Item 8.01.

Other Events.

The Company is pleased to announce that the engineering, assemblage and manufacturing of the Water Purification Unit (WPU) for Phillips Mushroom Farms, LP is moving as anticipated. We expected delivery, installation and acceptance before this year is out. Moreover, as a result of the sale to Phillips, we are in the process of scheduling several product demonstrations within the same business sector and anticipate replicating the success at Phillips with other growers in the agribusiness sector.
