STOCK PURCHASE AGREEMENT
WITH OPTION TO PURCHASE ADDITIONAL SHARES

This Agreement is made and entered into as of the 24th day of September, 2004, between David E. Chymiak, residing in Tulsa, OK and Kenneth A. Chymiak, as trustee of the Ken Chymiak Revocable Trust dated March 4, 1992, residing in Tulsa, OK (each a "Selling Shareholder" and collectively the "Selling Shareholders"), and Barron Partners LP, a Delaware limited partnership, or its registered assigns ("Buyer").

PREAMBLE

Selling Shareholders desire to sell to Buyer, and Buyer desires to purchase from Selling Shareholders, 500,000 shares of ADDvantage Technologies Group Inc.'s ("AEY") common stock held by Selling Shareholders, par value \$.01 per share (the "Shares"), upon the terms set forth herein. Selling Shareholders also desire to grant options to purchase additional Shares ("Option Shares") to Buyer, and Buyer desires to purchase from Selling Shareholders, up to 3,000,000 Option Shares of AEY's common stock held by Selling Shareholders. Selling Shareholders also agree to use their reasonable efforts to cause AEY to register the resale of the Shares, including the Option Shares, acquired by Buyer pursuant hereto in order to permit Buyer to sell its Shares and Option Shares publicly in the future. Therefore, with the intent to be legally bound, the parties agree as follows:

AGREEMENT

1 Sale of Shares. Each of the Selling Shareholders agrees to sell, and Buyer agrees to purchase from each of the Selling Shareholders, 250,000 Shares at the price of three dollars and twenty-five cents (\$3.25) per Share. Immediately upon execution of this Agreement, Buyer shall send a check payable to the account of Conner & Winters, as escrow agent (hereinafter referred to as the "Escrow Agent") under that certain Escrow Agreement of even date herewith by and among Buyer, Selling Shareholders and the Escrow Agent, the sum of \$1,625,000 representing the purchase price of the Shares (the "Shares Payment"). Selling Shareholders will then immediately take action to cause to be delivered to Buyer (either directly or through the Escrow Agent) as soon as reasonably possible a stock certificate(s) representing the Shares either then registered in the name of Barron Partners LP or accompanied by executed assignments separate from certificate ("stock powers") duly endorsed for transfer to Buyer under medallion signature guaranties. There should also be delivered to the Buyer an opinion of counsel addressed to AEY, the transfer agent and the Buyer, that the Shares may be transferred without compliance with the registration requirements of the Securities Act of 1933, as amended (the "1933 Act"), and of any applicable state securities laws. The Shares Payment shall be released from the escrow to the Selling Shareholders upon Buyer's or the Escrow Agent's receipt of the certificate evidencing Buyer's Shares. If the Escrow Agent receives Buyer's Shares, it shall immediately forward them to Buyer contemporaneously with releasing the Shares Payment.

2.1 Sale of Option Shares ("Option 1"). Selling Shareholders hereby grant to Buyer, for a period of 15 months from the date of an effective registration statement and during which an effective registration statement shall be in force covering all underlying shares ("Option 1 Period"), the option to purchase, 1,000,000 Shares at the price of four dollars and twenty-five cents (\$4.25) per Share, or a total of \$4,250,000 representing the

purchase price of the Shares covered by Option 1 (the "Option 1 Shares Payment"). The Selling Shareholders, upon execution of this Agreement, shall each deposit said Option Shares with the Escrow Agent, in escrow, for the duration of the Option 1 Period. Upon exercise of Option 1, the Buyer shall send a check for the Shares Payment payable to the account of the Escrow Agent, who will then immediately take action to cause to be delivered to Buyer as soon as reasonably possible a stock certificate(s) representing the Shares either in the name of Barron Partners LP or accompanied by stock powers duly endorsed under medallion signature guaranties. There should also be delivered to the Buyer an opinion of counsel addressed to AEY, the transfer agent and the Buyer, that the Shares may be transferred without compliance with the registration requirements of the 1933 Act and of any applicable state securities laws. The Shares Payment shall be released from the escrow to the

Edgar Filing: ADVANTAGE TECHNOLOGIES GROUP INC - Form SC 13D/A

Selling Shareholders upon Buyer's receipt of the Shares covered by Option 1.

2.2 Sale of Option Shares ("Option 2"). Selling Shareholders agree to sell, and Selling Shareholders agree to grant to Buyer, for a period of 18 months from the date of an effective registration statement and during which an effective registration statement shall be in force covering all underlying shares ("Option 2 Period"), the option to purchase, 1,000,000 Shares at the price of five dollars and twenty-five cents (\$5.25) per Share for the sum of \$5,250,000 representing the purchase price of the Shares (the "Shares Payment"). The Selling Shareholders, upon execution of this Agreement, shall deposit said Option Shares with the Escrow Agent for the duration of the Option 2 Period. Upon exercise of Option 2, the Buyer shall send a check for the Shares Payment payable to the account of the Escrow Agent, who will then immediately take action to cause to be delivered to Buyer as soon as reasonably possible a stock certificate(s) representing the Shares either in the name of Barron Partners LP or accompanied by stock powers duly endorsed under medallion signature guaranties. There should also be delivered to the Buyer an opinion of counsel addressed to AEY, the transfer agent and the Buyer, that the Shares may be transferred without compliance with the registration requirements of the 1933 Act, and of any applicable state securities laws. The Shares Payment shall be released from the escrow to the Selling Shareholders upon Buyer's receipt of the Shares covered by Option 2.

2.3 Sale of Option Shares ("Option 3"). Selling Shareholders agree to sell, and Selling Shareholder agrees to grant to Buyer, for a period of 24 months from the date of an effective registration statement and during which an effective registration statement shall be in force covering all underlying shares ("Option 3 Period"), the option to purchase, 1,000,000 Shares at the price of six dollars and twenty-five cents (\$6.25) per share for the sum of \$6,250,000 representing the purchase price of the Shares (the "Shares Payment"). The Selling Shareholders, upon execution of this Agreement, shall deposit said Option Shares with the Escrow Agent for the duration of the Option 3 Period. Upon exercise of Option 3, the Buyer shall send a check for the Shares Payment payable to the account of the Escrow Agent, who will then immediately take action to cause to be delivered to Buyer as soon as reasonably possible a stock certificate(s) representing the Shares either in the name of Barron Partners LP or accompanied by stock powers duly endorsed under medallion signature guaranties. There should also be delivered to the Buyer an opinion of counsel addressed to AEY, the transfer agent and the Buyer, that the Shares may be transferred without compliance with the registration requirements of the Securities Act of 1933, as amended, and of any applicable state securities laws. The Shares Payment shall be released from the escrow to the Selling Shareholders upon Buyer's receipt of the Shares covered by Option 3.

2.4 Exercise of Option Shares. Buyer shall complete an attached "Form of Election to Purchase" and follow the procedures outlined in Sections 2.1, 2.2 and 2.3, as applicable, for the exercise of the Option Shares. One-half of the total Shares to be transferred to Buyer in connection with the exercise of each Option shall be Shares registered in the name of and deposited by each of the Selling Shareholders. Notwithstanding anything in this Agreement to the contrary, it is understood and agreed that

(i) each exercise of any Option granted hereunder shall not be for less than the lesser of 150,000 Shares or the total number of Shares then held by the Escrow Agent subject to all of the Options; and

(ii) if the certificates and executed stock powers required to be

Edgar Filing: ADVANTAGE TECHNOLOGIES GROUP INC - Form SC 13D/A

delivered to Buyer in connection with the exercise of any Option hereunder have not been received by Buyer within thirty (30) days following the receipt of the purchase price by the Escrow Agent, the exercise of the Option will, at the written election of Buyer, be voided and the full amount of the Purchase Price paid to the Escrow Agent shall be returned to Buyer. Notice of such written election to void such Option exercise shall be delivered to the Selling Shareholders and Escrow Agent promptly.

2.5 Maximum Exercise. Notwithstanding anything in the foregoing to the contrary, the Buyer shall not be entitled to exercise any option for any Option Shares to acquire a number of shares of AEY Common Stock which would be in excess of the sum of (i) the number of shares of AEY Common Stock beneficially owned by the Buyer and its affiliates on such exercise date, and (ii) the number of shares of AEY Common Stock that would result in beneficial ownership by the Buyer and its affiliates of more than 4.99% of the outstanding shares of AEY Common Stock on such date. For the purposes of the immediately preceding sentence, beneficial ownership shall be determined in accordance with Section 13(d) of the Securities Exchange Act of 1934, as amended, and Regulation 13d-3 thereunder. Subject to the foregoing, the Buyer shall not be limited to aggregate exercises which would result in the issuance of more than 4.99% of the outstanding shares of AEY Common Stock. The restriction described in this paragraph may be revoked upon sixty-one (61) days prior notice from the Buyer to the Selling Shareholders and AEY. The Buyer may allocate which of the equity securities of AEY deemed beneficially owned shall be included in the 4.99% amount described above and which shall be allocated to the excess above 4.99% of the outstanding shares of AEY Common Stock.

3.1 "Registrable Shares" means and includes the Shares and Option Shares of AEY sold to Buyer pursuant to this Agreement. As to any particular Registrable Shares, such securities will cease to be Registrable Shares when (a) they have been effectively registered under the 1933 Act and disposed of in accordance with the registration statement covering them, (b) they are or may be freely traded without registration pursuant to Rule 144 under the 1933 Act (or any similar provisions that are then in effect), or (c) they have been otherwise transferred and new certificates for them not bearing a restrictive legend have been issued by AEY and AEY shall not have "stop transfer" instructions against them.

3.2 Registration of Registrable Securities. The Selling Shareholders shall use their reasonable best efforts to cause AEY to prepare and file with the Securities and Exchange Commission ("SEC") within thirty (30) days following the execution of this agreement (the "Filing Date") a registration statement (the "Registration Statement") covering the resale of the Registrable Securities and to cause the Registration Statement to be declared effective by the SEC within 90 days of the filing date. Nothing contained herein shall be deemed to limit the number of Registrable Securities to be registered by AEY on behalf of the Selling Shareholders hereunder. As a result, should the Registration Statement not relate to the maximum number of Registrable Securities acquired by (or potentially acquirable by) Buyer

pursuant to this Agreement, the Selling Shareholders shall use their reasonable best efforts to cause AEY to promptly file a separate registration statement (utilizing Rule 462 promulgated under the 1933 Act, where applicable) relating to such Registrable Securities which then remain unregistered. The provisions of this Agreement shall relate to any such separate registration statement as if it were an amendment to the Registration Statement.

3.3 Registration Statement Form. Registrations under Section 3.2 shall be on Form S-3 or such other appropriate registration form of the SEC as shall

Edgar Filing: ADVANTAGE TECHNOLOGIES GROUP INC - Form SC 13D/A

permit the disposition of such Registrable Securities in accordance with the intended method or methods of disposition specified in the Registration Statement; provided, however, such intended method of disposition shall not include an underwritten offering of the Registrable Securities.

3.4 Expenses. The Selling Shareholders will pay all Registration expenses in connection with any registration required by Sections 3.2 herein.

3.5 Black-out Period. Notwithstanding any other provisions of this Agreement to the contrary, if, after the Registration Statement has been filed and become effective, there are material developments the disclosure of which the Board of Directors of AEY, in its reasonable judgment exercised in good faith, believes would be detrimental to AEY, AEY may instruct the holders of Registrable Securities covered by the Registration Statement to suspend all sales of such securities for a period of up to 30 days (a "Black-out Period"). The Black-out Period shall not terminate until such holders have been given notice by AEY that they may resume sales under the Registration Statement. No sales of Registrable Securities shall be made by the holders thereof under such Registration Statement or otherwise during such Black-out Period and such holders shall keep confidential the fact of the Black-out Period and any facts or circumstances related thereto of which they may have become aware.

4.1 Reset Equity Deals. Selling Shareholders represent to Buyer that AEY has no outstanding agreements or securities which involve or constitute a "Variable Rate Transaction" or an "MFN Transaction." From the date hereof until such time as the Buyer no longer holds any of the Shares, the Selling Shareholders will use their commercially reasonable efforts to prevent AEY from effecting or entering into an agreement to effect any subsequent financing involving a Variable Rate Transaction or an MFN Transaction (each as defined below). For purposes of this Agreement, the term "Variable Rate Transaction" shall mean a transaction in which AEY issues or sells (i) any debt or equity securities that are convertible into, exchangeable or exercisable for, or include the right to receive additional Shares, either (A) at a conversion, exercise or exchange rate or other price that is based upon and/or varies with the trading prices of or quotations for the Shares at any time after the initial issuance of such debt or equity securities, or (B) with a conversion, exercise or exchange price that is subject to being reset at some future date after the initial issuance of such debt or equity security or upon the occurrence of specified or contingent events directly or indirectly related to the business of AEY or the market for the Shares. The term "MFN Transaction" shall mean a transaction in which AEY issues or sells any securities in a capital raising transaction or series of related transactions which grants to an investor the right to receive additional Shares based upon future transactions of AEY on terms more favorable than those granted to such investor in such offering.

5.1 Representations and Warranties of Selling Shareholders. Each Selling Shareholder hereby represents and warrants to Buyer as follows:

(a) Such Selling Shareholder has the full power and legal capacity to execute, deliver and carry out the terms and provisions of this Agreement and to consummate the transactions contemplated hereby.

(b) Such Selling Shareholder is the lawful owner of his Shares and Option Shares being sold, free and clear of any liens, pledges, security interests, prior assignments or encumbrances (except for applicable securities law restrictions and stock resale restrictive legend).

(c) Such Selling Shareholder is an officer and director of AEY.

(d) All material information concerning AEY is set forth in AEY's reports and statements filed with the Securities and Exchange Commission and those reports and statements do not misstate any material facts or omit to state any material facts necessary to make the statements made in such reports and statements, in light of the circumstances in which they were made, not misleading.

(e) This Agreement constitutes a valid, legally binding and enforceable obligation of such Selling Shareholder.

5.2 Representations and Warranties of Buyer. Buyer represents and warrants to the Selling Shareholders that:

(a) Buyer is a partnership or other legally recognized entity duly organized, validly existing and in good standing under the Laws of State of Delaware, and has all requisite power and authority to enter into this Agreement and perform its obligations hereunder. Buyer was not formed for the primary purpose of investing in the Shares and the Option Shares.

(b) The execution, delivery and performance of this Agreement by Buyer have been duly and effectively authorized by all necessary partnership or other actions of Buyer and the consummation of the transactions contemplated hereby do not result in a violation of Partnership's partnership agreement or other applicable governing terms or standards. This Agreement constitutes a valid, legally binding and enforceable obligation of Buyer.

(c) Buyer is an "accredited investor" within the meaning of Rule 501 of Regulation D of the Securities Act, is experienced in making investments of the kind contemplated by this Agreement, has had access to all material information related to the business and operations of AEY, and is capable, by reason of its business and financial experience, of evaluating the relative merits and risks of an investment in the Shares and Option Shares.

(d) The Shares, each of the Options and, upon exercise of the Options, the Option Shares, are being acquired by Buyer for its own account for investment purposes only, and not with a view to the sale or distribution of any part thereof. Buyer understands that the offer and sale of the Shares, Options and Option Shares to Buyer pursuant to this Agreement have not been registered under the 1933 Act or any applicable state securities act, and that none of these securities may be resold except pursuant to the Registration Statement, the provisions of Rule 144 or any other transactions which, in the opinion of counsel for AEY, are exempt from the registration requirements of the 1933 Act and any applicable state securities acts. Buyer agrees that a legend to this effect may be included on the certificates evidencing the Shares delivered to it pursuant to this Agreement.

6.1 Miscellaneous.

(a) This Agreement constitutes the entire agreement, and supersedes all prior agreements and understandings, whether oral or written, among the parties hereto with respect to the subject matter hereof. This Agreement may be amended only by an instrument in writing signed by each of the parties to this Agreement.

(b) This Agreement may be executed in any number of counterparts, each of which shall, when executed, be deemed to be an original and all of which shall be deemed to be one and the same instrument. Delivery of an executed counterpart of a signature page to this Agreement by facsimile transmission shall be as effective as delivery of a manually executed counterpart of this Agreement.

Edgar Filing: ADVANTAGE TECHNOLOGIES GROUP INC - Form SC 13D/A

(c) Each of the parties hereto shall, without further consideration, execute and deliver to any other party hereto such instruments of transfer, and shall perform such other actions, as such party may reasonably request to carry out the transactions contemplated hereby.

(d) In case any one or more of the provisions of this Agreement shall be invalid or unenforceable in any respect, the validity and enforceability of the remaining terms and provisions of this Agreement shall not in any way be affected or impaired thereby and the parties will attempt in good faith to agree upon a valid and enforceable provision which shall be a commercially reasonable substitute therefore, and upon so agreeing, shall incorporate such substitute provision in this Agreement.

(f) This Agreement shall be governed by, construed and enforced in accordance with the internal laws of the State of New York without regard to the principles of conflicts of law thereof.

IN WITNESS WHEREOF, the parties hereto have duly executed and delivered this Agreement on the date first written above.

EXHIBIT 2

September 22, 2004

Mr. Ken Chymiak
Mr. David Chymiak
TULSAT CORPORATION
1605 E. Iola
Broken Arrow, OK. 74012

Gentlemen:

Bathgate Capital Partners, LLC ("Bathgate Capital"), hereby confirms its agreement with Ken Chymiak and David Chymiak (the "Sellers") as follows:

SECTION 1
Description of Securities

Bathgate Capital has introduced Barron Partners, L.P. ("Barron") to Sellers. Barron has offered to purchase from Sellers up to 3,500,000 shares (the "Shares") of the common stock of Addvantage Technologies Group, Inc. ("AEY") on terms as set forth herein and more fully described in the Purchase Agreement to be entered into by the Sellers and Barron. The sale of the Shares shall be referred to herein as the "Transaction."

1. Compensation. As compensation for introducing Barron to the Sellers, if, during the Engagement Period you consummate the Transaction (or any other transaction) with Barron, you shall pay us a fee (the "Fee") equal to 6% of the purchase price of the 500,000 Shares to be sold to Barron upon execution of the Purchase Agreement. In connection with the exercise of each of the three Options granted under the Purchase Agreement, the Fee payable to Bathgate Capital will be equal to:

- (i) 6% of that portion of the aggregate purchase price paid upon the exercise or exercises of each Option up to and including \$1M; plus
- (ii) 5% of that portion of the aggregate purchase price paid upon the exercise or exercises of each Option which is greater than \$1M and up to and including \$2M; plus
- (iii) 4% of that portion of the aggregate purchase price paid upon the exercise or exercises of each Option greater than \$2M and up to and including \$3M; plus
- (iv) 3% of that portion of the aggregate purchase price paid upon the exercise or exercises of each Option greater than \$3M

For these purposes, the aggregate purchase price paid upon the exercise or exercises of each Option shall be equal to the total of the purchase prices paid by Barron for the Shares in connection with the exercise or exercises of each of the Options granted under the Purchase Agreement. There are to be three Options granted under the Purchase Agreement, each one covering a total of 1,000,000 Shares. The exercise prices under the Options are \$4.25 per Share, \$5.25 per Share and \$6.25 per Share, respectively. Each portion of the fee payable hereunder shall be due and payable only with respect to the amounts of the purchase prices actually received by the Escrow Agent for the benefit of

the Selling Shareholders.

The Fee shall be paid out of the established escrow account as Shares are purchased from you by Barron and /or any Barron affiliates. No fee payable to any other finder or advisor shall operate to reduce the fees payable to Bathgate Capital hereunder.

We hereby represent that (i) Bathgate Capital is a registered broker-dealer and a member of the National Association of Securities Dealers, Inc,. and (ii) there was no advertising or general solicitation involved in the location of Barron as a potential investor in the Shares.

2. Expenses. In addition to payment of our fees hereunder, and regardless of whether the Transaction is entered into, you will reimburse us for all reasonable legal expenses incurred in connection with our activities under this agreement provided that such expenses have been approved in advance by you. You will reimburse us for such pre-approved expenses not later than ten days after we present you satisfactory documentation with respect to such expenses, which documentation we will submit to you on a timely basis.

3. Term of Agreement. Our engagement hereunder is for a period commencing on the date of this letter and continuing until December 31, 2004 and thereafter until the Options granted under the Purchase Agreement all either have been exercised or have expired (the "Engagement Period").

4. Non-Circumvention and Non-Disclosure. EXHIBIT A

INDEMNIFICATION.

(a) Recognizing that transactions of this type sometimes result in litigation and that Bathgate Capital's role is limited to acting as the Sellers' financial advisor, the Sellers agree to indemnify Bathgate Capital and its affiliates (and the directors, officers, agents, employees and controlling persons of Bathgate Capital and its affiliates) (each, an "Indemnified Person") to the full extent lawful, from and against any and all third-party claims, damages, losses, liabilities and expenses, joint or several to which such Indemnified Person may become subject under applicable federal or state law, or otherwise ("Damages"), related to or arising out of the Transaction, the engagement of Bathgate Capital pursuant to this agreement, the performance by Bathgate Capital of the services contemplated by this agreement, or any failure to consummate the Transaction. "Damages" shall also include, without limitation, reasonable fees and disbursements of such Indemnified Person's counsel and such Indemnified Person's reasonable travel and other out-of-pocket expenses incurred in connection with the investigation of or preparation for any pending or threatened litigation, action, claim, or proceeding (an "Action") arising therefrom. The Sellers will reimburse each Indemnified Person for all Damages as they are incurred, whether or not such Indemnified Person is a party and whether or not any action or proceeding actually is commenced. The Sellers will not be liable under the foregoing indemnification provisions to the extent that any Damages resulted from the fraudulent or negligent acts or other willful misconduct ("Wrongful Acts") of the Indemnified Person.

(b) Bathgate Capital agrees to indemnify the Sellers to the full extent lawful against any and all Damages as incurred arising out of Wrongful Acts of Bathgate Capital in connection with its performance under this Agreement. For purposes of this subsection (b) and the other provisions of this Agreement below, Sellers and their respective agents, employees, representatives and affiliates shall be considered Indemnified Persons.

(c) Each indemnifying party further agrees that it will not settle or compromise or consent to the entry of any judgment in any pending or threatened Action in respect of which indemnification may be sought hereunder (whether or not an Indemnified Person is a party therein) unless the indemnifying party shall have given the Indemnified Person reasonable prior written notice thereof and used all reasonable efforts, after consultation with

the Indemnified Person, to obtain an unconditional release of each Indemnified Person from all liability arising therefrom.

(d) If for any reason the foregoing indemnification is unavailable to the Indemnified Person, or insufficient to hold it harmless, then the indemnifying party shall contribute to the amount paid or payable by the Indemnified Person as a result of such loss, claim, damage or liability in such proportion as is appropriate to reflect not only the relative benefits received by the parties, but also the relative fault of the parties, as well as any relevant equitable considerations. In no event will the aggregate amount the Indemnified Persons are required to contribute exceed the amount of fees (excluding expense reimbursement) actually paid to Bathgate Capital. The reimbursement, indemnity and contribution obligations of the parties under this paragraph shall be in addition to any liability which the parties may otherwise have and shall be binding upon and inure to the benefit of any successor, assigns, heirs and personal representatives of the Sellers, Bathgate Capital, and any other Indemnified Person.

(e) The provisions of this Exhibit shall apply to the engagement (including related activities before the date hereof) and any modification thereof and shall remain in full force and effect regardless of the completion or termination of the engagement.

(f) Promptly after receipt by an Indemnified Person under subparagraphs (a) or (b) above of written notice of the commencement of any Action, the Indemnified Person shall, if a claim in respect thereof is to be made against the indemnifying party under such section, notify the indemnifying party in writing of the commencement of that Action; the failure to notify the indemnifying party shall not relieve it of any liability which it may have to an Indemnified Person, except to the extent that the indemnifying party did not otherwise have knowledge of the commencement of the Action and the indemnifying party's ability to defend against the Action was prejudiced by such failure. If any such Action shall be brought against an Indemnified Person, and it shall notify the indemnifying party thereof, the indemnifying party shall be entitled to participate therein and, to the extent that it wishes, jointly with any other similarly notified indemnifying party, to assume the defense thereof with counsel reasonably satisfactory to the Indemnified Person, unless the Indemnified Person reasonably believes that the indemnifying party's interest in the Action is adverse to that of the Indemnified Person. After notice from the indemnifying party to the Indemnified Person of its election to assume the defense of such Action, the indemnifying party shall not be liable to the Indemnified Person for any legal or other expenses subsequently incurred by the Indemnified Person in connection with the defense thereof other than reasonable costs of investigation, and the cost of any attorney for the Indemnified Person to represent such Indemnified Person's interests in the Action.
