PROXY STATEMENT

FOR ANNUAL MEETING OF STOCKHOLDERS TO BE HELD JUNE 9, 2006

GENERAL

Our Board of Directors is soliciting the enclosed proxy for use at our Annual Meeting of Stockholders to be held on Tuesday, June 9, 2006 at 1999 Avenue of the Stars, 7th Floor, Los Angeles, California at 9:00 a.m. (local time) and at any adjournment.

We will vote all valid and properly executed proxies that we receive before the Annual Meeting in accordance with the instructions specified in the proxy. If proxies do not give any instructions, we will vote shares **FOR**: (1) the election of the named nominees for director; (2) ratification of KPMG LLP's appointment as independent accountants for 2006; and (3) according to the best judgment of the proxyholder in regard to any other matter that properly comes before the meeting.

You may revoke your proxy at any time before it is actually voted at the Annual Meeting by delivering a written notice of revocation to our corporate Secretary or attending the meeting and withdrawing your proxy.

We will pay the cost of this proxy solicitation. Brokers and nominees should forward soliciting materials to the beneficial owners of the stock such brokers and nominees hold of record. We will reimburse them for their reasonable forwarding expenses. Our directors, officers and regular employees, without extra compensation, may solicit proxies personally, by telephone, by mail or by other means of communication.

VOTING SECURITIES

Each share of common stock has one vote on all matters submitted to our stockholders at the Annual Meeting. Stockholders of record at the close of business on April 26, 2006 are entitled to vote at the Annual Meeting. On April 26, 2006, our issued and outstanding voting securities consisted of 16,046,763 shares of common stock.

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority in voting power of the outstanding shares of our common stock entitled to vote will constitute a quorum for the meeting. Assuming such a quorum is present, for the purpose of electing directors, the affirmative vote of a plurality of votes cast is necessary to approve the election of a director. For the purpose of approving all other proposals presented to our stockholders at the Annual Meeting, the affirmative vote of a majority in voting power of the shares of common stock that are present in person or by proxy and entitled to vote thereon is necessary for approval.

Counting of Votes

Our inspector of elections will count all votes cast in person, by proxy or by written consent at the meeting. Abstentions will be treated as shares that are present and entitled to vote for purposes of determining the presence of a quorum, and will be treated as votes cast and have the same effect as a vote against a proposal. Under Delaware law, if you hold your shares in street name through a broker or nominee and do not provide specific voting instructions with respect to any matter, your broker or nominee will have discretionary authority to vote on routine matters and those shares will be counted for general quorum purposes.

BOARD OF DIRECTORS

Election of Directors

Each of these nominees has been proposed by the Nominating and Governance Committee and will serve until the annual meeting of stockholders in 2007 or until his successor is elected and qualified.

Each nominee has indicated his willingness to serve if elected, but if any nominee should become unable to serve, we will vote your proxies for the election of such other person as our directors select.

Mr. Conlin receives \$5,000 per quarter for his services as a director. Mr. Corrigan receives \$5,000 per quarter for his services as a director and \$2,000 per quarter for his services as our Audit Committee Chairman. Each option vested 25% on the date of grant and vests an additional 25% on each of the succeeding three anniversaries of the issue date. No other grants of stock options were made to our directors in 2005.

Board of Directors Meetings

The Board of Directors met six times during 2005. Each of our directors attended at least 75% of the aggregate number of board meetings and meetings of committees on which he served in 2005.

Board Committees

We have an audit committee, a compensation committee and a nominating and governance committee. The full text of all of our committee charters is available on the Company's website at www.acmecomcommunications.com.

Audit Committee

In April 2004 the Board of Directors amended our Audit Committee Charter. Our Audit Committee is comprised of Michael Corrigan (Chairman), James Collis and John Conlin. Our Board has determined that each Audit Committee member is independent, and Mr. Corrigan is a financial expert, under the rules and regulations of the Securities and Exchange Commission and NASDAQ. Our Audit Committee engages our independent public accountants, reviews with the independent public accountants the plans and results of such audit engagement, approves professional services provided by the independent public accountants, reviews the independence of the independent public accountants, considers the range of audit and non-audit fees, reviews the adequacy of our internal accounting controls and reviews our critical accounting policies and is responsible for overseeing a variety of other accounting and financial reporting issues as enumerated in its charter. The Audit Committee met four times in 2005. See Audit Committee Report.

Compensation Committee

Our Compensation Committee is comprised of Brian McNeill (Chairman) and Thomas Embrescia. The committee determines the compensation and employment agreement terms of our executive officers and administers our 1999 Stock Incentive Plan, as amended. The Compensation Committee met three times in 2005. See Compensation Committee Report.

Nominating and Governance Committee

Our Nominating and Governance Committee was formed in April 2004 and is comprised of James Collis (chairman), Michael Corrigan, Thomas Embrescia and Brian McNeill. The board has determined that each of the members of the committee qualifies as an independent director as defined under The Nasdaq Stock Market's National Market listing standards. The Nominating and Governance Committee identifies, evaluates and recommends to the board of directors candidates for appointment or election to the board, as appropriate. It also evaluates the nature, structure and composition of other Board committees. In connection with Mr. Conlin's appointment to the board in February 2005, the committee discussed Mr. Conlin's candidacy and qualifications and, upon consensus of the committee, recommended to the board that Mr. Conlin be appointed director. The committee has met and determined that all those persons named as nominees in this proxy statement be nominated for election to the board of directors. The committee will meet at other times as needed to consider candidates to fill any vacancies that may occur.

At least once a year, the committee will consider whether the number of directors is appropriate for the Company's needs and recommend to the Board any changes in the number of directors and evaluate the performance of the Board and its committees. In addition, the committee (a) oversees the evaluation of the Board and management and (b) develops and recommends to the Board a set of corporate governance principles. The committee will monitor and reassess from time to time these corporate governance principles. The committee met twice in 2005.

A stockholder may submit the name of a director candidate for consideration by the Nominating and Governance Committee by writing to: Nominating and Governance Committee, ACME Communications, Inc., 2101 E. Fourth St., Suite 202A, Santa Ana, CA 92705. The stockholder must submit the following information in support of the candidate: (a) the name and address of the stockholder recommending the candidate; (b) a representation that the stockholder recommending the candidate is a stockholder of the Company's stock; (c) a description of any arrangement or understanding between the stockholder and the candidate and any other person or persons regarding the stockholder's submission of the candidate's name for consideration, and identifying such person or persons by name, address and affiliation with the stockholder, the candidate, and the Company, if any; (d) such other information regarding the candidate as the Company would be required to include in a proxy statement filed pursuant to the proxy rules of the Securities and Exchange Commission if the Board were to nominate the candidate for election as a director or if the Board were to appoint the candidate as a director; (e) the consent of the candidate to be identified to the board for consideration and to be identified in the proxy; and (f) the consent of the candidate to serve as a director if elected. The committee may refuse to consider any candidate for whom the stockholder fails to provide the information mentioned above.

In evaluating a director candidate, the Nominating and Governance Committee will consider the candidate's independence, character, corporate governance skills and abilities, business experience, training and education, commitment to performing the duties of a director, and other skills, abilities or attributes that fill specific needs of the board or its committees. The committee will use the same criteria in evaluating candidates suggested by stockholders as for candidates suggested by other sources.

Annual Stockholders Meeting

It is our policy that all directors make every reasonable effort to attend the annual stockholder meeting, either in person or by telephone. Messrs. Kellner and Allen were physically present at the Company's 2005 Annual Shareholders Meeting, held in Los Angeles, CA, on May 25, 2005. All of our other directors were present by telephone.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Registration Rights

We have a registration rights agreement with all of our pre-initial public offering investors who still hold our capital stock, including Messrs. Kellner, Allen and Gealy, Collis, Embrescia and McNeill or their affiliates. At any time, these stockholders, holding an aggregate of at least 25% of the stock covered by this registration rights agreement, may demand that we file a registration statement covering our securities held by them. However, the securities to be registered must have an anticipated aggregate public offering price of at least \$10.0 million. These stockholders can effect two such demand registrations.

In addition, at any time we are eligible to use a Registration Statement on Form S-3 to register an offering of our securities, these stockholders may request that we file a registration statement on Form S-3, covering all or a portion of our securities held by them, if the aggregate public offering price is at least \$2.0 million. These stockholders can request that we file two S-3 registration statements per year. In addition, these stockholders have piggyback registration rights. If we propose to register any common stock, these stockholders may require us to include all or a portion of their securities in such registration.

These registration rights are subject to our right to delay the filing of a registration statement, not more than once in any 12-month period, for not more than 90 days.

We would bear all registration expenses incurred in connection with these registrations. The stockholders would pay all underwriting discounts, selling commissions and stock transfer taxes applicable to the sale of their securities.

The registration rights of each stockholder under this registration rights agreement terminate when such stockholder transfers its securities under Rule 144 promulgated under the Securities Act or their shares have otherwise been transferred.

EMPLOYMENT ARRANGEMENTS AND AGREEMENTS

Employment Contracts

We have a non-exclusive consulting agreement with Mr. Kellner. In connection with his agreement, Mr. Kellner directs overall Company strategy and supervises the Company's Chief Operating and Chief Financial Officers and is regularly involved with senior management in monitoring and overseeing the Company's progress and performance. We have full-time exclusive employment agreements with each of Messrs. Gealy and Allen. Each of the three executives were entitled to an increase of 1.6% of their base salary effective January 1, 2002, which they each declined. In January 2002, we exercised our option to extend the agreements with Messrs. Kellner, Gealy and Allen from June 16, 2002 to September 29, 2003. Although our exercise of these options entitled each of them to receive a 10% increase in their base compensation for the extended term, each waived their increase. The Compensation Committee authorized, and in August 2003 the executives entered into, agreements to extend the consulting and employment agreements through September 2006.

As of December 31, 2005 Mr. Kellner's annual consulting fee was \$258,500, and will remain at this amount until his agreement expires on September 30, 2006. Mr. Kellner is entitled to annual cash bonuses as determined by our Compensation Committee. No cash bonus was awarded to Mr. Kellner for 2005.

As of December 31, 2005, each of Mr. Gealy's and Mr. Allen's base salary was \$387,750, and will remain at this amount until their agreements expire on September 30, 2006. Mr. Gealy and Mr. Allen are entitled to annual cash bonuses as determined by our Compensation Committee. No cash bonuses were awarded to Messrs. Gealy and Allen for 2005.

The Compensation Committee also is charged with the responsibility to recommend to our Board of Directors for adoption an annual cash incentive plan under which Messrs. Kellner, Gealy and Allen will be eligible to receive awards. To date, the executives have declined the committee's invitation to propose appropriate incentives and, therefore, the Board has not yet adopted such a plan.

Mr. Danduran is employed by us pursuant to a full-time exclusive employment agreement that expires December 31, 2006. Mr. Danduran's base annual salary was \$175,000 at December 31, 2005 and there are no contractual increases in his salary contained in his employment agreement. Mr. Danduran is eligible for a discretionary annual cash bonus of up to 20% of his current base salary. No cash bonus was awarded to Mr. Danduran for 2005.

COMPARISON OF CUMULATIVE TOTAL RETURNS

The following graph compares the cumulative total stockholder return on a \$100 investment in our common stock with the cumulative total return of a \$100 investment in (a) the NASDAQ Composite Index and (b) a composite index of the following three peer companies: (1) Hearst-Argyle Television, Inc., (2) Sinclair Broadcasting Group, Inc. and (3) Young Broadcasting Inc. Our peers were selected by the Company on a line-of-business basis and weighted for market capitalization.

The graph is intended to provide a relevant comparison of total returns for the five-year period from December 31, 2000 through December 31, 2005. The total return on the common stock is measured by dividing the difference between the common stock price at the end and the beginning of the measurement period by the common stock price at the beginning of the measurement period. The graph for our Company and each of the indices also assumes the reinvestment of dividends. Note: We caution that past stock price performance shown for our common stock is not necessarily indicative of future price performance.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee is, and during 2005 was, composed entirely of the outside directors named as signatories to the Compensation Committee Report on Executive Compensation. The Compensation Committee members do not have any relationship with the Chief Executive Officer, other executive officers, or the Company, other than their directorships.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee consists of Mr. McNeill (Chairman) and Mr. Embrescia, both of whom are non-employee directors. The philosophy of the Compensation Committee is to attract, motivate and retain highly skilled and effective executives who can achieve long-term success in the Company's present competitive environment. The Compensation Committee is responsible for determining our Chief Executive Officer's compensation, making recommendations to our Board concerning our other executive officers' compensation levels, administers our stock incentive plan and determines awards to be made under the plan to our officers and all other eligible individuals. The Compensation Committee may consider other forms of compensation, both short and long-term, in addition to those generally described above. The Compensation Committee recommended to the Board the approval of, and the Board approved Messrs. Kellner's, Gealy's and Allen's consulting and employment and consulting agreements and the August 23, 2003 amendments extending the terms of those agreements through September 30, 2006. Based upon the general economic uncertainties and continuing uncertain advertising demand and the resultant impact on the Company and the industry, the Compensation Committee determined not to provide for contractual increases in the executives' base compensation. The Compensation Committee, based on management's recommendations and Company performance, did not award bonuses or options to the executive officers for 2005.

Chief Executive Officer Compensation. In 2005, Mr. Kellner was compensated in accordance with his amended consulting agreement, which provides for an annual consulting fee of \$258,500. In determining the annual consulting fees established in his original and extended consulting agreement, the Compensation Committee considered, among other things, the compensation of comparable executives at peer companies in the broadcasting industry (some of which are included in the peer group index in the performance graph), taking into account Mr. Kellner's responsibilities, experience and individual performance. Mr. Kellner's consulting agreement also provides that in the event the agreement is terminated as a result of a change in control, as defined in the agreement, he will be entitled to receive his consulting fee for the lesser of (a) the balance of the agreement or (b) one year. If Mr. Kellner is terminated for any other reason except in connection with a change in control or for cause, as defined in the agreement, he is entitled to severance in the amount of the full payment remaining under his agreement and such severance is without mitigation.

Other Executives. Basing its decision on factors similar to those used in setting the Chief Executive Officer's pay, the committee also authorized the Company to enter into three-year extensions of the employment contracts with each of Mr. Allen and Mr. Gealy. These agreements provide for a base salary and a discretionary annual cash bonus. Each of the executive officer's base salary for 2005 was \$387,750 which was determined using the same criteria set forth above for Mr. Kellner. Each of the executive officer's base salary will be \$387,750 through the remainder of their employment agreement terms. Mr. Allen and Mr. Gealy's employment agreements contain termination provisions identical to those contained in Mr. Kellner's consulting agreement described above. Mr. Danduran is employed under an employment agreement which expires on December 31, 2006 and provides for a base salary of \$175,000 per year and a discretionary annual cash bonus.

Stock Options. In an effort to motivate and retain key Company management, the Compensation Committee authorized the grant of stock options on August 8, 2005 which required the grantees to forfeit certain previously issued and vested stock grants. The new stock grants were made based on subjective assessments as to the appropriate level of equity to be granted to properly incentivize the executives and align their interests with those of the Company's stockholders. Messrs. Kellner, Gealy and Allen did not receive any of these stock options. Mr. Danduran received options of 48,125 at \$6.00 per share and 48,125 at \$7.00 per share, with each grant vesting equally in three annual installments commencing on the first anniversary of the grants.

The foregoing report of the Compensation Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act or the Exchange Act, except to the extent the Company specifically incorporates such report by reference therein.

AUDIT COMMITTEE REPORT

Our Audit Committee is composed of three independent directors and operates under a written charter adopted by our Board of Directors. The Audit Committee selects our independent accountants.

Management is responsible for our internal controls and the financial reporting process. The independent accountants are responsible for performing an independent audit of our consolidated financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In this context, the Audit Committee has met and held discussions with management and the independent accountants. Management represented to the Audit Committee that our consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent accountants. The Audit Committee discussed with the independent accountants all matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

Our independent accountants also provided to the Audit Committee the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent accountants that firm's independence.

Based upon the Audit Committee's discussions with management and the independent accountants and the Audit Committee's review of the representation of management and the report of the independent accountants to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in our Annual Report on Form 10-K for the year ended December 31, 2005 filed with the Securities and Exchange Commission.

The foregoing report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act or the Exchange Act, except to the extent the Company specifically incorporates such report by reference therein.

INDEPENDENT PUBLIC ACCOUNTANTS

Our Audit Committee has appointed KPMG LLP as our independent public accountants for 2006. KPMG LLP has served as our independent public accountants since our formation in 1997.

We expect representatives of KPMG LLP to be at the Annual Meeting and to be available to respond to questions from stockholders. We will give the KPMG LLP representatives an opportunity to make a statement if they desire.

Stockholder ratification of the selection of KPMG LLP is not required by our Bylaws or otherwise. However, we are submitting the selection of KPMG LLP to the stockholders for ratification. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain that firm. Even if the stockholders ratify the selection, the Audit Committee, in its discretion, may direct the appointment of a different independent firm at any time during the year if it determines that such a change would be in the best interests of ACME Communications and its stockholders.

Ratification of appointment of KPMG LLP as our independent public accountants for 2006 will require the affirmative vote of a majority of voting shares of the common stock represented in person or by proxy at the Annual Meeting. If the stockholders do not make such ratification, the Audit Committee and the Board of Directors will reconsider the appointment.

The Board of Directors recommends a vote FOR ratification of the appointment of KPMG LLP as our independent auditors for 2006.

ACCOUNTANT FEES

The aggregate fees, including reimbursement for out-of-pocket expenses, for professional services rendered by KPMG LLP, our independent accountants, paid in the fiscal years ended December 31, 2005, and December 31, 2004, respectively, are as follows (in thousands):

	Years Ended December 31,	
	2005	2004
Audit fees (including SOX 404 attestation and quarterly reviews)	\$ 576	\$ 283
Audit-related fees	--	--
Tax fees ⁽¹⁾	48	24
All other fees	--	--
Total	\$ 624	\$ 307

The Audit Committee pre-approved all professional services provided by KPMG LLP during 2005 and determined that the provision of non-audit services fees in 2005 was consistent with maintaining its independence.
