On April 11, 2013, Elliott Associates, L.P. and Elliott International, L.P. (collectively, Elliott) issued the following press release and made the communication referenced therein available to shareholders of Hess Corporation:

Elliott Management Highlights Unrelenting

Underperformance at Hess

*Elliott Urges Hess Shareholders to Vote **GREEN** Proxy Card for*

Highly-Qualified Independent Directors Who Will Bring Accountability to Hess

NEW YORK (April 11, 2013) Elliott Management Corporation (Elliott) today issued the following communication to shareholders of Hess Corporation (NYSE: HES):

Despite Unrelenting Underperformance, Hess Persists with Rhetoric and Denial

	John Hess Tenure 17 Years	5-Year	4-Year	3-Year	2-Year	1-Year
vs Proxy Peers used by Hess*	(333)%	(31)%	(43)%	(29)%	(40)%	(17)%
vs Revised Proxy Peers**	(460)%	(45)%	(63)%	(44)%	(47)%	(20)%

John Hess Rhetoric: John Hess ignores 17 years of underperformance and claims a transformation that supposedly began in 2010 is delivering shareholder value. He tells Shareholders to be content with performance since July 2012, which is when he announced that this transformation was underway.

Reality: Even when measured using John Hess's short-term focus, Hess has radically underperformed its peers since the beginning of the company's transformation. Furthermore, Hess's explanation of more recent performance fails to account for the involvement of Shareholders calling for change.

Hess Stock Performance Versus Peers Since Start of Transformation (January 1, 2010)

Shareholder Nominees (GREEN Card) Offer Results, Not More John Hess Rhetoric

Rodney Chase (Former Deputy Group CEO, BP): Managed every major business at BP.

Harvey Golub (Former CEO, American Express): Led turnaround resulting in 750% share appreciation.

Karl Kurz (Former COO, Anadarko): Helped lead a successful transformation of Anadarko.

David McManus (Former EVP, Pioneer): Executed a text book repositioning of a portfolio.

Mark Smith (Senior VP/CFO, Ultra): Manages lowest-cost operator in resource play environment.

We currently believe the best way for Hess shareholders to maximize their value is through the election of Elliott Management's nominees to the board. Citigroup, April 5, 2013

**A Vote for John Hess's Nominees =
Lack of Accountability**

**A Vote for Shareholder Nominees =
Accountability & Objective Analysis of All Plans**

Change is possible with the right solutions. Vote the **GREEN** card for Real Change at Hess.
