The 2011 Annual Meeting of Shareholders of MAXIMUS, Inc. will be held at our corporate headquarters at 11419 Sunset Hills Road in Reston, Virginia on March 18, 2011 at 11:00 a.m., Eastern Time, to consider and act upon the following matters:

1. The election of three Class II Directors to serve until the 2014 Annual Meeting of Shareholders.
2. An advisory vote to approve the compensation of the Named Executive Officers.
3. An advisory vote on whether shareholders will vote on Named Executive Officer compensation every one, two or three years.
4. The ratification of the appointment of Ernst & Young LLP as our independent public accountants for our 2011 fiscal year.

Shareholders of record at the close of business on January 14, 2011 will be entitled to vote at the annual meeting or at any adjournment of the annual meeting.

Under Securities and Exchange Commission rules, we have elected to deliver our proxy materials to shareholders over the Internet. That delivery process allows us to provide shareholders with the information they need while at the same time conserving natural resources and lowering the cost of printing and delivery. On or about January 25, 2011, we mailed to our shareholders a Notice of Internet Availability of Proxy Materials (the "Notice") containing instructions on how to access our 2011 proxy statement and 2010 annual report. The Notice also provides instructions on how to vote online or by telephone and includes instructions on how to receive a paper copy of the proxy materials by mail.

Our board of directors hopes that you will attend the meeting. Whether or not you plan to attend, your vote is very important. There are several ways that you can cast your ballot by telephone, by Internet, by mail (if you request a paper copy) or in person at the annual meeting.

By Order of the Board of Directors,

**PROXY STATEMENT**

Our board of directors is making this proxy statement, our 2010 annual report on Form 10-K and a form of proxy available to you in connection with the solicitation of proxies by the board of directors for use at the 2011 Annual Meeting of Shareholders to be held at our corporate headquarters at 11419 Sunset Hills Road in Reston, Virginia on March 18, 2011 and at any adjournments of the meeting.

Pursuant to Securities and Exchange Commission rules, we have elected to provide our proxy materials to our shareholders primarily over the Internet rather than mailing paper copies of those materials to each shareholder. Accordingly, on or about January 25, 2011, we first sent a Notice of Internet Availability of Proxy Materials (the "Notice") to shareholders to provide website and other information for the purpose of accessing our proxy materials. All shareholders will have the ability to access the proxy materials on the website referred to in the Notice or to request a printed set of the proxy materials. Instructions on how to access the proxy materials over the Internet or to request a printed copy may be found in the Notice. In addition, shareholders may request proxy materials in printed form by mail on an ongoing basis. We encourage you to take advantage of the availability of the proxy materials on the Internet in order to help reduce the cost and environmental impact of the annual meeting.

**GENERAL INFORMATION ABOUT VOTING**

**Who can vote.** You will be entitled to vote your shares of MAXIMUS common stock at the annual meeting if you were a shareholder of record at the close of business on January 14, 2011. As of that date, 17,163,021 shares of common stock were outstanding and entitled to one vote each at the meeting. You are entitled to one vote on each item voted on at the meeting for each share of common stock that you held on January 14, 2011.

**How to vote your shares.** You may vote your shares either by attending the annual meeting and voting in person or by voting by proxy. If you choose to vote by proxy, you may vote your shares in any of the following ways:

*By Internet.* You may vote online by accessing [www.proxyvote.com](http://www.proxyvote.com) and following the on-screen instructions. You will need the control number included on the Notice or on your proxy card, as applicable. You may vote online 24 hours a day. If you vote online, you do not need to return a proxy card.

*By Telephone.* You may vote by calling toll free 1-800-690-6903 and following the instructions. You will need the control number included on the Notice or on your proxy card, as applicable. You may vote by telephone 24 hours a day. If you vote by telephone, you do not need to return a proxy card.

*By Mail.* If you requested printed copies of the proxy materials, you will receive a proxy card, and you may vote by signing, dating and mailing the proxy card in the envelope provided.

*In Person.* If you are a shareholder of record, you may vote in person at the annual meeting. You will receive a ballot when you arrive. If you are a beneficial owner of shares held in street name, you must obtain a legal proxy from the organization that holds your shares in order to

Table of Contents

vote your shares in person at the annual meeting. Follow the instructions on the Notice to obtain the legal proxy.

Online and telephone voting are available through 11:59 p.m. Eastern Time on March 17, 2011.

If you vote by proxy, the named proxies (David N. Walker, Dominic A. Corley and David R. Francis) will vote your shares as you have instructed. If you are a shareholder of record and you sign and return a proxy card without giving specific voting instructions, the proxies will vote your shares in favor of each of the proposals recommended by the board of directors contained in this proxy statement. If you are a beneficial owner of shares held in street name and do not provide the organization that holds your shares with specific voting instructions, it could result in a "broker non-vote." For more information, see "Abstentions and broker non-votes" below.

**Quorum.** A quorum of shareholders is required in order to transact business at the annual meeting. A majority of the outstanding shares of common stock entitled to vote must be present at the meeting, either in person or by proxy, to constitute a quorum.

**Number of votes required.** The number of votes required to approve each of the proposals scheduled to be presented at the meeting is as follows:

	<b>Proposal</b>	<b>Required Vote</b>
1.	Election of directors	For each nominee, a plurality of the votes cast are for such nominee.
2.	Advisory vote on named executive officer compensation	A majority of the votes cast are for the proposal.
3.	Advisory vote on how often shareholders will vote on named executive officer compensation	A plurality of the votes cast are for the proposal.
4.	Ratification of the Audit Committee's selection of independent public accountants	A majority of the votes cast are for ratification.

**Abstentions and broker non-votes.** A broker non-vote occurs when a broker cannot vote a customer's shares registered in the broker's name because the customer did not send the broker instructions on how to vote on the matter. If the broker does not have instructions *and* is barred by law or applicable rules from exercising its discretionary voting authority in the particular matter, then the shares will not be voted on the matter, resulting in a "broker non-vote." A broker cannot vote on the election of directors or on matters relating to executive compensation without instructions; therefore, there may be broker non-votes on Proposals 1, 2 and 3. A broker may vote on the ratification of the independent public accountants; therefore, no broker non-votes are expected to exist in connection with Proposal 4. Abstentions and broker non-votes will not count as votes cast with respect to the proposals listed above. Therefore, abstentions and broker non-votes will have no effect on the voting on these matters at the meeting.

**Discretionary voting by proxies on other matters.** Aside from the proposals listed above, we do not know of any other proposal that may be presented at the 2011 Annual Meeting. However, if another matter is properly presented at the meeting, the persons named in the accompanying proxy card will exercise their discretion in voting on the matter.

**How you may revoke your proxy.** You may revoke your proxy card at any time before we exercise it by substituting a subsequent vote using the same method described in "How to vote your shares" above.

Table of Contents

**Expenses of solicitation.** We will bear all costs of soliciting proxies. We will request that brokers, custodians and fiduciaries forward proxy soliciting material to the beneficial owners of stock held in their names, for which we will reimburse their out-of-pocket expenses. In addition to solicitations by mail, our directors, officers and regular employees, without additional remuneration, may solicit proxies by telephone and/or personal interviews.

**Shareholders sharing the same surname and address.** In some cases, shareholders holding their shares in a brokerage or bank account who share the same surname and address and have not given contrary instructions are receiving only one copy of our Notice of Internet Availability of Proxy Materials. This practice is designed to reduce duplicate mailings and save printing and postage costs as well as natural resources. If you would like to have additional copies of our annual report, proxy statement or Notice of Internet Availability of Proxy Materials mailed to you, please call or write us at our corporate headquarters, 11419 Sunset Hills Road, Reston, Virginia 20190, Attn: Vice President of Investor Relations, telephone: (800) 368-2152. If you want to receive separate copies of the proxy statement, annual report to shareholders or Notice of Internet Availability of Proxy Materials in the future, or if you are receiving multiple copies and would like to receive only one copy per household, you should contact your bank, broker or other nominee record holder.

The number of shares beneficially owned by each holder is based upon the rules of the Securities and Exchange Commission ("SEC"). Under SEC rules, beneficial ownership includes any shares over which a person has sole or shared voting or investment power, as well as shares which the person has the right to acquire within 60 days by exercising any stock option or other right and shares of restricted stock that will vest with 60 days. Accordingly, this table includes shares that each person has the right to acquire on or before March 1, 2011. Unless otherwise indicated, to the best of our knowledge, each person has sole investment and voting power (or shares that power with his or her spouse) over the shares in the table. By including in the table shares that he or she might be deemed beneficially to own under SEC rules, a holder does not admit beneficial ownership of those shares for any other purpose.

To compute the percentage ownership of any shareholder or group of shareholders in the following tables, the total number of shares deemed outstanding consists of 17,164,984 shares that were outstanding on January 1, 2011.

Prior to first being elected as Mayor in 1991, he served at the state, local, and federal levels in several capacities including Denver City Auditor, Executive Director of the Colorado Department of Regulatory Agencies, and Regional Director of the U.S. Department of Health Education and Welfare. Mr. Webb's distinguished public career began in 1972 when he was elected to the Colorado House of Representatives. In 2009 Mr. Webb was nominated by President Obama and approved by the Senate to be Alternate Representative of the United States of America to the Sixty-fourth Session of the General Assembly of the United Nations. Mr. Webb holds a B.A. in Sociology from the Colorado State College at Greeley and a M.A. in Sociology from the University of Northern Colorado. He also holds honorary Doctorates from the University of Colorado at Denver, Metropolitan State College of Denver, University of Northern Colorado, Greeley Colorado and The American Baptist Seminary, Berkeley California.

The board of directors believes that Mayor Webb's qualifications and skills include, among other things, his extensive experience in state and local government.

**CORPORATE GOVERNANCE  
AND THE BOARD OF DIRECTORS**

Our business and affairs are managed under the direction of the board of directors in accordance with the Virginia Stock Corporation Act and our articles of incorporation and bylaws. Members of the board are kept informed of our business through discussions with the President and Chief Executive Officer and other officers, by reviewing materials provided to them and by participating in meetings of the board and its committees. Our corporate governance practices are summarized below.

**Board Leadership**

MAXIMUS has maintained separate Chief Executive Officer and Chairman of the Board positions since before the Company's initial public offering in 1997. Richard A. Montoni currently serves as Chief Executive Officer, and Peter B. Pond currently serves as Chairman of the Board. The Company believes that the separation of those roles is a good corporate governance practice that promotes board and director independence from the management team.

**Board's Role in Risk Oversight**

The board of directors as a whole oversees the risk management of the Company. The Chief of Quality and Risk Management regularly reports to the board on operational and financial risks relating to the Company's projects. In addition, the Vice President of Compliance regularly reports to the Audit Committee about compliance with the Company's code of ethics and policies and procedures. The Audit Committee also oversees management of market and operational risks that could have a financial impact, such as those relating to internal controls and liquidity. The Nominating and Governance Committee manages the risks associated with governance issues, such as the independence and performance of the board, and the Compensation Committee is responsible for managing the risks relating to the Company's executive compensation and succession plans and policies.

Management regularly reports to the board or relevant committee on actions that the Company is taking to manage these risks. The board and management periodically review, evaluate and assess the risks relevant to the Company.

**Corporate Governance Guidelines**

The board of directors has adopted Guidelines for Corporate Governance that set forth the practices of the board with respect to management review and responsibility, board composition, selection of directors, operation of the board and meetings, committees of the board, director responsibilities and tenure and evaluation of the board and committees. The Guidelines are available on our Corporate Governance web page at [www.maximus.com/investor-relations/corporate-governance](http://www.maximus.com/investor-relations/corporate-governance). A printed copy is available, without charge, to any shareholder upon written request to the Secretary of the Company, whose address is MAXIMUS, Inc., 11419 Sunset Hills Road, Reston, Virginia 20190.

From time to time, MAXIMUS and its subsidiaries may provide services to, and otherwise conduct business with, companies of which certain members of the board or members of their immediate families are or were directors or officers. To comply with the New York Stock Exchange listing standards, the Guidelines for Corporate Governance establish categorical standards under which the board views the following relationships as impairing a director's independence:

a director who is currently, or in the past three years has been, employed by the Company or by any subsidiary of the Company;

a director who has accepted, or has any family member who has accepted, payments from the Company or its affiliates in excess of \$120,000 within the current fiscal year or any of the past

Table of Contents

three fiscal years (except for board services, retirement plan benefits, or non-discretionary compensation);

a director who has an immediate family member who is, or has been in the past three years, employed by the Company or any subsidiary of the Company as an executive officer;

a director who is a partner, controlling shareholder or an executive officer of any for-profit business to which the Company made, or from which it received, payments (other than those which arise solely from investments in the Company's securities) in the current fiscal year or in any of the last three fiscal years that exceed 2% of consolidated gross revenue for the business, or the Company, for that year, or that exceed \$1,000,000, whichever is greater;

a director who is employed as an executive officer of another company where any of the Company's executive officers serves on that other company's compensation committee, or such a relationship has existed within the past three years; and

a director who (a) has been a partner or employee of the Company's outside auditor within the past three years, (b) has an immediate family member who is a current partner of such a firm, (c) has an immediate family member who is a current employee of such a firm and personally works on the Company's audit, or (d) had an immediate family member who was, within the last three years, a partner or employee of such a firm and personally worked on the Company's audit within that time.

Apart from the categorical standards, the board of directors also assesses the materiality of a director's relationship with us to ensure that there is no material relationship that would adversely affect the director's independence.

The board of directors in its business judgment has determined that the following eight directors are independent as defined by New York Stock Exchange listing standards: Russell A. Beliveau, John J. Haley, Paul R. Lederer, Peter B. Pond, Raymond B. Ruddy, Marilyn R. Seymann, James R. Thompson, Jr. and Wellington E. Webb. None of our independent directors, their immediate family members, or employers, is engaged in relationships with us that the categorical standards cover and, as a result, each independent director meets our categorical standards. In addition, with the exception of Governor Thompson, none of the independent directors has any relationship with us, other than being one of our directors. Previously, the Company used Towers, Perrin, Forster & Crosby, Inc. ("Towers Perrin") as a compensation consultant. For a brief period following the merger of Towers Perrin and Watson Wyatt Worldwide, Inc., the Company had a relationship with the newly-formed entity, Towers Watson & Co., of which Mr. Haley is the Chairman and Chief Executive Officer. However, that relationship was terminated, and the Company retained a new compensation consultant.

Governor Thompson is Senior Chairman of the law firm of Winston & Strawn in Chicago. Winston & Strawn has provided certain legal services to MAXIMUS from May 2000 to the present. In 2010, 2009 and 2008, MAXIMUS paid Winston & Strawn \$150,609, \$934,391 and \$620,800, respectively, for legal and business consulting services. Outside of the scope of the categorical standards, the board of directors examined this relationship from a general "facts and circumstances" point of view. That is, the board considered the amounts paid to Winston & Strawn in light of all facts and circumstances involving the relationship, both from the Company's standpoint and from the standpoint of Winston & Strawn. The board concluded that Governor Thompson's relationship with Winston & Strawn does not impair his independence.

**Code of Ethics**

We have adopted a code of ethics that applies to all employees including our principal executive officer, principal financial officer and principal accounting officer or controller, or persons performing similar functions. That code, our Standards of Business Conduct and Ethics, can be found posted on our Corporate Governance web page at [www.maximus.com/investor-relations/corporate-governance](http://www.maximus.com/investor-relations/corporate-governance). A printed copy is available, without charge, to any shareholder upon written request to the Secretary of the Company, whose address is MAXIMUS, Inc., 11419 Sunset Hills Road, Reston, Virginia 20190.

**Board and Committee Meeting Attendance**

Our board expects that its members will prepare for, attend and participate in all board and applicable committee meetings. Our board of directors held 11 meetings during fiscal 2010. During our 2010 fiscal year, each director attended at least 75% of the aggregate of all board and applicable committee meetings held during the period that he or she served as a director with the exception of Mr. Haley who attended 71% of such meetings. It is worth noting that in his prior eight years of board service, Mr. Haley attended 96% of the aggregate of all board and applicable committee meetings. During 2010, Mr. Haley missed certain meetings due to commitments, including international travel obligations, arising from the merger of Towers, Perrin, Forster & Crosby, Inc. and Watson Wyatt Worldwide, Inc. We believe those were extraordinary circumstances that will not recur.

**Executive Sessions**

Executive sessions where non-management directors meet on an informal basis are scheduled either at the beginning or at the end of each regularly scheduled board meeting. Peter B. Pond, the Chairman of the Board, serves as chairman for executive sessions.

**Communications with Directors**

Any director may be contacted by writing to him or her c/o MAXIMUS, Inc., 11419 Sunset Hills Road, Reston, Virginia 20190. Communications to the non-management directors as a group may be sent to the same address, c/o the Chairman of the Nominating and Governance Committee. We promptly forward such correspondence to the indicated directors.

**Committees of the Board**

The standing committees of the board of directors are the Audit Committee, the Nominating and Governance Committee and the Compensation Committee.

*Audit Committee*

The Audit Committee assists the board of directors in fulfilling its responsibility to oversee management's conduct of our financial reporting processes and audits of our financial statements. The Audit Committee specifically reviews the financial reports and other financial information provided by the Company, our disclosure controls and procedures and internal accounting and financial controls, the internal audit function, the legal compliance and ethics programs, and the annual independent audit process. The Audit Committee operates under a written charter originally adopted by the board in 2000, as subsequently amended. The Audit Committee's charter, as amended and currently in effect, is available on our Corporate Governance web page at [www.maximus.com/investor-relations/corporate-governance](http://www.maximus.com/investor-relations/corporate-governance). A printed copy is available, without charge, to any shareholder upon written request to the Secretary of the Company, whose address is MAXIMUS, Inc., 11419 Sunset Hills Road, Reston, Virginia 20190.

The members of the Audit Committee are Peter B. Pond (Chair), Paul R. Lederer, Raymond B. Ruddy, Marilyn R. Seymann, and Wellington E. Webb, each of whom is independent as defined by applicable New York Stock Exchange listing standards and SEC regulations governing the qualifications of audit committee members in effect on the date of this proxy statement. The board of directors has determined that all of the committee members are financially literate as defined by the New York Stock Exchange listing standards and that Mr. Pond qualifies as an audit committee financial expert as defined by regulations of the SEC.

The Audit Committee held five meetings during fiscal 2010. For additional information regarding the committee, see "Audit Information Report of the Audit Committee" below.

*Nominating and Governance Committee*

The Nominating and Governance Committee is comprised of James R. Thompson, Jr. (Chair), John J. Haley, Paul R. Lederer, Peter B. Pond, Marilyn R. Seymann, and Wellington E. Webb, each of whom is independent as defined by applicable New York Stock Exchange listing standards governing the qualifications of nominating and governance committee members in effect on the date of this proxy statement. The Nominating and Governance Committee operates under a written charter originally adopted by the board in 2003, as subsequently amended. The Nominating and Governance Committee's charter, as amended and currently in effect, is available on our Corporate Governance web page at [www.maximus.com/investor-relations/corporate-governance](http://www.maximus.com/investor-relations/corporate-governance). A printed copy is available, without charge, to any shareholder upon written request to the Secretary of the Company, whose address is MAXIMUS, Inc., 11419 Sunset Hills Road, Reston, Virginia 20190. The Nominating and Governance Committee met one time during fiscal 2010.

The purpose of the Nominating and Governance Committee is to identify, evaluate and recommend candidates for membership on the board of directors and to establish and assure the effectiveness of the governance principles of the board and the Company. The committee considers, at a minimum, the following qualifications in recommending to the board potential new directors, or the continued service of existing directors:

personal characteristics, such as highest personal and professional ethics, integrity and values, an inquiring and independent mind, with a respect for the views of others, ability to work well with others and practical wisdom and mature judgment;

broad, policy-making level experience in business, government, academia or science to understand business problems and evaluate and formulate solutions;

experience and expertise that is useful to the Company and complementary to the background and experience of other directors;

willingness and ability to devote the time necessary to carry out duties and responsibilities of directors and to be an active, objective and constructive participant at meetings of the board and its committees;

commitment to serve on the board over a period of several years to develop knowledge about the Company's principal operations;

willingness to represent the best interests of all shareholders and objectively evaluate management performance; and

diversity of background and experience.

The Nominating and Governance Committee will consider shareholder recommendations for candidates to serve on the board of directors. Shareholders entitled to vote for the election of directors may submit candidates for consideration by the committee if it receives timely written notice, in proper

Table of Contents

form, for each such recommended director nominee. If the notice is not timely and in proper form, the nominee will not be considered by the committee. To be timely for the 2012 annual meeting, the notice must be received within the time frame set forth in "Shareholder Proposals for Our 2012 Annual Meeting of Shareholders" below. To be in proper form, the notice must include each nominee's written consent to be named as a nominee and to serve, if elected, and information about the shareholder making the nomination and the person nominated for election. These requirements are more fully described in Article I, Section 6, of our bylaws, a copy of which will be provided, without charge, to any shareholder upon written request to the Secretary of the Company, whose address is MAXIMUS, Inc., 11419 Sunset Hills Road, Reston, Virginia 20190.

Under the process we use for selecting new board candidates, the President and Chief Executive Officer, the Nominating and Governance Committee or other board members identify the need to add a new board member with specific qualifications or to fill a vacancy on the board. The Chairman of the Nominating and Governance Committee will initiate a search, working with staff support and seeking input from board members and senior management, hiring a search firm, if necessary, and considering any candidates recommended by shareholders. An initial slate of candidates that will satisfy the criteria and otherwise qualify for membership on the board may be presented to the Nominating and Governance Committee. A determination is made as to whether Nominating and Governance Committee members or board members have relationships with preferred candidates and can initiate contacts. The President and Chief Executive Officer and at least one member of the Nominating and Governance Committee interviews prospective candidates. The Nominating and Governance Committee meets to conduct further interviews of prospective candidates, if necessary or appropriate, and to consider and recommend final candidates for approval by the full board of directors.

*Compensation Committee*

The Compensation Committee is responsible for reviewing, approving, and overseeing the administration of our compensation and benefit programs, evaluating their effectiveness in supporting our overall business objectives and ensuring an appropriate structure and process for management succession. Specifically, the committee is responsible for

evaluating the performance and setting the compensation of the Chief Executive Officer and other members of senior management,

reviewing the Company's compensation policies and practices,

reviewing executive succession plans, and

reviewing our executive development programs, including the performance evaluation process and incentive compensation programs.

The Chief Executive Officer provides the Compensation Committee with the financial and strategic performance accomplishments of the executive management team and recommends raises, bonuses and long-term equity awards for those executives. From time to time the Compensation Committee also uses the services of Pay Governance LLC to conduct compensation surveys and to assist in structuring the Company's overall compensation program. The Compensation Committee operates under a written charter originally adopted by the board in 2003, as subsequently amended. The Compensation Committee's charter, as amended and currently in effect, is available on our Corporate Governance web page at [www.maximus.com/investor-relations/corporate-governance](http://www.maximus.com/investor-relations/corporate-governance). A printed copy is available, without charge, to any shareholder upon written request to the Secretary of the Company, whose address is MAXIMUS, Inc., 11419 Sunset Hills Road, Reston, Virginia 20190.

**Compensation Discussion and Analysis**

*General*

The Compensation Committee of our board of directors reviews and establishes the compensation of our executive officers, including the named executive officers, and provides oversight of our compensation programs. The Compensation Committee consists entirely of non-employee, independent members of our board of directors and operates under a written charter approved by the board of directors.

During 2010, the Compensation Committee initially engaged Towers, Perrin, Forster & Crosby, Inc. ("Towers Perrin") to assist it in carrying out its responsibilities with respect to executive compensation. Following the merger of Towers Perrin and Watson Wyatt Worldwide, Inc., Mr. Haley resigned from the Compensation Committee in light of his position as Chief Executive Officer and Chairman of the newly-merged company, Towers Watson & Co. The Compensation Committee subsequently terminated its relationship with Towers Watson & Co. and contracted with Pay Governance LLC for those services, and Mr. Haley was reappointed to the committee. Pay Governance LLC was asked to review market conditions and peer company practices and to evaluate the Company's executive compensation programs against those benchmarks. Pay Governance LLC performed market analyses of peer group

companies and the general market for executive talent, and made recommendations to the Compensation Committee as to the form of and incentive opportunities for executive compensation.

Information on the Compensation Committee's processes and procedures for the consideration and determination of executive and director compensation is included under the caption "Corporate Governance and the Board of Directors Committees of the Board Compensation Committee."

***Objectives of Our Compensation Program***

The primary objective of our executive compensation program is to attract and retain highly skilled and motivated executive officers who will manage the Company in a manner that promotes our growth and profitability and advances the interests of our shareholders. Additional objectives of our executive compensation program are to:

align executive pay with shareholders' interests;

recognize individual initiative and achievements; and

unite the executive management team under common objectives.

***Executive Compensation Principles***

The Company's primary focus is on longer-term earnings growth. Accordingly, we endeavor to align our compensation with building shareholder value and encouraging sound long-term decision making by our executives.

Our executive compensation program consists of base salaries, cash incentive payments in the form of annual bonuses and long-term equity incentives. Long-term equity incentives generally are awarded in the form of restricted stock units ("RSUs"). Before 2007 long-term equity incentives also included stock options. Although the Company has made some stock option awards since then, primarily in connection with executive hires or promotions, the Company presently intends to make future equity awards in the form of RSUs.

These components of executive compensation are used together to achieve an appropriate balance between cash and equity compensation and between short-term and long-term incentives. We expect a significant portion of an executive officer's total compensation to be at risk, tied both to our annual and long-term performance as well as to the creation of shareholder value. In particular, we believe that short-term annual cash incentive compensation should be tied directly to both corporate performance and individual performance for the fiscal year, including the achievement of identified goals as they pertain to the areas of our operations for which the executive officer is personally responsible and accountable and other strategic objectives that will grow long-term shareholder value. Under our program, performance above targeted standards results in increased total compensation, and performance below targeted standards results in decreased total compensation.

***How Executive Pay Levels are Determined***

The Compensation Committee regularly reviews our executive compensation program and its elements. All decisions by the Compensation Committee relating to the compensation of our executive officers are reported to the full board of directors.

The Company's Chief Executive Officer, the General Counsel/Secretary, the Chief of Human Capital and a representative from Pay Governance LLC regularly attend Compensation Committee Meetings. They are primarily responsible for providing analysis and recommendations to the Committee. In addition, the Secretary is responsible for documenting the minutes of each meeting, and the Chief Executive Officer and the Chief of Human Capital oversee the implementation of the Committee resolutions.

Table of Contents

In determining the compensation of our executive officers, the Committee evaluates total overall compensation, as well as the mix of salary, cash bonus incentives and equity incentives, using a number of factors including the following:

our financial and operating performance, measured by attainment of specific objectives including earnings per share ("EPS") results, revenue growth, sales growth, client satisfaction, stock price performance and a variety of other financial and non-financial measures;

the duties, responsibilities and performance of each executive officer, including the achievement of identified goals for the year as they pertain to the areas of our operations for which the executive is personally responsible and accountable;

internal pay equity considerations; and

comparative industry market data to assess compensation competitiveness.

With respect to comparative industry data, the Compensation Committee reviews executive compensation (including the mix of base salary, bonus and equity compensation elements) and evaluates compensation structures of comparable companies with assistance from its executive compensation consultants, Pay Governance LLC. For these purposes, the committee reviewed compensation practices for several government contractors including SAIC, Unisys, CACI, ManTech, SRA, Ciber, Navigant and Sapient.

***Components of Executive Compensation***

The elements of our compensation program in 2010 included base annual salary, short-term incentive compensation under our Management Bonus Plan ("MBP"), and long-term incentives through equity-based awards under our 1997 Equity Incentive Plan. We provide certain retirement benefits through our 401(k) savings plan. We also provide health and welfare benefits that include participation in our health, dental and vision plans and various insurance plans, including disability and life insurance.

Each of the three principal components of executive compensation is designed to reward and provide incentives to executive officers consistent with our overall policies and principles on executive compensation. These components and the rationale and methodology for each are described below. Specific information on the amounts and types of compensation earned by the named executive officers during 2010 can be found in the Summary Compensation Table and other tables and narrative disclosures following this discussion.

***Base Salary***

Our base salary philosophy is to provide reasonable current income to our named executive officers in amounts that will attract and retain individuals with a broad, proven track record of performance.

The Compensation Committee approves the salaries for the executive officers. In establishing the salaries, the Compensation Committee balances the need to offer competitive salaries that will limit turnover with the need to maintain careful control of salary and benefit expenses.

As described above, the Compensation Committee periodically reviews a compensation analysis prepared by the compensation consultant. The most recent study was conducted in June 2010. In years that a full study is not conducted, the Compensation Committee considers the average market increase for executive talent as provided by our consultant. The consultant will also conduct an annual competitive compensation review of the Chief Executive Office and Chief Financial Officer positions. The study reflects that our market for executive talent is broader than just the consulting or government outsourcing sector. As such, we review base pay, cash bonus, long term equity and total

compensation data from an industry survey from Pay Governance LLC, adjusted for revenue size, as a comparator group. This survey reflects a large cross section of general industry companies and provides the Compensation Committee with a broad industry comparison. Individual salaries (except for the salary of the Chief Executive Officer) are recommended by the Chief Executive Officer to the Compensation Committee based on his subjective assessment in each case of the nature of the position, as well as the contribution, performance and experience of the executive officer.

In making salary determinations for 2010, the Compensation Committee evaluated the financial and strategic contributions of the executive officers based on overall Company financial performance, business unit financial performance, achievements in implementing our long-term strategy, and the recommendations of the Chief Executive Officer. The Compensation Committee gives meaningful weight to the recommendations of the Chief Executive Officer, but the final decisions regarding executive salaries are made by the Compensation Committee. The Chief Executive Officer does not provide any input to the Compensation Committee regarding his own salary. That is determined by the Compensation Committee with the assistance and advice of the outside consultant.

As President and Chief Executive Officer, Mr. Montoni is compensated pursuant to an employment agreement, which is described under "Supplemental Discussion of Compensation" below. He is eligible for base salary increases and bonuses as the Compensation Committee may determine. In making this determination for 2010, the Compensation Committee evaluated the performance of the Chief Executive Officer based on our financial performance, achievements in implementing our long-term strategy, and the personal observations of the Chief Executive Officer's performance by the members of the Board of Directors. As with executive officers generally, the Compensation Committee also considered compensation information provided by Pay Governance LLC. No particular weight was given to any particular aspect of the performance of the Chief Executive Officer. As described below, Mr. Caswell is also compensated pursuant to an employment agreement.

The annual base salaries for our named executive officers for 2010 and the percentage change from 2009 are as indicated below. Base salaries for executive officers were held flat in 2010 in an effort to promote a greater level of pay for performance through the management bonus plan and long-term equity awards.

<b>Name and Position</b>	<b>2010 Annual Salary</b>	<b>Percent Change From 2009</b>
Richard A. Montoni Chief Executive Officer	\$ 700,000	0%
John F. Boyer President of Federal Services	\$ 412,000	0%
Bruce L. Caswell President of Health Services	\$ 431,000	0%
Akbar Piloti President of Human Services	\$ 347,000	0%
David N. Walker Chief Financial Officer	\$ 410,000	0%

Table of Contents*Annual Cash Incentives*

Annual cash bonuses, under the Company's Management Bonus Plan ("MBP"), provide an opportunity for employees and executives to earn additional cash rewards for business and individual success. The amount of an individual's target MBP award is set as a percentage of base pay. The Compensation Committee established the percentages based on survey information originally provided by the compensation consultant, and they are intended to link a substantial portion of an executive's compensation to the overall performance of the Company. The actual bonus pool is determined by the Company achieving specific levels of EPS performance at threshold, target and superior levels. EPS performance over superior level results in additional bonus pool funding. These EPS goals are set by the Board at the beginning of the fiscal year and are aligned with shareholder expectations. The EPS goals and results are adjusted to exclude certain non-recurring events and other circumstances such as share repurchases, legal settlements or recoveries, gains or losses from discontinued operations, the effects of foreign currency fluctuations and the impacts of any mergers or acquisitions during the year. At the end of the fiscal year, the Committee evaluates the Company's EPS and strategic performance and approves the final amount of the bonus pool. Once the bonus pool is determined, individual awards are based on a combination of business unit and individual contributions.

For fiscal year 2010, the EPS goals were as follows:

Level	FY10 EPS
Threshold	\$ 3.00
Target	\$ 3.10
Superior	\$ 3.20

Each executive's target bonus is set as a percent of base pay as follows: Mr. Montoni 70%; Mr. Walker 45%; Mr. Boyer 45%; Mr. Caswell 45% and Mr. Piloti 45%. In the case of Mr. Montoni and Mr. Walker, the Compensation Committee awards cash bonuses primarily based on the Company's achieving its EPS goals and other important corporate-wide initiatives. In 2010 those initiatives included the sale of the Company's ERP Solutions division, the acquisition of DeltaWare Systems, Inc. and the minimization of loss-making projects. In the case of Mr. Boyer, Mr. Caswell and Mr. Piloti, awards are primarily based on the Compensation Committee's determination of the financial performance of their respective business units compared with the plans set for those units at the beginning of the year. The actual awards reflect the contributions and impacts of the officers relative to their responsibilities.

If the threshold level of performance is met, the Committee retains discretion to increase or decrease the bonus pool by 25%. If the threshold EPS level is not met, the Committee may fund a discretionary bonus pool to recognize individuals or groups of individuals who make exceptional contributions to the Company and to encourage retention of employees and executives. If the superior level of performance is exceeded, the bonus pool will be increased proportionately.

In 2010, the Company achieved EPS of \$3.62, exceeding the superior performance level. Moreover, the Company achieved important strategic objectives, including the divestiture of the ERP Solutions division. Mr. Montoni received a bonus of \$700,000 or 143% of his target bonus. That amount reflected Mr. Montoni's contributions to the Company's success in delivering record earnings results in a challenging economic environment, growing and diversifying the core business base internationally, completing the divestiture of the Company's ERP Solutions division, completing the DeltaWare Systems, Inc. acquisition, and continuing to improve the risk profile of the Company's portfolio of projects. Mr. Walker earned a \$400,000 bonus, or 217% of his target bonus, in recognition of his contributions to the financial performance of the Company including earnings growth from continuing operations of 26% over the previous year. Mr. Boyer earned a \$200,000 bonus, or 108% of his target bonus, reflecting the performance of the Federal business unit and his co-leadership of initiatives in the Health Vertical. Mr. Caswell earned a \$400,000 bonus, or 206% of his target bonus, reflecting the solid

operating results of the Health Services segment and his emergence as a noted expert in health care reform issues. Mr. Piloti earned a \$350,000 bonus, or 224% of his target bonus, reflecting superior results in the Human Services segment including substantial growth in the Company's businesses in Australia and the United Kingdom.

Based on the foregoing, the bonuses awarded to the named executive officers for 2010 and 2009 were as follows:

Name	2010 Bonus	2009 Bonus
Richard A. Montoni Chief Executive Officer	\$ 700,000	\$ 500,000
John F. Boyer President of Federal Services	\$ 200,000	\$ 150,000
Bruce L. Caswell President of Health Services	\$ 400,000	\$ 250,000
Akbar Piloti President of Human Services	\$ 350,000	\$ 150,000
David N. Walker Chief Financial Officer	\$ 400,000	\$ 200,000

*Long-Term Equity Incentives*

The Compensation Committee may provide equity incentives to executive officers through long-term awards. In 2010, long-term equity incentives were made to executive officers in the form of restricted stock units ("RSUs"). These awards provide executive officers with an opportunity to accumulate our common stock and build wealth related to that ownership. The goal of the Compensation Committee in granting equity incentives is to directly link an executive's compensation opportunities with shareholder value creation.

Long-term equity is awarded at the discretion of the Compensation Committee using various factors including retention considerations, individual performance of the executive, increases or decreases in an executive's job responsibilities and financial performance of the Company. The target award levels are based on the 50<sup>th</sup> to 75<sup>th</sup> percentiles of the Pay Governance LLC Total Compensation Study. For Mr. Montoni the target level is 2.5 times base salary, and for Mr. Boyer, Mr. Caswell, Mr. Piloti and Mr. Walker the target is 1.25 times base salary. Those targets are designed to link a significant portion of an executive's overall compensation and wealth to the long-term success of the Company.

The Compensation Committee also employs a multi-year vesting of equity incentive awards. Before 2009, RSUs typically vested in equal installments over a six-year period. For awards in 2009 and later, RSUs vest in equal installments over a five-year period. The Compensation Committee believes that multi-year vesting focuses executive officers on consistent long-term growth of shareholder value and encourages retention.

Long-term equity awards are generally made at the beginning of the fiscal year and take into consideration the scope of the executive's responsibility and the retention objectives of the Company as well as individual performance and the overall performance of the Company for the prior year. Target award levels are based on an individual's base salary for the year just ended. In November 2009, Mr. Montoni received a long-term equity award valued at \$1,800,000 or approximately 103% of his target award; Mr. Boyer received an award valued at \$450,000 or approximately 87% of his target award; Mr. Caswell received an award valued at \$900,000 or approximately 167% of his target award; Mr. Piloti received an award valued at \$450,000 or approximately 104% of his target award; and Mr. Walker received an award valued at \$600,000 or approximately 117% of his target award.

***Executive Equity Ownership Requirements***

Executive officers are required to hold a certain dollar value of equity in the Company. The Chief Executive Officer is required to hold equity equal to 200% of his base salary, and the other executive officers are required to hold equity equal to 150% of their base salaries. For these purposes, "equity" consists of shares owned directly by the officer and the "in-the-money" value of vested stock options.

***Retirement, Deferred Compensation and Pension Plans***

We provide additional compensation to our executive officers through various plans which are also available to some or all of our employees. These plans are described below.

*401(k) Savings Plan*

Under our MAXIMUS, Inc. 401(k) Savings Plan, a tax-qualified retirement savings plan, participating employees, including our named executive officers, may contribute up to 75% of eligible earnings on a before-tax basis, up to a limit of \$16,500, into their 401(k) Plan accounts. In addition, under the 401(k) Plan, the Company matches an amount equal to fifty cents for each dollar contributed by participating employees on the first 6% of their eligible earnings up to a maximum of \$7,350. Amounts held in the 401(k) Plan accounts may not be withdrawn prior to the employee's termination of employment, or such earlier time as the employee reaches the age of 59½, subject to certain exceptions set forth in the regulations of the IRS.

For purposes of voluntary contributions, no more than \$245,000 of annual compensation may be taken into account in computing benefits under the 401(k) Plan. Participants who reach age 50 before year end may also contribute, on a before-tax basis and without regard to the \$16,500 limit, catch-up contributions of up to \$5,500 per year which are not eligible for the employer match.

We maintain the 401(k) Plan for our employees, including our named executive officers, because we wish to encourage our employees to save some percentage of their cash compensation for their eventual retirement. The 401(k) Plan permits employees to make such savings in a manner that is relatively tax efficient.

*Deferred Compensation Plan*

The MAXIMUS Deferred Compensation Plan is a non-tax-qualified, deferred compensation plan offered by the Company to certain highly-compensated employees including the named executive officers. A participant may elect to defer receipt of up to 80% of salary, 100% of bonus payments and any excess 401(k) Plan refunds. Participants may also defer receipt of all or a portion of their RSU awards. Participants choose from investment alternatives which are used to measure the gains or losses that will be attributed to the participant's deferral account over time. RSU awards are maintained as stock units and distributed only in the form of shares of the Company's stock. The Company does not match any deferrals or guarantee any earnings. As required by IRS regulations, deferral elections are made in a year prior to the year in which the compensation is earned. Elections for the distribution of deferrals may be made during employment as an in-service withdrawal, in a lump sum or installments upon termination of employment, or as a lump sum payment in the event of a change in control of the Company. Distribution elections may be changed in accordance with IRS rules. The Company funds the plan through variable universal life insurance. Participants in the plan are general creditors of the Company for payment of their deferral accounts. The plan has been amended to comply with Section 409A of the Internal Revenue Code.

**Severance Payments**

In 2006, the board of directors adopted an Income Continuity Program for our executive officers. The program provides each participant with compensation, benefits and rights if the following events occur:

we terminate the participant's employment without "cause," or a participant resigns for "good reason," within 36 months following a "change of control" (as each of those terms is defined in the program); or

the participant's employment is terminated one year prior to a change of control at the request of a party involved in such change of control, or otherwise in connection with or in anticipation of a change of control.

The compensation, benefits and rights to which a participant would be entitled in such an event include the following items:

a lump sum cash payment equal to the sum of (i) any unpaid salary through the date of termination, (ii) any bonus earned but unpaid as of the date of termination for any previously completed year, (iii) reimbursement for any unreimbursed expenses incurred prior to the date of termination, and (iv) an amount equal to 200% (or 300% in the case of the Chief Executive Officer) of his or her base salary and bonus (which is defined as the higher of the individual's target bonus or the average of the actual bonuses paid over the previous three years);

the vesting of any unvested stock options, restricted stock units or similar equity incentives that are outstanding on the date of termination;

continued eligibility for employee benefits for a period of 24 months (or 36 months in the case of the Chief Executive Officer) following the date of termination;

a lump sum, payable within ten days following the date of termination, equal to \$50,000, which is intended for outplacement and financial planning services; and

payments to cover certain excise taxes imposed on severance payments received by the participant, such that the executive maintains the same after-tax position had no excise tax obligation existed.

The program also provides for the continuation of indemnification and director's and officer's liability insurance coverage as permitted by law and the potential reimbursement of the participant's costs and expenses in connection with any legal proceedings relating to the program.

The initial term of the program continued until December 31, 2009 with automatic one-year renewals commencing on December 31, 2009 and each December 31 thereafter, unless we notify participants no later than October 31 of a particular year that we will not extend the program. The program nevertheless will remain in effect for not less than three years following a change of control.

The lump sum cash payment for each of the named executive officers, if his employment had been terminated at the end of fiscal year 2010 following a change in control, is reflected in the table below. Each amount reflects current salary and target bonus and includes an estimated amount for continued employee benefits and outplacement and financial planning services, as described above.

The miscellaneous benefits amount includes \$50,000 intended for outplacement and financial planning services, but which may be used for any purpose. It also includes 24 months worth of employee benefits (36 months in the case of the Chief Executive Officer) which include medical, dental, life insurance, disability and pension benefits made available to an executive (and his or her eligible dependents) prior to a change in control.

***Tax Considerations***

Section 162(m) of the Internal Revenue Code places a limit of \$1,000,000 on the amount of compensation that the Company may deduct in any one year with respect to our Chief Executive Officer and the three other most highly compensated named executive officers (other than our Chief Financial Officer). There is an exception to the \$1,000,000 limit for performance-based compensation meeting certain requirements. Our incentive compensation generally is intended to satisfy those requirements to take advantage of permitted deductibility and to encourage performance. To maintain flexibility in compensating executive officers in a manner designed to promote Company goals, however, the Committee has not adopted a policy requirement for all compensation to be deductible.

**Annual Compensation of Executive Officers*****Summary Compensation Table***

The amounts in this column reflect the aggregate grant date fair values, computed in accordance with FASB ASC Topic 718, of restricted stock unit ("RSU") awards granted during the applicable year under our 1997 Equity Incentive Plan. For each of the RSU awards, the grant date fair value is calculated using the closing price of our common stock on the grant date as if these awards were vested and issued on the grant date. The amounts shown disregard estimated forfeitures. There can be no assurance that these grant date fair values will ever be realized by the named executive officers. Amounts disclosed in this column for fiscal 2009 and fiscal 2008 differ from the previously reported amounts for those fiscal years because they have been restated to reflect aggregate grant date fair values of equity awards awarded during the applicable fiscal year in accordance with FASB ASC Topic 718. Prior to fiscal 2010, the amounts reported reflected the dollar amount of expense recognized for financial statement reporting purposes for the applicable fiscal year. The relevant assumptions made in the valuations may be found in Notes 16 to the financial statements in the Company's Annual Report on Forms 10-K for the fiscal year ended September 30, 2010.

The amounts in this column reflect the Company match for 401(k) contributions and the value of dividend equivalents accrued on unvested RSUs.

***Supplemental Discussion of Compensation***

As described below, we have entered into employment agreements with Richard A. Montoni and Bruce L. Caswell. We have not entered into employment agreements with any of the other named executive officers. All compensation that we pay to our named executive officers is determined as described above in our "Compensation Discussion and Analysis" section.

In 2006, we entered into an Executive Employment, Non-Compete and Confidentiality Agreement with Mr. Montoni in connection with his recruitment and appointment as our Chief Executive Officer and President. The employment agreement originally had a four-year term, provided

that it could be terminated (i) upon the mutual written consent of the parties, (ii) in the event of Mr. Montoni's death or inability to perform his duties for a continuous period of 120 days or more or (iii) by us for "cause," as defined in the Company's Income Continuity Plan. The current term of the agreement continues

Table of Contents

until 2014. Mr. Montoni's base salary is presently \$700,000, and he is eligible to receive an annual cash bonus under our management bonus program based on his and the Company's performance. Mr. Montoni's targeted bonus is 70% of his base salary. Mr. Montoni is also a participant in the Income Continuity Plan and is entitled to participate in stock option or similar plans that currently exist, or that may be established, by us from time to time. No severance amounts are owed if Mr. Montoni's employment is terminated for cause. If Mr. Montoni's employment is terminated without cause, or Mr. Montoni terminates his employment for good reason, prior to the expiration of the term of the employment agreement, Mr. Montoni will be entitled to receive the greater of (i) base salary and all benefits described above for the remainder of the term, including the vesting of restricted stock units and stock options or (ii) the severance benefits specified in the severance guidelines adopted by our Compensation Committee in 2006. Under those severance guidelines, in exchange for a release of any and all legal claims, an executive terminated for reasons other than cause would be entitled to an amount equal to one year's base salary (two year's base salary in the case of the Chief Executive Officer), the lesser of the executive's target bonus or actual bonus paid for the prior year, the continuation of benefits for one year, and one year's worth of executive outplacement services. The employment agreement subjects Mr. Montoni to confidentiality obligations, and contains certain customary non-compete restrictions on his present and future employment for a period of one year after his termination.

Mr. Caswell's agreement was effective as of October 1, 2004 and continued for a two-year term at which point it converted to a month-to-month term. Mr. Caswell's base salary is presently \$431,000, and he is eligible to receive an annual cash bonus under our annual bonus program based on his and the Company's performance. Mr. Caswell's targeted bonus is 45% of his base salary. Mr. Caswell is also a participant in the Income Continuity Plan and is entitled to participate in stock option or similar plans that currently exist, or that may be established, by us from time to time. No severance amounts are owed if Mr. Caswell's employment is terminated for cause. If Mr. Caswell's employment is terminated without cause, or Mr. Caswell terminates his employment for good reason, he would be entitled to receive a lump-sum severance payment equal to six months' base salary and the pro-rated portion of his current annual target bonus. The employment agreement also provides that Mr. Caswell will not compete with us during the term of his employment and for two years after its termination and that he will maintain our trade secrets in strict confidence.

- (3) Each executive's target bonus is set as a percent of base pay as follows: Mr. Montoni 70%; Mr. Boyer 45%; Mr. Caswell 45%; Mr. Piloti 45% and Mr. Walker 45%.
- (4) Superior has been established at 150% of the named individual's target bonus; however, that amount does not constitute an upper limit and may be exceeded if the Company achieves earnings per share above the superior level.
- (5) The amounts in this column reflect the aggregate grant date fair values, computed in accordance with FASB ASC Topic 718, of restricted stock unit ("RSU") awards awarded during the applicable year under our 1997 Equity Incentive Plan. For each of the RSU awards, the grant date fair value is calculated using the closing price of our common stock on the grant date as if these awards were vested and issued on the grant date. The amounts shown disregard estimated forfeitures.

***Supplemental Discussion of Awards***

Dividends are not paid on stock options. Dividends are paid on unvested RSUs in the form of additional RSUs. Those additional RSUs vest over the same period as the underlying awards on which they are paid. Once RSUs vest, they become shares of stock and are entitled to cash dividends and possess all other features of the Company's common stock. Stock options vest in equal annual installments over a four-year period. Before 2009, RSUs vested in equal annual installments over a six-year period. Beginning in 2009, RSU awards vest in equal installments over five years.

As noted above, Mr. Montoni and Mr. Caswell have employment agreements with the Company. The other named executive officers are at-will employees.

- (1) The amounts in this column reflect the aggregate grant date fair values, computed in accordance with FASB ASC Topic 718, of restricted stock unit ("RSU") awards awarded during the applicable year under our 1997 Equity Incentive Plan. For each of the RSU awards, the grant date fair value is calculated using the closing price of our common stock on the grant date as if these awards were vested and issued on the grant date. The amounts shown disregard estimated forfeitures. Prior to fiscal 2010, the amounts reported for stock awards reflected the dollar amount of expense recognized for financial statement reporting purposes for the applicable fiscal year. Because of that change, and because the Company has three directors up for election each year, the compensation for Mr. Lederer, Mr. Pond and Mr. Thompson reflect the restricted stock unit awards granted to them in connection with their re-election to the board of directors at the annual meeting of shareholders in 2010.

### ***Fees Payable to Non-Employee Directors***

Directors who are also MAXIMUS employees do not receive additional compensation for their services as directors. Outside directors were paid as follows through fiscal year 2010:

A \$65,000 annual retainer (at least \$42,500 of which must be received in restricted stock units ("RSUs")), and a fee of \$2,500 for each board and committee meeting in which they participate.

Mr. Pond received an additional \$125,000 retainer for his services as Chairman of the Board and an additional \$20,000 retainer for his services as Chairman of the Audit Committee.

Mr. Ruddy received an additional \$35,000 retainer for his services as Vice Chairman of the Board.

Dr. Seymann received an additional \$15,000 retainer for her services as Chair of the Compensation Committee.

Table of Contents

Mr. Thompson received an additional \$10,000 retainer for his services as the Chair of the Nominating and Governance Committee.

Directors may elect to receive all or a portion of their cash fees in RSUs granted under our 1997 Equity Incentive Plan.

Any director who is not a MAXIMUS employee is also eligible to receive RSUs upon election and re-election to the board. Under the plan, each award consists of 2,000 RSUs for each year of the term of office to which the director is elected or re-elected, with any period of term of office less than a year deemed a full year. All RSUs awarded to directors in lieu of cash fees have a minimum vesting period of three years, although directors may elect longer vesting periods. During fiscal year 2010, the eligible directors were Mr. Beliveau, Mr. Haley, Mr. Lederer, Mr. Pond, Mr. Ruddy, Dr. Seymann, Governor Thompson and Mr. Webb.

From time to time, the Board may establish special committees to oversee particular matters. Directors receive \$2,500 per special committee meeting.

Prior to March 21, 2006, we used stock options instead of RSUs as the form of equity-based compensation for the directors' annual retainers and awards. Each RSU represents one share of common stock that is restricted due to a vesting period.

We also permit our directors to participate in the health plan that we offer to our employees, although each director that elects to participant must pay the full cost of his or her own premiums in the plan. Currently, Mr. Beliveau, Mr. Pond and Mr. Ruddy are participants in this plan.

***Director Equity Ownership Requirements***

Directors are required to hold at least \$250,000 of equity in the Company. For these purposes, "equity" consists of shares owned directly by the director and the "in-the-money" value of vested stock options.

**CERTAIN RELATIONSHIPS  
AND RELATED TRANSACTIONS**

The board of directors reviews and evaluates transactions involving the Company and related persons, including its officers, directors and principal shareholders in accordance with the requirements of the New York Stock Exchange. James R. Thompson, Jr., who has served as one of our directors since March 2001, is a partner at the law firm of Winston & Strawn in Chicago. Winston & Strawn has provided certain specialized legal services to MAXIMUS from May 2000 to the present as described in "Corporate Governance and the Board of Directors Corporate Governance Guidelines." As discussed, the board of directors has reviewed the Company's relationship with Winston & Strawn and has determined that it serves the best interests of the Company and its shareholders.

We are requesting your advisory (non-binding) approval of the compensation of our named executive officers as disclosed in the Compensation Discussion and Analysis (beginning on page 16 above), the compensation tables (beginning on page 24 above), and any related material contained in this Proxy Statement. We are providing this vote as required under the Dodd-Frank Wall Street Reform and Consumer Protection Act. This proposal, commonly known as a "Say-on-Pay" proposal, gives

shareholders the opportunity to endorse or not endorse our executive pay program and policies through the following resolution:

"Resolved, that the shareholders approve, on an advisory basis, the compensation of our named executive officers, as disclosed in the Compensation Discussion and Analysis, the compensation tables and any related material contained in this Proxy Statement."

*Discussion*

We believe that our compensation policies and procedures, which are reviewed and approved by the Compensation Committee, encourage a culture of pay for performance and are closely aligned with the long-term interests of the Company and its shareholders. MAXIMUS has been successful in attracting and retaining highly-qualified executives who helped the Company deliver record earnings per share in 2010, and that performance was reflected in the value of our stock.

The Compensation Committee evaluates the Company's compensation practices regularly to ensure that those practices are both responsible and properly aligned with the long-term interests of our owners. Those practices include:

increased emphasis on performance-based incentive compensation

no guarantees of salary increases, bonuses or equity awards

very modest executive benefits and perquisites

no extraordinary relocation benefits (including home buy-outs)

no repricing of stock options without mandatory shareholder consent

change-in-control payments based on a "double trigger" (i.e., a change in control coupled with a termination of employment)

equity ownership requirements for directors and executive officers

reasonable "burn rate" for equity awards

overall compensation in-line with comparable companies.

**THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR THE APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS, AS DISCLOSED IN THE COMPENSATION DISCUSSION AND ANALYSIS, THE COMPENSATION TABLES AND ANY RELATED MATERIAL CONTAINED IN THIS PROXY STATEMENT.**

**PROPOSAL 3 ADVISORY VOTE ON FREQUENCY OF VOTING ON NAMED EXECUTIVE OFFICER COMPENSATION**

## Edgar Filing: MAXIMUS INC - Form DEF 14A

We are requesting your advisory (non-binding) vote on how frequently shareholders will vote to approve the compensation of our named executive officers under the "Say-on-Pay" provisions of the Dodd-Frank Wall Street Reform and Consumer Protection Act ("Act"). Under the Act, at least once every six years, shareholders will vote on a non-binding resolution as to whether future Say-on-Pay votes will occur every one, two or three years.

Table of Contents

The structure of the Company's executive compensation program has not changed materially in a number of years, and the Company does not anticipate any material changes to the program in the foreseeable future. Accordingly, the board of directors believes that a vote every three years on executive compensation will provide shareholders with meaningful input on the Company's compensation practices while minimizing repetitive annual votes on compensation practices.

**THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE IN FAVOR OF CONDUCTING A VOTE REGARDING THE COMPANY'S NAMED EXECUTIVE OFFICER COMPENSATION EVERY THREE YEARS.**

**PROPOSAL 4 RATIFICATION OF THE APPOINTMENT  
OF INDEPENDENT PUBLIC ACCOUNTANTS**

Ernst & Young LLP has audited our consolidated financial statements for the fiscal years ended September 30, 2010 and 2009.
