Item 1.01. Entry into a Material Definitive Agreement

On June 18, 2014, TE Connectivity Ltd., a Swiss corporation (TE or the Company), entered into an Agreement and Plan of Merger (the Merger Agreement) by and among TE, Wolverine-Mars Acquisition, Inc., a Delaware corporation and an indirect wholly-owned subsidiary of TE (Merger Subsidiary), and Measurement Specialties, Inc., a New Jersey corporation (MEAS), pursuant to which, upon the terms and subject to the conditions set forth therein, Merger Subsidiary will merge with and into MEAS (the Merger), with MEAS continuing as the surviving corporation and an indirect wholly-owned subsidiary of TE. At the effective time of the Merger, each outstanding share of MEAS common stock will be converted into the right to receive \$86.00 in cash, without interest.

The Merger Agreement contains representations, warranties and covenants of the parties customary for transactions of this type. Until the earlier of the termination of the Merger Agreement and the consummation of the Merger, MEAS has agreed to operate its business and the business of its subsidiaries in the ordinary course and has agreed to certain other operating covenants, as set forth more fully in the Merger Agreement. MEAS has agreed to cease all existing, and not to solicit or initiate, discussions with third parties regarding other proposals to acquire MEAS. However, MEAS may, subject to the terms and conditions as set forth in the Merger Agreement, furnish information to, and engage in discussions and negotiations with, a third party that makes an unsolicited acquisition proposal. Under certain circumstances and upon compliance with certain notice and other specified conditions set forth in the Merger Agreement, MEAS may terminate the Merger Agreement to accept a superior proposal. The Merger Agreement contains certain termination rights for both TE and MEAS and further provides that, upon termination of the Merger Agreement under certain circumstances, including if MEAS terminates the Merger Agreement to accept a superior proposal, MEAS will be required to pay TE a termination fee of \$22.9 million.

Consummation of the Merger is subject to various conditions, including, among others, the approval and adoption of the Merger Agreement by MEAS shareholders, the expiration or termination of the waiting period under the U.S. Hart-Scott-Rodino Antitrust Improvements Act of 1976, the clearance of the transaction by antitrust authorities in Germany and Austria, the Committee on Foreign Investment in the United States and the French Ministry for Economy and Finance, and other customary closing conditions, each as set forth in the Merger Agreement. The Merger is not subject to a financing condition.

The foregoing is a general description of the Merger and the Merger Agreement; it does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, which is attached to this Current Report on Form 8-K as Exhibit 2.1 and is incorporated in this report by reference.

The Merger Agreement is attached as an exhibit to this Current Report on Form 8-K to provide investors and TE shareholders with information regarding the terms of the Merger Agreement and is not intended to modify or supplement any factual disclosures about TE, Merger Subsidiary, MEAS or their respective affiliates. The representations, warranties and covenants contained in the Merger Agreement were made only for the purposes of the Merger Agreement, were made as of specific dates, were made solely for the benefit of the parties to the Merger Agreement and may not have been intended to be statements of fact, but rather as a method of allocating risk and governing the contractual rights and relationships among the parties to the Merger Agreement. In addition, such representations, warranties and covenants may have been qualified by certain disclosures not reflected in the text of the Merger Agreement and may apply standards of materiality and other qualifications and limitations in a way that is different from what may be viewed as material by TE s or MEAS shareholders. In reviewing the representations, warranties and covenants contained in the Merger Agreement or any descriptions thereof in this summary, it is important to bear in mind that such representations, warranties and covenants or any descriptions were not intended by the parties to the Merger Agreement to be characterizations of the actual state of facts or conditions of TE, Merger Subsidiary or MEAS or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in public disclosures. For the foregoing reasons, the representations, warranties and covenants or any descriptions of those provisions should not be read alone and should instead be read in conjunction with the other information contained in the reports, statements and filings that TE and MEAS publicly file with the SEC. TE acknowledges that, notwithstanding the inclusion of the foregoing cautionary statements, it is responsible for considering whether additional specific disclosures of material information regarding material contractual provisions are required to make the statements in this report not misleading.
