Solicitation and Revocability of Proxies

This Proxy Statement and enclosed form of proxy (the Proxy) are first being sent to shareholders of the Corporation on or about March 21, 2005. Shares represented by the Proxy, if properly signed and returned, will be voted in accordance with the specifications made thereon by the shareholders. Any Proxy not specifying to the contrary will be voted FOR the Class 3 nominees noted, and FOR the ratification of the appointment of S.R. Snodgrass, A.C., Certified Public Accountants, as the independent auditors of the Corporation for the year ending December 31, 2005. The execution and return of the enclosed Proxy will not affect a shareholder's right to attend the Annual Meeting and to vote in person if the shareholder gives written notice to the President and Chief Executive Officer of the Corporation. The cost of assembling, printing, mailing and soliciting Proxies, and any additional material, which the Corporation may furnish shareholders in connection with the Annual Meeting, will be borne by the Corporation. In addition to the solicitation of Proxies by use of the mails, directors, officers and employees of the Corporation and/or the Bank may solicit Proxies by telephone, telegraph or personal interview, with nominal expense to the Corporation. The Corporation will also pay the standard charges and expenses of brokerage houses or other nominees or fiduciaries for forwarding Proxy soliciting material to the beneficial owners of shares.

A shareholder who returns a Proxy may revoke the Proxy at any time before it is voted (1) by giving written notice of revocation to Ronald A. Walko, President and Chief Executive Officer, Penns Woods Bancorp, Inc., 300 Market Street, P.O. Box 967, Williamsport, PA 17703-0967, (2) by executing a later-dated Proxy and giving written notice thereof to the President and Chief Executive Officer of the Corporation or (3) by voting in person after giving written notice to the President and Chief Executive Officer of the Corporation.

Quorum

Pursuant to the Bylaws of the Corporation, the presence, in person or by proxy, of shareholders entitled to cast at least a majority of the votes which all shareholders are entitled to cast, shall constitute a quorum for transaction of business at the Annual Meeting.

Voting Securities

Holders of record of the Common Stock, par value \$10.00 per share, at the close of business on March 7, 2005 will be entitled to notice of and to vote at the Annual Meeting. On March 7, 2005 there were 3,321,637 shares of Common Stock outstanding. Each share of the Common Stock outstanding as of the close of business on March 7, 2005, is entitled to one vote on each matter that comes before the meeting and holders do not have cumulative voting rights with respect to the election of directors.

Under Pennsylvania law and the Bylaws of the Corporation, the presence of a quorum is required for each matter to be acted upon at the Annual Meeting. Votes withheld, abstentions and broker non-votes will be counted in determining the presence of a quorum for the particular matter.

Assuming the presence of a quorum, the three nominees for director receiving the highest number of votes cast by shareholders entitled to vote for the election of directors shall be elected. Votes withheld from a nominee and broker non-votes will not constitute or be counted as votes cast for such nominee.

Assuming the presence of a quorum, the affirmative vote of a majority of all votes cast by shareholders at the Annual Meeting is required for the ratification of the independent auditors. Abstentions and broker non-votes will not constitute or be counted as votes cast and therefore will not affect the vote on the ratification of auditors.

All Proxies properly executed and not revoked will be voted as specified.

The Board of Directors of the Corporation met nine (9) times during 2004. The Board of Directors of the Bank met twenty-six (26) times during 2004. All of the Directors attended at least 75% of the aggregate of all meetings of the Board of Directors and the Committees of which they were members.

In the view of the Board of Directors, all directors who are independent within the meaning of the NASDAQ listing standards should participate in the selection of director nominees. Accordingly, all directors, except for Directors Walko and Rockey, participate in the selection of director nominees. Directors who participate in the selection of director nominees operate under a written charter, a copy of which was included as an exhibit to the proxy statement for the Corporation's 2004 annual meeting of shareholders and is available upon request to the Corporation's President. Independent directors considering the selection of director nominees will consider candidates recommended by shareholders. Shareholders desiring to submit a candidate for consideration as a nominee of the Board of Directors must submit the same information with regard to the candidate as that required to be included in the Corporation's proxy statement with respect to nominees of the Board of Directors in addition to any information required by the Bylaws of the Corporation. In addition to these requirements, candidates will be considered on the basis of diversity of experience, skills, qualifications, occupations, education and backgrounds, and whether the candidate's skills and experience are complementary to the skills and experience of other Board members. Candidates recommended by shareholders will be evaluated on the same basis as candidates recommended by the independent directors.

Nominations for director to be made at the Annual Meeting by shareholders entitled to vote for the election of directors must be submitted to the President and Chief Executive Officer of the Corporation no later than the close of business on the twentieth day immediately preceding the Annual Meeting, which notice must contain certain information specified in the Bylaws. No notice of nomination for election as a director has been received from any shareholder as of the date of this Proxy Statement. If a nomination is attempted at the Annual Meeting that does not comply with the procedures required by the Bylaws or if any votes are cast at the Annual Meeting for any candidate not duly nominated, then such nomination and/or such votes may be disregarded.

COMPENSATION OF DIRECTORS

All directors of the Bank receive \$650.00 for each meeting of the Board of Directors and \$300.00 for each committee meeting of the Board of Directors of the Bank. A \$3,000 retainer fee was also paid to each Director of the Corporation during 2004. In addition, directors receive compensation for accompanying an officer on property appraisals at a rate of \$20.00 for the first hour and \$10.00 for each subsequent hour. The Secretary of the Board of Directors also receives \$50.00 for each Board meeting. In the aggregate, the Board of Directors received \$185,500 for all Board of Directors' meetings and committee meetings of the Bank attended. This total also includes the total received for appraisals, and the secretarial function. Certain directors have entered into deferred compensation agreements with the Corporation pursuant to which all or a specified portion of the directors' fees are deferred until their retirement or termination of service. Interest on amounts credited to the account balance for each director accrues at an amount equal to one-half of the Corporation's return on equity for the prior year. Benefits payable under the agreements are funded by a single premium corporate-owned life insurance policy on the lives of the participating directors with benefits payable to the Corporation.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Mr. James E. Plummer retired from Jersey Shore State Bank in June 1995. He was the President of Lock Haven Savings Bank until April 1995. He is currently a member of the Compensation and Benefits Committee. Mr. Plummer has no disclosable relationships or related transactions with the Corporation or any other subsidiary. He is Secretary of the Board of Directors of the Bank.

ELECTION OF DIRECTORS

The Bylaws provide that the Board of Directors shall consist of not less than five (5) nor more than twenty-five (25) Directors who are shareholders, the exact number to be fixed and determined from time to time by resolution of the full Board of Directors or by resolution of the shareholders at any annual or special meeting. The Board of Directors has set the number of Directors at ten (10). The Bylaws further provide that the Directors shall be divided into three (3) classes, as nearly equal in number as possible, known as Class 1, Class 2, and Class 3. The Directors of each class serve for a term of three (3) years and until their successors are elected and qualified. The Directors of the Corporation serve as follows:

Nominees for election as Class 3 Directors to serve until 2008:	Class 2 Directors whose term expires in 2006:	Class 1 Directors whose term expires in 2007:
Lynn S. Bowes (age 67)	Phillip H. Bower (age 71)	Michael J. Casale Jr. (age 53)
H. Thomas Davis Jr. (age 56)	James M. Furey II (age 57)	R. Edward Nestlerode Jr. (age 52)
Jay H. McCormick (age 67)	James E. Plummer (age 62)	William H. Rockey (age 58)
		Ronald A. Walko (age 58)

The Board of Directors has affirmatively determined that all of the Corporation's directors are independent within the meaning of the NASDAQ listing standards, except for Ronald A. Walko, President and Chief Executive Officer of the Corporation and the Bank, and William H. Rockey, Senior Vice President of the Corporation and the Bank. The Board categorically determined that a lending relationship resulting from a loan made by the Bank to a director would not affect the determination of independence if the loan complies with Regulation O under the federal banking laws. The Board also categorically determined that maintaining with the Bank a deposit, savings or similar account by a director or any of the director's affiliates would not affect the determination of independence if the account is maintained on the same terms and conditions as those available to similarly situated customers.

The Proxies solicited hereunder will be voted FOR (unless otherwise directed) the three (3) nominees listed previously for election as Class 3 Directors. Each nominee has agreed to serve if elected and qualified. The Corporation does not contemplate that any nominee will be unable to serve as a Director for any reason. However, in the event one or more of the nominees should be unable to stand for election, Proxies will be voted for the remaining nominees and such other persons selected by the Board of Directors, in accordance with the best judgment of the Proxy holders.

SECTION 16 (a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act") requires the Corporation's Officers and Directors, and any persons owning ten percent or more of the Corporation's Common Stock, to file in the personal capacities initial statements of ownership, statements of changes in ownership and annual statements of ownership with the Securities and Exchange Commission (the "SEC"). Persons filing such ownership statements are required by SEC regulation to furnish the Corporation with copies of all such statements filed with the SEC. The rules of the SEC regarding the filing of such statements require that "late filings" be disclosed in the Corporation's proxy statement. Based solely on the Corporation's review of any copies of such statements received by it, the Corporation believes that during 2004 there were no late filings.

PRINCIPAL OFFICERS OF THE CORPORATION

The following table lists the Executive Officers of the Corporation as of March 7, 2005:

Ronald A. Walko	58	President & Chief Executive Officer	1986	13,577	1987
Hubert A. Valencik	63	Senior Vice President	1984	13,144	1985

Mr. Walko joined the Bank in 1986 as Vice President and Senior Loan Officer. He was elected Executive Vice President and Chief Executive Officer of Penns Woods Bancorp, Inc. and the Bank in May 1999, and became President and Chief Executive Officer of Penns Woods Bancorp, Inc. and the Bank in August 2000.

Mr. Valencik has informed the Corporation of his intent to retire effective July 15, 2005.

EXECUTIVE EMPLOYMENT AND SEVERANCE AGREEMENTS

Mr. Ronald A. Walko

In August of 1991, Mr. Walko entered into an employment agreement with the Bank. Under the terms of the employment agreement, he will receive an annual base salary of at least \$223,263. The term of the Agreement was five years, subject to automatic renewal after each successive five-year term. The agreement was last renewed in 2001.

Under the current employment agreement, increases in compensation will be determined in accordance with the annual performance evaluation. Mr. Walko has the right to terminate this agreement upon 60 days written notice to the Bank if he does not receive an increase in compensation on each annual anniversary date. The Bank will also provide, at its expense, Mr. Walko with an automobile for business purposes, annual membership at the Ross Club or similar organization and all benefits provided to other employees as set forth in the Corporation's Employee Handbook.

The employment agreement may be terminated by the Bank for cause, as defined in the agreement. In the case of termination for cause, the Bank will pay one-half the salary of Mr. Walko for the period of time between the date of termination and the end of term of the agreement, or the date Mr. Walko commences comparable employment on a full time basis elsewhere, whichever occurs first. If the agreement is terminated by the Bank without cause the Bank will pay Mr. Walko his full salary for the period of time between the date of termination and the end of the term of the agreement, or the date Mr. Walko commences comparable employment elsewhere on a full time basis, whichever occurs first. If during the term of the agreement Mr. Walko dies or becomes disabled, Mr. Walko or his estate will be paid an amount equal to six months compensation or the balance due on this contract, whichever is less. If Mr. Walko terminates this agreement because he is reduced to a lesser stature and authority, the Bank will pay the balance of all sums due under the contract up to the date of termination. If Mr. Walko voluntarily terminates his agreement for reasons other than changes in stature and authority, he will not work for another banking institution having an office in Lycoming County, Pennsylvania for a one-year period after the date of termination.

The Bank has entered into a severance agreement with Mr. Walko. Under the terms of the severance agreement, if Mr. Walko's employment is terminated within two years after a change in control of the Corporation he will be entitled to receive from the Corporation (i) his full compensation and benefits from the Notice of Termination (as defined) until the date of termination and (ii) a lump sum severance payment equal to two times the annual average of salary plus bonuses earned by him during the five calendar years preceding the date of termination; such amount would be prorated, however, if the termination occurs within two years of his 65th birthday. The agreement also provides Mr. Walko with insurance coverage similar to coverage in effect immediately prior to the Notice of Termination for a period of twenty-four months; however, these benefits will be reduced to the extent that he receives comparable

benefits from another employer during the corresponding period. In addition to the retirement benefits he is entitled to receive under the Bank Pension Plan or any other pension or retirement plan in which he participates, the Corporation will pay him a lump sum equal to the actuarial equivalent of the excess of the accrued retirement pension up to the date of termination, adjusted for an additional twenty-four months of credited service at his compensation and the actual accrued up to his date of termination (in no event will months of age or service credit be accumulated after his 65th birthday).

During any period following a change in control of the Corporation, if Mr. Walko's employment is terminated by the employer for disability, or by the employer or the employee by reason of retirement or death, the benefits will be determined in accordance with the Corporation's programs then in effect. If the employee is terminated by his employer for cause subsequent to a change in control or is terminated by the employee for other than good reason or retirement, he will receive full compensation through the date of termination and will have no further rights under this agreement thereafter.

The severance agreement will be in effect until Mr. Walko attains age 65 or until the date of termination, whichever occurs first.

Mr. Hubert A. Valencik

In October 1984, Mr. Valencik entered into an employment agreement with the Bank, pursuant to which Mr. Valencik agreed to serve in the capacities designated by the Bank, at its discretion. The term of the original agreement was five years, subject to automatic renewal after each successive five-year term. Mr. Valencik or the Bank may terminate the agreement if written notice of the intent not to renew the agreement is provided to the other at least thirty days prior to the end of the term. The agreement was last renewed in 2004. Under the terms of the agreement, he will receive an annual salary of \$109,917 subject to annual increases.

Under the employment agreement, increases in compensation will be determined in accordance with the annual performance evaluation. The Bank will also provide Mr. Valencik, at its expense, an automobile for business purposes, annual membership at the Clinton Country Club or similar organization and all benefits provided to other employees as set forth in the Corporation's Employee Handbook. If at any time the agreement is not extended or renewed, the Bank will at the time of termination pay Mr. Valencik six times the total monthly compensation being received by him at that time.

The Bank has entered into a severance agreement with Mr. Valencik. Under the terms of the severance agreement, if the executive officer's employment is terminated within two years after a change in control of the Corporation he will be entitled to receive from the Corporation (i) his full compensation and benefits from the Notice of Termination (as defined) until the date of termination and (ii) a lump sum severance payment equal to two times the annual average of salary plus bonuses and other sums shown as compensation on his Form W-2 (excluding amounts that are attributable to stock options on the W-2) during the sixty month period ending on the date of termination; such amount would be prorated, however, if the termination occurs within two years of his 65th birthday. The agreement also provides Mr. Valencik with insurance coverage similar to coverage in effect immediately prior to the Notice of Termination for a period of twenty-four months; however, these benefits will be reduced to the extent that he receives comparable benefits from another employer during the corresponding period. In addition to the retirement benefits he is entitled to receive under the Bank Pension Plan or any other pension or retirement plan in which he participates, the Corporation will pay him a lump sum equal to the actuarial equivalent of the excess of the accrued retirement pension up to the date of termination adjusted for an additional twenty-four months of credited service at his compensation and actual accrued up to his date of termination (in no event will months of age or service credit be accumulated after his 65th birthday).

During any period following a change in control of the Corporation, if employment is terminated by the employer for disability, or by the employer or the employee by reason of retirement or death, Mr. Valencik's benefits shall be determined in accordance with the Corporation's programs then in effect. If Mr. Valencik is terminated by his employer for cause subsequent to a change in control or is terminated by the employee for other than good reason or retirement, he will receive full compensation and all fringe benefits he was entitled to through the date of termination and shall have no further rights under this agreement thereafter.

The severance agreement will be in effect until Mr. Valencik attains age 65.

BOARD COMPENSATION REPORT ON EXECUTIVE COMPENSATION

The Board of Directors of the Corporation is responsible for the management of the affairs of the Corporation and the supervision of its subsidiary, Jersey Shore State Bank. The Board of Directors best serves the interest of its shareholders, customers and the communities served by the Corporation and its subsidiary by engaging persons who have the skills and expertise to implement the strategic goals and objectives of the Corporation in a cost-effective manner. The Corporation's philosophy concerning the Bank's compensation program is to offer competitive compensation for each employee based upon their personal performance and contributions to the success of the Corporation.

The Compensation and Benefits Committee, which is comprised of the five (5) outside directors listed below, each of whom is independent within the meaning of NASDAQ standards, administers the compensation program. The Committee's objective is to establish a compensation policy that will enable the Corporation to attract, retain, motivate, and reward executive officers who are critical to the success of the Corporation. The Committee believes that the existing compensation program accomplishes these objectives. The Committee determines annually the compensation of the executive officers, which includes the Chief Executive Officer (the CEO) the President and Senior Vice Presidents. The Board of Directors ratifies all actions taken by the Committee as they relate to the compensation of the executive officers.

CEO and Named Executive Compensation

The Board of Directors set the 2004 base compensation for Mr. Ronald A. Walko at \$223,263, including merit increases based upon an employment agreement that was adopted in August 1991. The base compensation for Mr. Hubert A. Valencik was determined to be \$109,917 based upon an employment agreement that was adopted in October 1984. The employment agreements are described above under the option Executive Employment and Severance Agreements.

Executive Officers and Employees

Increases in the compensation of the other executive officers is determined by the Committee based upon, among other things, the following factors: earnings, return on assets, return on equity, total assets, and the quality of the loan portfolio of the Corporation and the Bank. Notwithstanding the foregoing, the Committee's determination is based upon a review of all information that it deems relevant in determining, with respect to each particular executive officer, the compensation to be paid to such officer.

In addition to base salary, the executive officers of the Corporation and the Bank may participate in the annual and long term incentive plans, including stock options and bonuses that are granted to certain senior executive officers and a 401(k) plan. The 401(k) plan is available to all qualified Bank employees.

The Corporation's stock option plans have expired by their terms and no additional options can be granted under such plans. The Bank's defined benefit pension plan was amended, effective January 1, 2004, to cease Plan eligibility for employees with a hire date of January 1, 2004 or later. Employees with a hire date of January 1, 2004 or later are eligible to receive, after one year of service, an annual contribution by the Bank equal to a discretionary percentage of an employee's base compensation into an account established for the employee under the 401(k) plan. Cash bonuses are payable to executive officers of the Corporation and the Bank at the discretion of the Board of Directors based on the Board's evaluation of the quantity and quality of Corporation's earnings and other factors and information deemed relevant by the Board. Cash bonuses paid to executive officers other than the Chief Executive Officer are based on the recommendation of the Chief Executive Officer. Cash bonuses paid to the Chief Executive Officer are determined solely by the Board.

The compensation opportunities that are available to the Bank's employees are influenced by market conditions, the individual's responsibilities, and the employee's contributions to the success of the Corporation. Employees are reviewed annually on a calendar basis. The Bank attempts to offer compensation that is comparable with that offered by other employers in our industry. The Corporation strives to meet its objectives and strategic goals by providing fair compensation to its employees.

The audit committee of the Board of Directors is composed of five (5) independent directors as defined under NASDAQ listing standards. The audit committee operates under a written charter adopted by the Board of Directors, a copy of which was included as an exhibit to the proxy statement for the Corporation's 2004 annual meeting and is available upon request to the Corporation's President.

The audit committee has received from the independent accountants the written disclosures and letter required by the U.S. Independence Standards Board Standard No. 1, and the audit committee has discussed the accountants' independence from the Corporation and management with the accountants.

Based on the review and discussions described above, the audit committee recommended to the Board of Directors that the Corporation's audited financial statements for the fiscal year ended December 31, 2004, be included in the Corporation's Annual Report on Form 10-K for that fiscal year.

In connection with standards for independence of the Corporation's external auditors issued by the Securities and Exchange Commission, during the 2005 fiscal year the audit committee will undertake to consider in advance of the provision of any nonaudit services by the Corporation's independent accountants whether the provision of such services is compatible with maintaining the independence of the Corporation's external auditors.

RETIREMENT PLAN

Edgar Filing: PENNS WOODS BANCORP INC - Form DEF 14A

The Bank maintains a noncontributory defined benefit pension plan the (Plan) for all employees hired prior to January 1, 2004, meeting certain age and length of service requirements. Benefits are based primarily on years of service and the average annual compensation earned by an employee, which is the employee s annual compensation averaged over the five highest paid consecutive calendar years within the ten years of employment. Annual compensation is based upon the employee s W-2 wages, which includes base salary, bonus, personal vehicle mileage for certain executive officers and life insurance coverage that exceeds \$50,000. The Bank s funding policy is consistent with the funding requirements of Federal law and regulations. Plan assets are comprised of Common Stock and U.S. Government and corporate debt securities. The plan was amended, effective January 1,2004, to cease eligibility for employees with a hire date of January 1, 2004 or later. Employees with a hire date of January 1, 2004 or later are eligible to receive, after one year of service, an annual contribution by the Bank equal to a discretionary percentage of an employee s base compensation into an account established for the employee under the 401(k) plan.

The accrued normal retirement benefit is determined by the following formula: 1.4% of the average annual compensation up to social security covered compensation multiplied by the credited service, plus 2% of the average annual compensation that is in excess of the Social Security covered compensation multiplied by the number of years of credited service. Based on the preceding formula, projected annual retirement benefits for a participant turning age 65 in 2004 are set forth below.

The Board of Directors of the Corporation has appointed the firm of S.R. Snodgrass, A.C., Certified Public Accountants (the Auditors), of Wexford, Pennsylvania, as the Corporation's independent auditors for its 2005 fiscal year. Such appointment is being submitted to shareholders for ratification.

The Auditors served as the Corporation's independent public accountants for the 2004 fiscal year, provided assistance to the Corporation and the Bank in connection with regulatory matters, charging the Bank for such services at its customary hourly billing rates. The non-audit services were approved by the Corporation and the Bank's Board of Directors after due consideration of the effect of the performance thereof on the independence of the Auditors and after the conclusions by the Corporation and the Bank's Board of Directors that there was no effect on the independence of the Auditors. The Auditors have advised the Corporation that none of its members have any financial interest in the company.
