Appointment of David E. Tucker

On May 21, 2012, PHH Corporation (PHH or the Company) announced that David E. Tucker, age 51, was appointed President of PHH Mortgage Corporation (PHH Mortgage), the Company's mortgage origination and servicing subsidiary. Mr. Tucker succeeds Smriti Laxman Popenoe, who has served as Interim President of PHH Mortgage since March 2012. After a transition period, Popenoe will resume her responsibilities as Executive Vice President and Chief Risk Officer of the Company. Mr. Tucker was also appointed as Executive Vice President, Mortgage of the Company.

Prior to joining the Company, Mr. Tucker provided advisory and consulting services to private equity firms and middle-market companies from 2009-2012 and he gained 25 years of management experience at General Electric Company (GE) from 1984-2009, with leadership roles including, most recently, Chief Operating Officer of GE Oil & Gas Drilling and Production Systems from 2007-2009. Previously, he served as General Manager of Global Business Development for GE Energy. Earlier in his career, Mr. Tucker served in several positions with GE Capital Services, including Chief Financial Officer of Vendor Financial Services, GE's private label commercial finance unit. He also served on the GE Corporate Audit Staff and was leader of the GE Capital Audit Staff. Mr. Tucker earned a Bachelor of Science degree from Bentley College and is a certified Six Sigma Black Belt.

In his capacity as Executive Vice President, Mortgage of the Company and President of PHH Mortgage, and pursuant to Mr. Tucker's employment offer letter, Mr. Tucker will receive an annualized base salary of \$560,000. Mr. Tucker will also be eligible to participate in the PHH Corporation Management Incentive Plan (the MIP) with a 2012 MIP target award of \$700,000 prorated based on Mr. Tucker's employment commencement date. Mr. Tucker is guaranteed a minimum 2012 MIP payout of \$350,000.

Subject to the approval of the Human Capital and Compensation Committee, Mr. Tucker is entitled to receive a sign-on equity grant under the PHH Corporation Amended and Restated 2005 Equity and Incentive Plan (as amended, the 2005 Equity and Incentive Plan) with a fair market value on the date of grant of \$2,500,000 consisting 50% of three year time-vested non-qualified stock options and 50% of three year performance-vested restricted stock units. Additionally, for each share of PHH common stock that Mr. Tucker purchases on the open market during the first open trading window following the commencement of his employment, he will be entitled to receive, subject to the approval of the Human Capital and Compensation Committee, a restricted stock unit (a Matching RSU) under the 2005 Equity and Incentive Plan that will vest one year after the date of grant provided that Mr. Tucker remains employed with the Company through the vesting date. The maximum number of Matching RSUs that will be granted is 10,000.

Subject to the approval of the Human Capital and Compensation Committee, Mr. Tucker will also be entitled to receive periodic equity awards under the 2005 Equity and Incentive Plan and, in addition to the sign-on equity grant described above, is entitled to receive an equity grant in 2012 with a grant date fair value of \$896,000 that is expected to be in the form of a combination of three year time-vested non-qualified stock options and three year performance-vested restricted stock units.

Mr. Tucker will also be eligible to participate in PHH's benefits plans as in effect from time to time and will be provided relocation benefits, including a lump-sum \$50,000 temporary living stipend, and perquisites similar to those provided to PHH's other executive officers as approved by the Human Capital and Compensation Committee from time to time, including a company-leased vehicle and access to financial planning services.
