### **Cautionary Statement Regarding Forward-Looking Statements**

This news release contains forward-looking statements (including within the meaning of the Private Securities Litigation Reform Act of 1995) concerning IGT, GTECH, Georgia Worldwide PLC (NewCo), the proposed transactions and other matters. These statements may discuss goals, intentions and expectations as to future plans, trends, events, results of operations or financial condition, or otherwise, based on current beliefs of the management of NewCo, IGT and GTECH as well as assumptions made by, and information currently available to, such management. Forward-looking statements may be accompanied by words such as aim, anticipate, believe, plan, could, would, should, , shall , co estimate, expect, forecast, future, guidance, intend, may, will, possible, potential, predi negative or other variations of them. Should one or more of these risks or uncertainties materialize, or should any of the underlying assumptions prove incorrect, actual results may differ materially from those predicted in GTECH's forward-looking statements and from past results, performance or achievements. These forward-looking statements are subject to various risks and uncertainties, many of which are outside the parties' control. Therefore, you should not place undue reliance on such statements. Factors that could cause actual results to differ materially from those in the forward-looking statements include (but are not limited to) failure to obtain applicable regulatory or shareholder approvals in a timely manner or otherwise; failure to satisfy other closing conditions to the proposed transactions; risks that the new businesses will not be integrated successfully or that the combined companies will not realize estimated cost savings, value of certain tax assets, synergies and growth or that such benefits may take longer to realize than expected; failure to realize anticipated benefits of the combined operations; risks relating to unanticipated costs of integration; reductions in customer spending, a slowdown in customer payments and changes in customer demand for products and services; unanticipated changes relating to competitive factors in the industries in which the companies operate; ability to hire and retain key personnel; the potential impact of announcement or consummation of the proposed transactions on relationships with third parties, including customers, employees and competitors; ability to attract new customers and retain existing customers in the manner anticipated; reliance on and integration of information technology systems; changes in legislation or governmental regulations affecting the companies; international, national or local economic, social or political conditions that could adversely affect the companies or their customers; conditions in the credit markets; risks associated with assumptions the parties make in connection with the parties' critical accounting estimates and legal proceedings; and the parties' international operations, which are subject to the risks of

currency fluctuations and foreign exchange controls. The foregoing list of factors is not exhaustive. You should carefully consider the foregoing factors and the other risks and uncertainties that affect the parties businesses, including those described in NewCo's Form F-4 and other documents filed from time to time with the Securities and Exchange Commission (the "SEC") and those described in GTECH's annual reports, registration documents and other documents filed from time to time with the Italian financial market regulator (CONSOB), as well as those included in IGT's Annual Report on Form 10-K, Quarterly Reports on Form 10-Q, Current Reports on Form 8-K. Except as required under applicable law, the parties do not assume any obligation to update these forward-looking statements. Nothing in this announcement is intended, or is to be construed, as a profit forecast or to be interpreted to mean that earnings per GTECH share or IGT share for the current or any future financial years or those of the combined group, will necessarily match or exceed the historical published earnings per GTECH share or IGT share, as applicable. All forward-looking statements contained in this release are qualified in their entirety by this cautionary statement. All subsequent written or oral forward-looking statements attributable to GTECH, or persons acting on its behalf, are expressly qualified in its entirety by the cautionary statements contained throughout this release. As a result of these risks, uncertainties and assumptions, you should not place undue reliance on these forward-looking statements.
