Edgar Filing: ESSEX PROPERTY TRUST INC - Form DEF 14A

This Proxy Statement is furnished to the holders (the **Stockholders**) of the outstanding shares of Common Stock \$0.0001 par value (the **Common Stock**) of Essex Property Trust, Inc., a Maryland corporation (the **Company**), in connection with the solicitation by the Company's Board of Directors (the **Board**) of proxies in the accompanying form for use in voting at the 2005 annual meeting of Stockholders of the Company (the **Annual Meeting**) to be held on May 10, 2005 at 1:00 p.m., Pacific Daylight Time, at the Stanford Park Hotel, 100 El Camino Real, Menlo Park, California 94025 and any adjournment or postponement thereof.

FORM OF PROXY CARD

This Proxy Statement is accompanied by a form of proxy card for use by Stockholders.

REVOCABILITY OF PROXIES

Edgar Filing: ESSEX PROPERTY TRUST INC - Form DEF 14A

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before it is exercised by delivering to the Company (to the attention of Mr. Jordan E. Ritter) a written notice of revocation or a properly executed proxy bearing a later date, or by attending the Annual Meeting and voting in person.

SOLICITATION AND VOTING PROCEDURES

Edgar Filing: ESSEX PROPERTY TRUST INC - Form DEF 14A

The solicitation of proxies will be conducted by mail and the Company will bear all attendant costs. These costs will include the expense of preparing and mailing proxy materials for the Annual Meeting and reimbursements paid to brokerage firms and others for their expenses incurred in forwarding solicitation material regarding the Annual Meeting to the Stockholders.

The Company may use the services of Corporate Investor Communications, Inc. to assist in soliciting proxies and, in such event, the Company expects to pay approximately \$10,000 for such services. The Company may conduct further solicitation personally, telephonically or by facsimile through its officers, directors and regular employees, none of whom will receive additional compensation for assisting with the solicitation.

The presence at the Annual Meeting, either in person or by proxy, of Stockholders holding a majority of the shares of Common Stock outstanding on the Record Date (as defined below) will constitute a quorum for the purposes of approving Proposals 1 and 2 at the Annual Meeting. The close of business on February 28, 2005 has been fixed as the record date (the Record Date) for determining the Stockholders entitled to notice of and to vote at the Annual Meeting. Each share of Common Stock outstanding on the Record Date is entitled to one vote on Proposals 1 and 2. As of the Record Date, there were 23,047,471 shares of Common Stock outstanding.

Shares of Common Stock represented by proxies that reflect abstentions or broker non-votes (i.e., shares held by a broker or nominee which are represented at the Annual Meeting but with respect to which such broker or nominee is not empowered to vote on a particular proposal) will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum. The affirmative vote of a plurality of the shares of Common Stock present in person or by proxy and entitled to vote is required to elect directors. Accordingly, abstentions or broker non-votes as to the election of directors will not affect the election of the candidates receiving the most votes. Approval of Proposal 2 requires the affirmative vote of a majority of the shares of Common Stock who are present or represented by proxy and entitled to vote at the Annual Meeting. For purposes of the vote on Proposal 2, abstentions will have the same effect as a vote against such Proposal and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote on such Proposal.

Stockholder votes will be tabulated by the persons appointed by the Board to act as inspectors of election for the Annual Meeting. The New York Stock Exchange permits member organizations to give proxies, whether or not instructions have been received from beneficial owners, to vote as to the election of directors and also on matters of the type contained in Proposal 2. The shares of Common Stock represented by properly executed proxy cards will be voted at the Annual Meeting as indicated or, if no instruction is given, in favor of Proposals 1 and 2. The Company does not presently know of any other business which may come before the Annual Meeting.

HOUSEHOLDING OF ANNUAL MEETING MATERIALS

Edgar Filing: ESSEX PROPERTY TRUST INC - Form DEF 14A

Some brokers and other nominee record holders may be participating in the practice of householding proxy statements and annual reports. This means that only one copy of the proxy statement and annual report may have been sent to multiple Stockholders in a Stockholder's household. The Company will promptly deliver a separate copy of either document to any Stockholder who contacts the Company's investor relations department at (650) 849-1656 requesting such copies. If a Stockholder is receiving multiple copies of the proxy statement and annual report at the Stockholder's household and would like to receive a single copy of these documents for a Stockholder's household in the future, Stockholders should contact their broker, other nominee record holder, or the Company's investor relations department to request mailing of a single copy of the proxy statement and annual report.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

Edgar Filing: ESSEX PROPERTY TRUST INC - Form DEF 14A

The following table sets forth the beneficial ownership of shares of Common Stock as of the Record Date for (i) each person known by the Company to hold more than 5% of the outstanding shares of the Company's Common Stock, (ii) each director and each of the executive officers named in the Summary Compensation Table below, and (iii) all directors and such executive officers as a group.

Edgar Filing: ESSEX PROPERTY TRUST INC - Form DEF 14A

In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of Common Stock subject to options held by that person that are currently exercisable or exercisable within 60 days of the Record Date are deemed outstanding. Such shares, however, are not deemed outstanding for the purposes of computing the percentage ownership of each other person. To the Company's knowledge, except as set forth in the footnotes to this table and subject to applicable community property laws, each person named in the table below has sole voting and investment power with respect to the shares set forth opposite such person's name.

PROPOSAL NO. 1 **ELECTION OF DIRECTORS**

Edgar Filing: ESSEX PROPERTY TRUST INC - Form DEF 14A

The Company's Charter divides the Company's directors into three classes. The members of each class of directors serve staggered three-year terms. The Board presently has the following ten directors: Keith R. Guericke, Issie N. Rabinovitch and Thomas E. Randlett who are classified as Class I directors; David W. Brady, Robert E. Larson, Michael J. Schall and Willard H. Smith, Jr. who are classified as Class II directors; and George M. Marcus, Gary P. Martin, and William A. Millichap who are classified as Class III directors. The terms of each of the current Class I, Class II and Class III directors expire at the annual meetings of stockholders to be held in 2007, 2005 and 2006, respectively, and upon such directors' respective successors being elected and qualified or until any such directors' earlier resignation or removal.

At the Annual Meeting, the Stockholders will elect four directors: if elected, nominees David W. Brady, Robert E. Larson, Michael J. Schall and Willard H. Smith, Jr., will serve as Class II directors for three-year terms. All of the nominees are currently directors of the Company, and each of the nominees named below has consented, if elected as a director of the Company, to serve until his term expires. The Class II directors will serve until the annual meeting of stockholders to be held in 2008 and until such directors' respective successors are elected and qualified or until such directors' earlier resignation or removal. The Board believes that each such nominee will stand for election and will serve if elected as a director. However, in the event any nominee is unable or unwilling to serve as a director at the time of the Annual Meeting, the proxies may be voted for the balance of those nominees named and for any substitute nominee designated by the present Board or the proxy holders to fill such vacancy, or for the balance of those nominees named without nomination of a substitute, or the Board may be reduced in accordance with the Bylaws of the Company.

The affirmative vote of a plurality of the shares of Common Stock present in person or by proxy and entitled to vote at the Annual Meeting, assuming a quorum is present, is necessary for the election of a director. For purposes of the election of directors, abstentions and other shares not voted will not be counted as votes cast and will have no effect on the result of the vote.

Meetings and Committees of the Board of Directors

During 2004, the Board held nine meetings (in person, telephonically or by written consent). Each director attended (whether in person, telephonically or by written consent) at least 75% of the total number of the meetings of the Board and meetings of the committee of the Board on which he served. The Company encourages, but does not require, its Board members to attend the annual stockholders meeting. All of the Company's ten directors attended the 2004 annual meeting of stockholders. The Board has six committees: the Executive Committee, the Audit Committee, the Compensation Committee, the Stock Incentive Plan Committee, the Nominating and Corporate Governance Committee and the Pricing Committee.

The Board has determined that the following directors have no material relationship with the Company (either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company), and each is independent within the meaning of independence as set forth in the rules of the New York Stock Exchange: David W. Brady, Robert E. Larson, George M. Marcus, Gary P. Martin, William A. Millichap, Issie N. Rabinovitch, Thomas E. Randlett, and Willard H. Smith, Jr.

The Board has designated, in accordance with New York Stock Exchange corporate governance listing standards, George M. Marcus, as the presiding independent director. The Company's non-management directors meet at regularly scheduled executive sessions without management at which George M. Marcus presides.

The Executive Committee presently consists of Messrs. Guericke, Marcus and Randlett. The Executive Committee has such authority as is delegated by the Board, including the authority to execute certain contracts and agreements with unaffiliated parties, except that the Executive Committee does not have the power to declare dividends or other distributions on stock, elect directors, issue stock other than in certain limited circumstances, recommend to the stockholders any action which requires stockholder approval, amend the Bylaws, or approve any merger or share exchange which does not require stockholder approval. The Executive Committee met (in person, telephonically or by written consent) nine times during 2004.

The Audit Committee presently consists of Messrs. Brady, Martin and Randlett. The Audit Committee recommends the appointment of an independent registered public accounting firm to audit the financial statements of the Company for the fiscal year for which they are appointed, reviews audit reports and takes such action as may be deemed appropriate with respect

to such audit reports. The Audit Committee also monitors the effectiveness of the audit effort, the Company's financial and accounting organization and its system of internal controls over financial reporting, and it reviews allegations of wrongdoing that involve Company personnel. The Audit Committee operates under a written charter, which can be viewed at the Company's website on www.essexpropertytrust.com. The Board of Directors has determined that all Audit Committee members have no financial or personal ties to the Company (other than director compensation and equity ownership as described in this proxy statement) and meet the New York Stock Exchange standard for independence. In addition, the Board of Directors has determined that all members of the Audit Committee are financially literate. The Board of Directors has limited the number of audit committees of public companies on which a current member of the Company's Audit Committee can simultaneously serve to three committees. The Audit Committee met (in person, telephonically or by written consent) nine times during 2004.

The Board of Directors has also determined that Thomas E. Randlett is the audit committee financial expert as defined by Item 401(h) of Regulation S-K of the Securities Exchange Act of 1934, as amended (the Exchange Act) and is independent as defined by Item 7(d)(3)(iv) of Schedule 14A of the Exchange Act.

The Compensation Committee presently consists of Messrs. Larson, Marcus and Rabinovitch. The Compensation Committee establishes and reviews annually the Company's general compensation policies applicable to the Company's executive officers, reviews and approves the level of compensation of the Chief Executive Officer and other executive officers of the Company, reviews and advises the Board concerning the performance of the Chief Executive Officer and other employees whose compensation is within the review jurisdiction of the Compensation Committee, reviews and advises the Board concerning regional and industry-wide compensation practices and trends, and recommends benefit plans from time to time. The Compensation Committee operates under a written charter, which was revised in 2005 and which can be viewed at www.essexpropertytrust.com. All members of the Compensation Committee are independent directors within the meaning of the rules of the New York Stock Exchange. The Compensation Committee met (in person, telephonically or by written consent) five times during 2004.

The Stock Incentive Plan Committee presently consists of Messrs. Larson, Martin and Rabinovitch. The Stock Incentive Plan Committee administers the Essex Property Trust, Inc. 2004 Stock Incentive Plan, including the authority to grant and to amend options thereunder, and to report to the Board regarding that plan from time to time, or whenever called upon to do so. All members of the Stock Incentive Plan Committee are independent directors within the meaning of the rules of the New York Stock Exchange. The Stock Incentive Plan Committee met (in person, telephonically or by written consent) once during 2004.

The Nominating and Corporate Governance Committee consists of Messrs. Larson, Rabinovitch, and Randlett. The Nominating and Corporate Governance Committee assists the Board of Directors in selecting nominees for election to the Board and monitors the composition of the Board. The Board of Directors has determined that all members of the Nominating and Corporate Governance Committee meet the independence requirements of the rules and regulations of the New York Stock Exchange. The Nominating and Corporate Governance Committee met three times during 2004.

The Nominating and Corporate Governance Committee will consider and make recommendations to the Board of Directors regarding any stockholder recommendations for candidates to serve on the Board of Directors. However, it has not adopted a formal process for that consideration because it believes that the informal consideration process has been adequate, given the historical absence of stockholder proposals. The Nominating and Corporate Governance Committee will review periodically whether a more formal policy should be adopted. Stockholders wishing to recommend candidates for consideration by the Nominating and Corporate Governance Committee may do so by writing to Jordan E. Ritter, Corporate Secretary, Essex Property Trust, Inc., 925 East Meadow Drive, Palo Alto, California 94303 providing the candidate's name, biographical data and qualifications, a document indicating the candidate's willingness to act if elected, and evidence of the nominating stockholder's ownership of Company's stock at least 120 days prior to the next annual meeting to assure time for meaningful consideration by the Nominating and Corporate Governance Committee. There are no differences in the manner in which the Nominating and Corporate Governance Committee evaluates nominees for director based on whether the nominee is recommended by a Stockholder. The Company does not pay any third party to identify or assist in identifying or evaluation potential nominees.

The Nominating and Corporate Governance Committee operates under a written charter setting forth the functions and responsibilities of the committee. A copy of the charter can be viewed at the Company's website on www.essexpropertytrust.com.

In reviewing potential candidates for the Board, the Nominating and Corporate Governance Committee considers the individual's real estate experience, the general business or other experience of the candidate, the needs of the Company for an additional or replacement director, the personality of the candidate, the candidate's interest in the business of the Company, as well as numerous other subjective criteria. Of greatest importance is the individual's integrity, willingness to get involved and ability to bring to the Company experience and knowledge in areas that are most beneficial to the Company. The Board intends to continue to evaluate candidates for election to the Board on the basis of the foregoing criteria.

The Nominating and Corporate Governance Committee further reviews current trends and practices in corporate governance and recommends to the Board of Directors the adoption of programs pertinent to the Company.

The Pricing Committee presently consists of Messrs. Guericke, Schall and Smith. The Pricing Committee establishes the price at which the Company's securities will be offered to the public in public offerings of the Company's securities. The Pricing Committee did not meet in 2004.

Access to Corporate Governance Policies

Stockholders may access the Company's committee charters, the code of ethics and corporate governance guidelines at Company's Internet website at www.essexpropertytrust.com. Copies of the Company's committee charters, corporate governance guidelines and code of ethics will be provided to any Stockholder upon written request to Jordan E. Ritter, Corporate Secretary, Essex Property Trust, Inc., 925 East Meadow Drive, Palo Alto, California 94303.

Communication between Stockholders and Directors

The Company's Board of Directors currently does not have a formal process for stockholders to send communications to the Board of Directors. Nevertheless, every effort has been made to ensure that the views of Stockholders are heard by the Board or individual directors, as applicable, and that appropriate responses are provided to Stockholders on a timely basis. The Board of Directors does not recommend that formal communication procedures be adopted at this time because it believes that informal communications are sufficient to communicate questions, comments and observations that could be useful to the Board. However, Stockholders wishing to formally communicate with the Board of Directors may send communications directly to the Presiding Director of the Board: George M. Marcus, Chairman of the Board, c/o Essex Property Trust, Inc., 925 East Meadow Drive, Palo Alto, California 94303.

Compensation Committee Interlocks and Insider Participation

The Company's Compensation Committee and the Stock Incentive Plan Committee were formed in June 1994. No interlocking relationship existed in 2004 or presently exists between any member of the Company's Compensation Committee, Stock Incentive Plan Committee or Board of Directors on the one hand and another company's compensation committee, stock incentive plan committee or Board of Directors on the other hand. Certain transactions and relationships between the Company and certain of its officers and directors are set forth below in the section titled "Certain Relationships and Related Transactions."

Beginning in May 2004, each director, who is not an executive officer, receives the following compensation:

An annual grant of options to purchase 2,500 shares of the Company's Common Stock at the closing market price of the Common Stock on the date of grant. This annual grant occurs as of the annual shareholder's meeting date. In 2004, pursuant to this arrangement, each director, who was not an executive officer, received a grant of an option to purchase 2,500 shares of Common Stock at an exercise price of \$62.34.

Each non-employee director, upon joining the Board of Directors, receives an automatic grant of an option to purchase 4,000 shares of Common Stock at an exercise price equal to 100% of the fair market value of the Common Stock at the date of the grant of such option pursuant to the Company's 2004 Non-Employee Director Option Program. In the event of a change in control of the Company, the Board may unilaterally cancel a director option as of any date to the extent then unexercised after advance written notice to each affected director.

Common units of the Operating Partnership are exchangeable on a one-for-one basis into shares of the Company s Common Stock. The conversion ratio of Series Z-1 Incentive Units into common units was initially set at 20% and will increase by up to 10% on January 1 of each year for each participating executive who remains employed by the Company if the Company has met a specified funds from operations per share target for the prior years, or such other target as the Compensation Committee deems appropriate, up to a maximum conversion ratio of 100%.

The amounts in the table assume the maximum conversion ration of 1.0, even though the conversion ratio at the time of grant and as of December 31, 2004 was 20%. The amounts are also based on valuing each unit as equal to a share of Essex common stock with a per share price of \$68.60, the closing price of the Essex common stock on the New York Stock Exchange on the date of grant of the Series Z-1 Incentive Units, less the \$1.00 capital contribution required for each unit. Based on the closing price of the common stock on December 31, 2004 of \$83.80 (and less the \$1.00 capital contribution), such values and the total number of Series Z Incentive Units held by each of the above named persons on December 31, 2004 (which is the same as the number of Units initially awarded) are as follows: Mr. Guericke, 10,607 units (\$878,260); Mr. Schall, 10,607 units (\$878,260); Mr. Eudy, 8,159 units (\$675,565); Mr. Talbott, 4,896 units (\$405,389); and Mr. Zimmerman, 8,159 units (\$675,565)

Based on such conversion ratio and the closing price per share of the Company's Common Stock on the New York Stock Exchange on December 31, 2004, which was \$83.80, and less the \$1.00 capital contribution required for each unit, the value of the non-forfeitable Series Z-1 Incentive Units as of December 31, 2004, held by Messrs. Guericke, Schall, Eudy, Talbott and Zimmerman was \$167,166, \$167,166, \$128,585, \$77,160 and \$128,585, respectively.

The letter agreement provides for an at-will employment relationship with the Company with a base salary payable to Mr. Dance of \$200,000 per year and, in addition, incentive compensation ranging from \$175,000 to \$225,000, payable on the first anniversary of Mr. Dance's employment with the Company. Pursuant to the agreement, upon commencing employment in February, 2005, Mr. Dance

received stock options to purchase 10,000 shares of common stock at an exercise price of \$72.70 per shares. In addition, Mr. Dance is to be issued 15,000 Series Z-1 Incentive Units for a purchase price, payable in cash on the issuance date of \$1.00 per Unit.

SERIES Z AND SERIES Z-1 INCENTIVE UNITS

Edgar Filing: ESSEX PROPERTY TRUST INC - Form DEF 14A

The Company has adopted an incentive program involving the issuance of Series Z Incentive Units (Series Z Incentive Units) and Series Z-1 Incentive Units (Series Z-1 Incentive Units) of limited partnership interest in the Operating Partnership. This program is intended to further the Company's objective of long-term growth in funds from operations per share by providing long-term incentives to those key employees of the Company who will be largely responsible for the achievement of such long-term growth. The Series Z Incentive Units and Series Z-1 Incentive Units are a means to link compensation to targeted levels of growth in funds from operations per share.

The issuance of Series Z Incentive Units and Series Z-1 Incentive Units is administered by the Company's Compensation Committee. Participants in the program are senior management and key employees of the Company. The Compensation Committee has the authority to select participants and determine the awards to be made to each participant.

The Series Z Incentive Units program authorized up to 200,000 Series Z Incentive Units to be issued. On June 28, 2001, the Operating Partnership issued all 200,000 Series Z Incentive Units to eleven senior executives of the Company in exchange for a capital commitment of \$1.00 per Series Z Incentive Unit. No further Series Z Incentive Units may be issued.

The Series Z-1 Incentive Units program authorizes the issuance of up to 400,000 Series Z-1 Incentive Units. In June 2004, the Operating Partnership issued 95,953 Series Z-1 Incentive Units to 14 senior executives of the Company in exchange for a capital commitment of \$1.00 per Series Z-1 Incentive Unit. As of December 31, 2004, an additional 304,047 Series Z-1 Incentive Units were available for future issuance.

Upon certain triggering events, the Series Z and Series Z-1 Incentive Units will automatically convert into common units of limited partnership interest in the Operating Partnership based on a conversion ratio that may increase over time upon satisfaction of specific conditions. Common units of the Operating Partnership are exchangeable on a one-for-one basis into shares of the Company's Common Stock. The conversion ratio of Series Z and Series Z-1 Incentive Units into common units, will increase by up to 10% (up to 20% in certain circumstances in the year following their initial issuance) on January 1 of each year for each participating executive who remains employed by the Company if the Company has met a specified funds from operations per share target, or such other target as the Compensation Committee deems appropriate, for the prior year, up to a maximum conversion ratio of 100%. The conversion ratio of the Series Z Incentive Units as of February 28, 2005 was 45.5% and the conversion ratio of the Series Z-1 Incentive Units as of February 28, 2005 was 30%.

The Series Z and Series Z-1 Incentive Units will automatically convert into common units of the Operating Partnership (i) if the conversion ratio reaches the maximum level of 100%, (ii) if none of the participating executives remain employed by the Company, (iii) if the Company

dissolves or is liquidated or, (iv) at the latest, on January 1, 2016 in the case of Series Z Incentive Units and June 2019 in the case of Series Z-1 Incentive Units. In certain change of control situations, the participating executives will also be given the option to convert their units at the then-effective conversion ratio. In addition, the Operating Partnership has the option to redeem Series Z and Series Z-1 Incentive Units held by any executive whose employment has been terminated for any reason and the obligation to redeem any such units following the death of the holder. In such event, the Operating Partnership will redeem the units for, at its option, either common units of the Operating Partnership or shares of the Company's Common Stock based on the then-effective conversion ratio.

The Series Z and Series Z-1 Incentive Units are entitled to participate in regular quarterly distributions on an adjusted basis. In 2004, each Series Z Incentive Unit and each Series Z-1 Incentive Unit was entitled to receive 35.5% and 25%, respectively, of the distribution received by each common unit of the Operating Partnership. As of February 28, 2005, each Series Z Incentive Unit and each Series Z-1 Incentive Unit was entitled to receive 45.5% and 30.0%, respectively, of the distribution received by each common unit of the Operating Partnership. Over time the distribution percentages of the Series Z and Z-1 Incentive Units may increase, generally based on satisfaction of the same conditions as increases in the conversion ratio.

EXECUTIVE SEVERANCE PLAN

Edgar Filing: ESSEX PROPERTY TRUST INC - Form DEF 14A

In May 2001, the Company adopted an executive severance plan that covers the President, the Chief Financial Officer, any Executive Vice President, any Senior Vice President, certain First Vice Presidents, and any Vice President with ten (10) or more years of service with the Company. Thus, this plan covers Messrs. Guericke, Schall, Dance, Eudy, Talbott and Zimmerman and other officers of the Company. Under this plan, if there is a change in control (as defined in the plan) of the Company, all stock options to the officers covered by the plan shall become fully exercisable and shall remain outstanding for the remainder of their original terms, regardless of any subsequent termination of such officer's employment.

In addition, the plan provides that if within 12 months following a change in control of the Company, the Company terminates without cause (as defined in the plan) an officer covered by the plan or such officer terminates his or her employment for good reason (as defined in the plan), then the Company shall pay such officer an amount equal to (i) two times the amount of such officer's current annual base salary, and (ii) two times the amount of such officer's targeted annual bonus.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Edgar Filing: ESSEX PROPERTY TRUST INC - Form DEF 14A

Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, that might incorporate future filings, including this Proxy Statement, in whole or in part, the following compensation committee report shall not be deemed to be incorporated by reference into any such filings.

The Company's Compensation Committee is responsible for developing, administering and monitoring the compensation policies applicable to the Company's executive officers,

including the Series Z and Series Z-1 Incentive Unit Programs. The Company's Stock Incentive Plan Committee (collectively, with the Compensation Committee, the Committees) is responsible for the administration of the Company's 1994 and 2004 Stock Incentive Plans, under which, in the case of the 2004 Stock Incentive Plan, grants may be made to executive officers and other key employees.

Executive Compensation Philosophy. The Committees believe that the primary goal of the Company's executive compensation program should be related to creating stockholder value. The Committees seek to offer the Company's executive officers competitive compensation opportunities based upon their personal performance, the financial performance of the Company as compared to other REITs and their contribution to that performance. The executive compensation program is designed to attract and retain executive talent that contributes to the Company's long-term success, to reward the achievement of the Company's short-term and long-term strategic goals, to link executive officer compensation and stockholder interests through equity-based plans, and to recognize and reward individual contributions to Company performance. When setting executive officer compensation, the Committees intend to evaluate annually the performance of the Company and to compare the Company's performance and compensation structure with those of other REITs and real estate companies engaged in activities similar to those of the Company.

Key factors considered by the Compensation Committee in 2004 included:

- the change in funds from operations per share as compared to other multifamily REITs,
- success in the Company's ability to identify markets with strong long-term growth potential consistent with its strategy,
- the Company's success in acquiring or developing properties in markets targeted by its economic research,
- the implementation of the Company's disposition program, including the reinvestment of funds generated from asset sales, and
- the Company's success at identifying attractive financing alternatives

The Company's compensation program has three principal elements: base salary, performance incentive bonuses and long-term incentive awards.

Base Salaries and Bonus. The base compensation and bonuses for the Company's Named Executive Officers in 2004 was established through negotiations between the Company and each Named Executive Officer. The base salaries will be reviewed annually and may be adjusted by the Compensation Committee in accordance with certain criteria determined primarily on the basis of growth in funds from operations per share of Common Stock and other key factors considered by the Compensation Committee, and on the basis of certain other factors, which include (i) individual performance, (ii) the functions performed by the executive officer, and (iii) changes in the compensation peer group in which the Company competes for executive talent. Although

the Compensation Committee considers these factors in determining base salaries and adjustments thereto, the Compensation Committee anticipates that the analysis will be subjective rather than objective and the weight given such factors may vary from individual to individual.

Long-Term Incentive Plan. The Compensation Committee believes that long term incentive programs can promote executive management retention and alignment of executive and stockholder interests. The factors considered in establishing the Company's long term incentive plan and authorizing grants thereunder included (i) the equity incentive programs of the peer group in which the Company competes for executive talent and (ii) the Company's future performance goals that are expected to lead to appreciation in the Company's Common Stock.

Deductibility of Compensation. Section 162(m) of the Internal Revenue Code of 1986, as amended, denies a deduction for compensation in excess of \$1 million paid to certain executive officers, unless certain performance, disclosure, and stockholder approval requirements are met. Option grants under the Company's 2004 and 1994 Stock Incentive Plans are intended to qualify as performance-based compensation not subject to the Section 162(m) deduction limitation. In addition, the Committee believes that a substantial portion of the compensation program would be exempted from the \$1 million deduction limitation. The Committee's present intention is to qualify, to the extent reasonable, a substantial portion of the executive officers' compensation for deductibility under applicable tax laws. However, the Committee reserves the right to design programs that recognize a full range of performance criteria important to the Company's success, even where compensation payable under such programs may not be deductible.

Chief Executive Officer Compensation. The base compensation of Keith R. Guericke in 2004 was \$278,000, which had been determined through negotiations between the Company and Mr. Guericke. In 2004, Mr. Guericke received a cash bonus in the amount of \$600,000. Mr. Guericke also received 10,607 Series Z-1 incentive units pursuant to the Company's long-term incentive plan for a cash payment of \$10,607. In authorizing the bonus compensation for Mr. Guericke, the Compensation Committee considered (i) the growth in Funds From Operations per share from the previous year, (ii) the realized gains and contribution to funds from operations from the Company's disposition of Essex Apartment Value Fund I and the Essex at Lake Merritt, (iii) the operating results of the Company relative to budget and other multifamily REITs and (iv) the compensation levels for the Chief Executive Officers of other multifamily REITs. Mr. Guericke's base salary, bonus, and long-term incentive awards, if any, will be reviewed by the Committees and adjusted annually based on the criteria for all executive officers discussed above.

REPORT OF THE AUDIT COMMITTEE

Edgar Filing: ESSEX PROPERTY TRUST INC - Form DEF 14A

The Audit Committee of the Board of Directors consists of Messrs. Brady, Martin and Randlett. Mr. Randlett serves as Chairman of the Committee. The Board of Directors has determined that each of the members of the Audit Committee meets the independence and experience requirements of the rules and regulations of the New York Stock Exchange and the Securities and Exchange Commission, as currently applicable to the Company.

The Audit Committee operates under a written charter approved by the Board of Directors, which was amended and restated on March 26, 2003. A copy of the charter was attached to the Company's 2003 Proxy Statement Appendix A.

The primary function of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities by reviewing financial reports and other financial information provided by the Company to any governmental body or the public, the Company's systems of internal controls regarding finance, accounting, legal compliance and ethics that management and the Board of Directors have established, and the Company's auditing, accounting and financial reporting processes generally. The Audit Committee annually recommends to the Board of Directors the appointment of an independent registered public accounting firm to audit the consolidated financial statements and internal controls over financial reporting of the Company and meets with such personnel of the Company to review the scope and the results of the annual audits, the amount of audit fees, the Company's internal controls over financial reporting, the Company's consolidated financial statements and schedule contained in the Company's Annual Report included in the Form 10-K and other related matters.

The Audit Committee has reviewed and discussed with management the consolidated financial statements and management's assessment of internal controls over financial reporting by the Audit Committee for fiscal year 2004 audited by KPMG LLP, the Company's independent registered public accounting firm. The Audit Committee has discussed with KPMG LLP various matters related to the financial statements, including those matters required to be discussed by SAS 61. The Audit Committee has also received the written disclosures and the letter from KPMG LLP required by Independence Standards Board Standard No. 1, and has discussed with KPMG LLP its independence. Based upon such review and discussions, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2004 for filing with the Securities and Exchange Commission.

The Audit Committee and the Board of Directors also have recommended, subject to Stockholder ratification, the selection of KPMG LLP as our independent registered public accounting firm for the year ending December 31, 2005.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

MARCUS & MILLICHAP REAL ESTATE INVESTMENT BROKERAGE COMPANY

Edgar Filing: ESSEX PROPERTY TRUST INC - Form DEF 14A

The Marcus & Millichap Real Estate Investment Brokerage Company (M&M REIBC) is a commercial real estate brokerage firm that is a subsidiary of The Marcus & Millichap Company (M&M). Mr. Millichap, a director of the Company, is the Chairman of M&M REIBC. Mr. Marcus, the Chairman of the Company, is the Chairman of M&M. During the year ended December 31, 2004, the Company paid \$350,000 in brokerage commissions to M&M REIBC with respect to purchases and sales of real estate.

In connection with the Company s 1994 initial public offering (the IPO), M&M REIBC, Essex Portfolio, L.P. (the Operating Partnership), the Company and Essex Management Corporation (EMC) entered into an agreement (the Brokerage Agreement) that provides that if the Company or the Operating Partnership enters into a transaction with M&M REIBC in which either of them or a third party pays a brokerage commission to M&M REIBC, a percentage of such commission, reflecting M&M REIBC s net profit, will be discounted or paid to EMC. The Brokerage Agreement expired and was not renewed in 2004.

PROPERTY MANAGEMENT

Edgar Filing: ESSEX PROPERTY TRUST INC - Form DEF 14A

The Company, through the Operating Partnership, owns all of the nonvoting preferred stock of EMC. During 2004, EMC received approximately \$106,700 for property and asset management services for properties that are not owned by the Company but in which Mr. Marcus holds a partial ownership interest. The fees charged by EMC with respect to such properties are comparable to the fees it charges for providing property and asset management services for other properties.

INVESTMENT IN MOUNTAIN VISTA APARTMENTS, LLC

Edgar Filing: ESSEX PROPERTY TRUST INC - Form DEF 14A

On May 1, 2000, the Company originated an 11.5% subordinated \$9.5 million loan to Mountain Vista Apartments, LLC (Mountain Vista), which loan related to the acquisition and redevelopment of an apartment community owned by Mountain Vista. Mountain Vista is controlled by The Marcus & Millichap Company (M&M). The Chairman of M&M is George Marcus, who is also the Chairman of the Company. In addition, William Millichap, a director of the Company, is also the Chairman of the Marcus & Millichap Real Estate Investment Brokerage Company, an affiliate of M&M. After the initial 2000 loan, the Company made additional loan advances related to the redevelopment. The loan agreements for such loans provide, in part, that the Company is entitled to 25% of the profits generated by Mountain Vista after providing an 11.5% annualized return on equity. The loans were subsequently converted to an ownership interest in Mountain Vista that had similar economic features as the loans. In November 2001, Mountain Vista loaned the Company approximately \$6.8 million related to the refinance of its apartment community, which was recorded as a reduction in the balance of the Company's investment in Mountain Vista since the substance of the transaction was a distribution from an equity method investee. At December 31, 2004, the book value of the Company's investment in Mountain Vista was \$6,806,000. The investment in Mountain Vista was approved by the disinterested directors of the Company's board of directors.

AGREEMENT BETWEEN MR. MARCUS AND THE COMPANY

Edgar Filing: ESSEX PROPERTY TRUST INC - Form DEF 14A

George Marcus, the Company's Chairman, is also involved in other real estate businesses. This agreement was approved by the independent directors (other than Mr. Marcus) of the Company.
