Abbott Laboratories and Zimmer, Inc. have entered into a definitive agreement for Zimmer to acquire Abbott's spine business for approximately \$360 million in cash.

Abbott expects the sale of its spine business to result in a one-time pretax gain of at least \$150 million and intends to treat this gain as a specified item in the period in which the transaction closes.

The transaction is subject to customary closing conditions, including regulatory approvals and completion of the consultation process with employee representatives in France, and is expected to be completed in the fourth quarter of 2008.
