**PROXY STATEMENT FOR 2007 ANNUAL MEETING OF SHAREHOLDERS**  
**Wednesday, November 14, 2007**

**INFORMATION CONCERNING TIMING OF THE MEETING, SOLICITATION AND VOTING**

*General*

The following information is submitted concerning the enclosed form of proxy and the matters to be acted upon under authority thereof at the 2007 Annual Meeting of Shareholders of the Company to be held on Wednesday, November 14, 2007, commencing at 11:00 a.m. (Eastern Time), or at any adjournment thereof, pursuant to the accompanying notice of this meeting. The 2007 Annual Meeting will be held at the Company's headquarters located at 748 Miller Drive, S.E., Leesburg, Virginia 20175. The Company intends to mail this proxy statement and accompanying proxy to all shareholders entitled to vote at the Annual Meeting on or about October 15, 2007.

*Solicitation and Revocability of Proxies*

The proxy is solicited on behalf of the Board of Directors of the Company. It may be revoked by the shareholder at any time prior to the exercise thereof by filing with the Secretary of the Company a written revocation or a duly executed proxy bearing a later date. The proxy shall be suspended if the shareholder shall be present at the meeting and elect to vote in person. Attendance at the meeting will not, by itself, revoke a proxy. Shares represented by proxies received will be voted. Where the shareholder has specified his or her choice with respect to the proposal to be acted upon, the shares will be voted in accordance with the specification so made, and in the absence thereof will be voted by the proxy holders as directed by management.

The cost of solicitation of proxies will be borne by the Company. Certain directors, officers and regular employees of the Company may solicit proxies by facsimile, telephone or personal interview for which they will receive no additional compensation. In addition, arrangements will be made with brokerage firms and other custodians, nominees and fiduciaries to forward solicitation material for the meeting to beneficial owners, and the Company will reimburse them for their reasonable expenses in so doing.

*Voting Rights and Outstanding Shares*

Only shareholders of record on the books of the Company at the close of business on September 14, 2007 (the Record Date) will be entitled to notice of and to vote at the Annual Meeting. As of the Record Date, there were 28,993,752 shares of Common Stock issued and outstanding and entitled to vote. Each share of Common Stock is entitled to one vote for each matter submitted to the shareholders for approval.

A majority of the outstanding shares entitled to vote must be present in person or represented by proxy at the 2007 Annual Meeting to constitute a quorum. Abstentions and shares of record held by a broker or its nominee ( Broker Shares ) that are voted on any matter at the meeting will be counted for purposes of determining if a quorum exists. Broker Shares that are not voted on any matter at the meeting will not be included in determining whether a quorum is present.

The election of each nominee for Director (Item 1) requires the affirmative vote of the holders of the shares representing a plurality of the votes cast in the election of Directors. Votes that are withheld and Broker Shares that are not voted in the election of Directors will not be included in determining the number of votes cast and, therefore, will have no affect on the election of the Directors.

## Edgar Filing: PRECISION AUTO CARE INC - Form DEF 14A

Actions on all other matters to come before the 2007 Annual Meeting, including the approval of the appointment of the Company's independent auditors (Item 2), require the affirmative vote of the holders of the shares representing a majority of the votes cast such that the votes cast in favor of the action exceed the votes cast against it. Votes that are withheld and Broker Shares that are not voted are not considered cast either for or against a matter and, therefore, will have no effect on the outcome of the other matters to come before the 2007 Annual Meeting.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR EACH OF THE DIRECTOR NOMINEES LISTED ABOVE.**

*Meetings and Committees of the Board*

The Board of Directors has three standing Committees: (i) the Audit Committee; (ii) the Organization and Compensation Committee; and (iii) the Nominating Committee.

The Board of Directors of the Company held 4 meetings during the fiscal year ended June 30, 2007. All directors attended 100% of the aggregate number of meetings of the Board of Directors and Committees on which they served.

*Audit Committee.* The Audit Committee makes recommendations regarding the engagement of the Company's independent auditors, reviews the arrangement and scope of the audit, considers comments made by the independent auditors with respect to the adequacy of the Company's internal accounting controls, and reviews non-audit services provided by the firm. Mr. Allen serves as Chairman of the Audit Committee. Messrs. Sanders and Keefe serve as members of the Committee. During the fiscal year ended June 30, 2007, the Audit Committee met 4 times. The Audit Committee's charter is attached to this proxy statement as Appendix A.

The SEC has additional independence requirements that members of our Audit Committee must satisfy. One such requirement is that they may not accept directly or indirectly any consulting, advisory or other compensatory fee from the Company or any of its subsidiaries other than their director's compensation. The Board of Directors has examined the composition of the Audit Committee and has determined that all of its members are independent as defined by the Marketplace Rules adopted by the NASDAQ Stock Market (the Marketplace Rules) and applicable SEC rules. The Board has also determined that Mr. Woodley A. Allen has all the necessary attributes to be an audit committee financial expert under the current SEC rules. Shareholders should understand that this designation is a disclosure requirement of the SEC related to Mr. Allen's experience and understanding with respect to certain accounting and auditing matters. The designation does not impose upon Mr. Allen any duties, obligations or liability that are greater than are generally imposed on him as a member of the Audit Committee and of the Board, and his designation as an audit committee financial expert pursuant to this SEC requirement does not affect the duties, obligations or liability of any other member of the Audit Committee or of the Board.

The Audit Committee has prepared a report, a copy of which is set forth on page 11 under Report of the Audit Committee.

*Organization and Compensation Committee.* The Organization and Compensation Committee (the Compensation Committee) reviews and approves (or recommends to the full Board) the annual salary, bonus and other benefits of senior management of the Company; reviews and makes recommendations to the Board relating to executive compensation and plans; and establishes, and periodically reviews, the Company's policy with respect to management perquisites. Mr. Keefe serves as Chairman of the Compensation Committee. Mr. Ibrahim also serves as a member of the Compensation Committee. During the fiscal year ended June 30, 2007, the Organization & Compensation Committee met twice. In addition, the Compensation Committee Chairman also provided regular reports of committee activities (if any) during Regular Board meetings. The Compensation Committee's charter is attached to this proxy statement as Appendix B.

The Compensation Committee has prepared a report, a copy of which is set forth on page 9 under Report of the Organization and Compensation Committee on Executive Compensation.

*Nominating Committee.* The Nominating Committee makes recommendations regarding the election of Board members, committee appointments and Corporate Governance Guidelines. Mr. Ibrahim serves as Chairman of the Nominating Committee, and Messrs. Allen and Sanders also serve as members of the

Committee. The Board of Directors has determined that each member of the Committee is independent as defined by the Marketplace Rules. The Committee met once during the fiscal year ended June 30, 2007. In addition, the Nomination Committee Chairman also provided regular reports of committee activities (if any) during Regular Board meetings. The Nominating Committee's charter is attached to this proxy statement as Appendix C.

While the Board of Directors has delegated the selection and initial evaluation of potential directors to the Nominating Committee, the Board retains final approval of all nominations. It is the Board's desire and intention to select people who are independent and diverse in a broad sense people with a variety of backgrounds, experiences and skills that will bring individual talents or contribute to the needs of the Board and the Company. It is also the Board's objective to select for nomination candidates who are able to work in a collaborative and collegial fashion with other directors and senior management, in a manner consistent with the current operating practices of the Board.

In the event of a vacancy on the Board of Directors, the Nominating Committee may, in its discretion, engage a third-party search firm to identify potential candidates to fill the vacancy. The Nominating Committee will consider candidates recommended by other parties, including shareholders and will evaluate those proposed candidates in a manner consistent with the evaluation of all potential nominees based on the considerations set forth above. Third parties wishing to recommend candidates for consideration by the Nominating Committee may do so in writing by providing the recommended candidate's name, biographical data, qualifications and a statement describing the basis for the recommendation, together with the recommended candidate's consent to serve, if nominated and elected, to the Chairman of the Nominating Committee.

#### *Director Independence*

The Board of Directors has determined that Messrs. Allen, Ibrahim, Keefe and Sanders are independent as defined by the Marketplace Rules. Mr. Brown, being an employee of the Company, does not meet the definition of independent.

#### *Code of Ethics and Standards of Conduct*

The Company has adopted a Code of Ethics and Standards of Conduct (the Code of Ethics) that applies to its senior management and all other employees, including the Chief Executive Officer, the Chief Financial Officer, and other persons performing similar functions. A copy of the Code of Ethics can be obtained, without charge, upon written request to: Corporate Secretary, Precision Auto Care, Inc., P. O. Box 5000, Leesburg, VA 20177.

#### *Communications with the Board*

The Company has adopted a process for shareholders to send communications to the Board of Directors. Shareholders may communicate with the Board of Directors individually or as a group by writing to: The Board of Directors of Precision Auto Care, Inc., c/o Corporate Secretary, P. O. Box 5000, Leesburg, VA 20177. The Corporate Secretary may require reasonable evidence that the communication or other submission is made by a shareholder of the Company before transmitting the communication to the Board of Directors.

#### *Compensation of Directors*

Generally under the Board's current policies, non-employee directors are paid \$750 for every board meeting that they attend in person, \$500 for every board committee meeting attended and \$250 for every meeting (board or board committee) attended telephonically. In addition, every board member will receive a stipend of \$2,500 each quarter as long as they are board members.

In addition, Woodley Allen received compensation of \$3,500 as the Board's financial expert.

Directors who are employees receive no additional compensation for serving as directors.

In January 2001, the Board of Directors suspended the issuance of awards under the 1998 and 2000 Outside Directors' Stock Option Plans.

*Director Attendance at Annual Meetings*

The Company encourages, but does not require, its Board members to attend the annual shareholders meeting. All of the Board members attended the 2006 Annual Meeting.

## **REPORT OF THE ORGANIZATION AND COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION**

The Organization and Compensation Committee of the Board of Directors (the "Compensation Committee"), which is composed entirely of outside directors of the Company, is responsible for developing and recommending to the Board of Directors the Company's general compensation policies. The Compensation Committee approves the compensation plans for the Company's executive officers, including the Chief Executive Officer (CEO), and determines the compensation to be paid to the executive officers. The Compensation Committee also is responsible for the granting of stock options and restricted stock awards to the executive officers and the administration of the Company's various incentive compensation plans.

The Compensation Committee has furnished the following report for fiscal year 2007:

*Compensation Philosophy.* The Company's philosophy with respect to executive compensation is based on the principle that the compensation of its executive officers should be competitive with compensation of senior executives at comparable companies, and that a meaningful portion of the compensation received should be closely tied to the performance of the Company and, in certain instances, to the achievement of individual goals. Through this link between pay and performance, it is the intent of the Company to provide direct incentives for the Company's financial success and the creation of incremental shareholder value.

*Executive Officer Compensation.* The key components of compensation for the executive officers consist of annual compensation provided by base salary and annual performance bonuses, and long-term compensation provided by stock options and restricted stock awards.

In September 2001, Louis M. Brown, Jr., then the President and Chief Executive Officer of the Company, received a bonus in the form of 500,000 shares of common stock (valued at \$115,000, based on the then market price of \$0.23 per share) and Mr. Falconi, then Executive Vice President and Chief Operating Officer, received a cash bonus of \$55,000 plus a stock bonus of 75,000 shares of common stock (valued at \$17,250 at the then market price of \$0.23 per share). On April 23, 2003, the Board of Directors (with Mr. Brown abstaining) (i) approved the issuance to Mr. Brown of 500,000 shares of common stock of the Company as compensation for the period from August 5, 2002 to May 4, 2003, (ii) approved the issuance by September 30, 2003 of an additional 250,000 shares contingent on Mr. Brown's continued employment through August 31, 2003, and (iii) agreed to pay federal and state income taxes on the value of these shares at the time of issuance in excess of \$0.23 per share, the closing price on April 22, 2003. In September 2003, Mr. Brown was issued 250,000 shares. Currently, Mr. Brown receives cash compensation at the annual rate of \$260,000.

Members of the Committee believe they have a general awareness of pay practices among companies of roughly comparable size, complexity, and/or industry focus. Based upon the Committee's general knowledge and the commissioned study, other than the compensation paid to Mr. Brown addressed later in this report, members of the Committee believe that the Company's compensation levels are generally commensurate with those of similar companies. Other than as indicated above, compensation of the executive officers is a subjective determination and has not been determined by reference to any specific criteria or factors related to corporate performance.

*Stock Options.* Stock options are granted to executive officers, as well as other employees, based upon the subjective evaluation of employees' general overall performance and upon their relative rank within the Company. No specific performance criteria are considered, and there is no fixed formula for differentiating the number of options granted to an individual or to all employees in the aggregate. The Company's approach to long-term incentives provided by stock options has been a flexible one, in which the effort is to attract and retain able key employees by giving them an opportunity for stock ownership. No stock options were awarded in fiscal year 2007.

*Compensation of the Current Chief Executive Officer:* Louis M. Brown, Jr., the current Chairman and former Chief Executive Officer, joined the Company on August 4, 2000. The year beginning August 4, 2000 and ending August 3, 2001, Mr. Brown's annual base salary was \$1.00. For the year beginning August 4, 2001 and ending August 3, 2002, Mr. Brown's annual base salary was \$0.70 plus a stock award of 500,000 shares and a stock option of 500,000 shares, exercisable at \$0.33 per share, vesting at 33-1/3% per year over three years. From August 5, 2002 to May 4, 2003, Mr. Brown received compensation in the form of 500,000 shares of common stock of the Company and, in September 2003, Mr. Brown was issued 250,000 shares. Mr. Brown receives cash compensation at the annual rate of \$260,000. Mr. Brown became Chairman and Chief Executive Officer in October 2003. Mr. Brown continues serving as Chairman, however, in May 2006, Mr. Robert Falconi was promoted to Chief Executive Officer.

Mr. Robert R. Falconi, the current Chief Executive Officer, joined the Company on September 6, 2000, as Senior Vice President-Finance, Administration & Chief Financial Officer. In March 2002, he was named President and Chief Operating Officer. In May 2006, Mr. Falconi was promoted to Chief Executive Officer. Currently, Mr. Falconi receives cash compensation at the annual rate of \$360,000.

The Committee believes its approach to compensation for the Chairman and Chief Executive Officer is consistent with the Company's ongoing effort to achieve a responsible balance between short-term and long-term performance for the Company and its shareholders, and to provide compensation incentives for its senior executives that encourage those results.

*Tax Compliance Policy.* Section 162(m) of the Internal Revenue Code generally limits to \$1 million the tax deductible compensation paid to a company's Chief Executive Officer and to each of the four highest-paid executives employed as executive officers on the last day of the fiscal year. However, the limitation

does not apply to performance-based compensation provided certain conditions are satisfied. The Committee does not anticipate that in the foreseeable future any officer of the Company will earn compensation in excess of \$1 million that would not qualify as performance-based compensation. Therefore, the Committee has not yet determined a policy with respect to Section 162(m). The Committee intends to review the implications of Section 162(m) when it becomes more relevant with respect to the Company's executive compensation policies.

All members of the Compensation Committee concur in this report to the shareholders.

The Organization and Compensation Committee:

Peter C. Keefe, Chairman  
Bassam N. Ibrahim

#### **COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION**

Mr. Ibrahim, Member of the Compensation Committee, is a shareholder in the law firm of Buchanan Ingersoll PC, which merged with Burns, Doane, Swecker & Mathis, where he was a partner since 1996, and which firm provided certain legal services for the Company during the last fiscal year. The amount paid to the law firm during the last fiscal year totaled \$49,246.

Except for the foregoing, during the fiscal year ended June 30, 2007: (1) none of the members of the Compensation Committee was an officer (or former officer) or employee of the Company or any of its subsidiaries; (2) none of the members of the Compensation Committee entered into (or agreed to enter into) any transaction or series of transactions with the Company or any of its subsidiaries in which the amount involved exceeded \$60,000; (3) none of the Company's executive officers served on the compensation committee (or another board committee with similar functions or, if there was no such committee like that, the entire board of directors) of another entity where one of that entity's officers served on the Company's Compensation Committee or one of its executive officers served as a director on the Company's Board; and (4) none of the Company's executive officers was a director of another entity where one of that entity's officers served on the Company's Compensation Committee.

#### ***Item 2: Appointment of Independent Auditors***

At the Annual Meeting, the shareholders will be asked to approve the appointment of Yount, Hyde & Barbour, P.C. as the Corporation's independent auditors for the fiscal year ending June 30, 2008.

Appointment of the independent auditors will require the affirmative vote of holders of shares of Common Stock representing a majority of the number of votes present in person or represented by proxy at the Annual Meeting, provided a quorum is present. Representatives of Yount, Hyde & Barbour are expected to be present at the Annual Meeting with the opportunity to make a statement if they desire to do so, and such representatives are expected to be available to respond to appropriate questions.

#### ***Audit Committee Pre-Approval Policies and Procedures***

Representatives of the Corporation's independent auditors are expected to attend each meeting of the Audit Committee. The Audit Committee, on at least an annual basis, reviews audit and non-audit services performed by the Corporation's independent auditors as well as the fees charged by the independent auditors for such services. All audit and non-audit services are pre-approved by the Audit Committee, which considers, among other things, the possible effect of such services on the auditors' independence.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT ALL SHAREHOLDERS VOTE FOR THE APPOINTMENT OF THE INDEPENDENT AUDITORS.**

**REPORT OF THE AUDIT COMMITTEE**

The Audit Committee of the Board of Directors (the "Audit Committee") is composed of three independent directors and operates under a written charter adopted by the Board of Directors, a copy of which is attached to the Company's proxy statement for the 2007 Annual Meeting of Shareholders as *Appendix A* and is incorporated herein by reference. The Audit Committee reviews audit fees and recommends to the Board of Directors, subject to shareholder ratification, the selection of the Company's independent accountants. Management is responsible for the Company's internal controls and the financial reporting process. The independent accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and for issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes and to report thereon to the Board of Directors. In this context, the Audit Committee has met and held discussions with management and Yount, Hyde & Barbour, P.C., the Company's independent auditors as of the fiscal year ended June 30, 2007.

Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and Yount, Hyde & Barbour, P.C..

The Audit Committee has discussed with Yount, Hyde & Barbour, P.C. the matters required to be discussed by Statement on Auditing Standards No. 61 (Codification of Statements on Accounting Standards), including the scope of the auditor's responsibilities, significant accounting adjustments and any disagreements with management. The Audit Committee also has received the written disclosures and the letter from Yount, Hyde & Barbour, P.C. relating to the independence of that firm as required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and has discussed with Yount, Hyde & Barbour, P.C. that firm's independence from the Company.

Yount, Hyde & Barbour, P.C. ("Yount, Hyde & Barbour") has served as our independent registered public accounting firm since September 28, 2006. The following table sets forth the aggregate fees incurred by us for the fiscal year ended June 30, 2007 by Yount, Hyde & Barbour.

	2007
Audit Fees (1)	\$ 90,000
Tax Fees (2)	
All Other Fees (3)	2,000

The Audit Committee and management are carefully reviewing the cost of audit and tax services and potential future increases that may be forthcoming.

(1) **Audit Fees.** Audit Fees consist of professional services rendered in the audit of the Company's annual financial statements and review of the Company's quarterly financial statements.

(2) **Tax Fees.** There were no fees billed by Yount, Hyde & Barbour, P.C. for tax compliance, tax advice and tax planning for the fiscal year ended June 30, 2007.

(3) **All Other Fees.** All Other Fees related to out of pocket expenses incurred by Yount, Hyde & Barbour, P.C. during the fiscal year ended June 30, 2007.

On September 28, 2006, the Company dismissed Grant Thornton, LLP ( Grant Thornton ) as our independent registered public accounting firm as disclosed on Form 8K, dated September 28, 2006. The following table sets forth the aggregate fees incurred by us for the fiscal year ended June 30, 2006 by Grant Thornton.

	2006
Audit Fees (1)	\$ 156,000
Tax Fees (2)	95,100
All Other Fees (3)	11,400

(1) **Audit Fees.** Audit Fees consist of professional services rendered in the audit of the Company’s annual financial statements and review of the Company’s quarterly financial statements. Additionally, there was an increase in the audit fees due to the increased expense incurred by the independent auditor for rising insurance costs, a number of changes in professional standards as well as personnel costs.

(2) **Tax fees.** Tax Fees consist of services performed by Grant Thornton for tax compliance, tax planning and tax advice. The tax fees increased due to the above reasons as stated in the audit fees. Additionally, the fees increased due to utilizing Grant Thornton’s services for additional state tax compliance and specific tax analysis.

(3) **All Other Fees.** All Other Fees related to services rendered for assistance relating to a Securities and Exchange Commission letter.

Based upon the Audit Committee’s discussions with management and Yount, Hyde & Barbour, P.C. and the Audit Committee’s review of the representation of management and the report of Yount, Hyde & Barbour, P.C. to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company’s Annual Report on Form 10-KSB for the year ended June 30, 2007 filed with the Securities and Exchange Commission.

### **Precision Auto Care, Inc. Audit Committee Charter (November 2004)**

#### **Committee's Purpose**

The primary function of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities by reviewing: the financial reports and other financial information provided by the Corporation to any governmental body or the public; the Corporation's systems of internal controls regarding finance, accounting, legal compliance and ethics that management and the Board have established; and the Corporation's auditing, accounting and financial reporting processes generally. Consistent with this function, the Audit Committee should encourage continuous improvement of, and should foster adherence to, the Corporation's policies, procedures and practices at all levels. The Audit Committee's primary duties and responsibilities are to:

- Serve as an independent and objective party to monitor the Corporation's financial reporting process and internal control system.
- Review and appraise the audit efforts of the Corporation's independent accountants and internal auditing department.
- Provide an open avenue of communication among the independent accountants, financial and senior management, the internal auditing department, and the Board of Directors.

The Audit Committee will primarily fulfill these responsibilities by carrying out the activities enumerated in Section IV of this Charter.

While the Audit Committee has the responsibilities set forth in this Charter, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. This is the responsibility of management and the Company's independent accountants. Nor is it the duty of the Audit Committee to conduct investigations, to resolve disagreements, if any, between management and the independent accountants or to assure compliance with laws, regulations and the Corporation's Code of Ethical Conduct.

#### **Committee's Membership**

The membership of the Audit Committee shall meet the independence and experience requirements of the Nasdaq Stock Market. The Audit Committee shall be comprised of three or more directors as determined by the Board, each of whom shall be independent directors, and free from any relationship that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment as a member of the Committee. All members of the Committee shall have a working familiarity with basic finance and accounting practices, and at least one member of the Committee shall have accounting or related financial management expertise. Committee members may enhance their familiarity with finance and accounting by participating in educational programs conducted by the Corporation or an outside consultant.

Unless a Chair is elected by the full Board, the members of the Committee may designate a Chair by majority vote of the full Committee membership.

In addition, the Committee or at least its Chair should meet with the independent accountants and management quarterly to review the Corporation's financials consistent with IV.4 below.

Recommend to the Board of Directors the selection of the independent accountants, considering independence and effectiveness and approve the fees and other compensation to be paid to the independent accountants.
