to any bearer warrants.

Exercise of Warrants

As set forth in, or calculable from, the prospectus supplement relating to each series of warrants, each warrant you purchase will entitle you to:

buy the equivalent amount of the debt securities;

buy or sell the equivalent amount of Government debt securities;

buy or sell the equivalent amount of a currency, currency unit, currency index or currency basket, commodity or commodities at the exercise price;

receive a settlement value for the equivalent amount of Government debt securities; or

receive a settlement value for the equivalent amount of a currency, currency unit, currency index or currency basket, stock index or stock basket, commodity or commodity index.

You may exercise your warrants at the corporate trust office of the warrant agent (or any other office indicated in the prospectus supplement relating to those warrants) up to 5:00 p.m., New York time, on the date stated in the prospectus supplement relating to those warrants or as may be otherwise stated in the prospectus supplement. If you do not exercise your warrants before the time on that date (or such later date that we may set), your unexercised warrants will become void.

Subject to any restrictions and additional requirements that may be set forth in the prospectus supplement, you may exercise your warrants by:

delivery to the warrant agent of the warrant certificate evidencing such warrants properly completed and duly executed; and

payment as provided in the applicable prospectus supplement of the amount required to purchase the debt securities, or (except in the case of warrants providing for cash settlement) payment for or delivery of the Government debt securities or currency, currency unit, currency basket, stock index, stock basket, commodity or commodity index, as the case may be, purchased or sold upon such exercise.

Only registered debt securities will be issued and delivered upon exercise of registered warrants. Warrants will be deemed to have been exercised upon receipt of such warrant certificate and any payment, if applicable, at the corporate trust office of the warrant agent or any other office indicated in the applicable prospectus supplement and we will, as soon as practicable after such receipt and payment, issue and deliver the debt securities purchasable upon such exercise, or buy or sell such Government debt securities or currency, currency unit, currency basket, commodity or commodities or pay the settlement value in respect of the warrants.

If fewer than all of the warrants represented by such warrant certificate are exercised, a new warrant certificate will be issued for the remaining amount of the warrants. Special provisions relating to the exercise of any bearer warrants or automatic exercise of warrants will be described in the applicable prospectus supplement.

LIMITATIONS ON ISSUANCE OF BEARER DEBT SECURITIES AND BEARER WARRANTS

In compliance with U.S. federal income tax laws and regulations, bearer debt securities, including bearer debt securities in global form, will not be offered, sold, resold or delivered, directly or indirectly, in the United States or its possessions or to "United States Persons," as defined below, except as otherwise permitted by certain U.S. Treasury regulations. Any underwriters, dealers or agents participating in the offerings of bearer debt securities, directly or indirectly, must agree that they will not, in connection with the original issuance of any bearer debt securities or during the "restricted period" (as defined in the Treasury regulations) offer, sell, resell or deliver, directly or indirectly, any bearer debt securities in the United States or to United States Persons, other than as permitted by the Treasury regulations. In addition, any underwriters, dealers or agents must have procedures reasonably designed to ensure that their employees or agents who are directly engaged in selling bearer debt securities are aware of the restrictions on the offering, sale, resale or delivery of bearer debt securities.

Edgar Filing: BEAR STEARNS COMPANIES INC - Form S-3

We will not deliver a bearer debt security (other than a temporary global bearer debt security) in connection with its original issuance or pay interest on any bearer debt security until we have received the written certification provided for in the indenture. Each bearer debt security, other than a temporary global bearer debt security, will bear the following legend on the face of the security and on any interest coupons that may be detachable:

"Any United States person who holds this obligation will be subject to limitations under the U.S. income tax laws, including the limitations provided in Sections 165(j) and 1287(a) of the Internal Revenue Code."

The legend also will be evidenced on any book-entry system maintained with respect to the bearer debt securities.

The sections referred to in the legend provide, in general, that a U.S. taxpayer who holds a bearer security or coupon may not deduct any loss realized on the sale, exchange or redemption of the bearer security and any gain which otherwise would be treated as capital gain will be treated as ordinary income, unless the taxpayer is, or holds the bearer security or coupon through, a "financial institution" (as defined in the relevant Treasury regulations) and certain other conditions are satisfied.

For these purposes, "United States" means the United States of America (including the District of Columbia), and its possessions. "United States Person" generally means:

a citizen or resident of the United States;

a corporation, partnership, or other business entity created or organized in or under the laws of the United States or any State or political subdivision thereof (including the District of Columbia);

an estate whose income is subject to U.S. federal income taxation regardless of its source; or

a trust, if a court within the United States is able to exercise primary supervision over its administration, and one or more United States Persons have the authority to control all of its substantial decisions.

The prospectus supplement relating to bearer warrants will describe any limitations on the offer, sale, delivery and exercise of bearer warrants (including a requirement that a certificate of non-U.S. beneficial ownership be delivered once a bearer warrant is exercised).

DESCRIPTION OF PREFERRED STOCK

This section sets forth certain general terms and provisions of the preferred stock to which any prospectus supplement may relate. The particular terms of the preferred stock offered by any prospectus supplement and the extent, if any, to which such general terms will not apply to the preferred stock so offered will be described in the prospectus supplement relating to such preferred stock.

This section, along with the description in the applicable prospectus supplement, is a summary of certain provisions of our restated certificate of incorporation, as amended, including the applicable certificate of designations, and is not complete.

We urge you to read the restated certificate of incorporation, as amended, and the certificate of designations for the relevant series of preferred stock in which you are intending to invest, because those documents, and not these descriptions, define your rights as a holder of preferred stock. We have filed a copy of the restated certificate of incorporation, as amended, and the certificates of designations for our currently outstanding shares of preferred stock as exhibits to the Registration Statement of which this prospectus is a part. Copies of the restated certificate of incorporation, as amended, are available as set forth under the section entitled "Where You Can Find More Information."

General

Our restated certificate of incorporation, as amended, authorizes the issuance of 10,000,000 shares of preferred stock, \$1.00 par value. We may issue preferred stock from time to time in one or more series. The exact terms of each series will be established by our board of directors or a duly authorized committee of the board.

Edgar Filing: BEAR STEARNS COMPANIES INC - Form S-3

The terms of any particular series of preferred stock will be described in the prospectus supplement relating to that particular series of preferred stock, including, where applicable:

- (1) the designation, stated value and liquidation preference of such preferred stock and the number of shares offered;
- (2) the offering price;
- (3) the dividend rate or rates (or method of calculation), the date or dates from which dividends shall accrue, and whether such dividends shall be cumulative or noncumulative and, if cumulative, the dates from which dividends shall commence to cumulate;
- (4) any redemption or sinking fund provisions;
- (5) the amount that shares of such series shall be entitled to receive in the event of our liquidation, dissolution or winding up;
- (6) the terms and conditions, if any, on which shares of such series shall be exchangeable for shares of our stock of any other class or classes, or other series of the same class;
- (7) the voting rights, if any, of shares of such series in addition to those set forth in "Voting Rights" below;
- (8) the status as to reissuance or sale of shares of such series redeemed, purchased or otherwise reacquired, or surrendered to us on conversion or exchange;
- (9) the conditions and restrictions, if any, on the payment of dividends or on the making of other distributions on, or the purchase, redemption or other acquisition by us or any subsidiary, of the common stock or of any other class of our stock ranking junior to the shares of such series as to dividends or upon liquidation;

17

- (10) the conditions and restrictions, if any, on the creation of indebtedness of us or of any subsidiary, or on the issue of any additional stock ranking on a parity with or prior to the shares of such series as to dividends or upon liquidation; and
- (11) any additional dividend, liquidation, redemption, sinking or retirement fund and other rights, preferences, privileges, limitations and restrictions of such preferred stock.

The preferred stock will, when issued, be fully paid and nonassessable. Unless otherwise specified in the applicable prospectus supplement, the shares of each series of preferred stock will upon issuance rank senior to the common stock and on a parity in all respects with each other outstanding series of preferred stock. As of November 30, 2002, there were outstanding:

479,250 shares of Adjustable Rate Cumulative Preferred Stock, Series A;

3,817,850 depositary shares, each representing a one-fourth interest in a share of 6.15% Cumulative Preferred Stock, Series E;

3,293,800 depositary shares, each representing a one-fourth interest in a share of 5.72% Cumulative Preferred Stock, Series F; and

3,745,000 depositary shares, each representing a one-fourth interest in a share of 5.49% Cumulative Preferred Stock, Series G.

The preferred stock will have no preemptive rights to subscribe for any additional securities that may be issued by us.

Dividends

Unless otherwise specified in the applicable prospectus supplement, before any dividends may be declared or paid to the holders of shares of our common stock, par value \$1.00 per share, or of any other of our capital stock ranking junior to any series of the preferred stock as to the

payment of dividends, the holders of the preferred stock of that series will be entitled to receive, when and as declared by the board of directors or a duly authorized committee of the board, out of our net profits or net assets legally available therefor, dividends payable quarterly on January 15, April 15, July 15 and October 15, in each year at such rates as will be specified in the applicable prospectus supplement. Such rates may be fixed or variable or both. If variable, the formula used for determining the dividend rate for each dividend period will be specified in the applicable prospectus supplement. Dividends will be payable to the holders of record as they appear on our stock transfer records on such dates (not less than 15 days nor more than 60 days prior to a dividend payment date) as will be fixed by the board of directors or a duly authorized committee thereof. Dividends will be paid in the form of cash.

Dividends on any series of preferred stock may be cumulative or noncumulative, as specified in the applicable prospectus supplement. If the board of directors fails to declare a dividend payable on a dividend payment date on any series of preferred stock for which dividends are noncumulative, then the holders of the preferred stock of that series will have no right to receive a dividend in respect of the dividend period relating to such dividend payment date, and we will have no obligation to pay the dividend accrued for such period, whether or not dividends on that series are declared or paid on any future dividend payment dates. If dividends on any series of preferred stock are not paid in full or declared in full and sums set apart for the payment thereof, then no dividends shall be declared and paid on that series unless declared and paid ratably on all shares of every series of preferred stock then outstanding, including dividends accrued or in arrears, if any, in proportion to the respective amounts that would be payable per share if all such dividends were declared and paid in full.

The prospectus supplement relating to a series of preferred stock will specify the conditions and restrictions, if any, on the payment of dividends or on the making of other distributions on, or the purchase, redemption or other acquisition by us or any of our subsidiaries of, the common stock or of any other class of our stock ranking junior to the shares of that series as to dividends or upon

liquidation and any other preferences, rights, restrictions and qualifications that are not inconsistent with the certification of incorporation.

Liquidation Rights

Unless otherwise specified in the prospectus supplement relating to a series of preferred stock, upon our liquidation, dissolution or winding up (whether voluntary or involuntary) the holders of preferred stock of that series will be entitled to receive out of our assets available for distribution to our stockholders, whether from capital, surplus or earnings, the amount specified in the applicable prospectus supplement for that series, together with all dividends accrued and unpaid, before any distribution of the assets will be made to the holders of common stock or any other class or series of shares ranking junior to that series of preferred stock upon liquidation, dissolution or winding up, and will be entitled to no other or further distribution. If, upon our liquidation, dissolution or winding up the assets distributable among the holders of a series of preferred stock shall be insufficient to permit the payment in full to the holders of that series of preferred stock of all amounts payable to those holders, then the entire amount of our assets thus distributable will be distributed ratably among the holders of that series of preferred stock in proportion to the respective amounts that would be payable per share if those assets were sufficient to permit payment in full.

Neither our consolidation, merger or other business combination with or into any other individual, firm, corporation or other entity nor the sale, lease, exchange or conveyance of all or any part of our property, assets or business will be deemed to be a liquidation, dissolution or winding up.

Redemption

If so specified in the applicable prospectus supplement, any series of preferred stock may be redeemable, in whole or in part, at our option or pursuant to a retirement or sinking fund or otherwise, on terms and at the times and the redemption prices specified in that prospectus supplement. If less than all shares of the series at the time outstanding are to be redeemed, the shares to be redeemed will be selected pro rata or by lot, in such manner as may be prescribed by resolution of the board of directors.

Notice of any redemption of a series of preferred stock will be given by publication in a newspaper of general circulation in the Borough of Manhattan, the City of New York, not less than 30 nor more than 60 days prior to the redemption date. We will mail a similar notice, postage prepaid, not less than 30 nor more than 60 days prior to the redemption date, addressed to the respective holders of record of shares of that series at the addresses shown on our stock transfer records, but the mailing of such notice will not be a condition of such redemption. In order to facilitate the redemption of shares of preferred stock, the board of directors may fix a record date for the determination of the shares to be redeemed. Such record date will be not more than 60 days nor less than 30 days prior to the redemption date.

Prior to the redemption date, we will deposit money for the payment of the redemption price with a bank or trust company doing business in the Borough of Manhattan, the City of New York, and having a capital and surplus of at least \$10,000,000. Unless we fail to make such deposit, on the redemption date, all dividends on the series of preferred stock called for redemption will cease to accrue and all rights of the

Edgar Filing: BEAR STEARNS COMPANIES INC - Form S-3

holders of shares of that series as our stockholders shall cease, except the right to receive the redemption price (but without interest). Unless otherwise specified in the applicable prospectus supplement, any monies so deposited which remain unclaimed by the holders of the shares of that series at the end of six years after the redemption date will become our property, and will be paid by the bank or trust company with which it has been so deposited to us.

Conversion Rights

No series of preferred stock will be convertible into common stock.

19

Voting Rights

Unless otherwise determined by the board of directors and indicated in the applicable prospectus supplement, holders of the preferred stock of that series will not have any voting rights except as set forth below or as otherwise from time to time required by law. Whenever dividends on any series of preferred stock or any other class or series of stock ranking on a parity with that series with respect to the payment of dividends shall be in arrears for dividend periods, whether or not consecutive, containing in the aggregate a number of days equivalent to six calendar quarters, the holders of shares of that series (voting separately as a class with all other series of preferred stock upon which like voting rights have been conferred and are exercisable) will be entitled to vote for the election of two of the authorized number of our directors at the next annual meeting of stockholders and at each subsequent meeting until all dividends accumulated on that series have been fully paid or set apart for payment. The term of office of all directors elected by the holders of a series of preferred stock shall terminate immediately upon the termination of the right of the holders of that series to vote for directors. Whenever the shares of a series are or become entitled to vote, each holder of shares of that series will have one vote for each share held.

So long as shares of any series of preferred stock remain outstanding, we shall not, without the consent of the holders of at least two-thirds of the shares of that series outstanding at the time (voting separately as a class with all other series of preferred stock upon which like voting rights have been conferred and are exercisable):

- (1) issue or increase the authorized amount of any class or series of stock ranking senior to the shares of that series as to dividends or upon liquidation; or
- (2) amend, alter or repeal the provisions of our certificate of incorporation or of the resolutions contained in the certificate of designation, whether by merger, consolidation or otherwise, so as to materially and adversely affect any power, preference or special right of the outstanding shares of that series or the holders thereof. Any increase in the amount of the authorized common stock or authorized preferred stock or the creation and issuance of common stock or any other series of preferred stock ranking on a parity with or junior to a series of preferred stock as to dividends and upon liquidation shall not be deemed to materially and adversely affect the powers, preferences or special rights of the shares of that series.

Unless otherwise indicated in the applicable prospectus supplement, the transfer agent, dividend disbursing agent and registrar for each series of preferred stock will be Mellon Investor Services L.L.C.

DESCRIPTION OF DEPOSITARY SHARES

This section sets forth certain general terms and provisions of the depositary shares and depositary receipts which we may elect to issue.

This section, along with the description in the applicable prospectus supplement, is a summary of certain provisions of the deposit agreement relating to the applicable series of Preferred Stock and is not complete. Any such deposit agreement will be filed as an exhibit to or incorporated by reference in the Registration Statement of which this prospectus is a part.

General

We may, at our option, elect to offer fractional interests in shares of a series of preferred stock, rather than whole shares. If we exercise our option, we will provide for the issuance by a depositary of depositary receipts evidencing depositary shares, each of which will represent a fractional interest (to be specified in the applicable prospectus supplement) in a share of a particular series of the Preferred Stock as more fully described below.

If we offer fractional shares of any series of preferred stock, those shares will be deposited under a separate deposit agreement among us, a depositary bank or trust company selected by us and having its principal office in the United States and having a combined capital and surplus of at least \$50,000,000 and the holders from time to time of the depositary receipts issued thereunder by that depositary. The applicable prospectus supplement will set forth the name and address of the depositary. Subject to the terms of the deposit agreement, each owner of a depositary share will be entitled, in proportion to the applicable fractional interest in a share of preferred stock underlying such depositary share, to all the rights and preferences of the fractional share of preferred stock underlying such depositary share (including dividend, voting, redemption and liquidation rights).

Until definitive engraved depositary receipts are prepared, upon our written order, the depositary may issue temporary depositary receipts substantially identical to (and entitling the holders thereof to all the rights pertaining to) the definitive depositary receipts but not in definitive form. Definitive depositary receipts will be prepared thereafter without unreasonable delay. Temporary depositary receipts will be exchangeable for definitive depositary receipts at our expense.

Dividends and Other Distributions

The depositary will distribute to the holders of depositary receipts evidencing depositary shares all cash dividends or other cash distributions received in respect of the underlying fractional shares of preferred stock in proportion to their respective holdings of the depositary shares on the relevant record date. The depositary will distribute only the amount that can be distributed without attributing to any holder of depositary shares a fraction of one cent. Any balance not so distributed will be held by the depositary (without liability for interest thereon) and will be added to and treated as part of the next sum received by the depositary for distribution to holders of depositary receipts then outstanding.

If we distribute property other than cash in respect of shares of preferred stock deposited under a deposit agreement, the depositary will distribute the property received by it to the record holders of depositary receipts evidencing the depositary shares relating to those shares of preferred stock, in proportion, as nearly as may be practicable, to their respective holdings of the depositary shares on the relevant record dates. If the depositary determines that it is not feasible to make such a distribution, the depositary may, with our approval, adopt such method as it deems equitable and practicable to give effect to the distribution, including the sale of the property so received and distribution of the net proceeds from such sale to the holders of the depositary receipts.

Each deposit agreement will also contain provisions relating to the manner in which any subscription or similar right offered by us to holders of the preferred stock deposited under such deposit agreement will be made available to holders of depositary shares.

Redemption of Depositary Shares

If the shares of preferred stock deposited under a deposit agreement are subject to redemption, in whole or in part, then, upon any such redemption, the depositary shares relating to those deposited shares will be redeemed from the proceeds received by the depositary as a result of the redemption. Whenever we redeem shares of preferred stock held by a depositary, the depositary will redeem as of the same redemption date the number of depositary shares representing the shares of preferred stock so redeemed. The depositary will mail the notice of redemption not less than 20 and not more than 50 days prior to the date fixed for redemption to the record holders of the depositary shares to be so redeemed. The redemption price per depositary share will be equal to the applicable fraction of the per share redemption price of the preferred stock underlying such depositary share. If less than all the depositary shares are to be redeemed, the depositary shares to be redeemed will be selected by lot or pro rata as may be determined by the depositary.

Once notice of redemption has been given, from and after the redemption date, the depositary shares called for redemption will no longer be deemed to be outstanding, unless we fail to redeem the

shares of preferred stock so called for redemption. On the redemption date, all rights of the holders of depositary shares will cease, except for the right to receive the monies payable upon such redemption and any money or other property to which the holders of depositary shares were entitled upon such redemption, upon surrender to the depositary of the depositary receipts evidencing depositary shares.

Voting Rights

Edgar Filing: BEAR STEARNS COMPANIES INC - Form S-3

As soon as practicable after receipt of notice of any meeting at which the holders of shares of preferred stock deposited under a deposit agreement are entitled to vote, the depositary will mail the information contained in that notice of meeting (and any accompanying proxy materials) to the holders of the depositary shares relating to such preferred stock as of the record date for such meeting. Each such holder will be entitled, subject to any applicable restrictions, to instruct the depositary as to the exercise of the voting rights of the preferred stock represented by such holder's depositary shares. The depositary will attempt to vote the preferred stock represented by those depositary shares in accordance with the holder's instructions, and we will agree to take all action deemed necessary by the depositary to enable the depositary to do so. The depositary will abstain from voting shares of preferred stock deposited under a deposit agreement if it has not received specific instructions from the holders of the depositary shares representing those shares.

Withdrawal of Stock

Upon surrender of depositary receipts at the principal office of the depositary (unless the depositary shares evidenced by the depositary receipts have previously been called for redemption), and subject to the terms of the deposit agreement, the owner of the depositary shares shall be entitled to delivery of whole shares of preferred stock and all money and other property, if any, represented by those depositary shares. Fractional shares of preferred stock will not be delivered. If the depositary receipts surrendered by the holder evidence depositary shares in excess of those representing the number of whole shares of preferred stock to be withdrawn, the depositary will deliver to the holder at the same time a new depositary receipt evidencing the depositary shares. Holders of shares of preferred stock which are withdrawn will not thereafter be entitled to deposit such shares under a deposit agreement or to receive depositary shares. We do not expect that there will be any public trading market for the preferred stock, except as represented by depositary shares.

Amendment and Termination of the Deposit Agreement

We may from time to time amend the form of depositary receipt evidencing any depositary shares and any provision of a deposit agreement by agreement between us and the depositary. However, any amendment that materially and adversely alters the rights of the existing holders of depositary shares will not be effective unless and until approved by the holders of at least a majority of the depositary shares then outstanding under that deposit agreement. Each deposit agreement will provide that each holder of depositary shares who continues to hold those depositary shares at the time an amendment becomes effective will be deemed to have consented to the amendment and will be bound by that amendment. Except as may be necessary to comply with any mandatory provisions of applicable law, no amendment may impair the right, subject to the terms of the deposit agreement, of any holder of any depositary shares to surrender the depositary receipt evidencing those depositary shares to the depositary together with instructions to deliver to the holder the whole shares of preferred stock represented by the surrendered depositary shares and all money and other property, if any, represented thereby. A deposit agreement may be terminated by us or the depositary only if:

- (1) all outstanding depositary shares issued under the deposit agreement have been redeemed; or
- (2) there has been a final distribution in respect of the preferred stock relating to those depositary shares in connection with any liquidation, dissolution or winding up of the Company and the amount received by the depositary as a result of that distribution has been distributed by the Depositary to the holders of those depositary shares.

Charges of Depositary

We will pay all transfer and other taxes and governmental charges arising solely from the existence of the depositary arrangements. We will pay charges of any depositary in connection with the initial deposit of preferred stock and the initial issuance of the depositary shares and any redemption of such preferred stock. Holders of depositary shares will pay any other taxes and charges incurred for their accounts as are provided in the deposit agreement.

Miscellaneous

Each depositary will forward to the holders of depositary shares issued by that depositary all reports and communications from us that are delivered to the depositary and that we are required to furnish to the holders of the preferred stock held by the depositary. In addition, each depositary will make available for inspection by the holders of those depositary shares, at the principal office of such depositary and at such other places as it may from time to time deem advisable, all reports and communications received from us that are received by such depositary as the holder of preferred stock.

Neither we nor any depositary will assume any obligation or will be subject to any liability under a deposit agreement to holders of the depositary shares other than for its negligence or willful misconduct. Neither we nor any depositary will be liable if it is prevented or delayed by

law or any circumstance beyond its control in performing its obligations under a deposit agreement. The obligations of us and any depositary under a deposit agreement will be limited to performance in good faith of their duties thereunder, and they will not be obligated to prosecute or defend any legal proceeding in respect of any depositary shares or preferred stock unless satisfactory indemnity is furnished. We and any depositary may rely on written advice of counsel or accountants, on information provided by persons presenting preferred stock for deposit, holders of depositary shares or other persons believed in good faith to be competent to give such information and on documents believed to be genuine and to have been signed or presented by the proper party or parties.

Resignation and Removal of Depositary

A depositary may resign at any time by delivering to us notice of its election to resign, and we may remove any depositary at any time. Any such resignation or removal will take effect upon the appointment of a successor depositary and its acceptance of such appointment. Such successor depositary must be appointed within 60 days after delivery of the notice of resignation
