Item 1.01 Entry into a Material Definitive Agreement.

Long-Term Equity Incentive Plan

On April 25, 2006, at the 2006 Annual Meeting of Shareholders (the "2006 Annual Meeting"), shareholders of CH Energy Group, Inc. ("Energy Group") approved the adoption of Energy Group's Long-Term Equity Incentive Plan (the "2006 Plan"). The 2006 Plan replaces Energy Group's Long-Term Performance-Based Incentive Plan, as amended, which terminated on April 25, 2006, although outstanding awards granted under that plan will continue in accordance with their terms (see Item 1.02 below). The 2006 Plan is an updated equity compensation plan that is designed to reflect recent changes to the rules of the New York Stock Exchange, changes in the tax laws applicable to certain deferred compensation arrangements, changes in financial accounting rules that govern equity compensation, and other developments in executive compensation practices.

Under the 2006 Plan, Energy Group may grant awards of incentive stock options, nonqualified stock options, stock appreciation rights, restricted shares, restricted stock units, performance shares, performance units, and other

share-based awards to officers and other key employees of Energy Group and its subsidiaries. In addition, the 2006 Plan permits awards of nonqualified stock options, stock appreciation rights, restricted shares, restricted stock units and other share-based awards to non-employee Directors. The 2006 Plan is designed so that Energy Group has the ability to grant equity awards that qualify as performance-based compensation under Section 162(m) of the tax code.

The maximum number of shares of Energy Group's Common Stock that may be issued or transferred with respect to awards under the 2006 Plan is 300,000 (which is less than 2% of Energy Group's shares currently outstanding), which may include authorized but unissued shares, treasury shares, or a combination thereof. Energy Group intends to register the common stock covered by the 2006 Plan on a Registration Statement on Form S-8.

The Compensation Committee, on February 10, 2006, granted Performance Shares to the executive officers listed below, covering the number of shares of Common Stock indicated, all of which were subject to shareholder approval of the 2006 Plan:

Name and Position	Dollar Value (\$)*	Number of Shares	Perf
----- STEVEN V. LANT, Chairman, President and Chief Executive Officer of Energy Group, Chairman and Chief Executive Officer of Central Hudson, Chairman, President and Chief Executive Officer of CHEC	-----	--	
----- CARL E. MEYER, Executive Vice President of Energy Group and President and Chief Operating Officer of Central Hudson	-----	--

----- Executive Group	-----	--	
----- Non-Executive Director Group	-----	--	
----- Non-Executive Officer Employee Group	-----	--	

\*The dollar values of these performance share awards are not determinable at this time. The number of shares of Common Stock earned and paid will range, according to the extent to which certain performance goals are

achieved, from 0% to 150% of the performance shares granted.

Payment of the performance shares is based on the extent to which Energy Group achieves two equally weighted performance goals during a three-year performance cycle starting January 1, 2006, and ending December 31, 2008. The first performance goal is based on Energy Group's percentage growth in earnings per share during the performance cycle as compared to the percentage growth in earnings per share of the companies in the EEI Index during the same period. The second performance goal is based on the average of Energy Group's annual dividend yield on book value during the performance cycle as compared to the average of the annual dividend yield on book value of the companies in the EEI Index during the same period. The number of shares earned and paid will range, according to the level of performance achieved, from 0% to 150% of the performance shares granted. An executive's right to receive the performance shares will be forfeited if he or she terminates employment with Energy Group and its affiliates for any reason (other than his or her retirement) during the performance cycle or before the performance goals are satisfied. If, however, an executive retires during the performance cycle, he or she is entitled to receive a pro-rated amount of performance shares based on his or her length of employment during the performance cycle and on Energy Group's performance from the beginning of the performance cycle through the end of the calendar quarter last completed prior to the executive's retirement.

A form of Performance Share Award Agreement under the 2006 Plan is attached as an exhibit to this Current Report.

The foregoing description of the 2006 Plan is qualified in its entirety by references to the full text of the Plan, which was filed as an exhibit to Energy Group's 2006 proxy statement (Commission file no. 333-52797) and is incorporated herein by reference.

### Item 1.02 Termination of a Material Definitive Agreement

Upon shareholder approval of the Long-Term Equity Incentive Plan at the 2006 Annual Meeting (see Item 1.01 above), Energy Group's Long-Term Performance-Based Incentive Plan, as amended (the "2000 Plan") terminated and no new awards will be granted under such plan, although outstanding awards granted under the 2000 Plan will continue in accordance with their terms and the provisions of the 2000 Plan.

### Item 5.02 Departure of Directors

Heinz Fridrich, who served as Lead Independent Director of the Energy Group Board of Directors, did not stand for election at the 2006 Annual Meeting, as he reached the age at which Energy Group's By-laws provide that he may not stand for re-election.

### Item 8.01 Other Events.
