Item 1.01 Entry into a Material Definitive Agreement.

On August 5, 2012, CardioNet, Inc. (the Company) entered into an Agreement and Plan of Merger (the Merger Agreement) with cardioCORE Lab, Inc., a Delaware corporation (cardioCORE), Cardinal Merger Sub, Inc., a Delaware corporation and a wholly owned subsidiary of the Company (Merger Sub), and the Stockholder Representative (as defined therein). Pursuant to the Merger Agreement, Merger Sub will merge with and into cardioCORE, and cardioCORE will continue as the surviving corporation (the Merger). cardioCORE is a leading cardiac core lab with core lab locations near Washington, D.C., San Francisco, Ca, and London, UK.

The total purchase price to be paid will be (i) \$20,000,000 in cash (the Cash Consideration) and (ii) a number of shares of the Company's common stock, \$0.001 par value per share, equal to \$3,500,000 divided by the 20-Day Average Price (as defined in the Merger Agreement) (the Stock Consideration). The shares issued in the Merger will be subject to certain restrictions on transfer. The Company has the option to substitute the Stock Consideration for a cash payment in the amount of \$3,500,000. The Cash Consideration will be paid from cash on hand. The acquisition is expected to close in the third quarter of 2012.

The Merger Agreement contains customary representations, warranties and covenants of the parties. Pursuant to the terms of the Merger Agreement, a portion of the Cash Consideration will be placed into escrow for payment of certain working capital adjustments and indemnification obligations regarding breaches of the representations, warranties and covenants of cardioCORE.

Each party's obligation to consummate the transaction is subject to customary closing conditions. The Merger Agreement is subject to customary termination provisions and, in addition, may be terminated by the Company or cardioCORE if specified closing conditions have not been fulfilled by August 30, 2012, unless the terminating party has failed to comply or perform its covenants and obligations in the Merger Agreement at the time of such termination.

The description of the Merger Agreement is not complete and is qualified in its entirety by the terms and conditions of the Merger Agreement, a copy of which is filed as an exhibit to this Form 8-K and is incorporated herein by reference.

Item 3.02 Unregistered Sales of Equity Securities.

The information set forth above in Item 1.01 is incorporated by reference. The Stock Consideration will be offered to the stockholders of cardioCORE as part of a private placement to accredited investors pursuant to an exemption from registration under Rule 506 of Regulation D under the Securities Act of 1933, as amended.
