## Edgar Filing: TERRA INDUSTRIES INC - Form SC TO-T/A

This Amendment No. 29 to Tender Offer Statement on Schedule TO (as amended, the Schedule TO ) amends and supplements the statement originally filed on February 23, 2009, as subsequently amended from time to time, by CF Industries Holdings, Inc., a Delaware corporation ( CF Holdings ), and Composite Acquisition Corporation, a Maryland corporation ( Composite ). This Schedule TO relates to the third party tender offer by CF Holdings, through Composite, to exchange each of the issued and outstanding shares of common stock, without par value, of Terra Industries Inc., a Maryland corporation ( Terra ), for 0.4235 shares of common stock, par value \$0.01 per share, of CF Holdings (together with the associated preferred stock purchase rights), upon the terms and conditions set forth in (1) the Offer to Exchange (as defined below) and (2) the related Letter of Transmittal (the offer reflected by such terms and conditions, as they may be amended or supplemented from time to time, constitutes the Offer ).

CF Holdings filed on April 14, 2009, Amendment No. 1 to its Registration Statement on Form S-4 (file no. 333-157462) relating to the offer and sale of the CF Holdings common stock to be issued to holders of Terra common stock in the Offer. The terms and conditions of the Offer are set forth in the prospectus/offer to exchange, which is a part of the Registration Statement (as amended, the Offer to Exchange ), and the related Letter of Transmittal, which are set forth as Exhibit (a)(4) and Exhibit (a)(1)(A) hereto, respectively.

All information contained in the Offer to Exchange and the Letter of Transmittal, and any prospectus supplement or any other supplement thereto related to the Offer, is hereby expressly incorporated herein by reference with respect to Items 1 through 9 and Item 11 of the Schedule TO, except that such information is amended and supplemented to the extent specifically provided herein.

### **ITEMS 1 AND 4. TERMS OF THE TRANSACTION**

Items 1 and 4 of the Schedule TO are hereby amended and supplemented by adding the following:

On August 5, 2009, CF Holdings announced that it had extended the Offer until 5:00 p.m., Eastern time, on Friday, August 21, 2009, unless further extended.

### **ITEM 5. PAST CONTACTS, TRANSACTIONS, NEGOTIATIONS AND AGREEMENTS**

Item 5(b) of the Schedule TO is hereby amended and supplemented by adding the following:

On July 6, 2009, CF Holdings announced that it filed a certification with the FTC that it had substantially complied with the FTC's second request in connection with the Offer. Pursuant to the HSR Act, absent the FTC challenging CF Holdings' substantial compliance with the second request, the premerger waiting period with respect to CF Holdings' proposed business combination with Terra will expire at 11:59 p.m., Eastern time, on Wednesday, August 5, 2009.

On July 20, 2009, Agrium announced that it had extended the expiration date of its exchange offer for all outstanding shares of CF Holdings common stock until 12:00 midnight, Eastern time, on Wednesday, August 19, 2009.

## Edgar Filing: TERRA INDUSTRIES INC - Form SC TO-T/A

On August 3, 2009, the CF Holdings board of directors held a meeting, together with management and representatives of its legal advisor, Skadden Arps, and its financial advisors, Morgan Stanley and Rothschild, to discuss CF Holdings' proposed business combination with Terra. Following discussions, the CF Holdings board of directors reaffirmed its intent to continue to pursue a business combination with Terra and authorized Mr. Wilson to send a letter to the Terra board of directors on the morning of August 5, 2009, outlining the terms under which CF Holdings would be prepared to enter into a definitive merger agreement with Terra. The letter read as follows:

Attention: Henry R. Slack, Chairman of the Board

Michael L. Bennett, President and Chief Executive Officer

Dear Members of the Board:

Last week CF Industries announced very strong results for the second quarter, once again demonstrating the strength of our company and our business model. We expect that today we will have satisfied the regulatory conditions with respect to our proposed business combination with Terra Industries and will be in a position to close a transaction promptly. To that end, we are prepared to enter into a merger agreement under which each Terra share would be exchanged for 0.465 of a share of CF Industries. That exchange ratio represents a premium of 35% over the exchange ratio on January 15, 2009, just prior to when we made our initial offer, and it reflects a premium of 38% over the average exchange ratio for the year prior to that offer.

We also are prepared, following closing of the merger, to return at least \$1 billion of cash to the stockholders of the combined company, which likely would be accomplished through open market purchases or a self-tender. Given the significant increase in our offer, as well as our confidence in the future trading value of our stock, immediately before the merger we would distribute to CF Industries stockholders Contingent Future Shares ( CFs ), as described in the attached term sheet. The CFs would provide the holders with an opportunity to receive an aggregate of 5 million CF Industries shares should CF Industries shares trade at over \$115 per share during a specified period after the closing of the merger.

Through this business combination your stockholders will share in the future upside of the combined company, including \$105-135 million of annual operating synergies. As we have said, we would welcome having a number of your directors on the board of the combined company. We look forward to Mike Bennett being one of those directors and having him continue to serve in a senior executive capacity, working closely with me to manage the combined company. Also, we would consider locating some functions of the combined company in the Sioux City area, while preserving the synergies in the transaction.

We are enthusiastic about combining our two companies, and look forward to a favorable response.

Sincerely,

/s/ Stephen R. Wilson
