**Item 1.01 Entry into a Material Definitive Agreement.**

On January 3, 2013, CoreSite, L.P. (the Operating Partnership), the operating partnership of CoreSite Realty Corporation (the Company), and certain subsidiary co-borrowers entered into a second amended and restated unsecured revolving credit facility (the Second Amended and Restated Credit Agreement) with a group of lenders for which KeyBank National Association acts as the administrative agent. The Second Amended and Restated Credit Agreement amends the Operating Partnership's senior secured revolving credit facility, dated December 15, 2011 (the Prior Facility), and provides for the release of the properties owned by the Operating Partnership's wholly-owned subsidiaries from the existing liens in favor of the credit facility lenders, with the facility continuing on an unsecured basis and unconditionally guaranteed on an unsecured basis by the Company. The Operating Partnership acts as the parent borrower, and its subsidiaries that own or lease the real estate properties, are co-borrowers under the Second Amended and Restated Credit Agreement. In addition, the obligations of each of the Operating Partnership and the co-borrowers under the Second Amended and Restated Credit Agreement are joint and several.

The Second Amended and Restated Credit Agreement increases the commitment from the Prior Facility of \$225.0 million to \$355.0 million, and extends the initial maturity date of the Prior Facility from December 15, 2014 to January 3, 2017, with a one-time extension option, which, if exercised, would extend the maturity date to January 3, 2018. The exercise of the extension option is subject to the payment of an extension fee equal to 25 basis points of the total commitment under the Second Amended and Restated Credit Agreement at initial maturity and certain other customary conditions.

Under the Second Amended and Restated Credit Agreement, the Operating Partnership may elect to have borrowings bear interest at a rate per annum, amended from the Prior Facility, equal to (i) LIBOR plus 200 basis points to 275 basis points, or (ii) a base rate plus 100 basis points to 175 basis points, each depending on the Operating Partnership's leverage ratio. The Second Amended and Restated Credit Agreement contains an accordion feature, which allows the Operating Partnership to increase the total commitment by \$145.0 million, to \$500.0 million, under specified circumstances. In addition, the Second Amended and Restated Credit Agreement continues to allow the Operating Partnership, under certain specified circumstances, to borrow in an alternative currency up to a \$40.0 million equivalent.

The total amount available for borrowings under the Second Amended and Restated Credit Agreement will be subject to the lesser of (i) an amount that, with all other unsecured debt, does not exceed the value of the eligible real estate assets as described in the Second Amended and Restated Credit Agreement, (ii) a minimum unsecured debt service coverage ratio and (iii) a minimum unsecured debt yield. The Operating Partnership's ability to borrow under the Second Amended and Restated Credit Agreement is subject to ongoing compliance with customary restrictive covenants, including maintenance of certain financial requirements.

The foregoing description of the Second Amended and Restated Credit Agreement is qualified in its entirety by reference to the full text of the Second Amended and Restated Credit Agreement attached as Exhibit 1.1 to this Current Report on Form 8-K and incorporated herein by reference. A copy of the Company's press release dated January 7, 2013, is attached as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.
