Item 5.02. Entry into a Material Definitive Agreement; Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements for Certain Officers

This Form 8-K is being filed to provide information with respect to the Telephone and Data Systems, Inc. (“TDS”) 2013 Officer Bonus Program (the “Plan”), pursuant to paragraph (e) of Item 5.02 of Form 8-K:

On March 6, 2013 the TDS Compensation Committee approved the Plan. This replaces the Amended and Restated Guidelines and Procedures for TDS Officer Bonuses previously filed as Exhibit 10.3 to TDS’ Current Report on Form 8-K dated November 18, 2009. The Plan covers all TDS officers other than the President and CEO of TDS and the Chairman Emeritus of TDS. The Plan provides that, in general, 60% of the bonus will be based on quantitative company performance and 40% will be based on individual performance. In addition, company performance will be based on consolidated results of TDS. The TDS consolidated company performance will be based on the following three metrics with the following weights: consolidated service revenues (operating revenues excluding equipment revenue) (40%); consolidated operating cash flow, also commonly known as “EBITDA” (35%); and consolidated capital expenditures (25%).

Notwithstanding any provision of this bonus program to the contrary, a participating officer does not have a legally binding right to a bonus unless and until the bonus amount, if any, is paid and no bonus shall be paid unless the officer remains employed through the actual bonus payout date unless otherwise approved at the discretion of the Compensation Committee or President and CEO of TDS, as applicable.

The foregoing description is qualified by reference to the Plan which is attached hereto as Exhibit 10.1 and incorporated by reference herein.
