Voting Matters and Board Recommendations

Shareholders are being asked to vote on the following matters at the 2019 Annual Meeting: Recommendation

Proposal

PROPOSAL 1 - Election of Director FOR

Election of one Class II director nominee, Michael R. Long. The Board believes that the nominee's knowledge, skills, and abilities will positively contribute to the function of the Board as a whole. Accordingly, your proxy holder will vote your shares FOR the election of the Board's nominee unless you instruct otherwise.

PROPOSAL 2 - Advisory Vote to Approve Executive Compensation FOR

The Say-on-Pay Proposal, to approve, on an advisory basis, the compensation paid to our Named Executive Officers for the year ended December 31, 2018. The Company has designed its compensation programs to reward and motivate employees to continue to grow the Company. The Board of Directors takes shareholder views seriously and will take into account the advisory vote in future executive compensation decisions. Accordingly, your proxy holder will vote your shares FOR the approval of the executive compensation paid to our Named Executive Officers unless you instruct otherwise.

PROPOSAL 3 - Ratification of Independent Registered Public Accounting Firm FOR

Akin, Doherty, Klein & Feuge, P.C. has been appointed as the Company's independent registered public accounting firm for the year ending December 31, 2019. The Audit Committee and the Board believe that retention of the firm is in the best interests of the Company and its shareholders. Accordingly, your proxy holder will vote your shares FOR the ratification of the appointment of Akin, Doherty, Klein & Feuge, P.C. as our independent registered public accounting firm unless you instruct otherwise.

PROPOSAL 2 - Approval of Corporate Name Change FOR

The amendment of our Restated Articles of Incorporation, as amended, to change our corporate name from "Payment Data Systems, Inc." to "Usio, Inc." and to authorize our Board of Directors to effect the change. The Board believes that the change of corporate name better reflects our business as our Company braces for the future. Accordingly, your proxy holder will vote your shares FOR the name change unless you instruct otherwise.

Questions and Answers

1. What is a proxy statement, what is a proxy and how does it work?

A proxy statement is a document that the U.S. Securities and Exchange Commission requires us to give you when we ask you to sign a proxy card designating someone other than you to vote the stock you own. The written document you sign indicating who may vote your shares of common stock is called a proxy card and the person you designate to vote your shares is called a proxy. The Board of Directors is asking to act as your proxy. By signing and returning to us the proxy card you are designating us as your proxy to cast your votes at the Annual Meeting. We will cast your votes as you indicate on the proxy card.

Our employees, officers and directors may solicit proxies. We will bear the cost of soliciting proxies and will reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation material to the owners of our common stock.

2. Who is entitled to vote at the Annual Meeting?

Only shareholders who were Payment Data Systems, Inc. shareholders of record at the close of business on April 15, 2019, or the Record Date, may vote at the 2019 Annual Meeting of Shareholders. As of the close of business on the

Record Date, there were 16,863,222 shares of our common stock outstanding (which excludes 1,097,910 treasury shares). Each shareholder is entitled to one vote for each share of our common stock held as of the Record Date.

3. What is the difference between a shareholder of record and a beneficial owner?

If your shares are registered directly in your name with Payment Data's transfer agent, American Stock Transfer and Trust Company, LLC, you are considered, with respect to those shares, a shareholder of record. As a shareholder of record, we will send you a Notice Regarding the Availability of Proxy Material for the Annual Meeting.

Page 4

If your shares are held in a brokerage account or by a bank or other nominee, you are considered the beneficial owner of your shares of common stock. The Notice Regarding the Availability of Proxy Material for the Annual Meeting has been forwarded to you by your broker, bank or nominee who is considered, with respect to those shares, the shareholder of record. As the beneficial owner, you have the right to direct your broker, bank or nominee how to vote your shares by using the voting instruction form included in the proxy materials.

4. What does it mean if I receive more than one proxy card?

If you hold your shares in multiple registrations, or in both registered and street name, you will receive a notice card, proxy card or voting instruction form for each account. Please vote each proxy card or voting instruction form you receive using one of the voting methods outlined elsewhere in this proxy statement.

5. What proposals will be voted on at the 2019 Annual Meeting?

The following proposals will be voted on at the 2018 Annual Meeting:

• Election of one Class II director, Michael R. Long, nominated by the Board of Directors, to serve until the 2022 Annual Meeting or until his successor is duly elected and qualified;

• Approval on an advisory basis, of the compensation paid to our Named Executive Officers, or the Say-on-Pay Proposal;

• Ratification of the appointment of Akin, Doherty, Klein & Feuge, P.C. as our independent public accounting firm for the year ending December 31, 2019; and

• Approval of an amendment to the Restated Articles of Incorporation, as amended, to change the corporate name to Usio, Inc.

6. What are the Board's recommendations?

Our Board recommends that you vote:

• "FOR" Proposal No. 1 to elect one Class II director nominee, Michael R. Long;

• "FOR" Proposal No. 2, the Say-on-Pay Proposal, to approve on an advisory basis, the compensation paid to our Named Executive Officers;

• "FOR" Proposal No. 3 to ratify the appointment of Akin, Doherty, Klein & Feuge, P.C. as our independent registered public accounting firm for the year ending December 31, 2019; and

• "FOR" Proposal No. 4 to approve the amendment to the Restated Articles of Incorporation, as amended, to change the corporate name to Usio, Inc.

7. Will there be any other items of business on the agenda?

We do not expect any other items of business because the deadline for shareholder proposals and nominations has already passed. Nonetheless, in case there is an unforeseen need, the accompanying proxy gives discretionary authority to the persons named on the proxy with respect to any other matters that might be brought before the Annual Meeting. Those persons intend to vote that proxy in accordance with their best judgment.

8. How will my shares be voted?

To designate how you would like to vote, fill out the proxy card or voting instruction form indicating how you would like your votes cast. If you sign and return the proxy card, but do not specify how to vote, we will vote your shares as follows:

• "FOR" Proposal No. 1 to elect one Class II director nominee, Michael R. Long;

• "FOR" Proposal No. 2, the Say-on-Pay Proposal, to approve on an advisory basis, the compensation paid to our Named Executive Officers;

• "FOR" Proposal No. 3 to ratify the appointment of Akin, Doherty, Klein & Feuge, P.C. as our independent registered public accounting firm for the year ending December 31, 2019; and

• "FOR" Proposal No. 4 to approve the amendment to the Restated Articles of Incorporation, as amended, to change the corporate name to Usio, Inc.

9. Can I change my vote or revoke my proxy?

You may change your vote or revoke your proxy at any time prior to the vote at the Annual Meeting. If you submitted your proxy by mail, you must file with our Secretary, at Payment Data Systems, Inc., 3611 Paesanos Parkway, Suite 300, San Antonio, TX 78231, a written notice of revocation or deliver a valid, later-dated proxy. If you submitted your proxy by telephone or the Internet, you may change

your vote or revoke your proxy with a later telephone or Internet proxy, as the case may be. Attendance at the Annual Meeting will not have the effect of revoking a proxy unless you give written notice of revocation to the Secretary before the proxy is exercised or you vote by written ballot at the Annual Meeting.

10. What is a broker non-vote and what is the impact of not voting?

A broker “non-vote” occurs when a nominee holding shares of common stock for a beneficial owner, such as a bank or broker, does not vote on one or more proposals because the nominee does not have discretionary voting power on that matter, which is also referred to as holding shares in street name. Your bank or broker does not have discretion to vote uninstructed shares on the proposals in this Proxy Statement, except for Proposal No. 3 to ratify the appointment of our independent registered public accounting firm and Proposal No. 4 to approve the amendment to our Amended and Restated Articles of Incorporation, as amended, to change our corporate name. As a result, if you hold your shares in street name it is critical that you provide instructions to your bank or broker, if you want your vote to count in the election of directors and the advisory vote related to executive compensation.

11. What constitutes a quorum?

A quorum is the minimum number of shareholders necessary to conduct the Annual Meeting. The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of common stock outstanding on the Record Date will constitute a quorum. As of the close of business on the Record Date, there were 16,863,222 shares of our common stock outstanding (which excludes 1,097,910 treasury shares). Votes withheld from any nominee, abstentions and broker “non-votes” are counted as present or represented for the purpose of determining the presence of a quorum.

12. Is cumulative voting permitted for the election of directors?

No. Shareholders may not cumulate votes in the election of directors, which means that each shareholder may vote only the number of shares he or she owns for a single director candidate.

13. What is the vote required for a proposal to pass?

Proposal No. 1—Election of Directors: The affirmative vote of a plurality of the shares of common stock present or represented by proxy and entitled to vote at the Annual Meeting, in person or by proxy, is required for the election of the nominee. Thus, assuming a quorum is present at the Annual Meeting, the nominee who receives the most affirmative votes will be elected as Class II director. Abstentions and broker “non-votes” will have no effect on the voting outcome with respect to the election of directors.

Proposal No. 2—Say-on-Pay: Because this proposal asks for a non-binding, advisory vote, there is no required vote that would constitute approval. We value the opinions expressed by our shareholders in this advisory vote, and our Compensation Committee, which is responsible for overseeing and administering our executive compensation programs, will consider the outcome of the vote when designing our compensation programs and making future compensation decisions for our Named Executive Officers. Abstentions and broker “non-votes,” if any, will not have any impact on this advisory vote.

Proposal No. 3—Ratification of the Selection of our Independent Registered Public Accounting Firm: The affirmative vote of the holders of a majority of shares of common stock present in person or represented by proxy and entitled to vote at the Annual Meeting, is required to ratify our selection of Akin, Doherty, Klein & Feuge, P.C. as our independent registered public accounting firm for the year ending December 31, 2019. A properly executed proxy marked “ABSTAIN” with respect to this proposal will not be voted, although it will be counted for purposes of determining the number of shares of common stock entitled to vote. Accordingly, an abstention will have the effect of a negative vote. Because Proposal No. 3 is a routine proposal on which a broker or other nominee is generally empowered to vote, broker “non-votes” likely will not result from this proposal. Thus, if you are a beneficial owner holding shares through a broker, bank or other holder of record and you do not vote on this proposal, your broker may cast a vote on your behalf for this proposal.

Proposal No. 4—Approval of Corporate Name Change: The affirmative vote of the holders of a majority of shares of common stock present in person or represented by proxy and entitled to vote at the Annual Meeting, is required to approve the amendment to our Restated Articles of Incorporation, as amended, to change our corporate name to Usio, Inc. A properly executed proxy marked “ABSTAIN” with respect to this proposal will not be voted, although it will be counted for purposes of determining the number of shares of common stock entitled to vote. Accordingly, an abstention will have the effect of a negative vote. Because Proposal No. 4 is a routine proposal on which a broker or other nominee is generally empowered to vote, broker “non-votes” likely will not result from this proposal. Thus, if you

are a beneficial owner holding shares through a broker, bank or other holder of record and you do not vote on this proposal, your broker may cast a vote on your behalf for this proposal.

GOVERNANCE

Proposal No. 1 – Election of Director

Election of one Class II director nominee. The Board believes that the nominee’s knowledge, skills, and abilities would positively contribute to the function of the Board as a whole. Accordingly, your proxy holder will vote your shares FOR the election of the Board’s nominee named below unless you instruct otherwise.

Directors and Nominees

As established by our Bylaws, our Directors are divided into three classes serving staggered three-year terms. Our Board currently consists of five directors:

	Name	Position with our Company	Director Since	Term Expires
Class I	Louis A. Hoch	President, CEO, and Class I Director	1998	2021
	Blaise C. Bender	Class I Director	2019	2021
Class II	Michael R. Long	Chairman of the Board, and Class II Director	1998	2022
Class III	Miguel A. Chapa	Class III Director	2015	2020
	Bradley Rollins	Class III Director	2017	2020

With regard to the election of directors, votes may be cast “FOR” or “WITHHOLD.” Provided that a quorum is present, the affirmative vote by the holders of a plurality of the shares of common stock present and voting at the 2019 Annual Meeting is required to elect the nominee for director.

What am I voting on?

Shareholders are being asked to elect one Class II director nominee for a three-year term. The following sections include information about all Directors, including Michael R. Long, this year’s nominee.

Required Vote

The affirmative vote of a plurality of the shares of common stock present or represented by proxy and entitled to vote at the Annual Meeting, in person or by proxy, is required for the election of the nominee. Thus, assuming a quorum is present at the 2019 Annual Meeting, the nominee who receives the most affirmative votes will be elected as Class II director. Abstentions and broker “non-votes” will have no effect on the voting outcome with respect to the election of directors.

Voting Recommendation

The Board of Directors recommends a vote FOR the election of Class II Director, Michael R. Long.

He has also held the position of our Chief Executive Officer until August 4, 2016, and as our Chief Financial Officer from September 2003 to March 2015. Since August 4, 2016, Mr. Hoch has been our Chief Executive Officer. Mr. Hoch manages the day-to-day affairs of our Company and leads the Board meetings. Mr. Hoch has also served as our President, Chief Operating Officer, and a director of our Company since July 1998, and also serves as Vice Chairman of our Board of Directors. Mr. Miguel Chapa served on our Board of Directors since April 24, 2015. Mr. Steve Huffman served as our independent director from November 11, 2016 to April 1, 2019. Our Board appointed Mr. Rollins as independent director on May 5, 2017. Effective April 1, 2019, our Board appointed Mr. Blaise Bender as independent director. Our Board believes that having a majority of independent directors serves our Company well.

The Board believes that its structure should be informed by the needs and circumstances of our Company, the Board, and our shareholders. With this in mind, the Board believes that its structure is currently serving our Company well, and intends to maintain this where appropriate and practicable in the future.

Risk Oversight Management

The Board of Directors takes an active role, as a whole and at the committee level, in overseeing management regarding our Company's risks. Our management keeps the Board of Directors apprised of significant risks facing our Company and the approach being taken to understand, manage and mitigate such risks. Specifically, strategic risks are overseen by the full Board of Directors; financial risks are overseen by the Audit Committee; risks relating to compensation plans and arrangements are overseen by the Compensation Committee; risks associated with director independence and potential conflicts of interest are overseen by the Audit Committee. Additional review or reporting on enterprise risks is conducted as needed or as requested by the full Board of Directors or the appropriate committee.

Director Nominations

The Board of Directors nominates directors for election at each annual meeting of shareholders and appoints new directors to fill vacancies when they arise. The Nominations and Corporate Governance Committee has the responsibility to identify, evaluate, recruit and recommend qualified candidates to the Board of Directors for nomination or election.

One of the Board of Directors' objectives in evaluating director nominations is to ensure that its membership is composed of experienced and dedicated individuals with a diversity of backgrounds, perspectives and skills. The Nominations and Corporate Governance Committee selects nominees for director based on the nominee's character, judgment, diversity of experience, business acumen, and ability to act on behalf of all shareholders. We do not have a formal diversity policy; however, the Governance Committee endeavors to have a Board representing diverse viewpoints as well as diverse expertise at policy-making levels in many areas, including business, accounting and finance, manufacturing, marketing and sales, education, legal, government affairs, regulatory affairs, research and development, business development, technology and in other areas that are relevant to our activities.

The Governance Committee believes that nominees for director should have experience, such as those mentioned above, that may be useful to our Company and the Board of Directors, high personal and professional ethics and the willingness and ability to devote sufficient time to carry out effectively their duties as directors. The Governance Committee believes it's appropriate for at least one, and, preferably, multiple, members of the Board of Directors to meet the criteria for an "audit committee financial expert" as defined by rules of the SEC, and for a majority of the members of the Board of Directors to meet the definition of "independent director" as defined by the Nasdaq Listing Rules. The Governance Committee also believes it's appropriate for key members of our management to participate as members of the Board of Directors. Prior to each annual meeting of shareholders, the Governance Committee identifies nominees first by evaluating the current directors whose term will expire at the annual meeting and who are willing to continue in service. These candidates are evaluated based on the criteria described above, including as demonstrated by the candidate's prior service as a director, and the needs of the Board of Directors with respect to the particular talents and experience of its directors. In the event that a director does not wish to continue in service, the Governance Committee determines not to re-nominate the director, a vacancy is created on the Board of Directors as a result of a resignation, an increase in the size of the Board or other event, the Committee will consider various candidates for Board membership, including those suggested by the Committee members, by other Board members, by any executive search firm engaged by the Committee or by shareholders. The Governance Committee recommended the nominees for election included in this Proxy Statement.

We consider recommendations for director candidates from our directors, officers, employees, shareholders, customers, and vendors. Shareholders wishing to nominate individuals to serve as directors may submit such nominations, along with a nominee's qualifications, to our Board of Directors at Payment Data Systems, Inc., 3611 Paesanos Parkway, Suite 300, San Antonio, Texas, 78231, and the Board of Directors will consider such nominee. Shareholder Communications with the Board of Directors

If you wish to communicate with the Board of Directors, you may send your communication in writing to: Secretary, Payment Data Systems, Inc., 3611 Paesanos Parkway, Suite 300, San Antonio, Texas, 78231. Role of the Compensation Committee

The Compensation Committee’s primary functions are to assist the Board of Directors in meeting its responsibilities in regards to oversight and determination of executive compensation and to review and make recommendations with respect to our major compensation plans, policies and programs. Also, to ensure that we are strategically and competitively positioned for the future, the Compensation Committee has the discretion to attribute significant weight to other factors in determining executive compensation, such as maintaining competitiveness, expanding markets, pursuing growth opportunities and achieving other long-range business and operating objectives. The level of compensation should also allow us to attract, motivate, and retain talented executive officers that contribute to our long-term success. The compensation of our Chief Executive Officer and other executive officers is comprised of cash compensation and long-term incentive compensation in the form of base salary, restricted stock awards and stock options with the possibility to earn bonuses.

Participants may contribute between 1% and 80% of their pre-tax compensation but may not contribute more than the maximum as mandated by law. In 2018 and 2017, we matched 100% of employee contributions up to 3% and 50% of the employee contribution over 3% with a maximum employee contribution of 5%. We made matching contributions of \$88,284 and \$65,478 in 2018 and 2017, respectively.

Non-qualified Deferred Compensation

We do not have any non-qualified defined contribution plans or other deferred compensation plans.

Potential Payments Upon Termination or Change of Control

The employment agreements we entered into with Mr. Hoch, Mr. Jewell, and Mr. Landers respectively, provide for potential payments upon termination or a change of control.

Pursuant to our employment agreement with Louis Hoch, our President, Chief Executive Officer, and Chief Operating Officer, as amended, in the event of change in control, termination without cause, or non-renewal of the employment agreement, we will be liable for separation payments, equaling an amount of (a) 2.95 times the base salary and bonus payments, plus (b) a pro rata portion of the annual bonus based on the number of days elapsed in the year prior, plus (c) two times the base salary for non-competition, and (d) one year of continuing other benefits. In the case of termination of the agreement due to the death of Mr. Hoch, we will be liable for separation payments, equaling an amount of 2.95 times the base salary. The deferred compensation does not include amounts paid or accrued to Mr. Hoch for bonuses or bonus compensation, benefits or equity awards. Unpaid and unearned bonus compensation or bonus deferred compensation is forfeited. No deferred compensation will be due as long as we and/or an insurance company continue to pay Mr. Hoch's base salary, minus any monthly base salary already paid to Mr. Hoch prior to his death pursuant to his disability, to his estate for a period of up to 36 months. If these continuing payments cease before 36 months, we will have to pay his estate the deferred compensation minus any base salary payments within 30 days of the cessation. Further, all stock options issued to Mr. Hoch and all restricted stock granted to executive shall continue on their vesting schedule.

In the case of termination of the agreement due to disability without death by Mr. Hoch, we will be liable for separation payments, equaling an amount of disability benefits constituting base salary for 36 months. Unpaid and unearned bonus compensation or bonus deferred compensation is forfeited. Further, all stock options issued to Mr. Hoch and all restricted stock granted to him shall continue on their vesting schedule. No further compensation will be due for compliance with the agreements' non-compete, non-solicitation and disparagement clauses.

Pursuant to our employment agreement with Mr. Jewell, our Chief Financial Officer, in the event of change in control, termination upon our default, for good reason or without cause we will be liable for separation payments. The deferred compensation shall be the amount which is calculated as the base salary payments Mr. Jewell would have received had his employment continued for the remaining term of the employment agreement (including yearly increases calculated at the maximum increase for the prior two years), plus all of the benefits remaining under the employment agreement and a pro rata portion of the bonus compensation for that year. In addition, all stock options and restricted stock granted to Mr. Jewell will become fully vested.

Pursuant to our employment agreement with Mr. Vanders, our Chief Revenue Officer, in the event of change in control, termination upon our default, for good reason or without cause we will be liable for separation payments. In the event of a change of control, Mr. Landers will also receive an amount equal to twelve months of his base salary, which was in effect immediately prior to the change of control. In addition, all stock options and restricted stock granted to Mr. Landers will become fully vested.

Proposal No. 2 – Advisory Vote to Approve Executive Compensation

The Dodd-Frank Wall Street Reform and Consumer Protection Act added Section 14A to the Securities Exchange Act of 1934. As required pursuant to Section 14A of the Exchange Act, Proposal No. 2 is a non-binding, advisory proposal on the compensation that we paid to our Named Executive Officers for the year ended December 31, 2018. The Board of Directors is providing shareholders with the opportunity to cast an advisory vote on the compensation of our Named Executive Officers. This proposal, commonly known as a “say-on-pay” proposal, gives you, as a shareholder, the opportunity to endorse or not endorse our executive compensation programs and policies and the compensation paid to our Named Executive Officers for the year ended December 31, 2018.

We believe in the power of open disclosure and know the only way to build and strengthen our reputation and our Company is through honesty and trust. In connection with that belief and as required by SEC rules, we are asking our shareholders to approve, on an advisory basis, the compensation that we paid to our Named Executive Officers.

As discussed under the heading “Executive Compensation—Compensation Overview” in this Proxy Statement, our compensation objectives are to: attract and retain highly qualified individuals with a demonstrated record of achievement; reward past performance; provide incentives for future performance; and align the interests of the

Named Executive Officers with the interests of our shareholders. The Board is asking shareholders to support this proposal based on the disclosure set forth in these sections of this Proxy Statement, which, among other things, demonstrates:

- our commitment to ensuring executive compensation is aligned with our corporate strategies and business objectives and competitive with those of other companies in our industry;
- the design of our compensation programs is intended to reward our Named Executive Officers for the achievement of key strategic and financial performance measures by linking short- and long-term cash and equity incentives to the achievement of measurable corporate and individual performance goals; and

our strong emphasis on the alignment of the incentives of our Named Executive Officers with the creation of increased shareholder value.

Required Vote

Because this proposal asks for a non-binding, advisory vote, there is no required vote that would constitute approval. We value the opinions expressed by our shareholders in this advisory vote, and our Compensation Committee, which is responsible for overseeing and administering our executive compensation programs, will consider the outcome of the vote when designing our compensation programs and making future compensation decisions for our Named Executive Officers. Abstentions and broker “non-votes,” if any, will not have any impact on this advisory vote.

Voting Recommendation

The Board of Directors is asking shareholders to cast a non-binding, advisory vote FOR the following resolution: “RESOLVED, the shareholders of Payment Data Systems, Inc. approve on an advisory basis, the compensation paid to our Named Executive Officers as disclosed pursuant to the compensation disclosure rules of the SEC, including the compensation tables and accompanying narrative disclosure under the heading “Executive Compensation.”

AUDIT MATTERS

Report of the Audit Committee

In 2018, the Audit Committee was comprised of our independent directors Messrs. Chapa, Huffman (chair), and Rollins. Effective April 1, 2019, our Board appointed Mr. Blaise Bender to chair the Audit Committee.

The Audit Committee's purpose is to assist the Board of Directors in its general oversight of our financial reporting, internal control and audit functions. Management is responsible for the preparation, presentation and integrity of our financial statements, accounting and financial reporting principles and internal controls and procedures designed to ensure compliance with accounting standards, applicable laws and regulations. Akin, Doherty, Klein & Feuge, P.C., our independent registered accounting firm, is responsible for performing an independent audit of the consolidated financial statements in accordance with standards of the Public Company Accounting Oversight Board.

In overseeing the preparation of our financial statements, the Audit Committee has had access to our management to review and discuss all financial statements prior to their issuance and to discuss significant accounting issues.

Management advised the Audit Committee that all financial statements were prepared in accordance with U.S. generally accepted accounting principles. The Audit Committee has met with our independent auditors with regard to our audited financial statements for the year ended December 31, 2018. For the year ended December 31, 2018, the Audit Committee did receive the independent auditor's letter and written disclosures required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees).

In reliance on the reviews and discussion with management and the independent registered public accounting firm referred to above, the Audit Committee recommended to the Board of Directors, and the Board approved, the inclusion of the audited financial statements in Payment Data Systems' Annual Report on Form 10-K for the year ended December 31, 2018, for filing with the SEC. The Audit Committee recommended, and the Board appointed Akin, Doherty, Klein & Feuge, P.C. to serve as Payment Data Systems' independent registered public accounting firm for the year ending December 31, 2019.

Required Vote

Page 21

Ratification of the appointment of Akin, Doherty, Klein & Feuge, P.C. requires the affirmative vote of a majority of the shares present and voting at the 2019 Annual Meeting in person or by proxy. Unless marked to the contrary, proxies received will be voted “FOR” ratification of the appointment. A properly executed proxy marked “ABSTAIN” with respect to this proposal will not be voted, although it will be counted for purposes of determining the number of shares of common stock entitled to vote. Accordingly, an abstention will have the effect of a negative vote. Because this Proposal is a routine proposal on which a broker or other nominee is generally empowered to vote, broker “non-votes” likely will not result from this Proposal. Thus, if you are a beneficial owner holding shares through a broker, bank or other holder of record and you do not vote on this Proposal, your broker may cast a vote on your behalf for this Proposal. In the event ratification is not obtained, the Audit Committee and the Board will review its future selection of our independent registered public accounting firm but will not be required to select a different independent registered public accounting firm.

Voting Recommendation

Your Board of Directors recommends a vote FOR the ratification of Akin, Doherty, Klein & Feuge, P.C. as our independent registered public accounting firm for the year ending December 31, 2019.

The aggregate fees billed to us for professional accounting services, including the audit of our annual consolidated financial statements by our independent registered public accounting firm for the years ended December 31, 2018 and 2017, are set forth in the table below.

Tax fees	16,475	16,000
Other fees	1,480	10,500
Total fees	\$110,455	\$126,785

For purposes of the preceding table, the professional fees are classified as follows:

Audit Fees. Audit fees include fees for professional services billed for the audit of the consolidated financial statements included in our annual report on Form 10-K filing, the review of consolidated financial statements included in our quarterly reports on Form 10-Q filings, comfort letters, consents and assistance with and review of documents filed with the SEC. Tax Fees. Tax fees include fees for professional services rendered by our independent registered public accounting firm for tax compliance, tax planning and tax advice. Tax compliance involves preparation of original and amended tax returns. PROPOSAL 4 – Corporate Name Change

Our Board unanimously approved an amendment to our Restated Articles of Incorporation, as amended, to change our corporate name from “Payment Data Systems, Inc.” to “Usio, Inc.” The Board believes it is in our Company and our shareholders best interests to effect the name change and recommends to our shareholders the approval and adoption of the name change amendment.

Reasons for the Amendment

We believe changing our corporate name to Usio (pronounced “you-see-oh”) will more accurately reflect our current business activities. Over our more than 20-year history, Payment Data Systems has provided ACH processing and payment card solutions to a number of niche markets. During this time, we became a well-recognized and market leading payments provider within the non-profit and consumer financial services industries. However, over the past several years we have expanded both our product offerings and our target markets. The acquisitions of Akimbo Financial in 2014 and Singular Payments in 2017 accelerated the evolution of our business toward a true Fintech platform that now offers turn-key, full-stack solutions covering processing needs from issuing to acquiring and offering interfaces ranging from mobile apps to application programming interfaces. We believe the market and industry at large has not fully recognized and appreciated this evolution, in part because our current Company name, Payment Data Systems, does not reflect the business that exists today. In addition, not only have we broadened our product suite, but we also adopted a number of brands and logos that have furthered market confusion in regards to our corporate identity. We believe a new brand strategy is required to better position the Company and communicate the value proposition to the marketplace. The new name Usio represents the ‘fusion’ of the many products, many services, many people and infinite possibilities created through innovative technology. We strongly believe that this new brand is innovative, fresh and honors our past while most importantly, provides direction as to where we are headed as a Fintech organization. The Board believes that it is in our and our shareholders’ best interests to change our corporate name to “Usio, Inc.” to better communicate to the public the nature of our business operations and enable us to develop a new brand strategy and position Usio for the future.

Effects of the Amendment

The Board has adopted resolutions setting forth the proposed amendment in the form of an amendment to Article One of our Restated Articles of Incorporation, as amended, and recommends that the shareholders approve and vote “FOR” such amendment. The resolutions also provide that the amendment be submitted to the shareholders entitled to vote thereon for consideration at the Annual Meeting in accordance with Nevada corporation law. The following is the text of the proposed amendment to Article One of our Restated Articles of Incorporation, as amended:

“The name of the corporation is: Usio, Inc.”

If approved, the amendment to our Restated Articles of Incorporation, as amended, will become effective upon the filing of the amendment with the Secretary of State of the State of Nevada, which will occur following the Annual Meeting at the discretion of the Company. We will also change our trading symbol of our common stock from “PYDS” to “USIO” with the Nasdaq Stock Market.

The change in the Company’s name will not affect the status of the Company or the rights of any shareholder in any respect, or the transferability of stock certificates presently outstanding. If the name change amendment becomes effective, the rights of shareholders holding certificated shares under currently outstanding stock certificates and the number of shares represented by those certificates will remain unchanged. The name change will not affect the validity or transferability of any currently outstanding stock certificates nor will it be necessary for shareholders with certificated shares to surrender or exchange any stock certificates they currently hold as a result of the name change. Any new stock certificates that are issued after the name change becomes effective will bear the name “Usio, Inc.” If the name change amendment is not approved by the shareholders, the proposed amendment to our Restated Articles of Incorporation, as amended, will not be made and our corporate name will remain unchanged.

Required Vote

Approval of an amendment to our Restated Articles of Incorporation, as amended, requires the affirmative vote of the holders of a majority of the outstanding shares of common stock, voting as a class, entitled to vote thereon.

Abstentions will have the same effect as a vote against this proposal, and your broker (or another organization that holds your shares for you) may exercise its discretionary authority to vote your shares in favor of this proposal.

Voting Recommendation

Our Board recommends that the shareholders vote "FOR" Proposal 4 to approve an amendment to our Restated Articles of Incorporation, as amended, to change our corporate name to "Usio, Inc."

“Householding” of Proxy Materials

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements with respect to two or more shareholders sharing the same address by delivering a single proxy statement addressed to those shareholders. This process, which is commonly referred to as “householding,” potentially provides extra convenience for shareholders and cost savings for us. Under this procedure, multiple shareholders who share the same last name and address will receive only one copy of the annual proxy materials, unless they notify us that they wish to continue receiving multiple copies. We have undertaken householding to reduce our printing costs and postage fees.

If you wish to opt-out of householding and continue to receive multiple copies of the proxy materials at the same address, you may do so at any time prior to thirty days before the mailing of proxy materials, which will typically be mailed in June of each year, by notifying us in writing at: Secretary, Payment Data Systems, Inc., 3611 Paesanos Parkway, Ste. 300, San Antonio, TX 78231, or by contacting us at (210) 249-4100. You also may request additional copies of the proxy materials by notifying us in writing at the same address or contacting us at (210) 249-4100, and
