**METALS USA REPORTS RECORD SECOND QUARTER RESULTS
NET SALES INCREASE 58.3%**

July 19, 2004 HOUSTON, TEXAS Metals USA, Inc. (NASDAQ: MUSA), a leader in the metals processing and distribution industry, today announced results for the three and six months ended June 30, 2004. Net income in the second quarter of 2004 was \$33.7 million, or \$1.63 per share, compared to \$2.3 million, or a \$0.11 per share for the second quarter of 2003. The second quarter results were an improvement over the net income of \$18.5 million or \$0.91 per share reported in the first quarter of 2004. The primary driving force behind the record numbers achieved during the second quarter this year were an average increased sales price of 39.7%, coupled with a 21.4% combined increase in shipped tonnage by the Flat Rolled and Plates and Shapes Divisions when compared to the same period last year.

Net sales for the second quarter of 2004 were \$383.6 million, compared to sales of \$242.3 million reported for the second quarter of 2003, and above sales of \$319.2 million reported in the first quarter of 2004. Operating income for the second quarter of 2004 was \$56.5 million, compared to operating income of \$5.0 million reported in the second quarter of 2003, and better than the operating income of \$31.7 million reported in the first quarter of 2004.

Sales for the first six months of 2004 were \$702.8 million, compared to sales of \$468.6 million reported for the first six months of 2003. Net income in the first six months of 2004 was \$52.2 million, or \$2.52 per share, compared to \$2.1 million or \$0.10 per share for the first six months of 2003.

C. Lourenço Gonçalves, President and CEO stated, "We are pleased to announce Metals USA's record quarterly results. I want to express my sincere appreciation to each employee of our Company as the record results are truly a reflection of their commitment to the improvement of our relationships with both suppliers and customers. Mr. Gonçalves continued: "It is clear that our business has changed. As far as Metals USA is concerned, we are now a world-class company prepared to successfully compete and make profits. At this point, we are confident that we will accomplish strong results in the second half of the year."

We believe that EBITDA is commonly used as a measure of performance for companies in our industry and is frequently used by analysts, investors, lenders and other interested parties to evaluate a company's financial performance and its ability to incur and service debt. EBITDA should not be considered as a measure of financial performance under accounting principles generally accepted in the United States. The items
