**News Release**                      **NYSE-AMEX, TSX Symbol: NG**  
**NovaGold Responds to Copper Canyon Press Release**

**February 25, 2011 - Vancouver, British Columbia - NovaGold Resources Inc.** (NYSE-AMEX: NG, TSX: NG) is issuing this press release in response to the press release of Copper Canyon Resources Ltd. ( Copper Canyon ) issued on February 24, 2011. As previously announced, NovaGold has extended to March 8, 2011 its offer for all of the outstanding shares of Copper Canyon. NovaGold's offer, which is on the basis of 0.0425 of a NovaGold common share for each Copper Canyon common share, represents a premium of approximately 41.8%, based on the closing prices of NovaGold's and Copper Canyon's shares on the TSX and TSX-V on December 17, 2010, the last trading day prior to NovaGold's announcement of its intention to make an offer for Copper Canyon, and a premium of approximately 33.4% based on the 20-day volume-weighted average prices of both companies on the TSX and TSX-V ending December 17, 2010. In addition to this premium, the offer provides certain other benefits to Copper Canyon shareholders as outlined in NovaGold's offer and take-over bid circular dated January 18, 2011.

**Right of First Refusal**

In its press release, Copper Canyon suggests that its right of first refusal with respect to the Copper Canyon property may have been triggered as a result of arrangements between NovaGold and the Galore Creek Partnership. NovaGold denies that this right has been triggered or that it is in breach of any obligations to Copper Canyon with respect to the Copper Canyon property. NovaGold will vigorously defend any action commenced by Copper Canyon with respect to this matter. NovaGold notes that, although not legally required to do so, it has now provided to Copper Canyon's solicitors the Galore Creek Partnership document requested by them.

**Shareholder Rights Plan**

NovaGold intends to pursue its application to cease trade Copper Canyon's shareholder rights plan (the Plan ). The British Columbia Securities Commission is scheduled to hear this application on March 4, 2011. It is a condition of the offer that the Plan be waived, invalidated or cease traded prior to the expiry of the offer. NovaGold believes that Copper Canyon shareholders should be given the opportunity to decide for themselves whether they wish to accept NovaGold's offer.

**Other**

This press release does not constitute an offer to buy or an invitation to sell, or the solicitation of an offer to buy or invitation to sell, any of the securities of NovaGold or Copper Canyon. Such an offer may only be made pursuant to an offer and take-over bid circular filed with the securities regulatory authorities in Canada.

NovaGold has also filed with the U.S. Securities and Exchange Commission ( SEC ) a Registration Statement, which includes the offer and take-over bid circular relating to its offer to Copper Canyon shareholders. NOVAGOLD

### **About NovaGold**

NovaGold is a precious metals company engaged in the exploration and development of mineral properties in Alaska, U.S.A. and British Columbia, Canada. The Company is focused on advancing its two core properties, Donlin Creek and Galore Creek, with the objective of becoming a low-cost million-ounce-a-year gold producer, and offers superior leverage to gold with one of the largest reserve/resource bases of any junior or mid-tier gold company. NovaGold has a strong track record of expanding deposits through exploration success and forging collaborative partnerships, both with local communities and with major mining companies. The Donlin Creek project in Alaska, one of the world's largest undeveloped gold deposits, is held by a limited liability company owned equally by NovaGold and Barrick Gold U.S. Inc. The Galore Creek project in British Columbia, a large copper-gold-silver deposit, is held by a partnership owned equally by NovaGold and Teck Resources Limited. NovaGold also owns a 100% interest in the high-grade Ambler copper-zinc-gold-silver deposit in northern Alaska and has other earlier-stage exploration properties. NovaGold trades on the TSX and NYSE-AMEX under the symbol NG.
