PROXY STATEMENT

**For the Annual Meeting of Stockholders
To Be Held on December 1, 2004**

This proxy statement is being furnished in connection with the solicitation of proxies by the Board of Directors for use at the 2004 Annual Meeting of Stockholders to be held on Wednesday, December 1, 2004 at 11:00 a.m. (local time) in our corporate offices located at 260 Lake Road, Dayville, CT 06241, and any adjournments or postponements of the annual meeting. The proxy is being solicited for the purposes set forth in the accompanying "Notice of Annual Meeting of Stockholders." We will bear the cost of soliciting the proxies.

Record Date and Share Ownership

Only stockholders of record on our books at the close of business on Monday, October 4, 2004 will be entitled to vote at the annual meeting and any adjournments or postponements of the annual meeting. As of the close of business on October 4, 2004, we had 40,127,186 shares of common stock outstanding. Each share of common stock entitles the record holder to one vote on each matter to be voted upon at the annual meeting. Copies of the Notice of Annual Meeting of Stockholders, this proxy statement, the enclosed proxy card and our Annual Report to Stockholders for the fiscal year ended July 31, 2004, will be mailed to stockholders of record on or about November 1, 2004.

We will, upon written request of any stockholder, furnish without charge a copy of our Annual Report on Form 10-K for the fiscal year ended July 31, 2004, as filed with the Securities and Exchange Commission, without exhibits. Please address all such requests to the Attention of Mark Shamber, Corporate Controller, United Natural Foods, Inc., 260 Lake Road, Dayville, Connecticut 06241. Exhibits will be provided upon written request and payment of an appropriate processing fee.

Submitting and Revoking Your Proxy

If you complete and submit a proxy, the persons named as proxies will vote the shares represented by your proxy in accordance with your instructions. If you submit a proxy but do not complete the voting instructions, the persons named as proxies will vote the shares represented by your proxy as follows:

FOR the election of Gordon D. Barker, Gail A. Graham and Thomas B. Simone as Class II directors;

FOR the adoption and approval of the 2004 Equity Incentive Plan; and

FOR the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for fiscal year 2005.

If other matters come before the annual meeting, the persons named as proxies will vote on such matters in accordance with their best judgment. We have not received any notice of other matters that may properly be presented at the annual meeting. You may revoke your proxy at any time prior to the start of the annual meeting by delivering written instructions to our corporate secretary at 260 Lake Road, Dayville, CT 06241. Attendance at the annual meeting will not itself be deemed to revoke your proxy unless you give notice at the annual meeting that you intend to revoke your proxy and vote in person.

If you participate in our Employee Stock Ownership Plan, the enclosed proxy card will serve as a voting instruction for Robert Huckins, the trustee of the plan. If Mr. Huckins does not receive voting instructions for your shares, he will vote your shares in the same proportion as other plan participants' shares for which voting instructions have been received. You must submit your voting instructions to Mr. Huckins by the close of business on November 26, 2004 to allow him time to receive your voting instructions. Mr. Huckins will vote unallocated shares of common stock in the plan in the same proportion as participants have directed the trustee to vote their allocated shares of common stock.

If you participate in the United Natural Foods, Inc. Company Stock Fund through our 401(k) savings plan, the enclosed proxy card will serve as a voting instruction for Fidelity Management Trust Company ("*Fidelity*"), the trustee of the plan. If Fidelity does not receive voting instructions for your shares, it will vote your shares in the same proportion as other plan participants' shares for which voting instructions have been received. You must submit your voting instructions to Fidelity by the close of business on November 26, 2004 to allow it time to receive your voting instructions.

In addition to solicitations by mail, our directors, officers and employees may, without additional remuneration, solicit proxies by telephone, facsimile and personal interviews. We will request brokerage houses, custodians, nominees and fiduciaries to forward copies of the proxy material to those persons for whom they hold shares and request instructions for voting the proxies. We will reimburse such brokerage houses and other persons for their reasonable expenses in connection with this distribution.

Votes Required

Presence in person or by proxy of a majority of the shares of common stock outstanding on the record date will be required for a quorum. Shares of common stock present in person or represented by proxy (including shares that abstain or do not vote with respect to one or more of the matters presented for stockholder approval) will be counted for purposes of determining whether a quorum exists at the annual meeting.

The affirmative vote of the holders of a plurality of the votes cast by stockholders entitled to vote at the annual meeting is required for the election of directors. The affirmative vote of the holders of a majority of the shares of common stock present or represented by proxy and voting on the matter is required for the adoption and approval of the 2004 Equity Incentive Plan and the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for fiscal year 2005.

Shares that abstain from voting as to a particular matter, and shares held in "*street name*" by brokers or nominees who indicate on their proxies that they do not have discretionary authority to vote such shares as to a particular matter, will not be counted as votes in favor of such matter, and will also not be counted as votes cast or shares voting on such matter. Accordingly, abstentions and "*broker non-votes*" will have no effect on the voting on a matter that requires the affirmative vote of a certain percentage of the votes cast, although such shares will count for quorum purposes.

Webcast of Annual Meeting

We are pleased to offer a webcast of the annual meeting. If you choose to participate in the annual meeting by means of the webcast, go to the Investor Relations section of our website at www.unfi.com shortly before the annual meeting is scheduled to begin and follow the instructions provided. The conference call dial-in number is (303) 262-2030. You will be able to participate in the annual meeting by submitting questions directly from the broadcast site. However, you will not be able to vote your shares of common stock during the webcast. If you plan to listen to the webcast, please return the enclosed proxy by November 26, 2004 so that the persons named as proxies can vote the shares represented by your proxy in accordance with your instructions at the annual meeting.

Board and Committee Meetings

The Board of Directors met 11 times (including by telephone conference) during the fiscal year ended July 31, 2004. All directors attended at least 90% of the meetings of the Board of Directors and of the committees on which they served. Our directors are strongly encouraged to attend the annual meeting. All of our directors attended last year's annual meeting either in person or by webcast. A majority of the Board of Directors, consisting of Ms. Graham and Messrs. Barker, Cianciolo, Heffernan and Simone, are "*independent directors*," as defined in rules governing the listing of our common stock on the Nasdaq Stock Market. Mr. Simone currently serves as Lead Independent Director.

The Board of Directors has a Compensation Committee, which makes recommendations concerning salaries and incentive compensation for employees and consultants, and administers and recommends grants of stock options pursuant to the 2002 Stock Incentive Plan and the Amended and Restated 1996 Stock Option Plan. The Compensation Committee held four meetings during fiscal 2004. The current members of the Compensation Committee are Ms. Graham and Messrs. The Nominating and Governance Committee held four meetings during fiscal 2004. The current members of the Nominating and Governance Committee are Messrs. Barker, Cianciolo, Heffernan and Simone and Ms. Graham, each of whom is an independent director.

The Nominating and Governance Committee reviews the qualifications of every person recommended as a nominee to the Board of Directors to determine whether the recommended nominees will make good candidates for consideration for membership on the Board of Directors. The Nominating and Governance Committee has not established specific minimum qualifications for recommended nominees. However, as a matter of practice, the Nominating and Governance Committee does evaluate recommended nominees based on their integrity, judgment, independence, financial and business acumen, relevant experience, and their ability to represent and act on behalf of all stockholders, as well as the needs of the Board of Directors. Following this evaluation, the Nominating

and Governance Committee will make recommendations for membership on the Board of Directors and review such recommendations with the Board of Directors, which will decide whether to invite the candidate to be a nominee for election to the Board of Directors.

For a stockholder to submit a candidate for consideration to the Nominating and Governance Committee, a stockholder must notify our corporate secretary. To make a recommendation for director nomination in advance of the next annual meeting, a stockholder must notify our corporate secretary not less than 60 days nor more than 90 days prior to the 2005 Annual Meeting of Stockholders, provided that in the event that less than 70 days notice or prior public disclosure of the date of the 2005 Annual Meeting of Stockholders is given or made, notice by the stockholder must be received not later than the close of business on the 10th day following the date on which such notice of the date of the meeting was mailed or such public disclosure was made, whichever occurs first. Additionally, the Vice Chair and Lead Independent Director of the Board of Directors receives an annual retainer of \$110,000 and each other non-employee director receives an annual retainer of \$20,000.

Stock Options

Each new non-employee director receives an option to purchase 20,000 shares of our common stock at an exercise price equal to the closing price of our common stock on the Nasdaq Stock Market on the date such director joins the Board of Directors. Such options vest over a one-year period. In addition, during the fiscal year ended July 31, 2004, each non-employee director received an option to purchase 20,000 shares of our common stock in consideration of their service on the Board of Directors. Prior to the fiscal year ended July 31, 2000, options granted annually to non-employee directors for their service on the Board of Directors vested over a one year period. For the period from August 1, 2001 through July 31, 2004, however, options granted annually vested over a two-year period. The Vice Chair of the Board and the Lead Independent Director also receive an annual option grant for the purchase of 40,000 shares of our common stock, and a vesting period consistent with the vesting periods of the other non-employee directors. Each annual option award has an exercise price equal to the closing price of our common stock on the Nasdaq Stock Market on the date of such grant.

Option Grants in Last Fiscal Year

The following table sets forth the grants of stock options to the named executive officers during the year ended July 31, 2004. The percentages in the table below are based on options to purchase 782,000 shares of common stock granted under our stock option plan in the year ended July 31, 2004 to our employees and directors. The exercise price per share of each option was equal to the fair market value of the common stock on the date of grant as determined by the Board of Directors. Potential realizable values are net of exercise price before taxes and are based on the assumption that our common stock appreciates at the annual rate shown, compounded annually, from the date of grant until the expiration of the ten-year term. These numbers are calculated based on the requirements of the Securities and Exchange Commission and do not reflect our estimate of future stock price growth.

Equity Compensation Plans

2002 Stock Incentive Plan

The 2002 Stock Incentive Plan was originally adopted by the Board of Directors in October 2002 and approved by stockholders in December 2002. Under the 2002 Stock Incentive Plan, 2,800,000 shares of common stock were authorized for issuance. As of July 31, 2004, options for the purchase of 1,476,242 shares of common stock, net of any forfeitures, have been granted, with 1,323,758 shares available for future awards.

Amended and Restated 1996 Stock Option Plan

The 1996 Stock Option Plan was originally adopted by the Board of Directors and approved by stockholders in July 1996. An Amended and Restated 1996 Option Plan was approved by the stockholders of the Company in October 1996. Additional amendments to the Amended and Restated 1996 Stock Option Plan were approved by stockholders in December 1998 and December 2000.

Of the 5,000,000 shares of common stock authorized for issuance under Amended and Restated 1996 Option Plan, options for the purchase of 4,891,200 shares of common stock, net of any forfeitures, have been granted as of July 31, 2004, with 108,800 shares available for future awards.

Employee Stock Ownership Plan

The Employee Stock Ownership Plan was adopted by the Board of Directors and approved by stockholders in November 1988. This plan enabled us to acquire shares of our outstanding common stock for the benefit of eligible employees. We established the Employee Stock Ownership Trust to hold the acquired shares of our common stock. As discussed under "Certain Relationships and Related Transactions," we originally acquired 4,400,000 shares of our outstanding common stock from certain stockholders in exchange for a promissory note, for which we guarantee payment. As this promissory note is repaid, the shares of common stock held by the trust are released in proportion to the amount of principal paid down on the promissory note. These released shares are allocated among the accounts of eligible employees. The shares of common stock in an employee's account generally vest after five years of qualified employment or upon death or disability.

As of July 31, 2004, approximately 2,332,000 shares of common stock have been allocated or released for allocation to employees. Allocations are projected to continue at the rate of 176,000 shares of common stock per year.

Report of the Compensation Committee on Executive Compensation

Overview and Philosophy

The Compensation Committee of the Board of Directors is responsible for making recommendations concerning salaries and incentive compensation for employees, including the Chief Executive Officer and other executive officers, and administering the 2002 Stock Incentive Plan and the Amended and Restated 1996 Stock Option Plan. The Compensation Committee consists entirely of independent, non-employee directors, within the meaning of Rule 16b-3 issued by the Securities and Exchange Commission, and "outside directors" within the meaning of Section 162(m) of the Internal Revenue Code. The Compensation Committee currently consists of Mr. Barker, Chair of this committee, Ms. Graham and Messrs. Heffernan and Simone.

This report addresses our compensation policies for the fiscal year ended July 31, 2004 as they affected the Chief Executive Officer and the other executive officers. The objectives of our executive compensation program are to:

Attract and retain key executive officers critical to our long-term success;

Align the executive officers' interests with the interests of stockholders;

Enhance the overall performance of United Natural Foods, Inc.; and

Recognize and reward individual performance and responsibility.

Compensation Program

Our executive compensation program generally consists of base salary, cash incentive compensation and long-term incentive compensation in the form of stock options. Executive officers also participate in benefit programs that are generally available to our employees, including medical benefits, the Employee Stock Ownership Plan and the 401(k) retirement savings plan.

All compensation decisions are determined following a review of many factors that we believe are relevant, including third-party data, our achievements over the past year, the individual's contributions to our success, any significant changes in role or responsibility, and the internal equity of compensation relationships.

In general, we intend that the overall total compensation opportunities provided to the executive officers should reflect competitive compensation for executive officers with corresponding responsibilities in comparable firms providing similar products and services. To the extent determined to be appropriate, we also consider general economic conditions, our financial performance and individual merit in setting compensation policies for our executive officers.

We regularly assess, with the assistance of outside compensation consultants, the competitiveness of our total compensation program, including base salaries, annual cash incentives and long-term stock-based incentives. Data for external comparisons are drawn from a number of sources, including the publicly available disclosures of selected comparable firms with similar products and national compensation surveys of companies of similar size or industry.

For the fiscal year ended July 31, 2004, we reviewed the appropriate mix between salary and other forms of compensation and set annual compensation guidelines for our executive officers.

Base Compensation

Steven H. Townsend was promoted to Chairman of the Board of Directors in December 2003 and to Chief Executive Officer in January 2003. He has served as President since April 2001 and as Interim President of our Eastern Region since January 2004. Mr. Townsend's base compensation was originally set at \$500,000 annually pursuant to the terms of his employment agreement, as described below. Mr. Townsend's annual base salary may be increased at this committee's discretion based on its review of his performance and other material events. Mr. Townsend's initial base salary level set forth in the employment agreement was the result of negotiations between Mr. Townsend and this committee, taking into consideration the need for an experienced and proven executive officer and Mr. Townsend's experience and applicable expertise in our industry. Pursuant to the terms of Mr. Townsend's employment agreement, and in recognition of our excellent business and financial performance, we increased his base salary effective August 1, 2004 to \$700,000 annually, and his bonus to up to 100% of his base salary. Our objective is to establish his total compensation at the 75th percentile of similarly situated chief executive officers, subject to the fulfillment of certain performance criteria established and agreed upon by this committee.

Historically, we have reviewed the compensation levels paid to executive officers based on a study commissioned periodically by us of approximately 12 comparable companies. For fiscal 2004, compensation for other executive officers was set within the range of compensation for executive officers with comparable qualifications, experience and responsibilities at other companies in the same or similar businesses, based on the determination of management and approved by this committee. Base compensation was also determined in light of a particular individual's contribution as a whole, including the ability to motivate others, develop the necessary skills to grow, recognize and pursue new business opportunities and initiate programs to enhance our growth and success. We approved base salary adjustments for the executive officers effective August 1, 2004.

Long-Term Incentives

Long-term incentives for executive officers and key employees are provided through individual stock ownership, the Employee Stock Ownership Plan, the 2002 Stock Incentive Plan and the Amended and Restated 1996 Stock Option Plan. The objectives of these plans are to align executive and stockholder long-term interests by creating a strong and direct link between executive compensation and stockholder return, and to enable executive officers to develop and maintain a significant, long-term stock ownership position in our common stock. Stock options are granted at an option price equal to the fair market value, or, in the case of owners of 10% or more of our common stock, 10% above the fair market value of our common stock on the date of grant and will only have value if our common stock price increases. In selecting executive officers eligible to receive option grants and determining the amount and frequency of such grants, we evaluate a variety of factors, including the following: (i) the job level of the executive officer; (ii) option grants awarded by competitors to executive officers at a comparable job level; and (iii) past, current and prospective service rendered, or to be rendered, by the executive officer.

Limitations on Deductions

Section 162(m) of the Internal Revenue Code limits the deductibility of executive compensation paid to executive officers to \$1,000,000 per year, but contains an exception for certain performance-based compensation. For the fiscal year ended July 31, 2004, grants of stock options under the 2002 Stock Incentive Plan and the Amended and Restated 1996 Stock Option Plan satisfy the requirements for deductible compensation. While our general policy is to preserve the deductibility of most compensation paid to executive officers, we authorize payments that may not be deductible for income tax purposes if we believe they are in the best interests of United Natural Foods and its stockholders.

Compensation Committee Interlocks and Insider Participation

The current members of our Compensation Committee are Ms. Graham and Messrs. Barker, Heffernan and Simone. None of our executive officers have served as a director or member of the compensation committee (or other committee serving an equivalent function) of any other entity, one of whose executive officers served as a director of or member of our Compensation Committee.

Employment Agreements

We have entered into an employment agreement with Steven H. Townsend that has an initial term expiring on December 31, 2005, unless terminated earlier in accordance with its terms. The agreement will be automatically extended for additional one-year periods unless either we or Mr. Townsend terminate the agreement upon 90 days prior written notice. The agreement provides for Mr. Townsend to receive a base salary of \$500,000 (subsequently increased by the Compensation Committee to \$535,000 in 2003 and \$700,000 in 2004 as discussed above under "Report of the Compensation Committee on Executive Compensation - Base Compensation") and an incentive bonus, paid annually, in an amount equal to up to 50% of his base salary upon fulfillment of performance goals determined semi-annually by the Compensation Committee of the Board of Directors. This incentive bonus amount was increased to 100% of his base salary for 2004 and subsequent years. Mr. Townsend will be entitled to receive his base salary and medical and insurance benefits (i) in the event Mr. Townsend's employment is terminated by us without cause or by Mr. Townsend for "good reason," for a period of two years, or (ii) if Mr. Townsend's employment is terminated by reason of his death or disability, for a period of one year. In addition, all of Mr. Townsend's unvested stock options will vest in full if his

employment is terminated for one of the reasons set forth in the preceding sentence. If we consummate a change of control and Mr. Townsend resigns as a result thereof or his employment is terminated as a result thereof, Mr. Townsend will be entitled to receive his base salary, incentive bonus and medical and insurance benefits for a period of two years, and all of his unvested stock options will vest in full. Mr. Townsend has agreed to preserve all confidential and proprietary information relating to our business during the term of the agreement and for one year thereafter. In addition, Mr. Townsend has agreed to non-competition, non-solicitation and assignment of inventions provisions that are in effect during the term of the agreement and for one year thereafter.

Certain Relationships and Related Transactions

In connection with the establishment of the Employee Stock Ownership Plan in November 1988, certain stockholders, including Steven H. Townsend and Daniel V. Atwood, contributed an aggregate of 4,400,000 shares of our common stock to the Employee Stock Ownership Trust in exchange for a note (the "*ESOT Note*") from the Employee Stock Ownership Trust in the original amount of \$4,080,000, the largest amount of indebtedness outstanding under the ESOT Note. We guarantee payment by the Employee Stock Ownership Trust of the ESOT Note. The ESOT Note is payable in equal monthly installments of principal and interest from December 1988 to May 2015. Interest is charged on the ESOT Note at a rate of 10% per annum. The amount outstanding under the ESOT Note as of September 30, 2004 was \$1,740,800.

Under a distribution agreement, dated as of August 23, 1994, between our wholly-owned subsidiary, Mountain People's Warehouse, Inc. ("*Mountain People's*"), and Mountain People's Wine Distributing, Inc. ("*MPWD*"), of which Michael S. Funk is a 55% stockholder. Mountain People's distributes alcoholic beverages, including wine and beer, for MPWD. We believe that the financial terms of this agreement are at market value. In order to ensure that the financial terms of this agreement are at market value, we review the terms of this agreement with MPWD from time to time. The financial terms of this agreement were recently revised to ensure that the financial terms remained at market value. For each year in the two year period ended July 31, 2004, the payments that we made to MPWD under this agreement represented less than 0.1% of our gross revenues and approximately 65% of MPWD's gross revenues.

ECO-DENT International, Inc., a natural oral care products company ("*ECO-DENT*"), is a supplier to us. Thomas B. Simone, the Vice Chair of the Board of Directors, owns approximately 22% of ECO-DENT and served as a director until July 2004. We purchase products from ECO-DENT in the normal course of business and we have no agreement with ECO-DENT. For each year in the two year period ended July 31, 2004, the payments that we made to ECO-DENT represented less than 0.1% of our gross revenues and approximately 60% of ECO-DENT's gross revenues. Mr. Simone resigned as a Director of ECO-DENT shortly after its sale to a third party in July 2004.

Comparative Stock Performance

The following graph compares the cumulative total stockholder return on our common stock for the period from July 31, 1999 through July 31, 2004 with the cumulative total return on (i) an index of Food Service Distributors and Grocery Wholesalers and (ii) the Nasdaq Composite Index. The comparison assumes the investment of \$100 on July 31, 1999 in our common stock and in each of the indices and, in each case, assumes reinvestment of all dividends. PROPOSAL 2 ADOPTION AND APPROVAL OF THE 2004 EQUITY INCENTIVE PLAN

In October 2004, the Board of Directors unanimously approved and adopted the 2004 Equity Incentive Plan (the "2004 Plan") and directed that it be submitted to stockholders for approval at this year's annual meeting. The 2004 Plan is intended to supplement the current 2002 Stock Incentive Plan (the "2002 Plan") that was approved by stockholders in 2002 and that provides only for the award of stock options to eligible persons. The purpose of the 2004 Plan is to allow us to provide other types of equity-based compensation awards, such as restricted shares and units, performance shares and units, bonus shares, and stock appreciation rights, which will allow us to effectively attract and retain outstanding personnel. The Board of Directors believes that these awards are consistent with current market practices and that the 2004 Plan will promote profitability and growth through long-term incentives that are consistent with our goals and that link the interests of participants to those of the stockholders.

Adoption and approval of the 2004 Plan by stockholders will constitute approval of (i) the issuance of 1,000,000 shares of our common stock in connection with grants of awards under the 2004 Plan; (ii) the performance criteria upon which performance-based awards that are intended to be deductible by United Natural Foods must be based; and (iii) the limits on the amount of cash and shares that may be awarded to any individual participant to whom Section 162(m) of the Internal Revenue Code of 1986 is applicable, as required in order to comply with Section 162(m) of the Internal Revenue Code. This approval generally is required every five years in order for such awards to continue to be treated as performance-based compensation under Section 162(m) of the Internal Revenue Code.

Recommendation of the Board of Directors

The Board of Directors believes that the 2004 Plan is in the best interest of United Natural Foods and its stockholders. Accordingly, the Board of Directors recommends a vote FOR the adoption and approval of the 2004 Plan.

Summary Description of the 2004 Plan

Below is a summary of the material features of the 2004 Plan. The summary does not purport to be complete and is qualified in its entirety by the text of the 2004 Plan which is attached as Appendix D to this proxy statement.

Purpose

The 2004 Plan is intended to enable employees, officers and directors of, and consultants and advisers to, United Natural Foods and its subsidiaries to acquire or increase a proprietary interest in United Natural Foods, and thus to share in the future success of our business. Accordingly, the 2004 Plan is intended as a means not only of attracting and retaining outstanding personnel, but also of promoting a closer identity of interests between management and stockholders.

Total Number of Shares Covered

1,000,000 shares of common stock ("Shares") will be reserved for issuance pursuant to awards made under the 2004 Plan. The market value of the Shares as of October 22, 2004 was \$26,310,000.

Administration of the 2004 Plan

The 2004 Plan will be administered by a committee (the "Plan Committee") that will consist only of members of the Board of Directors who qualify as "non-employee directors" within the meaning of Rule 16b-3 under the Securities Exchange Act of 1934, and "outside directors" within the meaning of Section 162(m) of the Internal Revenue Code. In administering the 2004 Plan, the Plan Committee will

determine which persons will be granted awards, the number and types of awards to be granted, and the terms and conditions of such awards. All questions of interpretation and administration of the 2004 Plan will be resolved by the Plan Committee. Within certain limits, the Plan Committee may delegate any of its authority and responsibility to executive officers, except that an executive officer may not grant awards to himself or to an individual who is subject to the reporting requirements of Section 16(b) of the Securities Exchange Act of 1934, or awards that are intended to qualify as performance-based compensation within the meaning of Section 162(m) of the Internal Revenue Code, and may not exercise certain non-ministerial actions with respect to such individuals or awards.

Eligibility

The persons eligible to receive awards under the 2004 Plan include employees, officers and directors of, and consultants and advisers to, United Natural Foods or its subsidiaries. The approximate number of persons who are eligible to receive awards under the 2004 Plan includes 200 employees, 5 directors, and an indeterminate number of consultants.

Terms and Types of Awards

The Plan Committee has the authority to grant the following types of awards to employees under the 2004 Plan:

- (a) Restricted Shares. Restricted Shares are Shares that are subject to a risk of forfeiture or other restrictions that lapse when one or more objectives or conditions, as determined by the Plan Committee, are achieved. Restricted Shares have the following rights and limitations, among others:

Rights. Holders of Restricted Shares have beneficial ownership of the Restricted Shares, including the right to receive dividends and the right to vote. Dividends on Restricted Shares that are paid in Shares are subject to the same restrictions as those applied to the Restricted Shares.

Transfer Restrictions. Restricted Shares may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, and generally must be returned to United Natural Foods upon the termination of participant's employment (unless termination is due to the participant's disability or death) prior to vesting.

Vesting. Restrictions lapse upon satisfaction of objectives or conditions determined by the Plan Committee.

- (b) Bonus Shares. Bonus Shares are Shares that are granted to recognize outstanding job performance.

- (c) Performance Shares. Performance Shares are Shares that are earned by satisfying specified performance measures over a pre-determined performance period, as determined by the Plan Committee. Performance Shares have the following rights and limitations, among others:

Rights. Holders of Performance Shares have beneficial ownership of the Performance Shares, including the right to receive dividends and the right to vote. Dividends on Performance Shares that are paid in Shares are subject to the same restrictions as those applied to the Performance Shares.

Transfer Restrictions. Performance Shares may not be sold, transferred, pledged, assigned or otherwise alienated or hypothecated, and generally must be returned to United Natural Foods upon termination of participant's employment (unless termination is due to the participant's disability or death) prior to vesting.

Edgar Filing: UNITED NATURAL FOODS INC - Form DEF 14A

Vesting. Restrictions lapse upon the attainment of performance criteria determined by the Plan Committee using one or more of the pre-established performance measures.

- (d) Restricted Units and Performance Units. These are rights, denominated in cash or cash units, to receive, at a specified future date, payment in cash or Shares (as determined by the Plan Committee) of an amount equal to all or a portion of the value of a unit determined by the Plan Committee when one or more performance or other objectives, as determined by the Plan Committee, are achieved.
- (e) Stock Appreciation Rights (SARs). SARs constitute rights to receive cash based on appreciation in value of United Natural Foods common stock over a specified period. The Plan Committee may grant SARs that, on exercise, entitle the grantee to receive a cash amount equal to the excess (if any) of (i) the fair market value of a Share on the date of exercise over (ii) the fair market value of a Share on the date of grant, multiplied by the number of Shares with respect to which the SAR is exercised.

Performance Criteria

The Plan Committee, at the time that an award is granted, may establish specific performance targets for the vesting of Performance Shares or to measure the value of Performance Units. The objective performance targets established by the Plan Committee may be based on one or more of the following criteria:

increase in net sales;

pretax income before allocation of corporate overhead and/or bonus;

gross profits;

Change in Control

Except as otherwise provided in an applicable award agreement, all restrictions imposed on a grantee's award will lapse if, within twelve months after United Natural Foods obtains actual knowledge that a Change in Control (as defined in the 2004 Plan) has occurred, the grantee's employment with United Natural Foods or its subsidiaries ceases for any reason.

Termination, Suspension or Modification of the 2004 Plan

The Board of Directors may terminate, suspend, or modify the Plan at any time. However the Board of Directors may not, without approval by the affirmative vote of the stockholders present at a meeting, make any material revisions to the 2004 Plan (other than adjustments for changes in capitalization as described below), including: (a) a material increase in the aggregate number of Shares for which awards may be granted; (b) an expansion of the types of awards available under the 2004 Plan; (c) a material expansion of the class of persons eligible for an award; or (d) an extension of the maximum duration of the 2004 Plan. No termination, suspension or modification of the 2004 Plan will adversely affect any right acquired by any participant under the terms of any award granted before the date of such termination, suspension or modification, unless the participant expressly consents, subject to the Plan Committee's authority to adjust awards upon certain events as described immediately below.

Adjustments

The Board of Directors may, in accordance with the terms of the 2004 Plan, make appropriate adjustments to the number of Shares available for the grant of awards and the terms of outstanding awards to prevent dilution or enlargement of rights including, without limitation, adjustments in the event of stock dividends, stock splits, recapitalizations, mergers, consolidations, combinations or exchanges of Shares, separations, spin-offs, reorganizations, liquidations, and the like.

Effects of Merger or Other Reorganization

Except as otherwise provided in an applicable award agreement, if United Natural Foods is the surviving corporation in a merger or other reorganization, outstanding awards granted under the 2004 Plan will extend to United Natural Foods stock and securities after such event to the same extent as Shares held by a person who, immediately before such event, held the number of Shares corresponding to the number of Shares covered by the award.

Prohibition on Repricing

Notwithstanding any other provision of the 2004 Plan, the Plan Committee may not "reprice" any SAR or other award granted under the 2004 Plan if the effect of such repricing would have the effect of decreasing the deemed fair market value of a share on the date of grant under the SAR provisions, or other similar effect. For this purpose, a "repricing" would include a tandem cancellation and regrant or any other amendment or actions that would have substantially the same effect.

Federal Income Tax Considerations

The following discussion of the federal income tax consequences associated with awards under the 2004 Plan, as proposed, is based on present federal tax laws and regulations and does not purport to be a complete description of the federal income tax laws. Participants may also be subject to certain employment, state and local taxes which are not described below.

Restricted Shares and Performance Shares

United Natural Foods will receive a deduction and the participant will recognize taxable income equal to the fair market value of the Restricted Share or Performance Share at the time the restrictions on the Shares awarded lapse or the Shares become transferable (minus the participant's purchase price, if any), unless the participant elects within 30 days after receipt of the Restricted Share or Performance Share to pay such tax earlier, in which case both the Company's deduction and the participant's inclusion in income occur on the award date. When a participant sells Shares received after the restrictions lapse, the participant will recognize capital gain or loss equal to the difference between the amount, if any, the participant paid for the Shares (plus any additional amount the participant recognized as ordinary income when the Shares vested) and the fair market value of the shares on the date of the sale.

Bonus Shares

The value of the Shares awarded to a participant as Bonus Shares (minus the participant's purchase price, if any) will be taxable as ordinary income to such participant in the year received, and United Natural Foods will be entitled to a corresponding tax deduction. The participant will recognize capital gain or loss equal to the difference between the amount, if any, that the participant paid for the Shares (plus any additional amount the participant recognized as ordinary income when the Shares vested) and the fair market value of the Shares on the date of the sale.

Restricted Units and Performance Units

A participant who has been granted a Restricted Unit or Performance Unit will not recognize taxable income at the time of grant, and United Natural Foods will not be entitled to a corresponding deduction. Generally, the participant will have compensation income at the time of distribution equal to the amount of cash received, and United Natural Foods will be entitled to a corresponding deduction.

SARs

No income will be recognized by the participant at the time a SAR is awarded, and no deduction will be available to United Natural Foods at that time. When the SAR is exercised, ordinary income will be recognized in the amount of the cash received by the participant, and United Natural Foods will be entitled to a deduction of equivalent value.

Section 162(m) Deduction Limits and Performance Measures

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public companies for compensation over \$1,000,000 paid to any individual who, on the last day of the taxable year, is either the chief executive officer or one of the four other most highly compensated officers of the company. However, the deduction limit does not apply to qualified performance-based compensation. In order to qualify as performance-based compensation, the company's stockholders must approve the material terms under which the compensation will be paid, including (i) the performance criteria upon which performance-based awards may be based; (ii) the annual per-participant limits on grants of performance-based awards and SARs; and (iii) the class of employees eligible to receive awards.

Compensation received upon vesting of Performance Shares and Units and exercise of SARs granted under the 2004 Plan in compliance with the requirements of Section 162(m) of the Internal Revenue Code is exempt from the \$1,000,000 deduction limit. If United Natural Foods wishes to continue to treat Performance Shares and Performance Units as qualified performance-based compensation, the Plan Committee generally must seek reapproval of the performance criteria every

five years, because the 2004 Plan grants the Plan Committee discretion to set the performance targets with respect to these awards using one or more of the performance criteria set forth above. The reapproval requirement does not apply to SARs because the performance criteria with respect to SARs (increase in stock price) is not within the discretion of the Plan Committee.

Awards under the 2004 Plan

Because awards under the 2004 Plan are discretionary and will be based upon prospective factors, including the nature of services to be rendered by eligible persons, actual awards cannot be determined at this time.

PROPOSAL 3 RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board of Directors has appointed KPMG LLP as our independent registered public accounting firm for the fiscal year ending July 31, 2005, subject to ratification by stockholders at the annual meeting. Stockholder ratification of the selection of KPMG LLP as our independent registered public accounting firm is not required by law or otherwise. However, the Board of Directors is submitting the selection of KPMG LLP to stockholders for ratification as a matter of good corporate governance. If stockholders do not ratify the appointment of KPMG LLP, the Board of Directors will reconsider the matter.

Representatives of KPMG LLP, which served as our independent registered public accounting firm for the fiscal year ended July 31, 2004, will be present at the annual meeting to respond to appropriate questions and to make such statements as they may desire.

Recommendation of the Board of Directors

The Board of Directors believes that the ratification of the appointment of KPMG LLP is in the best interests of United Natural Foods and its stockholders and recommends a vote FOR such ratification.

Audit Committee Report

The Audit Committee of the Board of Directors is comprised solely of independent directors, as defined by applicable law, and it operates under a written charter adopted by the Board of Directors. The composition of the Audit Committee, the attributes of its members and its responsibilities, as reflected in its charter, are intended to be in accordance with applicable requirements for corporate audit committees. The Audit Committee reviews and assesses the adequacy of its charter on an annual basis and in October 2003 revised its charter to reflect recent changes to the federal securities laws and rule changes adopted by the Nasdaq Stock Market.

The primary purpose of the Audit Committee is to assist the Board of Directors in its general oversight of the financial reporting process, which is more fully described in its charter. Management is responsible for the preparation, presentation, and integrity of the financial statements, accounting and financial reporting principles, internal controls, and procedures designed to ensure compliance with accounting standards, applicable laws and regulations. KPMG LLP is responsible for performing an independent audit of the consolidated financial statements and expressing an opinion on the conformity of those financial statements with generally accepted accounting principles.

The Board of Directors has determined that Joseph M. Cianciolo is an audit committee financial expert, as defined by the rules and regulations of the Securities and Exchange Commission.

The Audit Committee has prepared the following report on its activities with respect to the audited financial statements for the fiscal year ended July 31, 2004 (for purposes of this report, the "*audited financial statements*"). The following report of the audit committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other of United Natural Foods filings under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent we specifically incorporate this report by reference in the specified filing.

The Audit Committee has reviewed and discussed the audited financial statements with management. The Audit Committee has discussed with KPMG LLP the matters required to be discussed by Statements on Auditing Standards No. 61. The Audit Committee has received the written disclosures and the letter from KPMG LLP required by Independence Standards Board Standard No. 1, and has discussed with KPMG LLP its independence.

Based on the Audit Committee's review of the audited financial statements and the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the year ended July 31, 2004, for filing with the Securities and Exchange Commission.

Fees Paid to KPMG LLP

In addition to retaining KPMG LLP to audit our financial statements for the fiscal year ended July 31, 2004, we engaged the firm from time to time during the year to perform other services. The following table sets forth the aggregate fees billed by KPMG LLP in connection with services rendered during the last two fiscal years.

Fee Category	Fiscal 2004	Fiscal 2003
Audit Fees	\$ 318,000	\$ 374,900
Audit-Related Fees	33,850	25,060
Tax Fees	13,365	270,422
All Other Fees	0	0

Audit Fees. Consists of fees billed for professional services rendered in connection with the audit of our annual financial statements and for the review of the interim financial statements included in quarterly reports and services that are normally provided by KPMG LLP in connection with statutory and regulatory filings or engagements.

Audit-Related Fees. Consists of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements and are not reported under "Audit Fees." These services include employee benefit plan audits, accounting consultations in connection with acquisitions, attest services that are not required by statute or regulation and consultations concerning financial accounting and reporting standards.

Tax Fees. Consists of fees billed for professional services for tax compliance, tax advice and tax planning. These services include assistance regarding federal and state tax compliance, tax audit defense and mergers and acquisitions.

All Other Fees. Consists of fees for products and services other than the services reported above. In fiscal 2004 and fiscal 2003, no services other than those reported above were provided by KPMG LLP.

The Audit Committee has considered whether the provision of the non-audit services described above by KPMG LLP is compatible with maintaining auditor independence and determined that KPMG LLP's non-audit services did not compromise its independence as independent public auditor.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services

In accordance with its charter, the Audit Committee's policy is to pre-approve all audit and permissible non-audit services provided by KPMG LLP. These services may include audit services, audit-related services, tax services and other related services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. KPMG LLP and management are required to periodically report to the Audit Committee regarding the extent of services provided by KPMG LLP in accordance with this pre-approval, and the fees for the services performed to date. The Audit Committee may also pre-approve particular services on a case-by-case basis. During the year ended July 31, 2004, all services provided by KPMG LLP were pre-approved by the Audit Committee in accordance with this policy.

OTHER MATTERS

Based solely on our review of copies of reports filed by the Reporting Persons furnished to us, we believe that during the fiscal year ended July 31, 2004, the Reporting Persons complied with all Section 16(a) filing requirements, except for the following:

Mr. Beaudry failed to timely file a Form 3 upon becoming a Reporting Person in August 2003.

Ms. Sanchez failed to timely file a Form 3 upon becoming a Reporting Person in December 2003.

Each director and executive officer failed to timely file a Form 4 related to the issuance of stock options granted on December 3, 2003.

Mr. Cianciolo failed to timely file a Form 4 related to his stock option exercise in January 2004.

All of the aforementioned Section 16(a) required filings were made subsequent to the filing deadline.

Stockholder Proposals for the 2005 Annual Meeting of Stockholders

Any proposal that a stockholder wishes to be considered for inclusion in our proxy statement for the 2005 Annual Meeting of Stockholders must be submitted to our corporate secretary, Daniel V. Atwood, at 260 Lake Road, Dayville, Connecticut 06241, no later than the close of business on July 31, 2005. We strongly encourage stockholders interested in submitting a proposal to contact legal counsel with regard to the detailed requirements of applicable securities laws. Submitting a stockholder proposal does not guarantee that we will include it in our proxy statement.

If a stockholder wishes to present a proposal before the 2005 Annual Meeting of Stockholders, but does not wish to have the proposal considered for inclusion in our proxy statement, such stockholder must give written notice to our corporate secretary at the address noted above. Our corporate secretary must receive such notice not less than 60 days nor more than 90 days prior to the 2005 Annual Meeting of Stockholders, provided that in the event that less than 70 days' notice or prior public disclosure of the date of the 2005 Annual Meeting of Stockholders is given or made, notice by the stockholder must be received not later than the close of business on the 10th day following the date on which such notice of the date of the meeting was mailed or such public disclosure was made, whichever occurs first. The stockholder's submission must include certain specified information concerning the proposal and the stockholder, including such stockholder's ownership of our common stock. As we will not entertain any proposals at the annual meeting that do not meet these requirements, we strongly encourages stockholders to seek advice from legal counsel before submitting a proposal.

THE BOARD OF DIRECTORS HOPES THAT STOCKHOLDERS WILL ATTEND THE MEETING IN PERSON OR BY MEANS OF THE WEBCAST. WHETHER OR NOT YOU PLAN TO ATTEND, YOU ARE URGED TO COMPLETE, SIGN, DATE AND RETURN THE ENCLOSED PROXY CARD IN THE ACCOMPANYING ENVELOPE. PROMPT RESPONSE WILL GREATLY FACILITATE ARRANGEMENTS FOR THE MEETING AND YOUR COOPERATION IS APPRECIATED. Directors,

The Audit Committee has the ability to retain, at the Company's expense, special legal, accounting, or other consultants or experts it deems necessary in the performance of its duties.

II. Audit Committee Composition and Meetings

Audit Committee members shall meet the requirements of the The NASDAQ National Market. The Audit Committee shall be comprised of three or more directors as determined by the Board, each of whom shall be independent nonexecutive directors, free from any relationship that would interfere with the exercise of his or her independent judgment. All members of the Committee shall have, or within a reasonable period of time after appointment to the Audit Committee shall have, a basic understanding of finance and accounting and be able to read and understand fundamental financial statements, and at least one member of the Committee shall have accounting or related financial management expertise.

Audit Committee members shall be appointed by the Board. The members of the Committee shall serve for a three year term and each year, following the Company's Annual Meeting, the Committee shall elect a Chair of the Committee, who may be the incumbent Chair or another member of the Committee. Each appointed Committee member may be removed by the Board of Directors (the "Board") at any time.

The Committee shall meet at least four times annually, or more frequently as circumstances dictate. The Audit Committee Chair shall prepare and/or approve an agenda in advance of each meeting. The Committee should meet privately in executive session at least annually with management, the director of the internal auditing department, the independent auditors, and as a committee to discuss any matters that the Committee or each of these groups believes should be discussed. In addition, the Committee, or at least its Chair, should communicate with management and the independent auditors quarterly to review the Company's financial statements and significant findings based upon the auditors limited review procedures.

II. Audit Committee Responsibilities and Duties

Review Procedures

The Committee shall, at the time it establishes the performance goals for an Award, specify the period over which the performance goals relate. The establishment of the actual performance goals and, if a grant is based on more than one of the foregoing criteria, the relative weighting of such criteria, shall be at the sole discretion of the Committee; provided, however, that in all cases the performance goals must be established by the Committee in writing no later than 90 days after the commencement of the period to which the performance goals relate (or, if less, no later than after 25% of the period has elapsed) and when achievement of the performance goals is substantially uncertain. The performance goals with respect to any Performance Share or Performance Unit shall be measured over a period no longer than three consecutive years.

12. STOCK APPRECIATION RIGHTS.

The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue the Shares as to which such requisite authority shall not have been obtained.

14. RIGHTS UNDER CERTAIN CIRCUMSTANCES.

(a)

Death or Disability. Except as otherwise provided in the applicable Agreement, if a Grantee who has been in the continuous employment of the Company or a Subsidiary since the date on which an Award was granted becomes disabled or dies while in such employment, the restrictions imposed on the Award shall lapse; provided that, if the Award is intended to qualify as performance-based compensation under Section 162(m) of the Code, it shall cease

Edgar Filing: UNITED NATURAL FOODS INC - Form DEF 14A

to qualify as such performance-based compensation if the restrictions lapse under this Section 14(a). For purposes of this Section 14(a), "disabled" and "disability" means having a total and permanent disability, as defined in Section 22(e)(3) of the Code.

15. TAX WITHHOLDING.

The Company shall have the right to collect an amount sufficient to satisfy any Federal, State and/or local withholding tax requirements (including the Grantee's FICA obligation) that might apply with respect to any Award to a Grantee in the manner specified in subsection (a) or (b) below. Alternatively, a Grantee may elect to satisfy any such withholding tax requirements in the manner specified in subsection (c) below to the extent permitted therein.

(a) The Company shall have the right to require Grantees to remit to the Company an amount sufficient to satisfy any such withholding tax requirements.

(b) The Company and its Subsidiaries also shall, to the extent permitted by law, have the right to deduct from any payment of any kind (whether or not related to the Plan) otherwise due to a Grantee any such taxes required to be withheld.

(c) If the Committee in its sole discretion approves, a Grantee may irrevocably elect to have any withholding tax obligation satisfied by (i) having the Company withhold Shares otherwise deliverable to the Grantee, or (ii) delivering Shares to the Company, provided that the Shares withheld or delivered have a Fair Market Value (on the date that such withholding or delivery occurs) equal to the minimum amount required to be withheld.

16. ADJUSTMENT FOR CHANGES IN CAPITALIZATION.

(a) In the event that there is any change in the Shares through merger, consolidation, reorganization, recapitalization or otherwise; or if there shall be any dividend on the Shares, payable in Shares; or if there shall be a stock split or a combination of Shares, the aggregate number of shares available for Awards, the number of Shares subject to outstanding Awards, and the exercise price per Share of each outstanding Award may be proportionately adjusted by the Board of Directors as it deems equitable in its absolute discretion to prevent dilution or enlargement of the rights of the Grantees; provided that any fractional Shares resulting from such adjustments shall be eliminated. The Board of Directors may, in its sole discretion (i) accelerate the vesting of an outstanding Award or (ii) accelerate the termination date of an outstanding Award in connection with the liquidation, dissolution, merger, reorganization or other consolidation of the Company upon notice to the affected Grantees.

(b) The Board's determination with respect to any such adjustments shall be conclusive.

17. EFFECTS OF MERGER OR OTHER REORGANIZATION.

Except to the extent otherwise provided in an Agreement, if the Company shall be the surviving corporation in a merger or other reorganization, outstanding Awards granted under the Plan shall extend to stock and securities of the Company after the merger or other reorganization to the same extent as Shares held by a person who held, immediately before the merger or reorganization, the number of Shares corresponding to the number of Shares covered by the Award.

18. TRANSFERABILITY OF AWARDS.

Unless determined otherwise by the Committee, an Award may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent or distribution and may be exercised, during the lifetime of the Grantee, only by the Grantee. If the Committee makes an Award transferable, such Award shall contain such additional terms and conditions as the Committee deems appropriate. Notwithstanding the foregoing, subject to the approval of the Committee in its sole discretion, Awards may be transferable to members of the immediate family of the Grantee and to one or more trusts for the benefit of such family members, partnerships in which such family members are the only partners, or corporations in which such family members are the only stockholders. "Members of the immediate family" means the Grantee's spouse, children, stepchildren, grandchildren, parents, grandparents, siblings (including half brothers and sisters) and individuals who are family members by adoption.

19. PROHIBITION ON REPRICING.

Notwithstanding any other provision of the Plan, the Committee shall not "reprice" any SAR or other Award granted under the Plan if such repricing would have the effect of decreasing the deemed Fair Market Value of a Share referred to in Section 12(a)(ii) or other similar effect. For this purpose, a "repricing" includes a tandem cancellation and regrant of an Award or any other amendment or action that would have substantially the same effect.

20. TERMINATION, SUSPENSION OR MODIFICATION OF THE PLAN.

The Board of Directors may at any time terminate, suspend, or modify the Plan; provided that the Board shall not, without approval by the affirmative votes of the holders of a majority of the securities of the Company present or represented and entitled to vote at a meeting duly held in accordance with applicable law, make any material revisions as defined in the NASDAQ Rules (other than through adjustment for changes in capitalization as provided in Section 16), including: (a) a material increase in the aggregate number of Shares for which Awards may be granted; (b) an expansion of the types of Awards available under the Plan; (c) a material expansion of the class of persons eligible for an Award; or (d) an extension of the maximum duration of the Plan. No termination, suspension or modification of the Plan shall adversely affect any right acquired by any Grantee, or by any Beneficiary, under the terms of any Award granted before the date of such termination, suspension or modification, unless such Grantee or Beneficiary shall expressly consent, but it shall be conclusively presumed that any adjustment pursuant to Section 16 does not adversely affect any such right.

21. NO EFFECT ON EMPLOYMENT OR SERVICE.

Neither the Plan nor any Award shall confer upon a Grantee any right with respect to continuing the Grantee's relationship with the Company, nor shall it interfere in any way with the Grantee's or the Company's right to terminate such relationship at any time, with or without cause.

22. SEVERABILITY.

In the event that any provision of the Plan shall be held illegal or invalid for any reason, such illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if the illegal or invalid provision has not been included.

23. GOVERNING LAW.

Except to the extent that such laws may be superseded by any Federal law, the Plan shall be construed and its provisions enforced and administered in accordance with the laws of the State of Delaware, excluding any conflicts or choice of law rule or principle that might otherwise refer construction or interpretation of the Plan to the substantive law of another jurisdiction.
