PROPOSAL 3

APPROVAL TO MODIFY THE TRUST'S FUNDAMENTAL INVESTMENT RESTRICTION GOVERNING ITS ABILITY TO BORROW MONEY

What is the Proposal?

The proposal is to amend the Trust's fundamental investment restrictions to permit borrowing to a greater degree for investment purposes.

The Trust's investment restriction governing borrowing is fundamental and can only be changed with the approval of its shareholders. At the Annual Meeting, shareholders will be asked to modify the investment restriction as described below.

What is the proposed modification for the Trust's fundamental investment restrictions governing borrowing?

The Trust's current investment restriction governing borrowing provides as follows:

The Trust will not: issue senior securities, except insofar as the Trust may be deemed to have issued a senior security by reason of [...] (iii) borrowing money in an amount not exceeding 33 1/3%, or such other percentage permitted by law, of the Trust's total assets (including the borrowed amount) less all liabilities other than borrowings [].

If approved by the Trust's shareholders, the Trust's investment restriction governing borrowing will be changed to:

The Trust will not: issue senior securities, except insofar as the Trust may be deemed to have issued a senior security by reason of [] (iii) borrowing money in an amount permitted under the 1940 Act, including the rules, regulations, interpretations thereunder and any exemptive relief provided by the Securities and Exchange Commission [].

Why should the Trust's investment restriction regarding borrowing be modified?

If the modification is approved, the Trust will have greater flexibility to respond to changing markets, new investment opportunities and any future exemptive actions of the SEC. This will allow the Trust to benefit from future changes in applicable law or SEC exemptions without seeking additional costly and time-consuming shareholder approvals.

How might bank borrowing be used following this modification?

The modification would allow the Trust to take advantage of potentially greater leverage through borrowing if an SEC exemption is granted that expands a closed-end fund's ability to borrow. The Trust's fundamental investment restrictions currently limit borrowing to 33 1/3% of the Trust's total assets (including the amount borrowed) less all liabilities other than borrowings. However, the proposed SEC exemption, as described below, would, if granted, relax similar restrictions on borrowing under the 1940 Act if indebtedness is incurred to replace outstanding preferred shares.

This may be important for the Trust because it currently attains leverage not only from borrowing, but also from the proceeds of outstanding auction-rate preferred shares (ARPS). Recently, auctions for ARPS industry-wide have ceased to function as they have in the past, leading many ARPS issuers to consider options to re-finance or otherwise address these auction concerns.

Since their issuance in November 2000, the dividend rate of ARPS has been set by means of a Dutch Auction procedure. Since early February 2008, for the first time in the history of the Trust's ARPS

program, the Trust did not receive hold orders and purchase requests for the ARPS during their Dutch auctions that equaled the full amount of such shares. As a result, the amount sold by each selling shareholder was reduced pro rata or to zero. In addition, the dividend rate on such ARPS automatically reset to the maximum rate permitted under the ARPS program. That maximum rate is 150% of the applicable commercial paper base rate on the day of the auction.

Since early February, preferred shareholders have had limited or no liquidity for their preferred shares. Management of the Trust has been closely monitoring the situation facing the preferred shareholders and is evaluating potential options to restore liquidity and/or provide refinancing options in the context of regulatory guidelines, as well as the economic and tax implications for both common and preferred shareholders. Any refinancing options will be subject to asset coverage tests under the 1940 Act. These asset coverage tests limit borrowing by closed-end funds to an amount up to 33 1/3% of the Trust's total assets (including the amount borrowed) less all liabilities other than borrowings. This 1940 Act limitation is reflected in the Trust's investment restrictions noted above.

Members of the closed-end fund industry are seeking industry-wide exemptive relief from the SEC from the asset coverage tests described above. The SEC exemptive relief would, if granted, increase the amount that the Trust could borrow to up to 50% of its total assets (including the amount borrowed) if such borrowings were used to replace the ARPS. Alternatively, while it has not done so, the Trust could seek its own individual exemptive relief from the asset coverage tests. There can be no assurance that the SEC will grant the industry-wide exemptive relief or any individual relief if the Trust should seek it. If exemptive relief were granted, it could provide expanded borrowing opportunities and provide additional flexibility for refinancing the Trust's preferred shares. The proposal to amend the Trust's investment restrictions would allow the Trust to take advantage of the proposed SEC asset coverage relief. Without this asset coverage relief, refinancing all outstanding preferred shares could require de-leveraging the Trust which could potentially negatively impact the common shareholders.

Any program recommended by Management to refinance the ARPS using the modifications proposed in this proxy statement must be approved by the Board. Furthermore, there can be no assurance that the SEC exemptive relief will be granted. If the SEC does not grant the relief, the Trust may not be able to expand or maintain current levels of leverage through indebtedness. Even if the Trust amends its investment restrictions and can rely on exemptive relief, there can be no assurance that any means for additional liquidity will be identified, and if they are, it is possible that the Trust's leverage or its benefits from leverage will diminish. In addition, the cost of leverage may be subject to conditions in credit markets and to prevailing interest rates, and can change over time. The cost of refinancing the preferred shares may be greater than the Trust's current cost of leverage. If financing becomes unavailable at any time, the Trust may be required to incur significant costs to de-leverage.

Taking into consideration all of these factors, management recommended and the Board agreed that the Trust's investment restriction with respect to borrowing be replaced with a more flexible borrowing restriction as described above.

What risks are associated with borrowing money?

As disclosed in the Trust's prospectus, borrowing money carries the following risks, among others:

Capital raised through leverage will be subject to interest and other costs, and these costs could exceed the income earned by the Trust on the proceeds of such leverage. There can be no assurance that the Trust's income from the proceeds of leverage will exceed these costs. However, the Adviser or sub-adviser seeks to use leverage for the purposes of making additional investments only if they believe, at the time of using leverage, that the total return on the assets purchased with such funds will exceed interest payments and other costs on the leverage.

To the extent that the Trust is unable to invest the proceeds from the use of leverage in assets which pay interest at a rate which exceeds the rate paid on the leverage, the yield on the Trust's Common Shares will decrease. In addition, in the event of a general market decline in the value of assets such as those in which the Trust invests, the effect of that decline will be magnified in the Trust because of the additional assets purchased with the proceeds of the leverage. The Trust's lenders and Preferred shareholders have priority to the Trust's assets over the Trust's Common shareholders.

What is the required vote?

Approval of Proposal 3 requires the affirmative vote of a majority of the Trust's outstanding voting securities, voting as a single class, and the affirmative vote of a majority of the Trust's outstanding shares of preferred stock, voting as a separate class. A majority of the Trust's outstanding voting securities means an affirmative vote of the lesser of: (1) 67% or more of the Trust's shares entitled to vote and present at the Annual Meeting if more than 50% of the outstanding shares of the Trust are present or represented by proxy; or (2) more than 50% of the outstanding shares of the Trust entitled to vote.

What is the recommendation of the Board?

Based upon its review, the Board has determined that Proposal 3 is in the best interests of the Trust and its shareholders. In making this determination, the Board took into account materials presented to the Board in advance of its May 9, 2008 meeting, including a memorandum from Management discussing Management's rationale for proposing the change to the Trust's investment restriction regarding borrowing. Upon request of the independent Trustees, the Board has also received information on the circumstances surrounding the Trust's outstanding preferred shares and the preferred shares of other closed-end funds, as well as ideas for providing liquidity to preferred shareholders while maintaining the benefits of leverage.

After consideration of these materials and such factors and information it considered relevant, the Board, including all of the Independent Trustees present at the Board's May 9, 2008 meeting, approved Proposal 3 and voted to recommend its approval to the Trust's shareholders. The Board is recommending that the Trust's shareholders vote FOR Proposal 3 to approve the changes to the Trust's fundamental investment restriction governing its ability to borrow money to permit the Trust to borrow in an amount permitted under the 1940 Act, including the rules, regulations, interpretations thereunder and any exemptive relief provided by the Securities and Exchange Commission.

What happens if shareholders do not approve Proposal 3?

If the Trust's shareholders do not approve Proposal 3, the Trust will continue to operate subject to the current fundamental investment restriction governing its ability to borrow money, and the Board will determine what action, if any, should be taken.

What actions will the Board and management of the Trust take in the short term to address the current liquidity concerns?

Edgar Filing: ING PRIME RATE TRUST - Form DEF 14A

The Board and the management of the Trust continue to evaluate options to address the current liquidity concerns with respect to the ARPS. In this regard, at a meeting held on May 30, 2008, the Board approved the redemption of approximately 50% of the outstanding ARPS by series, subject to satisfying the notice and other requirements that apply to ARPS redemptions. This redemption would be paid by drawing on leverage currently available under the Trust's credit facilities and can be achieved without amending the Trust's current restrictions on borrowing money. No date has been set for the redemption but the Trust expects to issue a formal redemption notice by the end of June and anticipates that the redemption of 50% of the outstanding ARPS will be completed in July or August 2008.

FURTHER INFORMATION ABOUT THE TRUSTEES AND OFFICERS

How long will the Trustees serve on the Board?

Trustees are considered for election by shareholders on an annual basis and generally hold office until their successors are elected and qualified. A Trustee may, at any time, resign or be removed by a vote of the holders of a majority of the outstanding shares of the applicable class of the Trust. In addition, pursuant to a retirement policy adopted by the Board, each Independent Trustee shall retire from service as a Trustee at the conclusion of the first regularly scheduled meeting of the Board that is held after (a) the Trustee reaches the age of 70, if that Trustee qualifies for a retirement benefit as discussed in the board's retirement policy; or (b) the Trustee reaches the age of 72 or has served as a Trustee for 15 years, if that Trustee does not qualify for the retirement benefit. In order to qualify for the retirement benefit, a Trustee must have served as an Independent Trustee of one or more funds within the ING Funds complex for at least five years as of May 9, 2007. A unanimous vote of the Board may extend the retirement date of a Trustee for up to one year. An extension may be permitted if the retirement would trigger a requirement to hold a meeting of shareholders of the Trust under applicable law, whether for purposes of appointing a successor to the Trustee or if otherwise necessary under applicable law, in which the extension would apply until such time as the shareholder meeting can be held or is no longer needed.

Do the Trustees own shares of the Trust or certain affiliated entities?

Edgar Filing: ING PRIME RATE TRUST - Form DEF 14A

To the best of the Trust's knowledge, as of May 16, 2008 no Trustee owned 1% or more of the outstanding shares of any class of shares of the Trust, and the Trustees and Executive Officers of the Trust owned, as a group, less than 1% of the shares of each class of the Trust.

The Charter sets forth the responsibilities of the Audit Committee. The functions of the Audit Committee include, among others, to meet with the independent registered public accounting firm of the Trust to review the scope of the Trust's audit, the Trust's financial statements and interim accounting controls, and to meet with management concerning these matters, among other things. The Audit Committee currently consists of three (3) Trustees: Messrs. Drotch and Earley and Ms. Chadwick,

all of whom are considered independent under the rules promulgated by the New York Stock Exchange and, in addition, are not interested persons of the Trust as defined in Section 2(a)(19) of the 1940 Act. Audit Committee Report: As part of its oversight of the Trust's financial statements, the Audit Committee reviewed and discussed with the Adviser and KPMG LLP (KPMG), the Trust's independent auditor, the Trust's financial statements for the fiscal year ended February 29, 2008. The Audit Committee also discussed with KPMG the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants. The Audit Committee received and reviewed the written disclosures from KPMG required by Independence Standard No. 1, Independence Discussions with Audit Committees, as amended, by the Independence Standards Board, and discussed KPMG's independence with KPMG. The Audit Committee has reviewed the audit fees of KPMG and has also reviewed non-audit services and fees to assure compliance with the Trust's and the Audit Committee's policies restricting KPMG from performing services that might impair their independence.

Edgar Filing: ING PRIME RATE TRUST - Form DEF 14A

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board that the financial statements as of and for the fiscal year ended February 29, 2008, be included in the Trust's Annual Report to shareholders. The Audit Committee also recommended the selection of KPMG to serve as independent auditor for the fiscal year ending February 28, 2009.

Compliance Committee. The Board has established a Compliance Committee for the purpose of, among other things, coordinating activities between the Board and the Chief Compliance Officer (CCO) of the Trust. The Compliance Committee facilitates the information flow among Board members and the CCO between Board meetings; works with the CCO and management to identify the types of reports to be submitted by the CCO to the Compliance Committee and the Board; coordinates CCO oversight activities with other ING Fund boards; and makes recommendations regarding the role, performance and oversight of the CCO. The Board also oversees quarterly compliance reporting.

Effective May 10, 2007, the functions of the Board's Valuation, Proxy and Brokerage Committee were combined with the functions of the Compliance Committee.(1) As a result of this combination, the functions of the Compliance Committee now include determining the value of securities held by the Trust for which market value quotations are not readily available; overseeing management's administration of proxy voting; and overseeing the effectiveness of the Adviser's usage of the Trust's brokerage and the Adviser's compliance with changing regulations regarding the allocation of brokerage for services (other than pure trade executions).

(1) Prior to May 10, 2007, the Valuation, Proxy and Brokerage Committee's functions included, among others, reviewing the determination of the value of securities held by the Trust for which market quotations were not readily available overseeing management's administration of proxy voting and overseeing the effectiveness of the Adviser's compliance with changing regulations regarding the allocation of brokerage for services other than pure trade executions. The Valuation, Proxy and Brokerage Committee operated pursuant to a Charter approved by the Board.

The Compliance Committee operates pursuant to a Charter approved by the Board. The Compliance Committee currently consists of five (5) Independent Trustees: Messrs. Kenny, Boyer and Vincent, Mses. Baldwin and Pressler. Mr. Kenny serves as Chairperson of the Compliance Committee. During the fiscal year ended February 29, 2008, the Compliance Committee held four (4) meetings.

Vincent, Boyer, Crispin and Mathews and Ms. Pressler. Mr. Vincent serves as Chairperson of the Committee. During the fiscal year ended February 29, 2008, the Executive Committee held four (4) meetings.

Nominating and Governance Committee. The Board has established a Nominating and Governance Committee for the purpose of, among other things: (1) identifying and recommending to the Board candidates it proposes for nomination to fill Independent Trustee vacancies on the Board; (2) reviewing workload and capabilities of Independent Board members and recommending changes to size or composition of the Board, as necessary; (3) monitoring regulatory developments and recommending modifications to the Nominating and Governance Committee's responsibilities; (4) considering and recommending the creation of additional committees or changes to Trustee policies and procedures based on rule changes and best practices in corporate governance; (5) reviewing compensation of Independent Board members and making recommendations for any changes; and (6) overseeing the Board's annual self evaluation process.

In evaluating candidates, the Nominating and Governance Committee may consider a variety of factors, but it has not at this time set any specific minimum qualifications that must be met. Specific qualifications of candidates for Board membership will be based on the needs of the Board at the time of nomination. The Nominating and Governance Committee is willing to consider nominations received from shareholders and shall assess shareholder nominees in the same manner as it reviews its own nominees. A shareholder nominee for Trustee should be submitted in writing to the Trust's Secretary. Any such shareholder nomination should include at a minimum the following information as to each individual proposed for nomination as Trustee: such individual's written consent to be named in the proxy statement as a nominee (if nominated) and to serve as a Trustee (if elected), and all information relating to such individual that is required to be disclosed in the solicitation of proxies for election of Trustees, or is otherwise required, in each case under applicable federal securities laws, rules and regulations.

The Secretary shall submit all nominations received in a timely manner to the Nominating and Governance Committee. To be timely, in connection with a shareholder meeting to elect Trustees, any such submission must be delivered to the Trust's Secretary not earlier than the 90th day prior to such meeting and not later than the close of business on the later of the 60th day prior to such meeting or the 10th day following the day on which public announcement of the date of the meeting is first made, by either the disclosure in a press release or in a document publicly filed by the Trust with the SEC.

The Nominating and Governance Committee currently consists of four (4) Trustees: Mses. Baldwin and Chadwick and Messrs. Kenny and Vincent, all of whom are considered independent under the rules promulgated by the New York Stock Exchange and, in addition, are not interested

The Contracts Committee is not responsible for making substantive recommendations whether to approve, renew, reject or modify agreements or plans. The Contracts Committee operates pursuant to a Charter approved by the Board. The Contracts Committee currently consists of five (5) Independent Trustees: Mses. Pressler and Chadwick, Messrs. How often does the Board meet?

Edgar Filing: ING PRIME RATE TRUST - Form DEF 14A

The Board currently conducts regular meetings eight (8) times a year. The Audit Committee and the Compliance Committee each meets regularly four (4) times per year; the Investment Review Committee meets six (6) times per year; the Contracts Committee meets seven (7) times per year; and the remaining Committees meet as needed. In addition, the Board or the Committees may hold special meetings by telephone or in person to discuss specific matters that may require action prior to the next regular meeting. What are the Trustees paid for their services?

Edgar Filing: ING PRIME RATE TRUST - Form DEF 14A

Each Trustee is reimbursed for expenses incurred in connection with each meeting of the Board or any Committee attended. Each Independent Trustee is compensated for his or her services according to a fee schedule adopted by the Board, and receives a fee that consists of an annual retainer and a meeting fee component.

A new compensation policy went into effect July 1, 2007. Pursuant to this policy, each Trustee is reimbursed for expenses incurred in connection with each meeting of the Board or any Committee meeting attended. Further, each Independent Trustee is compensated for his or her services, on a quarterly basis, according to a fee schedule adopted by the Board. The fee schedule consists of an annual retainer, and does not include additional compensation for attendance at regular or special Board and Committee meetings. Further, Committee Chairpersons receive an additional annual retainer for their services in that capacity.

The Trust pays to each Trustee who is not an interested person of the Trust a *pro rata* share of an annual retainer of \$200,000. The Trust also pays a *pro rata* portion of the following fees: (i) the Chairperson of the Board, Mr. Vincent, receives an additional annual retainer of \$75,000; (ii) the Chairpersons of the Nominating and Governance Committee, Audit Committee, Compliance Committee, Investment Review Committee for the International/Balanced/Fixed-Income Funds, Investment Review Committee for the Domestic Equity Funds, and Contracts Committee of the Board receive an additional annual retainer of \$10,000(1), \$30,000, \$30,000, \$40,000, \$40,000, and \$60,000, respectively; and (iii) the Trustees' out-of-pocket expenses for attendance at Board meetings.(2) The *pro rata* share paid by the Trust is based on the Trust's average net assets, computed as a percentage of the average net assets of all the funds managed by the Adviser or its affiliates, for which the Trustees serve in common as Directors/Trustees.

(1) The Chairperson of the Nominating and Governance Committee may receive up to \$10,000 for his or her services. The \$2,500 retainer payable to the Chairperson for his or her services to the Nominating and Governance Committee is paid only if the Committee has been active for that quarter. If the Nominating and Governance Committee has been active during all four quarters in a given year, the Chairperson will receive the full annual retainer of \$10,000.

(2) Prior to July 1, 2007, the Trust paid each Trustee who was not an interested person a *pro rata* share of: (i) an annual retainer of \$45,000 (the Chairpersons of the Compliance Committee; Nominating and Governance Committee; Valuation, Proxy and Brokerage Committee; Contracts Committee; Audit Committee; Investment Review Committee for the Domestic Equity Funds; and Investment Review Committee for the International/Balanced/Fixed-Income Funds each received an additional annual retainer of \$10,000, \$10,000, \$10,000, \$15,000, \$20,000, \$20,000 and \$20,000, respectively. The Chairperson of the Board, received an additional annual retainer of \$30,000); (ii) \$7,000 for each in person meeting of the Board (the Chairperson of the Board, received an additional \$1,000 for each Board meeting); (iii) \$3,000 per attendance of any Committee meeting (Chairpersons of Committees of the Board received an additional \$1,000 for each Committee meeting); (iv) \$2,000 per special telephonic meeting; and (v) out-of-pocket expenses.

The Trustees who are interested persons of the Trust receive no compensation from the Trust.

What are officers paid for their services?

Edgar Filing: ING PRIME RATE TRUST - Form DEF 14A

The Trust does not pay its officers for the services they provide to the Trust. Instead, the officers, who are also officers or employees of the Adviser or its affiliates, are compensated by the Adviser or its affiliates.

Who are the Trust's advisers, distributor and administrator?

ING Investments serves as the investment adviser to the Trust, ING Funds Distributor, LLC serves as the Trust's distributor and ING Funds Services, LLC serves as the Trust's administrator. The principal office of the Adviser, the distributor and the administrator is located at 7337 E. Doubletree Ranch Road, Scottsdale, Arizona 85258-2034. ING Investment Management Co. serves as sub-adviser to the Trust. The principal office of the sub-adviser is

located at 230 Park Avenue, New York, NY 10169. The investment adviser, the sub-adviser, the distributor and the administrator are all indirect, wholly-owned subsidiaries of ING Groep N.V. and are affiliated with one another.

Who are the Trust's independent public accountants?

The accounting firm of KPMG currently serves as the independent auditor for the Trust. The Board has selected KPMG as the independent auditor to examine and report on the financial statements of the Trust for the fiscal year ending February 28, 2009.

Edgar Filing: ING PRIME RATE TRUST - Form DEF 14A

The following table shows fees paid to KPMG for professional audit services during the Trust's most recent fiscal years ended February 29, 2008 and February 28, 2007, as well as, fees billed for other services rendered by KPMG to the Trust.

	2008		2007	
Audit Fees (1)	\$	66,000	\$	68,750
Audit-Related Fees (2)	\$	35,075	\$	33,125
Tax Fees (3)	\$	5,698	\$	8,838
All Other Fees (4)	\$	0	\$	0

-
- (1) Audit fees consist of fees billed for professional services rendered for the audit of the Trust's year-end financial statements and services that are normally provided by KPMG in connection with statutory and regulatory filings.
 - (2) Audit-related fees consist principally of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of the Trust's consolidated financial statements and are not reported under Audit Fees. These services include attest services that are not required by statute or regulation and consultations concerning financial accounting and reporting standards.
 - (3) Tax fees consist of fees billed for professional services for tax compliance. These services include assistance regarding federal, state, and local tax compliance.
 - (4) All other fees would include fees for products and services other than the services reported above, including those related to the review and issuance of consents on various SEC filings.

The aggregate non-audit fees billed by KPMG for services rendered to the Trust, the Adviser, and any entity controlling, controlled by, or under common control with the Adviser that provides ongoing services to the Trust for the fiscal years ended February 29, 2008 and February 28, 2007 were \$1,394,538 and \$994,400, respectively.

All of the services described in the table above were approved by the Audit Committee pursuant to approval policies and procedures adopted by the Committee. Pursuant to such policies and procedures, the Audit Committee pre-approves: (i) all audit and non-audit services to be rendered to the Trust by KPMG; and (ii) all non-audit services impacting the operations and financial reporting of the Trust provided by KPMG to the Adviser or any affiliate thereof that provides ongoing services to the Trust (collectively, Covered Services). The Audit Committee has adopted approval procedures authorizing one or more members of the Audit Committee to approve from time to time, on behalf of the Audit Committee, all Covered Services to be provided by KPMG which are not otherwise pre-approved at a meeting of the Audit Committee, provided

that such delegate reports to the full Audit Committee at its next regularly scheduled meeting. The pre-approval procedures do not include delegation of the Audit Committee's responsibilities to management. Pre-approval has not been waived with respect to any of the services described above since the date on which the Audit Committee adopted its current pre-approval procedures.

The Audit Committee of the Board will periodically consider whether KPMG's receipt of non-audit fees from the Trust, the Adviser and all entities controlling, controlled by, or under common control with the Adviser that provide services to the Trust is compatible with maintaining the independence of KPMG.

KPMG has advised the Trust that neither KPMG nor any of its partners has any direct or material indirect financial interest in the Trust. Representatives of KPMG are not expected to be at the Annual Meeting but have been given the opportunity to make a statement if they wish, and will be available telephonically should any matter arise requiring their participation.

GENERAL INFORMATION

What happens to my proxy once I vote it?

Edgar Filing: ING PRIME RATE TRUST - Form DEF 14A

The Board has named Todd Modic and Huey P. Falgout, Jr. as proxies of the Trust. If you follow the instructions when you vote, your proxies will vote your shares as you have directed. If you submit your Proxy Ballot but do not vote on any Proposal, your proxies will vote on that Proposal as recommended by the Board.

What if a Proposal that is not in the Proxy Statement comes up at the Annual Meeting?

Edgar Filing: ING PRIME RATE TRUST - Form DEF 14A

If any other matter is properly presented, your proxies will vote in accordance with their best judgment. At the time this Proxy Statement was printed, the Board knew of no matter that needed to be acted on at the Annual Meeting other than those discussed in this Proxy Statement.

I want to attend the Annual Meeting and vote in person. How do I do this?

Edgar Filing: ING PRIME RATE TRUST - Form DEF 14A

The Annual Meeting will be held at 7337 E. Doubletree Ranch Road, Scottsdale, Arizona 85258-2034. If you attend the Annual Meeting and wish to vote in person, you will be given a ballot at the meeting. However, if your shares are held in the name of your broker, bank or other nominee, you must bring a letter from the nominee indicating that you are the beneficial owner of the shares on the Record Date and authorizing you to vote. If you expect to attend the Annual Meeting in person, please notify the Trust by calling 1-800-992-0180.

What are my voting rights and the quorum requirements?

Edgar Filing: ING PRIME RATE TRUST - Form DEF 14A

Each share of each class of the Trust is entitled to one vote and each fractional share is entitled to a proportionate fractional vote. Shareholders of the Trust at the close of business on the Record Date will be entitled to be present and to give voting instructions for the Trust at the Annual Meeting and any adjournments thereof with respect to their shares owned as of the Record Date. A majority of the outstanding shares of the Trust on the Record Date entitled to vote for each Proposal, present in person or represented by proxy, must be present to constitute a quorum.

If a quorum is not present at the Annual Meeting, or if a quorum is present but sufficient votes to approve either or both of the Proposals are not received, the persons named as proxies may propose one or more adjournments of the Annual Meeting to permit further solicitation of proxies. A shareholder vote may be taken on one or more of the Proposals in this Proxy Statement prior to any adjournment if sufficient votes have been received with respect to a Proposal. Any adjournment will require the affirmative vote of a majority of those shares represented at the Annual Meeting in person or by proxy. The persons named as proxies will vote in favor of such adjournment those proxies which they are entitled to vote in favor of any Proposal that has not been adopted, will vote against any adjournments those proxies required to be voted against any Proposal that has not been adopted, and will not vote any proxies that direct them to abstain from voting on such Proposals.

The Trust expects that, before the Annual Meeting, broker-dealer firms holding shares of the Trust in street name for their customers will request voting instructions from their customers and beneficial owners. If these instructions are not received by the date specified in the broker-dealer firms proxy solicitation materials, the Trust understands that the broker-dealers that are members of the New York Stock Exchange may vote on the items to be considered at the Annual Meeting on behalf of their customers and beneficial owners under the rules of the New York Stock Exchange.

If a shareholder abstains from voting as to any matter, or if a broker returns a non-vote proxy, indicating a lack of authority to vote on a matter, then the shares represented by such abstention or non-vote will be considered to be present at the Annual Meeting for purposes of determining the existence of a quorum. A plurality of the votes duly cast is required for the election of a Trustee (i.e., the nominee receiving the greatest number of votes will be elected). Abstentions and broker non-votes therefore will not have an effect on the election of a Trustee. However, both abstentions and broker non-votes will be counted as votes against a proposal to modify the fundamental investment restrictions.

Section 16(a) Beneficial Ownership Reporting Compliance.

Edgar Filing: ING PRIME RATE TRUST - Form DEF 14A

Section 16(a) of the Securities Exchange Act of 1934, as amended, and Section 30(h) of the 1940 Act, as applied to the Trust, require the Trust's officers, Trustees, Adviser, affiliates of the investment adviser, and persons who beneficially own more than 10% of a registered class of the Trust's outstanding securities (Reporting Persons), to file reports of ownership of the Trust's securities and changes in such ownership with the SEC and the New York Stock Exchange. Such persons are required by the U.S. Securities and Exchange Commission (the SEC) regulations to furnish the Trust with copies of all such filings.

Based solely on its review of the copies of such forms received by it and written representations from certain Reporting Persons, the Trust believes that during the fiscal year ended February 29, 2008, its Reporting Persons complied with all applicable filing requirements.

Shareholder Communications with the Board of Trustees.

Shareholders may send other communications to the Board of Trustees, a Committee thereof, or an individual Trustee. Such communications should be sent to the Trust's Secretary at the address on the front of this Proxy Statement.

What is the deadline for submitting a shareholder proposal for the Trust's 2009 Annual Meeting?

Edgar Filing: ING PRIME RATE TRUST - Form DEF 14A

It is anticipated that the next annual meeting of the Trust will be held in June 2009 but the exact date, time and location of such meeting have yet to be determined. Any proposals of shareholders that are intended to be presented at the Trust's next annual meeting must be in writing and received at the Trust's principal executive offices no later than January 6, 2009, in order for the proposal to be considered for inclusion in the Trust's proxy statement for that meeting. The submission of a proposal does not guarantee its inclusion in the Trust's proxy statement or presentation at the meeting.

In addition, pursuant to relevant SEC proxy rules, a company may use discretionary voting authority to vote on matters coming before an annual meeting of shareholders if the company does not have notice of the matter at least 45 days before the date corresponding to the date on which the company first mailed its proxy materials for the prior year's annual meeting of stockholders or the date specified by an overriding advance notice provision in the company's bylaws. As the Trust's bylaws do not contain such an advance notice provision, for the Trust's 2009 Annual Meeting of shareholders, shareholders must submit to the Trust written notice of a shareholder proposal on or before March 23, 2009.

Please vote by returning your Proxy Ballot in the enclosed postage-paid envelope.
