**INFORMATION STATEMENT**

This Information Statement is being furnished to holders of record of the Common Stock, at the close of business on May 17, 2010 of the Company, with respect to certain corporate actions of the Company. This Information Statement will be mailed or furnished to the stockholders of the Company on or about June 1, 2010.

**ABOUT THIS INFORMATION STATEMENT**

**What is the purpose of this Information Statement?**

This Information Statement is being provided pursuant to Section 14(c) of the Securities Exchange Act of 1934, as amended (the Exchange Act), to notify stockholders of the Company, as of the close of business on May 17, 2010 (the Record Date), of corporate actions expected to be taken pursuant to the written consent of the principal stockholders of the Company. Holders of the Company's Common Stock have approved an amendment to the Company's articles of incorporation to change the Company's name to Innovative Therapeutic Solutions, Inc.; and, increase the number of authorized shares of the Company from seventy five million to seven hundred and five million shares (collectively referred to hereafter as the Actions). In order to eliminate the costs and management time involve in holding a special meeting, and in order to effect the corporate actions as soon as possible, the Company decided to proceed with the corporate actions by obtaining the written consent of stockholders holding a majority of the voting power of the Company.

**Who is entitled to notice?**

All holders of shares of Common Stock of record on the close of business on the Record Date are entitled to notice of the Actions.

**On what corporate matters did the principal stockholders vote?**

Principal stockholders holding 61% of the total issued and outstanding voting capital stock of the Company on the Record Date (a majority of the issued and outstanding voting capital stock required to vote on the Actions), voted for and approved the following:

.

*For* the approval of an amendment to the articles of incorporation of the Company to change the name of the Company to Innovative Therapeutic Solutions, Inc.; and,

.

*For* the approval of an amendment to the articles of incorporation of the Company to increase the number of authorized shares from seventy five million to seven hundred and five million shares.

**What vote is required to approve the Actions?**

In order to amend the articles of incorporation of the Company to authorize the Actions, the affirmative vote of a majority of the voting capital stock is required. On May 17, 2010, principal stockholders of the Company voted in favor of the Actions. Under Section 78.320 of the Nevada Revised Statutes, all activities requiring stockholder approval may be taken by obtaining the written consent and approval of more than 50% of the holders of voting stock in lieu of a meeting of the stockholders. Because principal stockholders entitled to cast a vote representing 19,250,000 shares of Common Stock (which shares are equal to 61% of the total issued and outstanding voting capital stock of the Company on the Record Date), no action by the minority stockholders in connection with the Actions is required.

**ACTIONS**

**I**

**AMENDMENT TO THE ARTICLES OF INCORPORATION OF THE COMPANY TO CHANGE THE NAME OF THE COMPANY TO INNOVATIVE THERAPEUTIC SOLUTIONS, INC.**

On May 17, 2010, the Company's board of directors adopted a resolution declaring it advisable to amend the Company's articles of incorporation to change the name of the Company to Innovative Therapeutic Solutions, Inc. On May 17, 2010, the Company received a written consent in lieu of a meeting of stockholders from the holders of 19,250,000 shares of Common Stock (representing 61% of the issued and outstanding shares of Common Stock) approving the Actions. A copy of the form of Certificate of Amendment to the Articles of Incorporation is attached as Appendix A hereto.

**Purpose of Changing the Name of the Company**

On May 17, 2010 the Company entered into a material definitive agreement with TMD Courses, Inc., a California corporation (hereafter referred to as TMD) entitled Common Share Exchange Agreement. This event was reported on Form 8-K with the Securities and Exchange Commission. *Inter alia*, the Company and TMD agreed to an exchange of common stock whereby the Company would acquire all of the issued and outstanding shares of TMD common stock, which comprises all classes of stock issued by TMD. Further, and as a condition precedent to the closing of the material definitive agreement, the Company agreed to amend its articles of incorporation to change its name to Innovative Therapeutic Solutions, Inc. By virtue of the common share exchange agreement between the Company and TMD, the Company's operations going forward are focused in the development, marketing and sales of therapeutic medical products and services, and the Company's board of directors believes that it is in the Company's best interest to have the Company change its name to more accurately reflect the future business and operations of the Company.

**II**

**AMENDMENT TO THE ARTICLES OF INCORPORATION OF THE COMPANY TO INCREASE THE NUMBER OF AUTHORIZED SHARES.**

On May 17, 2010, the Company's board of directors adopted a resolution declaring it advisable to amend the Company's articles of incorporation to increase the number of the Company's authorized common shares from seventy five million to seven hundred and five million shares. On May 17, 2010, the Company received a written consent in

lieu of a meeting of stockholders from the holders of 19,250,000 shares of Common Stock (representing 61% of the issued and outstanding shares of Common Stock) approving the Actions. A copy of the form of Certificate of Amendment to the Articles of Incorporation is attached as Appendix A hereto.

The Board of Directors believes that this increase in the number of authorized shares is in the best interest of the Company in that it will provide the Company with the available shares required to be used to complete its obligations under the Common Share Exchange Agreement with TMD under which the Company is obligated to issue 250,523,333 shares to TMD in exchange for all of the issued and outstanding shares of TMD. Additionally, the increase in the authorized number of shares could be issued for various corporate purposes, including, but not limited to, acquisitions, stock dividends, stock splits, and stock options, all as the Board of Directors determines to be reasonably prudent in its discretion. It should be noted that except for the completion of the Company's obligations pursuant to the Common Share Exchange Agreement, the Company has no planned or anticipated corporate actions to issue any of the balance of shares subject to the increase in the authorized number of shares.

**Effect on Shareholders.**

The issuance by the Company of the shares subject to the Common Share Exchange Agreement with TMD will dilute both the equity interests and the earnings per share, if any, of existing holders of the Common Stock. When the consummation of the Common Share Exchange Agreement occurs, all of the Company's shares so issued will have voting and other rights identical to those of the currently authorized shares of Common Stock.

**Effective Date of the Amendments**

The name change of the Company will become effective upon the filing of the certificate of amendment to the Company's articles of incorporation with the Secretary of State of the State of Nevada. Pursuant to Rule 14c-2 under the Exchange Act, the foregoing Actions may not become effective until a date that is at least 20 days after the date on which this Information Statement has been mailed to the stockholders of the Company.

**Dissenters' Right of Appraisal**

Under Nevada law and the Company's articles of incorporation and bylaws, no stockholder has any right to dissent to the proposed amendments to change the name of the Company and to increase the number of authorized shares, and no stockholder is entitled to appraisal of or payment for their shares of Common Stock pursuant to such changes.

**No Meeting of Stockholders Required**

The Company is not soliciting any votes with regard to the Actions. The principal stockholders that have consented to the Actions hold a majority of the total issued and outstanding shares of voting capital stock and, accordingly, such principal stockholders have sufficient shares to approve the Actions.

**TRANSACTIONS WITH RELATED PERSONS, PROMOTERS AND CERTAIN CONTROL PERSONS**

Other than as described below, for the fiscal year ended December 31, 2009, there were no transactions with related persons required to be disclosed in this Information Statement.

**PROPOSALS BY SECURITY HOLDERS**

No security holder has requested the Company to include any additional proposals in this Information Statement.

**INTEREST OF CERTAIN PERSONS IN OR OPPOSITION TO MATTERS TO BE ACTED UPON**

No officer, director or director nominee of the Company has any substantial interest in the matters to be acted upon, other than his role as an officer, director or director nominee of the Company. No director of the Company has informed the Company that he intends to oppose the proposed actions to be taken by the Company as set forth in this Information Statement.
