Table of Contents

Our board of directors recommends that you vote your shares **"FOR"** the election of each of the director nominees, **"FOR"** the increase in the annual base salary of Mr. Waldman, the contributions to Israeli severance, pension and education funds of up to an aggregate of 21% of Mr. Waldman's base salary from time to time, and the cash bonus previously paid to Mr. Waldman, **"FOR"** the approval of the grant of 50,000 restricted stock units to Mr. Waldman, **"FOR"** the approval, on an advisory basis, of the compensation of our named executive officers, for every **"THREE YEARS,"** on an advisory basis, as the frequency for an advisory vote on named executive officer compensation, **"FOR"** the approval of an amendment to the company's amended and restated articles of association to authorize the board of directors to appoint up to the maximum authorized number of directors, **"FOR"** the approval of an amendment to the company's amended and restated articles of association to replace the provisions related to indemnification of our directors and officers, **"FOR"** the amendment to the indemnification undertaking, **"FOR"** the ratification and approval of liability insurance for the directors and officers of the company and its subsidiaries, and **"FOR"** the appointment of PricewaterhouseCoopers LLP and the authorization of audit committee determination of their remuneration.

What shares can I vote at the meeting?

You may vote all of the shares you owned as of April 8, 2011, the record date, including shares held directly in your name as the *shareholder of record* and all shares held for you as the *beneficial owner* through a broker, trustee or other nominee such as a bank.

What is the difference between holding shares as a shareholder of record and as a beneficial owner?

Most of our shareholders hold their shares through a broker or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Shareholders of Record. If your shares are registered directly in your name with our transfer agent, American Stock Transfer and Trust Company, you are considered, with respect to those shares, the *shareholder of record*, and these proxy materials are being sent directly to you by us. As the *shareholder of record*, you have the right to vote in person at the meeting or direct the proxyholder how to vote your shares on your behalf at the meeting by fully completing, signing and dating the enclosed proxy card and returning it to us in the enclosed postage-paid return envelope.

Table of Contents

Beneficial Owner. If your shares are held in a brokerage account or by another nominee, you are considered the *beneficial owner* of shares held *in street name*, and these proxy materials are being forwarded to you together with a voting instruction card. As the beneficial owner, you have the right to direct your broker, trustee or nominee to vote your shares as you instruct in the voting instruction card. The broker, trustee or other nominee may either vote in person at the meeting or grant a proxy and direct the proxyholder to vote your shares at the meeting as you instruct in the voting instruction card. If you hold shares through a broker, trustee or nominee, other than for shares that are traded through the Tel-Aviv Stock Exchange, or TASE, you may also vote in person at the meeting, but only after you obtain a "legal proxy" from the broker, trustee or nominee that holds your shares, giving you the right to vote your shares at the meeting. Your broker, trustee or nominee has enclosed or provided a voting instruction card for you to use in directing the broker, trustee or nominee how to vote your shares.

If you hold shares that are traded through TASE, the TASE Clearing House Member through which the shares are held will send you by electronic mail, free of charge, no later than five days following the record date, a link to a voting instruction card in the form filed by us on the distribution site of the Israeli Securities Authority, MAGNA, at www.magna.isa.gov.il, on April 3, 2011, unless you inform the TASE Clearing House Member through which the shares are held that you do not wish to receive said link, or if you inform it that you wish to receive a voting instruction card by mail, against the payment of mailing costs only. If you hold shares that are traded through TASE, you may also vote in person at the meeting, but only after providing a proof of ownership certificate from the TASE Clearing House member through which the shares are held indicating that you were the beneficial owner of the shares on the record date.

Table of Contents

How can I vote my shares without attending the meeting?

Whether you hold shares directly as the shareholder of record or as a beneficial owner, you may direct how your shares are voted without attending the meeting by completing and returning the enclosed proxy card or voting instruction card (as described below). If you provide specific instructions with regard to items of business to be voted on at the meeting, your shares will be voted as you instruct on those items. Proxies properly signed, dated and submitted to us that do not contain voting instructions and are not revoked prior to the meeting will be voted **"FOR"** the election of each of the director nominees who are not outside directors identified in this proxy statement, **"FOR"** the increase in the annual base salary of Mr. Waldman, the contributions to Israeli severance, pension and education funds of up to an aggregate of 21% of Mr. Waldman's base salary from time to time, and the cash bonus previously paid to Mr. Waldman, **"FOR"** the approval of the grant of 50,000 restricted stock units to Mr. Waldman, **"FOR"** the approval, on an advisory basis, of the compensation of our named executive officers, for every **"THREE YEARS,"** on an advisory basis, as the frequency for an advisory vote on named executive officer compensation, **"FOR"** the approval of an amendment to the company's amended and restated articles of association to authorize the board of directors to appoint up to the maximum authorized number of directors, **"FOR"** the approval of an amendment to the company's amended and restated articles of association to replace the provisions related to indemnification of our directors and officers, **"FOR"** the amendment to the indemnification undertaking, **"FOR"** the ratification and approval of liability insurance for the directors and officers of the company and its subsidiaries, and **"FOR"** the appointment of PricewaterhouseCoopers LLP and the authorization of audit committee determination of their remuneration.

Voting by Telephone or over the Internet. You may also vote by telephone or over the Internet by following the instructions included on the enclosed proxy card or voting instruction card. You may vote by telephone or over the Internet until 11:59 p.m. Eastern Daylight Time the day before the meeting.

If you own shares that are traded through TASE, you may vote your shares by mail as follows: sign and date a voting instruction card in the form filed by us on the distribution site of the Israeli Securities Authority, MAGNA, at www.magna.isa.gov.il, on April 3, 2011 and attach to it a proof of ownership certificate from the TASE Clearing House member through which the shares are held indicating that you were the beneficial owner of the shares on the record date, and return the voting instruction card, along with the proof of ownership certificate, to us, as described in the instructions available on MAGNA, no later than 72 hours prior to the meeting.

Table of Contents

How can I vote my shares in person at the meeting?

Shares held in your name as the shareholder of record may be voted in person at the meeting. Shares held beneficially in street name, other than for shares that are traded through TASE, may be voted in person only if you obtain a legal proxy from the broker, trustee or nominee that holds your shares giving you the right to vote the shares at the meeting. You should be prepared to present photo identification for admittance. Please also note that if you are not a shareholder of record but hold shares through a broker, trustee or nominee, other than for shares that are traded through TASE, you will need to provide proof of beneficial ownership as of the record date, such as your most recent brokerage account statement, a copy of the voting instruction card provided by your broker, trustee or nominee or other similar evidence of ownership. If your shares are traded through TASE, you will need to provide a proof of ownership certificate from the TASE Clearing House member through which the shares are held indicating that you were the beneficial owner of the shares on the record date. The meeting will begin promptly at 5:00 p.m. local Israeli time (10:00 a.m. Eastern Daylight Time). Check-in will begin at 4:00 p.m. local Israeli time. ***Even if you plan to attend the meeting, we recommend that you also complete, sign and date the enclosed proxy card or voting instruction card and return it promptly in the accompanying postage-paid return envelope in order to ensure that your vote will be counted if you later decide not to, or are unable to, attend the meeting.***

Can I change my vote or revoke my proxy?

You may change your vote or revoke your proxy at any time prior to the vote at the meeting. If you are the shareholder of record, you may change your vote by granting a new proxy bearing a later date, which automatically revokes the earlier proxy, by providing a written notice of revocation to our corporate secretary prior to your shares being voted, or by attending the meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked unless you specifically so request. If you are a beneficial owner, you may change your vote by submitting a new voting instruction card to your broker, trustee or nominee, or, if you have obtained a legal proxy from your broker, trustee or nominee giving you the right to vote your shares, by attending the meeting and voting in person. If you voted your shares by submitting a voting instruction card in the form filed on MAGNA (whether you hold shares directly as the shareholder of record or as a beneficial owner), you may apply to the company's address at Binyan Hermon, Industrial Area, Yokneam, Israel 20692, no later than 24 hours prior to the meeting, and after providing a proof of identification to the satisfaction of the company's secretary, withdraw your voting instruction card. If you do so, you will be entitled to vote only in person at the meeting.

Table of Contents

Is my vote confidential?

Proxy cards, voting instructions, ballots and voting tabulations that identify individual shareholders are not secret; however, all such materials will be handled in a manner intended to reasonably protect your voting privacy. Your vote will not be disclosed, except as required by law and except as required to American Stock Transfer and Trust Company, our transfer agent, to allow for the tabulation of votes and certification of the vote and to facilitate a successful proxy solicitation.

How are votes counted and what vote is required to approve each item?

Each outstanding ordinary share entitles the holder thereof to one vote on each matter considered at the meeting. Shareholders are not entitled to cumulate their votes in the election of directors or with respect to any other matter submitted to a vote of the shareholders pursuant to this proxy statement.

The election of each of Eyal Waldman, Dov Baharav, Glenda Dorchak, Irwin Federman and Thomas Weatherford as directors requires the vote of the holders of a majority of the voting power represented at the annual general meeting in person or by proxy or by written ballot and voting thereon. You may vote either **"FOR"** or **"AGAINST"** the election of each nominee, or you may abstain. A properly executed proxy marked **"ABSTAIN"** with respect to the election of any nominee will not be voted, although it will be counted for purposes of determining whether there is a quorum present.

The approval of (i) an increase in the annual base salary of Eyal Waldman from \$375,000 to \$410,000 effective April 1, 2011, (ii) the contributions to Israeli severance, pension and education funds of up to an aggregate of 21% of Mr. Waldman's base salary from time to time and (iii) the cash bonus previously paid to Mr. Waldman in the amount of \$157,500 for services rendered for the fiscal year ended December 31, 2010 requires the approval of the holders of a majority of the voting power represented at the meeting in person or by proxy or by written ballot and voting thereon. You may vote either **"FOR"** or **"AGAINST"** this proposal, or you may abstain. A properly executed proxy marked **"ABSTAIN"** with respect to this proposal will not be voted with respect to such proposal, although it will be counted for purposes of determining whether there is a quorum present.

The approval of the grant of 50,000 restricted stock units to Mr. Waldman requires the approval of the holders of a majority of the voting power represented at the meeting in person or by proxy or by written ballot and voting thereon. You may vote either **"FOR"** or **"AGAINST"** this proposal, or you may abstain. A properly executed proxy marked **"ABSTAIN"** with respect to this proposal will not be voted with respect to such proposal, although it will be counted for purposes of determining whether there is a quorum present.

Table of Contents

The approval, on an advisory basis, of the compensation of our named executive officers requires the approval of the holders of a majority of the voting power represented at the meeting in person or by proxy or by written ballot and voting thereon. You may vote either **"FOR"** or **"AGAINST"** this proposal, or you may abstain. A properly executed proxy marked **"ABSTAIN"** with respect to this proposal will not be voted with respect to such proposal, although it will be counted for purposes of determining whether there is a quorum present.

The approval, on an advisory basis, of the frequency of the advisory vote on named executive officer compensation requires the approval of the holders of a majority of the voting power represented at the meeting in person or by proxy or by written ballot and voting thereon. You may vote for **"ONE YEAR," "TWO YEARS"** or **"THREE YEARS"** on this proposal, or you may abstain. A properly executed proxy marked **"ABSTAIN"** with respect to this proposal will not be voted with respect to such proposal, although it will be counted for purposes of determining whether there is a quorum present. With respect to this item, if none of the frequency alternatives (one year, two years or three years) receive a majority vote, we will consider the frequency that receives the highest number of votes by shareholders to be the frequency that has been selected by shareholders. However, because this vote is advisory and not binding on us or our board of directors in any way, our board may decide that it is in our and our shareholders' best interests to hold an advisory vote on named executive officer compensation more or less frequently than the alternative approved by our shareholders.

The approval of an amendment to the company's amended and restated articles of association to authorize the board of directors to appoint up to the maximum number of directors requires the approval of the holders of a majority of the voting power represented at the meeting in person or by proxy or by written ballot and voting thereon. You may vote either **"FOR"** or **"AGAINST"** this proposal, or you may abstain. A properly executed proxy marked **"ABSTAIN"** with respect to this proposal will not be voted with respect to such proposal, although it will be counted for purposes of determining whether there is a quorum present.

Table of Contents

The approval of an amendment to the company's amended and restated articles of association to replace the provisions related to indemnification of our directors and officers requires the approval of the holders of a majority of the voting power represented at the meeting in person or by proxy or by written ballot and voting thereon. You may vote either **"FOR"** or **"AGAINST"** this proposal, or you may abstain. A properly executed proxy marked **"ABSTAIN"** with respect to this proposal will not be voted with respect to such proposal, although it will be counted for purposes of determining whether there is a quorum present.

Under the rules that govern brokers and banks that have record ownership of our ordinary shares that are held in street name for their clients such as you, who are the beneficial owners of the shares, brokers and banks have the discretion to vote such shares on routine matters. With the exception of (i) the election of directors, (ii) the approval of an increase in the annual base salary of Eyal Waldman, contributions to Israeli severance, pension and education funds of up to an aggregate of 21% of Mr. Waldman's base salary from time to time, and the cash bonus previously paid to Mr. Waldman, (iii) the grant of restricted stock units to Mr. Waldman, (iv) the advisory vote to approve the compensation of our named executive officers and (v) the advisory vote on the frequency of the advisory vote on named executive officer compensation, all items of business proposed to be considered at the annual general meeting are considered routine matters. Further, this means that brokers may **ONLY** vote your shares on (i) the approval of the amendment to the company's amended and restated articles of association to authorize the board to appoint up to the maximum authorized number of directors, (ii) the approval of the amendment to the company's amended and restated articles of association to replace the provisions related to indemnification of our directors and officers, (iii) the approval of the amendment to the indemnification undertaking between the company and each of our directors and officers, (iv) the ratification and approval of the purchase of liability insurance for directors and officers and (v) the appointment of PricewaterhouseCoopers LLP. We encourage you to provide instructions to your broker regarding the voting of your shares; otherwise, if you do not provide instructions to your broker or bank regarding how to vote your shares on the non-routine proposals set forth in this proxy, then your shares will **NOT** be voted on these important shareholder proposals.

**PROPOSAL FOUR ADVISORY VOTE ON THE COMPENSATION OF OUR
NAMED EXECUTIVE OFFICERS ("SAY-ON-PAY VOTE")**

Background

The recently enacted Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, or Dodd-Frank Act, enables our shareholders to vote to approve, on an advisory, non-binding basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with the SEC's rules.

Summary

We are asking our shareholders to provide advisory approval of the compensation of our named executive officers, as defined in the "Compensation Discussion and Analysis" section below, as such compensation is described in such section, the tabular disclosure regarding such compensation and the accompanying narrative disclosure set forth in this proxy statement. Our compensation program for our named executive officers is designed to reward high performance and innovation, to promote accountability and to ensure that executive interests are aligned with the interests of our shareholders. The following is a summary of the primary components of our named executive officer compensation. We urge our shareholders to review the Compensation Discussion and Analysis section of this proxy statement and executive-related compensation tables for more information.

One component of our compensation program is base compensation or salary. We design base salaries to fall within a competitive range of the companies against which we compete for executive talent. In 2010, the base salaries of our named executive officers fell near the 50th percentile, in the case of named executive officers in the United States, and between the 50th and 75th percentile, in the case of named executive officers in Israel, of the companies that participated in salary surveys using our Peer Group Companies, as defined in the "Compensation Discussion and Analysis" section below. Generally, the base salary established for an individual named executive officer reflects many inputs, including our CEO's assessment of the named executive officer's performance, the level of responsibility of the named executive officer, and competitive pay levels based on salaries paid to employees with similar roles and responsibilities at our Peer Group Companies.

Another component of our compensation program is annual cash bonuses. We structure our annual discretionary cash bonus award program to reward named executive officers for our company's successful performance, measured on the basis of our operating income (determined on a GAAP basis), and for each individual's contribution to that performance. Consistent with our approach of placing a greater emphasis on equity compensation, our compensation committee awarded bonuses under the company's annual discretionary cash bonus compensation program in February 2011 for services performed in the year ended December 31, 2010 that ranged from 20% to 22% of each named executive officer's, other than our chief executive officer's, base salary paid during 2010.

The third component of our compensation program is equity awards. We grant stock options and restricted stock units to our named executive officers in order to align their interests with the interests of our shareholders by tying the value delivered to our named executive officers to the value of our ordinary shares. We also believe that stock option and restricted stock unit grants to our named executive officers provide them with long-term incentives that will aid in retaining executive talent by providing opportunities to be compensated through the company's performance and rewarding executives for creating shareholder value over the long-term.

Board of Directors' Recommendation

The say-on-pay vote is advisory, and therefore not binding on the company, the compensation committee or our board of directors. Our board of directors believes that the information provided

Table of Contents

above and within the Compensation Discussion and Analysis and compensation tables included in this proxy statement demonstrates that our named executive officer compensation is designed to provide incentives and rewards for both our short-term and long-term performance, and is structured to motivate the company's named executive officers to meet our strategic objectives, thereby maximizing total return to shareholders.

The following resolution will be submitted for a shareholder vote at the annual general meeting:

"RESOLVED, that the shareholders of Mellanox approve, on an advisory basis, the compensation of Mellanox's named executive officers, as disclosed in the Compensation Discussion and Analysis, compensation tables and narrative discussion set forth in this proxy statement."

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE *FOR* APPROVAL OF THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS, AS DESCRIBED IN THE COMPENSATION DISCUSSION AND ANALYSIS, COMPENSATION TABLES AND NARRATIVE DISCUSSION SET FORTH IN THIS PROXY STATEMENT, AS DESCRIBED IN THIS PROPOSAL FOUR.

Table of Contents

PROPOSAL FIVE ADVISORY VOTE ON THE FREQUENCY OF AN ADVISORY VOTE ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS ("FREQUENCY VOTE")

Background

The Dodd-Frank Act also enables our shareholders to indicate how frequently they believe we should seek an advisory vote on the compensation of our named executive officers. We are seeking an advisory, non-binding determination from our shareholders as to the frequency with which shareholders would have an opportunity to provide an advisory approval of our named executive officers' compensation. We are providing shareholders the option of selecting a frequency of one, two or three years, or abstaining. For the reasons described below, we recommend that our shareholders select a frequency of three years.

A triennial approach provides regular input by shareholders, while allowing shareholders to better judge our compensation programs in relation to our long-term performance. This benefits our institutional and other shareholders, who have historically held on to our stock over the long-term.

A triennial vote will provide our compensation committee and our board of directors sufficient time to thoughtfully evaluate the results of the most recent advisory vote on named executive officers' compensation, discuss the implications of the vote with our shareholders and develop and implement any changes to our named executive officers' compensation that may be appropriate in light of the vote. A triennial vote will also allow for these changes to our named executive officers' compensation to be in place long enough for shareholders to see and evaluate the effectiveness of these changes.

The composition and level of compensation paid to executives in the market evolves over multiple years. A triennial approach will allow us to review evolving practices in the market to ensure our compensation programs reflect best practices.

We have in the past been, and will in the future continue to be, engaged with our shareholders on a number of topics and in a number of forums. Thus, we view the advisory vote on named executive officers' compensation as an additional, but not exclusive, opportunity for our shareholders to communicate with us regarding their views on our named executive officers' compensation.

Board of Directors' Recommendation

The frequency vote is advisory, and therefore not binding on the company, the compensation committee or our board of directors. Shareholders are not being asked to approve or disapprove of the board of directors' recommendation, but rather to indicate their own choice as among the frequency options.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR EVERY "THREE YEARS" AS THE FREQUENCY FOR AN ADVISORY VOTE ON EXECUTIVE COMPENSATION, AS DESCRIBED IN THIS PROPOSAL FIVE.

PROPOSAL SIX APPROVAL OF AMENDMENT TO THE COMPANY'S ARTICLES OF ASSOCIATION TO AUTHORIZE THE BOARD OF DIRECTORS TO APPOINT DIRECTORS UP TO THE MAXIMUM AUTHORIZED NUMBER

We propose that the shareholders approve an amendment to the company's amended and restated articles of association that would authorize our board of directors to appoint additional directors, up to the maximum number of directors permitted under the articles of association, to hold office until the next annual general meeting of shareholders following such appointment. Without this amendment, the board of directors may appoint directors to fill recently vacated seats, but may not appoint directors to previously unfilled seats.

We propose that the following language be added as Article 41(b) of the articles of association to permit the board of directors to appoint additional directors up to the maximum authorized number:

"41(b). As long as the number of directors is less than the maximum number of directors permitted under Article 38, the continuing directors may appoint additional directors, up to the maximum number permitted under Article 38, to hold office until the next Annual General Meeting following such appointment by the continuing directors."

The full text of the proposed amended and restated articles of association of the company, as proposed to be amended by this Proposal Six and by Proposal Seven, is attached as Exhibit A to this proxy statement.

a breach of duty of care to the company or to a third party;

a financial liability imposed on or incurred by the office holder in favor of a third party; and

(i) expenses, including reasonable litigation expenses and legal fees, incurred by the office holder as a result of a proceeding instituted against such office holder in relation to (A) infringements that may impose financial sanction pursuant to the provisions of Chapter H'3 under the Israeli Securities Law ("Imposing Financial Sanction by the Israeli Securities Authority") or (B) administrative infringements pursuant to the provisions of Chapter H'4 under the Israeli Securities Law ("Imposing Administrative Enforcement Measures by the Administrative Enforcement Committee") or (C) infringements pursuant to the provisions of Chapter I'1 under the Israeli Securities Law ("Arrangement for Refraining from taking Proceedings or Cessation of Proceedings, subject to Conditions") and (ii) payments made to the injured parties of such infringement under Section 52ND(a)(1)(a) of the Israeli Securities Law ("Payment to Injured Party").

We cannot, however, indemnify, exculpate or insure our office holders against any of the following:

a breach of duty of loyalty, except, with respect to indemnification and insurance, to the extent that the office holder acted in good faith and had a reasonable basis to believe that the act would not prejudice the company;

a breach of duty of care committed intentionally or recklessly, excluding a breach arising out of the negligent conduct of the office holder;

an act or omission committed with intent to derive illegal personal benefit; and

a fine, civil fine, financial sanction or levied against the office holder.

In addition, we cannot indemnify or insure our office holders for a proceeding instituted against them pursuant to the provisions of Chapter H'3, H'4 and I'1 under the Israeli Securities Law.

An Israeli company may not exculpate an office holder from liability for a breach of the duty of loyalty of the office holder. An Israeli company may exculpate an office holder in advance from liability to the company, in whole or in part, for a breach of duty of care, but only if a provision authorizing such exculpation is inserted in its articles of association. Our amended and restated articles of association include such a provision. An Israeli company may not exculpate a director for liability arising out of a prohibited dividend or distribution to shareholders.

Pursuant to the Companies Law and the Israeli Securities Law, as amended by the Administrative Enforcement Law, we may indemnify an office holder in advance for financial obligations imposed on him or her in favor of another person by judgments, settlements or arbitrators' awards approved by a court that were rendered in connection with events that the board of directors deemed foreseeable based on the company's actual activities at the time of the approval by the board of the indemnification, provided that the indemnification is limited to an amount or

criteria determined by the

board of directors as reasonable under the circumstances and that the indemnification undertaking states the foreseeable activities and the amount or criteria. In addition, we may indemnify an office holder against the following liabilities incurred for acts performed as an office holder:

reasonable litigation expenses, including attorneys' fees, incurred by the office holder as a result of an investigation or proceeding instituted against him or her by an authority authorized to conduct such investigation or proceeding, provided that (i) no indictment was filed against such office holder as a result of such investigation or proceeding and (ii) either (A) no financial liability was imposed upon him or her as a substitute for the criminal proceeding as a result of such investigation or proceeding or (B) if the financial liability was imposed, it was imposed with respect to an offense that does not require proof of criminal intent;

reasonable litigation expenses, including attorneys' fees, incurred by the office holder or imposed by a court in proceedings instituted against him or her by the company, on its behalf or by a third party or in connection with criminal proceedings in which the office holder was acquitted or in which the office holder was convicted of an offense that does not require proof of criminal intent;

expenses, including reasonable litigation expenses and legal fees, incurred by the office holder as a result of a proceeding instituted against such office holder in relation to (A) infringements that may impose financial sanction pursuant to the provisions of Chapter H'3 under the Israeli Securities Law ("Imposing Financial Sanction by the Israeli Securities Authority") or (B) administrative infringements pursuant to the provisions of Chapter H'4 under the Israeli Securities Law ("Imposing Administrative Enforcement Measures by the Administrative Enforcement Committee") or (C) infringements pursuant to the provisions of Chapter I'1 under the Israeli Securities Law ("Arrangement for Refraining from taking Proceedings or Cessation of Proceedings, subject to Conditions"); and

payments to an injured party of infringement under Section 52ND(a)(1)(a) of the Securities Law ("Payment to Injured Party").

The indemnity, insurance and exemption provisions in our amended and restated articles of association currently do not reflect the provisions of the Administrative Enforcement Law.

We propose amending the company's articles of association to delete the current indemnity, insurance and exemption provisions of Article 68 and to replace Article 68 with the following:

"68. INDEMNITY, INSURANCE AND EXEMPTION

(a) Exemption From Liability

Subject to the provisions of the Companies Law and the Securities Law, the Company may also undertake to indemnify an Office Holder retroactively for expenses, fees and payments as specified in Section 68(B).
- (c) Insurance
- (i) Subject to the provisions of the Companies Law and the Securities Law, the Company may enter into a contract to insure an Office Holder for all or part of the liability that may be imposed on such Office Holder in connection with an act performed by such Office Holder in such Office Holder's capacity as an Office Holder of the Company, with respect to each of the following:

- (f) The provisions of this Article 68 are not intended, and shall not be interpreted so as to restrict the Company, in any manner, in respect of the procurement of insurance and/or indemnification and/or exculpation in favor of any person who is not an Office Holder, including, without limitation, any employee, agent, consultant or contractor of the company who is not an Office Holder."

PROPOSAL EIGHT APPROVAL OF AMENDMENT TO INDEMNIFICATION UNDERTAKING

The Companies Law and our articles of association authorize us to indemnify, exempt and insure our directors and officers, subject to certain conditions and limitations. We believe that it is in the company's best interest to provide indemnification to our officers and directors to enable us to attract and retain highly qualified individuals.

Under the Companies Law, exculpation, indemnification and insurance of office holders must be approved by our audit committee and our board of directors and, in respect of our directors, by our shareholders.

Pursuant to the company's current amended indemnification undertaking agreement with each of our directors and officers, as previously approved by shareholders, the company is obligated to indemnify our directors and officers who are, or who may become, parties to such agreement to the fullest extent permitted by law and to indemnify venture capital funds that are or were affiliated with or represented by such office holders party to such agreements. This indemnification is limited to an amount or criteria determined by the board of directors as reasonable under the circumstances, and, with respect to financial obligations incurred by the office holder as a result of judgments, settlements or arbitrators' awards approved by a court, indemnification in advance is also limited to events determined as foreseeable by our board of directors based on the company's activities.

Pursuant to the Administrative Enforcement Law, we are not allowed to indemnify or insure our office holders for certain proceedings and for certain financial sanctions resulting from such proceedings. However, the Administrative Enforcement Law allows us to indemnify and insure our office holders with respect to the expenses incurred by them as a result of such proceedings and with respect to certain payments made to the injured parties of such infringements as described in the Administrative Enforcement Law.

Pursuant to the proposed amendments to the indemnification undertaking agreement, our indemnification obligations will cover our directors' or officers' services as directors or officers of our subsidiaries, reflect the new requirements under the Administrative Enforcement Law and reflect our obligations to maintain directors and officers liability insurance, or D&O insurance, coverage. The full text of the indemnification undertaking agreement, as proposed to be amended by this Proposal Eight, is attached as Exhibit B to this proxy statement.

PROPOSAL NINE RATIFICATION AND APPROVAL OF LIABILITY INSURANCE FOR THE DIRECTORS AND OFFICERS OF THE COMPANY AND ITS SUBSIDIARIES

Under Israeli law, the terms of service of the board of directors require shareholder approval following the approval of the audit committee and the board of directors. PROPOSAL TEN APPROVAL OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM AND AUTHORIZATION OF AUDIT COMMITTEE DETERMINATION OF REMUNERATION

The audit committee of our board of directors has selected PricewaterhouseCoopers LLP as our independent registered public accounting firm to perform the audit of our consolidated financial statements for the fiscal year ending December 31, 2011.

Shareholder approval of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2011 is required under the Companies Law. The audit committee of our board of directors believes that such appointment is appropriate and in the best interests of the company and its shareholders. Subject to the approval of this proposal, the audit committee will fix the remuneration of PricewaterhouseCoopers LLP in accordance with the volume and nature of their services to the company.

Representatives of PricewaterhouseCoopers LLP are expected to be present at the annual general meeting of shareholders. They will have an opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions from our shareholders.

Board of Directors' Recommendation

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE *FOR* THE APPROVAL OF THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2011 AND THE AUTHORIZATION OF OUR AUDIT COMMITTEE TO DETERMINE THEIR REMUNERATION IN ACCORDANCE WITH THE VOLUME AND NATURE OF THEIR SERVICES AS DESCRIBED IN THIS PROPOSAL TEN.

Audit and Non-Audit Services

Subject to shareholder approval of the audit committee's authority to determine remuneration for their services, the audit committee is directly responsible for the appointment, compensation and oversight of our independent auditors. In addition to retaining PricewaterhouseCoopers LLP to audit our consolidated financial statements for the fiscal year ending 2010, the audit committee retained PricewaterhouseCoopers LLP to provide other non-audit and advisory services in 2010. The audit committee has reviewed all non-audit services provided by PricewaterhouseCoopers LLP in 2010, and has concluded that the provision of such non-audit services was compatible with maintaining PricewaterhouseCoopers LLP's independence and that such independence has not been impaired.

The aggregate fees billed by PricewaterhouseCoopers LLP for audit and non-audit services in 2010 and 2009 were as follows:

Service Category	Fiscal Year Ended	
	December 31,	
	2010	2009
Audit Fees	\$ 637,901	\$ 708,000
Audit-Related Fees	115,000	168,414
Tax Fees	50,000	116,518
All Other Fees		
Total	\$ 802,901	\$ 992,932

In the above table, in accordance with the SEC's definitions and rules, "audit fees" are fees for professional services for the audit and review of our annual consolidated financial statements, as well as fees for issuance of consents and for services that are normally provided by the accountant in

connection with statutory and regulatory filings or engagements except those not required by statute or regulation; "audit-related fees" are fees for assurance and related services that were reasonably related to the performance of the audit or review of our financial statements, including attestation services that are not required by statute or regulation, due diligence and any services related to acquisitions; "tax fees" are fees for tax compliance, tax advice and tax planning; and "all other fees" are fees for any services not included in the first three categories.

REPORT OF THE AUDIT COMMITTEE(1)

(1)

This section is not "soliciting material," is not deemed "filed" with the SEC and is not to be incorporated by reference in any filing of the company under the Securities Act of 1933, as amended (the "Securities Act"), or the Exchange Act, whether made before or after the date hereof and irrespective of any general incorporation language in any such filing.

The audit committee, which currently consists of Messrs. Federman, Riordan and Weatherford and Ms. Johnson, evaluates audit performance, manages relations with our independent registered public accounting firm and evaluates policies and procedures relating to internal accounting functions and controls. The board of directors adopted a written charter for the audit committee in December 2000 and most recently amended it in April 2008, which charter details the responsibilities of the audit committee. This report relates to the activities undertaken by the audit committee in fulfilling such responsibilities.

The audit committee members are not professional accountants or auditors, and their functions are not intended to duplicate or to certify the activities of management and the independent registered public accounting firm. The audit committee oversees the company's financial reporting process on behalf of the board of directors. Management has the primary responsibility for the financial statements and reporting process, including the company's systems of internal controls over financial reporting. In fulfilling its oversight responsibilities, the audit committee reviewed and discussed with management the audited financial statements included in the Annual Report on Form 10-K for the year ended December 31, 2010. This review included a discussion of the quality and the acceptability of the company's financial reporting and controls, including the clarity of disclosures in the financial statements.

The audit committee also reviewed with the company's independent registered public accounting firm, who is responsible for expressing an opinion on the conformity of the company's audited financial statements with generally accepted accounting principles, its judgments as to the quality and the acceptability of the company's financial reporting and such other matters required to be discussed with the audit committee under generally accepted auditing standards in the United States including Statement on Auditing Standards No. 114.

The audit committee has received the written disclosures and the letter from the company's independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the audit committee concerning independence, and has discussed with the independent registered public accounting firm its independence.

The audit committee further discussed with the company's independent registered public accounting firm the overall scope and plans for its audits. The audit committee meets periodically with the independent registered public accounting firm, with and without management present, to discuss the results of the independent registered public accounting firm's examinations and evaluations of the company's internal controls, and the overall quality of the company's financial reporting.

The Sarbanes-Oxley Act of 2002 and the auditor independence rules of the SEC require all issuers to obtain pre-approval from their respective audit committees in order for their independent registered public accounting firms to provide professional services without impairing independence. As such, the audit committee has a policy and has established procedures by which it pre-approves all audit and other permitted professional services to be provided by the company's independent registered public accounting firm. From time to time, the company may desire additional permitted professional services for which specific pre-approval is obtained from the audit committee before provision of such services commences. The audit committee has considered and determined that the provision of the services

other than audit services referenced above is compatible with maintenance of the auditors' independence.

In reliance on the reviews and discussions referred to above, the audit committee recommended to the board of directors that the audited financial statements and disclosures under "Management's Discussion and Analysis of Financial Condition and Results of Operations" be included in the Annual Report on Form 10-K for the year ended December 31, 2010, which was filed with the SEC on March 7, 2011.

The foregoing report is provided by the undersigned members of the audit committee.

This section is not "soliciting material," is not deemed "filed" with the SEC and is not to be incorporated by reference in any filing of the company under the Securities Act or the Exchange Act, whether made before or after the date hereof and irrespective of any general incorporation language in any such filing.

Our compensation committee reviews and recommends our programs, policies and practices relating to the compensation and benefits of our officers and employees. Our compensation committee, in consultation with our chief executive officer, or our CEO, and our board of directors and our audit committee with respect to our CEO's compensation, decides how much cash compensation should be part of each of our officer's total compensation by benchmarking to a peer group of companies, which we refer to as our Peer Group Companies, and considers the relative importance of short-term incentives. In addition, our compensation committee, in consultation with our CEO, makes recommendations to our board of directors regarding equity-based compensation to align the interests of our management with shareholders, considering each named executive officer's equity holdings. Our compensation committee also manages the granting of options to purchase our ordinary shares and other awards under our Global Share Incentive Plan (2006). Our compensation committee will review and evaluate, at least annually, our incentive compensation plans. All members of our compensation committee are independent under the applicable rules and regulations of the SEC, the NASDAQ Stock Market and the U.S. Internal Revenue Service.

Our compensation committee has reviewed and discussed the Compensation Discussion and Analysis, or CD&A, for the year ended December 31, 2010 with management. In reliance on the reviews and discussion referred to above, our compensation committee recommended to our board of directors, and our board of directors has approved, that the CD&A be included in the proxy statement for the year ended December 31, 2010 for filing with the SEC.

The foregoing report is provided by the undersigned members of our compensation committee.

COMPENSATION DISCUSSION AND ANALYSIS

Compensation Objectives

We invest our resources to grow our business in a manner that we believe will increase shareholder value. To further this objective, our compensation committee oversees our compensation program to support and reward the achievement of our financial goals and to promote the attainment of other key business objectives. In order to conduct our business effectively, we must attract, motivate and retain highly qualified executive officers. Our compensation program is designed to reward high performance and innovation, to promote accountability and to ensure that executive interests are aligned with the interests of our shareholders.

Our named executive officers for 2010 were Eyal Waldman, chairman of our board of directors, CEO and president; Michael Gray, chief financial officer; Marc Sultzbaugh, vice president of worldwide sales; Michael Kagan, chief technology officer and vice president of architecture; and Shai Cohen, vice president of operations and engineering.

Our executive compensation program has three primary components: (i) base compensation or salary, (ii) annual cash bonuses and (iii) equity awards, including stock option grants and awards of restricted stock units. Our program is designed to provide incentives and rewards for both our short-term and long-term performance, and is structured to motivate the company's named executive officers to meet our strategic objectives, thereby maximizing total return to shareholders. In addition, we provide our named executive officers with benefits that we also generally make available to all salaried employees in the geographic location where they are based. In Israel, we make contributions on behalf of most of our employees, including our named executive officers, to an education fund and also to a fund known as Managers' Insurance, which provides a combination of retirement plan, insurance and severance pay benefits to Israeli employees, and permit employees to participate in the company's automobile leasing program, under which we pay for gas, maintenance, insurance and the cost of normal wear and tear of the vehicle over the life of the lease. For employees based in the United States, we make matching 401(k) plan contributions in an amount up to 4% of base salary for all employees, including our U.S.-based named executive officers.

Our executive compensation program is administered by our compensation committee, which is comprised of four independent members of, and reports to, our board of directors. Operating under its charter, our compensation committee reviews, in consultation with management and the board of directors, and evaluates the compensation plans, policies and programs of the company. In addition, our compensation committee reviews and recommends to our audit committee and board of directors the approval of our CEO's compensation (including base salary, cash bonuses and equity awards, including stock option grants and awards of restricted stock units). Our compensation committee also annually evaluates and approves certain elements of our other named executive officers' compensation. These annual evaluations include: (i) consideration of the current levels and components of compensation paid to our named executive officers, (ii) consideration of the mix of cash incentives and long-term equity awards and (iii) a review of compensation paid by our Peer Group Companies conducted by our compensation committee (and our board of directors and audit committee, with respect to our CEO's compensation), as described below, to executives in positions comparable to those held by our named executive officers.

In making compensation decisions, our compensation committee and board of directors reference third-party surveys that provide compensation data. These compensation surveys allow our compensation committee and board of directors to be better informed in determining the key elements of our compensation program. In reviewing base salaries of our named executive officers, our compensation committee reviewed 2008 salary surveys prepared by Radford Surveys + Consulting, an Aon Consulting Company, or Radford, for named executive officers in the United States and Tali Atzmon for named executive officers in Israel. To determine competitive bonus levels for services

Table of Contents

provided in 2010, our compensation committee and board of directors utilized data from the 2008 Radford Executive Survey U.S., an independent third-party national compensation survey covering more than 1,100 high-tech companies in the United States, and the Radford International Survey Israel, an independent third-party survey of compensation practices by high-tech companies in Israel, which, together, we refer to as the Radford Surveys. The industry data from the Radford Surveys consists of salaries and other compensation paid by companies to executives in positions comparable to those held by our named executive officers. Specifically, we reviewed data on named executive officer positions in the United States from the Radford Executive Survey U.S. and for positions in Israel from the Radford International Survey Israel.

In reviewing the data from the Radford Surveys, we focused on compensation data for the 25th, 50th and 75th percentiles of our Peer Group Companies, which participate in the Radford Surveys and are similar to us with respect to industry sector, revenue, market capitalization and headcount or operate in industry sectors in which we typically compete for senior management talent. For 2010, our Peer Group Companies in the 2008 Radford Executive Survey U.S. consisted of the following companies:

3PAR, Inc.	Microtune, Inc.
Actel Corp.	Mindspeed Technologies, Inc.
BigBand Networks, Inc.	Monolithic Power Systems, Inc.
California Micro Devices Corp.	NetLogic Microsystems, Inc.
Cirrus Logic, Inc.	NetScout Systems, Inc.
Cray, Inc.	Occam Networks, Inc.
Digi International, Inc.	Pericom Semiconductor Corp.
EMCORE Corp.	PLX Technology, Inc.
Endwave Corp.	Rambus, Inc.
Entropic Communications, Inc.	ShoreTel, Inc.
Exar Corp.	Tessera Technologies, Inc.
Ikanos Communications, Inc.	ZILOG, Inc.
Ixia	

For 2010, our Peer Group Companies within the 2008 Radford International Survey Israel as provided by Tali Atzmon consisted of the following:

Applied Materials, Inc.	Marvell Technology Group Ltd.
BMC Software, Inc.	Polycom, Inc.
Broadcom Corporation	Qualcomm Incorporated
Cadence Design Systems, Inc.	Sandisk Corporation
Conexant Systems, Inc.	Tessera Technologies, Inc.
Dune Networks	Websense, Inc.
KLA-Tencor Corporation	Wintegra
Kulicke And Soffa Industries, Inc.	Zoran Corporation

We did not engage a compensation consultant during 2010 because our compensation committee determined that it had received sufficient information from the compensation consultant and surveys used in 2008 to make compensation decisions in fiscal year 2010.

Throughout the fiscal year, our CEO provides our compensation committee with his assessment of the performance levels of the company and our named executive officers (other than himself) and his recommendations with respect to compensation of our named executive officers (other than himself). Our compensation committee believes it is important to consider and evaluate our CEO's input on matters concerning compensation of other named executive officers. The compensation committee believes that our CEO's input regarding our other named executive officers' individual performances, as

Table of Contents

well as the expected contributions and future potential of each of them, is useful because each other named executive officer reports directly to our CEO, and our CEO interacts with our other named executive officers on an ongoing basis throughout the year.

While our compensation committee considers our CEO's recommendations, our compensation committee is responsible for setting the base salary and annual cash bonus for our executive officers, other than our CEO whose base salary and annual cash bonus is recommended by the compensation committee to the audit committee and board of directors for approval. Our compensation committee also recommends to the Board of Directors, and with respect to our CEO, the audit committee, for final approval the equity awards, including stock option grants and awards of restricted stock units made to our executive officers. In addition, under Israeli law, our CEO's compensation is subject to approval by the company's shareholders at each annual general meeting.

Compensation Philosophy and Objectives

Our compensation philosophy includes compensating our executives at levels that are competitive with our Peer Group Companies in order to attract and retain talented executives and to provide equity incentives that align the interests of our executives with the interests of our shareholders.

Since our initial public offering, we have paid base salaries to our named executive officers that were less than base salaries paid to executive officers of our Peer Group Companies because we believed that the lower base salaries we paid were partially offset by the potential value of stock option grants awarded to our named executive officers and, to a lesser extent, by annual cash bonus awards earned by our named executive officers.

As we have grown and matured as a public company, our compensation objectives continue to evolve. Base salaries for our named executive officers were increased in 2010 so that they would approximate the 50th percentile for named executive officers in the United States and between the 50th and 75th percentile for named executive officers in Israel, in each case, as compared to the Peer Group Companies in 2008. Bonus awards for 2010 were set in reference to the 25th percentile of our Peer Group Companies in 2008. In addition to base salary and cash bonuses, we continue to believe that the opportunity to share in the creation of shareholder value through equity compensation is critical for retaining our executive officer talent and for providing appropriate incentives to drive our company's performance and to ensure that we maximize long-term shareholder value.

Historically, we have sought to align the interests of our executives and other employees with the interests of our shareholders by granting our executives and other employees stock options, which will not have any value unless our share price increases. In January 2010, our compensation committee granted our named executive officers restricted stock units that have value regardless of whether our share price increases or decreases from the date we make any such awards. Our compensation committee believes that restricted stock units can provide value certainty in a turbulent economic environment while continuing to align the interests of our executives and other employees with the interests of our shareholders. Our compensation committee expects to continue to consider awarding stock options and/or restricted stock units when it determines such awards may be necessary as an incentive to motivate and retain our executives and other employees and/or may provide a better alignment of the interests of our executives and other employees with those of our shareholders.

In order to provide our named executive officers security so that they can remain focused on our business in the event of a potential change in control, we have entered into executive severance benefits agreements with each of our named executive officers that provide for certain payments and other severance benefits in the event their service is terminated following a change in control of our company. We believe that these executive severance benefits agreements help attract and retain talented executives by ensuring their efforts remain focused on our shareholders' long term interests rather than the individual executive's short term employment-related interests.

Table of Contents

We believe that the cash compensation (including base salary and annual cash bonus awards) and equity award grants we provide, along with the security provided by restricted stock units and executive severance benefits agreements, created a competitive total compensation package for our named executive officers in light of the economic climate in 2010 and based on the data of compensation packages provided by our Peer Group Companies in 2008.

Base Salary

We design base salaries to fall within a competitive range of the companies against which we compete for executive talent. In 2010, the base salaries of our named executive officers fell near the 50th percentile, in the case of named executive officers in the United States, and between the 50th and 75th percentile, in the case of named executive officers in Israel, of the companies that participated in salary surveys using our Peer Group Companies prepared by Radford for named executive officers in the United States and Tali Atzmon for named executive officers in Israel. Generally, the base salary established for an individual named executive officer reflects many inputs, including our CEO's assessment of the named executive officer's performance, the level of responsibility of the named executive officer, and competitive pay levels based on salaries paid to employees with similar roles and responsibilities at our Peer Group Companies.

Our CEO's base salary is the highest base salary at the company because he has the central management role, which is consistent with our review of CEO salaries in the salary surveys referenced above. Our Chief Financial Officer's base salary is higher than that of other named executive officers because of the importance of retaining consistency and quality financial expertise as a public company, which is also consistent with our review of chief financial officer salaries in the salary surveys referenced above. The base salaries of other named executive officers are determined based on their overall duties and responsibilities within the company, their experience and qualifications and the base salaries paid by the companies participating in the salary surveys for similar roles.

In late 2009, our CEO completed his focal review of each of our named executive officers and recommended base salary increases for each for 2010 to our compensation committee. Our compensation committee determined that the increases in base salary were appropriate in light of significant contributions to our company in 2009, including both revenue growth and positive earnings during the extraordinarily difficult economic climate of 2009. Our compensation committee then approved the base salaries for 2010 based on our CEO's recommendations for each of the named executive officers other than himself. Our compensation committee's determination was based largely on the average salaries in the 50th percentile in the United States and between the 50th and 75th percentiles in Israel, in each case, as compared to the companies that participate in the salary surveys referenced above for positions similar to the positions held by each of our named executive officers. Based on the salary surveys, our compensation committee provided an average salary increase of 8% for employees located in the United States and 12% for employees located in Israel. With input from our CEO (except with respect to himself), our compensation committee determined the base salary increase amount for each individual named executive officer's base salary following the process described above. Mr. Gray's base salary was increased 6.5% to \$245,000; Mr. Kagan's base salary was increased 6.4% to \$182,599; Mr. Sultzbaugh's base salary was increased 9.1% to \$240,000; and Mr. Cohen's base salary was increased 13.5% to \$198,193. The base salaries reported for Messrs. Kagan and Cohen are converted from New Israeli Shekels to U.S. dollars using the 2010 average exchange rate of 3.73 Shekels to 1 U.S. dollar.

Upon recommendation of our compensation committee, and following the approval of our audit committee and our board of directors, our shareholders approved increasing our Chief Executive Officer's base salary to \$375,000, an increase of 15% over our Chief Executive Officer's 2009 base salary. Our compensation committee, audit committee and board of directors determined the increase in base salary was appropriate in light of our Chief Executive Officers significant contributions to our

Table of Contents

company in 2009, including both revenue growth and positive earnings during the extraordinarily difficult economic climate of 2009.

Annual Discretionary Cash Bonus Program

We structure our annual discretionary cash bonus award program to reward named executive officers for our company's successful performance, measured on the basis of our operating income (determined on a GAAP basis), and for each individual's contribution to that performance. We initiated our annual discretionary cash bonus program in 2005 and since then, other than with respect to our CEO, annual cash bonuses have not constituted a significant portion of our named executive officers' total compensation because we primarily rely on equity awards to provide incentives to our named executive officers. With respect to 2010, our board of directors, following the recommendation of the audit committee, has recommended that our CEO be awarded a significant bonus (relative to his base salary) in light of his significant leadership contributions to our company in 2010 associated with the company's financial performance in 2010.

Under our annual discretionary cash bonus award program, our employees in good performance standing, including our named executive officers, are eligible to receive an award from a bonus pool in an amount that is determined annually. The annual bonus pool amount is determined by our compensation committee based on its assessment of our achievement of our operating plan and company profitability. For 2010, the aggregate discretionary cash bonus pool was set at 10% of our fiscal year 2010 operating income, as measured on a GAAP basis. Based on consultation with our CEO, the compensation committee determined and approved the amount of each named executive officer's bonus award from this pool. The amount of the bonus award to each named executive officer is not tied to individual performance objectives. No specific performance targets for our named executive officers were established in connection with the determination of the aggregate amount of the bonus pool for the year ended December 31, 2010, or the portion of the pool allocated to our named executive officers.

Our compensation committee then determined the allocation of the bonus pool based, in part, on information gathered from the 2008 Radford Executive Survey U.S. (no data was available from the Radford International Survey Israel) which indicated that the 25th percentile of our Peer Group provide target annual bonus opportunities in 2008 ranging from 30% to 45% of base salaries for the named executive officer positions. Consistent with our approach of placing a greater emphasis on equity compensation, our compensation committee awarded bonuses under the company's annual discretionary cash bonus compensation program in February 2011 for services performed in the year ended December 31, 2010 that ranged from 20% to 22% of each named executive officer's, other than our chief executive officer's, base salary paid during 2010. Specifically, Mr. Gray was awarded \$49,500, which represents 21% of his base salary; Mr. Kagan was awarded \$36,900, which represents 20% of his base salary; Mr. Sultzbaugh was awarded \$49,500, which represents 21% of his base salary; and Mr. Cohen was awarded \$43,200, which represents 22% of his base salary. Payments under the annual discretionary cash bonus program were contingent upon continued employment through the actual date of payment, which was January 31, 2011 in the United States and February 1, 2011 in Israel.

Also, subject to shareholder approval at our 2011 annual general meeting of shareholders, upon the recommendation of our Compensation Committee and the approval of our audit committee, on January 25, 2011, our Board of Directors approved a cash bonus to our CEO, Eyal Waldman, in the amount of \$157,500, which represents 43% of his base salary paid during 2010, for services performed in the year ended December 31, 2010 pursuant to the company's annual discretionary cash bonus compensation program. Because no annual bonus data was available from the 2008 Radford International Survey Israel, this amount was determined by our compensation committee, audit committee and board of directors largely based on data from the 2008 Radford Executive

Table of Contents

Survey U.S., which indicates that the 25th percentile of our Peer Group Companies provide a target bonus opportunity of 75% of base salary for chief executive officers.

Policies with Respect to Equity Compensation Awards

As described above, stock options and restricted stock units are the only types of equity award we currently grant to our named executive officers from our equity incentive plan. Restricted stock units may have some value regardless of whether our share price increases or decreases from the date we make any such awards.

We grant stock options and restricted stock units to our named executive officers in order to align their interests with the interests of our shareholders by tying the value delivered to our named executive officers to the value of our ordinary shares. We also believe that stock option and restricted stock unit grants to our named executive officers provide them with long-term incentives that will aid in retaining executive talent by providing opportunities to be compensated through the company's performance and rewarding executives for creating shareholder value over the long-term. Our compensation committee believes that granting stock options, restricted stock units and/or other equity awards on an annual basis to existing named executive officers and employees provides an important incentive to retain executives and employees and rewards them for short-term company performance while also creating long-term incentives to sustain that performance. We may also make grants of stock options and restricted stock units at the discretion of our board of directors and the compensation committee in connection with the hiring or promotion of new named executive officers.

We grant stock options with exercise prices equal to the closing price of our ordinary shares on the date of the grant; therefore, the options only have value if our share price increases. Stock option grants to newly hired employees, including our named executive officers, generally vest over four years, with 25% of the shares subject to the grant vesting on the one-year anniversary of employment, and $\frac{1}{48}$ th of the shares vesting during each subsequent month of employment. Annual stock option grants made to existing employees, including named executive officers, generally vest over four years, with 25% of the shares subject to the grant vesting on the one-year anniversary of the grant date, and $\frac{1}{48}$ th of the shares vesting during each subsequent month of employment.

Annual awards of restricted stock units made to existing employees in January 2010, including named executive officers, vest over four years at the rate of $\frac{13}{48}$ th of the shares on February 1, 2011, and thereafter at the rate of $\frac{3}{48}$ th of the original number of shares on the first day of each quarterly period of May, August, November and February commencing May 1, 2011, with the last $\frac{2}{48}$ th of the original number of shares vesting on January 1, 2014, so long as the restricted stock unit holder remains an officer or employee of the company. We set these vesting schedules in order to provide an incentive to our employees, including our named executive officers, to continue their employment with us over the long term and, with respect to the restricted stock units, generally to provide them the opportunity to sell their vested shares during a period following the public release of our prior quarter's fiscal operating results.

Generally, we determine the size of each equity award to a named executive officer after reviewing long-term incentive compensation data from the compensation surveys and after considering the role of each named executive officer within our company, the criticality of their function within the organization and the named executive officer's current equity position from previous equity awards. Since long-term incentive compensation levels fluctuate from year to year (depending on each company's granting patterns, valuation assumptions, and stock price) and given the relatively low trading price of our ordinary shares, we generally review surveys using long-term incentive information from our Peer Group Companies under both a value approach, which is based on the fair value of long-term incentive awards, and a percentage of common shares outstanding approach, which compares the number of shares subject to each long-term incentive award to the number of shares outstanding for each company.

Table of Contents

In January 2010, our board of directors granted each of our named executive officers restricted stock units as follows: Mr. Waldman, 45,000; Mr. Gray, 12,000; Mr. Sultzbaugh, 12,000; Mr. Kagan, 11,000 and Mr. Cohen, 12,000. These restricted stock units vest in accordance with the schedule described above in this section "Policies with Respect to Equity Compensation Awards." The initial determinations with respect to the number of restricted stock units granted to each named executive officer and the vesting terms were made by our compensation committee in consultation with our CEO (except for his own grant). Our compensation committee and CEO reviewed the 2008 Radford Executive Surveys U.S. and the 2008 Radford International Survey Israel in the process of determining the size of restricted stock unit grants but did not target a particular percentile or engage in any benchmarking. Our compensation committee and our CEO (except with respect to his own grant) recommended the number of restricted stock units and the vesting terms to our board of directors.

The company does not have any equity ownership guidelines that require any of our directors or executive officers to hold a stated number or fixed percentage of our ordinary shares.

Change of Control Severance Arrangements

In November 2006, we entered into executive severance benefits agreements with each of our named executive officers, some of which were amended in 2008 to ensure compliance with, or exemption from, Section 409A of the U.S. Internal Revenue Code.

Each of the executive severance benefit agreements to which we are a party provide that if the executive's employment with our company is terminated without cause or if the executive is constructively terminated (as these terms are defined in the agreements), in each case during the 12-month period following a change of control (as defined in the agreements) of our company, then the executive is entitled to receive the following payments and benefits:

Continuation of the named executive officer's salary for six months at a per annum rate of 120% of the executive's annual base salary in effect on the termination date.

In the case of a named executive officer who resides in the United States, if the named executive officer elects COBRA coverage under our group health plan, payment for the cost to continue COBRA coverage for the named executive officer and his eligible dependents for up to 12 months following the termination date.

Accelerated vesting and immediate exercisability of the named executive officer's outstanding and unvested stock awards as to 50% of the total number of unvested shares subject to such outstanding and unvested stock option awards.

We determined the amount of these payments and benefits prior to our initial public offering by reference to the general practices of public companies in our industry at that time.

The benefits payable under the severance agreements are in addition to payments or other benefits, if any, that any named executive officer who resides in Israel may be entitled to receive under applicable Israeli law. Israeli law generally requires severance pay equal to one month's salary for each year of employment upon the retirement, death or termination without cause (as defined in the Israeli Severance Pay Law) of an employee. To satisfy this requirement, we make contributions on behalf of most of our Israeli-based employees to a fund known as Managers' Insurance. This fund provides a combination of pension plan, insurance and severance pay benefits to the employee, giving the employee or his or her estate payments upon retirement or death and securing the severance pay, if legally entitled, upon termination of employment. Each full-time Israeli employee, including each of our Israeli-based named executive officers, is entitled to participate in the plan, and each employee who participates contributes an amount equal to 5% of his or her salary to the pension plan and we contribute between 13.33% and 15.83% of his or her salary (consisting of 5% to the pension plan, 8.33% for severance payments and up to 2.5% for disability insurance). In addition to the above, each

Table of Contents

full-time Israeli employee, including each of our Israeli-based named executive officers, is entitled to participate in an education fund plan, and each employee who participates contributes an amount equal to 2.5% of his or her salary to the education fund and we contribute 7.5% of his or her salary. The Company's contributions to the education fund are made up to the maximum amount recognized for tax purposes (approximately 15,800 NIS) and any amounts beyond the maximum amount recognized for tax purposes is paid to the employee directly through his or her salary.

Within the context of our compensation philosophy, the compensation committee believes the terms of our executive severance agreements with our named executive officers will encourage their continued attention and dedication to their assigned duties through and following any change of control of our company. We believe that the terms of these agreements will further ensure that each of our named executive officers will continue to remain focused on the long-term objective of delivering shareholder value during and following a change of control event if they are assured that their long-term employment interests are reasonably provided for with a competitive market severance arrangement. We believe that these executive severance agreements thus help ensure the best interests of our shareholders.

The potential payments under the executive severance benefits agreements as of December 31, 2010 are set forth below under the heading "Potential Payments Following a Change in Control."

Perquisites

Historically, from time to time, our compensation committee and board of directors have provided certain of our named executive officers with perquisites that we believe are reasonable. We do not view perquisites as a significant element of our comprehensive compensation structure, but do believe they can be useful in attracting, motivating and retaining the below named executive officers. We believe that these additional benefits may assist our executive officers in performing their duties and provide time efficiencies for our executive officers in appropriate circumstances, particularly when we require frequent or lengthy travel, and we may consider providing additional perquisites in the future. In 2010, our named executive officers received the perquisites set forth in the table below, which our compensation committee determined were appropriate in order to facilitate the efforts of Mr. Waldman and Mr. Sultzbaugh on behalf of our company while at our California headquarters and the efforts of Mr. Gray on behalf of our company while conducting business from his home in Oregon.

Name	Perquisite
Eyal Waldman	Housing and housing-related expense reimbursement
	Tax reimbursement related to perquisites provided
Michael Gray	Select travel reimbursement
	Housing-related expense reimbursement
	Tax reimbursement related to perquisites provided
Marc Sultzbaugh	Housing and housing-related expense reimbursement
	Car expense reimbursement
	Tax reimbursement related to perquisites provided
	Select travel reimbursement

The table above does not include automobile-related expense reimbursement, insurance reimbursement, retirement fund contributions, severance fund contributions and education fund contributions, all of which are provided to all of our employees, including our named executive officers, who are based in Israel.

In the future, we may provide additional perquisites to our named executive officers as an element of their overall compensation structure. We do not expect these perquisites to be a significant element

Table of Contents

of our compensation structure. All future practices regarding perquisites will be approved and subject to periodic review by our compensation committee and/or board of directors.

Tax Considerations

Section 162(m) of the U.S. Internal Revenue Code, establishes a limitation on the deductibility of compensation payable in any particular tax year to our named executive officers. Section 162(m) generally provides that publicly-held companies cannot deduct compensation paid to certain named executive officers to the extent that such compensation exceeds \$1 million per officer. Compensation that is "performance-based" compensation within the meaning of the U.S. Internal Revenue Code does not count toward the \$1 million limit. While the compensation committee may consider Section 162(m) in making its compensation decisions, historically, the deductibility of compensation under Section 162(m) has not been a factor in the compensation committee's determination process. The compensation committee will monitor the level of compensation paid to the company's named executive officers and may act in response to the provisions of Section 162(m).

CORPORATE GOVERNANCE AND BOARD OF DIRECTORS MATTERS

Director Independence

The board of directors consists of seven directors. Our board of directors has determined that each of our current directors other than Eyal Waldman, our president, chief executive officer and chairman of the board, are independent under the director independence standards of The NASDAQ Stock Market.

The Companies Law provides that our board of directors is required to determine how many of our members of the board of directors should be required to have financial and accounting expertise, in addition to an outside director with financial and accounting expertise. Our board of directors has determined that at least one member of our board of directors (excluding outside directors) should be required to have financial and accounting expertise. Each member of the audit committee of our board of directors has financial and accounting expertise as defined under Israeli law.

Board Leadership Structure

Mr. Waldman is a co-founder of the company and has served as our chief executive officer, president and chairman of the board of directors since March 1999. The board of directors has determined that this is the most effective leadership structure for the company at the present time, taking into consideration the efficiencies associated with the company's co-founder and chief executive officer serving as chairman of the board and the active role of the remaining directors, each of whom is independent. As the chief executive officer, Mr. Waldman's has detailed knowledge of the risks, opportunities and challenges facing the company and is, therefore, the most appropriate person to identify strategic priorities and to develop an agenda that ensures that the board of director's time and attention are focused on critical matters. The combined role also facilitates the flow of information between management and the board of directors and ensures clear accountability for the execution of the company's strategy.

The board of directors acts independently of management. In March 2010, the board of directors designated Irwin Federman as lead independent director, which we believe further contributes to the board's independence. The board of directors regularly holds independent director sessions of the board without members of management present. In addition, each of the committees of the board of directors comprises only independent directors.

Risk Oversight

The board of directors oversees the company's risk exposures and risk management of various parts of the business, including appropriate guidelines and policies to minimize business risks and major financial risks and the steps management has undertaken to control them. In its risk oversight role, the board of directors reviews annually the company's strategic plan, which includes an assessment of potential risks facing the company. While the board of directors has the ultimate oversight responsibility for the risk management process, various committees of the board also have responsibility for risk management. In particular, the audit committee focuses on financial risk, including internal controls, as described below under the section titled "Audit Committee." In addition, in setting compensation, the compensation committee strives to create incentives that do not encourage risk-taking behavior that is inconsistent with the company's business strategy. Each committee regularly reports to the full board of directors.

Table of Contents**Committees of the Board of Directors**

Our board of directors has three standing committees: the audit committee, the compensation committee and the nominating and corporate governance committee. From time to time, the board of directors may also create various ad hoc committees for special purposes. The membership of each of the three standing committees of the board of directors as of December 31, 2010 is set forth below:

Name of Director	Audit Committee	Compensation Committee	Nominating and Corporate Governance Committee
Glenda Dorchak		Member	Member
Irwin Federman	Member	Member	
Thomas Riordan	Member	Chairman	
Amal M. Johnson	Member	Member	Chairman
Thomas Weatherford	Chairman		Member

Messrs. Baharav and Waldman are not members of any committee of our board of directors.

Audit Committee

Our board of directors must appoint an audit committee comprised of at least three directors including all of the outside directors, but excluding the chairman of our board of directors, any general manager, our chief executive officer, any controlling shareholder, any relative of the foregoing persons and any director employed by the company or who provides services to the company on a regular basis.

Our audit committee oversees our corporate accounting and financial reporting process. Among other matters, our audit committee evaluates the independent auditors' qualifications, independence and performance, determines the engagement of the independent auditors, reviews and approves the scope of the annual audit and the audit fee, discusses with management and the independent auditors the results of the annual audit and the review of our quarterly financial statements, approves the retention of the independent auditors to perform any proposed permissible non-audit services, monitors the rotation of partners of the independent auditors on the Mellanox engagement team as required by law, reviews our critical accounting policies and estimates, oversees our internal audit function, reviews, approves and monitors our code of ethics and "whistleblower" procedures for the treatment of reports of concerns regarding questionable accounting or auditing matters and annually reviews the audit committee charter and the committee's performance.

Under the Companies Law, our audit committee must approve specified actions and transactions with office holders and controlling shareholders. A "controlling shareholder" is a shareholder who has the ability to direct the company's activity, excluding an ability deriving merely from holding an office of director or another office in the company, and a person shall be presumed to control the company if he holds 50% or more of (i) our voting rights or (ii) the rights to appoint our directors or general managers. For the purpose of "transactions with an interested party," the definition also includes a shareholder that owns 25% or more of the voting rights in the general meeting of the company, if there is no other person who holds more than 50% of the voting rights in the company. Two or more persons holding voting rights in the company each of which has a personal interest in the approval of the transaction being brought for approval of the company shall be considered to be joint holders.

Our audit committee may not approve any action or a transaction with a controlling shareholder or with an office holder, as required under Chapter Five of the Companies Law, unless, at the time of approval, our two outside directors are serving as members of the audit committee and at least one of them is present at the meeting at which the approval is granted.

Table of Contents

Additionally, under the Companies Law, the role of the audit committee is, inter alia, to identify any irregularities in the business management of the company in consultation with the company's independent accountants and internal auditor and to suggest an appropriate course of action. Our audit committee charter allows the committee to rely on interviews and consultations with our management, our internal auditor and our independent public accountant, and does not obligate the committee to conduct any independent investigation or verification. We initially designated an internal auditor during the fiscal year ended December 31, 2008.

All members of our audit committee meet the requirements for financial literacy under the applicable rules and regulations of the SEC and The NASDAQ Stock Market. Our board has determined that Mr. Weatherford is an audit committee financial expert as defined by the SEC rules and has the requisite financial sophistication as defined by The NASDAQ Stock Market rules and regulations. Our board has determined that Ms. Johnson, as an outside director, has the requisite financial and accounting expertise required under the Companies Law. Our board has also determined that each of the members of our audit committee is independent within the meaning of the independent director standards of The NASDAQ Stock Market and the SEC. Our board of directors has adopted a written charter for the audit committee. A copy of the charter is available on our website at www.mellanox.com under "Investor Relations Corporate Governance."

Compensation Committee

Our compensation committee reviews and recommends our programs, policies and practices relating to compensation and benefits of our officers and employees. The compensation committee, in consultation with our chief executive officer and our board of directors, decides how much cash compensation should be part of each officer's total compensation by comparing the officer's compensation against a peer group of companies listed in the survey data we utilize and considering the relative importance of short-term incentives. In addition, the compensation committee, in consultation with our chief executive officer, makes recommendations to our board of directors regarding equity-based compensation to align the interests of our management with shareholders, considering each officer's equity holdings. The compensation committee also manages the issuance of share options and other awards under our equity incentive plans. The compensation committee will review and evaluate, at least annually, the goals and objectives of our incentive compensation plans and monitors the results against the approved goals and objectives. All members of our compensation committee are independent under the applicable rules and regulations of the SEC, The NASDAQ Stock Market and the U.S. Internal Revenue Code. Our board of directors has adopted a written charter for the compensation committee. A copy of the charter is available on our website at www.mellanox.com under "Investor Relations Corporate Governance."

Nominating and Corporate Governance Committee

Our nominating and corporate governance committee is responsible for making recommendations to the board of directors regarding candidates for directorships and the composition and organization of our board. In addition, the nominating and corporate governance committee is responsible for overseeing our corporate governance guidelines and reporting and making recommendations to the board concerning governance matters. We believe that the composition of our nominating and corporate governance committee meets the criteria for independence under, and the functioning of our nominating and corporate governance committee complies with, the applicable rules and regulations of the SEC and The NASDAQ Stock Market. Our board of directors has adopted a written charter for the nominating and corporate governance committee. A copy of the charter, as amended to date, is available on our website at www.mellanox.com under "Investor Relations Corporate Governance."

Table of Contents

Meetings Attended by Directors

The board of directors held a total of fifteen meetings during 2010. The audit committee, compensation committee and nominating and corporate governance committee held eight, eight and five meetings, respectively, during 2010. During 2010, each of our directors attended or participated in at least 75% of the aggregate of the total number of meetings of the board of directors and the total number of meetings held by the committee(s) of the board of directors on which he or she served, except that Dov Baharav, who joined the board of directors on November 22, 2010, attended three meetings of the board of directors.

Our directors are encouraged to attend our annual general meeting of shareholders although we do not maintain a formal policy regarding director attendance at the annual general meeting of shareholders. In 2010, Mr. Waldman was the sole member of our board who attended the annual general meeting of shareholders.

Consideration of Director Nominees

Shareholder Nominations and Recommendations. Our articles of association set forth the procedure for the proper submission of shareholder nominations for membership on the board of directors as previously discussed. In addition, the nominating and corporate governance committee may consider properly submitted shareholder recommendations for candidates for membership on the board of directors. A shareholder may make such a recommendation by submitting the following information to the secretary of the company at the offices of Mellanox Technologies, Inc., 350 Oakmead Parkway, Suite 100, Sunnyvale, California 94085: the name and address of both the shareholder who intends to make the nomination and of the person or persons to be nominated; a representation that the recommending shareholder is a holder of record of our ordinary shares and is entitled to vote at the meeting, and intends to appear in person or by proxy at the meeting to nominate the candidate; if applicable, a description of all arrangements or understandings between the shareholder and each nominee pursuant to which nominations are to be made by the shareholder; the consent of each nominee to serve as a director if so elected; and a declaration signed by each nominee declaring that there is no limitation under the Companies Law for the appointment of such nominee. Shareholders are also advised to review our amended and restated articles of association, which contain additional requirements with respect to shareholder nominees for our board of directors. The chairman of the board of directors may refuse to acknowledge the nomination of any person not made in compliance with these procedures.

Director Qualifications. Members of the board of directors should have the highest professional and personal ethics and values, and conduct themselves in a manner that is consistent with our Code of Business Conduct and Ethics. While the nominating and corporate governance committee has not established specific minimum qualifications for director candidates, the committee believes that candidates and nominees must reflect a board of directors that comprises directors who have: personal and professional integrity, ethics and values; experience in corporate management, such as serving as an officer or former officer of a publicly held company, and a general understanding of marketing, finance and other elements relevant to the success of a publicly-traded company in today's business environment; experience in the company's industry and with relevant social policy concerns; experience as a board member of another publicly held company; academic expertise in an area of the company's operations; and practical and mature business judgment, including ability to make independent analytical inquiries.

Table of Contents

Identifying and Evaluating Director Nominees. Although candidates for nomination to the board of directors typically are suggested by existing directors or by our executive officers, candidates may come to the attention of the board of directors through professional search firms, shareholders or other persons. The nominating and corporate governance committee reviews the qualifications of any candidates who have been properly brought to the committee's attention. Such review may, at the committee's discretion, include a review solely of information provided to the committee or may also include discussions with persons familiar with the candidate, an interview with the candidate or other actions that the committee deems proper. The nominating and corporate governance committee considers the suitability of each candidate, including the current members of the board of directors, in light of the current size and composition of the board of directors. In evaluating the qualifications of the candidates, the committee considers many factors, including issues of character, judgment, independence, age, expertise, diversity of experience, length of service, other commitments and other similar factors. The committee evaluates such factors, among others, and does not assign any particular weighting or priority to any of these factors. Candidates properly recommended by shareholders are evaluated by the committee using the same criteria as other candidates. In addition, under the Companies Law, if at the time for the appointment of outside directors all members of the board of directors are of the same gender, then at least one of the outside directors to be appointed must be of the other gender.

Code of Business Conduct and Ethics

We are committed to maintaining the highest standards of business conduct and ethics. Our Code of Business Conduct and Ethics reflects our values and the business practices and principles of behavior that support this commitment. The code applies to all of our officers, directors and employees and satisfies SEC rules for a "code of ethics" required by Section 406 of the Sarbanes-Oxley Act of 2002, as well as the NASDAQ listing standards requirement for a "code of conduct." The code is available on our website at www.mellanox.com under "Investor Relations Corporate Governance." We will post any amendment to the code, as well as any waivers that are required to be disclosed by the rules of the SEC or The NASDAQ Stock Market, on our website.

Risk Assessment and Compensation Practices

Our management assessed and discussed with our compensation committee and board of directors the company's compensation policies and practices for our employees as they relate to our risk management and, based upon this assessment, we believe that any risks arising from such policies and practices are not reasonably likely to have a material adverse effect on the company in the future.

Our employees' base salaries are fixed in amount and thus we do not believe that they encourage excessive risk-taking. While performance-based cash bonuses and sales commissions focus on achievement of short-term or annual goals, which may encourage the taking of short-term risks at the expense of long-term results, we believe that our internal controls help mitigate this risk and our performance-based cash bonuses and sales commissions are limited, representing a small portion of the total compensation opportunities available to most employees. We also believe that our performance-based cash bonuses and sales commissions appropriately balance risk and the desire to focus our employees on specific short-term goals important to our success, and do not encourage unnecessary or excessive risk-taking.

A significant proportion of the compensation provided to our employees is in the form of long-term equity-based incentives that are important to help further align our employees' interests with those of our shareholders. We do not believe that these equity-based incentives encourage unnecessary or excessive risk taking because their ultimate value is tied to our share price. In addition, we generally stagger grants of equity-based awards and subject them to long-term vesting schedules to help ensure that employees have significant value tied to the long-term performance of our ordinary shares.

Director Compensation

In October 2006, our board of directors adopted a compensation program for non-employee directors which became effective on February 6, 2007 and was amended at our 2008 annual general meeting of shareholders with respect to the annual retainer amount paid to Mr. Weatherford for his service as chairperson of our audit committee. Effective January 1, 2011, except with respect to outside directors under the Companies Law, for whom the following compensation program was effective from the date of their reappointment as outside directors at our 2010 annual general meeting of shareholders, our board of directors and our audit committee adopted the following revised cash compensation program for non-employee directors. This revised compensation program was approved by shareholders at our 2010 annual general meeting of shareholders. Pursuant to this program, each member of our board of directors who is not our employee will receive the following cash compensation for board services, as applicable:

\$35,000 per year for service as a board member;

\$25,000 per year for service as chairperson of the audit committee and \$7,000 per year each for service as chairperson of the compensation and of the nominating and corporate governance committees;

In addition to cash compensation, each of our non-employee directors receive initial and annual, automatic, non-discretionary grants pursuant to our Non-Employee Director Option Grant Policy, which was established under our Global Share Incentive Plan (2006), of nonqualified share options, in the case of non-employee directors who are U.S. taxpayers, and options that qualify in accordance with Section 102 of the Israeli Tax Ordinance, 1961, in the case of non-employee directors who are Israeli taxpayers. On January 26, 2010, the board of directors amended the Non-Employee Director Grant Policy, effective as of the date of the 2010 annual general meeting of shareholders. The amendment of the Non-Employee Director Grant Policy was approved by shareholders at the 2010 annual general meeting Pursuant to the Non-Employee Director Grant Policy, each new non-employee director will receive an option to purchase 50,000 ordinary shares as of the date he or she first becomes a non-employee director, which will begin vesting immediately in equal monthly increments over the thirty-six months following such appointment and will be 100% vested on the thirty-six month anniversary of such appointment provided the director continues to serve as a non-employee director. In addition, following the date of each annual general meeting, each individual who continues to serve as a non-employee director on such date will receive an award of 5,000 restricted stock units, which will begin vesting immediately in equal monthly increments over the twelve months following such meeting and will be 100% vested on the twelve-month anniversary of the grant date provided the director continues to serve as a non-employee director.

The exercise price of each equity award granted to a non-employee director will be equal to 100% of the fair market value on the date of grant of the shares covered by such award. Equity awards will have a maximum term of ten years measured from the grant date, subject to earlier termination in the event of the director's cessation of service to our company.

Under our Non-Employee Director Option Grant Policy, our directors will have a three-month period following cessation of service to our company in which to exercise any outstanding vested options, except in the case of a director's death or disability, in which case the options will be exercisable by the director or his or her estate or beneficiary for a 12-month period following the cessation of services. Options and restricted stock units granted to our non-employee directors pursuant to our Non-Employee Director Option Grant Policy will fully vest and become immediately exercisable upon a change in control of our company.

The compensation of our outside directors, Ms. Johnson and Mr. Riordan, is subject to restrictions imposed by Israeli law, and cannot be greater than the average compensation paid to all other non-executive directors nor less than the lowest compensation paid to any other non-executive director at the time of determination of the outside directors' compensation.

A vote cast in accordance with an instrument appointing a proxy shall be valid notwithstanding the revocation or purported cancellation of the appointment, or the presence in person or vote of the appointing shareholder at a meeting for which it was rendered, unless such instrument of appointment was deemed revoked in accordance with the foregoing provisions of this Article 34(b) at or prior to the time such vote was cast.

Advances given to cover legal expenses in criminal proceedings will be repaid by you to the Company, if you are found guilty of a crime which requires proof of criminal intent. Other advances will be repaid by you to the Company if it is determined by an unappealable court judgment that you are not lawfully entitled to such indemnification. As part of the aforementioned undertaking, the Company will make available to you any security or guarantee that you may be required to post in accordance with an interim decision given by a court or an arbitrator or other competent authority, including for the purpose of substituting liens imposed on your assets.

4. The Company will indemnify you even if at the Time of Indebtedness you are no longer a director or office holder of the Company provided that the obligations with respect to which you will be indemnified hereunder are in respect of actions taken by you, either prior to or after the date hereof, while you were a director or office holder of the Company or in respect of actions taken by you while you were a director or office holder of any other Subsidiary as aforesaid, and in such capacity.

5. The indemnification will be limited to the expenses and payments mentioned in Sections 1.2, 1.3, 1.4 and 1.5 (pursuant and subject to Section 3 and insofar as indemnification with respect thereto is not restricted by law or by the provisions of Section 2 above) and to the expenses mentioned in Section 1.1 above insofar as they result from, or are connected to, events and circumstances set forth in *Schedule A* hereto, which are deemed by the Company's Board of Directors, based on the current activity of the Company, to be foreseeable as of the date hereof.

6. The total amount of indemnification under Section 1.1 that the Company undertakes towards all of the Company office holders whom the Company has resolved to indemnify, jointly and in the aggregate, shall not exceed, during the course of the Company's existence, 50% (fifty percent) of the Company's net assets, measured by the balance sheet of the Company last published prior to the time that notice is provided to the Company.

7. The Company will not indemnify you for any liability with respect to which you have received payment by virtue of an insurance policy or another indemnification agreement other than for amounts which are in excess of the amounts actually paid to you pursuant to any such insurance policy or other indemnity agreement (including deductible amounts not covered by insurance policies), within the limits set forth in Section 6 above.

8. Subject to the provisions of Sections 6 and 7 above, the indemnification hereunder will, in each case, cover all sums of money that you will be obligated to pay, in those circumstances for which indemnification is permitted under the law and under this Indemnification Undertaking.

9. The Company will be entitled to any amount collected from a third party in connection with liabilities indemnified hereunder.

10. In all indemnifiable circumstances, indemnification will be subject to the following:

10.1 You shall promptly notify the Company of any legal proceedings initiated against you and of all possible or threatened legal proceedings without delay following your first becoming aware thereof, however, your failure to notify the Company as aforesaid shall not derogate from your right to be indemnified as provided herein (except to the extent that such failure to notify causes the Company damages). You shall deliver to the Company, or to such person as it shall advise you, without delay all documents you receive in connection with these proceedings. Similarly, you must advise the Company on an ongoing and current basis concerning all events

Edgar Filing: Mellanox Technologies, Ltd. - Form DEF 14A

which you suspect may give rise to the initiation of legal proceedings against you in connection with your actions as a director or office holder of the Company or as a director or office holder or any other Subsidiary.

10.2 Other than with respect to proceedings that have been initiated against you by the Company or any Subsidiary or in their names, the Company shall be entitled to undertake the conduct of your defense in respect of such legal proceedings and/or to hand over the conduct thereof to any attorney which the Company may choose for that purpose, except to an attorney who is not, upon reasonable grounds, acceptable to you. The Company shall notify you of any such decision to defend with ten (10) calendar days of receipt of notice of any such proceeding. The Company and/or the attorney as aforesaid shall be entitled, within the context of the conduct as aforesaid, to conclude such proceedings, all as it shall see fit, including by way of settlement. At the request of the Company, you shall execute all documents required to enable the Company and/or its attorney as aforesaid to conduct your defense in your name, and to represent you in all matters connected therewith, in accordance with the aforesaid. For the avoidance of doubt, in the case of criminal proceedings the Company and/or the attorneys as aforesaid will not have the right to plead guilty in your name or to agree to a plea-bargain in your name without your consent. However, the aforesaid will not prevent the Company and/or its attorneys as aforesaid, with the approval of the Company, to come to a financial arrangement with a plaintiff in a civil proceeding without your consent so long as such arrangement will not be an admittance of an occurrence not indemnifiable pursuant to this Indemnification Undertaking and/or pursuant to law. The Company shall not, without your prior written consent, consent to the entry of any judgment against you or enter into any settlement or compromise which (i) includes an admission of your fault, (ii) does not include, as an unconditional term thereof, the full release of you from all liability in respect of such proceeding or (iii) is not fully indemnifiable pursuant to this Indemnification Undertaking and/or pursuant to law. This paragraph shall not apply to a proceeding brought by you under Section 10.7 below.

10.3 You will fully cooperate with the Company and/or any attorney as aforesaid in every reasonable way as may be required of you within the context of their conduct of such legal proceedings, including but not limited to the execution of power(s) of attorney and other documents, provided that the Company shall cover all costs incidental thereto such that you will not be required to pay the same or to finance the same yourself.

10.4 Notwithstanding the provisions of Sections 10.2 and 10.3 above, (i) if in a proceeding to which you are a party by reason of your status as a director or officer of the Company or any other Subsidiary and the named parties to any such proceeding include both you and the Company or any subsidiary of the Company, a conflict of interest or potential conflict of interest (including the availability to the Company and its subsidiary, on the one hand, and you, on the other hand, of different or inconsistent defenses or counterclaims) exists between you and the Company, or (ii) if the Company fails to assume the defense of such proceeding in a timely manner, you shall be entitled to be represented by separate legal counsel, which shall represent other persons similarly situated, of the Company's choice and reasonably acceptable to you and other person's choice, at the expense of the Company. In addition, if the Company fails to comply with any of its material obligations under this Indemnification Undertaking or in the event that the Company or any other person takes any action to declare this Indemnification Undertaking void or unenforceable, or institutes any action, suit or proceeding to deny or to recover from you the benefits intended to be provided to you hereunder, except with respect to such actions, suits or proceedings brought by the Company or any Subsidiary that are resolved in favor of the Company or any Subsidiary, you shall have the right to retain counsel of your choice, and reasonably acceptable to the Company and at the expense of the Company, to represent you in connection with any such matter.

Edgar Filing: Mellanox Technologies, Ltd. - Form DEF 14A

10.5 If, in accordance with Section 10.2 (but subject to Section 10.4), the Company has taken upon itself the conduct of your defense, the Company will have no liability or obligation pursuant to this Indemnification Undertaking or the above resolutions to indemnify you for any legal expenses, including any legal fees, that you may expend in connection with your defense, unless (i) the Company shall not have assumed the conduct of your defense as contemplated, (ii) the Company refers the conduct of your defense to an attorney who is not, upon reasonable grounds, acceptable to you, (iii) the named parties to any such action (including any impleaded parties) include both you and the Company or any Subsidiary, and joint representation is inappropriate under applicable standards of professional conduct due to a conflict of interest between you and the Company or any Subsidiary, or (iv) the Company shall agree to such expenses in either of which events all reasonable fees and expenses of your counsel shall be borne by the Company.

10.6 The Company will have no liability or obligation pursuant to this Indemnification Undertaking to indemnify you for any amount expended by you pursuant to any compromise or settlement agreement reached in any suit, demand or other proceeding as aforesaid without the Company's consent to such compromise or settlement.

10.7 If required by law, the Company's authorized organs will consider the request for indemnification and the amount thereof and will determine if you are entitled to indemnification and the amount thereof. In the event that you make a request for payment of an amount of indemnification hereunder or a request for an advancement of indemnification expenses hereunder and the Company fails to determine your right to indemnification hereunder or fails to make such payment or advancement, you may petition any court which has jurisdiction to enforce the Company's obligations hereunder. The Company agrees to reimburse you in full for any reasonable expenses incurred by you in connection with investigating, preparing for, litigating, defending or settling any action brought by you under the immediately preceding sentence, except where such action or any claim or counterclaim in connection therewith is resolved in favor of the Company.

11. The Company hereby exempts you, to the fullest extent permitted by law, from any liability for damages caused as a result of a breach of your duty of care to the Company or to any Subsidiary, provided that in no event shall you be exempt with respect to any actions listed in Section 2 above or breach of your duty of care in connection with a Distribution.

12. The Company undertakes that, subject to the mandatory limitations under applicable law, as long as it may be obligated to provide an Indemnification and advance expenses under this Agreement, the Company shall purchase and maintain in effect directors' and officers' liability insurance, which shall include coverage for the benefit of the Indemnitee, providing coverage in amounts as reasonably determined by the board of directors of the Company. The Company hereby undertakes to notify the Indemnitee 30 days prior to the expiration or termination of the directors' and officers' liability insurance.

13. The Company undertakes that in the event of a Change in Control (as defined below) of the Company, the Company's obligations under this Indemnification Undertaking shall continue to be in effect following such Change in Control, and the Company shall take all reasonable necessary action to ensure that the party acquiring control of the Company shall independently undertake to continue in effect such Indemnification Undertaking, to maintain the provisions of the Articles of Association allowing indemnification and to indemnify you in the event that the Company shall not have sufficient funds or otherwise shall not be able to fulfill its obligations hereunder. For purposes of this Indemnification Undertaking, a "Change in Control" shall be deemed to have occurred if: (i) any "Person" (as such term is used in Sections 13(d) and 14(d) of the U.S. Securities Exchange Act of 1934, as amended (the "Exchange Act")), other than a trustee or other fiduciary holding securities under an employee benefit plan of the Company or a corporation owned directly or indirectly by the

shareholders of the Company in substantially the same proportions as their ownership of shares of the Company, is or becomes the "Beneficial Owner" (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of the Company representing 15% or more of the total voting power represented by the Company's then outstanding voting securities; or (ii) during any period of two consecutive years (not including any period prior to the execution of this Indemnification Undertaking), individuals who at the beginning of such period constitute the Board of Directors of the Company and any new director (other than a director designated by a person who has entered into an agreement with the Company to effect a transaction described in clause (i), (iii) or (iv) of this Section 12) whose election by the Board of Directors or nomination for election by the Company's shareholders was approved by a vote of at least two-thirds of the directors then still in office who either were directors at the beginning of the period or whose election or nomination for election was previously so approved, cease for any reason to constitute at least a majority of the members of the Board of Directors; or (iii) a merger or consolidation of the Company with any other entity, other than a merger or consolidation which would result in the voting securities of the Company outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) more than 51% of the combined voting power of the voting securities of the surviving entity outstanding immediately after such merger or consolidation and with the power to elect at least a majority of the Board of Directors or other governing body of such surviving entity; or (iv) the shareholders of the Company approve a plan of complete liquidation of the Company or an agreement for the sale or disposition by the Company of all or substantially all the Company's assets; or (v) there occurs any other event of a nature that would be required to be reported in response to Item 6(e) of Schedule 14A of Regulation 14A (or a response to any similar item on any similar schedule or form) promulgated under the Exchange Act, whether or not the Company is then subject to such reporting requirement.

14. The Company undertakes that if there is a Change in Control of the Company then with respect to all matters thereafter arising concerning your rights to payments under this Indemnification Undertaking or any other agreement or under the Company's Articles of Association as now or hereafter in effect, the Company shall seek legal advice only from Independent Legal Counsel (as defined below) selected by the Company and approved by you (which approval shall not be unreasonably withheld). Such counsel, among other things, shall render its written opinion to the Company and you as to whether and to what extent you would be permitted to be indemnified under applicable law and the Company agrees to abide by such opinion. The Company agrees to pay the reasonable fees of the Independent Legal Counsel referred to above and to fully indemnify such counsel against any and all expenses (including attorneys' fees), claims, liabilities and damages arising out of or relating to this Indemnification Undertaking or its engagement pursuant hereto. For purposes of this Indemnification Undertaking, "Independent Legal Counsel" shall mean an attorney or firm of attorneys who shall not have otherwise performed services for the Company or you within the last three years (other than with respect to matters concerning your rights under this Indemnification Undertaking, or of other indemnitees under similar indemnification undertakings).

15. If for the validation of any of the undertakings in this Indemnification Undertaking any act, resolution, approval or other procedure is required, the Company undertakes to cause them to be done or adopted in a manner which will enable the Company to fulfill all its undertakings as aforesaid.

16. For the avoidance of doubt, it is hereby clarified that nothing contained in this Indemnification Undertaking derogates from the Company's right to indemnify you post factum for any amounts which you may be obligated to pay as set forth in Section 1 above without the limitations set forth in Sections 5 and 6 above.

17. If any undertaking included in this Indemnification Undertaking is held invalid or unenforceable, such invalidity or unenforceability will not affect any of the other undertakings which will remain in full force and effect. Furthermore, if such invalid or unenforceable undertaking may be

modified or amended so as to be valid and enforceable as a matter of law, such undertaking will be deemed to have been modified or amended, and any competent court or arbitrator are hereby authorized to modify or amend such undertaking, so as to be valid and enforceable to the maximum extent permitted by law.

18. This Indemnification Undertaking and the agreements herein shall be governed by and construed and enforced in accordance with the laws of the State of Israel.

19. This Indemnification Undertaking cancels any preceding letter of indemnification or arrangement for indemnification that may have been issued to you by the Company.

20. Neither the settlement or termination of any proceeding nor the failure of the Company to award indemnification or to determine that indemnification is payable shall create an adverse presumption that you are not entitled to indemnification hereunder. In addition, the termination of any proceeding by judgment or order (unless such judgment or order provides so specifically) or settlement, shall not create a presumption that you did not act in good faith and in a manner which you reasonably believed to be in or not opposed to the best interests of the Company or, with respect to any criminal action or proceeding, had reasonable cause to believe that your action was unlawful.

21. This Indemnification Undertaking shall be (a) binding upon all successors and assigns of the Company (including any transferee of all or a substantial portion of the business, stock and/or assets of the Company and any direct or indirect successor by merger or consolidation or otherwise by operation of law), and (b) binding on and shall inure to the benefit of your heirs, personal representatives, executors and administrators. This Indemnification Undertaking shall continue for your benefit and your heirs', personal representatives', executors' and administrators' benefit after you cease to be a director or office holder of the Company.

22. Except with respect to changes in the governing law which expand your right to be indemnified by the Company, no supplement, modification or amendment of this Indemnification Undertaking shall be binding unless executed in writing by each of the parties hereto. No waiver of any of the provisions of this Indemnification Undertaking shall be deemed or shall constitute a waiver of any other provisions of this Indemnification Undertaking (whether or not similar), nor shall such waiver constitute a continuing waiver.
