Item 1.01. Entry into a Material Definitive Agreement.

On February 12, 2009 Insmmed Incorporated entered into an Asset Purchase Agreement for the sale of its Follow-On Biologics platform to a subsidiary of Merck & Co., Inc. for a purchase price of \$130 million in cash. Subject to the terms and conditions of the Agreement, (i) at the first closing, which occurred on February 12, 2009, Insmmed sold to the Merck subsidiary its INS-19 and INS-20 products and all related intellectual property for an initial payment of \$2.5 million and, subject to the satisfaction of certain conditions, three additional monthly payments of \$2.5 million each and (ii) Insmmed agreed to sell, and the Merck subsidiary agreed to purchase, at a second closing, the balance of Insmmed's Follow-On Biologics platform and the equipment and assets in Insmmed's Boulder Colorado facility, for an additional payment of \$130 million less any amounts previously paid to Insmmed in connection with the first closing. The second closing is currently expected to occur on March 31, 2009 assuming all conditions to the second closing have been satisfied prior to such date (including the receipt of any required third party consents). The transaction does not require approval by the Insmmed shareholders under Virginia law because, among other things, Insmmed is retaining its IPLEX business, including its Virginia facility and all assets related thereto, which will be a significant continuing business activity. After fees, taxes and other costs related to the transaction, the Company expects net proceeds of approximately \$123 million. A copy of the full Asset Purchase Agreement is attached hereto as Exhibit 10.1 and is incorporated by reference herein.

The Company issued a press release on February 12, 2009 to announce the Asset Purchase Agreement, a copy of which is attached hereto as Exhibit 99.1 and is incorporated by reference herein.

On February 6, 2009 Insmmed Incorporated entered into an agreement with 2545 Central LLC, the landlord of Insmmed's leased facilities located at 5797 Central Avenue, Boulder Co. and 2590 Central Avenue, Boulder Colorado to amend the original leases for both premises. The amendments modify the original leases for both premises to provide Insmmed with additional options to renew and extend each lease for four separate additional terms through to December 31, 2035. Copies of the amendments are attached hereto as Exhibits 10.2 and Exhibit 10.3 respectively and are incorporated by reference herein.

Item 2.01. Completion of Acquisition or Disposition of Assets.

On February 12, 2009, Insmmed sold to a Merck subsidiary its INS-19 and INS-20 products and related intellectual property as described in the first paragraph of Item 1.01 of this Form 8-K, which is incorporated by reference herein.

Item 9.01. Financial Statements and Exhibits.
