ITEM 1.01 Entry into a Material Definitive Agreement.

Settlement and Patent License Agreement

On April 29, 2011, TiVo Inc. ("TiVo"), on the one hand, and DISH Network Corporation ("DISH") and EchoStar Corporation ("EchoStar"), on the other hand, entered into a Settlement and Patent License Agreement (the "Agreement"), pursuant to which the parties have agreed that they will release all claims against each other with respect to all outstanding litigation between them, which litigation is described in TiVo's periodic reports filed with the Securities and Exchange Commission (the "Commission"), and certain other potential claims, including any challenges by either party to the other party's patents related to DVR-technology covered by the license, and provide the other party with a license to certain patents owned by each party.

Under the Agreement, EchoStar and DISH have agreed to pay TiVo \$500,000,000 in cash, and the releases and respective licenses will be effective and dismissals of litigation filed with the appropriate courts after the initial payment of \$300,000,000 is received by TiVo by no later than May 2, 2011. The remaining \$200,000,000 will be paid to TiVo in equal annual installments of approximately \$33.3 million from 2012 until 2017.

Pursuant to the Agreement, TiVo granted EchoStar a license to its U.S. Patent No. 6,233,389 (the "389 Patent"), including specified related patents and patent applications to design, make and sell certain DVR products solely for DISH and two international customers. TiVo granted DISH a license to its '389 patent, including specified related patents and patent applications, with respect to DISH-branded and co-branded products and services. EchoStar granted TiVo a license to U.S. Patent Nos. 6,208,804, 6,529,685, 5,721,878, 5,721,815, and 5,751,883, including specified related patents and patent applications for TiVo-branded, co-branded or ingredient branded products and services. The Agreement expires at the end of the remaining life of the '389 patent in 2018. In addition, the Agreement, including the respective licenses granted pursuant to the Agreement, may be terminated in whole or in part under certain circumstances with respect to a party, such as upon a material breach by a party of its obligations under the agreement (including but not limited to a failure to make timely payment).

The foregoing description of the Agreement is qualified in its entirety by reference to the full text of the Agreement which TiVo intends to file with the Commission as an exhibit to the applicable periodic report and is incorporated by reference herein. TiVo intends to seek confidential treatment of certain terms of the Agreement in connection with its filing in accordance with the procedures of the Commission.
