### **Item 8.01 Other Events**

On September 13, 2006 Gold Resource Corporation (the "Company") was informed by Westminster Securities, the broker-dealer that submitted an application to the National Association of Securities Dealers to have the Company's common stock quoted on the Over-The-Counter Bulletin Board ("OTCBB"), that the application was approved. As a result, the Company's common stock commenced trading on the OTCBB on September 14, 2006 under the symbol GORO.

The Company sold a total of 4.6 million shares of its common stock for \$1.00 per share pursuant to its "best efforts" public offering, which includes 4.16 million shares of stock sold through Canaccord Adams Limited ("Canaccord"), for which the Company paid a finders fee of \$248,800 to Canaccord. Total net proceeds to the Company for these sales were \$4,351,200.

The Company terminated its offering on August 17, 2006 and filed a post-effective amendment to its registration statement (File No. 333-129321), deregistering the 2,400,000 shares that were not sold.

As disclosed in its prospectus dated May 15, 2006, the Company plans to utilize the proceeds from the offering to continue its exploration program at its *El Aguila* property.

#### ***Cautionary Statement for Purposes of the "Safe Harbor" Provisions of the Private Securities Litigation Reform Act of 1995.***

The matters discussed in this report on Form 8-K, when not historical matters, are forward-looking statements that involve a number of risks and uncertainties that could cause actual results to differ materially from projected results. Such factors include, among others set forth in the Company's prospectus and reports filed with the SEC, the results of its continuing exploration program, the decisions of third parties over which the Company has no control, commodity prices, environmental and government regulations, availability of financing, judicial proceedings, *force majeure* events, and other risk factors as described from time to time in the Company's filings with the SEC. Many of these factors are beyond the Company's ability to control or predict. The Company disclaims any intent or obligation to update its forward-looking statements, whether as a result of receiving new information, the occurrence of future events, or otherwise.
