PROXY STATEMENT FOR THE ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON JUNE 7, 2012

VOTING PROCEDURES AND SOLICITATION

Important Notice Regarding the Availability of Proxy Materials for the Stockholder Meeting to Be Held on June 7, 2012. The proxy statement, proxy card and annual report to security holders, including our annual report on Form 10-K for fiscal year 2011, are available at www.proxyvote.com.

YOUR VOTE IS IMPORTANT

Whether or not you plan to attend the meeting, please act as soon as possible to vote your shares. Your prompt voting may save us the expense of following up with a second mailing. We are sending proxy materials to stockholders of record on April 16, 2012 beginning on or about April 20, 2012. If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC, you are considered, with respect to those shares, the “stockholder of record.” We are sending a Notice Regarding the Availability of Proxy Materials (the “Notice”) to beneficial owners of our stock beginning on or about April 20, 2012. If your shares are held in a stock brokerage account or by a bank or other holder of record (a “brokerage firm”), you are considered the “beneficial owner” of the shares held in street name. Beneficial owners may view proxy materials online, and may also request and receive a paper or e-mail copy of the proxy materials by following the instructions provided in the Notice.

METHODS OF VOTING

If you are a beneficial owner, you may be eligible to vote your shares electronically over the Internet or by telephone. A large number of brokerage firms participate in the Broadridge Investor Communications Services online program. This program provides eligible stockholders that hold shares in street name the opportunity to vote via the Internet or by telephone. Whether or not your brokerage firm is participating in Broadridge’s program, your proxy materials will contain voting instructions. If you are a stockholder of record or if you are a beneficial owner whose brokerage firm participates in Broadridge’s program, there are three ways to vote before the meeting:

- By Internet – www.proxyvote.com. If you have Internet access, you may transmit your voting instructions up until 11:59 p.m., Eastern Time, the day before the cut-off date or the meeting date, that is, June 6, 2012. Go to www.proxyvote.com. You must have your proxy card or Notice in hand when you access the web site and follow the instructions to obtain your records and to create an electronic voting instruction form.
- By telephone – 1-800-690-6903. You may vote using any touch-tone telephone to transmit your voting instructions up until 11:59 p.m., Eastern Time, the day before

Table Of Contents

the cut-off date or the meeting date. Call 1-800-690-6903 toll free. You must have your proxy card or Notice in hand when you access the web site and then follow the instructions.

- By mail – Mark, sign and date your proxy card and return it in the postage-paid envelope we have provided. If you did not receive a proxy copy, you may request proxy materials, including a proxy card, by following the instructions in the Notice.

If you voted by Internet or telephone or sent in a proxy card and also attend the meeting in person, the proxy holders will vote your shares as you previously instructed unless you inform the Secretary at the meeting that you wish to vote in person.

REVOKING OR CHANGING A PROXY

You may revoke your proxy or change your vote by

- voting again by proxy over the Internet or by telephone until 11:59 p.m. on June 6, 2012 (only your last Internet or telephone vote will be counted);
 - signing and returning another proxy card on a later date;
- sending written notice of revocation or change to the Secretary at our offices, 4B Cedar Brook Drive, Cranbury, New Jersey 08512; or
 - informing the Secretary and voting in person at the meeting.

To be effective, a later-dated proxy or written revocation or change must arrive at our corporate offices before the start of the meeting.

If you are a beneficial owner, you may submit new voting instructions by following the instructions from the brokerage firm that holds your shares, or by obtaining a legal proxy from the brokerage firm that holds your shares giving you the right to vote the shares. You may vote in person at the meeting only if you are the stockholder of record or if you are a beneficial owner and have obtained a legal proxy from the brokerage firm that holds your shares.

PROXY SOLICITATION

We are soliciting proxies on behalf of the board of directors, and we will pay all costs of preparing, printing and mailing the proxy materials. In addition to mailing proxy materials, our officers and employees may solicit proxies by telephone, fax, e-mail or Internet, without receiving any additional compensation for their services. We have requested brokers, banks and other fiduciaries to forward proxy materials to the beneficial owners of our stock, and will pay for their reasonable expenses in forwarding proxy materials to such beneficial owners.

Proxies and ballots will be received and tabulated by Broadridge Financial Solutions, Inc. (Broadridge), which will serve as our Inspector of Election.

HOW PROXIES ARE VOTED

The proxy holders are Carl Spana, Ph.D., our chief executive officer, president and a director, and Stephen T. Wills, our chief financial officer, chief operating officer, executive vice president, secretary and treasurer. The proxy holders will vote your shares according to your instructions on the proxy card or your Internet or telephone instructions. If a

signed proxy card

PROXY STATEMENT, PAGE 4

Table Of Contents

does not contain instructions, the proxy holders will vote the shares FOR the election of the director nominees listed on the card; FOR ratifying the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending June 30, 2012; and in their discretion on any other business which may properly come before the meeting.

QUORUM AND VOTES REQUIRED

A majority of the votes of outstanding shares of common stock and Series A preferred stock, represented at the meeting in person or by proxy, constitutes a quorum. Abstentions and broker non-votes will count towards the quorum. If your shares are held in street name and you do not provide voting instructions to the brokerage firm that holds your shares, the brokerage firm can, in its discretion, vote your unvoted shares on matters on which it is permitted to exercise authority ("routine" matters). A broker non-vote occurs when a broker, bank or other holder of record holding shares for a beneficial owner does not vote on a particular proposal because it does not have discretionary voting power for that particular item, or chooses not to vote, and has not received instructions from the beneficial owner. Common stock and Series A preferred stock will vote together as one class on the items of business listed on the proxy card. The votes required are as follows:

- Item One: Directors are elected by a plurality of votes cast, so the eight nominees receiving the most votes will be elected. Stockholders who do not wish to vote for one or more of the individual nominees may withhold their authority to vote in the manner provided on the proxy card or Internet or telephone voting systems. Brokerage firms do not have authority to vote customers' unvoted shares held by firms in street name for the election of directors. As a result, any shares not voted by a beneficial owner will be treated as a broker non-vote. Such broker non-votes or abstentions will have no effect on the results of this vote.
- Item Two: Ratifying the appointment of our independent registered public accounting firm for the fiscal year ending June 30, 2012 requires a majority of the votes cast on that item. Brokerage firms have authority to discretionarily vote customers' unvoted shares held in street name on this proposal. Abstentions and broker non-votes will count neither for nor against ratification. We are not required to obtain the approval of our stockholders to select our independent registered public accounting firm. However, if our stockholders do not ratify the selection of KPMG LLP as our independent registered public accounting firm for 2012, our Audit Committee will reconsider its selection.

WHAT IS THE EFFECT OF NOT CASTING YOUR VOTE?

If you hold your shares in street name, it is critical that you cast your vote if you want to be counted for the election of directors in Item One. Your brokerage firm will not have discretionary authority to vote for election of directors in Item One. If you hold your shares in street name and you do not provide instructions on how to vote for election of directors, no votes may be cast for election of directors on your behalf.

If you are a stockholder of record and you do not cast your vote, no votes will be cast on your behalf on any of the items of business at the annual meeting.

Table Of Contents

IS VOTING CONFIDENTIAL?

We will keep all the proxies, ballots and voting tabulations private. We only let our Inspector of Election, Broadridge, examine these documents. Management will not know how you voted on a specific proposal unless it is necessary to meet legal requirements. Broadridge will, however, forward to management any written comments you make on the proxy card or elsewhere.

VOTING RIGHTS, SHARES OUTSTANDING AND VOTES PER SHARE

Holders of common stock and of Series A preferred stock at the close of business on the record date of April 16, 2012 are entitled to vote at the meeting.

- Common stock: 34,900,591 shares outstanding, one vote per share
- Series A preferred stock: 4,997 shares outstanding with approximately 5.4 votes per share, a total of 27,002 votes

There are no rights of appraisal or similar rights of dissenters with respect to the items of business at this meeting.

HOUSEHOLDING OF ANNUAL DISCLOSURE DOCUMENTS

To reduce the expense of delivering duplicate proxy materials to stockholders who may have more than one account holding our stock who share the same address, we have adopted a procedure approved by the Securities and Exchange Commission ("SEC") called "householding." Under this procedure, one Notice or a single set of our annual report and proxy statement will be sent to any household at which two or more of our stockholders reside, if we or your broker believe that the stockholders are members of the same family. Householding benefits both you and us. It reduces the volume of duplicate information received at your household and helps to reduce our expenses. The procedure applies to our annual reports, proxy statements, other proxy materials and information statements. Once you receive notice from your broker or from us that communications to your address will be "household," the practice will continue until you are otherwise notified or until you revoke your consent to the practice. Each stockholder will continue to have access to and utilize separate proxy voting instructions.

If you do not wish to participate in "householding" and would like to receive your own set of any or all of our annual disclosure documents, or if you share an address with another Palatin stockholder and together both of you would like to receive only a single set of our annual disclosure documents, please contact Broadridge Financial Solutions, Inc., either by calling toll-free at (800) 542-1061, or by writing to Broadridge Financial Solutions, Inc. Householding Department, 51 Mercedes Way, Edgewood, New York 11717. Alternatively, if your brokerage firm or other nominee holds your Palatin shares, you may contact your broker or other nominee directly and inform them of your request. Be sure to include your name, the name of your brokerage firm and your account number.

Our Nominating and Corporate Governance Committee has nominated the eight persons listed below to serve as directors. A stockholder who wishes to suggest a nominee to the Nominating and Corporate Governance Committee may do so in the manner and within the time frame explained under "Nomination of Directors" below. We recommend voting FOR these eight nominees. At the meeting, the eight nominees who receive the most votes will be elected as directors to serve until the next annual meeting, or until their successors are elected and qualified. Each of the nominees is currently a director and was elected at our last annual stockholders' meeting on May 11, 2011, except Dr. Dunton, who was appointed to the board on June 22, 2011. If any of the nominees should become unavailable to serve on the board, the proxy holders will vote your shares for a board-approved substitute, or the board may reduce the number of directors.

The board recommends a vote FOR the election of the eight nominees listed above.

ITEM TWO: RATIFICATION OF APPOINTMENT OF KPMG LLP
AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

We recommend voting FOR the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending June 30, 2012. KPMG served as our independent registered public accounting firm for the fiscal year ended June 30, 2011. We expect that a representative of KPMG will attend the annual meeting. The representative will have an opportunity to make a statement, if he or she desires, and will be available to respond to appropriate questions from stockholders.

Audit Fees. For the fiscal year ended June 30, 2011, KPMG billed us a total of \$282,500 for professional services rendered for the audit of our annual consolidated financial statements, review of our consolidated financial statements in our Forms 10-Q and services provided in connection with regulatory filings. For the fiscal year ended June 30, 2010, the total billed for the same services was \$210,000.

Audit-Related Fees. For the fiscal years ended June 30, 2011 and 2010, KPMG did not perform or bill us for any audit-related services.

Tax Fees. For the fiscal year ended June 30, 2011, KPMG billed us a total of \$50,346 for professional services rendered for tax compliance, tax advice and tax planning. For the fiscal year ended June 30, 2010, KPMG billed us \$15,500 for professional services rendered for tax compliance, tax advice and tax planning.

All Other Fees. KPMG did not perform or bill us for any services other than those described above for the fiscal years ended June 30, 2011 and 2010.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-audit Services of Independent Auditors. Consistent with SEC policies regarding auditor independence, the Audit Committee has responsibility for appointing, setting compensation for and overseeing the work of the independent registered public accounting firm. In recognition of this responsibility, the Audit Committee has established a policy to pre-approve all audit and permissible non-audit services provided by the independent registered public accounting firm.

Before engaging the independent registered public accounting firm for the next year's audit, management will submit to the Audit Committee for approval an estimate of fees for services expected to be rendered during that year in each of four categories:

1. Audit services, including work that generally only our independent registered public accounting firm can reasonably be expected to provide, such as services provided in connection with regulatory filings, statutory audits and attest services and consultation regarding financial accounting and/or reporting standards;
2. Audit-related services, including assurance and related services that are traditionally performed by the independent registered public accounting firm, including due diligence related to mergers and acquisitions, employee benefit plan audits and special procedures required to meet certain regulatory requirements;
3. Tax services, including services performed by our independent registered public accounting firm's tax personnel except those services specifically related to the audit of

Table Of Contents

the consolidated financial statements, including fees in the areas of tax compliance, tax planning and tax advice; and

4. All other services not described in the preceding categories. We generally do not request other services from our independent registered public accounting firm.

The Audit Committee pre-approves fees for each category of service. The fees are budgeted and the Audit Committee requires the independent registered public accounting firm and management to report actual fees versus the budget periodically throughout the year by category of service. During the year, circumstances may arise when it may become necessary to engage the independent registered public accounting firm for additional services not contemplated in the original pre-approval. In those instances, the Audit Committee requires specific pre-approval before engaging the independent registered public accounting firm.

The Audit Committee may delegate pre-approval authority to one or more of its members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting.

Although stockholder approval of KPMG LLP's appointment as our independent registered public accounting firm is not required by law or binding on the Audit Committee, the Audit Committee believes that stockholders should have an opportunity to express their views. In the event the stockholders do not ratify the appointment of KPMG LLP as our independent registered public accounting firm, the Audit Committee will reconsider its appointment.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the board of directors, which consists entirely of directors who meet the independence and experience requirements of the NYSE Amex LLC (the "NYSE Amex"), has furnished the following report:

The Audit Committee assists the Board in overseeing and monitoring the integrity of its financial reporting process, compliance with legal and regulatory requirements and the quality of internal and external audit processes. This committee reviews and reassesses our charter annually and recommends any changes to the Board for approval. The Audit Committee is responsible for overseeing our overall financial reporting process, and for the appointment, compensation, retention, and oversight of the work of KPMG LLP.

The Audit Committee has reviewed and discussed the audited consolidated financial statements for the fiscal year ended June 30, 2011 with Palatin's management and has discussed with KPMG LLP the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended. In addition, the Audit Committee has received from KPMG LLP the written disclosures and the letter from KPMG LLP regarding its independence as required by applicable requirements of the Public Company Accounting Oversight Board regarding KPMG LLP communications with the Audit Committee, and the Audit Committee further discussed with KPMG LLP its independence. The Audit Committee also considered the status of pending litigation, taxation matters and other areas of oversight relating to the financial reporting and audit process that the committee determined appropriate.

Table Of Contents

Based on these reviews and discussions, we recommended to the board of directors that the audited consolidated financial statements be included in Palatin's annual report on Form 10-K for the fiscal year ended June 30, 2011.

CORPORATE GOVERNANCE

NOMINATION OF DIRECTORS

The Nominating and Corporate Governance Committee conducts an annual director performance evaluation process and proposes nominees for election as directors. Nominees must be well-regarded and experienced participants in their field(s) of specialty, familiar at the time of their appointment with our business, willing to devote the time and attention necessary to deepen and refine their understanding of Palatin and the issues we face, and must have an understanding of the demands and responsibilities of service on a public company board of directors. The committee considers individual merits, such as personal integrity and sound judgment, business and professional skills and experience, independence, knowledge of the industry in which we operate, possible conflicts of interest, diversity, the extent to which the candidate would fill a present need on the board and concern for the long-term interests of the stockholders. While we do not have a formal diversity policy, to ensure that the board of directors benefits from diverse perspectives, the committee seeks qualified nominees from a variety of backgrounds, including candidates of gender and ethnic diversity. The committee also considers each candidate in relation to existing or other potential members of the board, with a view to establishing a well-rounded, diverse, knowledgeable, and experienced board.

The committee will consider stockholder recommendations of nominees if they are accompanied by a comprehensive written resume of the recommended nominee's business experience and background, and a signed consent from the recommended nominee stating that he or she is willing to be considered as a nominee and, if nominated and elected, will serve as a director. The committee will consider candidates recommended by stockholders on the same basis as candidates from other sources. The committee may retain outside consultants to assist in identifying suitable director candidates. Stockholders may send their written recommendations with the required documentation to our executive offices at 4B Cedar Brook Drive, Cranbury, NJ 08512, Attention: Secretary, no later than the deadline for stockholder proposals to be included in the proxy statement as specified under "Stockholder Proposals for Next Annual Meeting" on page 32.

DIRECTOR INDEPENDENCE

The board of directors has determined that all of the directors and nominees except for Dr. Spana (our chief executive officer and president) and Dr. Prendergast (our chairman) are independent directors, as defined in the listing standards of the NYSE Amex, on which our common stock is listed.

THE BOARD AND ITS COMMITTEES

Committees and meetings. The board has an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. During fiscal 2011, the board met four times, the Audit Committee met four times, the Compensation Committee met twice and the Nominating and Corporate Governance Committee met once. Each director attended at least 75% of the total number of meetings of the board and committees of the board on which he served. With the exception of Drs. Prendergast and Spana, the directors did not

Table Of Contents

attend the annual meeting of stockholders held on May 11, 2011. The board does not have a policy regarding director attendance of stockholder meetings.

Audit Committee. The Audit Committee reviews the engagement of the independent registered public accounting firm and reviews the independence of the independent registered public accounting firm. The Audit Committee also reviews the audit and non-audit fees of the independent registered public accounting firm and the adequacy of our internal control procedures. The Audit Committee is currently composed of four non-employee directors, Mr. deVeer (chair) and Drs. Taber, Molinoff and Dunton, all of whom are independent. The board has determined that the members of the Audit Committee are independent, as defined in the listing standards of the NYSE Amex, and satisfy the requirements of the NYSE Amex as to financial literacy and expertise. The board has determined that at least one member of the committee, Mr. deVeer, is the audit committee financial expert as defined by Item 407 of Regulation S-K. The responsibilities of the Audit Committee are set forth in a written charter adopted by the board, a copy of which is available on our web site at www.palatin.com.

Compensation Committee. The Compensation Committee reviews and recommends to the board on an annual basis employment agreements and compensation for our officers, directors and some employees, and administers our 2011 Stock Incentive Plan and the options still outstanding which were granted under previous stock option plans. The Compensation Committee is composed of Mr. deVeer and Drs. Horovitz, Taber (chair) and Dunton. The board has determined that the members of the Compensation Committee are independent, as defined in the listing standards of the NYSE Amex.

The Compensation Committee does not have a written charter. The committee administers our 2011 Stock Incentive Plan, under which it has delegated to an officer its authority to grant stock options to employees and to a single-member committee of the board its authority to grant restricted stock units to officers and to grant options and restricted stock units to our consultants, but in either instance not to grant options or restricted stock units to themselves, any member of the board or officer, or any person subject to Section 16 of the Securities Exchange Act of 1934. Our chief financial officer supports the committee in its work by gathering, analyzing and presenting data on our compensation arrangements and compensation in the marketplace.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee assists the board in recommending nominees for directors, and in determining the composition of committees. It also reviews, assesses and makes recommendations to the board concerning policies and guidelines for corporate governance, including relationships of the board, the stockholders and management in determining our direction and performance. The responsibilities of the Nominating and Corporate Governance Committee are set forth in a written charter adopted by the board, a copy of which is available on our web site at www.palatin.com. The Nominating and Corporate Governance Committee is composed of Mr. Hull and Drs. Horovitz (chair) and Molinoff, each of whom meets the independence requirements currently established by the NYSE Amex, and Dr. Prendergast.

Duration of Office. Unless a director resigns, all directors hold office until the next annual meeting of stockholders or until their successors have been elected and qualified. Directors serve as members of committees as the board determines from time to time.

COMMUNICATING WITH DIRECTORS

Generally, stockholders and others who have questions or concerns should contact Stephen T. Wills, Secretary, Palatin Technologies, Inc., 4B Cedar Brook Drive, Cranbury, NJ 08512. However, any stockholder who wishes to address questions regarding our business directly to the board of directors, or any individual director, can direct questions to the board members or a director by regular mail to the Secretary at the address above or by e-mail at boardofdirectors@palatin.com. Stockholders may submit their concerns anonymously or confidentially by postal mail.

Communications are distributed to the board, or to any individual directors as appropriate, depending on the facts and circumstances outlined in the communication, unless the Secretary determines that the communication is unrelated to the duties and responsibilities of the board, such as product inquiries, resumes, advertisements or other promotional material. Communications that are unduly hostile, threatening, illegal or similarly unsuitable will also not be distributed to the board or any director. All communications excluded from distribution will be retained and made available to any non-management director upon request.

BOARD ROLE IN RISK OVERSIGHT

Our board, as part of its overall responsibility to oversee the management of our business, considers risks generally when reviewing our strategic plan, financial results, business development activities, legal and regulatory matters. The board satisfies this responsibility through regular reports directly from our officers responsible for oversight of particular risks. The board's risk management oversight also includes full and open communications with management to review the adequacy and functionality of the risk management processes used by management. The board's role in risk oversight has no effect on the board's leadership structure. In addition, committees of the board assist in its risk oversight responsibility, including:

- The Audit Committee assists the board in its oversight of the integrity of the financial reporting and our compliance with applicable legal and regulatory requirements. It also oversees our internal controls and compliance activities, and meets privately with representatives from our independent registered public accounting firm.
- The Compensation Committee assists the board in its oversight of risk relating to compensation policies and practices. The Compensation Committee annually reviews our compensation policies, programs and procedures, including the incentives they create and mitigating factors that may reduce the likelihood of excessive risk taking, to determine whether they present a significant risk to our company.

BOARD LEADERSHIP STRUCTURE

Since 2000, the roles of chairman of the board and chief executive officer have been held by separate persons. John K.A. Prendergast, Ph.D., a non-employee director, has served as chairman of the board since June 2000. Carl Spana, Ph.D., has been our chief executive officer and president since June 2000. Generally, the chairman is responsible for advising the chief executive officer, assisting in long-term strategic planning, and presiding over meetings of the board, and the chief executive officer is responsible for leading our day-to-day performance.

Table Of Contents

While we do not have a written policy with respect to separation of the roles of chairman of the board and chief executive officer, the board believes that the existing leadership structure, with the separation of these roles, provides several important advantages, including: enhancing the accountability of the chief executive officer to the board; strengthening the board's independence from management; assisting the board in reaching consensus on particular strategies and policies; and facilitating robust director, board, and executive officer evaluation processes.

CODE OF CORPORATE CONDUCT AND ETHICS

We have adopted a code of corporate conduct and ethics that applies to all of our directors, officers and employees, including our chief executive officer and chief financial officer. You can view the code of corporate conduct and ethics at our web site, www.palatin.com. We will disclose any amendments to, or waivers from, provisions of the code of corporate conduct and ethics that apply to our directors, principal executive and financial officers in a current report on Form 8-K, unless the rules of the NYSE Amex permit web site posting of any such amendments or waivers.

Non-Employee Directors' Option Grants. In the past, our non-employee directors received an annual option grant on the first day of each fiscal year, or such earlier or later date as determined by the board. On June 22, 2011, the board revised practices relating to non-employee directors' option grants so that non-employee directors receive an annual option grant at the board meeting closest to the beginning of each fiscal year, or such other date as may be determined by the board.

On July 21, 2010, as the annual option grant for our 2011 fiscal year, the chairman of the board received an option to purchase 6,000 shares of common stock and each other serving non-employee director received an option to purchase 4,000 shares of common stock. All of these options have an exercise price of \$1.70 per share, the closing price of our common stock on the date of grant, vest in twelve monthly installments beginning on July 31, 2010, expire ten years from the date of grant and provide for accelerated vesting in the event of involuntarily termination as a director following a change in control, with exercise permitted following accelerated vesting for up to the earlier of one year after termination or the expiration date of the option.

Following the resignation of Dr. De Souza effective December 31, 2010, the Compensation Committee amended the options previously granted to him, such that vested options are exercisable until December 31, 2012.

On June 22, 2011, as the annual option grant for our 2012 fiscal year, the chairman of the board received an option to purchase 18,750 shares of common stock and each other serving non-employee director received an option to purchase 12,500 shares of common stock, which vest in twelve monthly installments beginning on July 31, 2011.

On June 22, 2011, the board also granted additional incentive and retention options to non-employee directors. The chairman received additional option grants for 60,000 shares which vested as to 50% on the date of grant and vest as to 50% on June 22, 2012, and for 30,000 shares which vest as to 25% on each anniversary of the grant date, starting June 22, 2012. Each other non-employee director received additional option grants for 20,000 shares, which vest as to 25%

on each anniversary of the grant date, starting June 22, 2012, and, except for Dr. Dunton, for 40,000 shares, which vested as to 50% on the date of grant and vest as to 50% on June 22, 2012.

All non-employee director options granted on June 22, 2011 have an exercise price of \$0.86 per share, the closing price of our common stock on the date of grant, expire ten years from the date of grant and provide for accelerated vesting in the event of involuntarily termination as a director following a change in control, with exercise permitted following accelerated vesting for up to the earlier of one year after termination or the expiration date of the option.

Non-Employee Directors' Cash Compensation. Dr. Prendergast serves as chairman of the board and for our 2011 fiscal year received an annual retainer of \$60,000, payable quarterly. Other non-employee directors received an annual retainer of \$30,000, payable on a quarterly basis, with the Audit Committee chairperson and Compensation Committee chairperson receiving an additional \$4,000 and \$2,000, respectively, payable on a quarterly basis. On June 22, 2011, the board revised annual retainer rates commencing with our 2012 fiscal year; the chairman will receive an annual retainer of \$75,000, with non-employee directors receiving an annual base retainer of \$30,000. The chairperson of the Audit Committee will receive an additional annual retainer of \$10,000, the chairperson of the Compensation Committee will receive an additional annual retainer of \$7,000 and the chairperson of the Corporate Governance Committee will receive an additional annual retainer of \$4,000. Members of the foregoing committees, other than the non-employee chairman or any employee director, will receive an additional retainer of one-half the retainer payable to the committee chairperson.

Non-Employee Directors' Expenses. Non-employee directors are reimbursed for expenses incurred in performing their duties as directors, including attending all meetings of the board and any committees on which they serve.

Employee Directors. Employee directors are not separately compensated for services as directors, but are reimbursed for expenses incurred in performing their duties as directors, including attending all meetings of the board and any committees on which they serve.

Executive officers are appointed by the board and serve at the discretion of the board. Each officer holds his position until his successor is appointed and qualified. The current executive officers hold office under employment agreements.

(4)Dr. Hallam resigned effective December 31, 2010. All of his stock and option awards terminated prior to June 30, 2011.

Employment Agreements

Effective July 1, 2010, we entered into employment agreements with Dr. Spana, Mr. Wills and Dr. Hallam. The agreements with Dr. Spana and Mr. Wills continue through June 30, 2013 unless terminated earlier. The agreement with Dr. Hallam terminated with his resignation on December 31, 2010. Under these agreements, which replaced substantially similar agreements that expired on June 30, 2010, Dr. Spana is serving as chief executive officer and president at a base salary of \$390,000 per year; Mr. Wills is serving as chief financial officer, chief operating officer and executive vice president at a base salary of \$321,000 per year; and Dr. Hallam was serving as executive vice president of research and development at a base salary of \$321,000 per year. The current salary as set by the board for Dr. Spana is \$420,000 per year and for Mr. Wills is \$375,000 per year. Each agreement also provides for:

- annual discretionary bonus compensation, in an amount to be decided by the Compensation Committee and approved by the board, based on achievement of yearly objectives; and
- participation in all benefit programs that we establish, to the extent the executive's position, tenure, salary, age, health and other qualifications make him eligible to participate.

Each agreement allows us or the executive to terminate the agreement upon written notice, and contains other provisions for termination by us for "cause," or by the employee for "good reason" or due to a "change in control" (as these terms are defined in the employment agreements and set forth below). Early termination may, in some circumstances, result in severance pay at the salary then in effect, plus continuation of medical and dental benefits then in effect for a period of two years (Dr. Spana) or 18 months (Mr. Wills). In addition, the agreements provide that options and restricted stock units granted to these officers accelerate upon termination of employment except for voluntary resignation by the officer or termination for cause. In the event of retirement, termination by the officer for good reason, or termination by us other than for "cause", options may be exercised until the earlier of twenty-four months following termination or expiration of the option term. Arrangements with our named executive officers in connection with a termination following a change in control are described below. Each agreement includes non-competition, non-solicitation and confidentiality covenants.

The Compensation Committee determined not to award any bonuses to our named executive officers for fiscal 2010, based on results of operations, including our financial condition and our common stock price, but awarded bonuses for fiscal 2011, which were paid on July 15, 2011, based on results of operations, including clinical trial operations and our financial condition.

Stock Option and Restricted Stock Unit Grants

In each of fiscal 2010 and 2011, the Compensation Committee determined that additional equity grants were necessary in order to motivate and retain our executive officers. Effective July 1, 2009, Dr. Spana, Mr. Wills and Dr. Hallam were granted options to purchase 25,000, 20,000 and 20,000 shares of common stock, respectively, vesting over four years, with an exercise price equal to the closing price of our common stock on the date of grant.

Table Of Contents

On July 21, 2010, we granted 25,000, 20,000 and 20,000 restricted stock units to Dr. Spana, Mr. Wills and Dr. Hallam, respectively, which vested as to 50% on September 15, 2010 and the remaining 50% on March 15, 2011 for Dr. Spana and Mr. Wills. Dr. Hallam's 10,000 unvested restricted stock units terminated with his resignation on December 31, 2010.

On June 22, 2011, we granted 250,000 and 225,000 restricted stock units to Dr. Spana and Mr. Wills, respectively, which will vest as to 50% on June 22, 2012 and the remaining 50% on June 22, 2013. We also granted 300,000 and 250,000 stock options to Dr. Spana and Mr. Wills, respectively, which will vest as to 25% on each anniversary of the grant date. These options have an exercise price of \$1.00, which is in excess of the fair market value on the date of grant (\$0.86), and they expire on June 22, 2021.

- (1) Stock option vesting schedules: all options granted on or before October 6, 2006 have fully vested. Options granted after October 6, 2006 vest over four years with 1/4 of the shares vesting per year starting on the first anniversary of the grant date.
- (2) Stock awards consist of restricted stock units granted on June 22, 2011, which vest as to 50% on June 22, 2012 and as to the remaining 50% on June 22, 2013, provided that the named executive officer remains an employee. The restricted stock units provide for accelerated vesting on a “change in control” or termination of employment other than for “cause” or at the election of the named executive officers (as these terms are defined in employment agreements with the named executive officers). If the named executive officer is terminated for cause or voluntarily terminates employment, all unvested restricted stock units are immediately forfeited.
- (3) Dr. Hallam, who resigned effective December 31, 2010, did not have any equity-based awards outstanding at fiscal year end.
- (4) Calculated by multiplying the number of restricted stock units by \$1.28, the closing market price of our common stock on June 30, 2011, the last trading day of our most recently completed fiscal year.

Termination and Change-In-Control Arrangements

The employment agreements, stock option agreements and restricted stock unit agreements with Dr. Spana and Mr. Wills contain the following provisions concerning severance compensation and the vesting of stock options and restricted stock units upon termination of employment or upon a change in control. The executive’s entitlement to severance, payment of health benefits and accelerated vesting of options is contingent on the executive executing a general release of claims against us.

Table Of Contents

Termination Without Severance Compensation. Regardless of whether there has been a change in control, if we terminate employment for cause or the executive terminates employment without good reason (as those terms are defined in the employment agreement and set forth below), then the executive receives only his accrued salary and vacation benefits through the date of termination. He may also elect to receive medical and dental benefits pursuant to COBRA for up to two years (Dr. Spana) or 18 months (Mr. Wills), but must remit the cost of coverage to us. Under the terms of our outstanding options and restricted stock units, all unvested options and restricted stock units would terminate immediately, and vested options would be exercisable for three months after termination.

Severance Compensation Without a Change in Control. If we terminate or fail to extend the employment agreement without cause, or the executive terminates employment with good reason, then the executive will receive as severance pay his salary then in effect, paid in a lump sum, plus medical and dental benefits at our expense, for a period of two years (Dr. Spana) or 18 months (Mr. Wills) after the termination date. In addition, upon such event all unvested options would immediately vest and be exercisable for two years after the termination date or, if earlier, the expiration of the option term, and all unvested restricted stock units would accelerate and become fully vested.

Severance Compensation After a Change in Control. If, within one year after a change in control, we terminate employment or the executive terminates employment with good reason, then the executive will receive as severance pay 200% (Dr. Spana) or 150% (Mr. Wills) of his salary then in effect, paid in a lump sum, plus medical and dental benefits at our expense, for a period of two years (Dr. Spana) or 18 months (Mr. Wills) after the termination date. We would also reimburse the executive for up to \$25,000 in fees and expenses during the six months following termination, for locating employment. We would also reimburse the executive for any excise tax he might incur on “excess parachute payments” (as defined in Section 280G(b) of the Internal Revenue Code). All unvested options would immediately vest and be exercisable for two years after the termination date or, if earlier, the expiration of the option term. All unvested restricted stock units would vest upon a change in control, without regard to whether the executive’s employment is terminated.

Option and Restricted Stock Unit Vesting Upon a Change in Control. Options and restricted stock units granted under the 2011 Stock Incentive Plan vest upon a change in control. If any options granted under the 2005 Stock Plan are to be terminated in connection with a change in control, those options will vest in full immediately before the change in control.

Definitions. Under the employment agreements, a “change in control,” “cause” and “good reason” are defined as follows:

A “change in control” occurs when:

- (a) some person or entity acquires more than 50% of the voting power of our outstanding securities;
- (b) the individuals who, during any twelve month period, constitute our board of directors cease to constitute at least a majority of the board of directors;
- (c) we enter into a merger or consolidation; or
- (d) we sell substantially all our assets.

Table Of Contents

The term “cause” means:

- (a) the occurrence of (i) the executive’s material breach of, or habitual neglect or failure to perform the material duties which he is required to perform under, the terms of his employment agreement; (ii) the executive’s material failure to follow the reasonable directives or policies established by or at the direction of our board of directors; or (iii) the executive’s engaging in conduct that is materially detrimental to our interests such that we sustain a material loss or injury as a result thereof, provided that the breach or failure of performance is not cured, to the extent cure is possible, within ten days of the delivery to the executive of written notice thereof;
- (b) the willful breach by the executive of his obligations to us with respect to confidentiality, invention and non-disclosure, non-competition or non-solicitation; or
- (c) the conviction of the executive of, or the entry of a pleading of guilty or nolo contendere by the executive to, any crime involving moral turpitude or any felony.

The term “good reason” means the occurrence of any of the following, with our failure to cure such circumstances within 30 days of the delivery to us of written notice by the executive of such circumstances:

- (a) any material adverse change in the executive’s duties, authority or responsibilities, which causes the executive’s position with us to become of significantly less responsibility, or assignment of duties and responsibilities inconsistent with the executive’s position;
- (b) a material reduction in the executive’s salary;
- (c) our failure to continue in effect any material compensation or benefit plan in which the executive participates, unless an equitable arrangement has been made with respect to such plan, or our failure to continue the executive’s participation therein (or in a substitute or alternative plan) on a basis not materially less favorable, both in terms of the amount of benefits provided and the level of the executive’s participation relative to other participants;
- (d) our failure to continue to provide the executive with benefits substantially similar to those enjoyed by the executive under any of our health and welfare insurance, retirement and other fringe-benefit plans, the taking of any action by us which would directly or indirectly materially reduce any of such benefits, or our failure to provide the executive with the number of paid vacation days to which he is entitled; or
- (e) the relocation of the executive to a location which is a material distance from Cranbury, New Jersey.

STOCK OWNERSHIP INFORMATION

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

The rules of the SEC require us to disclose failures to file or late filings of reports of stock ownership and changes in stock ownership required to be filed by our directors, officers and beneficial holders of more than 10% of our common stock. To the best of our knowledge, all of the filings for our directors, officers and beneficial holders of more than 10% of our common stock were made on a timely basis in the fiscal year ended June 30, 2011, except that filings for the initial vesting period for a two-period vesting of restricted stock units to our executive officers were inadvertently not timely, though filings relating to the initial grant and final vesting of the restricted stock unit grants were timely.

BENEFICIAL OWNERSHIP OF MANAGEMENT AND OTHERS

The tables below show the beneficial stock ownership and voting power, as of April 16, 2012, of:

- each director, each of the named executive officers, and all current directors and officers as a group; and
- all persons who, to our knowledge, beneficially own more than five percent of our common stock or Series A preferred stock.

“Beneficial ownership” here means direct or indirect voting or dispositive power over outstanding stock and stock which a person has the right to acquire now or within 60 days after April 16, 2012. See the footnotes for more detailed explanations of the holdings. Except as noted, to our knowledge, the persons named in the tables beneficially own and have sole voting and dispositive power over all shares listed.

The common stock has one vote per share and the Series A preferred stock has approximately 5.4 votes per share. Total voting power is the sum of common stock and Series A preferred stock outstanding as of April 16, 2012, on which date 34,900,591 shares of common stock and 4,997 shares of Series A preferred stock were outstanding.

The address for all members of our management is c/o Palatin Technologies, Inc., 4B Cedar Brook Drive, Cranbury, NJ 08512. Addresses of other beneficial owners are in the table.
