PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

MAY 21, 2003

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Quidel Corporation, a Delaware corporation, for use at the 2003 Annual Meeting of Stockholders to be held on Wednesday, May 21, 2003, and at any and all adjournments and postponements of the meeting. This Proxy Statement and the accompanying form of proxy is being mailed to stockholders on or about April 14, 2003. Proxies allow properly designated individuals to vote on your behalf at the meeting.

The expense of this solicitation will be paid by Quidel. In addition to solicitation by mail, proxies may be solicited in person or by telephone or facsimile by personnel of Quidel who will not receive any additional compensation for such solicitations. Quidel has retained InvestorCom, Inc., a professional soliciting organization, to aid in the solicitation of proxies to be voted at the Annual Meeting at an estimated cost of \$5,000 plus out-of-pocket expenses. Quidel will also pay brokers or other persons holding stock in their name or the names of their nominees for the expenses of forwarding soliciting material to their principals.

VOTING

The close of business on March 26, 2003 has been fixed as the record date (the "Record Date") for determining which stockholders are entitled to notice of and to vote at the meeting. On the Record Date, 28,911,776 shares of Quidel's voting common stock were outstanding. Each share of common stock is entitled to one vote on any matter that may be presented for consideration and action by the stockholders at the meeting. A quorum is required to transact business at the meeting. The holders of a majority of the outstanding shares of common stock on the Record Date and entitled to be voted at the meeting, present in person or by proxy, will constitute a quorum for the transaction of business at the meeting and any adjournments and postponements of the meeting. Abstentions and broker non-votes are counted for the purpose of determining the presence or absence of a quorum for the transaction of business. With regard to the election of directors, votes may be cast in favor of a director nominee or withheld. Because directors are elected by plurality, abstentions from voting and broker non-votes will be entirely excluded

Edgar Filing: QUIDEL CORP /DE/ - Form DEF 14A

from the vote and will have no effect on its outcome. If a quorum is present at the meeting, the nominees receiving the greatest number of votes (up to six directors) will be elected. For proposals other than the election of directors, the affirmative vote of a majority of the shares present or represented by proxy and entitled to vote at the meeting is required for approval. With regard to these proposals, abstentions will be counted in tabulations of the votes cast on a proposal presented to stockholders and will have the same effect as a vote against the proposal, whereas broker non-votes will not be counted for purposes of determining whether a proposal has been approved.

Unless otherwise designated, each proxy will be voted FOR the six nominees for election as directors named below. The six nominees receiving the highest number of votes at the meeting will be

1

elected. Where a stockholder has appropriately directed how his or her proxy is to be voted, it will be voted according to the stockholder's directions. Any stockholder has the power to revoke his or her proxy at any time before it is voted at the meeting by submitting a written notice of revocation to the Secretary of Quidel or by filing a duly executed proxy bearing a later date. The proxy will not be voted if the stockholder who executed it is present at the meeting and elects to vote in person the shares represented by the proxy. Attendance at the meeting will not by itself revoke a proxy.

PROPOSAL 1 ELECTION OF DIRECTORS

Nominees for Election

Quidel's directors are to be elected at each Annual Meeting of Stockholders. At the meeting, six directors will be elected to serve until the next Annual Meeting of Stockholders and until their successors are elected and qualified. The nominees receiving the greatest number of votes (up to six directors) at the meeting, will be elected. **The Board of Directors of Quidel recommends that the stockholders vote FOR the six nominees named below for the Board of Directors.**

The nominees for election as directors at the meeting set forth in the table below are all incumbent directors. The Board of Directors currently intends to appoint André de Bruin to continue as the Chairman of the Board provided that he is reelected. Each of the nominees has consented to serve as a director if elected. Unless authority to vote for any director nominee is withheld in a proxy, it is intended that each proxy will be voted FOR the nominee. If any of the nominees for director should before the meeting become unable to serve if elected, it is intended that shares represented by proxies will be voted for such substitute nominees, if any, as may be recommended by Quidel's existing Board of Directors, unless other directions are given in the proxies.

Director Compensation

Directors who are not employees of Quidel receive an annual retainer of \$12,000. In addition, non-employee directors receive a meeting fee of \$1,500 per meeting. The chairman of each committee of the Board of Directors also receives an annual retainer of \$1,000.

Under Quidel's 1996 Non-Employee Directors Plan, each non-employee director was automatically granted a one-time option to purchase 40,000 shares of common stock (subject to a four-year quarterly vesting schedule) upon initial election or appointment to the Board of Directors. The 1996 Non-Employee Directors Plan was amended on November 1, 2000, to provide for the one-time grant of an option to purchase up to 20,000 shares of common stock (subject to a four-year quarterly vesting schedule) to each non-employee director serving on the Board of Directors on that date, except for George Dunbar who was previously a director. All such options were granted at exercise prices equal to the fair market value of the common stock on the date of grant. The 1996 Non-Employee Directors Plan was terminated in 2001 upon stockholder

Edgar Filing: QUIDEL CORP /DE/ - Form DEF 14A

approval of the 2001 Equity Incentive Plan and no new options are being granted under the 1996 plan. However, options previously granted under the 1996 plan will continue to be governed by the 1996 plan until they either expire or are exercised. As of December 31, 2002, options to purchase 330,500 shares of common stock under the 1996 Non-Employee Directors Plan remained outstanding.

Under the 2001 Equity Incentive Plan, each non-employee director automatically receives, upon becoming a non-employee director, a one-time grant of an option to purchase up to 40,000 shares of Quidel's common stock, which will vest 25% on the first anniversary of the grant date and 6.25% at the end of each of the twelve three-month periods following the first anniversary of the grant date, in each case if such non-employee director has remained a director for the entire period from the date of grant to such vesting date. In addition, each non-employee director also automatically receives an option to purchase up to 40,000 shares of common stock on the fourth, eighth, etc. anniversary of such director's initial appointment or election as a director, which will vest 25% on the first anniversary of the grant date and 6.25% at the end of each of the twelve three-month periods following the first anniversary of the grant date, in each case if such non-employee director has continuously served as a director since his or her election or appointment and is a non-employee director on such date, *provided however*, that each non-employee director who was elected as a continuing director at Quidel's 2001 Annual Meeting of Stockholders received a one-time grant of an option to purchase up to 20,000 shares of common stock on the date of the 2001 Annual Meeting and is not eligible to receive an additional option to purchase up to 40,000 shares of common stock until the fourth, eighth, etc. anniversary of the date of the 2001 Annual Meeting of Stockholders, in each case if the non-employee director has continuously served as a director since his or her election or appointment and is a non-employee director on such date. All of the foregoing automatic grants of "non-employee director options" under the 2001 Equity Incentive Plan have an exercise price equal to the fair market value of Quidel's common stock on the date of grant, have a term of 10 years and vested options cease to be exercisable on the date that is 365 days after a non-employee director ceases to be a director of Quidel. In addition to the foregoing automatic awards of non-employee director options, each non-employee director is eligible to receive other awards under the 2001 Equity Incentive Plan, such as non-qualified stock options other than non-employee director options, at the discretion of the administrator of the plan. No such other awards have been granted as of April 12, 2003. As of December 31, 2002, options to purchase 1,320,273 shares of common stock under the 2001 Equity Incentive Plan were outstanding, of which options to purchase 119,000 shares of common stock were held by non-employee directors.

Vote Required and Board Recommendation

The nominees for election as directors will be elected by a plurality of the votes of the shares present in person or represented by proxy and entitled to vote at the annual meeting.

The Board of Directors recommends that you vote in favor of each named nominee in Proposal 1.

(1) The amounts shown include cash compensation the executive officers earned and received, or deferred pursuant to Quidel's 401(k) Plan. Quidel began making contributions to executive officers' accounts under the 401(k) Plan in July 1999.

(2) During the year ended December 31, 2002, Quidel made contributions under the 401(k) Plan for Mr. Kay, Mr. Elliott, Mr. Landers, Mr. Paiz and Dr. Tamerius of \$3,000, \$1,587, \$2,750, \$2,545, and \$2,750, respectively. The Company also funded a group term life insurance plan in excess of \$50,000. Amounts added to compensation related to this life insurance plan for Mr. Kay, Mr. Elliott, Mr. Landers, Mr. Paiz and Dr. Tamerius were \$956, \$334, \$796, \$185 and \$1,821, respectively.

(3) Mr. Kay joined Quidel as President and Chief Operating Officer on January 1, 2001. Quidel paid the costs of Mr. Kay's relocation to the San Diego area. A portion of the relocation assistance was taxable and Quidel "grossed-up" the taxable amounts based on the applicable federal and state tax rates. The total compensation relating to Mr. Kay's relocation amounted to \$129,111. In January 2001, Quidel loaned Mr. Kay \$200,000 at an interest rate of 4.77% to assist with his relocation to the San Diego area. One quarter of the principal and interest owing on Mr. Kay's loan will be, pursuant to the terms of the loan, forgiven each December 31 over a four year period, provided Mr. Kay is an employee of Quidel on that date. As of December 31, 2002 and 2001, \$80,854 and \$76,864 were included in Mr. Kay's compensation, respectively. This represents one quarter of the loan forgiveness in each period which was "grossed up" to include applicable federal and state taxes.

(4) Mr. Elliott joined Quidel as Executive Vice President Global Communications and Business Development in June 2002. If Mr. Elliott had been employed by Quidel for the entire 2002 fiscal year, Mr. Elliott's salary would have been \$275,000. In connection with Mr. Elliott's initial

employment, Mr. Elliott received a signing bonus of \$50,000 and \$18,824 for relocation expenses. Mr. Elliott resigned from Quidel on March 24, 2003.

(5) Mr. Landers is Senior Vice President Finance and Administration, Chief Financial Officer and Secretary of Quidel. In connection with Mr. Landers' initial employment in September 2001, Mr. Landers received \$40,916 and \$11,538 for relocation expenses in 2002 and 2001, respectively.

(6)

Mr. Paiz is Senior Vice President, Technology and Business Development. Mr. Paiz was previously promoted to Senior Vice President, Product Development and Supply Operations in August 1999 and was granted an additional 50,000 stock options. In January 2000, the Company loaned Mr. Paiz \$172,544 at an interest rate of 7% to assist with his relocation to the San Diego area. Mr. Paiz repaid his obligation in full in April 2000. Previously, Mr. Paiz was appointed Vice President, Operations in June 1998, and he received a signing bonus of \$6,000.

Option Grants During the Year Ended December 31, 2002

The following table summarizes options granted to the following executive officers during the year ended December 31, 2002, and the value of the options held by these officers at December 31, 2002. Quidel has not granted Stock Appreciation Rights.

Name	Individual Grants				
	Number of Securities Underlying Options Granted (#/Sh)(1)	% of Total Options Granted During the Year Ended December 31, 2001(2)	Exercise or Base Price (\$/Sh)(3)	Expiration Date(4)	Grant Date Present Value(\$)(5)
S. Wayne Kay	50,000	4.9%	5.70	2/22/12	285,000
William J. Elliott	300,000	29.3%	6.20	6/17/12	1,860,000

John D. Tamerius	10,000	1.0%	5.70	2/22/12	57,000

(1)

All options granted in the year ended December 31, 2002 vest over a four-year period commencing on the date of grant. The exercise price of the above options is equal to the fair market value of the common stock on the date of grant.

(2)

Options representing a total of 1,022,246 shares of common stock were granted during the year ended December 31, 2002.

(3)

The exercise price on the date of grant was equal to 100% of the fair market value.

(4)

The options have a term of ten years, subject to earlier termination related to the termination of employment.

(5)

The fair value of each option grant was estimated on the date of grant using the Black-Scholes option pricing model with the following weighted average assumptions used for grants during the year ended December 31, 2002: risk free interest rate of 3.8%, expected option life of 6.1 years, expected volatility of .85 and a dividend rate of zero. Option valuation using a Black-Scholes-based option pricing model generates a theoretical value based upon certain factors and assumptions. Therefore, the value of a stock option, if any, is dependent on the future price of the stock, overall stock market conditions and continued service with Quidel, since options remain exercisable for only a limited period following retirement, death or disability. The values reflected in this table or any other value may not be achieved.

Aggregated Option Exercises for the Year Ended December 31, 2002 and Option Values at December 31, 2002

The following table sets forth information for the following executive officers regarding the exercise of stock options in fiscal 2002 and the number of stock options exercisable and unexercisable at the end of fiscal 2002.

EMPLOYMENT AND CHANGE OF CONTROL ARRANGEMENTS

S. Wayne Kay joined Quidel on January 2001 as President and Chief Operating Officer. He became a member of Quidel's Board of Directors on May 23, 2001 and was promoted to President and Chief Executive Officer on August 8, 2001. Upon the commencement of his employment, Mr. Kay entered into a written employment agreement with Quidel which was amended on August 10, 2001 to reflect his promotion to Chief Executive Officer. His minimum base salary is \$400,000 per annum, subject to adjustment upward by the Board of Directors, plus a bonus to be determined annually by the Board based upon attainment of goals set by the Board, up to a maximum of 35% of Mr. Kay's base salary. At the time of commencement of Mr. Kay's employment, Quidel also provided to Mr. Kay a forgivable loan in the amount of \$200,000 to assist in the purchase of a new home. The loan documents provide that the loan will be forgiven over a four year period, with 25% of the loan amount, plus applicable interest as well as a gross up amount for applicable federal and state taxes, to be forgiven on each anniversary of Mr. Kay's employment date; provided, that, if Mr. Kay's employment is terminated prior to full forgiveness of the loan, Mr. Kay will be required to repay the remaining portion of the loan, including interest, within 30 days following the termination of his employment.

Under the employment agreement, as amended, Mr. Kay is an "at-will" employee, which means that either Mr. Kay or Quidel may terminate Mr. Kay's employment with Quidel at any time. However, and except in the context of a change in control, if Mr. Kay's employment with Quidel is terminated without cause or he terminates his employment for good reason (as such terms are defined in his employment agreement), he is entitled to a severance payment equal to twelve (12) months of his then base salary, a pro-rated portion of his bonus, payment of insurance premiums for a period of twelve (12) months following termination, and forgiveness of all principal and interest then outstanding on the home loan. In addition, Quidel's Board of Directors is required to consider whether vesting of Mr. Kay's stock options will be accelerated. Amounts payable to Mr. Kay upon a change in control of the Company are generally governed by his Change in Control Agreement, effective as of February 27, 2003, which is described below.

André de Bruin served as Quidel's Chief Executive Officer from June 9, 1998 until he was appointed Executive Chairman of Quidel's Board of Directors on August 8, 2001. Mr. de Bruin's employment agreement with Quidel was amended on August 13, 2001 to reflect the revised scope of Mr. de Bruin's responsibility. Mr. de Bruin's employment agreement, as amended, provided for a base salary from August 13, 2001 until the 6 month anniversary of the amendment date of \$16,667 per month, during which time Mr. De Bruin was required to make himself available to work an aggregate of 520 hours for Quidel. From the six month anniversary of the amendment date until termination of the employment agreement, Mr. de Bruin received a base salary of \$8,344 per month, and from the six month anniversary of the amendment date until the first anniversary of the amendment date, Mr. de Bruin was required to make himself available to work an aggregate of 260 hours for Quidel. After the first anniversary of the amendment date, Mr. de Bruin is required to make himself available to work for Quidel an average of 10 hours per week. Mr. de Bruin was also entitled to receive 75% of the bonus for calendar year 2001 which Mr. de Bruin would have been

entitled to receive if he had remained Quidel's Chief Executive Officer for the entire 2001 year, as well as an Office/Administrative allowance of \$1,000 per month. The Compensation Committee of Quidel's Board of Directors has the sole discretion to determine whether Mr. de Bruin will be eligible to participate in management bonus programs for periods after December 31, 2001. Mr. de Bruin's employment agreement may be terminated by either Mr. de Bruin or Quidel upon at least three (3) months advance written notice, unless termination is for cause (as such term is defined in Mr. de Bruin's employment agreement, as amended), in which case Mr. de Bruin's employment may be terminated immediately; provided, however, that neither Quidel nor Mr. de Bruin were entitled to terminate the amended employment agreement prior to the first anniversary of the amendment date, except for cause. In addition, Mr. de Bruin's stock option agreements with Quidel provide that upon a "change in control" of Quidel, all options automatically vest and become exercisable immediately prior to such change in control.

Each of Mr. Kay, Mr. Landers and Mr. Paiz entered into a Change in Control Agreement with the Company which provides for the payment of severance benefits in the event of termination of his employment in connection with a change in control of the Company. The severance benefits are payable to Mr. Kay, Mr. Landers and/or Mr. Paiz if his respective employment with the Company is terminated within 30 days prior to or three years following a change in control, unless terminated for cause or the termination is the result of a voluntary resignation (which does not include resignations stemming from a material adverse change in responsibilities, status, compensation, authority or location of work place) or his death or disability.

The severance benefits under the Change in Control Agreements generally consist of a lump sum cash payment equal to two (2) times the sum of (i) such executive's highest annual salary rate within the three (3) year period ending on the date of termination plus (ii) an amount equal to the annualized average of all bonuses and incentive compensation payments paid to the executive during the two (2) year period immediately before the date of termination. In addition, the Change in Control agreements provide for: payment of \$25,000 to help pay defray the legal fees, tax and accounting fees and other costs associated with transitional matters; continued coverage for two (2) years under the Company's group medical insurance, group dental insurance, group-term life insurance and disability insurance programs unless and to the extent the executive obtains concurrent coverage through another program in which case the Company's coverage will be terminated or reduced as applicable; and immediate vesting and exercisability of any and all unvested stock options of the executive. Mr. Kay's Change in Control Agreement also provides that the forgivable loan in the amount of \$200,000 provided to Mr. Kay to assist with his relocation to the San Diego area will be forgiven upon a change in control. The Change in Control Agreements for Mr. Kay and Mr. Landers were effective as of February 27, 2003, and for Mr. Paiz as of April 13, 2003.

INDEPENDENT AUDITORS

Independent Auditors for 2002

On April 4, 2002, our Board of Directors, upon the recommendation of the Audit Committee, dismissed Arthur Andersen LLP ("Arthur Andersen" or "AA") as our independent auditors and selected the firm of Ernst & Young LLP as Quidel's independent auditors for the fiscal year ended December 31, 2002. Quidel expects a representative of Ernst & Young LLP to be present at the Annual Meeting who will be given an opportunity to make a statement if so desired and will be available to respond to any appropriate questions from stockholders.

Ernst & Young LLP's report on the financial statements for the year ended December 31, 2002 did not contain an adverse opinion or a disclaimer of opinion, and was not qualified or modified as to audit scope or accounting principles. In addition, during the two most recent fiscal years, there were no disagreements with Ernst & Young LLP or Arthur Andersen LLP, Quidel's prior independent public accountants on any matter of accounting principles or practices, financial statement disclosures or auditing scope or procedure. During these same periods, there have occurred none of the "reportable events" listed in Item 304(a)(1)(v)(A-D) of Regulation S-K. In addition, no consultations listed in Item 304(a)(2)(i)-(ii) occurred during these same periods.

The fees paid to Quidel's independent auditors, Ernst & Young LLP, for professional services rendered for audit and audit related fees was \$266,977, of which \$254,550 was for the audit of Quidel's 2002 financial statements and reviews of Quidel's financial statements included in Quidel's quarterly reports on Form 10-Q for 2002.

Financial Information Systems Design and Implementation

Quidel's independent auditors have performed no services relating to the operation or supervising of Quidel's information system, managing Quidel's local area network, or designing or implementing a hardware or software system that aggregates source data underlying the financial statements or generates information significant to Quidel's financial statements as a whole.

All Other Fees

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Under the securities laws of the United States, the directors and executive officers of Quidel and persons who own more than ten percent (10%) of Quidel's common stock are required to report their initial beneficial ownership of Quidel common stock and any subsequent changes in that ownership to the Securities and Exchange Commission and The Nasdaq National Market. Specific due dates for these reports have been established, and Quidel is required to disclose in this Proxy Statement any late filings during the year ended December 31, 2002. To Quidel's knowledge, based solely upon its review of the copies of the reports required to be furnished to Quidel, all of the reports were timely filed with the following exceptions:

Mr. Morgan inadvertently failed to timely file three reports in connection with seven transactions.

Mr. Elliott inadvertently failed to timely file a Form 3 following his appointment as an executive officer to indicate that he did not own any securities of Quidel on the date of his appointment.

Forms were subsequently filed with the Securities and Exchange Commission for these transactions.

To assist Quidel's officers and directors with complying with their reporting responsibilities under Section 16 of the Securities Exchange Act of 1934, as amended, and the rules and regulations thereunder, Quidel has implemented a Section 16 compliance program.

**REPORT OF THE COMPENSATION COMMITTEE OF THE
BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION**

The Compensation Committee of the Board of Directors administers Quidel's executive compensation programs and approves salaries of all officers, including those of the executive officers named in the Summary Compensation Table. The Committee is responsible for reporting to the Board and administering all other elements of executive compensation, including annual incentive awards and stock options.

Philosophy

The executive compensation program is structured to support the Company's mission, values and corporate strategies. The executive compensation program is designed to provide competitive levels of total compensation in order to attract, retain and motivate high-quality senior management by providing what the Company believes to be a competitive total compensation package based upon both individual and corporate performance. The executive compensation program is composed of three elements: (1) competitive base salaries which reflect individual performance, (2) annual incentive opportunities which are a function of individual and business performance payable in cash, and (3) long-term stock-based incentive opportunities pursuant to the Company's stock incentive plans which link the interests of senior management and the Company's stockholders. The mix of total compensation is designed to cause greater variability in the individual's absolute year-to-year compensation based upon the success of the Company and the individual's contribution to that success. The total compensation program focuses on both short-term and long-term results.

The Compensation Committee does not currently anticipate that the compensation of any executive officer during fiscal 2002 will materially exceed the limit on deductibility imposed by Section 162(m) of the Internal Revenue Code.

Base Salary

Edgar Filing: QUIDEL CORP /DE/ - Form DEF 14A

Base salary is targeted to be moderate yet competitive in relation to salaries commanded by those in similar positions in comparable companies. The Compensation Committee reviews management recommendations for executives' salaries and examines survey data for executives with similar responsibilities in comparable companies in the medical and biotechnology industry. Individual salary determinations are based upon experience, sustained performance and comparison to peers inside and outside of Quidel.

Annual Incentive Awards

Quidel maintains a senior management incentive compensation plan that is designed to reward senior management for their contributions to corporate and individual objectives. Under the plan, each participating officer is entitled to receive a cash bonus if certain corporate goals are met in a particular fiscal year.

Each eligible employee's potential annual award under the plan is expressed as a percentage of the total base compensation earned by the individual during the fiscal year. For the year ended December 31, 2002, the percentages for the Chief Executive Officer were 40% for Mr. Kay and all participating Vice Presidents were set at 30%. These percentages could be increased in the event the maximum target levels are exceeded for corporate goals. For the year ended December 31, 2002, certain targeted corporate goals were not achieved and incentive compensation was not awarded.

14

Stock Options

The Compensation Committee administers the Company's stock option plans and makes grants of stock options. The plans are designed to align the interests of management with those of the stockholders. The number of stock options granted is related to the recipient's base compensation and level of responsibility. All options are granted with an option exercise price at least equal to the fair market value of the common stock on the date of grant and generally vest over a four-year period. The Compensation Committee, in its discretion, may grant additional options to individuals, including the Chief Executive Officer, for increases in level of responsibility and promotions, in recognition of sustained exceptional performance, or annually based upon Company and individual performance. The option grant will have value to the individual only if he or she continues in the Company's services during the vesting period and then only if the market price of the underlying shares of common stock appreciates over the option term.

Compensation of the Chief Executive Officer

The Chief Executive Officer participates in the same executive compensation program provided to the other executive officers and senior management of the Company as described above. The Compensation Committee's approach to setting compensation for the Chief Executive Officer is to be competitive with comparable companies and to have a portion of total compensation depend on the achievement of performance criteria. Each year, the Board of Directors approves business goals to include financial measures, which are used to evaluate the Chief Executive Officer's performance for the year.

Mr. Kay served as Chief Executive Officer for the year ended December 31, 2002. Total cash compensation paid to Mr. Kay for the year ended December 31, 2002 was \$395,681 in base salary. Mr. Kay received no bonus for 2002. Specific accomplishments that were considered by the Board and occurred during 2002 are as follows: (1) business operations performance; (2) launch and availability of Urinquick Urine Chemistry Analyzer; (3) the global commercialization of the LTF QuickVue® Advance pH and Amines test and the; QuickVue® Advance G. vaginalis test and (4) governmental approval of QuickVue® Dipstick Strep A Test in Japan.

None of the members of Quidel's Compensation Committee serves as an executive officer of an entity whose board of directors includes executive officers of Quidel.

**REPORT OF THE AUDIT COMMITTEE OF THE
BOARD OF DIRECTORS**

The Audit Committee reviews Quidel's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process. Quidel's independent auditors are responsible for expressing an opinion on the conformity of our audited financial statements to generally accepted accounting principles.

In this context, the Audit Committee has reviewed and discussed Quidel's financial statements for the year ended December 31, 2002 with Quidel's management. The Audit Committee discussed with Quidel's independent auditors the matters required to be discussed under SAS 61 (Communication with Audit Committees).

The Audit Committee has received the written disclosures and the letter from Quidel's independent auditors, Ernst & Young LLP, required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and has discussed with Ernst & Young LLP its independence from Quidel. The Audit Committee has also considered whether the independent auditors' provision of non-audit services to Quidel is compatible with the auditor's independence.

Based upon the review and discussions outlined above, the Audit Committee recommended to Quidel's Board of Directors, and the Board has approved, that the audited financial statements be included in Quidel's Annual Report on Form 10-K for the year ended December 31, 2002.
