Item 4. Purpose of Transaction.

The shares of Common Stock were acquired as part of the proprietary trading strategy of the Reporting Persons. The Reporting Persons intend to optimize the value of their investments and, therefore, will review from time to time the Issuer's business affairs, financial position, and contractual rights and obligations. Based on such evaluation and review, as well as general economic, industry, and market conditions existing at the time, the Reporting Persons may consider from time to time various alternative courses of action. Such actions may include the acquisition or disposition of Common Stock or other securities through open market transactions, privately negotiated transactions, a tender offer, a merger, an exchange offer, or otherwise. As part of monitoring their investments, the Reporting Persons may also, from time to time, seek to meet with and have discussions with the Issuer's management and directors and, further, may communicate with other holders of Common Stock to understand their views of the Issuer's operating strategy and financial performance. Except as set forth herein, the Reporting Persons have no present plans or proposals that relate to or that would result in any of the actions specified in clauses (a) through (j) of Item 4 of Schedule 13D.
